on (one's) plate A non-specific way to speak of all the tasks or responsibilities that one must address. *I'm sorry I'm late, I just have so much on my plate right now. I'll handle the report—I know you've got a lot on your plate right now with the merger and all.*

on (one's) tod Without or not near to anyone else; on one's own; all alone. A shortening of the Cockney rhyming slang "on one's Tod Sloan," referring to a once-famous American horse jockey who fell into disrepute in the early 20th century and died penniless and alone. Primarily heard in UK. *To be quite honest, after a hectic week of work, I much prefer having a drink on my tod than being around a bunch of people. Mary's been on her tod ever since Rupert broke up with her last week.*

on (one's/its) knees **1.** In a position or manner of supplication or humble entreaty. *Jeb might have scorned me for the manual labor job I offered him here 10 years ago, but he's been on his knees begging for it now that the economy has gone south.* **2.** In a weakened or desperate state; in a

condition or state of decline or near ruin. *The megacorporation, once so dominant, has been on its knees ever since news of its involvement in the banking scandal became public knowledge.*

on opposite sides of the barricade(s) Occupying conflicting, opposing, and/or contrary positions on some issue or in some situation. *Unfortunately, it seems more and more to be the case that those who would see the economy recover and those who strive for social equality find themselves on opposite sides of the barricade.*

on our best behavior See [on \(one's\) best behavior](#).

on our bill See [on \(one's\) bill](#).

on our coattails See [on \(one's\) coattails](#).

on our good behavior See [on \(one's\) good behavior](#).

on our honor See [on \(one's\) honor](#).

on our honour See [on \(one's\) honour](#).

on our knees See [on \(one's/its\) knees](#).

on our lonesome See [on \(one's\) lonesome](#).

on our own initiative See [on \(one's\) own initiative](#).

on our own volition See [on \(one's\) own volition](#).

on our pat See [on \(one's\) pat](#).

on our Pat Malone See [on \(one's\) Pat Malone](#).

on our plate See [on \(one's\) plate](#).

on our tod See [on \(one's\) tod](#).

on own See [on \(one's\) own](#).

on pain of With the threat of undergoing something extremely bad or unpleasant as a punishment. Often used in the phrase "on pain of death." *The prisoners were forced to march on pain of death from the POW camp across the burning desert. On pain of having our pay docked, we were told we had to come in every Saturday until further notice to take care of the backlog of work.*

on pain of death With the threat of dying or being executed as a punishment. Sometimes used hyperbolically. *The prisoners were forced to*

march on pain of death from the POW camp across the burning desert. I am on strict instructions from my wife not to peek into the garage until she's done her surprise project, on pain of death!

on person See [on \(one's\) person](#).

on quite a sticky wicket See [on a sticky wicket](#).

on shipboard Aboard a ship. *I always feel so sick when I'm on shipboard, even when the seas are calm.*

on (someone's) behalf **1.** As the representative of someone else; in lieu of someone. *The boss isn't here at the moment, but I'd be happy to sign for the package on her behalf.* **2.** In the interest or for the benefit of someone else. *Children don't understand until they're older that everything their parents do is on their behalf.*

on (someone's) behalf For the benefit, interest, or support of someone; as an agent, representative, or in place of someone. *Our lawyer will be telephoning the department tomorrow on our behalf to ensure our application goes through as planned. This decision is on your behalf, so don't act so ungrateful!*

on (someone's) part **1.** As far as is related to, regards, or concerns someone; to the degree that someone is involved or a part (of something). *On the employees' part, the company's merger means that many will be losing their jobs. Jane on her part has been instrumental in getting this project off the ground.* **2.** As comes from or is done by someone. *Guarantees on the banks' part must be provided to assure the country's citizens that their money is safe during this period of recovery. There has been no shortage of effort on his part to make sure this campaign has been successful.*

on (someone's) wrong side Displeasing to someone; provoking someone's anger, contempt, or dismissal. *The best way to get through this class is to say nothing unless called upon, and to make sure you don't get on the teacher's wrong side! I thought it was all in good fun, but I might have gotten on her wrong side with my sarcastic comments.*

on talking terms Being amicable enough with someone as to have a conversation with him or her. A: *"I didn't realize that you and Stella were on talking terms again after your fight."* B: *"Yeah, ever since we apologized to each other, we've been getting along great!" I'm not on talking terms with*

him right now, so you better not talk to him either.

on (the) air Broadcasting live, as on television or radio. *Please try to control your language, we can't have any cursing while we're on air. Places, everyone! We're on the air in five, four, three...*

on the anvil In a formative but immature or unready state; being prepared, discussed, planned, etc., but not yet ready. *The details of the proposed merger are still on the anvil, but we should see something ready before the end of the summer. I've had a couple of projects on the anvil recently, but nothing has taken any definite shape yet.*

on the anxious seat 1. Sitting in an area at a revival meeting that has been designated for the atonement of sins. Primarily heard in US. *You need to go spend some time on the anxious seat after treating your sister so poorly!* 2. Feeling uneasy and nervous, usually while awaiting the outcome of something. *I know I'm going to be on the anxious seat until I get my test results back. Fans are certainly on the anxious seat while this goal is being reviewed.*

on the back foot In a position of disadvantage, retreat, or defeat. *A large portion of our funding was cut at the last minute, so we were starting this project on the back foot from the get-go. The once-dominant airline company has been on the back foot ever since several no-frills competitors entered the market.*

on the back of (something) In immediate succession after something else has happened and/or as a result of it. *On the back of their first album's unexpected success, the band began receiving offers to play gigs all over the world.*

on the beam-ends In a precarious and/or desperate situation. The phrase was originally used to describe the tilted position of a ship before it capsizes. *My sister's on the beam-ends now that she's lost her job—I might have to lend her some money so she doesn't lose her house. Tell me the truth, doc—am I on the beam-ends, or do I still have treatment options available?*

on the beat 1. Keeping time with the rhythm of a song. *We're going to go through the dance routine once more—let's try to stay on the beat this time, people!* 2. Regularly patrolling a certain area. When used in this way, the phrase is usually applied to police officers. *I always see police officers on the beat in our neighborhood.*

on the beaten track Following that which is commonly used by or known to most people, as of a course, route, or trend. *I know people say to be adventurous when traveling, but I like to stay on the beaten track in places I don't know very well. I generally stay on the beaten track with books. I'm not fond of reading those that get too weird or are meant for academics.*

on the bleeding edge Having or knowledgeable of the most advanced technology in a given area, activity, or endeavor. *The university's laboratory is on the bleeding edge when it comes to cancer research. Their latest smartphone is truly on the bleeding edge.*

on the bounce In continuous, consecutive, unbroken succession. (Used primarily in reference to sporting outcomes.) Primarily heard in UK. *After six losses on the bounce, the new manager of the football team is already being replaced. They had 10 straight wins on the bounce heading into this tournament, but they were outclassed and eliminated in the very first round.*

on the bright side Considering the positive, beneficial, advantageous, etc., aspects of a situation, especially one that is or would be otherwise negative, detrimental, or disadvantageous. *Look on the bright side—at least you got a severance package. The movie is sold out, but, on the bright side, there are plenty of other ones I wouldn't mind seeing.*

on the brink of (something) On the verge of doing something or of having some imminent event happen, especially that which is bad or disastrous. *The company is still doing business, but ever since the recession hit they've been teetering on the brink of closing down. The crew is so maddened by the pay cuts that everyone is on the brink of mutiny. We're on the brink of success with these experiments, I just know it.*

on the bum Not working correctly or properly; out of order; broken. *My car has been on the bum ever since I let my brother borrow it for the weekend. I think our washing machine is on the bum—these clothes are all sopping wet and don't smell clean!*

on the cards Very likely or certain to happen, occur, or take place. *They've played very well, but it doesn't look like a championship title is on the cards for this team today. A: "Do you have anything on the cards for tomorrow?" B: "No, it's looking like a pretty slow Saturday for me."*

on the chance See [on the \(off\) chance](#).

on the clock **1.** Currently engaged in work during one's normal working day or assigned hours. *I'd love to go have a beer with you, but as you can see by the uniform I'm wearing, I'm actually on the clock right now.* **2.** Of a taxi (and by extension, its driver), currently engaged to carry a passenger and having an active meter. *Sorry, but I can't stay to chat. I've got a taxi waiting outside that's still on the clock!* **3.** Currently displayed on a motor vehicle's speedometer or odometer (also called a mileometer). *I can't believe I got a ticket for speeding—I was only going 50 on the clock! This car may have 200,000 kilometers on the clock, but it still runs as smooth as ever.*

on the cuff **1.** With the expectation, promise, or obligation that payment will be given in the future. *I'm not getting paid till next week, but we really need a new TV, so I decided to buy this one on the cuff.* **2.** Without payment being necessary; for free. *After the waiter spilled those drinks on my wife, the manager offered us our meal on the cuff.*

on the day hell freezes over See [be the day hell freezes over](#).

on the down low In a state of secrecy or minimal public knowledge; being known only by a select few people. *Keep this on the down low, but Janet is planning to break up with Kevin next week. My parents know about the pregnancy, but I'd like it to stay on the down low otherwise.*

on the downside Considering the negative, adverse, disadvantageous, regrettable, etc., aspects of a situation, especially one that is or would be otherwise positive or beneficial. *My son will automatically have EU citizenship because he's being born in Ireland, but on the downside, we have to apply separately for American citizenship.*

on the edge of (something) Very close to doing something or of having some imminent event happen, especially that which is bad or disastrous. *The company is still doing business, but ever since the recession hit, they've been teetering on the edge of closing down. The crew are so maddened by the cuts to their pay that everyone is on the edge of mutiny.*

on the fiddle Engaged in deceitful, fraudulent, or dishonest means of obtaining money. *My career will be over if anyone ever finds out I was on the fiddle during my time as the company treasurer. There are always politicians on the fiddle, looking for ways to use their positions of power to earn a bit more money.*

on the front foot In an advantageous position, especially over an opponent; in an aggressive or attacking state or position. *The defending champions started the first half of the match truly on the front foot, but they've started losing momentum here in the second half. The senator came out on the front foot during the debate, remaining on the attack the whole way through.*

on the full-tilt boogie See [full-tilt boogie](#).

on the game Engaged in prostitution; regularly having sex for money. (Used especially in reference to women.) *A large number of prostitutes are on the game from a young age as the victims of sex trafficking.*

on the go 1. Constantly in motion, active, or working. *I feel as if I need to always be on the go; life's too short to be idle!* 2. Leaving or departing, often unexpectedly or with great haste; on the move. *Look out, that toddler's on the go!*

on the grapevine Through or via an informal means of communication or information, especially gossip. *There is always some absurd rumor or piece of misinformation on the grapevine at work, but I try to just tune most of that out. I heard on the grapevine that John is planning to propose to Samantha next week!*

on the gravy train In a state, position, or job where one makes an excessive amount of money without expending much or any effort. *I'll be on the gravy train once I get paid from the settlement of the lawsuit! My brother ended up on the gravy train when he married his wife, whose family owns one of the largest oil companies in the world.*

on the Greek calends See [the Greek calends](#).

on the high-road to Needham Headed toward trouble, often financially. "Needham" is not a specific location but rather a pun on the word "need." Primarily heard in UK. *You're on the high-road to Needham with the way you keep spending money! Have you ever heard of a savings account? Billy keeps sneaking out at night, and I'm worried that he's on the high-road to Needham.*

on the hip In a vulnerable position; lacking power. *The prosecution really has me on the hip now—I don't think there's any way I'm going to win this case.*

on the hook **1.** Held responsible (for something); obliged or committed (to something). *I would think very carefully signing your name to those documents. If something goes wrong in the company, it could be you on the hook. I'm on the hook for nearly half a million dollars after my partner skipped town with the company's pension fund!* **2.** In a continually and/or indefinitely delayed condition or state. *We've had the suspect on the hook in the interrogation room for about 12 hours now. We're keeping him guessing in the hopes that he'll let some information slip.*

on the hop **1.** Continually active; very busy; having a hectic or chaotic schedule. *I've been on the hop all day long getting various things done. I'm glad to be home now!* **2.** In a state of unpreparedness; unawares. (Used primarily in the phrases "catch someone on the hop" or "caught on the hop.") *If we attack before sunrise, we just might be able to catch our enemies on the hop! I hadn't prepared anything to say at the reception, so I was caught on the hop a bit when they asked me to say a few words.*

on the horn **1.** Currently using or speaking (to someone) on the telephone. *Jerry, get on the horn to the warehouse and tell them we need a few more pallets of paper. After our dreadful meal that night, I was on the horn to the manager the very next morning.* **2.** dated Lustful or sexually excited, especially of a man; having an erection. *Sarah became quite embarrassed when she noticed that her date was on the horn in the middle of the movie.*

on the hush In a state of secrecy or minimal public knowledge; being known only by a select few people. *I need to tell you some important news, but you have to keep it on the hush, OK? Apparently it's on the hush, but I just found out John and Tracey are getting married soon!*

on the hush-hush In a state of secrecy or minimal public knowledge; being known only by a select few people. *I need to tell you some important news, but you have to keep it on the hush-hush, OK? Apparently it's on the hush-hush, but I just found out John and Tracey are getting married soon!*

on the inside Near to or in a position of power, influence, or confidence, and thus having access to secret, classified, or sensitive information. *If we want to find out the inner workings of the company, we need to get in touch someone on the inside! Once I'm on the inside, I'll be able to feed you information about the governor's campaign strategy.*

on the Internet, nobody knows you're a dog A phrase that highlights the anonymous nature of online correspondence. It originally appeared in a cartoon by Peter Steiner. A: *"I can't say something that mean, even to a stranger."* B: *"Oh, sure you can! On the Internet, nobody knows you're a dog."*

on the jar Partially open, as of a door; ajar. *Leave that door on the jar, will you? I love the scent of an early spring morning! He never would have overheard our conversation if you hadn't left the door on the jar!*

on the leading edge Having or knowledgeable of the most advanced technology in a given area, activity, or endeavor. *The local university's laboratory is on the leading edge when it comes to cancer research. Their latest smartphone is truly on the leading edge.*

on the lines of (something) Approximately or imperfectly similar to something; very like something, but not quite the same. *Well, that's on the lines of what I have in mind for the new kitchen, but there are a few tweaks you need to make before it's right.*

on the long finger In a state of postponement or procrastination. (Used especially in the phrase "put something on the long finger.") Primarily heard in Ireland. *It looks like increased funding for education has been left on the long finger by the Dáil yet again. I've been meaning to send in my college applications, but I keep putting it on the long finger.*

on the make **1.** Increasing or advancing towards great financial or social success. *I hear John's company is really on the make these days! They're really up-and-coming in the real estate market.* **2.** Seeking wealth, success, or an improved social status, often ruthlessly or in a self-serving manner. *Ever since graduation, Thomas has been on the make, using anyone he knows or can exploit to further his career.* **3.** Seeking sexual partners or activity; making sexual advances or propositions. *John turns into a real slimeball when he gets drunk and is out on the make.*

on the march **1.** Literally marching or walking, as of an army. *Enemy forces are on the march, and we expect them to arrive by morning. We've got to be on the march soon if we hope to reach the camp by sundown.* **2.** Making progress or gaining momentum. *Your new initiative is on the march—I heard the boss talking about it this morning! The new education bill is on the march—it looks like it will be approved without much resistance.*

on the nail Immediately, promptly, or without delay; on the spot. Primarily heard in UK. *I could put the bill on my credit card, but if it's all right with you I'd rather we divvy it up here and pay on the nail. After a few bad experiences with lodgers, I've learned to demand cash on the nail for the rent every Sunday, no exceptions.*

on the off chance Because there is a very slight, remote, or unlikely possibility (that something may happen or be the case). *You'll probably need to replace your washing machine, but on the off that I can fix it, let me open it up and take a look. I don't think Jack would go on a date with me, but on the off that he says yes, I'm going to ask him anyway!*

on the (off) chance In the unlikely event. *On the off chance that you get home before me, can you put the roast in the oven?*

on the outside chance Because there is a very slight, remote, or unlikely possibility (that something may happen or be the case). (A less common variant of "on the off chance.") *You'll probably need to replace your washing machine, but on the outside chance that I can fix it, let me open it up and take a look. I don't think Jack would go on a date with me, but on the outside chance that he says yes, I'm going to ask him anyway!*

on the outside, looking in Excluded from something that one wanted to participate in. *All of my friends were invited to the biggest party of the year, and here I am, on the outside, looking in. We need to win some games, or else we'll be on the outside looking in during the playoffs.*

on the pad Accepting bribes. A phrase typically said of police officers. *He's made some very uncharacteristic decisions lately, which makes me wonder if he's on the pad.*

on the plus side Considering the positive, beneficial, advantageous, etc., aspects of a situation, especially one that is or would be otherwise negative, detrimental, or disadvantageous. *My wife went into labor while we were still away in Europe. The whole ordeal was really stressful, but on the plus side, our son now has EU citizenship!*

on the pull Seeking sexual partners or activity; hoping or trying to have sexual intercourse. Primarily heard in UK. *This bar is always filled with seedy guys on the pull. I went out on the pull last Friday night, but I was too drunk to find any luck.*

on the radar (screen) Considered important or noteworthy; within the spectrum of (someone's) awareness, attention, or consideration. *If you want this issue to be on the radar of mainstream America, you have to frame it as something that will hit people in their wallets. There are always going to be bands who suddenly appear on the radar screen, only to fade into obscurity just as quickly.*

on the rampage Causing great destruction, disruption, or chaos; behaving very violently or aggressively. *Many ancient artifacts were destroyed while enemy forces were on the rampage in the holy city. Our teacher went on the rampage this morning, screaming at the kids for their misbehavior.*

on the razor's edge To the point of doing something risky or dangerous. *Please, you just like him because he's the bad boy who dances on the razor's edge with his motorcycle. I like to live on the razor's edge sometimes and go skydiving.*

on the shady side of slang Older than; more than. *I'm much more concerned about my health now that I'm on the shady side of 60. You're on the shady side of 20, which means you need to start acting more responsibly.*

on the sick list Ill or unwell; indisposed due to poor health. *Jim has been on the sick list for over a month now. If he doesn't get better soon, we're going to have to replace him!*

on the spur of the moment Very suddenly, impulsively, and/or without preparation beforehand; in an impromptu or capricious manner. *You've got to stop making decisions about your business on the spur of the moment like this, or you'll end up running it into the ground! It's totally out my character to take a trip on the spur of the moment, but I just needed to get out of the city for a while.*

on the square 1. Candidly honest or transparent; fair and straightforward; correct or in agreement. *I know everyone distrusts car mechanics, but I feel like the guy I go to has always been on the square with me.* 2. Literally, at or forming right angles (as or of a square). *Make sure the foundation is laid out on the square before you pour the concrete.*

on the string Awaiting a decision. *They told me they would call last week! How long am I going to be on the string?*

on the table See [be on the table](#).

on the toss of a coin See [on a/the toss of a/the coin](#).

on the up Making progress; increasingly successful. *Your career is definitely on the up now that you've gotten that big promotion. As a team, we're certainly on the up—we've already won more games this year than we did all of last year.*

on the upside Considering the positive, beneficial, advantageous, etc., aspects of a situation, especially one that is or would be otherwise negative, detrimental, or disadvantageous. *My wife went into labor while we were still away in Europe. The whole ordeal was really stressful, but on the upside, our son now has EU citizenship!*

on the upswing Showing or experiencing a noticeable or conspicuous increase, improvement, or expansion. *The last few years were hard on our company, but we're finally starting to get back on the upswing. The small country has been one of the few economies in the region to be on the upswing since the recession.*

on the wrong side of history A phrase usually used to describe outdated political decisions or practices. *Someone needs to tell the president that his sexist statements put him on the wrong side of history. You are on the wrong side of history if you think injustice will continue unchallenged in your country.*

on the wrong side of (someone) Displeasing to someone; provoking someone's anger, contempt, or dismissal. *The best way to get through this class is to say nothing unless called upon, and to make sure you don't get on the wrong side of the teacher! I thought it was all in good fun, but I might have gotten on the wrong side of her with my sarcastic comments.*

on to her See [be on to \(someone\)](#).

on tod See [on \(one's\) tod](#).

on welfare In receipt of assistance, financial or otherwise, from publicly or privately funded agencies (usually run by the government) due to a certain level of hardship, poverty, or need. *It was really disheartening having to go on welfare these past six months, but it was the only thing that kept our family afloat after I lost my job. Some people are very critical of those who have been on welfare for extended periods of time.*

on wheels **1.** Literally, on or via a vehicle with wheels, such as an automobile, bicycle, or motorcycle. *Our family is getting ready to do our move on wheels across the country. Neither of us had seen much of the countryside, so we decided to have our next date on wheels.* **2.** Very smoothly; without difficulty, problems, or hindrances. *Dinner service was running on wheels until an entire sauce pot fell off the stove.* **3.** Used as an intensifier of something as being difficult, unruly, unpleasant, disliked, etc. *There's this one guy in our department who is a real jerk on wheels. It's like he enjoys making other people upset!*

on wrong side See [on \(someone's\) wrong side](#).

on your beam ends See [on \(one's\) beam-ends](#).

on your behalf See [on \(someone's\) behalf](#).

on your behalf See [on \(someone's\) behalf](#).

on your best behavior See [on \(one's\) best behavior](#).

on your best behaviour See [be on \(one's\) best behavior](#).

on your good behavior See [on \(one's\) good behavior](#).

on your honor See [on \(one's\) honor](#).

on your honour See [on \(one's\) honour](#).

on your knees See [on \(one's/its\) knees](#).

on your lonesome See [on \(one's\) lonesome](#).

on your own See [on \(one's\) own](#).

on your own initiative See [on \(one's\) own initiative](#).

on your own volition See [on \(one's\) own volition](#).

on your part See [on \(someone's\) part](#).

on your pat See [on \(one's\) pat](#).

on your Pat Malone See [on \(one's\) Pat Malone](#).

on your person See [on \(one's\) person](#).

on your plate See [on \(one's\) plate](#).

once and again Only a few times. A: *"Have you ever been to Chinatown in New York?"* B: *"Once and again; not enough to really get to know the place."*

once hell freezes over Never; at no time. *Sure, Bob, you can be the head of this company—once hell freezes over!*

once or twice Only a few times. A: *"Have you ever been to Chinatown in New York?"* B: *"Once or twice; not enough to really get to know the place."*

once the dust has settled When things have become more calm or stable; when the consequences (of something) have become known or manageable. *I know things have been really hectic during this project, so let's all take a bit of a break and return to it once the dust settles a bit. Lots of people opposed the gay marriage legislation, but once the dust has settled, I hope they'll see that there was no reason to be afraid of it.*

once (the) word gets out As soon as people start finding out (about this); as soon as information (about this) begins to spread. *Once the word gets out that we're paying top dollar for skilled programmers, we'll be up to our ears in job applications. This scandal is going to ruin me once word gets out!*

once you go black, you never go back rude slang Sexual activity with a black person is so enjoyable that that it makes one only want black sexual partners in the future.

one after another Consecutively and in quick succession, with one person or thing rapidly following another in order (and usually indicating a large amount altogether). (Often formulated as "one (noun) after another.") *The children walked silently, one after another, into the schoolhouse to begin their lesson. When I was cooped up in the house after my surgery, I started reading one book after another.*

one after the other See [one \(thing\) after the other](#).

one age with See [be one age with \(someone\)](#).

one age with (someone) dated Of the same or roughly equivalent age as someone else. Primarily heard in Ireland. *I had absolutely no idea that Mrs Shelby was one age with her husband; she looks so much younger!*

one another Each the same in action toward the other person(s),

animal(s), or thing(s) in a given group of two or more. *You can just tell when you're around them that Joe and Sarah love one another very much. There are these birds in our back yard that are always fighting with one another in the morning. It's really annoying!*

one at a time In individual succession, with each person or thing following another in order. *The children walked silently one at a time into the schoolhouse to begin their lesson. Ladies and gentlemen, please exit the theater one at a time!*

one bad apple spoils the (whole) barrel It only takes one person, thing, element, etc., to ruin the entire group, situation, project, etc. Refers to the fact that a rotting apple can cause other apples in close proximity to begin to rot as well. A: *"It used to be considered the top research facility in the region, but after one of its researchers was discovered to have plagiarized a number of his papers, the whole department's reputation has been dragged through the mud."* B: *"Well, just one bad apple spoils the barrel." I really loved my job, but there was this one jerk there who made life miserable for everyone. One bad apple spoils the whole barrel, unfortunately.*

one bad apple spoils the (whole) bunch It only takes one person, thing, element, etc., to ruin the entire group, situation, project, etc. Refers to the fact that a rotting apple can cause other apples in close proximity to begin to rot as well. A: *"It used to be considered the top research facility in the region, but after one of its researchers was discovered to have plagiarized a number of his papers, the whole department's reputation has been dragged through the mud."* B: *"Well, just one bad apple spoils the bunch." I really loved my job, but there was this one jerk there who made life miserable for everyone. One bad apple spoils the whole bunch, unfortunately.*

one bad apple spoils the (whole) bushel It only takes one person, thing, element, etc., to ruin the entire group, situation, project, etc. Refers to the fact that a rotting apple can cause other apples in close proximity to begin to rot as well. A: *"It used to be considered the top research facility in the region, but after one of its researchers was discovered to have plagiarized a number of his papers, the whole department's reputation has been dragged through the mud."* B: *"Well, just one bad apple spoils the bushel." I really loved my job, but there was this one jerk there who*

made life miserable for everyone. One bad apple spoils the whole bushel, unfortunately.

one-banana problem A problem, project, or task that requires little to no effort, expertise, or intelligence to solve or complete. Supposedly from the notion that a trained monkey could do what is required. A: *"We have to add in some code so that users are able to remain logged into the website, even if they visit other pages."* B: *"No worries, that's a one-banana problem."*

one brick short of a (full) load A pejorative phrase meaning not very intelligent or of questionable mental capacity. This expression can appear in many different forms and variations (e.g., "a few sandwiches short of a picnic," "one card shy of a full deck," etc.). *He says he's going to start a business selling bees as pets—I think he may be one brick short of a load. The new manager is nice enough, but he's one brick short of a full load, if you ask me.*

one brick shy of a (full) load A pejorative phrase meaning not very intelligent or of questionable mental capacity. It can appear in many different forms and variations (for example: a few sandwiches shy of a picnic, one card shy of a full deck, etc.). *He says he's going to start a business selling bees as pets—I think he may be one brick shy of a load. The new manager is nice enough, but he's one brick shy of a full load, if you ask me.*

one by one In individual succession, with each person or thing following another in order. *The children walked silently, one by one, into the schoolhouse to begin their lesson. The usher asked the theater patrons to exit the theater one by one.*

one can't beat that See [\(one\) can't beat that](#).

one can't believe one's ears See [\(one\) can't believe \(one's\) ears](#).

one card shy of a (full) deck A pejorative phrase meaning not very intelligent or of questionable mental capacity. This expression can appear in many different forms and variations (e.g., "a few sandwiches short of a picnic," "one brick short of a load," etc.). *He says he's going to start a business selling bees as pets—I think he may be one card shy of a full deck. The new manager is nice enough, but he's one card shy of a deck, if you ask me.*

one-day wonder A person or thing that generates interest for only a

short amount of time. *The band's biggest fear was becoming a one-day wonder, soon to be forgotten when the next big sound hit the airwaves.*

one does not wash one's dirty linen in public See [\(one\) does not wash \(one's\) dirty linen in public](#).

one figures See [\(one\) figures \(that\)](#).

one flesh Joined together with another person in marriage. Taken from the biblical verse regarding marriage, "And the two shall become one flesh." It can also refer to sexual intercourse in general, which according to Judeo-Christian beliefs should occur only within marriage. *I am blessed to have been one flesh with my wife for nearly 30 years. Many people choose to wait until they are married to become one flesh with someone.*

one for the Gipper An action taken in honor of someone else. The phrase refers to celebrated Notre Dame football player George Gipp ("the Gipper"). Several years after Gipp's death at age 25, Notre Dame coach Knute Rockne urged his team to "win one for the Gipper." *I heard your staff really worked hard to meet the last sales goal before you retired—one for the Gipper, I suppose.*

one giant leap for mankind See [one small step for man, one giant leap for mankind](#).

(one had) better be going Said when one is about to or needs to leave. *Well, we had better be going. It was lovely to see you, as always. Better be going before I miss my train!*

(one had) better get moving 1. Said when one is about to or needs to leave. *Well, we'd better be going. It was lovely to see you, as always. Better get moving before I miss my train!* 2. Said as an imperative to make (more rapid) progress on something, such as a project. *You had better get moving if you're going to finish all of these cupcakes before the party. I better get moving on wrapping these presents. There are dozens of them!*

(one had) better get on (one's) horse Said when one is about to or needs to leave. *Well, I had better get on my horse. It was lovely to see you, as always. Better get on my horse before I miss my train!*

one half of the world does not know how the other half lives People cannot fully understand the lives of others, especially when their lifestyles are very different. *I don't understand how people are just*

oblivious to the growing homeless population in our city. Truly, one half of the world does not know how the other half lives.

one hand washes the other (and both wash the face) All parties involved will benefit from helping each other and/or working together toward the same goal. *Look, if you feature our company's logo during your campaign, we get a major boost in advertising visibility, and you get a bump in your campaign funding—one hand washes the other! The criminal organization has several politicians and most of the police force in its pocket, with everyone seeing a profit from illegal activities. One hand washes the other, and both are washing the face!*

one heck of a See [heck of a](#).

one heck of a (something or someone) **1.** An exceptionally good, exciting, or interesting thing or person. *Marty sure is one heck of a guy, always willing to lend his friends a hand! Two cars for the price of one? That's one heck of a deal!* **2.** An exceptionally bad or difficult thing, activity, or person. *This is one heck of a math assignment—I can't understand the first thing about it! Boy, that is one heck of a haircut. You're going to go out in public like that?*

one hell of a See [hell of a](#).

one hell of a mess See [hell of a mess](#).

one hell of a (something or someone) **1.** An exceptionally good, exciting, or interesting thing or person. *Marty sure is one hell of a guy, always willing to lend his friends a hand! Two cars for the price of one? That's one hell of a deal!* **2.** An exceptionally bad or difficult thing, activity, or person. *This is one hell of a math assignment—I can't understand the first thing about it! Boy, that is one hell of a haircut. You're going to go out in public like that?*

one hell of a time See [hell of a time](#).

one-hit wonder A musician or band that only has one successful song during their music career. *I'm surprised that band was a one-hit wonder. I enjoyed several songs on their album, but only the one big single ever got radio play.*

one-horse race A competition in which one participant is superior to the others and thus more likely to win. *After interviewing all of the job*

candidates, it's clearly a one-horse race. Nobody can beat Kim's experience and qualifications.

one-horse town A very small and unremarkable town that is typically regarded as dull or boring. *I can't wait to graduate high school and get out of this boring, one-horse town!*

one hour's sleep before midnight is worth two after Sleep before midnight is more rejuvenating than sleep after midnight. The phrase encourages going to sleep at an early hour. *No matter how often I tell my son that one hour's sleep before midnight is worth two after, he still stays up too late playing video games. I've really noticed a difference in the quality of my sleep since I started going to bed earlier. It must be true that one hour's sleep before midnight is worth two after!*

one hundred and ten percent See [a hundred and ten percent](#).

one-hundred-and-ten proof See [110 proof](#).

one in the eye for A disappointment or misfortune for someone. Typically used to describe how one is negatively impacted by someone else's actions. Primarily heard in UK, Australia. *Jenny's success at her new company is one in the eye for her old boss. I'm your mother—of course your bad grades are one in the eye for me!*

one-man band A company or organization where most or all of the work is handled by one person. *Most small businesses start out as a one-man band with the owner doing everything himself until he can afford to hire help.*

one-night stand **1.** A sexual encounter that only happens one time. *After a night of drinking, Maria had a one-night stand with Mark but regretted it the next morning.* **2.** A single performance. *My favorite comedian is doing a one-night stand in the city next weekend.*

one-note Lacking in variety; tedious or boring. *How can you read those one-note books? They're so dull that they put me to sleep! When I need a new perfume, I look for a complex fragrance, not something that's just one-note.*

one of those things An unexpected or random occurrence. This phrase is often used when one wants to dismiss something without further discussion or concern. A: *"I thought you weren't coming!"* B: *"Oh, you know, my schedule cleared up at the last minute—it was just one of those things."* *Getting sick is just one of those things, mom. Don't worry about it!*

one-off An isolated occurrence; something that happens just once. *Oh, that class was a one-off—my interest in French was dead by the time the semester ended. I swear, I don't like him—our kiss was just a one-off! Their performance was just a one-off—they won't be touring.*

one over (the) eight **1.** adjective Thoroughly inebriated. Primarily heard in UK. *I think someone should drive Jerry home, he's one over the eight. I guess I was making something of a show of myself, but I was having too much fun to realise that I was one over eight.* **2.** noun The final alcoholic drink that pushes a person from mild or safe intoxication to being very drunk. Primarily heard in UK. *I was composed and in control of myself for most of the evening, but somewhere around midnight, I had one over the eight and started making a show of myself. It seems like Jenny makes a point of having one over eight every time she goes out on the weekend.*

one puts one's pants on one leg at a time See [\(one\) puts \(one's\) pants on one leg at a time](#).

one puts one's trousers on one leg at a time See [puts \(one's\) trousers on one leg at a time \(just like everybody else\)](#).

one sandwich short of a picnic A pejorative phrase meaning not very intelligent or of questionable mental capacity. It can appear in many different forms and variations (for example: one card short of a full deck, one brick shy of a full load, etc.). *He says he's going to start a business selling bees as pets—I think he may be one sandwich short of a picnic. The new manager is nice enough, but he's one sandwich short of a picnic, if you ask me.*

one sandwich shy of a picnic A pejorative phrase meaning not very intelligent or of questionable mental capacity. This expression can appear in many different forms and variations (e.g., several bricks short of a load, "one card shy of a full deck," etc.). *He says he's going to start a business selling bees as pets—I think he may be one sandwich shy of a picnic. The new manager is nice enough, but he's one sandwich shy of a picnic, if you ask me.*

one saved the day See [you saved the day](#).

one sharp cookie See [sharp cookie](#).

one sick puppy See [a/one sick puppy](#).

one side Move aside! Get out of the way! (Short for "move to one side.")

One side, little man! I'm in a rush, and you're getting in my way!

one small step for man, one giant leap for mankind A phrase typically said in reference to a breakthrough or advancement of some kind. Astronaut Neil Armstrong famously said the phrase in 1969 when he became the first person to set foot on the moon. *I think the self-driving car will be one small step for man, one giant leap for mankind. When we find a cure for this illness, it will be one small step for man, one giant leap for mankind.*

one-star Lacking in quality; inadequate. *I couldn't spend another minute in that one-star hotel—it was positively filthy!*

one step at a time Slowly, carefully, and deliberately; without being careless or in a rush. *It is entirely possible for this project to succeed—we just need to proceed one step at a time. Major life changes like this can fluster anyone, so just take everything one step at a time.*

one step forward and two steps back With or marked by a small amount progress that is then eradicated by a larger amount of setbacks, problems, or difficulties. *So many administrative hurdles have been thrown up along the way that this whole project has been one step forward and two steps back ever since we began!*

one step forward, two steps back Marked by a small amount progress that is then eradicated by a large amount of setbacks, problems, or difficulties. *So many administrative hurdles have been thrown up along the way that this whole project has been one step forward and two steps back ever since we began!*

one swallow does not a spring make One piece of evidence does not mean that something is definitely going to happen. *I know you're excited about your exam grades, but you haven't gotten your report card yet, and one swallow does not a spring make.*

one swallow does not make a spring One piece of evidence does not mean that something is definitely going to happen. *I know you're excited about your exam grades, but you haven't gotten your report card yet, and one swallow does not make a spring.*

one (thing) after the other Consecutively and in quick succession, with one person or thing rapidly following another in order (and usually

indicating a large amount altogether). Often formulated as "one (noun) after the other." *The children walked silently, one after the other, into the schoolhouse to begin their lesson. When I was cooped up in the house after my surgery, I started reading one book after the other.*

a one-trick pony A person, group, or thing that is known for or limited to only one unique or noteworthy skill, talent, ability, quality, area of success, etc. *The app developers took the world by storm with an incredibly addictive game for smartphones, but they've really been seen as just a one-trick pony ever since that breakthrough success. As most readers suspected, the famed fantasy writer turned out to be a bit of a one-trick pony, genre-wise, with his debut novel in literary fiction being universally panned by critics.*

one-two punch **1.** In boxing, two quick hits to one's opponent in rapid succession. *The boxer's one-two punch was feared by his opponents in the ring.* **2.** Two negative events that happen at the same time or in rapid succession. *My electricity being shut off the same day I lost my job was a terrible one-two punch.*

one-up (someone) To make a point of outdoing, outperforming, outclassing, etc., someone. *I hate telling stories around Jack because he always tries to one-up you with some fabulous anecdote of his own.*

a one way street See [be a one-way street](#).

a one-way street A situation, agreement, or relationship in which only one side or party is benefitting or has any power, influence, or control. *I don't know why you think you always get to have your way; this relationship isn't a one-way street, after all! I'm starting to think that this partnership with the government is a one-way street. They keep putting demands on us, but they've given us very little support in return.*

a one-way street A cooperative situation, relationship, or agreement in which only one side is benefitting from or dictating the terms of the interaction. *You can't always decide what we're going to do next, Mary. This relationship is not just a one-way street, you know. I always feel like it's a one-way street when I'm dealing with these big firms. They never let you participate in the meetings.*

a one-way ticket to (somewhere or something) A specific, usually negative, result of an action, event, or situation. *If he doesn't restructure his company soon, he's buying a one-way ticket to bankruptcy.*

Getting home late will be a one-way ticket to being grounded.

one will rue the day See [rue the day \(that something happened\)](#).

(one's/the) best bet The action or idea that is most likely to be successful. *At this hour, taking the highway is your best bet if you want to get there on time. This method of testing is the best bet for getting an uncontaminated result.*

onesie-twosie Individually; one at a time; in small batches or amounts at a time. *You'll save yourself a heap of time if you just create a template for printing standard letters, rather than drafting them onesie-twosie from scratch.*

only daughter One's only female child. *I'm so sad to send my only daughter off to college! Sure, my dad showed my sister some favoritism—she's his only daughter, after all.*

only fools and horses work One should find an easy way to make money. A: *"Have you considered getting a job?"* B: *"Oh please, only fools and horses work. Once I sell this invention of mine, I'll make millions!"*

only Nixon could go to China A phrase used to highlight a political leader's unique ability to accomplish something particularly daunting or taboo. It refers to US President Richard Nixon's landmark 1972 visit to Communist China, which established diplomatic relations between the two nations. *With all of your connections, I think you'll be the first mayor to get a train station built in our town—only Nixon could go to China, right?*

only son One's only male child. *I'm so sad to send my only son off to college! Of course my mom showed my brother some favoritism—he's her only son, after all.*

only the good die young A phrase typically used as a source of comfort after someone has died at a young age. *I know that only the good die young, but I'm still heartbroken to have lost my best friend—she was just 20 years old and had her whole life ahead of her! He was just the kindest person, and only the good die young.*

ontogeny recapitulates phylogeny The now-discredited scientific theory that an organism's embryonic development, or ontogeny, follows the evolutionary stages of its species, or phylogeny. *We were able to disprove Haeckel's theory that ontogeny recapitulates phylogeny by closely studying*

embryonic development.

onward and upward **1.** Becoming increasingly successful; continuing to advance or make progress. *After the immense success of his first book, it was all onward and upward for John's writing career.* **2.** Improving to a brighter, happier future, especially after some misfortune or unpleasant incident. *I know you're really disappointed with your result on the midterm, but hey, it's onward and upward from here!*

onwards and upwards **1.** Becoming increasingly successful; continuing to advance or make progress. *After the immense success of his first book, it was all onwards and upwards for John's writing career from there.* **2.** Improving to a brighter, happier future, especially after some misfortune or unpleasant incident. *I know you're really disappointed with your result on the midterm, but hey, it's onwards and upwards from here!*

OOTD An abbreviation for "outfit of the day." It typically accompanies a picture of one's outfit on social media. *Loving this OOTD! These leggings are so comfy. A perfect dress for today's beautiful weather! #OOTD*

open and aboveboard Fully visible to public scrutiny; completely and openly honest or legitimate. *Though some regulators have expressed concern over the merger of the two multinationals, everything about the deal has been open and aboveboard.*

an open book **1.** Something that is easy to understand or decipher. *These legal contracts are anything but an open book.* **2.** One who acts (or purports to act) honestly, with no secrets. *Ask me anything, I'm an open book. Adam says he's an open book, but I've seen him sneaking out of his house late at night.*

(open) confession is good for the soul The act of confessing one's misdeeds alleviates stress and guilt. *You'll feel better if you just tell mom that you broke the vase. Open confession is good for the soul, after all.*

open day A specified day in which an organization, especially a school, university, or business, is open for visitation, inspection, or evaluation by members of the public. Primarily heard in UK. *I wouldn't mind the open day at school so much if we didn't have to act like trained seals for the prospective parents.*

open her mouth See [not open \(one's\) mouth](#).

open house **1.** A condition, situation, or event in which a home is open and welcome to visitors at any time. *We like to have an open house, so please just drop by whenever you like. It really threw the neighborhood off-kilter the way the Jeffersons kept open house, with people arriving and departing at all hours.* **2.** A time or state in which a house, apartment, or other residential building that is up for sale may be viewed by prospective buyers. *We've been looking for weeks for the right house to buy, but there's an open house this Saturday for one that looks really promising.* **3.** A specified day in which an organization, especially a school, university, or business, is open for visitation, inspection, or evaluation by members of the public. Primarily heard in US. *I wouldn't mind the open house at school so much if we didn't have to act like trained seals for the prospective parents.*

an open invitation **1.** An invitation to do something at any time or whenever someone is inclined. *Just because I let your insufferable friend Paul to come over that one time doesn't mean he has an open invitation.* **2.** Something that provides an ostensible reason or excuse for someone to do something immoral or illegal. *A lot of people fear that legalizing marijuana will create an open invitation for people to try, buy, or sell any drug they can think of.*

an open marriage A marriage between two people who do not object to each other continuing to have other sexual or romantic partners. A: *"Lila has a new boyfriend? I thought she was married to Chad."* B: *"Oh, they have an open marriage." Don't worry, I still date other people—my wife and I have an open marriage.*

open (one's) big mouth To say something that is meant to be a secret; to say something in an indiscreet, noisy, or boorish manner. *Why did you have to open your big mouth about my crush on Tommy? Why couldn't you just keep it between us? We would have gotten away with the plan if she hadn't opened her big mouth!*

open (one's) legs vulgar To have or be receptive to having sex with someone. Most often said of a woman. *My mother told me not to be opening my legs or I wouldn't find a husband, but I think she's terribly old fashioned. As long as they use protection, it shouldn't matter how often anyone opens their legs.*

open (one's) mouth To say something, especially that which is

indiscreet, boorish, or meant to be a secret. *Why did you have to open your mouth about my crush on Tommy? Why couldn't you just keep it between us? You've got to make sure that he never opens his mouth about what went on here today.*

open sesame **1.** A phrase commonly (and thus sometimes humorously) used as a password, especially to gain entrance to something. In *The Arabian Nights*, "open sesame" is a magical phrase used to open a robbers' den. A: "What's the password?" B: "Um... open sesame?" *If those kids are still blocking the door, tell them the password is "open sesame."* **2.** By extension, something that helps one to achieve a goal or access an opportunity. In this usage, the phrase is preceded by an article (for instance, "an open sesame"). *Good grades in high school will be an open sesame to any college you choose.*

open the door for **1.** Literally, to open a door for another person. *Open the door for me, will you? I have my hands full right now. Now that I'm on crutches, I really appreciate it when people open the door for me.* **2.** To create an opportunity for someone or something. *Female professors like you really opened the door for future generations of women scholars. Recent advancements in technology really opened the door for my latest invention to gain widespread acceptance.*

open the kimono To be transparently open about one's plans, dealings, or intentions. *I assure you that our company has opened the kimono about every aspect of our tax obligations to the state.*

open (up) a can of whoop ass (on someone) To commit, engage in, or threaten physical violence (against someone). Sometimes said in a jocular or pseudo-serious manner. *If that punk doesn't shut up soon, I'm gonna have to go over there and open up a can of whoop ass! My old man was the toughest guy in town when he was alive. He could open a can of whoop ass on anyone!*

open (up) (one's) kimono To be transparently open about one's plans, dealings, or intentions. *I assure you that our company has opened our kimono about every aspect of our tax obligations to the state.*

the opening of an envelope Any event, celebration, or ceremony, no matter how trivial or unremarkable, that one attends purely for the sake of visibility. Often said in relation to celebrities or media personalities who

make a point of attending anything that will give them more public exposure. *In a bid to cultivate a media buzz around herself, the Internet sensation has been to the openings of films, book launches, and celebrity galas. With the way she carries on, she'd even go to the opening of an envelope!*

opportunity knocks A major opportunity to find success presents itself or becomes available. *You have to be ready to act if opportunity knocks, or you might end up regretting it forever. It was hard leaving my parents and all my friends from high school, but when opportunity knocked to attend school overseas, I knew I had to seize the chance.*

opportunity knocks at every man's door Chances for success present themselves to everyone. *Don't be jealous of your sister—opportunity knocks at every man's door, and it will come along for you soon enough.*

opposites attract Unlike people tend to be drawn to each other. A: *"I have no idea why Ben and Julia are together when they have such different interests."* B: *"Well, opposites attract, right?" I know firsthand that opposites attract because my wife and I are very different people and have a very happy marriage!*

or get off the pot See [\(do something\) or get off the pot](#).

or something (like that) Or else something similar to or like what has just been said. (Used to express that what's been said is just a possible example, or else the speaker is not exactly sure of it.) A: *"What do you want to do this evening?"* B: *"We could go out for dinner or something, if you like."* *I'm not sure what John's husband does for a living; I think he's a writer or something like that.*

ordeal by fire An outdated form of trial in which an accused person was physically subjected to fire. The belief was that God would save those who were truly innocent. *The accused witches have been sentenced to ordeal by fire so that we may know whether they are guilty of these charges.*

the order of the day Something that is a priority in a certain situation or at a given time. *If you're taking the kids to the beach, then sunscreen is the order of the day. While you're in college, studying is the order of the day, not socializing!*

orders are orders This thing or things must be done because a person of authority has commanded it, even if it or they are unpleasant to do. *Look, I*

don't like having to decide who's going to lose their job, but orders are orders, and we have to let someone go.

Oreo cookie offensive slang A derogatory term for a black person whose behavior is regarded as more stereotypically white than black. The term derives from the fact that Oreo cookies are black on the outside and white on the inside. Primarily heard in US.

original character The initial and/or intended meaning or state of something, especially if it has changed over time. *Please be sure to keep the original character of the statement you are paraphrasing. I have to translate this story, and I have no idea if I'm capturing its original character. The renovations were done in keeping with the original character of the building.*

other fish in the sea See [there are other \(good\) fish in the sea](#).

(one's) other half One's spouse, romantic partner, or boyfriend/girlfriend. *I'd love to come out to the bars with you after work, but I'd better check in with my other half to make sure we don't have any plans for this evening. The work retreat is meant to be for couples, so be sure to bring your other half!*

the other side Existence after death; the world of the afterlife. *I miss my wife terribly, but I keep the faith that I will see her on the other side some day. My mom has always been a sucker for con artists who claim they can communicate with the other side.*

out-and-out (used before a noun) Complete; utter; absolute; thoroughgoing. *Their lead singer is an out-and-out genius when it comes to writing music! That's an out-and-out lie! I demand you take that back!*

out back Outside at the back of a given house or building. *John's coming to meet us out back after we're finished with work. We just bought a brand new picnic table so we can have our meals out back when the weather is nice.*

out for the count Unconscious or in a deep, insensible sleep. Likened to a boxer who has been knocked out. *I didn't even hear you come in last night—I was so tired that I was out for the count as soon as my head hit the pillow. On his 21st birthday, Mike's friends gave him so much to drink that he was out for the count by 10 PM. The rowdy customer was out for the count when the bouncer punched him in the head.*

out-Herod Herod To be excessively cruel or tyrannical. Herod was the

King of Judea who according to the New Testament ordered the deaths of all male babies in an attempt to kill Jesus. *That dictator could out-Herod Herod with his fits of violence.*

out of all scotch and notch Immeasurable; limitless. "Scotches" and "notches" are boundaries drawn in the game of hopscotch. *My love for my husband is truly out of all scotch and notch.*

out of central casting See [\(straight\) out of central casting](#).

out of condition Not in good physical health; not especially strong, healthy, or fit. *I've gotten pretty out of condition from working behind this desk for 10 years. I'd like to run a marathon this autumn, but I'm a little out of condition.*

out of countenance Uneasy; ashamed. *I'm sorry if I'm quiet—I made a big mistake at work today, and it really put me out of countenance.*

out of court Before trial or without litigation. The phrase is used to describe decisions, especially settlements, that are resolved before a case goes to trial. *I have no desire to draw this out in a long trial, so let's offer to settle out of court.*

out of fix 1. Out of order; not functioning properly or at all. *My dad's favorite hobby was heading out to the shed with his tools to work on some old piece of machinery that's out of fix.* 2. In disarray or disorder; in a state of disarrangement. *The poor woman's house has been out of fix ever since her husband passed away.*

out of her wheelhouse See [out\(side\) \(of\) \(someone's\) wheelhouse](#).

out of house and home Evicted; no longer having someplace to live. *If my wife loses her job like so many of her co-workers, we'll be out of house and home for sure. Over 50 former tenants, now out of house and home, gathered at city hall to protest the closure of the government-funded accommodation.*

out of humour In an irritable, grouchy, or unhappy mood; not feeling well or in good spirits. Primarily heard in UK. *I think something is bugging John because he's been rather out of humour lately. After living in Gibraltar for so long, these awful London winters leave me feeling me out of humour.*

out of it 1. In a sedate, confused, or disoriented condition; feeling or seeming disconnected from reality. *I was really out of it after working that*

16-hour shift on Saturday. I think something is bugging John, because seems really out of it lately. It's like he's walking around in a haze. **2.** Heavily intoxicated by drugs or alcohol, especially to the point of becoming unconscious, nonsensical, or out of control. *You were really out of it at the party last night. You shouldn't drink so much so fast.* **3.** Not aware of or knowledgeable about something; not included or participating in something, especially a particular trend, group, or activity. *My dad is so out of it. Doesn't he know that wearing socks with sandals looks ridiculous? Everyone's been playing this new Japanese card game at school. I'm not interested in it, but not playing still makes me feel a little out of it.*

out of key Not in consonance or accordance with other elements, factors, or styles. A reference to musical tonality. *That shirt looks ridiculous—it's totally out of key with the rest of your wardrobe!*

out of kilter **1.** Out of equilibrium; not straight, level, or aligned properly. *This wall is a little out of kilter. We'll need to account for that during the renovation.* **2.** In a state of confusion or chaos. *The economy has remained out of kilter in many countries across Europe, even as the global economy has started to recover. It seems like everything in my life has gone out of kilter recently.* **3.** Not working correctly or properly; out of order; out of w(h)ack. *It sounds like your car's engine is a bit out of kilter. I'd recommend taking it to a mechanic before you go for any long drives.*

out of (one's) box slang Very intoxicated from drugs or alcohol. Primarily heard in UK. *You were really out of your box last night! How do you feel this morning? A: "Do you remember anything you said to me at the party?" "B: "Not at all—I was out of my box last night."*

out of (one's) brain Heavily intoxicated by drugs or alcohol, especially to the point of becoming unconscious, nonsensical, or out of control. Primarily heard in UK. *I think someone might have spiked Jack's drink with some kind of drug, because he's out of his brain all of a sudden. Jane is a lightweight. Only one or two beers gets totally out of her brain. I had to take my brother away from the party because he was out of his brain on LSD.*

out of (one's) face Heavily intoxicated by drugs or alcohol, especially to the point of becoming unconscious, nonsensical, or out of control. *I think someone might have spiked Jack's drink with some kind of drug because he's out of his face all of a sudden. Jane is a lightweight. Only one or two beers*

and she gets totally out of her face. I had to take my brother away from the party because he was out of his face on LSD.

out of (one's) gourd slang Crazy. *After yet another sleepless night, I'm starting to feel like I'm out of my gourd. He's out of his gourd if he thinks this plan is going to work!*

out of (one's) hair No longer pestering or annoying to one; not one's responsibility or burden any longer. *I've gotten the kids out of my hair for a few hours so I can go and get a relaxing massage by myself. Once these auditors from the IRS are out of our hair, we can get back to business as usual.*

out of (one's) head 1. slang Crazy. *He's out of his head if he thinks this plan is going to work! After yet another sleepless night, I'm starting to feel like I'm out of my head.* 2. slang Very intoxicated from drugs or alcohol. *You were really out of your head last night! How do you feel this morning? A: "Do you remember anything you said to me at the party?" "B: "Not at all—I was out of my head last night."*

out of (one's) shell Less shy, reserved, or reticent and in a more sociable, outgoing, or enthusiastic state. *Samantha was quite a quiet girl growing up, but she really started coming out of her shell in college. Jack is actually a very funny, engaging guy once he's out of his shell.*

out of (one's) skull Heavily intoxicated by drugs or alcohol, especially to the point of becoming unconscious, nonsensical, or out of control. *I think someone might have spiked Jack's drink with some kind of drug, because he's out of his skull all of a sudden.*

out of (one's) tree slang Crazy. *After yet another sleepless night, I'm starting to feel like I'm out of my tree. He's out of his tree if he thinks this plan is going to work!*

out of plumb Not completely or precisely vertical. *I think we need to call the builder again because that wall is definitely out of plumb.*

out of (something) Having no more of something left or available. *We're out of milk, so you can pick some up at the store on your way home? I'm sorry, but I just checked with the kitchen, and we're out of the chicken dish.*

out of sorts In an irritable, grouchy, or unhappy mood; not feeling well or

in good spirits. *I think something is bugging John, because he's been rather out of sorts lately. After living in Florida for so long, these awful Minnesota winters leave me feeling out of sorts.*

out of square 1. Literally, not at or forming right angles (as or of a square). *Are you blind? The foundation to this house is completely out of square! The house has a couple of door frames out of square, but otherwise, it's a fine example of carpentry.* **2.** By extension, not in agreement or alignment; faulty or not in proper order. *Environmentalists are claiming that the study on climate change, backed largely by the oil industry, is completely out of square with the truth. Everything about this project has been out of square from the beginning—I think it's time we just started the whole thing over.*

out of steam Completely exhausted, fatigued, or without energy or motivation. *I'm all out of steam, I can't walk another step. This project has been going on for weeks now. I'm out of steam at this point.*

out of step 1. Not following or maintaining the proper rhythm (along with someone or something). *My date kept dancing out of step with me throughout our entire prom. It was so embarrassing! You're never going to be a star if you keep singing out of step with the music like that. I'm not really keen on dancing. I'm always out of step!* **2.** Having beliefs, values, or ways of living that differ from those of one's group or society, especially because they are considered outdated. *The candidate is clearly out of step with mainstream America. I barely look at my phone each day, so I've begun to feel out of step with most members of my generation.*

out of the box 1. (hyphenated if used before a noun) Of a product, existing or ready to use upon opening; prefabricated; requiring no assembly, installation, modification, etc., by the user or customer. *The software is robust enough out of the box that everyday users will find it most of what they need already. The new smartphone boasts some really astounding out-of-the-box features for even the most inexperienced users to play around with.* **2.** Outside of or beyond what is considered usual, traditional, or conventional. (A less common shortening of "outside (of) the box.") *I've been trying to think out of the box for my term paper topic because I know the professor hates unoriginal ideas. OK, team, we need some real out-of-the-box ideas if we want this project to succeed.*

out of the chute At the outset; from the very beginning; from the get-go. *The company's accounts hadn't been kept in proper order for years, so the new owner was saddled with tremendous debt right out of the chute.*

out of the clear blue sky Unexpectedly. *She seemed so surprised by the news that it must have come out of the clear blue sky. You need to work hard—opportunities don't just appear out of the clear blue sky.*

out of time (with someone or something) Not following or maintaining the proper rhythm or tempo (along with someone or something). *My date was out of time with the music throughout the entire dance. It was so embarrassing! You're never going to be a star if you keep singing out of time like that.*

out of trim **1.** Unprepared, as of ships that are not ready to sail. "To trim," in the nautical sense, means to adjust a ship's balance or sails. *No, we can't leave yet, the boat is out of trim!* **2.** In poor condition, usually physically. *I know I need to get back to the gym—I'm really out of trim these days. A: "I checked on the house a few months ago, why?" B: "It's completely out of trim! Paint is peeling, windows are broken, it's a mess!"*

out of your box See [out of \(one's\) box](#).

out of your brain See [out of \(one's\) brain](#).

out on (one's) feet **1.** Near to the point of collapse or losing consciousness (as due to exhaustion or injury) while still remaining on one's feet; just short of being asleep or unconscious. *Doctors in training are expected to endure an unbelievable amount of stress and exhaustion. Surely it is counterproductive forcing them to attend each of their patients while they're out on their feet.* **2.** All but or as good as defeated; still functioning, but past the point of usefulness or productivity. *The company has managed to remain open, but truth be told, it's really been out on its feet for the last year.*

out on the tiles slang Having a night of fun and/or celebration, often by going to bars and parties. Primarily heard in UK, Australia. *Our team won the big game, so we're definitely going out on the tiles tonight! I'm still recovering from spending Saturday night out on the tiles!*

out on the tiles See [be out on the tiles](#).

out the ass vulgar slang In great, extreme, or excessive abundance. *The company's had financial difficulties out the ass lately, but the CEO is*

adamant that it will start making a profit soon. Sorry, I can't come out tonight, I've got homework out the ass.

out the wazoo slang In great, extreme, or excessive abundance. ("Wazoo" is a slang term for the anus.) *The company's had financial difficulties out the wazoo lately, but the CEO is adamant that it will start making a profit soon. Sorry, I can't come out tonight, I've got homework out the wazoo.*

out there (hyphenated if used before a noun) Somewhat unusual, unconventional, crazy, or eccentric. *Our manager is always coming up with some out-there ideas on how to improve productivity. My uncle Jerry is a little out there, but he's a really sweet guy.*

outer core One part of the inside of the Earth (as opposed to the Earth's "inner core"). *All right class, what can you tell me about the Earth's outer core?*

outfit of the day See [OOTD](#).

outpope the Pope **1.** To be or act more stringently adherent to the laws, tenets, and doctrines of the Christian faith (not limited to Catholicism) than is taught or required by the papacy or Christianity as a whole. (Usually used hyperbolically as a negative or mocking criticism of someone as being overly pious.) *I can't believe we're not allowed to eat meat on Fridays while we're staying with Grandma. She could outpope the Pope! The zealous preacher-turned-Senator's campaign is so strictly rooted in Biblical law that many feel he's outpopping the Pope.* **2.** By extension, to be more extreme in one's behavior, attitudes, practices, etc., than that of the prevailing authority or standard of normalcy. *Among the Nordic countries, all well known for their social welfare, Denmark outpopes the Pope in terms of providing care for its people.*

outside chance A slight, remote, or unlikely possibility. *The washing machine is probably busted, but there's an outside chance I might be able to fix what's wrong with it. I don't think Jack would go on a date with me, but on the outside chance that he says yes, I'm going to ask him anyway!*

out(side) (of) (someone's) wheelhouse Against, outside of, or not matching someone's general interests, abilities, or area of familiarity; outside of someone's comfort zone. *It's clear, however, that the political implications of this issue are well outside the author's wheelhouse. Jeff*

generally doesn't date women outside of his wheelhouse. You need to get out of your wheelhouse and live on the wild side for a change!

outside the box Outside of or beyond what is considered usual, traditional, or conventional. *I've been trying to think outside of the box about what I want this term paper to be about. I know the professor hates unoriginal ideas. OK, team, we need some ideas that are really outside the box if we're going to impress the CEO!*

the outside world The people, culture, ideas, or experiences beyond an enclosed, sheltered, or remote place, situation or environment. *Being raised out on the farm meant Jacob had little knowledge of the outside world. Anthropologists came upon an indigenous society that had had no previous contact with the outside world.*

outsmart (one)self To find oneself negatively impacted by the schemes that one undertook for personal gain. *I was so successful in overshadowing my competition that the boss is skeptical that I can work as part of a team. I guess I outsmarted myself!*

outstay (one's) welcome 1. To remain a guest in a place, especially someone's home, for too long, to the point where the host no longer wishes one to stay. *After the cool reception I received at breakfast, it was apparent that I had outstayed my welcome at the cottage of my father's friend. 2.* By extension, to have one's presence become unwanted in a particular environment. *The polls make it clear that this candidate has outstayed her welcome in this primary race. Though wildly popular for a short time, the product simply outstayed its welcome in the market, and can now be found in bargain bins everywhere.*

over hell's half acre See [all over hell's half acre](#).

over shoes, over boots Fully committed to continuing something, especially in a reckless manner. *I know you are set on these travel plans, over shoes, over boots, but I don't think it's a good idea to drive today—a lot of streets are flooded!*

over the board See [all over the board](#).

over the course of In or during the process of. *Over the course of your employment in the company, were you ever aware or suspicious of any illicit financial activity going on? I learned over the course of the meeting that our*

department was being downsized by over 50 percent.

over the hills and far away To or at some distant, remote point or location. *Rather than focusing on the here and now, John's ideas for the future are always over the hills and far away. Each day, the men all go over the hills and far away to find work, meaning us women must raise the children and mind the homes on our own.*

over the map See [all over the map](#).

over the transom (hyphenated if used before a noun) Without prior agreement, consent, or arrangement; unsolicited or uninvited. Said especially of written works submitted for publication or consideration. *My biggest task as an intern was sorting through and usually disposing of amateur works that came over the transom. I could tell the poor kid needed a job, but all I could do was stick his application in with all the other over-the-transom applications.*

over with See [all over with](#).

overshoot the mark To pass the intended target, typically due to poor judgment. A: "Did I overshoot the mark?" B: "Yeah, I would back up so that your car isn't sticking out of the parking space!" *I think we overshot the mark with our estimate.*

overstay (one's) welcome **1.** To remain a guest in a place, especially someone's home, for too long, to the point where the host no longer wishes one to stay. *After the cool reception I received at breakfast, it was apparent that I had overstayed my welcome at the cottage of my father's friend.* **2.** By extension, to do something that makes one no longer welcome in or at a place. *Things were going fine at the dinner meeting until my coworker made a rather off-color joke, at which point it seemed that we'd overstayed our welcome.*

overstep (one's)/its mark To go further or do more than one should or is permitted to do. *I really feel like you overstepped your mark when you started criticizing John's ability as a parent. The city council has overstepped its mark in imposing this steep new income tax on its residents.*

overstep the bounds (of something) To go further or do more than one should or is permitted. *I really feel like you overstepped the bounds when you started criticizing John's ability as a parent. The local city council*

has overstepped the bounds of its authority in imposing this steep new income tax on its residents.

(one's) own flesh and blood One's family member(s). *You're my own flesh and blood—how could you steal my story idea? She's our own flesh and blood, so let's all try to get along with her while she's in town.*

an own goal **1.** In sports, a goal that a player accidentally scores for the opposing team. *I can't believe we lost the championship because of an own goal. I was trying to get the puck out of our zone, but I scored an own goal—how mortifying!* **2.** An action pursued because it seems beneficial but that ultimately has a detrimental effect. *Sheila's speech was supposed to win her more supporters, but it became an own goal once she started ranting off-topic. The law seemed promising, but it has generated such strong opposition that it's become an own goal for the president.*

ox-in-the-ditch Of or relating to a situation that is dire and requires urgent and undivided attention to resolve it. Taken from the Bible (Luke 14), in which Jesus demonstrates to the Pharisees that some emergencies must be dealt with immediately, even if it means breaking the Sabbath to do so. *I was going to miss the biggest meeting of the year, but my daughter's sickness was an ox-in-the-ditch situation.*

the ox is in the ditch The situation is dire and requires urgent and undivided attention to resolve it. Taken from the Bible (Luke 14), in which Jesus demonstrates to the Pharisees that some emergencies must be dealt with immediately, even if it means breaking the sabbath to do so. *I was always taught to keep Sunday as a holy day, but you know as well as I do that if the ox is in the ditch, then you need to do what you can to make things right, no matter what day of the week it is! With our engine shot, stranded out on this desert highway, it seemed pretty clear to me that the ox was in the ditch.*

P

pack fudge vulgar slang To have anal sex.

pack heat To have one or more firearms, especially handguns, currently on one's person. *Everyone in that gang packs heat, so I'd steer clear of them if I were you! I make sure I'm always packing heat when I go through this part of town.*

pack of lies A number of false statements made to deliberately hide the truth. *After the human resources manager performed a background check on the new applicant, she realized his resume was a pack of lies. I didn't do anything they said I did. It's all a pack of lies!*

pack on the pounds To put on weight quickly, especially a large or excessive amount. *Wow, Jim really packed on the pounds on while he was on his sabbatical. I'm trying to pack on the pounds so I can make it on the football team this fall!*

pack rat A person who collects and hoards worthless items. Primarily heard in US. *My old roommate was such a pack rat that, after six months, I could barely walk through the living room without tripping over his collection of junk.*

pack (someone or something) (in) like sardines To fit many people or things very tightly or snugly into a small space. *We didn't want to take more than one car, so Jeff packed us like sardines in his little sedan for the four-hour drive to Moab. Having a concert in our friends café was such a good idea! Sure, we had to pack people in like sardines, but everyone had a great time. I wish you would just let us buy you a bigger backpack! It makes my own back hurt watching you pack those books like sardines into your little shoulder bag.*

packed (in) like sardines Very tightly or snugly packed together, especially in a small space. *We didn't want to take more than one car, so we had to drive for about four hours packed like sardines in Jeff's little sedan. Having a concert in our friends café was such a good idea! Sure, we were packed in like sardines, but everyone had a great time.*

packed to the gills Completely full; teeming; having no room to spare. *I've got so many meetings and deadlines these days that my schedule is packed to the gills! Her mind was packed to the gills with ideas for her new book. I felt packed to the gills after my grandmother's Thanksgiving meal.*

packed to the rafters Completely full; teeming; having no room to spare. *I've got so many meetings and deadlines these days that my schedule is packed to the rafters! Her mind was packed to the rafters with ideas for her new book. I felt packed to the rafters after my grandmother's Thanksgiving meal.*

pad (one's)/the accounts To make one's financial accounts appear more successful, stable, or secure than they really are, as by fraudulently concealing losses or by reporting false profits. *Once the company's fraud came to light, it was quickly discovered that they had padded their accounts for years. Mark had taken to padding his accounts in the company to hide the losses from his husband's excessive spending habits.*

pad (one's)/the expense account To make unnecessary or fraudulent charges to one's company expense accounts for one's personal use. *Have you been padding your expense account, Johnson? You're going to have to explain some of these mysterious out-of-state charges.*

padded account A financial account that has been made to appear more successful, stable, or secure, as by fraudulently concealing losses or by reporting false profits. *Once the company's fraud came to light, it was quickly discovered that Tom had been keeping padded accounts for years.*

paddy wagon slang A large police van—or any police vehicle—used to transport criminals or suspects to jail. Sometimes considered offensive due to possibly having originated in the US with the use of a slang term ("paddy") for an Irishman, due to either the prevalence of Irish police officers or frequent arrests of Irish immigrants. However, the origin is debated. *Nearly two dozen looters were thrown into paddy wagons by police forces trying to quell the riots. After Jeff got drunk and started assaulting a bouncer, he ended his night in the back of a paddy wagon.*

paddywagon slang A large police van—or any police vehicle—used to transport criminals or suspects to prison. (Possibly offensive, as paddy is a slang pejorative for an Irish person.) *Nearly two dozen looters were thrown into paddywagons by police forces trying to quell the riots. After Jeff got*

drunk and started assaulting a bouncer, he ended his night in the back of a paddywagon.

paid-up Certified for inclusion; having paid the necessary amount in full. *I never knew until he was on his deathbed that my father was a paid-up Freemason. You'll have to be a paid-up member of the union before we can give you any regular shifts on the docks.*

paid-up member (of something) A certified member of a particular group or organization; someone who has paid the dues necessary to be part of a group. *I never knew until he was on his deathbed that my father was a paid-up member of the Freemasons. I'm afraid only paid-up members of the union can be given any regular shifts on the docks.*

pain and suffering A legal term for the physical and emotional trauma endured by the complainant in a case. Primarily heard in US. *We are in court today because of the pain and suffering that Mr. Smith's reckless driving has caused my client.*

pain in the arse An especially irritating, aggravating, or obnoxious person, thing, or situation. Primarily heard in UK. *You know, Jack, you may be my friend, but you can be a real pain in the arse sometimes! This calculus homework is a real pain in the arse. It's not that I don't understand it, it's just so tedious!*

pain-in-the-arse (used before a noun) Very irritating, aggravating, or obnoxious. Primarily heard in UK. *I've still got a few pain-in-the-arse jobs to do around the farm before I can call it quits for the day. We're having Mary over for dinner tomorrow night. I just hope her pain-in-the-arse husband doesn't come along as well.*

pain-in-the-ass (used before a noun) Very irritating, aggravating, or obnoxious. Primarily heard in US. *I've still got a few pain-in-the-ass jobs to do around the farm before I can call it quits for the day. We're having Mary over for dinner tomorrow night. I just hope her pain-in-the-ass husband doesn't come along as well.*

pain in the ass rude slang A person or thing that is extremely annoying or inconvenient. *I know I need to renew my license, but dealing with the lines at the DMV is such a pain in the ass.*

pain in the butt slang A person or thing that is extremely annoying or

inconvenient. *My nephew can be such a pain in the butt when he's bored and wants me to entertain him.*

pain in the butt An especially irritating, aggravating, or obnoxious person, thing, or situation. *You know, Jack, you may be my friend, but you can be a real pain in the butt sometimes! This calculus homework is a real pain in the butt. It's not that I don't understand it, it's just so tedious!*

pain-in-the-butt (used before a noun) Very irritating, aggravating, or obnoxious. *I've still got a few pain-in-the-butt jobs to do around the ranch before I can call it quits for the day. We're having Mary over for dinner tomorrow night. I just hope her pain-in-the-butt husband doesn't come along as well.*

pain-in-the-neck (used before a noun) Very irritating, aggravating, or obnoxious. *I've still got a few pain-in-the-neck jobs to do around the farm before I can call it quits for the day. We're having Mary over for dinner tomorrow night. I just hope her pain-in-the-neck husband doesn't come along as well.*

pain in the neck A person or thing that is extremely annoying or inconvenient. *Getting boxes in and out of the attic is a real pain in the neck.*

pain-in-the-rear (used before a noun) Very irritating, aggravating, or obnoxious. *I've still got a few pain-in-the-rear jobs to do around the ranch before I can call it quits for the day. We're having Mary over for dinner tomorrow night. I just hope her pain-in-the-rear husband doesn't come along as well.*

pain in the rear An especially irritating, aggravating, or obnoxious person, thing, or situation. *You know, Jack, you may be my friend, but you can be a real pain in the rear sometimes! This calculus homework is a real pain in the rear. It's not that I don't understand it, it's just so tedious!*

paint a black picture (of someone or something) To describe or portray someone, something, or some event as being extremely bad, hopeless, or unpleasant. *You always paint a black picture of him, but he's a decent guy if you get to know him. I was really worried before starting the course because everyone I talked to had been painting such a black picture.*

paint (something) with a broad brush To describe or

characterize something in very general, vague, or broad terms, ignoring or neglecting to include specific details. *When asked about how she would stabilize the economy, the candidate painted her plan with a broad brush, resorting to vague claims about creating jobs and getting people back to work.*

paint the lily To add embellishment to something that is already beautiful or outstanding. The phrase comes from Shakespeare's *King John*: "To gild refined gold, to paint the lily ... is wasteful and ridiculous excess." *My wife is so gorgeous that putting her in a fancy gown would just be painting the lily. Why add a filter to your photo of the rainbow? No need to paint the lily.*

painted cat A prostitute. This phrase likely combines another term for a prostitute, "painted woman," with "cathouse"—a term for brothel. A: "You know, I heard that Mary is a painted cat. It would explain where all her money comes from." B: "Mary is not a prostitute!"

palace politics The relationships, interactions, designs, and inner workings of the top members of a political organization (not necessarily of a monarchy or empire). Used especially in relation to internal rivalry, plotting, double crossing, etc. *The country has faced its fair share of problems since shaking off the dictatorship, not the least of which being the intense palace politics of the newly formed government.*

panda car A police car. Primarily heard in UK. *Slow down, there's a panda car up ahead!*

the pants off (of) slang Thoroughly or completely; to a huge or great degree. *This young team is beating the pants off the veteran squad.*

paper chase A task that involves completing and/or going through a lot of paperwork. *After getting married and buying a house, doing my taxes has become a real paper chase.*

paper thin **1.** (hyphenated if used prenominal) Literally, having a thickness comparable to paper; exceptionally thin. *This blade is so sharp that it can cut through a tin can with a paper-thin incision. Young lady, you are not going on a date wearing a dress as paper thin as that!* **2.** By extension, quite meager, inadequate, or feeble. *John is always offering some paper-thin excuse as to why he's late. The promises the new president made in her campaign were exceptional, but so far her results have been paper thin.*

paper tiger A nation or organization that gives the impression that it is threatening or powerful when, in reality, is not. *Many people see North Korea as nothing more than a paper tiger, despite its threats against other countries. The new management team tries to command respect through lots of blustery speeches, but all of us workers just see it as a paper tiger.*

paper trail Physical or digital documentation of a person's activities. *The con artist wrote fraudulent checks all over the state, leaving a paper trail for police to follow. Frank swore that he wasn't using the company's computer for illegal activities, but the digital paper trail he left proved otherwise.*

parade of horrors A series of many misdeeds or misfortunes. A: *"Why did you leave your job?"* B: *"I can't even begin to talk about the parade of horrors that happened to me while I was working there."* *The recent news cycle has just been a parade of horrors, with one tragedy after the next.*

parentally challenged Born to unwed parents. (Pseudo-politically correct slang used for humorous effect.) A: *"Is it true that Sean is parentally challenged?"* B: *"No, I'm pretty sure his parents were married before he was born."*

park that thought imperative Do not forget what you were saying, because I need to change the subject. *Sorry, Mark, park that thought for a minute. I need to take this phone call.*

park the bus In football (soccer), to employ all (or nearly all) of a team's active players in defending its own side of the pitch. *Protecting a narrow one-point lead, it looks like the home team has parked the bus for the remaining minutes of the match.*

parrot (someone's) words To repeat verbatim what someone else has said or is saying. *When you're teaching students a new language, it does them little good to just have them parrot your words—they have to understand the mechanics of the language itself. The three boys encircled the fourth, parroting his words of protest in mocking tones.*

parson's nose The fatty tail of a cooked fowl, especially a chicken. *When we were kids, it was always a special treat to be given the parson's nose off the Sunday roast chicken.*

part to play An action that is required to accomplish something. *When it comes to cybersecurity, we all have a part to play in keeping our computers*

and networks secure.

parting shot A final, usually critical remark made specifically to have an impact on the listener(s). *He couldn't resist getting a parting shot in at the hiring manager as he stormed out of her office.*

party and play A sexual subculture typified by recreational drug use (especially methamphetamine) and sexual intercourse or activity between two or more people. Used especially (but not solely) in reference to sexual activity between gay men or men who have sex with men. *I was really into the party and play scene during college, but after one guy I knew contracted HIV, I realized it was time to leave that lifestyle behind.*

party animal A person who spends a lot of time or is most preoccupied with partying and revelry. *He's too much of a party animal for me. I'm looking for someone who's more responsible.*

party crasher One who attends a party without having been invited. *I don't mind party crashers coming to my parties, so long as they behave themselves.*

party foul A jocular term for behavior that is inappropriate, irritating, or unacceptable at a party or other social event. *Stop it! Taking handfuls of hors d'oeuvres is definitely a party foul. I can't believe I just spilled wine on the carpet—total party foul!*

party pooper A person who dislikes or refuses to participate in social events, often with the result of detracting from others' enjoyment of such events. *Amy is such a party pooper. She thinks our company's social functions are stupid and just stands around pouting the whole time. Don't be a party pooper, come and talk to the rest of us!*

pass a bum check To submit a money order as payment when the account being drawn upon does not or will not have adequate funds for the order to clear. Primarily heard in US. *My ex-husband was so addicted to shopping that, by the end of our marriage, he had started passing bum checks just to keep making purchases. Being in debt has always scared the hell out of me, so I've made sure to never pass a bum check in my life.*

pass on to the Great Beyond euphemism To die. *It's such a shame that Tom has passed on to the Great Beyond. When is his funeral?*

pass (something) with flying colours To win, achieve, or

accomplish something exceptionally well or very successfully. Said especially of a test, examination, or training of some kind. Primarily heard in UK. *Samantha was rather nervous taking her final exam, but she passed with flying colours! Your brother passed his apprenticeship with flying colours. He'll be a master builder in no time!*

pass the red face test See [red-face test](#).

pass the Rubicon To commit to a particular plan or course of action. The phrase refers to how Julius Caesar crossed the Rubicon river and became embroiled in civil war in 49 BCE. *Look, if you cheat on this test, you are passing the Rubicon, man. You can't take that back. I think I passed the Rubicon when I took this management position. It would be a huge pay cut to go back to my old job, and my boss would be furious.*

pass under the yoke To be humiliated in defeat. The phrase derives from the ancient practice of humiliating troops by having them walk under a yoke that was symbolic of the victorious army. *Many enemy soldiers passed under the yoke of the Roman army. Having to attend my rival's medal ceremony is like passing under the yoke.*

a passing fancy Something that captures one's interest or enthusiasm for only a brief period of time. *Jim was really into learning about horticulture for a while, but it turned out to be only a passing fancy. I played a few sports during college, but they were all just passing fancies.*

past cure Incurable or hopeless, especially of an illness that has a grim prognosis. *We need to go see your grandmother tonight—the doctors believe that her condition is past cure.*

pat on the back Praise given to a person for an achievement or a job well done. *Treating his daughter to ice cream was Joe's way of giving her a pat on the back after she won first place in the science fair. The only reason she stays late at work is to receive a pat on the back from her boss.*

the patience of Job An immense and unyielding degree of patience and conviction, especially in the face of problems or difficulty. A reference to the biblical figure Job, whose absolute faith in God remained unshaken despite the numerous afflictions set upon himself, his family, and his estate by Satan. *This field of work requires the patience of Job, so if you're looking for immediate results, you're in the wrong profession. My sister is amazing. She has five unruly children, but she has the patience of Job with every single*

one of them.

patient as Griselda Extremely calm, composed, and dutiful. Griselda is a character in folklore who quietly endures many tests to prove her virtue to her husband. *There are a lot of opinionated people in this office, so the next person we hire will need to be as patient as Griselda. My mother raised 10 kids—she is truly as patient as Griselda!*

patient dumping The premature discharge of patients, especially homeless patients or those with psychological disabilities, onto the streets by hospital workers or care providers, due to the high cost of providing care or shelter for them. *A local hospital is being investigated for a continual practice of patient dumping, with many who suffer from chronic addiction and health issues being thrust straight back onto Skid Row.*

patient of Able to stay composed when faced with (something unpleasant). *My mother is very patient of chaos—I guess she developed that skill while raising five kids. Meditation has helped me to become more patient of everyday annoyances.*

patronize me See [don't patronize me](#).

Paul Pry A nosy, meddlesome person. The phrase refers to the title character of a 19th-century play by John Poole. *Come on, Paul Pry, stop asking so many questions about my personal life!*

pay dirt Something very, particularly, or abundantly valuable or useful, especially that which has been discovered after a long or arduous search. Used especially in the phrase "hit/strike pay dirt." *I was combing through books in the library for hours trying to find material for my thesis, when finally I hit pay dirt with an old collection of literary criticisms from the 1970s. I loved to search through my grandfather's attic when I was a kid, convinced that someday I would strike pay dirt.*

pay (one) back in kind To avenge past misdeeds with similar actions. *Greg got me in trouble with the boss, and I will pay him back in kind. You need to pay her back in kind for all the bad things she's done to you!*

pay (one's) last respects To show or express one's respect for someone who has died, especially by attending their funeral, wake, memorial service, etc. *Anyone who wishes to pay their last respects to my husband is welcome to do so at the viewing this Saturday, from 10 AM to 4 PM.*

pay (one's) respects **1.** To offer (someone) a proper or formal expression of greeting, welcome, esteem, or well wishes. *I think we should go over and pay our respects to the new neighbors and make them feel welcome to the area!* **2.** To offer or express one's condolences or sympathy, particularly to someone's family following their death. *I'm heading to Janet's house after her father's funeral on Sunday to pay my respects to her and her family.*

pay packet **1.** Literally, an envelope or small parcel containing an employee's earnings. Primarily heard in UK. *Back when I started working here, before online banking and direct debit, everyone got their pay packet put in their hand at the end of each week.* **2.** By extension, a person's salary or rate of pay from an employer. Primarily heard in UK. *The public outcry has been immense over revelations of the charity CEO's outrageous annual pay packet.*

pay (someone) on the nail To pay (someone) immediately, on the spot, or without delay. Primarily heard in UK. *I could put the bill on my credit card, but if it's all right with you, I'd rather we divvy it up here and pay on the nail. My lodger is a bit of a noisy fellow, but so long as he keeps paying me his rent on the nail, I don't mind.*

pay (someone) peanuts To pay (someone) a very paltry or miniscule amount; to pay the absolute minimum amount necessary. *I had a few jobs during college getting paid peanuts, but it was the only work I could find that fit in with my studies. You're never going to be able to hire an effective manager if you're only willing to pay peanuts.*

pay the bills Literally, to pay for one's expenses (such as rent, utilities, etc.). *I'm so broke this month that I can hardly pay the bills. Being an actor won't necessarily pay the bills, honey, so I think you should study something else in college.*

pay the consequences To face, accept, or suffer repercussions for one's actions or words, especially that which would be expected to incur punishment. (A less common version of "suffer the consequences.") *After three nights of heavy drinking, I'm really going to be paying the consequences come Monday morning! With the judge handing down the maximum possible sentence, this monster will be paying the consequences for his crimes for the rest of his life.*

pay the fiddler To face, accept, or suffer repercussions for one's actions or words, especially that would be expected to incur punishment. (A less common version of "pay the piper.") *After three nights of heavy drinking, I'm really going to be paying the fiddler come Monday morning! With the judge handing down the maximum possible sentence, this monster will be paying the fiddler for the rest of his life.*

pay the freight To bear the cost(s) (of something); to pay or compensate payment (for something). *Every year, it's the government (and ultimately, the taxpayer) who has to pay the freight for over a million incarcerated prisoners. Don't worry, even if a few containers get "lost" during transit, it's the shipping company's insurance that pays the freight.*

pay too dearly for (one's) whistle To spend a lot of money or effort on something that is ultimately disappointing or unfulfilling. The phrase refers to a story by Benjamin Franklin about a boy who wanted a whistle so much that he overpaid for it and soon lost interest in it. *I worked night and day to get this position, but now I have very few friends—I guess I paid too dearly for my whistle.*

pay with the roll of the drum To avoid paying a debt. *If you keep paying with the roll of the drum, you will soon owe me hundreds of dollars!*

P.D.A. See [public display of affection](#).

pea in the shoe A minor annoyance. *I try to be patient, but I find waiting in line to be such a pea in the shoe. A: "Can you please tell the neighbors to stay off our lawn?" B: "Oh come on, that's just a pea in the shoe. Let it go."*

peace offering An item or gesture extended to another person to express remorse or forgiveness. *After they had their first big argument, Mark brought Monica a box of her favorite chocolate as a peace offering.*

peaches and cream 1. (hyphenated if used before a noun) Of skin (especially on the face), very fair, clear, and soft, especially with a rosy hue. *I've heard that women in older times actually bathed with milk to maintain a peaches-and-cream complexion.* 2. Of a situation, transpiring, progressing, or unfolding exceptionally easily or well. *Our company had a bit of a rocky start, but everything's been peaches and cream for the last few months.*

pearl-clutch To react in a scandalized or mortified manner to once-salacious but now relatively common things, events, situations, etc. *Parents*

should try not to *pearl-clutch* every time their teenagers come out of their room dressed outrageously—it only makes them want to push the envelope even further. My mother would always *pearl-clutch* whenever I began telling her about a new boyfriend, so eventually I stopped filling her in altogether.

pearl-clutching **1.** adjective Scandalized or mortified about some event, situation, thing, etc., that was once salacious but is now relatively common; morally conservative, stuffy, prudish, or unfashionable. *Those pearl-clutching old prudes gave me dirty looks as I walked past in my cut-off jeans, but I don't give a hoot what they think about me.* **2.** noun The practice or habit of reacting in a scandalized or mortified manner to once-salacious but now relatively common things, events, situations, etc. *I have to say that I am sick and tired of all the pearl-clutching going on amongst parents. Look, our kids are growing up in a different social environment than when we were in school, and it's high time we learned to deal with that!*

pearl necklace vulgar slang A term for the spots of semen left on a woman's neck and chest after a man ejaculates between her breasts.

pearl of wisdom A piece of valuable advice. The phrase is sometimes used sarcastically. *The old woman shared her pearls of wisdom with the struggling teen, in the hopes of making him feel better. Thanks for the pearl of wisdom, buddy, but your suggestion is ridiculous.*

pearly slang A person's tooth (usually pluralized). *Be sure to brush your pearlies twice a day, or you might end up getting a cavity!*

pearly whites A person's set of teeth. *Be sure to brush your pearly whites twice a day, or you might end up getting a cavity!*

pecking order The hierarchy within a group or organization. *There's definitely a pecking order in this company, and you're not going to do well if you don't know your place.*

pee in (someone's) Cheerios rude slang To really upset, irritate, or disappoint someone. *Sorry to pee in your Cheerios, but you won't get any credits for the class unless you attend every single lecture. A: "Watch out, the boss is in a foul mood today." B: "Wow, I wonder who peed in his Cheerios?"*

pee in (someone's) Corn Flakes rude slang To really upset, irritate, or disappoint someone. *Sorry to pee in your Corn Flakes, but you won't get any credits for the class unless you attend every single lecture. A:*

"Watch out, the boss is in a foul mood today." B: "Wow, I wonder who peed in his Corn Flakes?"

pee like a racehorse rude slang To excrete an excessive amount of urine; to urinate for a long time. *This is why I don't drink lots of beer: only a couple of pints and I'm already peeing like a racehorse. Can we pull over soon? I need to pee like a racehorse!*

pee (one's) pants **1.** Literally, to urinate while still wearing one's clothing. *I need you to pull over the car right now, or else I'm going to pee my pants!* **2.** To laugh in a hysterical or uncontrollable manner (i.e., to the point where one might actually urinate in one's pants). *Wow, that standup comedy was great! She had the audience peeing their pants!* **3.** To be absolutely petrified with terror; to be scared out of one's wits. *I was peeing my pants when that huge burly guy started threatening me and my girlfriend.*

peed off Angry. A euphemism for "pissed off." *I don't really want to talk about it in front of the kids, but I got a speeding ticket today, and I'm so peed off!*

peeping Tom A man who secretly observes women undressing or engaging in sexual intercourse. *Unless you want to be a target for peeping Toms, you better get curtains for your bedroom windows soon.*

peg it To leave or depart very quickly or suddenly. *You'd better peg it, or you're going to be late for school! After a really long day at the office, I pegged it out of there as soon as the clock struck 5!*

a peg too low Dejected; in low spirits. It originally referred to pegs that were inserted into draughts to measure how much alcohol had been consumed. If the peg was low, there wasn't much alcohol left to drink. *I'm a peg too low right now, so I appreciate you coming by to cheer me up.*

pen pusher One who has a boring, meaningless office job. Primarily heard in UK, Australia. *Gary was tired of being a pen pusher, so he decided to quit and start his own business.*

penalty box In ice hockey, the area that a penalized player must stay in for the duration of the penalty. *How are we going to tie this game with our best player in the penalty box?*

penchant for A strong preference for something. *She had a penchant for fine wine and expensive restaurants.*

pencil neck **1.** A particularly weak, meek, or unimpressive person; a wimp. *No little pencil neck like you is going to give me orders, pal!* **2.** A person who is very inclined toward academic or intellectual pursuits. *I always made sure to make friends with the pencil necks in my math classes so they would help me out with the homework.*

pencil-necked **1.** Particularly weak, meek, or unimpressive; wimpy. *No pencil-necked twerp like you is going to give me orders, pal!* **2.** Very inclined toward academic or intellectual pursuits. *I always made sure to make friends with the pencil-necked geeks in my math classes so they would help me out with the homework.*

pencil pusher One who has a boring, meaningless office job. Primarily heard in US. *I refuse to be a pencil pusher the rest of my life. I have big dreams and goals!*

pencil whip **1.** To complete a form or record, especially a checklist, without doing the work required or by providing falsified or incomplete information. *It has come to light that the safety supervisor aboard the oil rig had been pencil whipping his observational reports for several weeks leading up to the disaster.* **2.** To approve such a form without actually verifying that the contents are accurate or properly completed. *We're supposed to fill out a detailed checklist after each shift, but I know my boss just pencil whips them.*

penguin suit slang A man's formal evening wear, i.e., a tuxedo. *I need to find somewhere I can rent a penguin suit for my brother's wedding this summer.*

penny dreadful A cheap paperback novel, typically characterized by melodrama, violence, and adventure. Primarily heard in UK. *Why waste your time reading penny dreadfuls when you could be reading fine literature?*

penny for your thoughts A phrase said when one is trying to find out what another person is thinking. *You've been awfully quiet tonight, honey —a penny for your thoughts?*

penny pincher Someone who is extremely frugal, niggardly, or miserly with their money; someone who is very unwilling or reluctant to spend. *My ex-husband was such a penny pincher that, on the rare occasion we would go out to eat, he wouldn't even leave a tip! It was when I was completely broke in college that I became something of a penny pincher.*

a penny saved is a penny earned Every small amount helps to build one's savings (i.e. by saving a penny, you have one more penny). *I'm trying not to spend much money right now because, you know what they say, a penny saved is a penny earned.*

a penny saved is a penny gained Every small amount helps to build one's savings (i.e. by saving a penny, you have one more penny). *I'm trying not to spend much money right now because, you know what they say, a penny saved is a penny gained .*

a people person Someone who is particularly gregarious, affable, or outgoing; someone with great interpersonal communication skills. *The new manager is a real people person, there's no doubting that; I just hope his management skills are up to snuff as well. My late grandfather was such a people person. Whenever he was in the room, everyone was all smiles.*

people power A political power, pressure, or force that comes from the collective will of a society's population. *It is down to such indomitable people power that the military junta was ousted from the government so soon after taking control. The senator may have made some enemies in congress, but after such an impressive display in Washington, he now undoubtedly has people power on his side.*

people's republic A republic that is governed by a national Communist party. *With the way the Communist party has been gaining power, I think we'll be living in a people's republic soon enough.*

pep talk A speech given to encourage others. *The team was looking lethargic, but the coach gave them a pep talk at half time, and they came out with a lot of energy. I gave Michelle a pep talk because I knew she was nervous about starting her new job.*

perfect storm A chance or rare combination of individual elements, circumstances, or events that together form a disastrous, catastrophic, or extremely unpleasant problem or difficulty. *The incumbent mayor's re-election campaign is getting underway amidst a perfect storm of allegations and news stories about corruption, tax evasion, and racketeering within the city's government. The oil crisis has set off a perfect storm in the Middle East, where foreign leaders have depended on its economic stability to keep their warring countries from absolute chaos and anarchy.*

perk up (one's/someone's) ears **1.** Of oneself, to become more or particularly alert, intrigued, or enthusiastic. *I perked up my ears when I heard that my favorite author had a new book coming out.* **2.** Of someone else, to cause him or her to become so. *I bet I know something that will perk up your ears: Rob is single again!*

perp walk **1.** noun The forced walking of an arrested suspect or alleged criminal through a public space so as to allow him or her to be photographed or recorded on video. ("Perp" being short for perpetrator.) *The photographers crowded the courtroom steps, eager to get a shot of the billionaire con artist as he began his perp walk.* **2.** verb (sometimes hyphenated) To force an arrested suspect to perform such a public walk. *Police officers perp walked the actor through the crowd after he was arrested for allegedly beating up a reporter.*

a person after (one's) own An expression of admiration for someone who is similar in a certain interest, belief, manner, or characteristic, which is then used to complete the phrase. Derived from the expression "a man after my own heart." *I love the way he cooks, he's a man after my own taste buds! She loves to read James Joyce. A woman after my own mind.*

person of size Politically correct term for an obese or very overweight person. *It has been airlines' policy for a number of years to make persons of size purchase two seats on every flight they take.*

pester (someone) for (something) To continually annoy someone with requests for something. *I wish you would stop pestering me about that new bicycle; your birthday will be here soon enough!*

Peter Pan syndrome A psychological state or condition in which a grown person cannot or refuses to act like an adult; a stubborn and persistent immaturity found in an adult person. *I seem cursed to only find men who have some damned Peter Pan syndrome. I'm tired of going out with guys who act like children!*

phone tag A series of telephone calls made between two people in which each time one party calls, the other is not available to answer. *Hi Mary, just leaving you another message. We've had a bit of phone tag today, huh? Just give me a call back whenever you get this, thanks!*

pick a bone with (someone) To fight, quarrel, or squabble with

someone, usually over a specific point. *When you get in any discussions on the Internet, you'll always encounter people who pick a bone with you purely for their own twisted entertainment. This meal is awful! Where's the manager? I'm going to go pick a bone with her!*

pick away at (something) To focus on, scrutinize, or dwell upon every small or minor fault, problem, or failing of or about something. *I wish the principal wouldn't pick away at the teachers like that. They're all trying to be the best teachers they can!*

pick-me-up Something used to improve a person's mood or level of energy. *After a long week, I needed a pick-me-up, so I stopped by the salon to get a pedicure. I was so drowsy on the way to work, so I stopped by the coffee shop for a little pick-me-up.*

pick of the bunch The best or most ideal option in a group. *Matt is the pick of the bunch, so we need to make sure he ends up on our team. I know you think that puppy is too small, but to me he's just the pick of the bunch!*

pick (one's) battle(s) To choose not to participate in minor, unimportant, or overly difficult arguments, contests, or confrontations, saving one's strength instead for those that will be of greater importance or where one has a greater chance of success. *As a parent, you learn to pick your battles with your kids so you don't run yourself ragged with nagging them. The best politicians pick their battles wisely: if one becomes too embroiled in petty debates, one never gets anything done.*

pick (one's) nose 1. Literally, to remove nasal mucus (i.e., "boogers") with one's finger. *Tommy! Quit picking your nose, that's a filthy habit!* 2. By extension, to dawdle, fool around, or waste time idly. *No wonder we're losing so much money—half our staff just stands around picking their noses for most of the day!*

pick six In American football, an interception of a pass that is then returned by the defensive player for a touchdown. "Pick" is a slang term for an interception, and a touchdown is six points. *I can't believe the best quarterback in the league just threw a pick six!*

pick (someone or something) out of a hat To select someone or something entirely at random. *I don't understand why our company is being targeted. It's as if the IRS picked us out of a hat to scrutinize! It doesn't really matter who gets promoted to assistant manager—just pick a name out*

of a hat for all I care!

pick (something) up where (one) left off To resume or start (something) again from the last point where one had previously stopped. *If it's OK with you, I'd like to go out on a date and try to pick up where we left off! OK, now that the rain's stopped, let's pick this game up where we left off!*

pick up the gauntlet To accept or attempt a challenge or invitation, as to fight, argue, or compete. *When it comes to civil rights issues, Mary is always eager to pick up the gauntlet. When the heavyweight champion boasted that nobody could beat him, no one expected this newcomer to pick up the gauntlet.*

pick up the hint To understand, comprehend, or take notice of an indirect suggestion, implication, or insinuation. *Halfway through the lecture, I picked up the hint my students were planning some kind of practical joke at the end of class. When are you going to pick up the hint that Sally doesn't want to date you anymore?*

pick up what (one) is putting down slang To understand what someone is saying, especially when something is insinuated, rather than stated directly. A: *"I'm going to say that I'm busy on Sunday, and I think you should too."* B: *"I'm picking up what you're putting down—I don't want to go to this family reunion either!" If I see you around here again, there's going to be trouble. Are you picking up what I'm putting down?*

the picture of (something) The ideal example of something (which is listed after "of"). *Yes, Jill was in the hospital a few months ago, but she's the picture of health now. We went running together just the other day.*

a picture paints a thousand words A picture can express something more clearly or succinctly than words can. *I know I'm doing a bad job of capturing the scene by describing it, so look here—a picture paints a thousand words, doesn't it?*

pie-eating grin A smug, self-satisfied, or overly pleased smile, especially one that (intentionally or unintentionally) irritates others. *She's been walking around with that pie-eating grin on her face ever since she found out she got into Harvard.*

the pièce de résistance 1. The most outstanding, remarkable, or prized achievement, accomplishment, aspect, event, etc., in a given series or

group. *Mr. Reynolds has an impressive gallery, but I'm told that his latest sculpture will be the pièce de résistance.* **2.** The principal or featured dish in a meal; the entrée. *And now for the pièce de résistance: paupiettes of black sole, served with asparagus spears and a rich consommé.*

a piece of ass **1.** vulgar slang Someone to have sexual intercourse with or engage in sexual activity with; a potential sexual partner. (Potentially pejorative or objectionable; usually said of a woman.) *There's a fine-looking piece of ass down at the end of the bar. I'm going to go over and talk to her, see if I can't make something happen.* **2.** vulgar slang By extension, sexual intercourse or activity in general. (Potentially pejorative or objectionable; usually said of a woman.) *God, I haven't had a piece of ass in weeks! I must be off my game or something.*

piece of cake A very easy task or accomplishment. *I thought I was going to fail the test, but it turned out to be a piece of cake!*

piece of crap rude Someone or something that is totally or utterly worthless, contemptible, or of very poor quality. *This old car my grandfather gave me is nothing but a piece of crap! You piece of crap! You take that back or I'll smash your face in!*

piece of garbage Someone or something that is totally or utterly worthless, contemptible, or of very poor quality. *This old car my grandfather gave me is nothing but a piece of garbage! You piece of garbage! You take that back or I'll smash your face in!*

piece of shit vulgar, offensive Someone or something that is totally or utterly worthless, contemptible, or of very poor quality. *This old car my grandfather gave me is nothing but a piece of shit! You piece of shit! You take that back or I'll smash your face in!*

piece of snatch **1.** vulgar slang Someone with whom to have sexual intercourse or engage in sexual activity; a potential sexual partner. (Potentially pejorative or objectionable; usually said of a woman.) *There's a fine-looking piece of snatch down at the end of the bar. I'm going to go over and talk to her, see if I can't make something happen.* **2.** vulgar slang By extension, sexual intercourse or activity in general. (Potentially pejorative or objectionable; usually said of a woman.) *God, I haven't had a piece of snatch in weeks! I must be off my game or something.*

piece of tail **1.** slang Someone with whom to have sexual intercourse or

engage in sexual activity; a potential sexual partner. (Potentially pejorative or objectionable; usually said of a woman.) *There's a fine-looking piece of tail down at the end of the bar. I'm going to go over and talk to her, see if I can't make something happen.* **2.** slang By extension, sexual intercourse or activity in general. (Potentially pejorative or objectionable; usually said of a woman.) *God, I haven't had a piece of tail in weeks! I must be off my game or something.*

piece of the action A part of the profits or success from an activity. *Once Sarah heard that Mel was starting a new software company, she decided she wanted a piece of the action and asked to be his business partner.*

piece of the pie A share or part of something. *The business owner wanted all of his employees to have a piece of the pie, so he gave them all stock in the company as a holiday bonus.*

a piece of work A remarkably difficult, malicious, unpleasant, or objectionable person. *Boy, our new boss is a real piece of work. Remind me to stay out of her way! I hear Amy's boyfriend is a piece of work.*

pied-à-terre A person's second home, usually located in a large city. *The actor's primary residence was in California, but he had a pied-à-terre in New York City too.*

Pierian Spring In Greek mythology, a fountain prized by the Muses that was believed to convey inspiration to those who drank from it. *Ugh, this poem I'm writing is just terrible—I need a drink from the Pierian Spring.*

piffy on a rock bun Conspicuous but ignored or left out, especially from a group or activity. (A "rock bun" or "rock cake" is a type of hard cake with currants; what "piffy" refers to is unknown.) Primarily heard in UK. *I was excited to go with my wife to her awards ceremony, but I didn't know anyone there and ended up sitting like piffy on a rock bun. After Tommy hit one of the other boys in his class, he was left like piffy on a rock bun during playtime.*

pig in a poke Something that is purchased without having been thoroughly inspected, often with negative consequences. A "poke" is a bag. *Purchasing a home without inspecting it first is like buying a pig in a poke.*

pigs can fly There is no chance of that ever happening. (Used to show

skepticism or cynicism over someone's hypothetical remark.) *Bob: "If we could just get Democrats and Republicans to agree on a tax reform bill, we could bring the deficit down in no time." Dave: "Yeah, and pigs can fly!"*

pigs have wings See [when pigs have wings](#).

pile on the pounds To put on weight quickly, especially a large or excessive amount. *Wow, Jim really piled on the pounds on while he was on his sabbatical. I'm trying to pile on the pounds so I can make it on the football team this fall!*

pile Pelion on Ossa 1. To further complicate something that is already tedious or challenging. Ossa and Pelion are two mountains in Greece. *A: "I told Becky you would pick her up." B: "I already have so much to do today—quit piling Pelion on Ossa!" Just when I thought I was almost done sorting these files, my boss piled Pelion on Ossa and brought me another box of them.* **2.** To do something that seems futile. *I know that I'm just piling Pelion on Ossa by telling you to stay away from that boy, but I'm your father, and I don't want to see you get hurt. That couch will never fit up the steps—tell them to stop piling Pelion on Ossa!*

pill-in-the-pocket (used before a noun) Having prescription medication on hand so as to treat an illness as soon as one or more symptoms present themselves. (Sometimes not hyphenated and put in quotation marks instead.) *Doctors are hopeful that a pill-in-the-pocket approach might be effective in managing this patient's paroxysmal atrial fibrillation, if he takes one dose of the trial drug at the onset of palpitations. While it removes the necessity for patients to remember their pill every day, "pill in the pocket" systems of treatment are limited by the fact that patients must have their medication with them at all times.*

pill mill A pain management clinic that inappropriately, irresponsibly, or illegally dispenses pain medications, especially to those without a prescription or in very large quantities. *Three suspected pill mills were shut down by federal authorities today after investigators discovered a paper trail of fraudulent prescriptions written by doctors from overseas.*

pillar of strength A supportive or emotionally strong person. *My aunt has been a pillar of strength for me, helping me through many difficult moments in my life.*

pillars to the temple euphemism A woman's legs. Primarily heard in

UK. *I'm always attracted to women with great legs, and Sara's pillars to the temple are just phenomenal.*

pin (one's) heart on (one's) sleeve To openly display or make known one's emotions or sentiments. *I knew Josh had a crush on me because he always pins his heart on his sleeve. Growing up with a father who never showed any emotion, I made a point of always pinning my heart on my sleeve.*

pin (one's) heart to (one's) sleeve To openly display or make known one's emotions or sentiments. *I knew Josh had a crush on me because he always pins his heart to his sleeve. Growing up with a father who never showed any emotion, I made a point of always pinning my heart to my sleeve.*

pinch and scrape To spend as little money as possible; to be very frugal or tight, especially with the aim of saving up for something bigger. *Ever since we had our second child, we've had to pinch and scrape to make sure they both get what they want for Christmas.*

pinch (one) off vulgar slang To defecate, especially quickly. *Give me a minute, I just need to go pinch one off and then I'll be ready to leave.*

the pink dollar The collective spending or purchasing power of the homosexual community. Primarily heard in US. *As gay couples become less marginalized, the pink dollar is an increasingly important and influential aspect of local economies. The thriving night club scene in this area of town is fueled in large part by the pink dollar.*

pink money The collective spending or purchasing power of the homosexual community. *As gay couples become less marginalized, the power of pink money is an increasingly important and influential aspect of local economies. The thriving night club scene in this area of town is fueled in large part by pink money.*

the pink pound The collective spending or purchasing power of the homosexual community. Primarily heard in UK. *As gay couples become less marginalized, the pink dollar becomes an increasingly important and influential aspect of local economies. The thriving night club scene in this area of town is fueled in large part by the pink pound.*

pink slime A slang term for low-quality beef trimmings that are used as a filler in some meat products. *Our organization believes that pink slime*

should no longer be used in any meat preparation in this country.

pink slip A notice of termination from an employer. *He was in total disbelief when he received a pink slip from his boss today, as he had worked at the company for over a decade.*

pip (someone) at the post To defeat or succeed over someone by a very narrow margin or at the final, crucial moment, especially in a race, competition, or athletic event. Primarily heard in UK, Australia, Ireland. *The favoured runner held the lead for the majority of the race, but a relatively unknown competitor pipped him at the post in the final 100 metres. It appears the young candidate is set to pip his competitor at the post for his seat in parliament, which would make him the youngest candidate from this constituency to do so in nearly 60 years.*

pip (someone) to the post To defeat or succeed over someone by a very narrow margin or at the final, crucial moment, especially in a race, competition, or athletic event. Primarily heard in UK, Australia, Ireland. *The favoured runner held the lead for the majority of the race, but a relatively unknown competitor pipped him to the post in the final 100 metres. It appears the young candidate is set to pip his competitor to the post for his seat in parliament, which would make him the youngest candidate from this constituency to do so in nearly 60 years.*

pipe dream A dream or idea that is impossible to accomplish. *Many say that achieving world peace is a pipe dream because human beings are so flawed in their logic and emotions.*

pipped at the post See [be pipped at the post](#).

pipped to the post See [be pipped to the post](#).

piss about slang To waste time, especially in silly or frivolous ways. Primarily heard in UK. *Have you done anything productive, or have you just been pissing about all day? I know you're having a great time pissing about with your friends, but we really need to start working on this project.*

piss and moan To grumble, gripe, or complain excessively and/or in an annoying fashion. *My daughter has reached the age where she pisses and moans about everything we ask her to do. Well, if you spent less time pissing and moaning and more time doing your work, you'd be finished a heck of a lot sooner!*

piss and vinegar An abundance or excessive amount of boisterous, youthful energy, enthusiasm, or rowdiness. *For all their piss and vinegar, the home team just didn't have the skill necessary to beat their cross-town rivals. It took having kids of my own to remember how full of piss and vinegar a child can be at 6 AM.*

piss-artist **1.** rude slang One who falsely claims to have knowledge about a topic. Primarily heard in UK, Australia. *That message board is filled with nothing but piss-artists who think they know everything.* **2.** rude slang One who is often drunk. *I advised Jenny not to date that piss-artist because he drinks his money away at the bar every night.*

piss in (someone's) Cheerios rude slang To really upset, irritate, or disappoint someone. *Sorry to piss in your Cheerios, but you won't get any credits for the class unless you attend every single lecture. A: "Watch out, the boss is in a foul mood today." B: "Wow, I wonder who pissed in his Cheerios?"*

piss in (someone's) Corn Flakes rude slang To really upset, irritate, or disappoint someone. *Sorry to piss in your Corn Flakes, but you won't get any credits for the class unless you attend every single lecture. A: "Watch out, the boss is in a foul mood today." B: "Wow, I wonder who pissed in his Corn Flakes?"*

piss like a racehorse rude slang To excrete an excessive amount of urine; to urinate for a long time. *This is why I don't drink lots of beer: only a couple of pints and I'm already pissing like a racehorse. Can we pull over soon? I need to piss like a racehorse!*

piss money up the wall To waste a lot of money; to spend money frivolously. *Our company needs to stop pissing money up the wall on things like company cars and exorbitant bonuses for management if it wants to survive. It made me sick to watch while this administration pissed money up the wall for eight long years.*

piss on ice To live an extravagant lifestyle. Although the practice is rare today, upscale restaurants used to put cakes of ice in their urinals. *Now that I've gotten a raise, I'm pissing on ice, and I love it! Tim is someone who enjoys quiet nights at home—he doesn't need to spend a lot of money and piss on ice to be happy.*

piss on (someone's) bonfire rude slang To really upset, irritate, or disappoint someone. Primarily heard in US. *Sorry to piss on your bonfire, but you won't get any credits for the class unless you attend every single lecture.*
A: "Watch out, the boss is on a foul mood today." B: "Wow, I wonder who pissed on his bonfire?"

piss on (someone's) chips rude slang To really upset, irritate, or disappoint someone. Primarily heard in US. *Sorry to piss on your chips, but you won't get any credits for the class unless you attend every single lecture.*
A: "Watch out, the boss is on a foul mood today." B: "Wow, I wonder who pissed on his chips?"

piss (one's) pants 1. Literally, to urinate while still wearing one's clothing. *I need you to pull over the car right now, or else I'm going to piss my pants!* 2. To laugh in a hysterical or uncontrollable manner (i.e., to the point where one might actually urinate in one's pants). *Wow, that standup comedy was great! She had the audience pissing their pants!* 3. To be absolutely petrified with terror; to be scared out of one's wits. *I was pissing my pants when that huge burly guy started threatening me and my girlfriend.*

piss (oneself) 1. (rude) Literally, to urinate while wearing one's clothing. *I had to go to the bathroom so bad that I I'd nearly pissed myself by the time I made it home.* 2. To laugh hysterically or uncontrollably. *Raj's new boyfriend is hilarious. We were pissing ourselves through the whole lunch! I was pissing myself laughing at that comedy gig last night.*

piss (oneself) laughing To laugh hysterically or uncontrollably. (Usually used in the continuous tense.) *Raj's new boyfriend is hilarious. We were pissing ourselves laughing through the whole lunch!*

piss up slang A party, event, or other function at which a lot of alcohol is consumed. Primarily heard in UK. *I was sick all weekend after going to that piss up on Friday night.*

piss-up A social gathering at which people drink an excessive amount of alcohol. *Bob didn't go to the party because he knew it was going to be nothing but a piss-up.*

piss up a rope 1. To do something totally pointless, fruitless, or futile; to waste one's time doing something that will not or cannot come to pass. *To be perfectly honest, I feel like voting is just pissing up a rope, so I just don't*

bother. My mom and dad spent years pissing up a rope trying to get my brother to take his studies seriously; in the end, he dropped out anyway to pursue a career in music. 2. exclamation Get out of here! Leave me alone! (Used especially in the phrase "Go piss up a rope!") Go piss up a rope, pal! No one wants to hear you talking for the entire course of the film. Terry: "John, do you think you could lend me 50 dollars?" John: "Go piss up a rope, Terry. You still haven't paid me back from the last time I lent you money!"

pissed off Very disgruntled, angry, or outraged. *John was so pissed off when he found out that someone else had been given the promotion instead of him. There's no point in getting pissed off over a bad grade on your exam. Just study harder next time!*

pissing contest A useless or trivial argument, competition, or comparison. *Whenever Jeff and Tim hang out, they always get into this pissing contest about who's the bigger sci-fi fanatic. If you two are quite finished with your little pissing contest, do you think we might get back to work now?*

pissing in the wind See [be pissing in\(to\) the wind](#).

pissing match A useless or trivial argument, competition, or comparison. *Whenever Jeff and Tim hang out, they always get into this pissing match about who's the bigger sci-fi fanatic. If you two are quite finished with your little pissing match, do you think we might get back to work now?*

pit stop 1. A stop during an auto race to repair or refuel the racing vehicle. *With only three laps left, he'll have to decide whether to make a pit stop or try to reach the finish without running out of gas. 2.* A short stop taken during a car trip to eat, rest, and/or refuel. *I knew it was going to be a long drive from New York to Florida, so I planned several pit stops along the way to give myself a break.*

pitch a fit To become very or unreasonably angry or upset; to have an outburst of rage, frustration, or ill temper. *My mom's going to pitch a fit when she sees what happened to the car! I was so embarrassed when Danny started pitching a fit in the grocery store.*

pitch-perfect Reaching or conveying the exactly right note or tone. The phrase refers to music but it is often applied to writing and other things. *After her pitch-perfect rendition, I definitely think we should ask Meredith to join the choir. This is a pitch-perfect parody of Hemingway's writing style, don't*

you think?

pitched battle A volatile fight or argument. *There was a pitched battle between both political parties before the election.*

the pitcher will go to the well once too often A period of good luck will eventually end. *I know that being on a winning streak is very exciting, but just remember that the pitcher will go to the well once too often. I'm sure he will continue to break the law until he gets caught. The pitcher will go to the well once too often.*

pith of the matter The core, central, essential, or most important part(s) or element(s) of some matter at hand. *I'd love to sit and catch up with you, John, but let's get to the right to pith of the matter and start talking business. Your Honor and the jury will find that the pith of the matter is revealed by this single piece of evidence—the murder weapon, with the suspect's finger prints all over it.*

the pits A very unpleasant or unfortunate thing, situation, or circumstance. *I'm sorry to hear about your divorce, Sam—that's the pits! I worked as a telemarketer one summer, and it was the pits.*

pixel peep slang To very carefully inspect, scrutinize, and correct the resolution, clarity, and quality of digital images or photographs. *When I started getting into digital photography, I'll admit that I that I focused a bit too much on pixel peeping for a while. Later on though, I became less obsessive over technical quality and learned to appreciate well-composed photographs.*

pixel peeper slang Someone who is particularly or overly critical of or sensitive to the resolution, clarity, and quality of digital images or photographs. *When I started getting into digital photography, I'll admit that I became quite a pixel peeper for a while. Later on though, I became less obsessive over technical quality and learned to appreciate well-composed photographs in their own right.*

pixel peeping slang The act, habit, or practice of being particularly or overly critical of or sensitive to the resolution, clarity, and quality of digital images or photographs. *When I started getting into digital photography, I'll admit that I that I focused a bit too much on pixel peeping for a while. Later on though, I became less obsessive over technical quality and learned to appreciate well-composed photographs in their own right.*

pizza face derogatory slang Someone with very bad acne or severe scarring therefrom. (Sometimes hyphenated.) *I was a bit of a pizza face in high school, but thankfully, my face cleared up in college. Wow, a pizza-face like you will never get a date to the dance!*

(a/one's) place in the sun An advantageous or favorable position or situation. *Your place in the sun will be assured when you win this match. After being a secondary player on the world stage, the emerging power began to look for its place in the sun.*

place (someone or something) (up) on a pedestal To believe or behave as if someone or something is perfect, extraordinarily wonderful, or better than others. *I know it's easy to be smitten with a romantic partner, but I don't think it's healthy for one to place the other up on a pedestal. Stephen has been placing classic literature on a pedestal ever since college, so he gets really judgmental of other genres he deems to be inferior.*

the place to be 1. A hip, popular spot, such as a club, restaurant, or neighborhood. *Come out to this new club with us, it's the place to be! I remember when half the houses on this street were in disrepair—now, it's the place to be.* 2. An ideal place for something in particular. *My deck is the place to be if you want gorgeous sunset views of the ocean.*

place to call (one's) own One's own home. *After spending a year sleeping on friends' couches to save money, I was ready to have a place to call my own.*

a plague on both your houses I hope that bad things happen to both of you (and your families). The phrase appears in Shakespeare's *Romeo and Juliet*. *I can't believe the two of you would deceive me like this! A plague on both your houses!*

plain Jane A female who is not considered physically attractive by societal standards. *Betty always felt like she was a plain Jane, so she was very surprised when the most handsome boy in school asked her to be his prom date.*

plain sailing Smooth, uninterrupted, and/or easy progress, movement, or development. *Now that we've gotten that problem figured out, the project should be plain sailing from here on! We've got about a 13-hour road trip ahead of us, but it looks like plain sailing for most of it.*

plant a/the seed of doubt (in someone's mind) To cause someone to have doubts, worries, or concerns (about something); to introduce someone to a doubtful or worrisome idea. *The candidate was doing very well in the polls six months ago, but it seems that this smear campaign has been effective in planting a seed of doubt in the minds of voters. Recent economic turbulence in the Eurozone has planted the seed of doubt about the strength of the economy's recovery. Every time you act suspiciously like that, it plants a seed of doubt in my mind about your fidelity.*

plastic grin A forced, artificial smile; a smile someone wears despite having no feelings of happiness or joy. *John seemed fine at first glance, but before long I could tell that he was wearing a plastic grin and that something was bothering him. Look at his big plastic grin—he's such a con man! I sure hope he doesn't win the election.*

plastic smile A forced, artificial smile; a smile someone wears despite having no feelings of happiness or joy. *John seemed fine at first glance, but before long, I could tell that he was wearing a plastic smile and that something was bothering him. Look at that his big plastic smile—he's such a conman! I sure hope he doesn't win the election.*

play a good knife and fork To eat vigorously. *My, you're playing a good knife and fork tonight—you must be hungry!*

play a losing game To try persistently and with great effort to do or achieve something that is ultimately doomed to fail. *You're playing a losing game if you think you can convince Sarah to go to college. It looks like I'm playing a losing game trying to get a raise from my boss.*

play a part in (something) 1. To have a specific involvement or participation in something; to fulfill a role in some undertaking. *There's no use lying to the committee, Mr. Marshall, as we know for a fact that you played a part in your company's decision to hide its losses from investors. Listen up, Joe. You're going to play a part in this operation, too.* 2. Literally, to portray a certain character in a performance, such as a theater or film production. *I hear that Samantha will be playing a part in the director's newest film!*

play a role in (something) 1. To have a specific involvement or participation in something. *There's no use lying to the committee, Mr. Marshall, as we know for a fact that you played a role in hiding your*

company's losses from its investors. **2.** Literally, to have a job portraying a certain character in a performance. *I hear that Samantha is playing a role in some new film. She's really making her way into the big leagues!*

play a waiting game To postpone or delay a decision or course of action so as to first see what might happen or what one's opponent(s) might do. *The market is so tumultuous at the moment that I think we're better off playing a waiting game, rather than making any hasty decisions. The prosecution is playing a waiting game to see if the defendant will change her mind about taking the plea bargain.*

play (all) the angles To make use or take advantage of every means or opportunity one can find in order to reach or attain one's goal. *Unless you happen to be incredibly lucky, you have to play all the angles when you're an actor looking for work. You're not going to get anywhere in this industry if you aren't willing to play the angles.*

play both ends against the middle To manipulate two opposing sides of an argument, conflict, competition, etc., against one another for one's own benefit or advantage. *My father and my uncle are engaged in a bitter business rivalry. If I can play both ends against the middle, I might be able to secure some sizeable investments for my own company. Janet really dislikes Mary and wants to date her boyfriend Mike, so she's been playing both ends against the middle in order to get them to break up.*

play both sides against the middle To manipulate two opposing sides of an argument, conflict, competition, etc., against one another for one's own benefit or advantage. *My father and my uncle are engaged in a bitter business rivalry. If I can play both sides against the middle, I might be able to secure some sizeable investments for my own company. Janet really dislikes Mary and wants to date her boyfriend, Mike, so she's been playing both sides against the middle to get them to break up.*

play catch-up To try to reach the same level of understanding, accomplishment, etc. as others, typically after a late start. *I'm sorry, I'm playing catch-up here—how do you know my wife? I just transferred into this class, so now I have to play catch-up with all the material the professor covered in the first few weeks. Thanks to our terrible start, we've been playing catch-up all season.*

play ducks and drakes with To squander (something). "Ducks and

drakes" is a game played by skipping a stone across the surface of water. *Don't play ducks and drakes with this internship—it's a great opportunity, even if it doesn't pay!*

play dumb To pretend that one has no or little knowledge (of something); to act ignorant or uninformed (about something). *I don't think I'm supposed to know that Rick is getting fired, so I'm just going to play dumb the next time I see him. A: "Did Tammy ask you about my date with Steve?" B: "Yeah, but I played dumb about it. I just couldn't handle more of her drama today."*

play each end against the other To manipulate two opposing sides of an argument, conflict, competition, etc., against one another for one's own benefit or advantage. *My father and my uncle are engaged in a bitter business rivalry. If I can play each end against the other, I might be able to secure some sizeable investments for my own company. Janet really dislikes Mary and wants to date her boyfriend Mike, so she's been playing each end against the other to get them to break up.*

play each side against the other To manipulate two opposing sides of an argument, conflict, competition, etc., against one another for one's own benefit or advantage. *My father and my uncle are engaged in a bitter business rivalry. If I can play each side against the other, I might be able to secure some sizeable investments for my own company. Janet really dislikes Mary and wants to date her boyfriend Mike, so she's been playing each side against the other to get them to break up.*

play favourites To give preferable treatment to someone or something one likes or favours more than others. Primarily heard in UK. *The teacher is always playing favourites in class, letting the students she likes go home a little bit earlier than the rest. As an MP, I promise not to play favourites with our public services.*

play first fiddle To have a leading, commanding, or controlling role, position, or part (in something). (A less common extension of the phrase "play second fiddle," meaning to serve in a subordinate role or position.) *Ever since the power shift in Congress, Senator Smith has been playing first fiddle in the agenda for tax reforms. Though she's had many small parts in a variety of films, this is the first movie that sees Ms. Warren playing first fiddle.*

play for laughs To do, act, or perform with the express intention of being funny; to do something for comedic effect. *I do like getting dramatic*

roles, but if I'm honest, I prefer playing for laughs when I act. While many took offense at the rather unsavory theater piece, I can't help feeling like the whole thing was, at heart, being played for laughs.

play for love To play purely for one's pleasure or for a love of the game, sport, etc., rather than for money or for other stakes. *A truly great player plays for love, not because a win might benefit his bank account the next day.*
A: "You're pretty great with those cards. Interested in making this next game a little bit interesting with a wager?" B: "Sorry, pal, I only play for love."

play hide and seek See [hide and seek](#).

play hooky To absent oneself or leave early from school or work when one would normally be required to be there. Primarily heard in US. *I was so restless and bored at work that I decided to play hooky after lunch. Hey, Jim and I are playing hooky from school on Friday, do you want to come with us? That's the last time you play hooky, mister! From now on, I'm dropping you off at school every morning!*

play ignorant To pretend that one has no or little knowledge (of something); to act ignorant or uninformed (about something) *I don't think I'm supposed to know that Rick is getting fired, so I'm just going to play ignorant the next time I see him.*
A: "Did Tammy ask you about my date with Steve?"
B: "Yeah, but I played ignorant about it. I just couldn't handle more of her drama today."
A: "What vase?" B: "Don't play ignorant with me! You know which one I mean!"

play it straight To do something in a completely serious, straightforward manner, without any kind of jocosity, foolishness, duplicity, deception, etc. *I started dating Samantha because I loved her sense of humor and her chilled out manner, but I wish she would play it straight with me about what she thinks about our relationship. I'm tired of playing it straight; from now on, if there's an easy way to make a buck, I'm going to exploit it!*

play Old Harry with (something) To ruin or cause serious damage to something; to greatly upset, disrupt, or negatively affect something; to play the devil with something ("Old Harry" being a nickname for the devil). *Lack of oversight allowed overzealous investment bankers to play Old Harry with the economy. I love wine, but it plays Old Harry with my stomach!*

play on words A creative use of words that have multiple meanings,

often in a humorous way; a pun. *Most people groan when they hear a pun, but a clever play on words can always make me laugh.*

play one against another To manipulate two opposing sides of an argument, conflict, competition, etc., against one another for one's own benefit or advantage. *My father and my uncle are engaged in a bitter business rivalry. If I can play one against another, I might be able to secure some sizeable investments for my own company. Janet really dislikes Mary and wants to date her boyfriend Mike, so she's been playing one against another to get them to break up.*

play one end against the other To manipulate two opposing sides of an argument, conflict, competition, etc., against one another for one's own benefit or advantage. *My father and my uncle are engaged in a bitter business rivalry. If I can play one end against the other, I might be able to secure some sizeable investments for my own company. Janet really dislikes Mary and wants to date her boyfriend Mike, so she's been playing one end against the other to get them to break up.*

play one off against another/each other/the other To manipulate two opposing sides of an argument, conflict, competition, etc., against one another for one's own benefit or advantage. *My father and my uncle are engaged in a bitter business rivalry. If I can play one off against another, I might be able to secure some sizeable investments for my own company. Janet really dislikes Mary and wants to date her boyfriend Mike, so she's been playing one off against the other to get them to break up.*

play one side against the other To manipulate two opposing sides of an argument, conflict, competition, etc., against one another for one's own benefit or advantage. *My father and my uncle are engaged in a bitter business rivalry. If I can play one side against the other, I might be able to secure some sizeable investments for my own company. Janet really dislikes Mary and wants to date her boyfriend Mike, so she's been playing one side against the other to get them to break up.*

play (one's) cards close to (one's) chest To keep one's plans, intentions, or tactics secret from everyone else. Refers to holding one's playing cards close to one's chest in a card game, so as not to allow other players to see one's hand. *We're all curious about what the boss has been discussing in those meetings with the lawyers, but she's playing her cards*

close to her chest. Sorry for not being more straightforward about my plans, but I'm playing my cards close to my chest for the time being.

play (one's) cards close to (one's) chest To keep one's plans, intentions, or tactics secret. Refers to holding one's playing cards close to one's chest in a card game, so as not to allow other players to see one's hand. *We're all curious about what the boss has been discussing in those meetings with the lawyers, but she's playing her cards close to her chest. Sorry for not being more straightforward about my plans, but I'm playing my cards close to my chest for the time being.*

play (one's) cards close to (one's) vest To keep one's plans, intentions, or tactics secret from everyone else. Refers to holding one's playing cards close to one's vest in a card game, so as not to allow other players to see one's hand. *We're all curious about what the boss has been discussing in those meetings with the lawyers, but she's playing her cards close to her vest. Sorry for not being more straightforward about my plans, but I'm playing my cards close to my vest for the time being.*

play (one's) cards right To act adeptly and with good judgment; to make the best and most effective use of the resources at one's disposal. *The bosses have been impressed with your work so far. If you keep playing your cards right, you could see a promotion inside of a year. I'm really hoping Janet will agree to go on a second date, but I'll have to play my cards right tonight!*

play (one's) cards well To act adeptly and with good judgment; to make the best and most effective use of the resources at one's disposal. *Well Mr. Smith, the bosses have been impressed with your work so far. If you keep playing your cards well, you could see a promotion inside of a year. I'm really hoping Janet will agree to go on a second date, but I'll have to play my cards well tonight!*

play phone tag To engage in a series of telephone calls with another person in which each time one party calls, the other is not available to answer. *Hi Mary, just leaving you another message. We've been playing a bit of phone tag today, huh? Just give me a call back whenever you get this, thanks!*

play Russian roulette 1. Literally, to participate in a potentially deadly game of chance involving a revolver loaded with a single bullet, in

which a participant spins the cylinder so that the bullet's location is unknown, puts the barrel to their head, and pull the trigger. *A university student died while apparently playing Russian roulette with other members of his fraternity.* **2.** By extension, to commit or participate in any reckless, foolish, and/or dangerous act or stunt, especially that in which the risk of danger or trouble is increased with the number of times one repeats it. *You're playing Russian roulette every single time you get behind the wheel of a car when you've been drinking.*

play second fiddle To have a subordinate, lesser, or smaller role, position, or part (in something). *I'm really sick of playing second fiddle to this ignoramus—I'm the one who deserves to be the star of the show! Because I wasn't willing to play office politics, I never got the big promotion and have been playing second fiddle ever since.*

play (someone) like a fiddle To easily and deftly manipulate someone to suit one's own needs, ends, or benefits. *That travelling salesman played me like a fiddle. Now what am I going to do with all this junk that he convinced me to buy? Can't you see that his flattery is totally insincere? He's playing you like a fiddle!*

play (something) close to (one's) chest To keep one's plans, intentions, or tactics secret from everyone else. Refers to holding one's playing cards close to one's chest in a card game, so as not to allow other players to see one's hand. *We're all curious about what the boss has been discussing in those meetings with the lawyers, but she's playing it close to her chest. Sorry for not being more straightforward about my plans, but I'm playing this one close to the chest for the time being.*

play telephone tag To engage in a series of telephone calls with another person in which each time one party calls, the other is not available to answer. *Hi Mary, just leaving you another message. We've been playing a bit of telephone tag today, huh? Just give me a call back whenever you get this, thanks!*

play the angles See [play \(all\) the angles](#).

play the devil with (something) To ruin or cause serious damage to something; to greatly upset, disrupt, or negatively affect something. *Lack of oversight allowed overzealous investment bankers to play the devil with the economy. I love wine, but it plays the devil with my stomach!*

play the fool To behave comically or playfully, often to amuse others. *Joe never plays the fool—he's always serious. If you continue to play the fool, you're going to have to leave the classroom.*

play the gender card To dismiss or discredit an opinion, argument, position, action, decision, etc., as being the product of prejudice against one's gender. *The candidate played the gender card as an explanation for why her polls were much lower recently, claiming that the media has been giving her less visibility than her male opponents simply because she is a woman. I hate it when casual misogynists try to brush off legitimate criticism by claiming that you're just "playing the gender card."*

play the goat To behave comically or playfully, often to amuse others. *Joe never plays the goat—he's always serious. If you continue to play the goat, you're going to have to leave the classroom.*

play the hand (one) is dealt To accept, deal with, and make the most of one's current situation or circumstances; to make use of that which one is afforded or has available. *I know you feel unsatisfied with your life at the moment, but we all have to play the hand we're dealt. Just keep working hard and things are bound to improve! I never asked to be responsible for the business, but I'm going to play the hand I was dealt.*

play the papers To gamble. Primarily heard in US. *If you keep playing the papers, you'll have no money left at all! I refuse to lend him any more money until he stops playing the papers!*

play the race card To dismiss or discredit an opinion, argument, position, action, decision, etc., as being the product of prejudice against one's race. *The candidate played the race card as an explanation for why her polls were much lower recently, claiming that the media has been giving her less visibility than her white opponents simply because she is African American. I hate it when casual racists try to brush off legitimate criticism by claiming that you're just "playing the race card."*

play (the) wag To absent oneself or leave early from school or work when one would normally be required to be there. Primarily heard in UK. *I was so restless and bored at work that I decided to play the wag after lunch. Hey, Jim and I are playing wag from school on Friday, do you want to come with us? That's the last time you play wag, mister! From now on, I'm dropping you to school every morning!*

play the waiting game To postpone or delay a decision or course of action so as to first see what might happen or what one's opponent(s) might do. *The market is rather tumultuous at the moment, so I think we're better off playing the waiting game rather than making any hasty decisions. The prosecution is playing the waiting game to see if the defendant will change her mind about taking the plea bargain.*

play their cards close to their chests See [play \(one's\) cards close to \(one's\) chest](#).

play their cards close to their chests See [play \(one's\) cards close to \(one's\) chest](#).

play their cards close to their vests See [play \(one's\) cards close to \(one's\) vest](#).

play their cards right See [play \(one's\) cards right](#).

play their cards well See [play \(one's\) cards well](#).

play them like a fiddle See [play \(someone\) like a fiddle](#).

play to the crowd To act, behave, or perform in such a way as to receive as much approval from an audience or group of spectators as one can get, especially the lowest common denominator therein. *The band still puts on a great performance, even after all these years. I do wish, though, that they played more of their new material and didn't just play to the crowd with their greatest hits the whole night. Rather than acting in a way that best suits the role and the play as a whole, he prefers to play to the crowd and soak up the spotlight when he can. She's a great basketball player, but she spends more time playing to the crowd than playing to win the game.*

play to the gallery To act, behave, or perform in such a way as to receive as much approval from an audience or spectators as one can get, especially the lowest common denominator among them. *I wish the band played more of their new material and didn't just play to the gallery with their greatest hits the whole night. Rather than acting in a way that best suits the role and the play as a whole, he prefers to play to the gallery and soak up the spotlight when he can. She's a great basketball player, but she spends more time playing to the gallery than playing to win the game.*

play to win To do something with the primary aim of attaining victory; to compete at the highest level one is capable of. *My husband is so competitive*

that he always plays to win, even when we're just playing board games. Let's not be conservative and just try to defend—let's play to win.

play truant To absent oneself or leave early from school or work when one would normally be required to be there. Primarily heard in UK. *I was so restless and bored at work that I decided to play truant after lunch. Hey, Jim and I are playing truant from school on Friday, do you want to come with us? That's the last time you play truant, mister! From now on, I'm dropping you to school every morning!*

play well with others To be amiable and cooperative when interacting with others. The phrase is based on a common statement of praise for schoolchildren and is often used in the negative to describe adults who are competitive or aggressive. A: *"Who can we add to the team that won't mess up its chemistry?"* B: *"How about Melissa? She plays well with others."* *I didn't come on this reality show to make friends. The other competitors better watch out, because I don't play well with others.*

play with loaded dice 1. Literally, to use dice that have been weighted to one side so as to increase the odds of their landing on the opposite number. *When they found out we'd been playing with loaded dice, they threw us out of the club and told us to never come back.* **2.** By extension, to gain an advantage through the exploitation or manipulation of rules or regulations. *At the height of the economic boom, investment bankers were playing with loaded dice by using sub-prime mortgages with falsified credit ratings to make as much money as possible.*

plead the Fifth (Amendment) 1. To refuse to testify against oneself in court, in accordance with the rights guaranteed by the Fifth Amendment to the United States Constitution. *The alleged kingpin of the east coast drug cartel simply pled the Fifth after every question the prosecution put to him.* **2.** By extension, to refuse to answer a question or provide information, especially if doing so may incriminate or embarrass oneself. *Just plead the Fifth if your mom asks where you've been all night!* A: *"So, I hear things got pretty messy at the bar last night."* B: *"Yeah, I'm going to have to plead the Fifth Amendment on that one!"*

plod along To move, progress, or develop at a slow but constant and deliberate pace. *I've been plodding along with my thesis for the last few weeks and making some decent progress. My 95-year-old grandfather still makes a*

point of plodding along to the local shop each morning to catch up with neighbors and friends. As the lecture plodded along, I could feel my eyelids getting heavy.

plod on To move, progress, or develop at a slow but constant and deliberate pace. *John: "Hey Steve, what's new?" Steve: "Nothing much, just been plodding on with my thesis for the last few weeks." My 95-year-old grandfather still makes a point of plodding on to the local shop each morning to catch up with neighbors and friends. I could feel my eyelids getting heavy as the lecture plodded on.*

plough on To move, progress, or develop at a slow but constant and deliberate pace, especially that which is menial, time consuming, or tedious. Primarily heard in UK. *John: "Hey Steve, what's new?" Steve: "Nothing much, just been ploughing on with research for my thesis." A: "I've still got a ways to go before I'll be finished clearing out debris from the property." B: "Well, just keep ploughing on until you're done!"*

plow the sands To do something that seems futile. *I know that I'm just plowing the sands by telling you to stay away from that boy, but I'm your father, and I don't want to see you get hurt. That couch will never fit up the steps—tell them to stop plowing the sands!*

plug into See [be plugged into \(something\)](#).

plumber's helper A hand tool used to unclog a drain, especially a toilet, consisting of a long wooden or plastic handle with a rubber suction cup at one end (i.e., a "plunger.") *Randy, the toilet is overflowing in the upstairs bathroom again! Go get the plumber's helper from underneath the kitchen sink. A plumber's helper should be one of the very first purchases you make when moving into a new home.*

PM An abbreviation for "private message," a way to communicate only with a select person or people on social media sites or Internet forums. It is most commonly used as a verb. *I'll PM you the address. PM me if you have any questions. Send me a PM so it's not public.*

po' boy A traditional sandwich from New Orleans, Louisiana, made with a long roll of French bread and containing a variety of fillings, almost always with some kind of meat or fried seafood. ("Po' boy" being short for "poor boy," supposedly referring to striking workers in 1929 to whom a local restaurant served such sandwiches.) Primarily heard in US. *Ever since*

leaving New Orleans to go to college, I can't stop craving a proper roast beef po' boy from back home. I'm ordering a dozen po' boys for the party, so if you have any food allergies, let me know this afternoon.

poacher turned gamekeeper A person whose job or role has completely changed, from one extreme to another. Primarily heard in UK. *The notorious computer hacker who once stole money from unsuspecting Internet users now helps the government catch other hackers—it's a strange case of poacher turned gamekeeper.*

pocket dial **1.** verb To inadvertently make a phone call by accidentally sitting or otherwise pressing on one's cell phone (typically when it is in one's pocket). *A: "Do you know why grandma called me last night?" B: "Oh, I think she just pocket dialed you."* **2.** noun The act of making such a phone call. *I was excited when Jill called me for the first time in months, but she didn't actually want to talk to me—it was just a pocket dial.*

pocket-sized Said of an item that is small enough in size that it could, at least hypothetically, fit inside one's pocket. *I have a pocket-sized pack of tissues in my purse, if you need one. I love going through my grandparents' massive unabridged dictionary—it puts my pocket-sized version to shame!*

PO'd Very disgruntled, irritated, angry, or outraged. ("PO'd" being a euphemistic abbreviation of "pissed off.") *John was so PO'd when he found out that someone else had been given the promotion instead of him. There's no point in getting PO'd over a bad grade on your exam. Just study harder next time!*

poetry in motion Something that is very elegant, graceful, and/or beautiful to observe, especially dance or the performing arts. *The ballet was sublime to watch, truly poetry in motion.*

poison pen **1.** adjective (hyphenated and used before a noun) Spiteful, malicious, or defamatory in composition, as of a letter or other written work, generally sent anonymously and with the aim of damaging or destroying a person's, group's, or organization's reputation or happiness. *After agreeing to defend the alleged mass-murderer, the public defendant began receiving a large number of poison-pen letters from around the city. We've had enough trouble getting this restaurant up and running without having a poison-pen review like that in the papers!* **2.** adjective (hyphenated and used before a noun) Characterized by, typified by, or inclined toward the writing and

sending of such letters or pieces of writing. *The outspoken feminist figure has been the target of a hateful poison-pen campaign by online misogynists who have hidden behind the shield of anonymity to conduct their attacks.* **3.** noun A disposition, attitude, inclination, or ability typified by the writing and sending such letters or pieces of writing. *Every year or so, there is a new piece of diatribe and vitriol from the poison pen of the infamous white supremacist. The poison pen of the oft-feared but well-respected critic has been enough to cause the downfall of more than one virtuoso's career.*

poison-pen letter A letter that contains malicious statements or accusations about the recipient or another party. *Shortly after announcing his candidacy, he received an anonymous poison-pen letter attacking his platform.*

poisoned chalice Something that initially appears to be good, wholesome, or positive, but is really harmful. Primarily heard in UK. *We thought the change in leadership was going to have a positive effect on the organization, but it turned out to be a poisoned chalice.*

poke (one's) nose in(to) (something) To involve oneself in an intrusive or nosy manner into something that is not one's business or responsibility. *I wish my neighbors would quit poking their noses in and just leave us alone! Don't poke your nose into your brother's affairs—he can manage well enough on his own.*

policy of pin pricks A government policy that is regarded as particularly petty. The phrase was first applied to tense relations between England and France at the end of the 19th century. *How long do we have to suffer under this policy of pin pricks before they finally repeal it?*

polish a turd slang To make something unpleasant seem more appealing than it really is—which is often a futile effort. "Turd" is a slang term for a piece of feces. *Look, man, your term paper was bad before, and all of your edits are just making it worse—polishing a turd won't make it better.*

a polite fiction A general untruth or falsehood that is accepted in place of the truth to maintain politeness, civility, or stability among a given social group. *Our parents' marriage was just a polite fiction in our household up until my youngest sister was off to college. By the time the military junta overthrew the dictatorship, the promise of democratic rule was little more than a polite fiction among the citizens of the country.*

political football A problem or situation that causes an argument between different political parties, often in an attempt to gain an advantage. *It didn't take too long before the issue of property taxes turned into a political football for the candidates.*

pooh-bah **1.** A self-important government official who holds several positions but performs little or no actual duties. The term comes from the character Pooh-Bah, Lord-High-Everything-Else, from *The Mikado*, a comic opera by W.S. Gilbert and Arthur Sullivan. *Only that pooh-bah in the cabinet could hold so many titles and do so little.* **2.** The most important or powerful person in a group, organization, business, or movement (e.g., the boss, leader, etc.). *I think it sounds like a great idea, but you'll have to ask the pooh-bah first.*

poop (one's) pants **1.** Literally, to defecate while still wearing one's pants. *I need you to pull over the car right now, or else I'm going to poop my pants!* **2.** By extension, to be very surprised. *When I saw that the magazine had published my letter to the editor, I totally pooped my pants!*

a poor craftsman blames his tools If someone performs a job or task poorly or unsuccessfully, they will usually lay the blame on the quality of their equipment, or other such external factors, rather than take responsibility for their own failure. *After John spent all day assembling his new desk only to discover it was lopsided, he immediately declared that the package must have contained the wrong pieces. His wife replied, "only poor craftsmen blame their tools, dear."*

poor form Behavior or actions that are considered socially inappropriate, distasteful, or rude. *It is generally acknowledged that pointing out a person's flaws in public is quite poor form.*

poor man's A less desirable substitute for the genuine item. *The local artist became known as the poor man's Picasso. I was happy with my new car, even though my friends called it a poor man's Jaguar.*

poor relation A less desirable substitute for the genuine item. *The cheap motorcycle jacket I bought is nice, but it is a poor relation of actual leather.*

pop a cap in (someone's) ass slang To murder or attempt to murder someone with a gun. Primarily heard in US. *If you don't get out of here right now, we're gonna pop a cap in your ass! They popped a cap in his ass when*

he began hurling racial slurs at them.

pop by (for a visit) To come somewhere, usually a person's home or residence, for a brief or casual visit. *Hey, if you're free this Saturday, why don't you pop by for a visit? I'd love to show you the new truck I bought. You and your girlfriend should pop by sometime. We could grab some dinner or go out for some drinks.*

pop in (for a visit) To come somewhere, usually a person's home, for a brief or casual visit. *Hey, if you're free this Saturday, why don't you pop in for a visit? I'd love to show you the new truck I bought. If you're ever in town, you and your girlfriend should pop in. I just need to pop in at the office to see Cheryl, but I won't be staying all day.*

pop into (someone's) head To occur or form suddenly in someone's mind, as a thought, idea, or revelation. *The idea for this new model of car just popped into my head as I was driving home last night. I had been struggling to remember her name throughout the evening, but it only popped into my head the next morning.*

pop (one's) clogs To die. Primarily heard in UK. *A friend of mine is convinced he's going to pop his clogs whenever he feels the slightest bit unwell.*

pop (one's/someone's) cherry **1.** vulgar slang (of someone else) To have sexual intercourse with a virgin, especially a female. *Before you go popping a girl's cherry, you had better make damn sure that you and she are both totally ready to sleep with each other.* **2.** vulgar slang (of oneself) To have sexual intercourse for the first time. *There is nothing wrong with waiting until you're absolutely ready before you pop your cherry. Too many people try to pressure you into it from too young an age.* **3.** vulgar slang (of oneself) To do something for the first time, especially that which is particularly daunting, difficult, dangerous, or illegal. *Somebody pass Marcus the joint, he still needs to pop his cherry tonight! For her birthday, I bought my friend Samantha a voucher so she could pop her cherry sky diving.*

pop over (for a visit) To come somewhere, usually a person's home or residence, for a brief or casual visit. *Hey, if you're free this Saturday, why don't you pop over for a visit? I'd love to show you the new truck I bought. You and your girlfriend should pop over sometime. We could grab some dinner or go out for some drinks.*

pop (someone's) bubble To disprove, ruin, or destroy someone's fantasy, delusion, or misbelief. A less common variant of "burst (someone's) bubble." *Sorry to pop your bubble, Janet, but Sarah only went out on a date with you to make Suzie jealous. Sean took pleasure in popping the environmentalist's bubble, explaining to him that renewable energy devices cause huge environmental damage to produce.*

pop the bubble of (someone) To disprove, ruin, or destroy someone's fantasy, delusion, or misbelief. A less common variant of "burst the bubble of (someone)." *The Supreme Court ruling is likely to pop the bubble of all the activists who were in favor of overturning the case.*

pop the cherry vulgar slang To have sexual intercourse for the first time. *There is nothing wrong with waiting until you're absolutely ready before you pop the cherry. Too many people try to pressure you into it from too young an age.*

popcorn film A film that is entertaining to watch but is generally not of a very high quality or rich in emotional or intellectual depth. A: "So what film do you want to go see later?" B: "I don't feel like watching anything too heavy or complex—let's just see whatever popcorn film is out."

popcorn flick A film that is entertaining to watch but is generally not of a very high quality or rich in emotional or intellectual depth. A: "So what movie do you want to go see later?" B: "I don't feel like watching anything too heavy or complex—let's just see whatever popcorn flick is out."

popcorn movie A film that is entertaining to watch but is generally not of a very high quality or rich in emotional or intellectual depth. A: "So what movie do you want to go see later?" B: "I don't feel like watching anything too heavy or complex—let's just see whatever popcorn movie is out."

the pope's mustard maker A pompous person, especially one in an insignificant job or role. In the 14th century, Pope John XXII had a personal "moutardier" (mustard-maker), to ensure that his food was properly seasoned. *All she does is copy files all day, but she acts like she's the pope's mustard maker. I practically have to beg for a chance to use the copier!*

pope's nose The fatty tail of a cooked fowl, especially a chicken. *When we were kids, it was always a special treat to be given the pope's nose off the Sunday roast chicken.*

porch monkey offensive slang A derogatory term for a black person.

pork chop 1. A thick cut of meat from a pig. Often used in the plural when it is prepared as a meal. *Well, at least sit down and have a pork chop with us before you go out! Mom said that she's making pork chops for dinner tonight, so don't be late!* 2. offensive slang A black person who acts submissively toward white people.

port of call 1. A port visited by a ship among others on a voyage. *The sailors were thrilled to finally see a port of call after months at sea.* 2. A short stop during a trip or journey. *Harold's first port of call on his trip across Europe was Paris.*

portmanteau word A word that is formed by combining syllables from several other words. Each part of the portmanteau word typically retains its original meaning; in combination, then, they give the portmanteau word its unique meaning. For instance, a "dramedy" (a work that is both dramatic and funny) is a portmanteau word combining "drama" and "comedy." *Did you know that "brunch" is just a portmanteau word created from "breakfast" and "lunch"? It seems like every famous couple in Hollywood has a portmanteau word that combines their two names.*

Portuguese man-of-war A jellyfish-like sea creature with a deadly sting. *I don't want you kids to go swimming today—there's been reports of a Portuguese man-of-war in the water.*

poster boy A boy or man who typifies or is the perfect example of a particular characteristic, attitude, opinion, cause, or type of person. *Pete managed to disassemble their washing machine, fix the problem, and then reassemble it all by himself? Wow, he's like the poster boy of DIY. What new earth-saving plan does the poster boy for environmentalism have in mind now? Mr. Walsh built his fortune from nothing, through his own tireless work and intense ambition. He really is the poster boy for the rags-to-riches American Dream.*

poster child A person (usually an adult, not a child) who typifies or is the perfect example of a particular characteristic, attitude, opinion, cause, or type of person. *Pete managed to disassemble their washing machine, fix the problem, and then reassemble it all by himself? Wow, he's like the poster child of DIY. Ms. Walsh built her fortune from nothing, through her own tireless work and intense ambition. She really is the poster child for the rags-*

to-riches American Dream.

poster girl A girl or woman who typifies or is the perfect example of a particular characteristic, attitude, opinion, cause, or type of person. *Georgina managed to disassemble their washing machine, fix the problem, and then reassemble it all by herself? Wow, she's like the poster girl of DIY. What new earth-saving plan does the poster girl for environmentalism have in mind now? Ms. Walsh built her fortune from nothing, through her own tireless work and intense ambition. She really is the poster girl for the rags-to-riches American Dream.*

pot luck 1. A situation or circumstance in which the outcome is uncertain but where one takes a chance in the hopes of achieving a fortunate or beneficial end result. (Used especially in the phrase "take pot luck.") *I like to just take pot luck when I travel to new cities and try out whatever local establishments I happen upon. I love going into old antique stores. I know finding something worthwhile is just a bit of pot luck, but it's fun to see all the old things they have!* **2.** (More often "potluck.") A shared meal in which separate dishes are prepared and/or brought by different individuals; the food that is brought to such a meal. Primarily heard in US. *Sarah and I are hosting a pot luck this Saturday, and you are both welcome to join us! Just bring something that we can all share! Potluck dinners are a great way for neighbors or groups of friends to spend time together or get to know each other better. We're just asking guests to bring a bit of pot-luck, nothing fancy!*

pot shot 1. Literally, a shot fired easily or recklessly. The phrase comes from hunting (in which shots ideally yield food for one's pot). *You boys can't just take pot shots at any creature you see—there are rules we have to follow out here! Why did you fire a pot shot like that and betray our position to the enemy?* **2.** By extension, a reckless or careless remark directed at a vulnerable person. *Now that everyone knows I was involved in that scandal, the reporters love taking pot shots at me.*

potayto, potahto A negligible, trivial, or unimportant difference, distinction, or correction. (While "potahto" is not an accepted pronunciation in any English-speaking population, the phrase is an allusion to a verse in the song "Let's Call the Whole Thing Off": "You like potayto, I like potahto; you like tomayto, I like tomahto; potayto, potahto, tomayto, tomahto, let's call the whole thing off!") A: "Well, technically, the Hindenburg was a rigid airship, not a blimp." B: "Eh, potayto, potahto, who cares?"

Potemkin village Something that is made to seem very grand, elaborate, and/or prosperous for the purposes of impressing others, but which in reality has no real worth or substance. Taken from a story about Russian minister Grigory Potemkin (1739–1791), who allegedly erected false, painted façades to mimic a thriving, successful village along the Dnieper River in Crimea to impress the visiting Empress Catherine II. *The tightly controlled totalitarian country is often accused of creating a Potemkin village each time it televises some event, a meager attempt to convince the outside world that its people are happy under the thumb of the dictatorship.*

potter's clay A special type of clay that does not contain iron and is often used for making pottery. *OK, class, make sure to get some potter's clay before you sit down at your wheel today.*

potter's field A place where the indigent or the unknown are buried. A reference to the Bible, "So they conferred together and bought the potter's field with it as a burial place for foreigners" (Matthew 27:7). Primarily heard in US. *The work was so grueling that a great number of immigrant laborers who built the railroads across this country ended up in some potter's field or another before the job was complete.*

potty about See [be potty about \(something\)](#).

potty mouth A person who uses obscenities, vulgarities, or profanities in their speech, especially at inappropriate times. Used especially in reference to a child or as a childish rebuke to an adult. *Hey, you little potty mouth! If I hear you speaking like that around your grandmother again, you're going to be grounded for a week! Well there's no need to be a potty mouth about it, Rick. You could have just said no like a civilized person.*

pounce at 1. To physically leap or jump at (someone or something). *I can't believe your cat pounced at my face! All I was doing was trying to rub its belly. Sarah could barely keep herself from pouncing at her boyfriend as he got off the train from Toronto.* **2.** To seize or take advantage of (something, such as a chance or opportunity) with great alacrity or enthusiasm. *I understand wanting to weigh your options, but I think you'd be a fool not to pounce at the job they've offered you. I saw an opening where I might score a goal, so I pounced at it and took the shot!*

pounce at the death sports To secure an equalising goal at the final moment of the match and so avoid defeat. Primarily heard in UK, Ireland.

But it was O'Grady who was destined to be the star of the match, pouncing at death in the 92nd minute of the match to equalise with the English squad and keep Ireland's tournament hopes alive.

pound it slang An invitation to bump the knuckle side of one's clenched fist with someone else's, either as a greeting or in a cheerful or celebratory manner. The move is known as a "pound" or a "fist bump." *So good to see you, buddy, pound it!*

pound salt To engage in pointless, menial efforts or labor. Used as an imperative to express disdain, contempt, or dismissal. A variant of the more common expression "pound sand." *I can't believe Sam told his teacher to go pound salt. Where does that kid get such attitude? Charles, why don't you pound salt instead of coming around here hassling me about my business?*

pound sand To engage in pointless, menial efforts or labor. Used especially as an imperative to express disdain, contempt, or dismissal. *I can't believe Sam told his teacher to go pound sand. Where does that kid get such attitude? Charles, why don't you pound sand instead of coming around here hassling me about my business?*

pound (something) into (one's/someone's) head To commit some piece of information into one's or someone else's long-term memory, especially through intense repetition. *How many times do I have to pound it into your head? Do not drive my car unless I give you permission first! I've just been trying to pound these formulas into my head for the big test tomorrow!*

pound (something) into (one's/someone's) thick skull To commit some piece of information into one's or someone else's long-term memory, especially through intense repetition. *How many times do I have to pound it into your thick skull? Do not drive my car unless I give you permission first! I've just been trying to pound these formulas into my thick skull for the big test tomorrow!*

pour fuel on the fire To do or say something to make an argument, problem, or bad situation worse; to further incense an already angry person or group of people. *You know mom's upset with you. Don't pour fuel on the fire by coming home late again. Revelations of the CEO's massive retirement package poured fuel on the fire for consumers already furious over the company's dubious financial dealings.*

pour gas/gasoline on the fire To do or say something to make an argument, problem, or bad situation worse; to further incense an already angry person or group of people. *The debate was going poorly for the senatorial candidate, and his strikingly uncouth comments simply poured gasoline on the fire. Revelations of the CEO's massive retirement package poured gas on the fire for consumers already furious over the charity's dubious financial dealings.*

pour it on thick To exaggerate, aggrandize, or overstate some emotional experience, response, or appeal, such as blame, praise, flattery, excuses, etc. *Jim carries on as though flattering the boss will get him a promotion, so he's always pouring it on thick for her. OK, Bob, I think Mary understands the trouble she's in, no need to pour it on so thick.*

pour salt in(to) the/(someone's) wound(s) To make something that is already difficult, unpleasant, or painful even worse; to accentuate, aggravate, or intensify a negative situation, emotion, or experience (for someone). *After losing the championship match, it really poured salt in John's wound for his girlfriend break up with him the next day. My pride was already hurting when I didn't get the job, but hearing that they gave it to Dave really poured salt into the wound. I can't believe you would ask me to pay you back on the day that I got laid off. Thanks for pouring salt in my wounds, man.*

powder keg A situation that could quickly become very volatile and dangerous. *It became obvious we were sitting on a powder keg as the protests in the city became more frequent.*

power chord A chord commonly used in rock music that combines a root (a low note that forms the foundation of a chord) and its fifth (a note that is five notes higher than the root on the scale). A: *"When do you want me to come in?"* B: *"Why don't you hit that power chord, and we'll go into the chorus from there."*

power corrupts, and absolute power corrupts absolutely The more powerful one is, the more unscrupulous one becomes. A: *"I never should have appointed him head of the committee."* B: *"You need to call him in for a meeting before he thinks that he can do whatever he wants. Power corrupts, and absolute power corrupts absolutely."*

praise from Sir Hubert The most prestigious compliment one can

receive. Derived from a line in the 1797 Thomas Morton play *A Cure for the Heartache*. *The CEO actually commended you for your work on the project? Wow, that's praise from Sir Hubert indeed!*

praise the Lord, and pass the ammunition Keep going, despite trouble or stress. The phrase is widely believed to have been said by a Navy chaplain during the attack on Pearl Harbor; it later became the title of a popular patriotic song. *Until help comes, there's nothing we can do but keep trying to plug the holes in the roof. Praise the Lord, and pass the ammunition!*

prawn cocktail offensive The (often derisive) name used for politicians' efforts to gain financial support while attending a social event (where prawn cocktails are traditionally served). Primarily heard in UK. *I don't want to go to this dinner party—it's just going to become another prawn cocktail offensive, and I'm sick of people asking me for money!*

pray tell (set phrase) Please tell me (about something). *Pray tell, will your lovely wife be accompanying you to the gala this evening? A: "Sir, we have received news of the king's response." B: "Pray tell!"*

preach to deaf ears To present arguments to or attempt to persuade or advise those who have no inclination to change their opinion or belief. *You're preaching to deaf ears if you think you can convince these kids to stay away from alcohol before they turn 21. Even though they know they're preaching to deaf ears, the hate group makes a point of holding protests outside churches and the funerals of slain soldiers.*

prefer charges To make a formal complaint of wrongdoing or mistreatment against another person. *A: "Is it true that Greg preferred charges against you?" B: "Yes, but his claim is completely false! I've never done anything to him!" I really hope our neighbors don't prefer charges against us—I never would have cut down that tree if I had known it was on their property!*

press (one's) luck To risk losing the good favor or fortune one has garnered thus far by brashly or overconfidently seeking more. *I know you're in the boss's good graces now, but don't press your luck: she's been known to turn on people for getting too cocky. I've had some good winnings at blackjack, but I don't think I should press my luck any further.*

press (someone's) buttons 1. To do things that create a very strong

emotional reaction in someone, especially anger, irritation, or exasperation. *I hate Dave's new boyfriend—he's always trying to press my buttons, and he's doing a good job of it! No one will be able to press your buttons like your children, but it's all a part of the adventure of parenthood.* **2.** To be sexually attractive or arousing to someone. *Did you see that waitress over at the other table? Man, she presses my buttons.*

press the panic button To overreact to a negative situation with an inordinate amount of fear, alarm, or confusion. *If you're going to be a successful boss, you can't press the panic button every time your company has a minor setback. New parents tend to press the panic button over every little snuffle their first baby gets.*

pretty kettle of fish A difficult or awkward situation; a mess. Primarily heard in US. *Well, that's a pretty kettle of fish. I thought I paid the credit card bill, but it turns out that I missed the due date by a week.*

a pretty pass A particularly difficult, troublesome, or bad state or situation. (Used especially in the phrase "come to/reach a pretty pass.") *Now don't spread this around, but I hear things have come to a pretty pass between Mark and his wife. Negotiations between management and the striking employees reached a pretty pass when the labor union rejected the company's latest deal.*

previous to Before. *Previous to going back to school, he worked in a restaurant. Previous to moving away, I used to live in that neighborhood.*

the price of cheese See [What's that got to do with the price of cheese?](#)

the price of eggs See [What's that got to do with the price of eggs?](#)

the price of fish See [What's that got to do with the price of fish?](#)

the price of meat See [What's that got to do with the price of meat?](#)

the price of tea in China See [What's that got to do with the price of tea in China?](#)

a price on (one's) head An amount of money being offered as a reward for one's capture, or, in some cases, killing. *I'm sorry, but we can't travel with your brother any longer. The sheriff has put a price on his head and it's too dangerous for the rest of us! I'll never be able to live peacefully in this town as long as I have a price on my head.*

prior to Before. *Prior to going back to school, he worked in a restaurant. Prior to moving away, I used to live in that neighborhood.*

#priorities A common hashtag that accompanies social media posts of things deemed important. It is often used humorously. *Which candidate has promised to lower taxes? #priorities I was already running late, but I still stopped for coffee because #priorities.*

private branch exchange A telephone system within an institution or business that can only be used by the people inside that establishment. *There was an issue with the private branch exchange this morning, but we hope to have the phones working again shortly.*

private language 1. A way of communicating that is shared between and understood by only a few people. *My sister and I have had our own private language ever since we were girls—our brothers still can't understand it! After working together for so many years, Ellen and I have a private language that is all our own.* 2. philosophy A type of inner language only comprehensible to a single person. The concept was introduced by Ludwig Wittgenstein, who argued that it could not exist. *The concept of private language is still a topic of debate among philosophers, especially due to its potential ramifications for metaphysics.*

private message A way to communicate only with a select person or people on social media sites or Internet forums. It is most commonly used as a verb. *Private message me if you have any questions. If you don't want everyone to see it, send a private message instead of posting it.*

problem child 1. A child who is prone to wild or disobedient behavior. *I know it's hard to believe now that he's a successful lawyer, but Timmy was a total problem child and constantly got into trouble! Debbie just keeps misbehaving no matter what we do—do you have any suggestions for dealing with a problem child?* 2. One aspect of a company that is not performing as well as others. *At this point, our retail store has become such a problem child that management is probably going to close it down before it bankrupts us.* 3. A product that requires a lot of attention and funding in order to be successful. *I know you all see this book as a problem child, but I really do think that it can a bestseller with the right marketing approach.*

a problem shared is a problem halved Talking about a problem with someone else usually makes it seem less daunting or troubling. *Just tell*

me what's bothering you, honey. You know what they say—a problem shared is a problem halved.

proclaim (something) from the rooftops To share some news or information publicly and with as many people as possible. *I was ready to proclaim from the rooftops that we'd be having a baby, but my wife wanted to wait for a while before we made the news public. I know you want to proclaim it from the rooftops that you came in first in your class, but you should think about how it might make the other students feel and have a bit of modesty about it.*

Procrustean bed A situation or place that someone is forced into, often violently. In Greek mythology, the giant Procrustes would capture people and then stretch or cut off their limbs to make them fit into his bed. *This new law creates a Procrustean bed designed to get those people deemed undesirable by the local government to move out of the neighborhood.*

professional student 1. Someone in the process of earning a "professional degree"—one in a field like medicine, law, or education, for instance. *We have a stellar group of professional students joining our program this year.* 2. slang One who continues to pursue education instead of employment. *I'm starting to worry that my son just wants to be a professional student forever and will never get a job.*

professional victim slang A derisive term for someone who claims to receive mistreatment from others, usually as a way to get attention. *Boy, he's really the professional victim these days. What is he claiming I did to him this time?*

project management In business, the process of organizing, planning, and executing a particular project. *You can take all the training seminars you want, but at the end of the day, project management is the art of getting things done with whatever resources you have.*

a promise is a promise A phrase emphasizing that a promise should be kept. *I know you feel differently now, but you said you would help me, and a promise is a promise!*

a promise made is a promise kept When one makes a promise, it should be done with the intention of following through. *I said I would help you, and I will—because, as far as I'm concerned, a promise made is a promise kept.*

prop up the bar To spend a large amount of time drinking at a pub or pubs in general. Primarily heard in UK. *My father spent most of my childhood propping up the bar, so forgive me if I am not overly enthusiastic about social drinking. John's down at the local, propping up the bar with his mates from work.*

prophet of doom A person who always warns others about possible negative consequences of decisions or actions. *Don't tell Rodney about your new plan—he's such a prophet of doom that he'll completely kill your motivation.*

proud below the navel outdated Having an erect penis. Primarily heard in UK. A: *"I think that Sir Edgar grows proud below the navel every time he sees you, dear sister."* B: *"Oh, hush! Someone from the garden might hear us!"*

prunes and prisms Intentionally formal and/or prudish speech or action. The phrase originated in Charles Dickens' novel *Little Dorrit* as an example of proper speech. *When you talk to your grandmother, stick to prunes and prisms so that you don't offend her. If you want to become a proper lady, practice saying "prunes and prisms"!*

prunes and prisms Intentionally formal and/or prudish speech or action. The phrase originated in Charles Dickens' novel *Little Dorrit* as an example of proper speech. *When you talk to your grandmother, stick to prunes and prisms so that you don't offend her. If you want to become a proper lady, practice saying "prunes and prisms"!*

psychological warfare The use of threats, intimidation, or other such tactics to try to bring about a particular outcome. *The department head can try all the psychological warfare he wants, but I'm tenured, and I refuse to give up my position on the faculty! All right, I'll go to the family dinner—anything to get mom to stop her psychological warfare!*

psychological warfare The use of threats, intimidation, or other such tactics to try to bring about a particular outcome. *The dropping of leaflets announcing the bombing campaign was really just psychological warfare. All right, I'll go to the family dinner if only to get mom to stop her psychological warfare. I can't stand the way she tries to guilt me!*

pub crawl A recreational activity that involves drinking alcohol at several

different establishments in the same day. *For his bachelor party, Frank's friends decided to take him on a pub crawl.*

pub crawl A tour of local pubs or bars, usually with the purpose of having one or more drinks at each along the way. *We're going on a literary pub crawl tonight to visit all the pubs the city's famous authors used to frequent. That's the last time I do a pub crawl; my body just can't handle that much booze anymore!*

public display of affection A physical act of intimacy between a romantic couple done in the view of others. Often shortened to the abbreviation "PDA." *I really wish you didn't have such a hang-up over public displays of affection—no one cares if we have a quick kiss out in the open! When we go out, my girlfriend is always trying to hold my hand or kiss me, even though she knows that any public display of affection makes me uncomfortable. I don't mind PDAs in general, but teenagers take it way too far.*

public eye Attention from the general public. Typically used in the phrase "in the public eye." *Famous actors really can't do much without being in the public eye—their every move is noticed and scrutinized. I'm pretty nervous because this is the first time I'll be in the public eye since that terrible news conference.*

public intellectual A celebrated academic or literary mind who puts forth views in a public forum or setting *France in the early 20th-century was home to many renowned public intellectuals who often gathered and debated topics of the day.*

the public weal The common good of public society; the welfare of the general public. *Having ousted the dictator from power, the new president has pledged to focus all his energy on the public weal.*

publicity hound Someone who seeks to have the attention of the public constantly focused on him- or herself, typically by means of attracting media coverage. *The former actor's run at politics is seen by many as just another stunt by a publicity hound desperate to keep the spotlight on himself.*

puke (one's) guts out To vomit violently and at length. *My friends got me so drunk on my 21st birthday that I spent the whole next day puking my guts out.*

pull a disappearing act To depart or go away very suddenly or without warning, especially so as to avoid doing something. *My roommate loves to throw parties here, but she always pulls a disappearing act the next day when everything needs to be cleaned up! Brian is nearly two weeks late finishing his sales report—that's why he's been pulling a disappearing act whenever the boss is around.*

pull a face (at someone) To make a grimacing or humorously distorted facial expression (at someone). *Young lady, don't you pull a face at me! You will eat your broccoli or you won't have any dessert. The teacher scolded Jimmy for pulling faces at her from the back of class. When I told him my mother was coming over for dinner, John just pulled a face and went down to the basement.*

pull a hoax (on someone) To carry out a trick, deception, or practical joke (against someone). *It turns out that the supposed alien visitors that people had been seeing were just a bunch of teenagers pulling a hoax on the town. I've got a great plan to pull a hoax on the school for April Fools' Day. The fake article had been in print in the renowned scientific journal for more than a week before its author revealed that he had pulled a hoax when he decided to submit it.*

pull a prank (on someone) To carry out a trick, deception, or practical joke (against someone). *It turns out that the supposed alien visitors that people had been seeing were just a bunch of teenagers pulling a prank on the town. I've got a great plan to pull a prank on the school for April Fools' Day. The fake article had been in print in the renowned scientific journal for more than a week before its author revealed that he had pulled a prank when he decided to submit it.*

pull a rabbit out of a hat To do something surprising and seemingly impossible; to produce something in a way that has no obvious explanation, as if done by magic. A reference to the magician's trick of literally pulling a live rabbit out of a hat. *The caterer really pulled a rabbit out of a hat by producing 100 cupcakes with just 20 minutes' notice. Unless someone can pull a rabbit out of a hat, we're out of solutions.*

pull a train vulgar slang Of a woman, to have sex with two or more men sequentially or at the same time. *Things were starting to get weird with my boyfriend already, but when he said he wanted me to pull a train with him*

and some of his friends, I knew the relationship was over.

pull a trick (on someone) To carry out a trick, deception, or practical joke (against someone). *It turns out that the supposed alien visitors that people had been seeing were just a bunch of teenagers pulling a trick on the town. I've got a great plan to pull a trick on the school for April Fools' Day. The fake article had been in print in the renowned scientific journal for more than a week before its author revealed that he had pulled a trick when he decided to submit it.*

pull a U-ie To make a U-turn. Primarily heard in US, Australia. *Dang it, I forgot my keys! Pull a U-ie up ahead so I can go back and get them.*

pull a vanishing act To depart or go away very suddenly or without warning, especially so as to avoid doing or dealing with something. *My roommate loves to throw parties here, but she always pulls a vanishing act the next day when everything needs to be cleaned up! Brian is nearly two weeks late finishing his sales report—that's why he's been pulling a vanishing act whenever the boss is around.*

pull an all-nighter To remain awake all night long, especially so as to study or to complete something. *I was a bit of a procrastinator in college, so I tended to pull a lot of all-nighters. Jeff pulled an all-nighter on Thursday to get his report finished for work by the deadline today, so I don't think he'll be coming out with us tonight.*

pull caps To have an argument, especially in a way that lacks propriety. This now-outdated phrase was mostly applied to women and their head coverings. A: *"What is all that commotion?"* B: *"I believe that Lady Judith and her sister are pulling caps in the sitting room."*

pull faces (at someone) To make distorted, silly, or humorous facial expressions (at someone) for one's own or someone else's amusement. *I get great laughs out of my nieces and nephews by pulling faces at them. Mom, tell Billy to quit pulling faces, he's really annoying me!*

pull in the reins To begin doing something more carefully or cautiously; to regain or tighten control over someone or something. *This thesis you're planning is becoming wildly unfocused—I think you should pull in the reins a bit! I wish those parents would pull in the reins on their kids—the little devils are tearing the place apart!*

pull my finger A set expression said as a part of a joke or prank in which the speaker passes gas when their finger is pulled. A: "Pull my finger, Billy!" B: "Don't do it, Billy! No one wants to smell that!"

pull (one's) chestnuts out of the fire To do a difficult, and often dangerous, task for someone else's benefit. *David really pulled my chestnuts out of the fire that time he saved me from drowning. I can't believe my car broke down on this desolate road late at night—thank you so much for pulling my chestnuts out of the fire and picking me up!*

pull (one's) finger out To cease stalling or procrastinating and do something soon or at once. Primarily heard in UK, Ireland. *I've had my learner's permit for nearly two years—I need to pull my finger out and get my driver's licence already! I wish Mary would pull her finger out about choosing the florist she wants for the wedding.*

pull (some/a few) strings To use the power or influence one has over others, especially people of importance, to get what one wants or to help someone else. *I hear that the only reason Johnny got into college was because his dad pulled some strings with the president of the university. I actually know a few people who work at the restaurant, so I'll see if I can pull a few strings and get you a table. You wait and see, he's going to start pulling strings to get this police investigation quashed.*

pull (some/a few) wires To utilize the power or influence one has over others, especially people of importance, to get what one wants or to help someone else. *I hear that the only reason Johnny got into college was because his dad pulled some wires with the president of the university. I might see if I can pull a few wires to get this police investigation quashed. I'm so sick of this old-boy culture pulling wires in high places to keep themselves in control.*

pull (someone) down a notch (or two) To reduce or damage someone's ego or pride; to humble or humiliate someone. *I'm really glad that pompous oaf lost his court case—maybe that will pull him down a notch or two. It's about time that someone pulled Sarah down a notch. Her snotty arrogance is intolerable!*

pull (someone) down a peg (or two) To reduce or damage someone's ego or pride; to humble or humiliate someone. *I'm really glad that pompous oaf lost his court case—maybe that will pull him down a peg or two.*

It's about time that someone pulled Sarah down a peg. Her snotty arrogance is intolerable!

pull (someone or something) out of a hat To select someone or something entirely at random. *I don't understand why our company is being targeted. It's as if the IRS pulled us out of a hat to scrutinize! It doesn't really matter who gets promoted to assistant manager—just pull a name out of a hat for all I care!*

pull (someone's) bacon out of the fire To save someone from imminent or impending trouble, difficulty, or danger. *My brother is the best lawyer in town, and he's pulled my bacon out of the fire on more than one occasion! The president gets all the credit for the economic recovery, but it was really a team of international financial strategists that pulled our bacon out of the fire.*

pull (something) out of (one's) ass vulgar slang To completely fabricate or invent something; to draw something from little or no real evidence, facts, information, etc. *You just pulled those statistics out of your ass! Whenever the teacher calls on him, Jake just pulls an answer out of his ass.*

pull teeth To do something that is especially difficult, tedious, or requires an extreme amount of effort; to do something in the most difficult or unpleasant way possible. *With this new way of preparing vegetables, you'll no longer have to pull teeth to get your kids to eat their greens! I've been pulling teeth trying to get my family members organized for this get together, but I think it will all be worth it!*

pull the other leg (it's got bells on)! You're joking; I don't believe you. Used to express that one finds what has been said to be incredible, unlikely, or laughable. Primarily heard in UK. *You, the descendant of a king? Pull the other leg, mate! A: "I think the country would be way better off if we just abolished taxes altogether." B: "Yeah, OK, pull the other leg, it's got bells on!"*

Pull the other one (it's got bells on)! Used to express that one finds what's been said to be incredible, unlikely, or laughable. Primarily heard in UK. *You, the descendant of a king? Pull the other one, mate! A: "I think the country would be way better off if we just abolished taxes altogether." B: "Yeah, OK, pull the other one, it's got bells on!"*

pull the rug (out) from under (someone) To suddenly or unexpectedly remove or rescind support, help, or assistance from someone; to abruptly leave someone in a problematic or difficult situation. *I felt like someone had pulled the rug out from under me when my health insurance said it was going to stop paying for my medical bills. I'd love to quit my job, but I just can't pull the rug from under my team like that.*

pull the rug (out) from under (someone's) feet To suddenly or unexpectedly remove or rescind support, help, or assistance from someone; to abruptly leave someone in a problematic or difficult situation. *I felt like someone had pulled the rug out from under my feet when my health insurance said it was going to stop paying for my medical bills. I'd love to up and quit my job, but I just can't pull the rug from under their feet like that.*

pull the trigger (on something) To make a final decision or commit to a certain course of action (about something). *Jeff's been hemming and hawing about which car to buy—I wish he would just pull the trigger already! If we don't pull the trigger on this deal then we might never get the chance again.*

pull up a floor slang To sit down on the floor. It is used as a humorous variation of the common phrase "pull up a chair." *I'm sorry, I don't have a couch yet, so you'll have to pull up a floor for our chat.*

pull up (one's) socks To make a redoubled effort; to make a sincere attempt to improve. *After that abysmal grade on my midterm exam, I'm going to have to really pull up my socks if I want to pass math this year. John, if you don't start pulling up your socks, we're going to have to give your job to someone else.*

pull up stumps **1.** In cricket, to call an end to gameplay for the day, as by removing the stumps (part of the wicket) from the ground. Primarily heard in UK, Australia. *As the umpire draws stumps for the day, India has beaten England by 133 runs. This has gotten horribly boring, let's pull up stumps and go home.* **2.** By extension, to cease doing something or bring something to an end. Primarily heard in UK, Australia. *In spite of the biting scandal, the footballer said he would not be pulling up the stumps on his international career. OK, I think we've done enough work for the day. Let's pull up stumps and get out of here.* **3.** To pack up and leave from one's camp site. Primarily heard in UK, Australia. *After a week of roughing it in the countryside, we*

finally pulled up stumps and decided to stay in a bed and breakfast for the night before going back home.

pull wires See [pull \(some/a few\) wires](#).

pulled out of (one's) ass vulgar slang Completely fabricated; drawn from little or no real evidence, facts, information, etc. *Those statistics were just pulled out of your ass! When the teacher called on him to answer the question, Jake just said something he had pulled out of his ass.*

pulling power The ability or power to draw people in, as by having particularly unique, interesting, famous, desirable, etc., qualities or characteristics. *The restaurant has been capitalizing on the pulling power of its celebrity chef to drum up huge crowds in its opening week. The attraction, at one time, had enormous pulling power but is now regarded as little more than a tourist trap.*

pumpkin head **1.** A dim-witted or unintelligent person; a dolt. *Why did I ever hire that pumpkin head? He can't do anything right around here.* **2.** prison slang A prisoner who has been beaten severely about the face and head; such an attack itself. (So called due to the swelling of the head that results.) *No one went near the pumpkin head after his beating from one of the prison gangs, which had served as a warning to the other inmates. Whatever fellow prisoners might do to you, it's the guards you have to look out for. They're very fond of giving a pumpkin head to anyone to who steps out of line.*

punch above (one's) weight **1.** To perform, achieve, or do something at a level that is considered beyond one's abilities, talents, or personal attributes. *The small-town mayor has been punching above her weight recently, going head-to-head with federal lawmakers over the issue of immigration reform.* **2.** To be romantically or sexually involved with someone who is considered by others to be superior in physical appearance, intelligence, or success. *I think Janet's new boyfriend is a model or something. She's really punching above her weight!*

punch below (one's) weight **1.** To perform, achieve, or do something at a level that is considered to be lower than one's abilities, talents, or personal attributes. *The Oscar-winning actor is truly punching below his weight in this new film, with a performance that is dull at best and downright amateurish at worst.* **2.** To be romantically or sexually involved with

someone who is considered by others to be inferior in physical appearance, intelligence, or success. *It's odd to me that someone so motivated by his career would punch below his weight with some gas station attendant like her.*

Puppy Bowl A TV program that airs on Animal Planet on the afternoon of Super Bowl Sunday. Puppies play on a mock football field, and kittens take the field for the "Kitten Halftime Show." The animals shown are usually available for adoption. *Who cares about the Super Bowl—when is Puppy Bowl on?*

puppy love A state of short-lived infatuation or romantic attraction among children or adolescents. *Puppy love is starting to bloom among many of my fifth-graders.*

purple patch 1. A section of writing that is showy and extravagant and often stands out in contrast to the rest of the writing in a piece. *I don't want to see a single purple patch in these research papers, class. Focus on communicating the facts!* **2.** A period marked by much success or good luck. Primarily heard in UK. *After falling behind early, the team hit a purple patch and scored three quick goals to tie the game. We had few lean years, but our business is finally in a purple patch now, thank goodness.*

purple state In U.S. general elections, a state that votes in roughly equal proportion for candidates of both the Democratic and Republican Parties. Primarily heard in US. *Whoever is going to win the election will have to focus their power on swinging the purple states of the country in their favor.*

purse strings The spending power of a given group, such as a family, company, country, etc. *Their government is going to have to learn to tighten the purse strings if they want to continue receiving bailout money from the IMF. After my dad's gambling problem came to light, it was my mother who started holding the purse strings.*

pursuant to In accordance with. This phrase is commonly used in legal documents and proceedings. *The defendant was expected to pay my client monthly, pursuant to the lease he signed.*

push back the clock To revisit, recount, return to or recreate a time or era from the past. *The purpose of this conference is to push back the clock by analyzing early human remains and try to gain insight into their way of life. The governor is bent on pushing back the clock and returning us to the ethics*

of the 1950s.

push (one's) buttons 1. To do things that create a very strong emotional reaction in one, especially anger, irritation, or exasperation. *I hate Dave's new boyfriend, he's always trying to push my buttons, and he's doing a good job of it! No one will be able to push your buttons like your children, but it's all a part of the adventure of parenthood.* 2. To be sexually attractive or arousing to someone. *A guy who knows how to cook really pushes my buttons.*

push (one's) luck To risk losing the good favor or fortune one has garnered thus far by brashly or overconfidently seeking more. *I know you're in the boss's good graces now, but don't push your luck. She's been known to turn on people for getting too cocky. I've had some good winnings at blackjack, but I don't think I should push my luck any further.*

push (one's) weight around To assert oneself in a controlling, domineering, or authoritarian manner; to exercise one's position of authority, power, or influence, especially to an overbearing or excessive degree. *An effective leader should inspire enough confidence in their team that they don't have to push their weight around to get things done. I'm sick of Donald coming into these meetings and pushing his weight around. Can't he just leave us to our own devices?*

pussy out rude slang To refuse or avoid doing something, especially something dangerous, because one feels apprehensive about it. The phrase is usually used mockingly. *Come on, man, don't pussy out on me now! There's no way we'll get caught!*

put a crimp in To disrupt or interfere with something. *That rain last week sure put a crimp in our beach vacation.*

put a dampener on (something) To discourage, inhibit, or deter something; to make something less enjoyable, pleasant, or fun; to have a subduing or deadening effect on something. (A variant of "put a damper on something.") *The foul weather really put a dampener on our picnic yesterday. Without question, this tax scandal has put a dampener on the senator's likelihood of being re-elected. CDs quickly became the dominant format for music, but when digital formats arrived soon thereafter, it put a dampener on CD sales just as quickly.*

put a damper on (something) To discourage, inhibit, or deter

something; to make something less enjoyable, pleasant, or fun; to have a subduing or deadening effect on something. *The foul weather really put a damper on our picnic yesterday. Without question, this tax scandal has put a damper on the senator's likelihood of being re-elected. The construction happening near our building has really put a damper on sales this month.*

put a good face on To act as though a particular situation is not as undesirable or grim as it really is. *Although my mother tried to put a good face on her medical situation, I knew that her health was rapidly deteriorating. They tried to put a good face on their break-up, but we all knew that they had been fighting with each other for weeks.*

put a gun to (someone's) head To force someone to do something they do not want to do, especially by the use of threats or intimidation (not necessarily with an actual gun). *Look, no one is putting a gun to your head. If you don't want to come, then just stay here. The city council has put a gun to our heads to trim the budget wherever possible.*

put a (monkey) wrench in(to) the works To disrupt, foil, or cause problems to a plan, activity, or project. Primarily heard in US. *We had everything in line for the party, but having the caterer cancel on us at the last minute really threw a wrench in the works! It'll really put a monkey wrench into the works if the board decides not to increase our funding for this project.*

put a price on (someone's) head To offer an amount of money as a reward for someone's capture. *I'm sorry, but we can't travel with your brother any longer. The sheriff put a price on his head, and it's too dangerous for the rest of us! Once they put a price on my head, I knew I'd never be able to live in this town peacefully.*

put a rope to the eye of a needle To attempt a futile task. A: *"I can't believe he thinks that he'll get into law school with his poor grades!"* B: *"I know, he's really putting a rope to the eye of a needle with that plan."*

put a stop to (something) To stop, cease, or conclude something. *I'm going to put a stop to the corruption in this department once and for all! I wish my sisters would put a stop to their bickering and just be civil to one another!*

put a/the plug in the jug To become permanently sober; to give up intoxicants, especially alcohol. (Alludes to plugging up a jug of an alcoholic

beverage.) *I've always loved my dad, but he's become a much friendlier and sympathetic person since finally putting the plug in the jug. It took me waking up in a ditch and covered in vomit to realize that I needed to put a plug in the jug for good.*

put across See [put \(oneself\) across](#).

put affairs in order See [put \(one's\) affairs in order](#).

put all (one's) eggs in one basket To invest, devote, or commit all of one's energy or resources into a single venture, opportunity, or goal, generally at the risk of losing everything in the event that that thing fails or does not come to fruition. *She has all her eggs in one basket with this merger deal. If it doesn't work out, I doubt her company can survive. I applied to several colleges so I wasn't putting all my eggs in one basket.*

put (an animal) down To euthanize an animal, typically to prevent its suffering in old age or illness, or because it poses a threat to humans or other animals. *We decided to put our dog down last week. He was in so much pain from cancer that we felt it would be cruel to let him struggle on. Animal control ended up having to put a bear down that had been found roaming the neighborhood for the third time this month.*

put an end to (something) To stop, cease, or conclude something. *I'm going to put an end to the corruption in this department once and for all! I wish my sisters would put an end to their bickering and just be civil to one another!*

put an idea in(to) (someone's) head To suggest something to someone; to lead someone to start believing (in) something; to make someone want to start doing something. (Used of suggestions, ideas, or beliefs that someone wouldn't have thought of on their own, especially those that are foolish or negative.) *Of course we're not going to sell the house! Who put that idea in your head? I can't believe you were caught smoking marijuana. I bet it's that no-good kid Casey who put an idea like that into your head. I heard John putting an idea into his sister's head that she was adopted.*

put ass on the line See [put \(one's\) ass on the line](#).

put at ease See [put \(oneself\) at \(one's\) ease](#).

put at ease See [put \(one\) at \(one's\) ease](#).

put back the clock To revisit, recount, return to or recreate a time or

era from the past. *The purpose of this conference is to put back the clock by analyzing early human remains to try and gain insight into their way of life. The governor is bent on putting back the clock and returning us to the ethics of the 1950s.*

put back up See [put \(one's/someone's\) back up](#).

put behind bars See [be put behind bars](#).

put behind bars See [put \(someone\) behind bars](#).

put butt on the line See [put \(one's\) butt on the line](#).

put clock back See [put the/\(one's\) clock\(s\) back](#).

put clock forward See [put the/\(one's\) clock\(s\) forward](#).

put down (an animal) To end the life of an animal (generally through euthanasia) so as to prevent its suffering in old age or illness, or because it poses a threat to humans or other animals. *We decided to put down our dog last week. He was in so much pain from cancer that we felt it would be cruel to let him struggle on. Animal control ended up having to put down the bear once it was spotted roaming the neighborhood for the third time in recent months.*

put down for See [put \(one\) down for](#).

put 'er there(, pal) Give me your hand so that I can shake it. Typically said as a greeting or in agreement to a deal. A: *"That's my final offer for the computer."* B: *"I wish I could get more for it, but you win. Put 'er there!"* Put 'er there, pal! *I haven't seen you in a donkey's age!*

put food on the table To earn enough money to provide the basic necessities for oneself and (often) one's family. *With my hours at work being cut so dramatically, I just don't know how I'll be able to put food on the table. At the end of the day, as long as I'm putting food on the table, I don't care what kind of career I have.*

put genie back in the bottle See [put the genie back in the bottle](#).

put hand to See [put \(one's\) hand to \(something\)](#).

put hands together See [put \(one's\) hands together \(for someone or something\)](#).

put hat in the ring See [put \(one's\) hat in\(to\) the ring](#).

put head in the lion's mouth See [put \(one's\) head in the lion's mouth](#).

put head in the wolf's mouth See [put \(one's\) head in the wolf's mouth](#).

put head on the block See [put \(one's\) head on the block](#).

put himself in someone else's place See [put \(oneself\) in \(someone's\) place](#).

put himself in someone else's shoes See [put \(oneself\) in \(someone's\) shoes](#).

put in force To be authorized or enacted, or to authorize or enact something. *Now that this law has been put in force, officers are going to be much more stringent at traffic stops. The board isn't expected to put in force the new regulations until next quarter.*

put in her place See [be put in \(one's\) place](#).

put in (one's) tuppence (worth) To share one's opinion, idea, or point of view, regardless of whether or not others want to hear it. Primarily heard in UK, Australia. *I find Jeff's husband a bit trying at times. He always has to put in his tuppence, even when it's clear he knows nothing about what's being discussed. If I can just put in my tuppence worth, I think the staff would really appreciate a bump in their pay, and productivity would increase as a result.*

put in (one's) two cents To share one's opinion or point of view for whatever it may be worth, generally when it is unasked for. *I find Jeff's husband a bit trying at times. He always insists on putting in his two cents whether we want his opinion or not! If I can just put in my two cents, I think the staff would really appreciate a bump in their pay.*

put in (one's) two cents' worth To share one's opinion or point of view for whatever it may be worth, generally when it is unasked for. *I find Jeff's husband a bit trying at times. He always insists on putting in his two cents' worth whether we want his opinion or not! If I can just put in my two cents' worth, I think the staff would really appreciate a bump in their pay.*

put in (one's) two pennies (worth) To share one's opinion, idea, or point of view, regardless of whether or not others want to hear it. Primarily

heard in UK. *I find Jeff's husband a bit trying at times. He always has to put in his two pennies, even when it's clear he knows nothing about what's being discussed. If I can just put in my two pennies worth, I think the staff would really appreciate a bump in their pay, and productivity would increase as a result.*

put in (one's) two penn'orth To share one's opinion, idea, or point of view, regardless of whether or not others want to hear it. ("Penn'orth" is a contraction of "pennies' worth.") Primarily heard in UK. *I find Jeff a bit trying at times. He always has to put in his two penn'orth, even when it's clear he knows nothing about what's being discussed. If I can just put in my two penn'orth, I think the staff would really appreciate a bump in their pay, and productivity would increase as a result.*

put in (one's) twopence (worth) To share one's opinion, idea, or point of view, regardless of whether or not others want to hear it. Primarily heard in UK, Australia. *I find Jeff's husband a bit trying at times. He always has to put in his twopence, even when it's clear he knows nothing about what's being discussed. If I can just put in my twopence worth, I think the staff would really appreciate a bump in their pay, and productivity would increase as a result.*

put no stock in (something) To not pay any attention to something; to have or invest no faith or belief in something; to not accept something. *You'll put no stock in John's promises if you know what's good for you because, more often than not, he'll end up letting you down. I don't know how the company expects its managers to perform well when it puts no stock in their abilities.*

put on a brave front 1. To appear or make oneself seem more courageous, resolute, or dauntless than one really feels. *I could feel my knees shaking with terror before my commencement speech, but I put on a brave front and stepped out onto the stage to deliver it. This girl I'm dating has a big dog that I'm really scared of, but I'm trying to put on a brave front when it's around.* 2. To react to or face difficulties, setbacks, or adversity with high spirits or good cheer. *John's been putting on a brave front ever since his wife*

left him, but I can tell that he is devastated on the inside. I really didn't want to spend Thanksgiving with my wife's parents, but I put on a brave front and suffered through it with a smile.

put on a pedestal See [put \(someone or something\) \(up\) on a pedestal](#).

put on one side See [put \(something\) on one side](#).

put on (one's) dancing shoes To be ready to dance, as at a party or other celebratory event. *I hope you all put on your dancing shoes for the reception—I don't want to dance alone!*

put on (one's) thinking cap To begin thinking or considering very carefully and seriously (about something). *If we all put on our thinking caps, I'm sure we can come up with a way to earn enough money to go to the baseball game this weekend. A: "Well, boss, what do you think we should do?" B: "Just let me put on my thinking cap for a minute."*

put on the acid See [put the acid on \(someone\)](#).

put on the back burner See [put \(something\) on the back burner](#).

put on the front burner See [put \(something\) on the front burner](#).

put on the long finger See [put \(something\) on the long finger](#).

put on the (old) feed bag slang To begin eating; to have a meal. *I can't wait to get to grandma's and put on the old feed bag. She always cooks the tastiest food! What do you say we put on the feed bag before we head out?*

put (one) at (one's) ease To calm, comfort, or reassure one; to make one comfortable or relaxed. *I'd like to put you all at your ease and assure you that there will be no layoffs, so please do not listen to the rumors going around. The duke was renowned for going to great lengths to put his guests at their ease when they called over for social visits.*

put (one) down for To note one's commitment to a particular task or course of action. *Oh, I'd love to help! Put me down for a \$20 donation. A: "When do you guys want to work at the fair?" B: "Put us down for the four o'clock shift."*

put (one) on the griddle To criticize someone, usually severely. *The boss put me on the griddle after he found out that I was responsible for the error in the report.*

put (one) on the hot seat To criticize someone, usually severely. *The boss put me on the hot seat after he found out that I was responsible for the error in the report.*

put one over on (one) To fool or deceive someone; to make someone the victim of a prank or hoax. *I'm not as naïve as I once was, so you won't be putting one over on me again! The conman spotted Jane from a mile away, and quickly figured out how he would put one over on her.*

put one past (someone) To fool or deceive someone; to make someone the victim of a prank or hoax. *I'm not as naive as I once was, so you won't be putting one past me again! The con man spotted his mark from a mile away, and quickly figured out how he would put one past her.*

put one right See [put \(someone\) right](#).

put one straight See [put \(someone\) straight](#).

put (one) through (one's) facings To force one to demonstrate one's skill in a particular area, usually in a grueling manner. *Boy, they really put me through my facings at that job interview today—I had to give a mock lecture to a whole team of people! If my son wants a promotion, I'm going to put him through his facings so that he truly earns it.*

put (one) through the wringer To subject one to some ordeal, difficulty, trial, or punishment; to force one to undergo an unpleasant experience. *My mother's recent bout with cancer has really put us through the wringer this year.*

put (one) to work To give one a particular task to do. *We're here to help, so just put us to work wherever you need us. Whenever I come home for a visit, my mom wastes no time putting me to work—last time, I had to vacuum the whole house!*

put (one) under To render unconscious by anesthesia, as during a surgical procedure. *Your daughter is doing great. We put her under with no issues, and the surgeon is operating now. I've never had surgery before, and I'm really nervous for when they put me under—what if I don't wake up?*

put (one's) affairs in order To organize one's financial and legal arrangements, especially in preparation for death. *The doctors told me I likely had six months to live, so I need to start putting my affairs in order now. My father never put his affairs in order, and now, my brothers and I are*

embroiled in lawsuits over his estate.

put (one's) ass on the line rude slang To personally assume or expose oneself to some risk, danger, or responsibility; to imperil oneself or put oneself in harm's way. *Look, I'm putting my ass on the line for you here. I could get fired if they find out what we're up to! You have to take some risks to be successful in business and in life, but don't put your ass on the line for no good reason.*

put (one's) butt on the line rude slang To personally assume or expose oneself to some risk, danger, or responsibility; to imperil oneself or put oneself in harm's way. *Look, I'm putting my butt on the line for you here. I could get fired if they find out what we're up to! You have to take some risks to be successful in business and in life, but don't put your butt on the line for no good reason.*

put (one's) hand to (something) To undertake or apply oneself to (doing) something; to attempt or be able to do something. *Now that I'm on a pretty stable career path, I'd like to put my hand to learning the saxophone in my spare time. With Sarah's intelligence, she could probably put her hand to anything after high school.*

put (one's) hands together (for someone or something) To applaud (someone or something); to clap. *Ladies and gentlemen, please put your hands together for our next comedian this evening! Everyone started putting their hands together to signal that they wanted the concert to begin.*

put (one's) hat in(to) the ring To announce or make known one's intention to compete with others, especially in a political election. *I'm thinking about putting my hat in the ring for class president! As has been widely predicted, the governor put his hat into the ring yesterday for the upcoming presidential election.*

put (one's) head in the lion's mouth To subject oneself to danger or trouble. *I really put my head in the lion's mouth by sneaking out of the house late at night. I think you're putting your head in the lion's mouth by driving in such torrential rain.*

put (one's) head in the wolf's mouth To subject oneself to danger or trouble. *I really put my head in the wolf's mouth by sneaking out of the house late at night. I think you're putting your head in the wolf's mouth by driving in such torrential rain.*

put (one's) head on the block To assume or expose oneself to some risk, danger, or responsibility; to imperil oneself or put oneself in harm's way; to risk damaging one's reputation as the result of doing something. *Look, I'm putting my head on the block for you here. I could get fired if they find out what we're up to! You have to take some risks to be successful in business and in life, but don't put your head on the block for no good reason.*

put (one's) John Hancock on To sign one's name on a document or other item. John Hancock, an influential figure in the American Revolution, is known for his especially large and legible signature on the Declaration of Independence. *As soon as you put your John Hancock on these papers, you'll be the proud owner of a brand new car! I would never have put my John Hancock on such an unfavorable contract—I think my signature was forged.*

put (one's) life on the line To put oneself in harm's way to achieve something, especially at the risk of losing one's life. (Sometimes used hyperbolically.) *It's important to honor the men and women in the military who put their lives on the line every day defending our country. Look, I'm putting my life on the line to push this deal forward, so you had better make sure your company follows through on its promises!*

put (one's) lights out To render someone unconscious with a punch. *A: "Oh man, what happened?" B: "Well, you and Bart were fighting, and then Bart put your lights out." Wow, you're strong—you could put someone's lights out with a punch like that!*

put (one's) neck on the block To assume or expose oneself to some risk, danger, or responsibility; to imperil oneself or put oneself in harm's way; to risk damaging one's reputation. *Look, I'm putting my neck on the block for you here. I could get fired if they find out what we're up to! You have to take some risks to be successful in business and in life, but don't put your neck on the block for no good reason. The news anchor put his neck on the block by publicly disparaging one of the presidential candidates on live television.*

put (one's) neck on the line To personally assume or expose oneself to some risk, danger, or responsibility; to imperil oneself or put oneself in harm's way. *Look, I'm putting my neck on the line for you here. I could get fired if they find out what we're up to! You have to take some risks to be successful in business and in life, but don't put your neck on the line for no good reason.*

put (one's) oar in(to) (something) 1. To offer or express one's opinion (on some matter), even though it was not asked for or desired. Primarily heard in UK. *I don't know why you feel you have to put your oar into every dispute Terry and I are having. The members of the board are perfectly capable of arriving at a decision of their own accord, so I'll thank you for not putting your oar in, Tom.* 2. To involve oneself in an intrusive or nosy manner into something that is not one's business or responsibility. Primarily heard in UK. *I wish my neighbors would quit putting their oars in and just leave us alone! Liam, don't put your oar into your brother's affairs—he can manage well enough on his own.*

put (one's) pants on one leg at a time (just like everybody else) To be an ordinary human being; to go through life like everyone else. (Used especially in reference to someone who is of an elevated social status, such as a celebrity, star athlete, member of royalty, etc. Variations of "everybody else" are also often used, such as "the rest of us," "you and me," "ordinary people," and so on.) Primarily heard in Australia. *Because our only interaction with celebrities is through the media, it's easy to forget that they are just human beings who put their pants on one leg at a time. The superstar comedian's latest non-fiction book gives you a quirky insight into her day-to-day life, and reminds you that she puts her pants on one leg at a time just like the rest of us. Even though I made my millions at a young age, I was determined that I would still put my pants on one leg at a time just like everybody else.*

put (one's) shoulder to the wheel To make a sustained, concentrated, and vigorous effort; to work very hard and diligently. *After I was nearly expelled in my first year of college, I decided to stop fooling around, put my shoulder to the wheel, and get as much out of my degree as I could. I know that the new deadline is tight, but if everyone puts their shoulders to the wheel, I know we can get it done in time!*

put (one's) thinking cap on To begin thinking very hard about something, especially a solution to a problem. *If we all put our thinking caps on, I'm sure we can come up with a way to earn enough money to go to the baseball game this weekend. A: "Well, boss, what do you think we should do?" B: "Just let me put my thinking cap on for a minute."*

put (one's) trousers on one leg at a time (just like

everybody else) To be an ordinary human being; to go through life like everyone else. (Used especially in reference to someone who is of an elevated social status, such as a celebrity, star athlete, member of royalty, etc. Variations of "everybody else" are also often used, such as "the rest of us," "you and me," "ordinary people," and so on.) Primarily heard in UK. *Because our only interaction with celebrities is through the media, it's easy to forget that they are just human beings who put their trousers on one leg at a time. The superstar comedian's latest non-fiction book gives you a quirky insight into her day-to-day life, and reminds you that she puts her trousers on one leg at a time just like the rest of us. Even though I made my millions at a young age, I was determined that I would still put my trousers on one leg at a time just like everybody else.*

put (one's) two cents in To share one's opinion or point of view, generally when it has not been asked for. *I find Jeff a bit trying at times. He always insists on putting his two cents in no matter what the topic is, and no matter how much, or how little, he knows about it! If I can just put my two cents in, I think the staff would really appreciate a bump in their pay.*

put (one's) two cents' worth in To share one's opinion or point of view, generally when it has not been asked for. *I find Jeff a bit trying at times. He always insists on putting his two cents' worth in no matter what the topic is, and no matter how much, or how little, he knows about it! If I can just put my two cents' worth in, I think the staff would really appreciate a bump in their pay.*

put (one's/someone's) back up To be or become angry, hostile, defensive, defiant, or irritable, or to instill such a feeling in someone else. *John put his back up when his parents brought up the subject of college. Election season always puts my dad's back up.*

put (one's/someone's) mind to rest To assuage or relieve someone's or one's own worry, anxiety, dread, fear, etc. *I know you're anxious to hear how your father is doing after the surgery, so let me put your mind to rest: he's going to make a full recovery. I'm trying to put my mind to rest about these debts, but I just can't get it out of my head.*

put (one's/someone's) name in the hat To submit one's own or someone else's name for consideration in a selection, such as a competition, application pool, election, etc. *I'm thinking about putting my name in the hat*

for class president! Just so you know, I put your name in the hat for a chance to win an all-expenses-paid trip to Florida! As has been widely predicted, the governor announced today that he was putting his name in the hat for the presidential election next year.

put (oneself) across To communicate and express oneself clearly and effectively, such that others can understand one's opinions, ideas, and what one is like on a personal level. *Jared has a bit of social anxiety, so he has trouble putting himself across around other people he doesn't know. The most important thing when you are speaking in front of an audience to is make sure you put yourself across well.*

put (oneself) at (one's) ease To calm, comfort, or reassure oneself; to make oneself comfortable or relaxed. *I think we could all put ourselves at ease if we had some personal reassurance from the owners that our jobs weren't in danger. Welcome to my estate, dear guests! I want you to have a most pleasant time here, so please put yourselves at your ease.*

put (oneself) in (someone's) place To imagine oneself in the situation or circumstances of another person so as to understand or empathize with their perspective, opinion, or point of view. *Before being quick to judge someone for their actions, you should always try to put yourself in their place. Everyone is human, after all. Put yourself in my place and then tell me what you would have done! It isn't as straightforward as you're making it seem!*

put (oneself) in (someone's) shoes To imagine oneself in the situation or circumstances of another person, so as to understand or empathize with their perspective, opinion, or point of view. *Before being quick to judge someone for their actions, you should always try to put yourself in their shoes. Everyone is human, after all. Put yourself in my shoes and then tell me what you would have done, Dan! It isn't as straightforward as you're making it seem!*

put our cat down See [put \(an animal\) down](#).

put our clock back See [put the/\(one's\) clock\(s\) back](#).

put our clock forward See [put the/\(one's\) clock\(s\) forward](#).

put out a/the fire **1.** Literally, to extinguish a fire. *The firemen were able to put out the fire before too much damage was done to our house.* **2.** To

deal with an emergency or urgent matter rather than ordinary day-to-day tasks. *I spent so much time today putting out a fire with our supplier that I didn't even have a chance to read my emails.*

put out fires To deal with emergencies or urgent matters rather than ordinary day-to-day tasks. *I spent so much time today putting out fires with our suppliers that I didn't even have a chance to read my emails.*

put out of business See [be put out of business](#).

put out the red carpet (for someone) **1.** Literally, to unroll a large red rug or carpet for a very distinguished or important guest to walk on. *The theater put out the red carpet for the duke, who was attending the opening night of the play that evening.* **2.** By extension, to welcome someone with a great or elaborate display of hospitality, ceremony, or fanfare. *Since Jake was their only child, Robert and Sarah always put out the red carpet for him whenever he returned home from college. We're just popping by for a cup of tea and a quick catch-up, no need to put out the red carpet!*

put out the welcome mat (for someone) To welcome someone with a warm or elaborate display of friendliness and hospitality. *My auntie always puts out the welcome mat whenever we call around for a visit. The principal likes to put out the welcome mat for new teachers every autumn, so they can start of the school year on a positive note.*

put (out) to sea To begin or set out on a voyage at sea. *I thought life as a sailor would be filled with adventure, but I've come to really dread putting out to sea. Our cruise puts to sea in just 10 days, I can't wait!*

put someone at ease See [put \(one\) at \(one's\) ease](#).

put (someone) behind bars To arrest someone and hold him or her in prison; to sentence someone to serve time in prison. *I heard that they put Mike's uncle behind bars for robbing a liquor store! The cops put our son behind bars on a charge of drunk driving, so we have to go down to the station to bail him out.*

put (someone) in the picture To keep someone informed, aware, or up to date (about something); to involve someone in something. *Just make sure you put the boss in the picture about the status of the project. I want to be put in the picture when the jewels are sold. Don't cut me out of the profit!*

put (someone or something) out of business To cause or force

a person, company, group, or organization to cease commercial trading. *The advent of digital books has revolutionized the publishing industry, but unfortunately it has also put a lot of traditional book sellers and publishers out of business. The government put us out of business after news of alleged insider trading was leaked to the media.*

put (someone or something) under a microscope To begin closely inspecting someone or something; to examine someone or something with intense scrutiny. *After I got that official reprimand at work, it feels like my bosses are putting me under a microscope. The country's surveillance methods are being put under a microscope lately, after news sources learned that it had been eavesdropping on its own citizens' communications.*

put (someone or something) under the microscope To begin closely inspecting someone or something; to hold someone or something up to intense scrutiny. *After I got that official reprimand at work, it feels like my bosses are putting me under the microscope. The press has put the country's surveillance methods under the microscope since it emerged that it had been eavesdropping on its own citizen's communications.*

put (someone or something) (up) on a pedestal To believe or behave as if someone or something is perfect, extraordinarily wonderful, or better than others, to the extent that one is unable to see its potential flaws or faults. *I know it's easy to be smitten with a romantic partner, but I don't think it's healthy for one to put the other up on a pedestal. Stephen has been putting classic literature on a pedestal ever since college, so he gets really judgmental of other genres he deems to be inferior.*

put (someone) out of humour old fashioned To put someone in an irritable, grouchy, or unhappy mood; to make someone feel unwell, displeased, or in poor spirits. Primarily heard in UK. *Having lived in Gibraltar for most of my life, where the weather remains temperate throughout the year, I must say that these awful London winters put me quite out of humour. It always puts me out of humour to think about the state of our country's political system for too long.*

put (someone) out of sorts old fashioned To put someone in an irritable, grouchy, or unhappy mood; to make someone feel unwell, displeased, or in poor spirits. Primarily heard in US. *Having lived in Florida for most of my life, where the weather remains temperate throughout the*

year, I must say that these awful New York winters put me quite out of sorts. It always puts me out of sorts to think about the state of our country's political system for too long.

put (someone) right To correct someone's attitude, belief, or behavior; to make sure someone understands something correctly. *I had to put Stephen right after I realized that he'd been operating the machinery wrong this whole time. Helen told me she thought the moon landing was faked, so I had to put her right!*

put (someone) straight To correct someone's attitude, belief, or behavior; to make sure someone understands something correctly. *I had to put Stephen straight after I realized that he'd been operating the machinery wrong this whole time. Helen told me she thought the moon landing was faked, so I had to put her straight!*

put (someone) through the hoop To subject someone to some ordeal, difficulty, trial, or punishment; to force someone to undergo an unpleasant experience. *My mother's recent bout with cancer has really put us through the hoop this year. I don't think Jake is a great fit for the military. His superiors are constantly putting him through the hoop for his disobedience.*

put (someone) through the mangle To subject someone to some ordeal, difficulty, trial, or punishment; to force someone to undergo an unpleasant experience. *My mother's recent bout with cancer has really put us through the mangle this year. I don't think Jake is a great fit for the military. His superiors are constantly putting him through the mangle for his disobedience.*

put (someone) to the sword To slay or execute someone, especially in or as a consequence of war. *These prisoners will be shown no mercy: we shall put them to the sword before sunrise.*

put (someone) under the cosh To force (someone) to contend with a difficult or stressful situation; to put (someone) under pressure or difficulty. Primarily heard in UK. *Local businesses have been increasingly put under the cosh by the austerity measures imposed by the government after the economic crash. Middlesbrough has really been putting Manchester United under the cosh in this second half.*

put (someone) under the pump To put (someone) under pressure

to perform, succeed, or achieve results. Primarily heard in UK. *The fast-food giant has been put under the pump in the last few years by dropping sales and sliding market value. The cricket community has really put the ageing batsman under the pump to deliver results this season, or else consider retirement.*

put (someone's) teeth on edge **1.** To greatly irritate or annoy someone, especially to the point of affecting their nerves. (A less common variant of "set someone's teeth on edge.") *Nothing puts my teeth on edge like seeing these damn cyclists run every red light in town! I don't know what it is about Terry, but there's something about his demeanor that just puts my teeth on edge!* **2.** To cause someone to be upset, nervous, or uncomfortable. *Please don't tell me about your surgery, it puts my teeth on edge hearing about blood and gore.*

put (something) into action To execute a particular plan or decision. *Now that we've devised this chore schedule, we need to put it into action with our housemates. I spent the weekend at the library, putting my research plan into action. The changes outlined in this meeting will be put into action tomorrow.*

put (something) in(to) perspective To clarify, appraise, or assess the true value, importance, or significance of something. *Seeing the devastation caused by a natural disaster like that really puts our petty gripes and problems in perspective, doesn't it? You don't think it's that big a deal? Well, let me put it into perspective for you: each of us will get 10 years in prison if we're caught.*

put (something) on one side To keep something separate, reserved, or in stasis so as to use or deal with it later. *The players on this team need to put their frustrations with one another on one side until after the championship match. I think I'll put that research paper on one side until I have these smaller assignments completed.*

put (something) on the back burner To establish something as being a low priority; to give something less or little thought or attention; to postpone, suspend, or hold off on doing something. *I'm going to be putting work stuff on the back burner for a while once my son is born. I think we should put painting the house on the back burner until we decide on what furniture we want to buy.*

put (something) on the front burner To establish something as a being a high priority; to give something more or a lot of thought or attention; to decide to do something immediately, right away, or sooner than other things. *Now that I'm finished with work for the summer, I can put my thesis on the front burner again. We need to put picking out furniture on the front burner before we even discuss painting the house.*

put (something) on the long finger To delay or postpone something indefinitely or for a long time; to procrastinate. Primarily heard in Ireland. *I've been meaning to send in my college applications, but I keep putting it on the long finger. Buying life insurance might not be something you want to think about, but if you're planning on starting a family, you shouldn't be putting it on the long finger.*

put (something) right To fix, correct, or make amends for something. *I know I said some things I shouldn't have, so I'm here to put things right between us. We need to put this right before we launch the product, or else we'll have bigger problems once it's in the wild.*

put (something) straight To straighten something out or make something properly arranged; to fix, correct, or make amends for something. *There are a few details in this contract we need to put straight before I'm ready to sign it. Tom's brother really made a mess of things with the company, but there's still time to put things straight. Sorry I can't come out with you tonight, I've just got to put my marriage straight before I can think of doing anything else.*

put (something) through its paces To give something a thorough testing or examination so as to evaluate its worth, ability, or functionality. *I can't wait to take this new sports car out on the open road so I can put it through its paces! Whenever you're buying a piece of equipment second hand, it's best to put it through its paces before you hand over the money for it.*

put (something) to one side To keep something separate, reserved, or in stasis so as to use or deal with it later. *The players on this team need to put their frustrations with one another to one side until after the championship match. I think I'll put that research paper to one side until I have these smaller assignments completed.*

put (something) to rights To restore or arrange something to its

proper, natural, or original state or condition. *I never worry about keeping my hotel room tidy, because I know they'll send someone to put it to rights once I leave. That new assistant is completely useless. Now I'm going to have to spend the entire weekend putting this contract to rights!*

put (something) to work To actively use something, such as a skill, trait, or object. *You're a smart guy, so put that brain of yours to work and come up with a solution to this problem. If Sam just puts his boyish charm to work, he'll raise lots of money for us at the event tonight. Put that broom to work and sweep up this garage, will you?*

put stock in To pay attention to something; to have or invest faith or belief in something; to accept something. Often used in the negative. *Oh, John is very dependable—I would put stock in his promises. Our managers put stock in their employees' abilities, and I think that definitely contributes to our company's success. Don't put stock in their criticism—they're just jealous.*

put store by (something or someone) To have faith, confidence, or belief in someone or something; to care about, appreciate, or respect someone or something. *I, however, have put store by the promise of the afterlife, so I choose to lead my life piously and devoutly. I'm afraid my brother should be kept off the list of guests, as he's not one to put great store by obeying social rules or etiquette. It's important to have close friends in life that you may put store by when times are tough.*

put store in (something or someone) To have faith, confidence, or belief in someone or something; to care about, appreciate, or respect someone or something. *I, however, have put store in the promise of the afterlife, so I choose to lead my life piously and devoutly. I'm afraid my brother should be kept off the list of guests, as he's not one to put great store in obeying social rules or etiquette. It's important to have close friends in life that you may put store in when times are tough.*

put that right See [put \(something\) right](#).

put the acid on (someone) To beg, importune, or proposition (someone) for something, such as a money loan, a favor (sexual or otherwise), or information. Primarily heard in Australia, New Zealand. *My no-account brother-in-law is always putting the acid on for a money loan—which, I'll add, he has never once paid back. It's like he's surprised when*

women in a random bar don't all come up putting the acid on him.

put the animal down See [put \(an animal\) down](#).

put the bee on (someone) To ask or pressure someone for a loan or donation of money. Primarily heard in US. *Jane's good-for-nothing brother always comes around our place every couple of weeks to put the bee on us for a few bucks. The alumni association of my old university puts the bee on me once or twice a year looking for a donation.*

put the bite on (one) To ask or pressure someone for a loan or donation of money. Primarily heard in US. *Jane's good-for-nothing brother is always coming skulking around our place every couple of weeks to put the bite on us for a few bucks. The alumni association of my old university puts the bite on me once or twice a year looking for a donation.*

put the dampener on (something) To discourage or deter something; to make something less enjoyable, pleasant, or fun; to extinguish or lessen people's enthusiasm for something. (A less common variant of "put a dampener on something.") *The foul weather really put the dampener on our picnic yesterday. Without question, this tax scandal has put the dampener on the senator's likelihood of being re-elected. CDs quickly became the dominant format for music, but when digital formats arrived soon thereafter, it put the dampener on CD sales just as quickly.*

put the damper on (something) To discourage or deter something; to make something less enjoyable, pleasant, or fun; to extinguish or lessen people's enthusiasm for something. (A less common variant of "put a damper on something.") *The foul weather really put the damper on our picnic yesterday. Without question, this tax scandal has put the damper on the senator's likelihood of being re-elected. CDs quickly became the dominant format for music, but when digital formats arrived soon thereafter, it put the damper on CD sales just as quickly.*

put the genie back in the bottle To attempt to revert a situation to how it formerly existed by containing, limiting, or repressing information, ideas, advancements, etc., that have become commonplace or public knowledge. Almost always used in the negative to denote the impossibility of such an attempt. *Many people lament the ubiquity and pervasive nature of social media, but no one will be able to put that particular genie back in the bottle.*

put the hammer down To press down the accelerator (of an automobile) as far as possible; to accelerate to or travel at an automobile's maximum speed. Primarily heard in US. *It would normally take us three days driving to New York from Colorado, but with my brother putting the hammer down the whole way, we made it in two.*

put the plug in the just See [put a/the plug in the jug](#).

put the screws to (someone) To exert excessive and coercive pressure, force, or threats of violence on someone. *The bank has really started putting the screws to me ever since I began missing my mortgage payments. I'll send a bit of muscle around tomorrow to put the screws to him. Then we'll see if he's still so sure he won't sign the contract.*

put the touch on (someone) To ask or pressure someone for a loan or donation of money. Primarily heard in US. *Jane's good-for-nothing brother always comes around our place every couple of weeks to put the touch on us for a few bucks. The alumni association of my old university puts the touch on me once or twice a year looking for a donation.*

put the whammy on To curse someone. A "whammy" is an evil spell typically bestowed upon one's enemies. *I think my ex-girlfriend put the whammy on me or something because I can't get a date anymore. My favorite team is playing for the championship, so I put the whammy on their opponents.*

put the wind up (someone) To make someone very anxious, upset, or frightened. *If they keep putting pressure on you, we'll threaten them with legal action; that should put the wind up them!*

put the/(one's) clock(s) back To adjust the time on one's clock(s) back by one hour to account for the end of daylight saving time. *Don't forget to put your clock back tonight. I hate having to put the clocks back every autumn, it's such an antiquated custom.*

put the/(one's) clock(s) forward To advance the time on one's clock(s) ahead by one hour to account for the beginning of daylight saving time. *Don't forget to put your clock forward tonight or you'll end up oversleeping tomorrow! I hate having to put the clocks forward every spring, it's such an antiquated custom.*

(one) puts (one's) pants on one leg at a time Someone being spoken of or referred to is just an ordinary human being. Used especially in reference to someone who is of an elevated social status, such as a celebrity, star athlete, member of royalty, etc. The phrase is often followed by "just like everybody else." Primarily heard in US. *Because our only interaction with celebrities is through the media, it's easy to forget that they put their pants on one leg at a time, just like everybody else. The superstar comedian's latest non-fiction book provides a quirky insight into her day-to-day life, and reminds you that she puts her pants on one leg at a time just like the rest of us. I might be the youngest billionaire in the world, but I still put my pants on one leg at a time!*

puts (one's) trousers on one leg at a time (just like everybody else) A saying emphasizing that someone is just an ordinary human being. (Used especially in reference to someone who is of an elevated social status, such as a celebrity, star athlete, member of royalty, etc. Variations of "everybody else" are also often used, such as "the rest of us,"

"you and me," "ordinary people," and so on.) Primarily heard in UK. *Because our only interaction with celebrities is through the media, it's easy to forget that they put their trousers on one leg at a time, just like everybody else. The superstar comedian's latest non-fiction book provides a quirky insight into her day-to-day life, and reminds you that she puts her trousers on one leg at a time just like the rest of us. I might be the youngest billionaire in the world, but I still put my trousers on one leg at a time!*

pwn slang To defeat someone soundly or perform at a superior level. It most often refers to video games, where it likely originated as a typo of "own," a slang term with the same meaning. *I totally pwnd him in Mario Kart last night. He told me he pwned the math test, so I don't think it's going to be that tough. Wow, you guys played great today. You were pwning out there!*

Pyrrhic victory A victory that is not worth achieving because of the excessive toll it takes on the victor. *Winning the lawsuit was a Pyrrhic victory, since it cost us everything we had.*

Rafieienglishclinic.com

Q

quake in (one's) boots To tremble with fear or nervousness. (Sometimes said sarcastically.) *My brother is so strong and scary-looking that people quake in their boots when he threatens them. Ooh, I'm really scared of you! I'm quaking in my boots, you frighten me so!*

quake like a leaf To tremble violently with fear or nervousness. *My brother is so strong and scary-looking that he leaves people quaking like a leaf when he threatens them. I was quaking like a leaf when I went up to deliver my speech.*

Quaker gun A replica gun, usually made of wood. The name references the Quakers' belief in pacifism. *This Quaker gun should spook our enemies—from that far away, they won't be able to see that it's a decoy, and we'll have time to escape.*

the quality The condition of something, usually as good or bad. *I can barely hear you—the quality of this phone call is terrible. I was willing to spend a little more on these boots because the quality is great.*

quantum jump A sudden or important change or improvement. *That brand-new shopping center is a quantum jump from the old, run-down mall that used to be in that location.*

quantum leap A sudden or important change or improvement. *Gary's new job in upper management is a quantum leap forward from his old position at the factory.*

(a) quarter of (a given hour in time) A quarter of an hour (15 minutes) before the named hour in time (e.g., "quarter of six" would mean 5:45). Primarily heard in US. A: "What time does the movie start?" B: "Not until a quarter of eight, so we've got plenty of time!" I thought I'd be home already, but with this traffic, it'll be quarter of before I'm back.

quarter past (a given hour in time) A quarter of an hour (15 minutes) after the named hour in time. A: "What time does the movie start?" B: "Not until a quarter past eight, so we've got plenty of time!" I thought I'd be home already, but with this traffic, it'll be quarter past before I'm back.

quarter-pounder A hamburger that weighs roughly four ounces (a quarter of a pound) before it is cooked. The phrase is best-known as the name of a hamburger served at McDonald's fast food restaurants. *I think I'm going get a quarter-pounder for dinner tonight—what would you like?*

que sera sera A phrase that suggests that the future is uncertain or out of one's control. Its most common spelling is in Spanish, and it is usually understood to mean "whatever will be will be." A: *"How are you not stressed about getting your exam grades back?"* B: *"Oh, que sera sera! I studied, I took the tests—what else can I do now?"*

Queen Anne is dead A sarcastic phrase said in response to outdated news. A: *"Did you know that Kelly is getting a divorce?"* B: *"Oh please, that happened months ago. Did you know that Queen Anne is dead?"*

queen bee A woman who has authority or is in a dominant or favored position over her peers. An allusion to the (typically) lone egg-laying female of a bee colony. *Martha fancies herself a queen bee after her promotion, but she's only an assistant supervisor. You'll have to ask the queen bee before you put through any more orders on the company card.*

Queen's weather Good weather, especially on a day that an outdoor event is scheduled to happen. The phrase refers to Queen Victoria, who tended to have favorable weather conditions at her public appearances. *With how much it's rained this month, we were so lucky to have Queen's weather for our wedding weekend.*

queer bashing slang The act of attacking someone, either physically or verbally, for being homosexual. Primarily heard in UK. *How can people say such hurtful things? This queer bashing has got to stop!*

queer duck A rather unusual, strange, eccentric, or peculiar person. *His new girlfriend is nice enough, but she's a bit of a queer duck, don't you think?*

queer fish Someone who is very strange. Primarily heard in UK. *Everyone could tell he was a queer fish as soon as he walked into the party with his mismatched clothing.*

queer in the attic slang Mentally impaired, either due to stupidity or intoxication. In this phrase, "attic" is used as a synonym for "one's mind." *I have no idea what I told you last night—I'd been at the pub for a while before you got there, so I was a little queer in the attic. Is he queer in the attic? How*

could he make such a reckless decision?

quelle surprise A French phrase that means "what a surprise." Often said sarcastically. A: "*Ruth isn't coming tonight? Quelle surprise.*" B: "*I know, she's ditched us at the last minute once again.*"

quench (one's) thirst at any dirty puddle To be sexually promiscuous. *In my day, you had one sexual partner your whole life—now, people will just quench their thirst at any dirty puddle!*

question mark An unknown or uncertainty. The question mark is the grammatical symbol used to punctuate interrogative sentences (i.e. questions). *I don't know why the experiment turned out this way—it's a real question mark right now. Injuries have left the team with a big question mark at the position of quarterback.*

question mark over An element of doubt surrounding the quality, ability, or future of (something). *If we don't secure new funding soon, there is going to be a question mark over the future of this agency. The recent media coverage of the scandal has left a question mark over whether he should remain CEO of the company.*

a question of time An inevitability or eventuality; something that is or seems sure to happen at some point in the future. *With your reckless spending behavior, it's just a question of time before you go broke.*

quibble about (something) To argue, dispute, or contend (with someone) about something, especially that which is trivial or petty. *I'm happy enough with following your plan, so let's not quibble about the details. The couple stood quibbling about the bill, much to the waiter's consternation.*

quibble over (something) To argue, dispute, or contend (with someone) over or about something, especially that which is trivial or petty. *I'm happy enough with following your plan, so let's not quibble over the details. The couple was just quibbling with one another over the bill, much to their waiter's consternation.*

quiche-eater A man who lacks or does not conform to stereotypical masculine characteristic; an effeminate male. (From the book *Real Men Don't Eat Quiche* (1982) by Bruce Feirstein.) *Well, it's no surprise that a quiche-eater like yourself won't put up a fight when his honor is being insulted! So I'm considered a quiche-eater just because I don't swill beer all day and hold*

sexist opinions?

quick as a bunny See [\(as\) quick as a bunny](#).

quick as a flash See [\(as\) quick as a flash](#).

quick as lightning See [\(as\) quick as lightning](#).

a quick drop and a sudden stop Death from either falling from a great height or from hanging. *I wouldn't get too close to the edge of that cliff if I were you, you'd have a pretty quick drop and a sudden stop.*

quick-fire Occurring in rapid succession. *There were so many quick-fire questions that I felt like I was at an interrogation, not a job interview! Her quick-fire style of storytelling is very engaging.*

quick fix A fast and often temporary solution to a problem. *There is no quick fix for your financial problems. You must learn to budget your money and gradually cut down on your expenses.*

quick one A brief stop or break to have an alcoholic beverage. *Let's stop by the bar for a quick one before we go home. I'm not looking to stay at the bar all night. Let's just grab a quick one before we go to the game.*

quick study A person who can learn new material quickly. Primarily heard in US. *You daughter is making great progress in her piano lessons—she's really a quick study.*

quicker than you can say Jack Robinson Extremely quickly; almost immediately; suddenly or in a very short space of time. *Once I'm finished with high school, I'll be outta this two-bit town quicker than you can say Jack Robinson! I was out fishing one day when, quicker than you can say Jack Robinson, a 20-pound trout jumped out of the water and right into my lap!*

quid pro quo A favor done for someone in exchange for a favor in return. This Latin phrase means "something for something." *You wash my car, and I'll drop off your dry cleaning—quid pro quo. Our company has a specific policy against quid pro quo, to prevent unfair treatment and harassment.*

quiet as the grave See [\(as\) quiet as the grave](#).

quit (something) cold turkey To stop doing something abruptly. The phrase is most often used to describe the sudden cessation of a drug.

After smoking for so long, I should have never tried to quit cold turkey—the withdrawal symptoms are unbearable. I'm so impressed that you quit gambling cold turkey!

quit the funny stuff To stop joking or fooling around and be serious. (Said as an imperative.) *The boss told us to quit the funny stuff and get ready for the meeting. All right kids, quit the funny stuff and open your books to page 53.*

quit while the going is good To cease, end, or give up (doing) something before it becomes too difficult or the consequences become too severe. *There are some reports that the market is about to take a dive, so I reckon we should quit while the going's good. Listen, kid, there's no way you can win this fight, so why don't you quit while the going is good?*

quote chapter and verse See [give chapter and verse](#).

Rafieienglishclinic.com

R

the rabbit died The woman to whom we are referring is pregnant; the pregnancy test was positive. (From an early pregnancy test developed in 1931 in which the urine of a woman thought to be pregnant was injected into a female rabbit; if the woman was pregnant, the rabbit's ovaries would react. A common misconception at the time was that the rabbit would die if the woman was pregnant, hence the expression.) *I saw Carol shopping for maternity clothes in the mall the other day. I guess the rabbit died! Honey, the rabbit died! It looks like we're going to have a baby!*

rabbit hole A situation, journey, or process that is particularly strange, problematic, difficult, complex, or chaotic, especially one that becomes increasingly so as it develops or unfolds. An allusion to *Alice's Adventures in Wonderland* by Lewis Carroll, it is used especially in the phrase "(go) down the rabbit hole." *Overhauling the current tax legislation is a rabbit hole I don't think this administration should go down at this point. I've stayed away from drugs and alcohol since coming to college. I have an addictive personality, so I decided to just avoid that rabbit hole altogether.*

rabble rouser Someone who incites others to emotional reaction and/or action; someone who tries to make trouble. The term is always used in a negative way. *How can you listen to that fool? He's just a rabble rouser trying to sway mindless followers so that they join his cause.*

raccoon eye(s) **1.** Discoloration in the area surrounding the eye(s) due to an accumulation of blood, as caused by periorbital ecchymosis (i.e., "black eye(s)"). Likened to the black patches around the eyes of a raccoon. *He had a pretty bad raccoon eye after the bully punched him in the face. I had raccoon eyes for several days after my car accident.* **2.** A discoloration immediately around—and especially under—the eye(s) due to the smearing or heavy application of dark-colored makeup. Likened to the black patches around the eyes of a raccoon. *She wouldn't have such a problem with raccoon eyes if she didn't wear so much makeup to begin with! Whenever I cry, it causes my makeup to run and give me raccoon eyes.* **3.** A discoloration immediately around—and especially under—the eye(s) due to prolonged fatigue or lack of

sleep. Likened to the black patches around the eyes of a raccoon. *I must not sleep very soundly because I always have these raccoon eyes when I wake up.*

raccoons age See [a coon's age](#).

race against the clock **1.** noun An attempt to accomplish something in a short amount of time. *After getting a flat tire, it was a race against the clock to make it to the airport in time.* **2.** verb To act quickly to accomplish something in a short amount of time. *Jen's going to have to race against the clock if she wants to get her story in tomorrow's newspaper—it's almost time to send it to the publisher!*

race against time **1.** noun An attempt to accomplish something in a short amount of time. *It was a race against time to put out the fire before it spread to the neighboring properties.* **2.** verb To act quickly to accomplish something in a short amount of time. *Jen's going to have to race against time if she wants to get her story in tomorrow's newspaper—it's almost time to send it to the publisher!*

race out of the traps To begin something with great speed, energy, and/or intensity. *The home team raced out of the traps against their competition in an attempt to gain an early advantage. Reporters came racing out of the traps with their questions as the disgraced senator exited the courtroom after the verdict.*

rack and ruin See [wrack and ruin](#).

rack off Get out of here; go away; get lost. Primarily heard in Australia. *Listen, I don't want to buy any, so why don't you just rack off and leave me alone! Rack off, Jerry! I'm sick of your foolishness.*

rag-chewing Discussion, chatting, conversation, etc., especially that which is drawn out or continued at tedious length. *Please turn the radio to a different channel—listening to this rag-chewing is putting me to sleep.*

rag the puck **1.** In ice hockey, to attempt to run out the remaining time in a game by maintaining possession of the puck for as long possible. *The team is notorious for ragging the puck whenever they take the lead.* **2.** By extension, to stall, postpone, or otherwise cause a delay by deliberately engaging in time-wasting activities. Primarily heard in Canada. *Activist groups are claiming that the government has ragged the puck in relation to legislation that would better protect the environment. Quit ragging the puck,*

John, and make a decision already!

rags-to-riches adjective (used before a noun) Characterized by a rise from poverty to great or exceptional wealth. *My uncle's is a true rags-to-riches story: he grew up without a penny, but through sheer determination, he founded his own company and is now one of the wealthiest men in the state.*

ragtag and bobtail The lowest social class; the common people. *You must be joking—a person of my social status can't eat with the ragtag and bobtail at a fast-food place!*

rain-off An event that has been or will be canceled due to inclement weather. Primarily heard in UK. *Spectators are to be aware that there will be no refunds issued in the event of a rain-off. I was really looking forward to the football match this weekend, but it turned out to be a rain-off.*

rained off See [be rained off](#).

rained out See [be rained out](#).

rainout An event that has been or will be canceled due to inclement weather. *Spectators are to be aware that there will be no refunds issued in the event of a rainout. I was really looking forward to the football match this weekend, but it turned out to be a rainout.*

raise a red flag To offer a sign or signal indicating potential, incipient, or imminent danger or trouble. *Didn't the fact that your accountant used to be a drug dealer raise a red flag or two when you started doing business with him? Well, it definitely raised a red flag when he got so angry at me over such a minor thing, but I never thought he could be so unreasonable to live with!*

raise an eyebrow To show confusion, surprise, concern, or disapproval, either literally (often by actually raising an eyebrow) or figuratively. *When I told my mom how much money we would need, she raised an eyebrow and asked me to add it up again. You need to stop coming in late every day—the boss is starting to raise an eyebrow. My grandmother definitely raised an eyebrow when I stopped going to church.*

raise (one's) consciousness To increase one's awareness or understanding of one's own needs or the needs of others. *Traveling abroad really raised my consciousness about the plight of the poor around the world.*

raise (one's) hackles To greatly irritate, annoy, or aggravate one. *The disrespect he showed our professor during class raised my hackles so badly that I had to go take a walk to calm down. The politician has a gift for raising his opponents' hackles during debates.*

raise (one's) hand Literally, to hold one's hand in the air. This phrase is typically used in academic settings, as students raise their hands to indicate that they want to answer or ask a question. *Don't yell out the answers, raise your hands! I do raise my hand in class, mom, but the teacher never calls on me!*

raise the alarm 1. Literally, to activate an alarm. *I think I see smoke coming from the warehouse. Someone run upstairs and raise the alarm!* 2. To alert other people about something dangerous, risky, or troublesome. *A number of top economic advisors tried to raise the alarm before the economic crash, but no policy makers seemed to heed their warnings.*

raise the bar To raise the standards of quality that are expected of or required for something. *Since higher education became available to a greater number of people, businesses have increasingly been raising the bar for entry-level employees.*

raise the curtain (on something) 1. To begin or commence (something). *It's time to raise the curtain on this new project, everyone, so let's not waste any time! After a few delays, the construction crew was finally ready to raise the curtain.* 2. To make (something) publicly known; to reveal or disclose the truth (about something). *In an attempt to head off a public relations disaster regarding his acceptance of donations, the governor decided to raise the curtain at a press conference.*

raise the specter of (something) To make people aware of or worry about something unpleasant, dreadful, or terrifying. Primarily heard in US. *The sudden dip in stock prices has raised the specter of another global recession with some investors. Throughout the Cold War, politicians raised the specter of Communism and the Iron Curtain over anything they thought to be "un-American."*

raise the white flag To indicate one's surrender, defeat, or submission. *All right, I raise the white flag—you win the game. That attack totally decimated us, and we were forced to raise the white flag.*

raised by wolves A set phrase said of one who seems particularly uncouth and/or socially inept. *Why are you eating spaghetti with your hands? Were you raised by wolves? He's so rude, it's like he was raised by wolves!*

raised in the world See [rise \(up\) in the world](#).

rake-off Profits made from a transaction, usually in an inappropriate, illegal, or dishonest way. *The mayor quickly resigned after it was discovered he was taking a rake-off from the local cartel's drug sales.*

rake over old coals To revisit, dredge up, or talk about something that happened in the past, especially that which is unpleasant. Primarily heard in UK. *Now, now, there's no need to rake over old coals, that disagreement happened a long time ago.*

rake over the ashes To revisit, bring up, or spark the memory of something that happened in the past, especially something unpleasant. Primarily heard in UK. *Now, now, there's no need to rake over the ashes, that disagreement we had happened a long time ago.*

rake (something) together To accumulate from various sources, especially in small amounts of increments. (Often said of money.) *I'm trying to rake enough funds together to go on a trip to Florida this summer. There's no way you'll be able to rake together the votes necessary to pass this amendment.*

random number A number selected without any criteria, often by some sort of generator, such as a computer program. *Don't worry, we're not choosing the winner ourselves—we'll draw a random number to determine who wins.*

rang her bell See [ring \(someone's\) bell](#).

rap across the knuckles A quick, minor punishment that serves as a warning. *The public was outraged that the company only received a rap across the knuckles from the EPA after being caught illegally dumping chemicals in the river.*

rap on the knuckles A quick, minor punishment intended to serve as a warning. *The public was outraged that the company only received a rap on the knuckles from the regulatory agency after being caught illegally dumping chemicals in the river.*

rap over the knuckles A quick, minor punishment intended to serve as a warning. *The public was outraged that the company only received a rap over the knuckles from the regulatory agency after being caught illegally dumping chemicals in the river.*

rap sheet A list of a person's criminal history. *The suspect had a rap sheet a mile long due to his numerous run-ins with the police.*

rare as a hen's tooth See [\(as\) rare as hens' teeth](#).

rare as rocking horse crap See [\(as\) rare as rocking horse crap](#).

rare as rocking horse poo See [\(as\) rare as rocking horse poo](#).

rare as rocking horse shit See [\(as\) rare as rocking horse shit](#).

rarely ever Nearly never; very infrequently; only on a few or rare occasions. *We used to go visit Grandma and Grandpa every year when I was a kid, but nowadays, I rarely ever see them. I rarely ever get the chance to go out to the movies alone since having kids.*

rarer than hens' teeth Incredibly scarce or rare; extremely difficult or impossible to find. *Support for the president is rarer than hens' teeth in this part of the country.*

rat fink **1.** One who is regarded as a traitor for reporting criminal activity to the police. Primarily heard in US. *The gang was determined to find the rat fink who told the police about their illegal activities.* **2.** An unpleasant person. *Mike is such a rat fink that I can't even stand being in the same room as him.*

rat race **1.** A fierce competition for success, wealth, or power. *The company's environment felt like a rat race—employees were constantly sabotaging each other to climb the corporate ladder.* **2.** A busy, tiring routine. *Cathy was tired of the rat race and knew she needed to get a less stressful job.*

rat run A minor roadway, usually one that passes through a residential area, that is used as a bypass for drivers who wish to avoid traffic on larger roads or motorways. *The road works over on Broadway have made our street into a rat run, so be sure to keep a close eye on your kids with all these cars zipping by.*

rather you than me (set phrase) I'm glad that I don't have to experience what you just mentioned having to do or go through. A: "My boss

is making me come in this weekend to do an inventory of the entire store. It's going to take forever!" B: "Wow, rather you than me. I'm going to a baseball game this weekend!"

rattle through (something) To undertake to do or say something rather quickly, especially as a means of finishing as soon as possible. *We've only got a few more things to do before we can close up for the night, so let's just rattle through them and get the heck out of here. My boss rattled through the list of regulations so quickly that I couldn't even catch half of what he said!*

raw deal An unfair situation or poor treatment. *Mandy really got a raw deal at that job. They passed her over for so many promotions!*

ray of light **1.** Literally, a beam of light. *A ray of light warmed my face through the window. How can you read in here? There's hardly a single ray of light!* **2.** Someone or something that brings one joy and/or hope, especially in a challenging situation. *My daughter has been a real ray of light these days—I'm so glad to have her here as I fight this illness. After we moved, we got a puppy, which has been such a ray of light for the kids as they adjust to life in a new place.*

ray of sunshine Someone or something that makes others feel happy and positive, often during a difficult time. *My best friend was a real ray of sunshine when I was recovering from surgery.*

razor-sharp **1.** Literally, very sharp, like a razor. *Stand back, that tool is razor-sharp! Please be careful cutting those vegetables with such a razor-sharp knife.* **2.** Particularly clear, perceptive, and/or intelligent. *Victoria may seem quiet, but she always has these razor-sharp insights on the texts we're reading. The think tank is known for razor-sharp analysis of world affairs. A lot of people are funny, but she has razor-sharp wit.*

RBF rude slang An abbreviation for "resting bitch face," a perpetually angry or sullen look on one's face when it is "resting" or neutral (not intentionally making any expression). This phrase is typically only used to describe women. *I'm not mad, I just have RBF. She looks grumpy but she just has RBF. She's actually very approachable!*

reach a pretty pass To encounter or develop into a particularly difficult, troublesome, or bad state or situation. *Now don't spread this around, but I hear things have reached a pretty pass between Mark and his wife.*

Negotiations between management and the striking employees reached a pretty pass when the labor union rejected the company's latest deal.

reach for the moon To set one's goals or ambitions very high; to try to attain or achieve something particularly difficult. *My parents always taught me to reach for the moon when I was growing up—that I could be anything I set my mind to! With all that money, you could do whatever you want. Reach for the moon, kiddo!*

reach for the sky 1. To set one's goals or ambitions very high; to try to attain or achieve something particularly difficult. *My parents always taught me to reach for the sky when I was growing up—that I could be anything I set my mind to! With all that money, you could do whatever you want. Reach for the sky, kiddo!* **2.** A command for one to put one's hands up in a show of surrender, as during a robbery or an arrest. *Reach for the sky, MacAfee, we've got you surrounded!*

reach for the stars Don't limit yourself—aspire to achieve greatness, even if it seems impossible or impractical. *When choosing a career path, don't settle—reach for the stars!*

reach for the stars To set one's goals or ambitions very high; to try to attain or achieve something particularly difficult. *My parents always taught me to reach for the stars when I was growing up—that I could be anything I set my mind to! With all that money, you could do whatever you want. Reach for the stars, kiddo!*

read the fine print To make oneself aware of the specific terms, conditions, restrictions, limitations, etc., of an agreement, contract, or other document, which are often printed in very small type and thus easy to miss. *The terms of the loan look pretty good at face value, but be sure to read the fine print or you could find yourself in a heap of trouble down the line. I know reading the fine print can be tedious, but it's always important to know what you're getting yourself into.*

read the small print To make oneself aware of the specific terms, conditions, restrictions, limitations, etc., of an agreement, contract, or other document (often printed in very small type and thus easy to go unnoticed). *The terms of the loan look pretty good at face value, but be sure to read the small print, or you could find yourself in a heap of trouble down the line. I know reading the small print can be tedious, but it's always important to*

know what you're getting yourself into!

ready and willing Prepared and inclined to do something. *We'll be there, ornaments in hand, ready and willing to help you decorate! If you're going to join this firm, you have to be ready and willing to work long hours and weekends.*

ready cash Cash funds that are immediately available to spend. *It's good to invest your money, but you should also have some ready cash in case of emergency.*

ready for the knacker's yard In a state of ruin or failure due to having become useless or obsolete. Refers to a slaughterhouse for old or injured horses. *Once a booming industry, home video rental was ready for the knacker's yard as soon as the Internet became a common household utility.*

ready money Cash funds that are immediately at hand to spend. *I hear he has expensive taste, so if you're going to date him, be sure you've got plenty of ready money. Good thing his wife's family has plenty of ready money. I don't know how they could afford to raise a child otherwise.*

the real deal **1.** A person or thing who is genuinely superior or impressive in some regard and is therefore worthy of appreciation or respect. *Boy, that superstar lawyer they brought in is the real deal. She's the one who took down Big Oil in court! Wow, this Corvette is the real deal! I never want to drive another car again!* **2.** The bare truth or facts of a matter. *I'm in the middle of writing a book that gives people the real deal on the ties between elected officials and megacorporations.*

a real dilly Something or someone remarkable, excellent, or very entertaining. "Dilly," an American term from the early 1900s, possibly comes from the first syllable of the word "delightful" or "delicious." Primarily heard in US. *I tell you, she's a real dilly. Out at 6 a.m. for a run, getting the kids off to school at 7, then out to manage the firm at 8. That film last night was a real dilly, I couldn't stop thinking about it all night.*

a real dynamo Someone who has boundless energy, enthusiasm, determination, or ability. A dynamo (short for dynoelectric machine) was the first electric generator that could produce direct current for industrial purposes; the application of the term for a person implies that they are capable of creating a sustained force or productive energy. *Once she is set on*

a task, she never lets up. She's a real dynamo on the job.

a (real) frog-choker A particularly heavy or torrential downpour of rain. (Chiefly heard in the southern United States.) *It's a real frog-choker out there today—looks like we'll have to have our barbecue another day. There's no way I'm biking to work in a frog-choker like this!*

a (real) frog-strangler A particularly heavy or torrential downpour of rain. (Chiefly heard in the southern United States.) *It's a real frog-strangler out there today—looks like we'll have to have our barbecue another day. There's no way I'm biking to work in a frog-strangler like this!*

a real howler 1. A mistake, error, or blunder that causes great laughter at the expense of the person who commits it, i.e., one that results in "howling" laughter. *Do you remember when John actually slipped on a banana peel? That was a real howler.* **2.** An extremely funny joke, anecdote, or remark that results in "howling" laughter. *Boy, Jerry sure knows some real howlers. I thought my sides were going to split I was laughing so hard.*

a real live one See [a live one](#).

real men don't eat quiche A phrase that highlights the belief that men should eat meat and other traditionally masculine foods, rather than more delicate foods like quiche (a savory pie-like dish made from eggs). *Come on, real men don't eat quiche! How about a nice steak instead?*

real time 1. noun The present time, or nearly so. The term is used in applications in which some kind of result or imagery is displayed simultaneously (or nearly simultaneously) with when it is occurring. *The images you're seeing are in real time—this is a live broadcast.* **2.** adjective (often hyphenated) Immediate or nearly immediate; present and completely up-to-date. *Don't worry, we can get real-time information on the other flights that are available.*

real time See [in real time](#).

a (real) toad-choker A particularly heavy or torrential downpour of rain. (Chiefly heard in the southern United States.) *It's a real toad-choker out there today—looks like we'll have to have our barbecue another day. There's no way I'm biking to work in a toad-choker like this!*

a (real) toad-strangler A particularly heavy or torrential downpour of rain. (Chiefly heard in the southern United States.) *It's a real toad-strangler*

out there today—looks like we'll have to have our barbecue another day. There's no way I'm biking to work in a toad-strangler like this!

rearrange (the) deckchairs on the Titanic To partake in or undertake some task, activity, or course of action that will ultimately prove trivial or futile in its possible effect or outcome. Primarily heard in UK, Australia. *For all his blustering about overhauling the education system, the prime minister might as well have been rearranging the deckchairs on the Titanic for all the good these proposals will do. You're applying for arts council funding? Why don't you just rearrange deckchairs on the Titanic while you're at it?*

reasonable person In law, a hypothetical person against which the defendant's actions in a case are judged. The goal is to determine whether or not a "reasonable person" would act as the defendant did. *Any reasonable person would have done the same thing my client did in that situation, and you know it!*

rebound relationship A romantic relationship that one begins, often as a means of distraction, while still recovering from the end of a different relationship. *Oh, Peggy doesn't really love that guy—she's just in a rebound relationship so that she doesn't feel so heartbroken about Pat leaving her.*

receive a sneck posset See [sneck posset](#).

receive (one's) just deserts To receive that which one deserves, especially a punishment or unfavorable outcome. (Note: The phrase is often misspelled as "just desserts," due to the pronunciation of "deserts" and "desserts" being the same in this context.) *The CEO cheated his clients out of nearly \$4 million, but he received his just deserts when he was stripped of everything he owned and sent to prison.*

receive the fright of (one's) life To experience an extreme and sudden sensation of shock, surprise, or fear. *I received the fright of my life when I noticed someone standing right behind me. Mary received the fright of her life as the car ahead of her swerved across traffic.*

Received Pronunciation An accent of British English derived from that of the British upper class in the early 20th century. It is commonly used in public broadcasting, as well as in schools such as Oxford and Cambridge. *If you want people to take you seriously, you need to lose your country accent and adopt the Received Pronunciation. Studying at Cambridge has caused*

me to start speaking in the Received Pronunciation.

reck (one's) own rede To trust in and use one's own advice. "Reck" means "to heed," while "rede" means "advice"; both are archaic words. A: *"I have told my sister to question men she deems untrustworthy."* B: *"Then, my lady, if you do not trust Sir Walton, I think you need to reckon your own rede and confront him."*

reckless abandon See [with reckless abandon](#).

reckon without (one's) host To plan without taking into account all the necessary or important factors or people. It was originally used to describe one who did not consult one's host, such as an innkeeper, when calculating one's lodging expenses. A: *"You made plans for Mother's Day without even asking your mom what she wants to do?"* B: *"I know, I really reckoned without my host on that one."*

red as a beetroot Blushing, usually from embarrassment. *I was red as a beetroot when the teacher made me speak in front of the whole class. Oh, Mike definitely likes you—he turns red as a beetroot every time you're around!*

red cent The smallest possible amount of money. Primarily heard in US. *I worked all of that overtime and never received a red cent for my efforts.*

red dog In American football, a defensive tactic in which the offensive player who receives the ball from the snap (usually the quarterback) is charged at by multiple defensive players; a blitz. *The quarterback has been sacked again after another suffocating red dog by the defense.*

red-face test A hypothetical test meant to measure whether or not some question or thing provokes discernible embarrassment, discomfiture, or displeasure in a person. *The old red-face test is a simple but subtle way of telling which employees are the most honest and work the hardest. Well, my proposal didn't pass the red-face test with the boss. I guess we can kiss that idea goodbye.*

red-faced 1. Blushing from embarrassment. *I was completely red-faced when the teacher made me speak in front of the whole class. Oh, Mike definitely likes you—he gets red-faced every time you're around!* **2.** Having a rosy complexion due to strenuous activity. *When I got home from school, I found my father all red-faced and yelling at my brother. I was red-faced after*

lugging that armchair into the house all by myself.

red flag A sign or signal indicating potential, incipient, or imminent danger or trouble. *There are a couple of red flags you need to look out for to make sure your company stays in the black. Well, it definitely raised a red flag when he got so angry at me over such a minor thing, but I never thought he could be so unreasonable to live with!*

red-flag term A word that is particularly offensive or controversial and thus sparks an immediate emotional reaction. The phrase may reference the red flag because it is the tool traditionally used by matadors to aggravate bulls. *How dare you say a red-flag term like that to me, your own mother! Please don't say any red-flag terms at this dinner party.*

a red flag to a bull A willfully infuriating or aggravating provocation; something that incites great anger or annoyance. An allusion to matadors' practice of waving red flags at a bull during a bullfight, though the color of the flag actually makes no difference to the animal. *John's gone to gloat about his success over his brother, which is a red flag to a bull if I've ever seen one. You do realize that bringing your new girlfriend to your ex-wife's house is like a red flag to a bull, right?*

red herring Something irrelevant that diverts attention away from the main problem or issue. *The candidate used the minor issue as a red herring to distract voters from the corruption accusations against him. The mystery writer is known for introducing red herrings to arouse the reader's suspicion of innocent characters.*

red-letter day A very important or significant day. *My college graduation was a real red-letter day for my whole family.*

red light **1.** noun On a traffic light, the color that means "stop." *I pulled up to the red light and stopped the car. Please be careful driving out there—people are maniacs and don't even stop at red lights!* **2.** noun A message or signal to stop. *I'm really not interested in dating Rob, and I thought I gave him a red light, but he keeps pursuing me nonetheless.* **3.** adjective (often hyphenated) Indicative of a brothel (due to the practice of using red lamps to show that an establishment is a brothel). *Be careful if you venture into the red-light district, there are a lot of shady characters there.*

red man An offensive term for a Native American, or Native Americans in general.

red meat Any meat that is red when raw. The phrase is perhaps most often used to describe beef. *I tried to be a vegetarian, but I missed eating red meat too much. I know that your brother doesn't eat red meat, so I'm grilling hamburgers for us and chicken for him.*

red meat rhetoric Rhetoric used by campaigning politicians that is forceful and poignant, as will excite or inflame their supporters. *The incumbent president, who has so far been somewhat lackluster this campaign delivered a blistering speech last night filled with red meat rhetoric.*

red mist A state of extreme anger, excitement, or competitive arousal, such as might cloud one's judgment or senses. Primarily heard in UK. *Their striker isn't the most consistent player on the pitch, but once he sees the red mist, you had better get out of his way. I'm not sure what happened. I was at the pub having a pint, and then someone insulted me, and I guess the red mist must have descended, because, the next thing I knew, I was being dragged away with bloodied knuckles.*

the red mist descends To fall into a state of extreme anger, excitement, or competitive arousal, such as might cloud one's judgment or senses. Primarily heard in UK. *Their striker isn't the most consistent player on the pitch, but once the red mist descends, you had better get out of his way. I'm not sure what happened. I was at the pub having a pint, and then someone insulted me, and I guess the red mist must have descended, because, the next thing I knew, I was being dragged away with bloodied knuckles.*

a red rag to a bull A willfully infuriating or aggravating provocation; something that incites great anger or annoyance. An allusion to matadors' practice of waving red flags at a bull during a bullfight, though the color of the flag actually makes no difference to the animal. *John's gone to gloat about his success over his brother, which is a red rag to a bull if I've ever seen one. You do realize that bringing your new girlfriend to your ex-wife's house is like a red rag to a bull, right?*

red sky at night, shepherd's delight A red sky at sunset is a sign that good weather will follow. The full phrase is "Red sky at night, shepherd's delight; red sky in the morning, shepherd's warning." *I think we're going to have a nice sunny day tomorrow. Look at that sunset—red sky at night, shepherd's delight.*

red sky in the morning, shepherd's warning A red sky at

sunrise is a sign that bad weather will follow. The full phrase is "Red sky at night, shepherd's delight; red sky in the morning, shepherd's warning." *I think we're going to get a bad storm today. Look at that sunrise—red sky in the morning, shepherd's warning.*

red state In U.S. general elections, a state that votes by majority for candidates belonging to the Republican Party. *This is a firmly entrenched red state, so Democratic campaigners don't waste a whole lot of time or money trying to persuade us to vote for them.*

red wine Wine that is red in color from the dark-colored grapes used to make it. Types of red wine include Merlot and Cabernet Sauvignon. *What kind of red wine are you serving tonight? I'll have a glass of the red wine, thank you.*

redd up (chiefly Midwestern United States) To clean or tidy up; to empty or clear out (something or some space). Primarily heard in US. *When we were growing up, we were all expected to help redd up after each meal. I'll be spending this weekend redding up the garage.*

redeem (one)self To make amends for one's past misdeeds or shortcomings by doing something positive. *Matt's grades were not great at the beginning of the semester, but he's totally redeemed himself and gotten A's on every test since. My sister was mad at me for not spending time with her, so I redeemed myself by getting us tickets to see her favorite band.*

redeye An overnight flight that arrives at its destination very early in the morning. Primarily heard in US. *My original flight was cancelled, so I caught the redeye back to Philadelphia and got in at 4 in the morning.*

reduce (something) to rubble To completely destroy something, either literally or figuratively. *The tornado reduced whole towns to rubble. Being rejected by that famous director totally reduced my confidence to rubble.*

refrigerator mother A mother who is especially cold and distant toward her children. The "refrigerator mother" was once seen as a contributing factor in autistic children. *I'm really trying to be more affectionate to my children, so as to not be seen as a refrigerator mother.*

regular brick A good-natured, dependable man. *Oh, Earl will certainly help you with that—he's a regular brick.*

reign of terror A period of oppression by a hostile ruler. Sometimes used hyperbolically. *The people could only tolerate the dictator's reign of terror for so long before they started a revolution. Is mom finished with her reign of terror, or do we have to keep cleaning the house every weekend?*

reign supreme To be the best or most influential thing in a particular area or era. *France's fashion houses still reign supreme today. Disco music reigned supreme in the 1970s.*

remain in touch To maintain contact with another person, especially at intervals so as to stay up to date with each other's lives. *My old high school friends and I tried remaining in touch after we graduated, but we all started drifting apart once college got underway. Now, make sure you remain in touch, OK? I want to hear all about your time in Paris!*

remain to be seen To not yet be clear, certain, or known. *We can see for ourselves the disaster's immediate impact, but the long-term environmental effects remain to be seen. Of course, it remains to be seen whether the president's popularity on other issues will carry over into this more controversial endeavor.*

Renaissance man One who possesses skills and knowledge in many different areas. *Bob can fix cars, repair computers, and talk about anything from physics to philosophy. He's an all-around Renaissance man.*

rent boy A boy or young man who is a prostitute. Primarily heard in UK. *The young man was taken from his parents and forced to work overseas as a rent boy.*

respice finem A Latin phrase meaning "look to the end." *Don't make an impulsive decision that will hurt you later—respice finem.*

rest on (one's) oars To relax after achieving a goal or doing a physically strenuous activity (such as rowing, as the phrase suggests). *I know you're happy to have won the election, but you can't just rest on your oars—you need to start planning your first act as class president now. After painting all morning, I had to rest on my oars for a bit before I moved on to the next room.*

rest (squarely) on (someone's) shoulders To be or become the sole responsibility of someone. *I never intended for the company's well-being to rest on your shoulders, but you're the only one who can take over for me*

while I'm ill. With my father gone, putting food on the table for the family rests now squarely on my shoulders.

resting bitch face rude slang A perpetually angry or sullen look on one's face when it is "resting" or neutral (not intentionally making any expression). This phrase is typically only used to describe women. *I'm not mad, I just have resting bitch face. She looks grumpy but she just has resting bitch face. She's actually very approachable!*

return to form 1. noun A restoration to a previously established standard of excellence or brilliance. *This latest film marks a welcome return to form for the beloved filmmaker, whose more recent films have fallen well below the expectations of critics and fans alike.* 2. verb To return to a previously established standard or state of excellence or brilliance. *The president definitely returned to form in the debate last night, much to the joy (and relief) of her supporters.*

return to (one's) muttons antiquated To return to a given topic or subject that one is discussing, explaining, ruminating over, talking about, etc. Taken from a humorous translation of the French idiom "revenons à nos moutons" (literally, "let us return to our sheep," which has the same meaning), which itself came from the medieval play *La Farce de Maître Pathelin*. *The constable, frustrated with the drunkard's rambling explanation, bade him return to his muttons. But I have strayed off course from the lecture, so let us return to our muttons before we run out of time.*

reveal (one's) (true) colors To reveal what one really believes, thinks, or wants; to act in accordance with one's real personality, character, or disposition. Primarily heard in US. *Dave said all along that he only wanted this deal because it was in the company's best interest, but he revealed his true colors once he realized that he wouldn't get any special commission for his efforts. It's only in times of crisis that your friends will really reveal their colors.*

reveal (one's) (true) stripes To reveal what one really believes, thinks, or wants; to act in accordance with one's real personality, character, or disposition. (A less common variant of "show one's (true) colors.") *Dave said all along that he only wanted this deal because it was in the company's best interest, but he revealed his true stripes once he realized that he wouldn't get any special commission for his efforts. It's only in times of crisis that your*

friends will really reveal their stripes.

revolving door A cycle in which employees do not remain in a position for more than a short amount of time before they leave, thus requiring the position to be filled frequently. Likened to a revolving door in front of a building where people can come and go at the same time. Primarily heard in US. *Because public sector jobs typically cannot pay as much as private sector jobs, many positions become revolving doors.*

revolving door syndrome 1. In psychiatry, a patient's pattern of repeated admissions to psychiatric facilities. *Since Penny is back here yet again, we need to devise a different treatment plan for her, to try and stop this revolving door syndrome.* **2.** The behavior exhibited by adult children who can no longer afford to live on their own and thus return home to live with their parents. *My son is living with me once again and, given his disinterest in steady employment, I doubt this revolving door syndrome will ever end!*

rhyme off To quickly articulate a litany of things or recite the items of a list. *When asked if we had any baby names in mind, Sarah started rhyming them off one after the other. I then rhymed off a list of things that needed to be changed or improved if the company wished to survive.*

rhyme or reason The particular logic, sense, method, or meaning of a given situation, action, person, thing, group, etc. (Most often used in negative formations to indicate an absence or lack thereof.) *Could someone please explain to me the rhyme or reason behind the program's selection process? I've looked over it several times, but there's no rhyme or reason to the agreement we were sent this morning.*

rich seam A multifaceted topic that provides a lot of interesting material for discussion or writing. *Judy's childhood experiences were a rich seam for her as she wrote her first novel.*

Richard Roe In legal proceedings, the name given to the second male whose identity is unknown or protected (as "John Doe" would be the name assigned to the first such male). *I'm researching Richard Roe's case right now.*

rickle o' banes A Scottish phrase used to describe someone who is extremely thin. A "rickle" is a group of something, while "banes" are bones. *You've just become a rickle o' banes during your time abroad, so I'm going to*

make all of your favorite meals now that you're home.

rickroll To provide Internet users with a seemingly legitimate link that redirects to the music video for Rick Astley's 1987 song "Never Gonna Give You Up." *I thought I was reading a reliable source until I was rickrolled. Now "Never Gonna Give You Up" is stuck in my head!*

rid out (chiefly Midwestern United States) To clean, empty, or clear out (something or some space). Primarily heard in US. *You've got to learn to rid out some of these negative thoughts you've been having, and make room for some positive emotions. I'll be spending this weekend ridding out the garage.*

rid up (chiefly Midwestern United States) To clean or tidy up; to empty or clear out (something or some space). Primarily heard in US. *When we were growing up, we were all expected to help rid up after each meal. I'll be spending this weekend ridding up the garage.*

a riddle wrapped in an enigma That which is so dense and secretive as to be totally indecipherable or impossible to foretell. It is a shortened version of a line used by Winston Churchill to describe the intentions and interests of Russia in 1939: "I cannot forecast to you the action of Russia. It is a riddle, wrapped in a mystery, inside an enigma; but perhaps there is a key. That key is Russian national interest." Many versions, variations, and appropriations of the quote, its structure, and its meaning have since been in use. *I can't make any sense of this calculus textbook, it's like a riddle wrapped in an enigma. I just don't have any idea what Mary expects from me; she's a riddle wrapped in an enigma.*

a riddle, wrapped in a mystery, inside an enigma That which is so dense and secretive as to be totally indecipherable or impossible to foretell. It is from a line used by Winston Churchill to describe the intentions and interests of Russia in 1939: "I cannot forecast to you the action of Russia. It is a riddle, wrapped in a mystery, inside an enigma; but perhaps there is a key. That key is Russian national interest." Many versions, variations, and appropriations of the quote, its structure, and its meaning have since been in use. *Political campaigns make my head hurt. They're just a riddle, wrapped in a mystery, inside an enigma.*

ride on a rail To be punished harshly, often publicly, and perhaps culminating in exile. The phrase originally referred to a punishment in which a wrongdoer was paraded around town on a rail and then exiled. *Now that*

this scandal is public knowledge, I'm afraid that I'm going to ride on a rail before it's all over.

ride (on) a wave of (something) To enjoy the advantage of or continue to benefit from a situation that is successful, fortunate, trendy, etc. *Jonathan has been riding a wave of celebrity ever since he was cast in the leading role for the new blockbuster. The popular Internet artist has ridden a wave of support from her fanbase to launch an incredibly successful crowdfunding campaign for a new project.*

ride on (one's) coattails To benefit from someone else's success; to use someone else's success as a means to achieve one's own. *Everyone knows you've been riding on the governor's coattails for the last two years, but once her term ends you'll be on your own. Jonathan rode on the famous professor's coattails to get some recognition for his own work from several esteemed academic journals.*

ride (on) the coattails of (someone) To benefit from someone else's success; to use someone else's success as a means to achieve one's own. *Everyone knows you've been riding on the coattails of the governor these last two years, but once her term ends, you'll be on your own! Jonathan rode the coattails of his professor to get some recognition for his own work in several esteemed academic journals.*

ride (on) the wave (of something) To enjoy the advantage or benefit of a particularly successful, popular, fortunate, interesting, etc., moment or period of time. *Jonathan has been riding the wave of his sister's celebrity ever since she was cast in that blockbuster film series. The popular Internet artist has ridden the wave of support from her fan base to launch an incredibly successful crowd funding campaign for a new project. Ever since I won the lottery, everybody has been really friendly to me, and I've just been riding the wave ever since!*

ride (one's) hobby-horse To frequently or incessantly talk or complain about a subject, topic, or issue in which one is excessively interested. *Ah, here we go again. Once grandpa starts riding his hobby-horse about the government, there's no stopping him!*

ride (one's) luck To find success through fortune or chance rather than through one's own agency or risk-taking. (Used especially in reference to sporting events.) Primarily heard in UK. *Cheltenham has been riding their*

luck lately, winning their last two games on penalty kicks alone, but they'll need to step up their game if they hope to have a place in the championship.

ride or die noun One's closest, most reliable or trustworthy friends. *Liz is my ride or die—I can totally count on her to be there for me in any situation.*

ride-or-die chick slang A very devoted romantic partner. *I know my girl will be waiting for me when I get out of rehab because she's just a ride-or-die chick.*

ride roughshod over (someone or something) To treat someone or something with marked disdain, brutality, or contempt; to act without regard for the wellbeing of something or someone. *In her ascent to the top of the political ladder, the senator rode roughshod over anyone who stood in her way. The new management team has ridden roughshod over the projects that we've been planning for months.*

ride shanks' mare To walk. "Shanks" refers to one's legs. *The store is close enough that we don't need to drive, we can just ride shanks' mare.*

ride (someone's) ass 1. To frequently or constantly harass, nag, or upbraid someone to do, accomplish, or complete something. *The boss is riding everyone's ass to get the project finished by next week. Quit riding my ass, I'll get it done eventually!* 2. To tailgate, i.e. to follow unnecessarily closely behind another vehicle while driving. *I wish that trucker wouldn't ride my ass down this hill.*

ride (someone's) back To frequently or constantly harass, nag, or upbraid someone to do, accomplish, or complete something. *The boss is riding everyone's back to get the project finished by next week. Quit riding my back, I'll get it done eventually!*

ride (someone's) butt To frequently or constantly harass, nag, or upbraid someone to do, accomplish, or complete something. *The boss is riding everyone's butt to get the project finished by next week. Quit riding my butt, I'll get it done eventually!*

ride tall in the/(one's) saddle To be or remain proud, stoical, or august in one's manner or composure. *Even after two years of a losing war, the general still rode tall in his saddle before his troops. I'll have nothing to do with your schemes or plot. One day, you're going to be locked up and lose everything, and I'll be riding tall in the saddle when you do.*

ride the pine In sports (especially baseball), to remain sitting on the bench, rather than be an active participant in the game. Primarily heard in US. *I'm not going to play next year if coach makes me ride the pine again this season. I rode the pine for the rest of the game after I pulled my hamstring sliding to first base.*

ride the rail(s) To travel on a vehicle mounted on rails (especially a train or streetcar). *I know it takes a lot longer than flying, but I love riding the rail from Portland to Vancouver. People often romanticize riding the rails across the country as hobos did during the Great Depression, but I doubt many would actually find much pleasure in it.*

ride with the punches 1. Literally, in martial arts (especially boxing), to maneuver one's body away from a blow so as to lessen the force of its impact. *He's not the most aggressive fighter—instead, he relies on his endurance and skill, riding with the punches to wear down his opponent until the best moment to strike.* 2. By extension, to adapt to setbacks, difficulties, or adversity so as to better manage or cope with their impact on one's life. (Note: This phrase is a less common variant of the phrase "roll with the punches," which carries the same literal and figurative meanings.) *Losing my job was really tough, but I've just been trying to ride with the punches until I get back on my feet. I learned that my grandfather passed away right before my final exams in college, but I just rode with the punches and did the best that I could.*

riffraff Undesirable, disreputable, or vulgar people, often used in a condescending manner. *I wouldn't be seen in a place like that, there's a lot of riffraff that hang out around there.*

rifle approach In business, a marketing strategy in which a very narrow, focused, or selective group, demographic, or population is targeted or advertised to. *Our competitors have been drawing away a large proportion of the market share of teenaged customers, so our next marketing campaign is going to have a rifle approach to get them back.*

a rift in the lute A small problem or flaw in something that jeopardizes the whole. *I hope this bit of rust isn't a rift in the lute and doesn't end up damaging the whole paint job.*

rig out 1. To fit, fasten, or equip (with something). *Tom just bought a new motorcycle that's been rigged out with a super powerful engine. I'm planning*

on rigging out my computer with a new processor and some extra memory once I save up a bit of money. **2.** To clothe or be dressed, especially in a fancy or fashionable attire. *Well, it looks like Jeremy rigged out nicely for the prom. I've got to get home and rig out before our big date tonight.*

right as a trivet See [\(as\) right as a trivet](#).

right as ninepence See [\(as\) right as ninepence](#).

right back at you An exclamation used to express the same sentiment back to the original speaker; same as "you too" and "same to you." Primarily heard in US, South Africa. A: *"You're one of the nicest people I know."* B: *"Aw, thanks! Right back at you!"* A: *"You act like an idiot sometimes."* B: *"Right back at you, you jerk."*

right back atcha An exclamation used to express the same sentiment back to the original speaker; same as "you too" and "same to you." ("atcha" is a colloquial contraction of "at you.") Primarily heard in US, South Africa. A: *"You're one of the nicest people I know."* B: *"Aw, thanks! Right back atcha!"* A: *"You act like an idiot sometimes."* B: *"Right back atcha, you jerk."*

right foot foremost Indicative of positive or favorable start. The phrase derives from a Roman superstition that one should enter a room with one's right foot first, so as to ensure good luck. *In an effort to put my right foot foremost this semester, I've already begun to research for my thesis.*

the right hand doesn't know what the left hand is doing One part of an organization or group does not know what the others are doing. *I thought I was supposed to order shirts for the family reunion, but now I hear Aunt Jean did that already. This just proves that we need to have a family meeting—the right hand doesn't know what the left hand is doing! We both scheduled meetings in the conference room at the same time because the right hand doesn't know what the left hand is doing.*

right now At this moment in time; immediately. *I need the money right now. The delivery guy is at the door. I told you to clean your room right now. Not in an hour, not tomorrow—right now!*

right off Immediately; at once; without delay. *Right off, I could tell that the plan had no chance of success. Sarah's parents took to her new girlfriend right off.*

right royal 1. Very fine, enjoyable, or excellent. Primarily heard in UK. *I*

can't wait for Friday—we're going to have a right royal night out on the town. It meant a lot to me that my parents put out such a right royal welcome for me when I came home from university. **2.** Absolute; utter; extreme. Primarily heard in UK. *This course I started last month is a right royal pain in my arse. Well, this is a right royal mess you've found yourself in, eh Bob?*

right spot at the right time See [be in the right spot at the right time](#).

right through like a dose of salts See [go \(right\) through \(one\) like a dose of salts](#).

right to life **1.** noun The belief that every human being has the right to live. The phrase is often used in discussions of war, abortion, and capital punishment, among other topics. *I believe in the right to life, and I'm not going to debate that with you, since you clearly support legalized abortion. How can we claim to believe in the right to life and also support the war effort?* **2.** adjective (often hyphenated) Holding such beliefs. *Yes, I am a member of a right-to-life group, as that cause is very important to me. The right-to-life issues are always the ones that trip up politicians.*

right to work **1.** noun The right of anyone who wants to work to not be prevented from obtaining employment. *They can't block you from applying for that job—you have the same right to work as anyone else!* **2.** adjective (often hyphenated) Relating to laws that prohibit employers from requiring their employees to join a union. Primarily heard in US. *They can't bully you into joining a union—that's what right-to-work laws are for.*

right up her street See [\(just/right\) up \(one's\) street](#).

(right) up (one's) alley Ideally suited to one's interests. *Anna loves watching movies, so I'm sure she'll go to the film festival with you—that's right up her alley.*

(right) up there with (someone or something) Equal in some way to another thing. *Oh, chocolate mousse is right up there with my favorite desserts. Going to a town hall meeting is right up there with getting a root canal, as far as I'm concerned.*

rim job vulgar slang The sexual stimulation of one's anus by another.

ring (someone's) bell **1.** To strike someone with a violent blow to the head, especially as might stun or concuss. *I would have rung that guy's bell if I knew he had been trash-talking you. Sarah's likely to ring your bell if you*

keep harassing her like that. **2.** To be enjoyable, preferable, or satisfactory to someone; to be or provide something that someone wants. A: "How's that new book you're reading?" B: "Eh, it isn't really ringing my bell, to be honest." I'd rather go see the action movie, if that's all right. Dramas just don't ring my bell. **3.** To sexually attract or arouse someone; to bring someone sexual gratification or satisfaction. That redhead from across the bar has been ringing my bell all night. He looks mighty fine, all right. I'd like to take him home and ring his bell!

ringside seat **1.** Literally, a front-row seat next to a boxing ring (thought to be the best place to watch the match). Wow, you got ringside seats to that fight? They must have cost thousands! **2.** By extension, a place in close proximity to a certain situation or event. I unexpectedly had a ringside seat when a fight broke out at the bar. Living near this forest my whole life, I've had a ringside seat to witness the change in the population of birds.

rip-off A bad deal; a fraudulent business or transaction. I can't believe I spent so much on this blender, and it's already broken. What a rip-off! I heard on the news that the charity is a rip-off, so don't send them any money.

rip-off merchant One who cons or otherwise deceives people. I wouldn't play cards against him if I were you—he has a reputation as a rip-off merchant.

rip-snorting mad Extremely angry and agitated; infuriated. My mom was rip-snorting mad when I came home drunk at 2 AM. You've got to learn to stay out of the boss's way when he gets rip-snorting mad like that.

rip (someone or something) to shreds **1.** To criticize, upbraid, or condemn someone or something severely or thoroughly. A: "Have you heard anything about this movie we're about to see?" B: "Well, one reviewer ripped it to shreds, but I still think it's going to be great." I hear John's bosses ripped him to shreds at his annual performance review. **2.** To cause great damage, disorder, or ruin to someone or something. Enjoy the tranquility and order of your house now because soon, your kids will start ripping the place to shreds. Sarah's very first opponent in amateur boxing ripped her to shreds, but that's how it goes for most novice fighters.

ripe for the picking See [be ripe for the picking](#).

ripen up To grow ripe; to become mature enough to harvest or pick. Make sure you plant your tomatoes in a spot that gets plenty of sunshine, or else it

will take a whole lot longer for them to ripen up.

ripple effect The continuing impact that one thing or event has on others. *She always hoped that the kindness she showed others would have a positive ripple effect through her community. Many people believe that the flapping of a butterfly's wings can cause a ripple effect that impacts weather patterns hundreds of miles away.*

rise (up) in the world To elevate or improve one's social, political, and/or financial position in life; to become more successful than one was before. *You're only going to truly rise up in the world if you make a point of rubbing elbows with those of a higher social standing. It's unsurprising how quickly Sarah has risen in the world when you consider that her tenacity and determination are only matched by her intelligence and talent. The Robinsons really rose up in the world after they won the lottery.*

a rising tide lifts all boats economics A strong economy benefits businesses and individuals at all levels. The phrase was popularized by US President John F. Kennedy. *Thanks to the economy doing so well lately, our business has been booming. I guess it's really true what they say, that a rising tide lifts all boats.*

rite of passage An event or activity often performed or experienced as part of passing from one stage of life to another. *Bar Mitzvah celebrations are a rite of passage as Jewish boys become men. Getting lost while trying to find their classrooms is kind of a rite of passage for freshmen at this school.*

rivet counter Someone who demands an exceptionally or unreasonably high level of minute detail or accuracy in something. Used especially in reference to hobbyists, particularly in the field of model train building. *I might be considered a rivet counter by others, but I'm particularly proud of the level of detail that goes into my model sets. I can't stand seeing movies with a rivet counter like Jerry. After every film, he just sits there listing all the factual inaccuracies in it rather than just enjoying the darn thing!*

rivet the eyes on To stare or gape at something. Often used as an imperative. *Rivet the eyes on this—my first A in Chemistry!*

rn An abbreviation of "right now" that is typically used in text messages and written in lower case. *I need coffee rn.*

road hog A driver who takes up too much space on the road, making it

difficult or impossible for other drivers to pass. *Many morning commuters became frustrated at the road hog straddling two lanes.*

a roaring success See [be a roaring success](#).

roast snow in a furnace To attempt a futile, often ridiculous, task. *You're so tiny that there's no way you can carry that armchair upstairs all by yourself—you might as well roast snow in a furnace!*

rob the till To steal the earnings of a shop or restaurant from out of its cash register. *Just remember, this place has insurance, so if anyone comes in with a gun looking to rob the till, you don't offer up any resistance, OK? I hear Janet was fired from her last job for robbing the till.*

robber baron **1.** A disparaging term applied to any of the prominent businessmen in the late 19th-century US who used unethical means to increase industrialization (and thus their own wealth and prestige). *John Rockefeller is usually regarded as a robber baron, but he's certainly not the only one.* **2.** By extension, anyone who achieves great wealth and success by unscrupulous means. *Of course I don't trust him—he's a robber baron who's made all his money by manipulating the stock market!* **3.** In the Middle Ages, a thief who robbed unsuspecting travelers. *Please be mindful of robber barons on your journey through the countryside.*

rock hound **1.** Someone who professionally studies the origin, history, structure, and composition of the Earth; a geologist. *We found some kind of mineral deposit during the dig, so the university is going to send some rock hounds over to have a look at it.* **2.** An amateur collector of rocks, minerals, gemstones, fossils, etc.; one who collects and/or studies such things as a hobby. *Great hike, Dan—nothing to see here but a bunch of boring dirt and stones. Only a rock hound like you could find this interesting!*

rock on An expression of happiness, excitement, or enthusiasm. A: *"I hear our class won a trip to Paris!"* B: *"Rock on! I've always wanted to see Paris!"*

rock the house slang To elicit an enthusiastic response from an audience that one is performing for. *Man, we really rocked the house! Did you see all those people dancing to our music? It's a great speech—I think you're going to rock the house tonight.*

rocket science A pursuit, activity, or endeavor that requires

extraordinary skill or intelligence. Most often used in the negative to imply the opposite. *Look, all you need to do is reformat the hard drive on your computer. It isn't rocket science! I thought it would be simple enough to fix the car's engine on my own, but this turned out to be like rocket science to me!*

rocket up To make very rapid progress in some area. *They're such a popular band that their new single is just rocketing up the charts.*

rocking horse crap See [\(as\) rare as rocking horse crap](#).

rocking horse poo See [\(as\) rare as rocking horse poo](#).

rocking horse shit See [\(as\) rare as rocking horse shit](#).

rocking horse shit vulgar slang Something is extremely rare or unlikely; all but, or most likely, impossible or non-existent. Often used in the phrase "(as) rare as rocking horse shit." Primarily heard in Ireland. *An honest person in politics? Yeah, that's as rare as rocking horse shit. I'm sorry to say, but the part this engine needs is rare as rocking horse shit. They haven't manufactured these in nearly 50 years!*

roger that Message received. The phrase originated in radio communications. A: *"I'll meet you there at 6 o'clock."* B: *"Roger that."*

a Roland for an Oliver An exchange, especially in battle, in which that which is given is equal in measure and might to that which is received. Named for the two legendary medieval knights Roland and Oliver, who fought for the emperor Charlemagne. Their feats and powers were so equally matched that they were considered to be equal measures of military prowess. *The rebels might have scored a victory against us earlier, but we'll be sure to give them a Roland for an Oliver in our next offensive.*

roll back the clock To revisit, recount, return to or recreate a time or era from the past. *The purpose of this conference is to roll back the clock by analyzing remains of early human and trying to gain insight into their way of life. The governor is bent on rolling back the clock and returning us to the ethics of the 1950s. I'd love to roll back the clock to when I was a kid. It was such a happy, carefree time in my life.*

roll back the years 1. To perform at an exceptionally high level despite no longer being young and in one's prime. (Used especially in reference to athletes.) *O'Connor, playing his 15th championship match in this*

league, rolled back the years and stood out as one of the best players on the pitch. Will the retired skater, seeking a gold medal after all this time, be able to roll back the years and keep step with the competition? **2.** To induce a sense or state of nostalgia; to be reminiscent of or make people think about the past. *Wow, those bell-bottom pants you're wearing really roll back the years to the 1970s. Hearing this song again rolls back the years to a time when I was young and carefree.*

roll in the hay A sexual encounter, often one considered casual. *You know, you can try to get to know the girls you date before you have a roll in the hay.*

roll in wealth To be extremely rich; to enjoy the benefits or luxuries of great wealth. *It sickens me to see these politicians roll in wealth while so many of us struggle to keep a roof over our heads. My girlfriend's family has been rolling in wealth for years. I don't know what I can offer her that she doesn't have already!*

roll (one's) eyes To turn one's eyes upward or around in a circle, usually as an expression of exasperation, annoyance, impatience, or disdain. *Don't you roll your eyes at me, young lady! You will finish your homework this instant, or you can kiss your weekend goodbye! I just rolled my eyes as my dad told another one of his corny jokes.*

roll out the red carpet (for someone) **1.** Literally, to unroll a large red rug or carpet for a very distinguished or important guest to walk on. *The theater rolled out the red carpet for the duke, who was attending the opening night of the play that evening.* **2.** By extension, to welcome someone with great or elaborate hospitality, ceremony, or fanfare. *Since Jake is their only child, Robert and Sarah always roll out the red carpet for him whenever he returns home from college. We're just popping by for a cup of tea and a quick catch-up, no need to roll out the red carpet!*

roll out the welcome mat (for someone) To welcome someone with a warm or elaborate display of friendliness and hospitality. *My auntie always rolls out the welcome mat whenever we call around for a visit. The principal likes to roll out the welcome mat for new teachers every autumn, so they can start off the school year on a positive note.*

roll (over) in (one's) grave To (hypothetically) show enormous anger, disfavor, or regret for something that happens after one has died. (That

is, if someone were still alive, they would be greatly upset, angered, or disgusted by what has happened.) *I can't believe you're using our employees' pension payments to prop up a Ponzi scheme. The founder of this once-great company would be rolling in his grave to see its directors stoop so low. Your poor mother would roll over in her grave if she heard the horrible things you were saying about your sister. I can't believe you wrecked your grandfather's prized vintage Ford Mustang. That's enough to make him roll over in his grave!*

roll the dice **1.** Literally, to roll dice, as for or in a game of chance. *I'm usually not much of a gambler, but I couldn't resist heading to the craps table to roll the dice!* **2.** By extension, to take some risk on the hope or chance of a fortunate outcome. *Look, worst case scenario is that we get hit with a fine, so I say we just roll the dice and hope it doesn't come to that.*

roll with the punches **1.** Literally, in martial arts (especially boxing), to maneuver one's body away from a blow so as to lessen the force of the impact. *He's not the most aggressive fighter, but he relies on his endurance and skill, rolling with the punches to wear down his opponent until the best moment to strike.* **2.** By extension, to adapt to setbacks, difficulties, or adversity so as to better manage or cope with their impact on one's life. *Losing my job was really tough, but I've just been trying to roll with the punches until I get back on my feet. Remember to roll with the punches during the debate— don't get hung up on the mistakes that you make.*

roller coaster A series or period of drastic changes that occur without warning. *After she graduated from college, her life became a roller coaster filled with ups and downs as she tried to establish herself as a fashion designer.*

rolling in dough Exceptionally wealthy; having large amounts of money to spend. *I hear her father is rolling in dough, so I wouldn't be too worried about her future. Once we get this plan underway, we'll be rolling in dough in no time!*

rolling in it Exceptionally wealthy; having large amounts of money to spend. *I hear her father is rolling in it, so I wouldn't be too worried about her future. Once we get this plan underway, we'll be rolling in it in no time!*

rolling in money Exceptionally wealthy; having large amounts of money to spend. *I hear her father is rolling in money, so I wouldn't be too*

worried about her future. Once we get this plan underway, we'll be rolling in money in no time!

romp home To deftly or easily win a race, contest, or competition. Primarily heard in UK. *With her arch-rival out of commission with a pulled hamstring, the defending champion romped home at the Olympics once again. Showing their utter superiority on the pitch, the boys in blue look set to romp home to a 6–2 victory.*

romp in To deftly or easily win a race, contest, or competition. Primarily heard in UK. *With her arch-rival out of commission with a pulled hamstring, the defending champion romped in at the Olympics once again. Showing their utter superiority on the pitch, the boys in blue look set to romp in with a 6–2 victory.*

romp to victory To deftly or easily win a race, contest, or competition. Primarily heard in UK. *With her arch-rival out of commission with a pulled hamstring, the defending champion romped to victory at the Olympics once again. Showing their utter superiority on the pitch, the boys in blue look set to romp to a 6–2 victory.*

roof over (one's) head A home in which to live or rest; basic shelter. *Every night, you should be grateful that you have a roof over your head and food on the table.*

room for doubt A chance that something might not be as straightforward or true as it seems. *Because there is still room for doubt in this case, I think we need to review the facts before even considering our verdict.*

room-temperature IQ slang The IQ possessed by an inept computer user. Room temperature is 70 degrees in Fahrenheit and 21 degrees in Celsius—two numbers significantly lower than the average IQ (which is around 100). *I know this design change makes sense to us, but will someone with a room-temperature IQ be able to navigate it?*

root cause The most fundamental, central, or basic causal element of something. *Violence in this part of town is rampant, but the root cause is really poverty and the wide distribution of narcotics. You're never going to solve your company's financial issues if you can't identify the root cause of your flagging sales.*

rooting interest A strong desire to support a particular person or group.

Primarily heard in US. *My brother is a huge sports fan and has a rooting interest in all our local teams. I have a rooting interest in that candidate and am going to be campaigning for her.*

rope of sand Something that is not as strong or stable as it seems. *Yes, you're a fool to trust him, and this allegiance will soon prove to be a rope of sand. I thought I finally had a strong bond with my mother, but it was just a rope of sand—she's left us once again.*

the ropes The details or knowhow about a specific situation, task, job, or role. *I know there's a lot to take in, but your partner has been here for over 10 years and will show you the ropes. This class is intense! You're expected to know the ropes from day one.*

rose-colored Of a shade of pink. *I'm going to wear a rose-colored dress to the wedding this weekend. We love watching the rose-colored clouds at sunset.*

rose-colored glasses An unduly idealistic, optimistic, sentimental, or wistful perspective on or about something. Primarily heard in US. *I know Sarah looks on our childhood with rose-colored glasses, but I can't put aside how difficult my parents' failing marriage was for all of us. Despite doing worse every quarter for the last two years, our boss keeps seeing the business through rose-colored glasses. You need to take off your rose-colored glasses for a moment and realize that there are serious problems in the world that need fixing.*

rose-coloured spectacles An unduly idealistic, optimistic, sentimental, or wistful perspective on or about something. Primarily heard in UK. *I know Sarah looks on our childhood with rose-coloured spectacles, but I can't put aside how difficult my parents' failing marriage was for all of us. Despite doing worse every quarter for the last two years, our boss keeps seeing the business through rose-coloured spectacles. You need to take off your rose-coloured spectacles for a moment and realise that there are serious problems in the world that need fixing.*

rose in the world See [rise \(up\) in the world](#).

rose-tinted spectacles An unduly idealistic, optimistic, sentimental, or wistful perspective on or about something. Primarily heard in UK. *I know Sarah looks on our childhood with rose-tinted spectacles, but I can't put aside how difficult my parents' failing marriage was for all of us. Despite*

doing worse every quarter for the last two years, our boss keeps seeing the business through rose-tinted spectacles. You need to take off your rose-tinted spectacles for a moment and realise that there are serious problems in the world that need fixing.

Rosetta Stone **1.** A tablet found near Rosetta, Egypt, in 1799. Carved with Greek, demotic, and hieroglyphic inscriptions, it became the key to deciphering ancient Egyptian writing. *The discovery of the Rosetta Stone made ancient Egypt accessible to us today.* **2.** By extension, an important clue to understanding something that is challenging or puzzling. *Don't worry, this map will be the Rosetta stone that gets us out of this cave. I've been struggling with this experiment, but these new results may prove to be the Rosetta stone that makes everything else comprehensible.*

rotary dial The disk on a rotary telephone that is turned to dial a phone number. *I hated having to use a rotary dial as a kid—it's so much easier to dial a phone number by pressing buttons.*

a rotten apple A person whose own words or actions negatively impacts an entire group of people. Taken from the proverb "a rotten apple spoils the bunch." *Before you accuse the entire department of wrongdoing, you should try to find the rotten apple that initially caused the problem.*

(a little/bit) rough and ready **1.** Unpolished, imperfect, or unkempt, but generally able or ready for use or action. *This video is a bit rough and ready, but it's pretty close to what we want the finished product to look like. This old truck's a little rough and ready, but it's still the most reliable vehicle I've owned.* **2.** Somewhat lacking in refinement, sophistication, manners, etc. *The workers on the oil rig are a little bit rough and ready, but they're good guys, every single one of them. Yeah, the diner is a little rough and ready, but I think that's what gives it its charm.*

(a little/bit) rough around the edges **1.** Unpolished, imperfect, or unkempt, but generally able or ready for use or action. *This video is still a bit rough around the edges, but it's pretty close to what we want the finished product to look like. This old truck's a little rough around the edges, but it's still the most reliable vehicle I've owned.* **2.** Somewhat lacking in refinement, sophistication, manners, etc. *The workers on the oil rig are a little bit rough around the edges, but they're damn decent chaps, every single one of them. Yeah, my local bar is rough around the edges all right, but I think that's what*

gives it its character and charm. 3. Somewhat sick or unwell, especially because one is suffering from a hangover. Bill: "So, I hear you had a wild night out. How you feeling this morning?" Ted: "A little rough around the edges, but not as bad as I thought I'd be."

rough diamond Someone or something that is unrefined but has many exceptional aspects or underlying potential. Primarily heard in UK, Australia. *The young actor was a rough diamond. With some training, she'd become a superstar.*

rough-hewn 1. Having or being in a coarse, unpolished, or unfinished state. *Though these labs employ rather rough-hewn methods and technologies, I can assure you that our results have been second to none. The performances are certainly rough-hewn, that's without a doubt, but I'd say that it actually lends credibility to the characters as being more organic and believable than if their lines had been honed to sterile perfection. 2.* Somewhat lacking in refinement, sophistication, manners, etc. *The workers on the oil rig are a bit rough-hewn, but they're damn decent chaps, every single one of them. I tend to head for the more rough-hewn pubs around town. I just find them more charming than their sleeker counterparts.*

a rough patch A period of trouble, difficulty, or hardship. *Almost every new business experiences a rough patch at some point or another.*

a rough ride A tough time. *If you think going to graduate school while working a full-time job is easy, you're in for a rough ride!*

rough sledding A difficult, turbulent, or troublesome period of time or undertaking. *This administration has gone through some rough sledding over the last year, but the president is determined to regain the trust and support of the American people. Even some of the wealthier areas of the country must brace for rough sledding as fresh austerity measures come into effect on the heels of the IMF bailout. The book can be notoriously rough sledding, but if you're able to stick with it, it is in fact a most rewarding experience.*

rough sleeper Someone who sleeps outside at night (i.e., "sleeps rough"), usually because they have no home. Primarily heard in UK, Australia. *The government's aim is to have the number of rough sleepers halved in five years' time. I spent a couple of years as a rough sleeper after my house was repossessed. It's not something I would wish on anyone.*

a rough time A challenging period during which one struggles to do or

cope with something. *John went through a rough time after losing both his job and his wife during the same year. I had a rough time repairing the engine because it was so rusty, but I eventually got it running again.*

a rough trot An especially difficult or turbulent period or series of misfortune(s) or hardship(s). Primarily heard in Australia, New Zealand. *It's certainly been a rough trot for the beleaguered celebrity family, as news of yet another scandal started hitting the media outlets this afternoon. I can't believe Jake's wife was diagnosed with cancer. They've really had a rough trot lately, haven't they?*

round as Giotto's O See [\(as\) round as Giotto's O](#).

round of applause A round of clapping, often as a show of approval or appreciation. *Let's welcome our special guest with a round of applause!*

a round peg in a square hole A person who does not fit in or is not comfortable with others or in a particular situation; someone who is unsuited to a certain task, position, situation, or group of people. (A variant of the more common "square peg in a round hole.") *It only took three months to realize I was a round peg in a square hole at the firm. I guess I've just been raised not to buy into the whole corporate hierarchy of modern business. John was a bit of a round peg in a square hole throughout high school, but when he went to college, he found all sorts of people he could relate to.*

round table **1.** noun An open discussion between several people. *I think we all need to get together and have a round table to come up with a solution to this problem.* **2.** adjective (often hyphenated) Featuring open discussion between several people. *I think we all need to get together and have a round-table meeting to come up with a solution to this problem.* **3.** (usually capitalized) The table where the legendary King Arthur and his knights would gather. *I'm currently reading a book about King Arthur and the Knights of the Round Table.* **4.** (usually capitalized) A shorthand way to refer to King Arthur and his knights as a group. *Morgan Le Fay is a known enemy of the Round Table.*

(a)round the bend **1.** In close proximity to another location. Said especially when traveling by car, often when literally approaching a bend. *The store isn't far from here, it's just around the bend.* **2.** slang Crazy *It's freezing today, and you're not going to wear a coat? Have you gone around the bend?* **3.** slang Intoxicated from drugs or alcohol. *Do you remember last*

night at all? You were really around the bend!

(a)round the clock Nonstop. *We have been working round the clock to solve this issue with your security system, but it's going to take us another 24 hours to get it back online. Doctors have been working on him around the clock, but his condition is still critical.*

(a)round the corner **1.** In close proximity to another location. Said especially when traveling by car, often when literally approaching a corner. *The store isn't far from here, it's just around the corner.* **2.** Imminent or likely to happen very soon. *My little brother believes that an alien invasion is right around the corner and that we should prepare ourselves for life on another planet. Our company is devoted to the self-driving car and believes that its widespread use is right around the corner.*

roundabouts and swings See [swings and roundabouts](#).

a rousing send-off A lively and enthusiastic farewell celebration thrown in honor of someone who is leaving someplace behind and/or setting off on a new endeavor. *The night before I flew to America, the entire town came out to give me a rousing send-off at the local pub.*

roving eye A propensity to be unfaithful to a romantic partner. *Mary dumped Luke after discovering that he had a roving eye.*

row back To quickly or abruptly reverse or retreat from one's earlier position, decision, or opinion. Primarily heard in UK. *The actor had to row back when he let slip a racist remark during the press conference. The government is rowing back on the decision to increase water charges after nationwide protests erupted on Friday.*

rub salt in(to) the/(one's) wound(s) To make something that is already difficult, unpleasant, or painful even worse; to accentuate, aggravate, or intensify a negative situation, emotion, or experience (for someone). *After losing the championship match, it really rubbed salt in John's wound for his girlfriend to break up with him the next day. My pride was already hurting when I didn't get the job, but hearing that they gave it to Dave really rubbed salt into the wound. I can't believe you would ask me to pay you back on the day that I got laid off. Thanks for rubbing salt in my wounds, man.*

rubber **1.** slang An eraser, whether or not it is made from genuine rubber. Primarily heard in UK, Australia, Ireland. *Mark, pass me a rubber, will you?*

I got these calculations all bollocksed up. **2.** slang A condom. Primarily heard in US. *Always remember to wear a rubber, bro.*

rubber check A written order to a bank for a certain amount of funds that has been dishonored because such funds are not available in the account in question. "Rubber" here is a play on the bouncing of a check. Primarily heard in US, South Africa. *My ex-husband has been writing rubber checks all across the state.*

rubber check A check that draws upon a bank account does not have enough funds to cover the amount. The check is called "rubber" because it "bounces" (i.e. it is not honored because of insufficient funds). Primarily heard in US. *After years of writing rubber checks to businesses all throughout the city, the man was finally arrested.*

rubber chicken dinner A dinner served at a large catered event, especially a political or corporate fundraising event, in which many people must be served simultaneously and the quality of food suffers as a result. ("Rubber chicken" is sometimes hyphenated.) *I'll tell you, though: more than the long hours on the road, the repetitive speeches, or the manic workload, I cannot stand the rubber chicken dinners when I'm on the campaign trail. We really wanted to throw the whole "rubber-chicken dinner" association out the window for our next charity drive, so we've partnered with a local co-op kitchen to bring fresh, home-cooked meals to the table.*

rubber johnny slang A condom. Primarily heard in UK, Ireland. *Remember, mate: only a fool doesn't wear a rubber johnny on a one-night stand. In an effort to promote safe sexual practices, the student union began handing out rubber johnnies to everyone passing by.*

rubber jungle An aviation term among pilots and airline crew for the effect created when the rubber oxygen masks in a commercial aircraft deploy from its ceiling. *Everyone started to panic when the rubber jungle appeared, so I had to reassure them that it was just a minor hiccup and that we were all perfectly safe.*

rubber room slang A room in which the walls are padded. It is typically found in psychiatric institutions, where it houses one who is not mentally stable, in an effort to prevent self-harm. *That patient kept banging her head against the wall, so she is now in a rubber room for her own safety.*

rubbish in, rubbish out If the data entered is inaccurate, the results

will be too, no matter how sophisticated the machine or program is. *We need to get accurate results, so please check your data thoroughly before entering it in the system—rubbish in, rubbish out, after all.*

ruby slippers The magical shoes that Dorothy wears in *The Wizard of Oz*. *I wish I had a pair of ruby slippers like Dorothy so that I could be transported home with the mere click of my heels.*

rude awakening The shocking instance of learning the unpleasant or unwelcome truth about a situation. *We had a rude awakening when the waiter brought us the bill and we saw how much we had spent on dinner and drinks.*

rue the day (that) (something) happened To feel bitter regret or remorse that something has happened; to wish that something never came to pass. *That no-good, lying cheat! I'll make sure he rues the day he crossed me, if it's the last thing I do! Your dad must be ruing the day he agreed to buy you a car if you got an A in all your classes.*

rue the day (that something happened) To curse or bitterly regret a point in time (in which something happened or one did something). *I swear to you now, you will rue the day you ever crossed me! Men, if their soldiers advance upon us, we must ensure that they will rue the day!*

ruffle a few feathers To do something which annoys, irritates, or upsets other people. *I know my presentation about the effects of climate change is going to ruffle a few feathers, but I have got to raise awareness about this issue! Harry's bombastic, arrogant demeanor tends to ruffle a few feathers, but he's a decent guy at heart.*

ruffle (one's) feathers To annoy, irritate, or upset someone. *Sarah's just teasing you. Don't let her ruffle your feathers like that! Harry's bombastic, arrogant demeanor tends to ruffle people's feathers, but he's a decent guy at heart.*

ruffle some feathers To do something which annoys, irritates, or upsets other people. *I know my presentation about the effects of climate change are going to ruffle some feathers, but I have got to raise awareness about this issue! Harry's bombastic, arrogant demeanor tends to ruffle some feathers, but he's a decent guy at heart.*

rule in To decide definitively that something will or can possibly happen. (Used especially—and somewhat redundantly—in the phrase "not ruled in or

ruled out.") *Look, nothing has been ruled in or ruled out at this stage, so we just have to wait until the doctors have more information to work with. We'll neither rule in nor rule out the possibility of a shakeup in management if this branch's profits continue to fall.*

rule of thumb An approximation; a suggested method or guideline. *A good rule of thumb is to plant your seedlings around the end of May.*

rule OK To be the best; to be the most dominant or in control; to be the most favoured or supported by the public. (Used originally in relation to football clubs or local gangs in graffiti writing.) Primarily heard in UK. *Someone had come with a can of black spray paint and crossed out the big "Leeds Rules OK" that was painted on the side of the school. But in this part of the country, the conservatives rule OK with almost no opposition.*

rule the school slang To be the most popular or influential in one's school. *Now that we're seniors, we're going to rule the school! The popular kids always think they rule the school, but not this year!*

rules are made to be broken A phrase used to justify one's rebellious actions. *A: "But we're not allowed to go into the faculty lounge!" B: "Oh, come on, rules are made to be broken."*

a rum do dated An odd, strange, or surprising occurrence, situation, or turn of events, especially one that might be considered somewhat disreputable or distasteful. Primarily heard in UK. *A young man taking a wife so much older than himself? My word, what a rum do that is! Well, this is a rum do, if I've ever seen one. The kitchen porter has just been made the head chef!*

a rum go dated An odd, strange, or surprising occurrence, situation, or turn of events, especially one that might be considered somewhat disreputable or distasteful. Primarily heard in UK. *A young man taking a wife so much older than himself? My word, what a rum go that is! Well, this is a rum go if I've ever seen one: the kitchen porter has just been made the head chef!*

rumor campaign A concentrated and prolonged effort to damage or ruin someone's or some group's reputation through the perpetuation of rumors, innuendos, and/or falsities, generally as a means of persuading a large number of people against him, her, or them. Primarily heard in US. *The local sheriff's slim lead heading into the election quickly evaporated after he*

found himself at the wrong end of a vicious rumor campaign. I think we need to start a rumor campaign to slow down the competitor's growth in the market, but no one can know that it's coming from us!

rumor mill The source from, or process by, which rumors are generated, spread, and perpetuated among a group of people. Primarily heard in US. *Listen, Barry, you can't believe everything that comes out of the rumor mill. I can guarantee you that there will be no layoffs this year. One of the downsides of having a celebrity status is having every aspect of your life subjected to the Hollywood rumor mill.*

rumour campaign A concentrated and prolonged effort to damage or ruin someone's or some group's reputation through the perpetuation of rumours, innuendos, and/or falsities, generally as a means of persuading a large amount of people against him, her, or them. Primarily heard in UK. *Finding himself at the wrong end of a vicious rumour campaign, the local MP's slim lead heading into the election quickly evaporated. I think we need to start a rumour campaign to slow down the competitor's growth in the market, but no one can know that it's coming from us!*

rumour mill The source from or process by which rumours are generated, spread, and perpetuated among a group of people. Primarily heard in UK. *Listen, Barry, you can't believe everything that comes out of the rumour mill. I can guarantee you that there will be no redundancies this year. One of the downsides of gaining celebrity status is having every aspect of your life subjected to the Hollywood rumour mill.*

run a temperature To have an abnormally high body temperature (a fever), which is indicative of or caused by illness. *Dan: "How's Pete feeling?" Marshall: "Well, he ran a temperature last night, but he seemed a lot better this morning after some rest." I think I've started running a temperature. Maybe I should go lie down.*

run a temperature To have an abnormally high body temperature (a fever), which is indicative of or caused by illness. *Marshall was running a temperature last night, but he seemed a lot better this morning after some rest.*

run about 1. Literally, to run haphazardly or in different directions in an area. Primarily heard in UK. *We took the kids to the park so they could run about for a couple of hours.* **2.** Figuratively, to be exceptionally busy doing

many different tasks or activities, especially in several different locations. Primarily heard in UK. *I've been running about all afternoon getting things for Carol's party this evening. I can't wait for the weekend. I've had to run about all week getting little jobs done for my boss, and I'm exhausted!*

run afoul of (someone or something) To be in severe disagreement, trouble, or difficulty with someone or something; to be at odds with someone or something, especially due to disobeying rules or laws. *Always look into the laws of any place you visit, or you may end up unwittingly running afoul of the local police. Ms. Banks has run afoul of this university for the last time. She is no longer welcome here!*

run amok **1.** To behave or run around in a wild, unruly, out-of-control manner; to be crazy or chaotic. *We tried to have some organized games for the kids, but as soon as they all got here they started running amok. The villagers were cleaning up debris for days after the bulls ran amok through the streets.* **2.** To become bad or go awry; to get out of control; to go haywire. *This whole operation has run amok. I don't know how we can be expected to finish under the deadline in these conditions.* **3.** dated To rush around in a violent, murderous frenzy. This is the phrase's original meaning, taken from Malay. "Amok" also has an older alternative spelling, "amuck." *Members of the warrior clan were known to run amok on the battlefield in a bloodthirsty frenzy.*

run amuck **1.** To behave or run around in a wild, unruly, out-of-control manner; to be or become crazy or chaotic. *We tried to have some organized games for the kids, but they all started running amuck as soon as they got here. The villagers were cleaning up debris for days after the bulls ran amuck through the streets.* **2.** To become bad or go awry; to get out of control; to go haywire. *This whole operation has run amuck. I don't know how we can be expected to finish under the deadline in these conditions.* **3.** dated To rush around in a violent, murderous frenzy. (Note: This is the phrase's original specific meaning, taken from Malay. "Amuck" is an older alternative spelling of "amok," which is preferred today.) *Fueled by alcohol and cocaine, Dave ran amuck when his wife told him she'd been seeing someone else. Luckily, a neighbor called the police when they heard such a commotion.*

run around **1.** Literally, to run haphazardly or in different directions in an area. *We took the kids to the park so they could run around for a couple of*

hours. **2.** Figuratively, to be exceptionally busy doing many different tasks or activities, especially in several different locations. *I've been running around all afternoon getting things for Carol's party tonight. I can't wait for the weekend. I've had to run around all week getting little jobs done for my boss, and I'm exhausted!*

run (a)round in circles To waste one's time and energy engaging in trivial, aimless, or futile activities. *I tried to get an outline drafted for my thesis, but my ideas were so jumbled in my head that I just kept running round in circles. The committee spent all afternoon trying to come up with a new PR proposal, but they ran around in circles the whole time.*

run down the clock In sports, to protect a lead by using up as much possible time that remains in a game or match without giving the opposing team a chance to score, generally by maintaining a passive or defensive strategy. *With just a narrow two-point lead, the home team is trying to run down the clock to hold out for a win. I don't know, Jim, there's a lot of game time left for them to start running down the clock already.*

run for (one's) money **1.** A prolonged period of success. *The slot machine gave me a run for my money, but, in the end, the casino was the only real winner.* **2.** A challenge. *Sure, Sheila still became valedictorian, but Tim really gave her a run for her money!*

run for the hills **1.** To move to higher ground, as in preparation for or in response to a natural disaster. *There are bound to be tidal waves after an earthquake like that. We'd better run for the hills!* **2.** To flee hastily; to clear out or depart quickly. *Uh oh, Uncle Jerome's been drinking again. Run for the hills, everyone! The staff all ran for the hills when it was announced that there would be a stock-take at the end of the shift.*

Run for the Roses A nickname for the Kentucky Derby horse race, at which the winning horse is adorned with a garland of roses. *I never thought much of horse racing until I saw the Run for the Roses in person at Churchill Downs—what a spectacle!*

run foul of (someone or something) To be in severe disagreement, trouble, or difficulty with someone or something; to be at odds with someone or something, especially due to disobeying rules or laws. *Always look into the laws of any place you visit, or you may end up unwittingly running foul of the local police. Ms. Banks has run foul of this*

university for the last time. She is no longer welcome here!

run hot and cold To vacillate between two opposing or starkly different states, opinions, or behaviors. *Dan: "So, how are things going between you and Mallory?" Sarah: "Hard to tell. She runs hot and cold one day to the next, so I can never tell how she really feels!" The boss has been running hot and cold about whether or not we're going through with this project. I wish she would just make a decision!*

run of play The overall course, pace, or flow of a game, situation, or series of action, especially in sports. *McKinley has been entirely controlling the run of play on the court up till now, but that twisted ankle could give his opponent a chance to change the tide. The hockey player, once the most sought after in the league, has been having rather inconsistent run of play this season. Late in the game, the struggling German squad managed to score two goals against the run of play.*

run off her feet See [be run off \(one's\) feet](#).

run off smell of an oily rag Of a motor vehicle, to operate with exceptionally good fuel efficiency. Primarily heard in Australia, New Zealand. *This trusty little car may not look like much, but she runs off the smell of an oily rag.*

run on empty **1.** To be particularly ineffectual, insubstantial, or unsuccessful. *The high production value means that the film is visually stunning, but no amount of aesthetic beauty can save a film whose paper-thin plot runs on empty from start to finish. The former president promised quite a lot in his campaign speeches, but his administration ran on empty throughout his time in the White House.* **2.** To continue to operate with no or very little enthusiasm, energy, or resources left. (Usually used in the continuous tense.) *I've been painting the house for four hours every night after work, and I am seriously running on empty at this point. We were running on empty by the time our team made it to the championship round.*

run on fumes **1.** To be especially ineffectual, insubstantial, or unsuccessful. *The high production value means that the film is visually stunning, but no amount of aesthetic beauty can save a film whose paper-thin plot runs on fumes from start to finish. The former president promised quite a lot in his campaign speeches, but his administration ran on fumes throughout his time in the White House.* **2.** To continue to operate with no or very little

enthusiasm, energy, or resources left. (Usually used in the continuous tense.) *I've been painting the house for four hours every night after work, and I am seriously running on fumes at this point. We were running on fumes by the time our team made it to the championship round.*

run on the smell of an oily rag Of a motor vehicle, to operate with exceptionally good fuel efficiency. Primarily heard in Australia, New Zealand. *This trusty little car may not look like much, but she runs on the smell of an oily rag.*

run (one) off (one's) feet To make someone work very hard and/or quickly, especially to an exhausting or exasperating degree; to make great demands of someone's time or energy. *With the recent reductions in staff, my boss has been running me off my feet lately! Just about every parent on the planet knows how kids can run you off your feet.*

run (one's) own show To have complete autonomy or authority over something; to do something according solely to one's own inclinations, desires, opinions, etc. *You can tell that the manager, so used to running his own show in the office, is finding it hard to adjust to having a boss of his own just a few doors down. The CEO's son really ran his own show in here for the last few years, until he was finally busted for fraud and removed from the company.*

run out of town To be forced to leave a place, usually due to one's indiscretions or misdeeds. *Now that this scandal is public knowledge, I'm afraid that I'm going to be run out of town. When people found out that my grandmother had had an affair while my grandfather was fighting in the war, she was run out of town.*

run out the clock In sports, to protect a lead by using up as much remaining time in a game or match as possible without giving the opposing team a chance to score, generally by maintaining a passive or defensive strategy. *With just a narrow two-point lead, the home team will certainly try to run out the clock to hold out for a win. I don't know, Jim, there's a lot of game time left for them to start running out the clock already.*

run roughshod over (someone or something) To treat someone or something with marked disdain, brutality, or contempt; to act without regard for the well-being of something or someone. *In her ascent to the top of the political ladder, the senator ran roughshod over anyone who*

stood in her way. *This new administration has run roughshod over the political goodwill that the previous president forged with the recent foreign ally.*

run the clock down In sports, to protect a lead by using up as much possible time that remains in a game or match without giving the opposing team a chance to score, generally by maintaining a passive or defensive strategy. *With just a narrow two-point lead, the home team has started to run the clock down to hold on for a win. It seems like a risky strategy, Jim. There's a lot of game time left for them to start running the clock down already.*

run the show To have autonomy or authority over something; to be in control of something. *You can tell that the manager, so used to running the show in the office, is finding it hard to adjust to having a boss of his own just a few doors down. I'm the director, so I run the show here, OK? My word is final.*

run wild To behave or run around in a wild, unruly, out-of-control manner; to be or become crazy or chaotic. *We tried to have some organized games for the kids, but they all started running wild as soon as they got here. The villagers were cleaning up debris for days after the bulls ran wild through the streets.*

run with scissors To willfully act in a reckless, foolish, and/or dangerous manner. Alludes to the literal act of running with a pair of scissors in one's hand, which can cause severe injury. *I went through a really rebellious phase in high school and made a point of constantly running with scissors, so to speak, as a way of acting out. Jane's daughter has run with scissors so frequently by now that the family doesn't try to keep her under control anymore.*

rung her bell See [ring \(someone's\) bell](#).

a running start **1.** Literally, in sports, a start to a race in which one is already at full speed by the time one reaches the starting line. *To make things more fair, we're going to give your little sister a running start.* **2.** By extension, an initial advantage, benefit or auspicious position at the beginning or outset of some action, endeavor, or undertaking. *John's company's been given a bit of a running start since his father decided to invest so much money into it. I'm glad I kept up with my studies over the summer because I'll*

to be off to a running start when school starts back up.

runs a temperature See [run a temperature](#).

runs a temperature See [run a temperature](#).

runs about See [run about](#).

runs afoul See [run afoul of \(someone or something\)](#).

runs amock See [run amok](#).

runs amuck See [run amuck](#).

runs around See [run around](#).

runs around in circles See [run \(a\)round in circles](#).

runs down the clock See [run down the clock](#).

runs for the hills See [run for the hills](#).

a rush of blood See [a \(sudden\) rush of blood \(to the head\)](#).

rush (someone) off his/her feet To make someone work very hard and/or quickly, especially to an exhausting or exasperating degree; to make great demands of someone's time or energy. *With the recent reductions in staff, my boss has been rushing me off my feet lately! Just about every parent on the planet knows how kids can rush you off your feet.*

rushed off her feet See [be rushed off \(one's\) feet](#).

Russian roulette **1.** A potentially fatal game of chance involving a revolver loaded with a single bullet, in which each participant in turn spins the cylinder so that the bullet's location is unknown, puts the barrel to their head, and pulls the trigger. *A student of the university died over the weekend after apparently playing a game of Russian roulette with other members of his fraternity.* **2.** By extension, any reckless, foolish, and/or dangerous act or stunt, especially that in which the risk of danger or trouble is increased with the number of times one does it. *Your company might have passed its audit this year, Mr. Fisk, but every year is going to be Russian roulette so long as this embezzlement continues. You're playing Russian roulette every single time you get behind the wheel of a car when you've been drinking.*

S

sacrifice (something) on the altar of To abandon something in exchange for something else (which is named after "of"). The phrase can, but does not have to, include a noun after "sacrifice." *I know you want to help your family, but you can't sacrifice your happiness on the altar of servitude. It seems that the curriculum at this school has been sacrificed on the altar of profit.*

a sad state (of affairs) A particularly unfortunate, unpleasant, and/or upsetting situation or set of circumstances. *Their company has been in a sad state after Jonathan took over. It's a sad state of affairs when you can no longer be sure how you're going to feed your children each night.*

saddle tramp **1.** A cowboy, particularly one who lives a nomadic lifestyle. Primarily heard in US. *You can't trust him—he's just a saddle tramp who roams from town to town!* **2.** One who rides on horseback. Primarily heard in US. *A: "I hear hoofbeats." B: "Yes, there's a saddle tramp approaching in the distance."*

safe bet **1.** Something that is certain to occur. *Based on his grades, it's a pretty safe bet that Harry won't be able to graduate on time.* **2.** A person or thing that is certain to be good or successful. *The department felt that she was a safe bet for the account manager position.*

safe pair of hands A trustworthy and competent person. Primarily heard in UK, Australia. *That struggling company really needs a leader who is a safe pair of hands and can make some positive changes.*

safe space A place where one will not encounter mistreatment, discrimination, and, in some cases, words or activities that could trigger reminders of past psychological trauma. *The campus needs a safe space for the LGBTQ community. Is there a safe space for trauma victims to go after that lecture on human trafficking?*

safety valve An activity that one does to release strong feelings (such as stress) in a healthy or positive way. *Golf has become my safety valve—when I'm really stressed about work, I make sure to schedule a tee time.*

sag off To absent oneself or leave early from school or work when one would normally be required to be there; to play truant. Primarily heard in UK. *I was so restless and bored at work that I decided to just sag off after lunch without telling anyone. Hey, Jim and I are planning on sagging off from school on Friday, do you want to come with us? That's the last time you sag off class, mister! From now on, I'm dropping you off to school every morning!*

SAHM An abbreviation for "stay-at-home mom," a mother who forgoes employment outside of the home in order to care for her children and the household. *I used to have a high-powered corporate job, but ever since my daughter was born, I've been living that SAHM life.*

said good-bye to See [say goodbye to \(something\)](#).

said it all See [says it all](#).

said no one ever slang A humorous tag or retort that emphasizes the preceding statement as false. A: *"I think he's ugly in a cute way."* B: *"Said no one ever!"* *"I love it when I stub my toe," said no one ever.*

said the actress to the pope An aside that is used to create a humorous but lewd sexual innuendo out of something mundane or innocent that someone else has said. (The use of "actress" is because the innuendo always refers to a woman in a sexual situation.) Primarily heard in UK. A: *"Wow, that sandwich is huge!"* B: *"Yeah, I can barely put my hands around it."* C: *"Said the actress to the pope!"*

said uncle See [say uncle](#).

sail against the wind To work to achieve something amid challenging circumstances, such as staunch opposition. This nautical phrase refers to the difficulty of sailing in the opposite direction as the wind. *I know that I am sailing against the wind to try get this unpopular law passed, but I am confident that it will ultimately make our town a safer place.*

sail before the wind To achieve something easily. This nautical phrase refers to the ease of sailing in the same direction as the wind. *I don't understand people who just sail before the wind and get great grades without ever opening a book, when I study really hard and am just an average student. I hardly studied, and I still got A's on all of my exams—I really sailed before the wind this semester!*

salad days A youthful, carefree time of innocence and inexperience. The phrase comes from a line in Shakespeare's *Antony and Cleopatra*: "My salad days, when I was green in judgment, cold in blood." *Ah, to be in love during your salad days, such blissful and carefree times. Whenever I ask my grandfather the meaning of a word I hear on TV, he always laughs and says he'll tell me when I'm no longer in my salad days.*

salad years A carefree time of youthful innocence, ingenuousness, and inexperience. A variant of the more common "salad days," which itself is taken from Shakespeare's *Antony and Cleopatra*. *I had a few encounters with truly romantic love back in my salad years, before I graduated; now, however, I think love is largely an elaborate delusion. Whenever I ask my grandfather the meaning of a word I hear on TV, he always laughs and says he'll tell me when I'm no longer in my salad years.*

salt in the/(one's) wound(s) An aggravation that makes something unpleasant, difficult, or painful even worse. *I can't believe Sally broke up with John the day after his team lost the championship match. Talk about salt in the wounds! My pride was already hurting when I didn't get the job, but it was like salt in my wound to hear that they gave it to Dave instead.*

the salt of the earth A person or group that is regarded as genuine, unpretentious, and morally sound. This phrase is typically complimentary. *Don't worry, even with all his success, Robert is still the salt of the earth. He donates most of his salary to charity and volunteers weekly at the hospital.*

salty slang Annoyed. *Of course I'm salty—you made fun of me in front of all our friends! Why is she so salty? I told her I was going to be home late!*

salty dog A sailor, especially a man, who is older and/or has had a lot of experience on the seas. *The bar was packed with old salty dogs who'd travelled all across the world, sharing stories of their adventures.*

Sam Hill slang A euphemism for "hell," usually used for emphasis. *What in Sam Hill are you kids doing in here? You're going to wake the whole neighborhood! What in the Sam Hill made you decide to fight one of your classmates?*

same stripe See [of the same stripe](#).

sanctuary city A US city that protects undocumented immigrants through limited involvement or cooperation with federal immigration

regulations or authorities. Primarily heard in US. *That new immigration law threatens to jeopardize sanctuary cities.*

sanctum sanctorum 1. The innermost sanctuary of a temple, particularly the tabernacle in the Temple of Jerusalem, which housed the Ark of the Covenant. The Latin phrase translates to "holy of holies." *The sanctum sanctorum is a very sacred place—it's where the Ark of the Covenant was kept.* 2. By extension, any place that is regarded as very private and sacred. *The basement is my sanctum sanctorum, and I'm trying to relax down here, so take your drama somewhere else.*

sands are running out There is a limited amount of time before something happens. The phrase refers to an hourglass, in which sand trickles from the top of the hourglass to the bottom through an opening until it has run out. *The sands are running out—if she doesn't move out of that neighborhood, she'll be the next victim of a violent crime. I know that picking a college is a big decision, but the sands are running out.*

a sandwich shy of a picnic A pejorative phrase meaning not very intelligent or of questionable mental capacity. This expression can appear in many different forms and variations (e.g., "several bricks short of a load," "one card shy of a full deck," etc.). *He says he's going to start a business selling bees as pets—I think he may be a sandwich shy of a picnic. The new manager is nice enough, but he's a sandwich shy of a picnic, if you ask me.*

Santa's workshop The workshop of Santa Claus, where Santa or his elves are said to make the toys that he delivers on Christmas. *I'm sure the elves in Santa's workshop are making the toys you'll get for Christmas right now, honey.*

savage 1. noun, slang One who does something extreme or intense, often shocking or inspiring admiration in the speaker. *That kid's a savage—did you see his back flip off the slide? Stay away from that guy, he's a total savage—he beat up my little brother!* 2. adjective, slang Extreme or intense, often in a way that shocks or inspires admiration in the speaker. *Did you see that kid's savage back flip off the slide? Stay away from that guy, he's totally savage—he beat up my little brother!*

save (one's) blushes To prevent someone from feeling embarrassed or awkward. *Due to your family's great service to the crown, we will save your blushes and not create a public scandal around this debacle. I tried saving*

her blushes when she asked me to prom by saying I had no intention of going with anyone.

save (one's) own bacon To rescue or protect oneself from danger, trouble, or difficulty, usually without regard or concern for the welfare of others. *In the face of the IRS audit, the CEO was more concerned with saving his own bacon than ensuring his employees' jobs remained secure. Just be sure not to leave yourself exposed in this scandal—you can be sure that the senator is looking to save her own bacon, and you should be doing the same.*

save (one's) own hide To rescue or protect oneself from danger, trouble, or difficulty, usually without regard or concern for the welfare of others. *In the face of the IRS audit, the CEO was more concerned with saving his own hide than ensuring his employees' jobs remained secure. Just be sure not to leave yourself exposed in this scandal—you can be sure that the senator is looking to save her own hide, and you should be doing the same.*

save (one's) own neck To rescue or protect oneself from danger, trouble, or difficulty, usually without regard or concern for the welfare of others. *In the face of the IRS audit, the CEO was more concerned with saving his own neck than ensuring his employees' jobs remained secure. Just be sure not to leave yourself exposed in this scandal—you can be sure that the senator is looking to save her own neck, and you should be doing the same.*

save (one's) own skin To rescue or protect oneself from danger, trouble, or difficulty, usually without concern for the welfare of others. *In the face of the audit, the CEO was more worried with saving his own skin than ensuring his employees' jobs wouldn't be put into jeopardy. Just be sure not to leave yourself exposed in this scandal. You can be sure that the senator is looking to save her own skin, and you should be doing the same.*

saved the day See [you saved the day](#).

saving grace A redeeming quality of something or someone. *The only saving grace about that house is the large eat-in kitchen. Aunt Gertrude's incessant talking can be annoying, but her kindness is her saving grace—I know that she would help us with anything, no questions asked.*

saw wood **1.** To snore very loudly or intensely, as during a deep sleep. *Once I found out my boyfriend sawed wood at night, I knew I had to break up with him. Jake, roll over on your side, you're sawing wood again!* **2.** By extension, to sleep soundly. *I was so exhausted after that hike that I was*

sawing wood in no time in my tent.

the sawdust circuit dated The itinerary of or route taken by a travelling evangelist preacher. (Variant of the more common "sawdust trail.") Primarily heard in US. *Old Bill Baxton? Shoot, he's been on the sawdust circuit for the better part of his life. He probably wouldn't be able to settle down in one place if he tried!*

the sawdust trail 1. dated The path or journey to redemption or rehabilitation (as for a sinner or criminal) by accepting, practicing, or converting to Christianity at an evangelist revival meeting. Alludes to sawdust-covered aisles of the temporary church dwellings for revival meetings in the early 1900s. Primarily heard in US. *That travelling evangelist has been pleading for everyone in town to hit the sawdust trail, for he believes that the end is nigh.* **2.** (sometimes capitalized) dated The itinerary of or route taken by a travelling evangelist preacher. Primarily heard in US. *Old Bill Baxton? Shoot, he's been on the Sawdust Trail for the better part of his life. He probably wouldn't be able to settle down in one place if he tried!*

say a few words To give a short speech or present a brief account of something. *I've asked Ms. Thompson to say a few words before the assembly begins. Later in the book, I will deal with Samuel Beckett's influence on the avant-garde, but first, I'd like to say a few words about his early childhood in Ireland.*

say again Could you please repeat what you just said? *Sorry, Mike, say again? I'm getting bad reception here.*

say goodbye to (something) To lose or end something, especially suddenly; to be forced to accept such a loss or end. *You were caught drinking on school property? Well, you can say goodbye to your brand new car, mister! After the final horse lost its race, I said goodbye to all the money I'd won that day at the track. You do realize that you'll be saying goodbye to all the benefits the company has to offer if you decide to work as a freelancer?*

say her name A rallying cry to increase awareness of oppression and violence against black women. It was popularized after Sandra Bland, a black woman, died in police custody in 2015. *The protestors outside city hall are chanting, "Say her name!"*

say uncle To admit defeat and/or plead for mercy, especially in an informal physical contest of some kind. Can also be used as an imperative

phrase to demand that someone give up or admit defeat. *The brothers often play fought, but it was invariably the younger of the two who had to say uncle by the end. Say "uncle," and I'll let you out of this headlock!*

says it all A phrase used to emphasize a particular detail, usually because it is evidence of a bigger issue. *When I asked my mom if she was mad at me, her silence said it all. Oh, he's still petrified of dogs—the look of terror on his face says it all!*

Scarborough warning No warning. The phrase might refer to a surprise attack on the castle of Scarborough in the 16th century. Primarily heard in UK. *Well, that thunderstorm came through with a Scarborough warning—it wasn't supposed to rain today at all.*

scarce as a hen's tooth See [\(as\) scarce as hens' teeth](#).

scarcely ever Nearly never; very infrequently; only on a few or rare occasions. *We used to go visit Grandma and Grandpa every year when I was a kid, but nowadays, I scarcely ever see them. I scarcely ever get the chance to go out to the movies alone since having kids.*

scarcer than hens' teeth Incredibly scarce or rare; extremely difficult or impossible to find. *Support for the president is scarcer than hens' teeth in this part of the country.*

scare (someone) silly To shock or frighten someone very suddenly and/or severely. (Hyperbolically alludes to frightening someone so severely as to cause them to lose their mind.) *Don't sneak up on me like that, you scared me silly! That car accident seems to have scared Janet silly—she's still shaken by it.*

scare (someone) straight To shock or frighten someone so severely that their bad behavior or actions become corrected or markedly improved. (That which frightens the person is often some example or manifestation of the possible consequences of those actions or behavior.) *We felt like we just couldn't control our teenager's behavior any longer, so we sent him to a prison boot camp to scare him straight. I had a really bad drug addiction in college, but seeing my friend die from an overdose really scared me straight.*

scare story A story or rumor that makes something seem more serious, dreadful, or terrifying than it really is. *Every year around Halloween, there's some scare story in the news about razor blades being found in candy. You*

just can't listen to all the scare stories people love to spread or you'd end up being afraid of everything!

scare the bejabbers out of (someone) To shock or frighten someone very suddenly and/or severely. ("Bejabbers," a variant of "bejesus," is a mild euphemistic oath used here as an intensifying noun.) Primarily heard in Ireland. *Don't sneak up on me like that, you scared the bejabbers out of me! That car accident seems to have scared the bejabbers out of Janet—she's still shaken by it.*

scare the bejabers out of (someone) To shock or frighten someone very suddenly and/or severely. ("Bejabers," a variant of "bejesus," is a mild euphemistic oath used here as an intensifying noun.) Primarily heard in Ireland. *Don't sneak up on me like that, you scared the bejabers out of me! That car accident seems to have scared the bejabers out of Janet—she's still shaken by it.*

scare the bejeebers out of (someone) To shock or frighten someone very suddenly and/or severely. ("Bejeebers," a variant of "bejesus," is a mild euphemistic oath used here as an intensifying noun.) *Don't sneak up on me like that, you scared the bejeebers out of me! That car accident seems to have scared the bejeebers out of Janet—she's still shaken by it.*

scare the bejesus out of (someone) To shock or frighten someone very suddenly and/or severely. ("Bejesus," a mild euphemistic oath, is here used as an intensifying noun.) *Don't sneak up on me like that, you scared the bejesus out of me! That car accident seems to have scared the bejesus out of Janet—she's still shaken by it.*

scare the crap out of (someone) vulgar To shock or frighten someone very suddenly and/or severely. (Hyperbolically alludes to frightening someone so badly as to cause them to lose bowel control.) *Don't sneak up on me like that, you scared the crap out of me! That car accident seems to have scared the crap out of Janet—she's still shaken by it.*

scare the life out of (someone) To shock or frighten someone very suddenly and/or severely. (Hyperbolically alludes to frightening someone so badly as to cause them to die.) *Don't sneak up on me like that, you scared the life out of me! That car accident seems to have scared the life out of Janet—she's still shaken by it.*

scare the (living) daylight out of (someone) To shock or

frighten someone very suddenly and/or severely. *Don't sneak up on me like that; you scared the living daylights out of me!*

scare the shit out of (one) vulgar slang To shock or frighten one very suddenly and/or severely. (Hyperbolically alludes to frightening someone so badly as to cause them to lose control of their bowels.) *Don't sneak up on me like that, you scared the shit out of me! That car accident seems to have scared the shit out of Janet—she's still shaken by it.*

scaredy-cat A person who is easily frightened or needlessly afraid. *Greg called Joanne a scaredy-cat because she didn't want to go exploring in the woods after dark.*

scarlet red A dark reddish dye that is used as a biological stain. *You can see that the fat in that tissue sample has been stained scarlet red.*

scarlet woman A woman who is ostracized because of promiscuous behavior. *Once everyone learned of her affair, she moved away from the city, rather than staying and being labeled a scarlet woman.*

a scholar and a gentleman Someone (usually a male, due to the gender implication of "gentleman") who is admirable or of high esteem. Although used sincerely as a compliment, it is generally bombastic and lighthearted in nature. *Thank you for helping me move into the new house, you are truly a scholar and a gentleman.*

a scholar and a gentleman See [a gentleman and a scholar](#).

the school of life The informal education one receives by learning from one's experiences, both good and bad, rather than a formal educational institution. *My uncle might not have made it past grade school, but he's learned more from the school of life than most of our professors. A proper education is indeed important, but do not neglect the lessons you receive from the school of life.*

schoolboy error A very simple, basic, or fundamental mistake or error. Primarily heard in UK. *Thanks to a schoolboy error by their opponents' keeper, the football club will advance to the next round of the tourney. The math textbook had to be reprinted after several schoolboy errors were discovered in some of the equations.*

scientia potentia est A Latin phrase meaning "knowledge is power." Renaissance scholar Sir Francis Bacon is usually credited with popularizing

the phrase. *A successful life starts with a good education—after all, scientia potentia est.*

the score The complete, accurate details of a situation; what is really happening or expected to happen. *Okay, everyone knows the score, right? We get in, get the money, and get out—no one inside gets hurt, do you understand?*

score off (someone) To gain an advantage over, outdo, defeat, triumph over, humiliate, or make some detrimental remark to someone. Primarily heard in UK. *It feels as though I'm scoring off life every time I harvest a vegetable out of my back garden. Mark's younger cousin always makes a point of scoring off him when they get into arguments as a way of flaunting his intellect.*

score (something) off (someone, something, or some place) To get something one wants from some person, place, or thing, especially for free. *I scored two tickets to the concert off Janet's brother-in-law! I'm going to try to score some software from the IT department at work. We scored all our furniture off an online swap-and-shop site.*

a score to settle An old problem, grudge, or grievance (with or against someone or something) that one wishes or intends to redress or rectify. *I've had a score to settle with my brother ever since he ran away with my wife. The former champion entered the competition with a score to settle, after being knocked out of the tournament last year by a newcomer. There are a few scores I still need to settle with my old bosses, but otherwise, I've pretty well moved on.*

Scotch mist A thick mist and drizzling rain, as is common in some parts of Scotland and England. Primarily heard in UK. *I hope you brought your umbrella today, because we'll be walking in a Scotch mist.*

scout about (for someone or something) To search, inspect, or look around an area (for someone or something). *I've been scouting about for a suitable plot of land to build our house, but it's been tough finding one! With Jimmy's arm broken, we'll have to scout about for a new pitcher.*

scout around (for someone or something) To search, inspect, or look around an area (for someone or something). *I've been scouting around for a suitable plot of land to build our house, but it's been tough*

finding one. Scout around the yard to see if you can find my lost ring.

Scout's honour An oath that one is being ingenuous or honest, or will uphold a promise or duty. Alludes to the oath taken by a member of the Scouting movement to be upstanding, trustworthy, and honest. Primarily heard in UK. *I swear that I'll behave myself at your brother's wedding, Scout's honour!* A: "Are you really telling me the truth about what happened to my car?" B: "Scout's honour!"

scrape (someone or something) together To find and gather or collect (things or people) from various sources or locations. *I managed to scrape together enough cash to get a bus out to Vancouver to see my girlfriend this weekend. How are we ever going to scrape enough people together to form a team by this weekend?*

scrape (someone or something) up To find and gather or collect (things or people) from various sources or locations. *I managed to scrape up enough cash to get a bus out to Vancouver to see my girlfriend this weekend. How are we ever going to scrape enough people up to form a team by this weekend?*

scrape (someone or something) up off (something) To peel or gather something or someone up from some surface, such as the floor or the road, especially when that person or thing is or seems to be stuck to it. *I passed out after drinking at the party until 6 AM, and I had to be scraped up off the floor the next morning. I spent about an hour last night scraping dried pizza cheese up off the carpet.*

scratch for (one)self To be self-sufficient. *Now that you're a college student living on campus, you can't rely on your parents to take care of you—you need to scratch for yourself. I come from a big family, so I've been scratching for myself since I was a little kid.*

scratch (someone or something) together To find and gather or collect (things or people) from various sources or locations. *I managed to scratch together enough cash to get a bus out to Vancouver to see my girlfriend this weekend. How are we ever going to scratch enough people together to form a team by this weekend?*

scratch (someone or something) up 1. To damage the surface of something or someone's skin with scratches. *Those prickly bushes by the fence really scratched me up. Who scratched my car up? I know it didn't look*

like this the last time I drove it! 2. To find and gather or collect (things or people) from various sources or locations. I managed to scratch up enough cash to get a bus out to Vancouver to see my girlfriend this weekend. How are we ever going to scratch enough people up to form a team by this weekend?

scratch that set phrase An interjection telling someone to ignore, forget, or disregard what was just said or instructed. *I wonder how much it would be to have our wedding inside the aquarium? Actually, scratch that, that's a ridiculous idea.*

scream loudest To draw attention to a particular cause or problem, typically by overshadowing others. *So we get to freeze in here while that department moves to a better office, just because they screamed loudest about the heat not working in this part of the building.*

scream (one's) head off To scream or yell very loudly and lengthily. *Suzy screamed her head off when I told her she couldn't have an ice cream cone. The stadium was packed with fans screaming their heads off for the popular band. Don't bother listening to the crazies who stand on street corners and scream their heads off at passersby.*

scream (something) from the rooftops To share some news or information publicly and with as many people as possible. *I was ready to scream from the rooftops that we'd be having a baby, but my wife wanted to wait for a while before we made the news public. I know you want to scream it from the rooftops that you came in first in your class, but you should think about how it might make the other students feel and have a bit of modesty about it.*

screw (one's) courage to the sticking place To remain bold, resolute, determined, and courageous, especially in the face of possible danger, difficulty, hardship, or adversity. Taken from a line in Shakespeare's *Macbeth*: "We fail! But screw your courage to the sticking-place, and we'll not fail." *Men, some of us may not make it back alive, but such is the nature of war; so screw your courage to the sticking place and show them what you're made of! I'm really nervous about asking Sarah out on a date, but I'm going to screw my courage to the sticking place and ask her by the end of the day.*

screw (one)self up to concert pitch To prepare for any event or

crisis that may occur. *My dad is nervous about me driving so far on my own, so I'm sure he's screwed himself up to concert pitch and is stationed by the phone in case I call.*

screw the pooch vulgar slang To make a very serious, grievous, or irreversible mistake; to ruin something or cause something to fail due to such an error. *I'm sorry, boss, I really screwed the pooch this time. Do you think we can get the clients back if I explain that it was all a misunderstanding because of me? This operation depends on you, so don't screw the pooch!*

screw up (one's) courage to the sticking place To remain bold, resolute, determined, and courageous, especially in the face of possible danger, difficulty, hardship, or adversity. *Men, some of us may not make it back alive, but such is the nature of war; so screw up your courage to the sticking place and show them what you're made of! I'm really nervous about asking Sarah out on a date, but I just need to screw up my courage to the sticking place and go through with it.*

scruff of her neck See [by the scruff of \(one's\)/its/the neck](#).

scuba diver One who dives underwater while wearing a mask attached to a container of compressed air that allows for long periods of breathing without resurfacing. "Scuba" was originally an acronym for "self-contained underwater breathing apparatus." *I don't think I have a future as a scuba diver, but I really enjoyed looking at the coral reef underwater.*

sea change A complete transformation. *The transition from using desktop computers to mobile devices represents a sea change in data management within the field of information technology.*

sea dog A sailor, especially a man, who is older and/or has had a lot of experience on the seas. *The bar was packed with old sea dogs who'd travelled all across the world, sharing stories of their adventures.*

seagull approach business slang A management style or approach in which the manager only becomes involved in a matter when a problem is perceived to have arisen, especially when they have little other knowledge about said matter and only cause more problems as a result of their involvement. *I'm sick of this new boss's seagull approach. If he would just let us get on with our work instead of swooping in every time there's a hiccup, we'd nearly be finished by now!*

seagull management business slang A management style or approach in which the manager only becomes involved in a matter when a problem is perceived to have arisen, especially when they have little other knowledge about said matter and only cause more problems as a result of their involvement. *I'm sick of this new boss's seagull management. If he would just let us get on with our work instead of swooping in every time there's a hiccup, we'd nearly be finished by now!*

seagull manager business slang A manager who only becomes involved in a matter when a problem is perceived to have arisen, especially when they have little other knowledge about said matter and only cause more problems as a result of their involvement. *I'm sick of this new seagull manager. If he would just let us get on with our work instead of swooping in every time there's a hiccup, we'd nearly be finished by now!*

seal the deal To solidify, finalize, or decide upon an agreement or the terms thereof. *I wasn't convinced at first, but it sealed the deal when he offered to include a 10-year warranty for free. We both benefit from this arrangement, so let's quit stalling and seal the deal!*

seat-of-the-pants 1. Done without a clear plan or direction. *I know my parents think that dropping out of college was a seat-of-the-pants decision, but I just signed with a record label and am launching my singing career! 2.* Done without relying on instruments for help or instruction. *Once that computer malfunctioned, the pilot had to make a seat-of-the-pants landing.*

second banana 1. A performer who acts as a support to a lead comedian (the so-called "top banana"), as during a burlesque or vaudeville routine. *I generally don't mind playing second banana when I'm with such a legendary comedian, but it would be nice to be the one getting all the laughs once in a while. 2.* By extension, someone who occupies a secondary, lesser, or subservient role or position. *I've been second banana in this company for too long now. I'm going to start up my own business, and then I'll be the one in charge!*

second bite of the apple A second chance or opportunity. *Since a large percentage of her students failed the calculus exam, the teacher decided to give them a second bite of the apple by allowing them to take the test again.*

second bite of the cherry A second chance or opportunity. Primarily

heard in UK. *Since a large percentage of her students failed the calculus exam, the teacher decided to give them a second bite of the cherry by allowing them to take the test again.*

second childhood 1. A time in a person's life (especially an older person) when their mental capacity is reduced to that of a child, as due to disease or old age. *After my grandfather suffered his second stroke, he really entered into a second childhood.* **2.** A period of rejuvenated or renewed interest in things that interest a child. *Being a part of my son's life as he grows up has been like a second childhood for me, because seeing him experience the magic of the world has made me appreciate it again as well. Jerry's sort of been in his second childhood ever since he lost his job, as he's gotten back into model train building and video games.*

second-class citizen One who is deemed less important than others within a society. *The waitress was so rude to me that I started feeling like a second-class citizen. We live in this neighborhood, too, and we should be allowed to voice our opinions, instead of being ignored like second-class citizens!*

second gear One of the lower gears in a motor vehicle; it prioritizes torque over speed. The term is most often associated with manual transmission vehicles, in which one must shift the gears manually while driving. *The car will drive better if you keep it in second gear while towing the boat. Shift into second gear so that we don't come flying down this steep hill!*

Second place is the first loser. sports adage Coming in second place means you have still ultimately failed to win in the end. Popularized by (and often credited to) race car driver Dale Earnhardt, Sr. (1951–2001). *You go out into that ring and you give it absolutely everything you've got! After all, second place is the first loser!*

second string The substitute players who replace the starters (or "first string") as a game goes on. A player on the second string is considered the second best player in that position. *I'm only a freshman, so I'm thrilled to be second string. Just making the football team at all is exciting! Those guys need a breather—send in the second string.*

see a man about a dog To leave somewhere without explaining where one is going. The phrase is usually used as part of an obvious

euphemism for going to the bathroom or going to get an alcoholic drink. *And that's why quantum physics is a hoax. Now, if you'll excuse me, I need to go see a man about a dog.*

see a man about a horse To leave somewhere without explaining where one is going, but usually used as an obvious euphemism for going to the toilet or getting an alcoholic drink. *And that's why quantum physics is a hoax. Now, if you'll excuse me, I need to go see a man about a horse. Beth's dad is always "seeing a man about a horse." I think he needs some help because the family barely sees him anymore.*

see how the land lies To find out about or come to understand a particular state of affairs or the way a situation exists or has developed, especially before taking any decisive or definitive action. *Given the turbulent nature of this market, I think it would be prudent for us to see how the land lies before we agree to invest in your company. I'm just seeing how the land lies between my parents before I make any solid plans to come visit them.*

see how the wind blows To find out about or come to understand a particular state of affairs or the way a situation exists or has developed, especially before taking any decisive or definitive action. *Given the turbulent nature of this market, I think it would be prudent for us to see how the wind blows before we agree to invest in your company. I'm just seeing how the wind blows between my parents before I make any solid plans to come visit them.*

see how the wind is blowing To find out about or come to understand a particular state of affairs or the way a situation exists or has developed, especially before taking any decisive or definitive action. *Given the turbulent nature of this market, I think it would be prudent for us to see how the wind is blowing before we agree to invest in your company. I'm just seeing how the wind is blowing between my parents before I make any solid plans to come visit them.*

see in a bad light See [in a bad light](#).

see red To fall into a state of extreme anger, excitement, or competitive arousal, such as might cloud one's judgement or senses. *He's generally not a confrontational person, but you'd better get out of his way when he sees red! I see red when anyone disrespects my wife.*

see (someone's) point To understand and/or come to agree with a

particular point someone is trying to make. A: *"The early flight might be cheaper, but we won't enjoy our first day there because we'll be so tired!"* B: *"OK, I see your point. Let's book the later one instead."* But Bob, if we don't secure the investment by Friday, we stand to lose everything the other investors had put in so far. Do you see my point?

see the point in (doing) (something) To understand or appreciate the meaning, reason, or importance of (doing) something. *I just don't see the point in another year in high school when I know I can go find work now! I hope you see the point in all the things your mother and I do for you! I'm just not really sure I see the point in taking classes over the whole summer just so I can graduate a semester early.*

see the point (of something) To understand or appreciate the meaning, reason, or importance of something. *I just don't see the point of another year in high school when I know I can go find work now! I hope you see the point of everything your mother and I do for you! I thought about taking some extra classes this summer, but I'm not sure I see the point.*

see (the) red mist To fall into a state of extreme anger, excitement, or competitive arousal, such as might cloud one's judgment or senses. Primarily heard in UK. *Their striker isn't the most consistent player on the pitch, but once he sees red mist, you had better get out of his way. I'm not sure what happened. I was at the pub having a pint, and then someone insulted me, and I guess I must have seen red mist because, the next thing I knew, I was being dragged away with bloodied knuckles.*

see which way the wind blows To find out about or come to understand a particular state of affairs or the way a situation exists or has developed, especially before taking any decisive or definitive action. *Given the turbulent nature of this market, I think it would be prudent for us to see which way the wind blows before we agree to invest in your company. I'm just seeing which way the wind blows between my parents before I make any solid plans to come visit them.*

see you next Tuesday vulgar slang A euphemism for "cunt," based on the sound of the first two words ("C U") and the initials of the next two.

seek a knot in a bulrush To engage in a futile task; to try to find problems where none exist. A bulrush is a grassy plant that is not prone to knots. *You'd have better luck seeking a knot in a bulrush than getting those*

flowers to grow on such rocky soil. I read the report so many times that the boss will be seeking a knot in a bulrush to try to find errors in it.

seismic shift A major change. (Seismology is the study of earthquakes.)
That press conference was such a disaster that I'm worried it will cause a seismic shift in how voters view him as a candidate for president. In just the last century, there has been a seismic shift in the treatment of women in this country.

seize the moment To take full advantage of life's opportunities whenever and wherever they present themselves; to live life to one's full potential. *I've tried to get the most out of life by always seizing the moment. That's how I ended up living in Europe and fell in love with your father!*

seize the moral high ground To claim, purport, or make it appear that one's arguments, beliefs, ideas, etc., are morally superior to those espoused by others. *The senator always tries to seize the moral high ground during a debate so as to shift public opinion in his favor.*

self-care Actions that one takes to maintain wellbeing and mitigate psychological or emotional stress. *Personally, I hate running, but it really calms some people down—they see it as self-care. Bubble baths are my favorite form of self-care.*

self-made man One who became successful and/or wealthy through hard work and not by inheritance or help from others. *Joe is a self-made man who worked long, hard hours to turn his small business into a large, successful company.*

selfie A picture taken of oneself by oneself, typically on a smartphone. *My little sister is always taking selfies of herself and her friends.*

sell a wolf ticket To threaten or try to intimidate someone with threats of violence or menacing, boastful words. *There's this guy in the bar, drunk off his head, going around selling a wolf ticket to anyone who'll listen. He's going to get himself knocked out if he's not careful. If he tries to sell you a wolf ticket, don't rise to it—I know for a fact that he carries a knife and would be all too happy to put it to use.*

sell a woof ticket To threaten or try to intimidate someone with menacing, boastful words. *There's this guy in the bar, drunk off his head, going around selling a woof ticket to anyone who'll listen. He's going to get*

himself knocked out if he's not careful. If he tries to sell you a woof ticket, don't rise to it. I know for a fact that he carries a knife and would be all too happy to put it to use.

sell-by date 1. The date by which a perishable item must be sold by a store. *Did you check the sell-by date on that carton of milk?* **2.** slang By extension, the figurative date by which one's usefulness or skill ends, usually due to aging. Primarily heard in UK. *I'm sure they think I'm past my sell-by date after I mixed up all those important files. We need to find a new lead dancer, as Bella is past her sell-by date now and only getting older.*

sell in May A warning to sell one's stocks in May, so as to avoid the instability that often plagues the stock market from May to October. *I know you're happy with how your stocks are performing now, but sell in May—you won't regret it.*

sell in May and go away A warning to sell one's stocks in May, so as to avoid the instability that often plagues the stock market from May to October. *I know you're happy with how your stocks are performing now, but sell in May and go away—you won't regret it.*

sell in May and stay away A warning to sell one's stocks in May, so as to avoid the instability that often plagues the stock market from May to October. *I know you're happy with how your stocks are performing now, but sell in May and stay away—you won't regret it.*

sell (one's) birthright for a bowl of soup To exchange something of great, important, or fundamental value for some financial gain that proves to be of little, trivial, or no value but which appears to be attractive or valuable on first reckoning. (A variant of "sell one's birthright for a mess of pottage," an allusion to Esau in Genesis 25:29–32, who sells to Jacob his birthright to his family's estate for a bowl of lentil stew (pottage).) *If we allow our obsession with job creation to undermine the health of the environment, humanity will ultimately end up selling its birthright for a bowl of soup.*

sell (one's) birthright for a mess of pottage To exchange something of great, important, or fundamental value for some financial gain that proves to be of little, trivial, or no value but which appears to be attractive or valuable on first reckoning. An allusion to Esau in Genesis 25:29–32, who sells to Jacob his birthright to his family's estate for a bowl of

lentil stew (pottage). *If we allow our obsession with job creation to undermine the health of the environment, humanity will ultimately end up selling its birthright for a mess of pottage.*

sell (one's) body To have sexual intercourse or perform sexual acts for money; to prostitute oneself. *Things had become so desperate for Jacob that he even considered selling his body just to earn enough to eat each day.*

sell sawdust to a lumber mill See [\(someone\) could sell sawdust to a lumber mill](#).

sell (something) for a mess of pottage To exchange something of great, important, or fundamental value for some financial gain that proves to be of little, trivial, or no value but which appears to be attractive or valuable on first reckoning. An allusion to Esau in Genesis 25:29–32, who sells to Jacob his birthright to his family's estate for a bowl of lentil stew (pottage). *The convenience of the Internet age has also brought an unprecedented level of access to people's personal information, leading some to believe that we've sold our right to privacy for a mess of pottage. If we allow our obsession with job creation to undermine the health of the environment, humanity will ultimately end up selling its future for a mess of pottage.*

sell wolf tickets To threaten or try to intimidate someone with threats of violence or menacing, boastful words. *There's this guy in the bar, drunk off his head, going around selling wolf tickets to anyone who'll listen. He's going to get himself knocked out if he's not careful. If he tries to sell you wolf tickets, don't rise to it—I know for a fact that he carries a knife and would be all too happy to put it to use.*

sell woof tickets To threaten or try to intimidate someone with threats of violence or menacing, boastful words. *There's this guy in the bar, drunk off his head, going around selling woof tickets to anyone who'll listen. He's going to get himself knocked out if he's not careful. If he tries to sell you woof tickets, don't rise to it—I know for a fact that he carries a knife and would be all too happy to put it to use.*

seller's market A market in which demand is greater than supply, thus creating better conditions for sellers than for buyers. *Since I'm buying in a seller's market, I'm really nervous that I won't be able to find a house in my price range.*

send (a) mixed message(s) To communicate something that has, or seems to have, multiple, ambiguous, or contradictory meanings. *My ex-girlfriend has accused me of sending mixed messages about our relationship, as if I'm hinting that I want to get back together with her. I just think it sends something of a mixed message to be advertising a new production assistant position right after we went through a round of layoffs.*

send (a) mixed signal(s) To communicate something that has, or seems to have, multiple, ambiguous, or contradictory meanings. *My ex-girlfriend has accused me of sending mixed signals about our relationship, as if I'm hinting I want to get back together with her. I just think it sends something of a mixed signal to be advertising a new production assistant position right after we went through a round of layoffs.*

send a shiver down (someone's) spine To cause an intense feeling of excitement, exhilaration, nervousness, or fear in someone. *The way that sonata swells always sends a shiver down my spine. It sent a shiver down my spine when Dorothy gave me such an amorous look. Can we get out of here? This creepy old house is sending a shiver down my spine!*

send a shiver up (someone's) spine To cause an intense feeling of excitement, exhilaration, nervousness, or fear in someone. *The way that sonata swells always sends a shiver up my spine. It sent a shiver up my spine when Dorothy gave me such an amorous look. Can we get out of here? This creepy old house is sending a shiver up my spine!*

send a sow to Minerva To try to teach someone who is smarter or more of an expert than oneself. The phrase presents the ridiculous image of Minerva, the goddess of wisdom, being taught by a pig. *Is he really explaining his songwriting process, as if it's that complex, to a famous musician? Talk about sending a sow to Minerva!*

send owls to Athens To do or undertake something redundant, pointless, or futile. It refers to the city of Athens in the time of Ancient Greece, where silver coins were minted with the image of an owl (which were abundant in the city). Thus, to bring either owls or silver to Athens would be a useless venture. *Creating a business to export olive oil to Italy is like sending owls to Athens! His plans to improve the economy by increasing taxes would simply be sending owls to Athens.*

send shivers down (one's) spine To cause an intense feeling of

fear, nervousness, exhilaration, or excitement in someone. *Can we get out of here? This creepy old house is sending shivers down my spine! The way that sonata swells always sends shivers down my spine. It sent shivers down my spine when Dorothy gave me such an amorous look.*

send shivers up (someone's) spine To cause an intense feeling of excitement, exhilaration, nervousness, or fear in someone. *The way that sonata swells always sends shivers up my spine. It sent shivers up my spine when Dorothy gave me such an amorous look. Can we get out of here? This creepy old house is sending shivers up my spine!*

send (someone) to an early grave 1. To do things or act in a way that is likely to result in one's premature death. *You're going to send yourself to an early grave if you keep drinking as much as you do now.* 2. To do things or act in a way that is likely to result in someone's premature death. *The stress of John's job is going to send him to an early grave.*

send the helve after the hatchet To make hasty, careless decisions; to discard something after encountering a setback. The image alludes to throwing away the handle ("helve") of a hatchet after the blade has broken off. *Come on, I'm sure we can fix it—don't send the helve after the hatchet. My little brother always gives up at the slightest problem, no matter how many times we remind him not to send the helve after the hatchet.*

a serpent in (one's) bosom Someone whom one has befriended, taken care of, or treated well but proves to be traitorous, untrustworthy, deceitful, or ungrateful. (A less common variant of "a viper in one's bosom." Used especially in the phrase "nourish/nurse/nurture a serpent in one's bosom.") *Well, it turns out that Margaret was quite a serpent in my bosom. I put my neck on the line to get her a job in our company, and then she turns around and tries to get me fired! I thought our love was not only mutual but indestructible; and yet, I have nursed a serpent in my bosom all these years: my darling husband has cast me out and run off with a younger woman.*

serpent in our bosom See [nurture a serpent in \(one's\) bosom](#).

serpent's tongue 1. A tendency to speak maliciously. A: "He has such a serpent's tongue that I hate to be around him." B: "Of course you do—who wants to be verbally attacked all the time?" 2. A nickname for a fossilized shark's tooth. *I think they call a shark's tooth a serpent's tongue because of how the root is forked.*

serve a purpose To fit or satisfy the necessary requirements; to be useful for or fit to achieve some aim, goal, or purpose. *Well, it isn't very flashy, but this old truck ought to serve a purpose somewhere on the ranch. I hope that my lessons served a purpose in my students' lives.*

serve (one) right To be or deliver the appropriate or deserved consequence(s) for one's improper actions. *It serves John right that Dave threw him out of his party last night. He was acting like such a jerk! My girlfriend broke up with me after she found out I had been cheating on her. Serves me right, I suppose. You tripped while making fun of those kids? Serves you right!*

serve (one) the same sauce To treat one the same way that one has treated you—usually poorly. *Of course she's not invited to the dinner party! She didn't invite me to her last soiree, so I'm serving her the same sauce.*

serve (someone's) purpose To fit or satisfy someone's requirements; to be useful for or fit to achieve someone's aim, goal, or purpose. *Well, it isn't a very pretty car, but it should serve our purpose just fine. Child: "But mom, I want a smartphone!" Mother: "Nonsense, the cell phone you already have serves your purpose just fine."*

serve the purpose To fit or satisfy the necessary requirements; to be useful for or fit to achieve some aim, goal, or purpose. *Well, it isn't a very pretty car, but it should serve the purposes of our mission. Child: "But mom, I want a smartphone!" Mother: "Nonsense, the cell phone you have serves the purpose just fine."*

serve two masters To simultaneously tend to or support or devote oneself to two different—often conflicting—responsibilities, pursuits, ideas, or people. It comes from the Biblical phrase, "No man can serve two masters." *You need to decide if you are married to your wife or to your work because you simply cannot serve two masters.*

set a high/low bar To establish an expected, required, or desired (but ultimately constrictive) standard of quality. *A: "At this point, I'm willing to go out with just about any guy, so long as he isn't living in his parents' basement." B: "Don't you think you're setting a bit of a low bar?" While you shouldn't take just any job you can get after college, be sure not to set too high a bar for an entry level job, or you may have trouble landing one at all.*

set a spell To sit down, relax, and socialize for a while at one's leisure. (A rural, colloquial variant of "sit for a spell.") *This saloon is a great place to set a spell and catch up with old friends. Well hey there, honey! Now you come in here and set a spell, we haven't seen you in a dog's age!*

set aback See [set \(someone\) aback](#).

set afire To light (something) on fire. *Do they know how the building was set afire? The trash can was probably set afire by some punk kids looking for trouble on a Friday night.*

set at odds To be in conflict. *Why are our parents suddenly set at odds? Did someone mention politics?*

set at rest See [set \(something\) at rest](#).

set back the clock To revisit, recount, return to, or recreate a time or era from the past. *The purpose of this conference is to set back the clock by analyzing remains of early human and trying to gain insight into their way of life. The governor is bent on setting back the clock and returning us to the ethics of the 1950s. I'd love to set back the clock to when I was a kid. It was such a happy, carefree time in my life.*

set by the ears See [set \(someone\) by the ears](#).

set clock ahead See [set the/\(one's\) clock\(s\) ahead](#).

set clock back See [set the/\(one's\) clock\(s\) back](#).

set great store by (something or someone) To have much faith, confidence, or belief in someone or something; to very seriously care about, appreciate, or respect someone or something. *It is important that one sets great store by one's friends, for it is to them one must turn when life becomes difficult. My brother is not one to set great store by obeying social rules or etiquette.*

set in cement See [set \(something\) in cement](#).

set in cement Firmly or permanently established; not subject to change; unalterable. *The healthcare law looks promising, but we'll have to wait until it's set in cement before we know exactly what it will do.*

set in concrete See [set \(something\) in concrete](#).

set in (one's) ways Inflexible; unwilling to change. *Grandma will never*

retire—she's been a teacher for 50 years and is totally set in her ways. You'll never convince him to change, he's too set in his ways now.

set it straight See [set \(something\) straight](#).

set it to rights See [set \(something\) to rights](#).

set no store by (something or someone) To have no faith, confidence, or belief in someone or something; to not care about, appreciate, or respect someone or something. *I, however, set no store by promises of the afterlife, so I have learned to enjoy my time here to the utmost. I'm afraid my brother should be kept off the list of guests, as he sets no store by obeying social rules or etiquette. My wife sets no store by me ever since she caught me cheating on her.*

set no store in (something or someone) To have no faith, confidence, or belief in someone or something; to not care about, appreciate, or respect someone or something. *I, however, set no store in promises of the afterlife, so I have learned to enjoy my time here to the utmost. I'm afraid my brother should be kept off the list of guests, as he sets no store in obeying social rules or etiquette. My wife sets no store in me ever since she caught me cheating on her.*

set (one) straight To correct one's attitude, belief, or behavior; to make sure one understands something correctly. *I had to set Stephen straight after I realized that he'd been operating the machinery wrong this whole time. Helen told me she thought the moon landing was faked, so I had to set her straight!*

set (one) wise slang To tell one something that one does not know; to inform someone about something of which they are ignorant. *We need to set those freshmen wise—they can't keep coming into the senior hallway! Everyone thought that Jen had dumped me, but I was quick to set them wise!*

set (one's) cap at (someone) dated To try to attract, secure, or win someone as a romantic partner or spouse. Said especially (though not exclusively) of a woman in pursuit of a bachelor. *Well, if he insists on remaining so inhospitable, then I shall simply set my cap at a man with a greater sense of charm and decency. The ladies of this town shall all be setting their caps at Mr. Rutherford, now that his inheritance has left him quite wealthy. But don't you find it rather unseemly for a man of his age and station to set his cap at a girl who's barely of voting age?*

set (one's) cap for (someone) dated To try to attract, secure, or win someone as a romantic partner or spouse. (Said especially (though not exclusively) of a woman in pursuit of a bachelor.) *Well, if he insists on remaining so inhospitable, then I shall simply set my cap for a man with a greater sense of charm and decency. The ladies of this town shall all be setting their caps for Mr. Rutherford, now that his inheritance has left him quite wealthy. Don't you find it rather unseemly for a man of his age and station to set his cap for a girl who's barely of voting age?*

set (one's) hand to 1. To sign something, such as a document. *As soon as you set your hand to these papers, you'll be the proud owner of a brand new car! I would never set my hand to such an unfavorable contract—I think my signature was forged.* **2.** To do or attempt (something). *I'm pretty good at any sport I set my hand to, except golf—my swing is still terrible despite lots of practice.*

set (one's) heart at rest To calm one's worries or fears. *I can always count on my mom to set my heart at rest when I'm wracked with anxiety. Bill was really worried about his grades until his report card finally came and set his heart at rest.*

set (one's) (own) house in order To put into order or resolve one's own personal problems or business affairs. *The president and his administration sorely need to set their house in order, or they may not live to see a second term in office. Jim should go about setting his own house in order before he starts criticizing how I live my life!*

set (one's) shoulder to the wheel To make a sustained, concentrated, and vigorous effort; to work very hard and diligently. *After I was nearly expelled in my first year of college, I decided to stop fooling around, set my shoulder to the wheel, and get as much out of my degree as I could. I know that the new deadline is tight, but if everyone sets their shoulders to the wheel, I know we can get it done in time!*

set (one's) teeth on edge 1. To greatly irritate or annoy one, especially to the point of affecting one's nerves. *Nothing sets my teeth on edge like seeing these cyclists run every red light in town! I don't know what it is about Terry, but there's something about his demeanor that just sets my teeth on edge.* **2.** To cause one to be upset, nervous, or uncomfortable. *Please don't tell me about your surgery, it sets my teeth on edge hearing about*

medical procedures.

set (one's/someone's) back up To be or become angry, hostile, defensive, or irritable, or to cause such a feeling in someone else. *John started setting his back up when his parents brought up the subject of college again. Election season always sets my dad's back up. Few things set my back up like hearing about a poacher killing an endangered animal.*

set (one's/someone's) mind to rest To assuage or relieve someone's or one's own worry, anxiety, dread, fear, etc. *I know you're anxious to hear how your father is doing after the surgery, so let me set your mind to rest: he's going to make a full recovery. I'm trying to set my mind to rest about these debts, but I just can't get it out of my head.*

set (oneself) up for a letdown To set one's expectations so high that one will inevitably be disappointed by the outcome. (Sometimes hyphenated as "let-down.") *I know you're really excited for this movie to come out, but I think you're setting yourself up for a letdown. John was so convinced that his relationship with Mary was perfect that he set himself up for a let-down in the long run.*

set pulses racing To be very thrilling, exhilarating, or exciting. *You could feel it in the air that the singer's performance was setting pulses racing. She has an intense, smoldering stare that sets pulses positively racing.*

set sail To embark on a journey on water in a boat (not necessarily one with sails). *We're about to set sail, so take care of any unfinished business in the port now or forever hold your peace! We only set sail a month ago, but it feels like we've been at sea for years now.*

set (someone) aback To startle, astonish, shock, or disconcert someone. (A less common variant of "take someone aback.") *It set us all aback a bit to learn that John was moving to England next month. I'm sure the news sets everyone aback, but please believe me that this is in the best interest of the company.*

set (someone) by the ears To cause (someone, generally a group of two or more people) to engage in a squabble, dispute, or altercation. *The entire town was set by the ears when it was announced that a giant megastore would be replacing many of its local shops and grocery marts. Jake likes to set his classmates by the ears as a means of getting attention.*

set (someone or something) loose To make free or give up control of something or someone; to release or discharge something or someone, as from confinement. *Due to a lack of evidence, the suspects were set loose by police. Samantha was suspended for setting mice loose throughout the school.*

set (someone or something) (up) on a pedestal To believe or behave as if someone or something is perfect, extraordinarily wonderful, or better than others. *I know it's easy to be smitten with a romantic partner, but I don't think it's healthy for one to set the other up on a pedestal. Stephen has been setting classic literature on a pedestal ever since college, so he gets really judgmental of other genres he deems to be inferior.*

set someone's back up See [set \(one's/someone's\) back up](#).

set someone's cap at See [set \(one's\) cap at \(someone\)](#).

set someone's cap for See [set \(one's\) cap for \(someone\)](#).

set someone's mind to rest See [set \(one's/someone's\) mind to rest](#).

set (someone's) pulse racing To excite, thrill, or exhilarate someone. *You could feel it in the air that the singer's performance was setting everyone's pulse racing. Her quick, sultry glances from across the room set my pulse racing.*

set (something) at rest To resolve, satisfy, or conclude something; to pacify, calm, or settle something. *We've been arguing over this will for nearly a year now. Can't we just set this all at rest? I hope this explanation will help finally set these questions at rest. News of the EU bailout has set the turbulent markets at rest, at least for the time being.*

set (something) in cement To establish something firmly or permanently; to make something unalterable or not subject to change. *The healthcare law looks promising, but we'll have to wait until Congress sets it in cement before we know exactly what it will do.*

set (something) in concrete To establish something firmly or permanently; to make something unalterable or not subject to change. *The healthcare law looks promising, but we'll have to wait until Congress sets it in concrete before we know exactly what it will do.*

set something loose See [set \(someone or something\) loose](#).

set something on a pedestal See [set \(someone or something\) \(up\) on a pedestal](#).

set (something) straight To straighten something out or make something properly arranged; to fix, correct, or make amends for something. *We still need to set a few details straight in this contract before I'm ready to sign it. I've got to set my marriage straight before I can think of doing anything else.*

set (something) to rights To restore something to its proper, natural, or original state or condition. *I never worry about keeping my hotel room tidy, because I know they'll send someone to set it to rights once I leave. I'm going to have to spend the entire weekend setting this contract to rights after the intern mangled it.*

set store by (something or someone) To have faith, confidence, or belief in someone or something; to care about, appreciate, or respect someone or something. *It is important that one sets store by one's friends, for it is to them one must turn when life becomes difficult. My brother is not one to set store by obeying social rules or etiquette.*

set store in (something or someone) To have faith, confidence, or belief in someone or something; to care about, appreciate, or respect someone or something. *I, however, have set store in the promise of the afterlife, so I choose to lead my life piously and devoutly. I'm afraid my brother should be kept off the list of guests, as he's not one to set great store in obeying social rules or etiquette. It's important to have close friends in life that you may set store in when times are tough.*

set straight See [set \(one\) straight](#).

set teeth on edge See [set \(one's\) teeth on edge](#).

set the bar (high/low) To establish an expected, required, or desired standard of quality. (Often said of a standard that is constrictive in being either too low or too high). A: *"At this point, I'm willing to go out with just about any guy, so long as he isn't living in his parents' basement."* B: *"Don't you think you're setting the bar a little low?"* While you shouldn't take just any job you can get after college, be sure not to set the bar too high for an entry level job, or you may have trouble landing one at all. *I hear that the new restaurant around the corner really sets the bar for exquisite seafood.*

set the heather alight To do wonderful or exciting things; to cause a great or remarkable sensation in the world; to be extremely exciting, popular, famous, renowned, etc. (Often used in the negative to indicate the opposite. Said especially in Scotland.) Primarily heard in UK. *I wouldn't be too concerned with what he thinks of you. For all his money and education, he's hardly setting the heather alight, is he? When she was a child, Janet dreamed of setting the heather alight as a famous actress.*

set the heather on fire To do wonderful or exciting things; to cause a great or remarkable sensation in the world; to be extremely exciting, popular, famous, renowned, etc. (Often used in the negative to indicate the opposite. Said especially in Scotland.) Primarily heard in UK. *I wouldn't be too concerned with what he thinks of you. For all his money and education, he's hardly setting the heather on fire, is he? As a girl, Janet dreamed of setting the heather on fire as a famous actress.*

set the Thames alight To do wonderful or exciting things; to cause a great or remarkable sensation in the world; to be extremely exciting, popular, famous, renowned, etc. (Refers to the Thames river in London. Often used in the negative to indicate the opposite.) Primarily heard in UK. *I wouldn't be too concerned with what he thinks of you. For all his money and education, he's hardly setting the Thames alight, is he? When she was a child, Janet dreamed of setting the Thames alight as a famous actress.*

For all his money and education, he's hardly setting the world alight, is he? As a girl, Janet dreamed of setting the world alight as a famous actress.*

set the world on fire To do wonderful or exciting things that cause a

great or remarkable sensation in the world; to be extremely popular, famous, renowned, etc. (Often used in the negative to indicate the opposite.) Primarily heard in US. *I wouldn't be too concerned with what he thinks of you. For all his money and education, he's hardly setting the world on fire, is he? As a girl, Janet dreamed of setting the world on fire as a famous actress.*

set the/(one's) clock(s) ahead To advance the time on one's clock(s) ahead by one hour to account for the beginning of daylight saving time. *Don't forget to set your clock ahead tonight or you'll end up oversleeping tomorrow! I hate having to set the clocks ahead every spring, it's such an antiquated custom.*

set the/(one's) clock(s) back To adjust the time on one's clock(s) back by one hour to account for the end of daylight saving time. *Don't forget to set your clock back tonight. We get to sleep in a little bit tomorrow! I hate having to set the clocks back every fall, it's such an antiquated custom.*

set their hand to See [set \(one's\) hand to](#).

set their heart at rest See [set \(one's\) heart at rest](#).

set their house in order See [set \(one's\) \(own\) house in order](#).

set their shoulder to the wheel See [set \(one's\) shoulder to the wheel](#).

set them aback See [set \(someone\) aback](#).

set them by the ears See [set \(someone\) by the ears](#).

set them wise See [set \(one\) wise](#).

set themselves up for a let-down See [set \(oneself\) up for a letdown](#).

set to rights See [be set to rights](#).

set tongues (a-)wagging To be a source of gossip or idle speculation. *Just when the dust of his previous scandal had begun to settle, the governor committed a new faux pas to set tongues a-wagging across the country. Being such a media celebrity means that anything one does, no matter how banal, is enough to set tongues wagging.*

set your back up See [set \(one's/someone's\) back up](#).

set your cap at See [set \(one's\) cap at \(someone\)](#).

set your cap for See [set \(one's\) cap for \(someone\)](#).

set your mind at rest See [set \(something\) at rest](#).

set your mind to rest See [set \(one's/someone's\) mind to rest](#).

settle a score (with someone) To get vengeance (on someone) for a past wrong or grievance; to punish someone for causing one harm or misfortune in the past. *The former champion entered the competition looking to settle a score with the young player who dethroned him in the previous tournament. After five years in hiding from the law, Hofstadter decided it was time to return to town and settle a score.*

settle accounts **1.** To pay or receive money owed. The phrase can be used by the debtor or the debtee. *I need to settle accounts with Dean now, before I owe him even more money! Thanks for settling accounts with me, I really needed the money this month.* **2.** To avenge a misdeed. *Now that she thinks I started that rumor about her, I'm worried about how she is going to settle accounts with me. Oh, I'll use my fists to settle accounts with him after school!*

settle an old score (with someone) To get vengeance on someone for a past wrong or grievance; to punish someone for causing one harm or misfortune in the past. *The former champion entered the competition looking to settle an old score with the young player who dethroned him two years prior. After five years in hiding from the law, Hofstadter decided it was time to return to town and settle some old scores.*

settle on (something) To come to a decision about something; to determine or agree on something, especially after a prolonged debate or decision-making process. *Have you kids settled on an idea for your school project yet? It took some time, but Sarah and I finally settled on an appropriate price for the house.*

settle the score (with someone) To get vengeance (on someone) for a past wrong or grievance; to punish someone for causing one harm or misfortune in the past. *The former champion entered the competition looking to settle the score with the young player who dethroned him in the previous tournament. After five years in hiding from the law, Hofstadter decided it was time to return to town and settle the score.*

settle upon (something) To come to a decision about something; to

determine or agree upon something. (A more formal version of "settle on something.") *Well, gentlemen, if we're settled upon the terms of the agreement, then let us sign the contract without any further ado. It took some time, but Sarah and I finally settled upon an appropriate price for the house.*

seven-day wonder A person or thing that generates interest for only a short amount of time. *The band's biggest fear was becoming a seven-day wonder, soon to be forgotten when the next big sound hit the airwaves.*

several bricks short of a (full) load A pejorative phrase meaning not very intelligent or of questionable mental capacity. This expression can appear in many different forms and variations (e.g., "a few sandwiches short of a picnic," "one card shy of a full deck," etc.). *He says he's going to start a business selling bees as pets—I think he may be several bricks short of a load. The new manager is nice enough, but he's several bricks short of a full load, if you ask me.*

several cards short of a (full) deck A pejorative phrase meaning not very intelligent or of questionable mental capacity. This expression can appear in many different forms and variations (e.g., "a few sandwiches short of a picnic," "one brick short of a load," etc.). *He says he's going to start a business selling bees as pets—I think he may be several cards short of a deck. The new manager is nice enough, but he's several cards short of a full deck, if you ask me.*

sewer rat A common brown rat, so-called because it is often found in sewers. *Why are you screaming? Haven't you ever seen a sewer rat before? Walk faster, there are sewer rats in here!*

sex kitten A physically and sexually attractive young woman. *With some new clothes and makeup, I bet she would be quite a sex kitten.*

sex object One who is valued or regarded as a source of sexual pleasure. *She was tired of being treated like a sex object, so she began dressing more conservatively and demanded more respect from the men within her social circle.*

sex on a stick vulgar slang An extremely sexually attractive person. *Well, he's not exactly sex on a stick, but he's a kind, decent, and funny man, and he knows how to treat me right.*

sex on legs vulgar slang An extremely sexually attractive person. *Well,*

he's not exactly sex on legs, but he's a kind, decent, and funny man, and he knows how to treat me right.

the sex talk An informal lecture or conversation about reproduction and sexual intercourse, especially as given by parents to their children. *I know it can be embarrassing and awkward having the sex talk with your kids, but it's important for them to know that they can come to you if they have any questions or concerns about sex as they enter puberty.*

sex, drugs, and rock 'n' roll A phrase used to indicate a wild, hedonistic lifestyle. *Being a touring musician is not as exciting as it seems—it's definitely not all sex, drugs, and rock 'n' roll.*

sext **1.** noun A sexually-explicit text message, often including a photo. *I was mortified when my mom saw the sext my boyfriend had sent me.* **2.** verb To send someone such a message. *I was mortified when my mom caught me sexting my boyfriend.*

sexual congress Sexual intercourse, especially between a man and a woman. *As there was no hard evidence that sexual congress occurred outside of marriage, the judge was obliged to uphold the prenuptial agreement during the divorce proceedings.*

sexual minority A phrase said of one whose sexual orientation is not completely heterosexual. It is typically used as an adjective (i.e. "sexual minority males"). *When I worked in the counseling center, many of my patients were sexual minority teenagers.*

sexual relations Sexual intercourse or activity between two or more people. *As there was no hard evidence that sexual relations occurred outside of marriage, the judge was obliged to uphold the prenuptial agreement during the divorce proceedings. I hear Jim got fired for having sexual relations with his secretary.*

sexual tension A tension, awkwardness, or underlying unease in the relationship of two people resulting from a strong mutual sexual attraction between them that has not been consummated. *Just ask Chuck out already—I'm sick of being around you two and witnessing all your sexual tension. I can just feel the sexual tension every time Matt and I are together.*

shacked up **1.** Living or sharing accommodations with someone while having a (usually casual) sexual relationship with them. *I haven't seen my*

sister in weeks. I hear she's shackled up with some guy from Oklahoma these days. I was shackled up for a while with a woman I met downtown, but I've been on my own for the last couple of months. 2. Temporarily sharing accommodations with someone. A: "Do you have a place to stay while you're in town for the wedding?" B: "Yeah, I'm shackled up with my brother and his fiancée for the weekend."

shade slang Subtle insults or expressions of disapproval. *I was just checking my phone for a second when Joe totally threw shade at me, saying, "Some of us don't need to be glued to our phones every minute of the day." My mom is the queen of shade. She loves to say, "Is that really what you're going to wear?"*

shadow of (one's) former self Someone or something that is now weaker or inferior than previously, often due to negative circumstances. *After suffering from a prolonged illness, Sharon was a shadow of her former self. Many of the town's residents moved away, leaving it a shadow of its former self.*

a shadow of (one's) former self A person whose personality has changed dramatically to become decreased in vivacity in some way, often following some traumatic event. *Ever since Tim was in that accident, he's been a shadow of his former self. She's so quiet now, like a shadow of her former self. Does anyone know what happened to the bubbly girl we once knew?*

shady past A dubious, suspicious, or potentially immoral or illegal past history. *Investigators have begun looking into the shady past of the bankrupt company's CEO. I don't know, John, I wouldn't go out with a guy who has a shady past like that.*

shaggy dog story A long-winded anecdote that has a silly or anticlimactic ending. *The old man was known for telling shaggy dog stories that made people groan and scratch their heads when he reached the ending.*

shake hands with the unemployed slang Of a man, to urinate. Primarily heard in Australia. *I'll be right back, I have to shake hands with the unemployed.*

shake in (one's) boots To tremble with fear. Usually used sarcastically. *My brother is so strong and scary-looking that people shake in their boots when he threatens them. Ooh, I'm really scared of you! I'm*

shaking in my boots, you frighten me so!

shake in (one's) boots To tremble with fear or nervousness. Often used sarcastically. *My brother is so strong and scary looking that he leaves people shaking in their boots when he threatens them. Ooh, I'm really scared of you! I'm shaking in my boots, you frighten me so!*

shake in (one's) shoes To be very nervous or afraid, often visibly so. *That poor kid is shaking in his shoes up there on stage. I may seem confident when I'm leading a training seminar, but I'm really shaking in my shoes most of the time.*

shake like a leaf To tremble violently with fear or nervousness. *My brother is so strong and scary looking that he leaves people shaking like a leaf when he threatens them. I was shaking like a leaf when I went up to deliver my speech in front of all those people.*

shake like an aspen leaf To tremble. Aspen leaves have long, flat stalks that are easily blown by the wind. *I may seem confident when I'm leading a training seminar, but I'm really shaking like an aspen leaf most of the time. It's so cold in here that the poor girl is shaking like an aspen leaf.*

shake on it To confirm an agreement with someone by shaking hands. *I can't believe he broke his promise to me after we shook on it and everything! I agree to the terms of this deal, so let's shake on it.*

shake the pagoda tree dated To obtain or earn money very quickly and readily, especially in colonial India during its time as part of the British Empire. A pun referencing the *pagoda*, a gold coin formerly issued in various dynasties of southern India, and the *Plumeria rubra*, a deciduous plant commonly called the "pagoda tree." *By securing illegal inside deals with politicians and local business authorities, Sir Fleetwood looked to shake the pagoda tree for everything it was worth.*

shaken up Greatly startled, shocked, or upset. *I was very shaken up after the car accident. I couldn't even speak properly to the police for about an hour. I remained shaken up for most of the day after hearing about my grandfather's death.*

sham Abraham obsolete To feign mental or physical illness or distress, so as to avoid work. Used especially among seamen. "Abraham men" were a class of beggars who would roam the country pretending madness so that

strangers might take pity on them and offer them alms. *It came to light that the boatswain had shammed Abraham, under the pretenses of consumption or some such wasting illness, so that he might remain at shore and drink up the profits from his previous voyage. He tore off his clothes and raved like a lunatic, but I could tell by the clarity in his eye that he was shamming Abraham to avoid conscription into the local militia.*

sham Abram obsolete To feign mental or physical illness or distress, so as to avoid work. Used especially among seamen. "Abram men" were a class of beggars who would roam the country pretending madness so that strangers might take pity on them and offer them alms. *It came to light that the boatswain had shammed Abram, under the pretenses of consumption or some such wasting illness, so that he might remain at shore and drink up the profits from his previous voyage. He tore off his clothes and raved like a lunatic, but I could tell by the clarity in his eye that he was shamming Abram to avoid conscription into the local militia.*

a shame An unfortunate situation. The term is used either in consolation or ironically. *I heard that things didn't work out between you two, that's a real shame. You only have two yachts after the third one sunk? Aw, what a shame!*

shank's mare One's legs and feet, used for walking; travel by foot. A reference to the shank—the lower leg between the knee and the ankle—and the use of ponies or horses for travel. (Also seen as "shanks' mare.") *My bicycle fell apart three miles away from home, so I had to use shank's mare to go the rest of the way. Unfortunately, with the sedentary lifestyle many lead today, shank's mare has largely become an obsolete mode of travel.*

shank's nag One's legs and feet, used for walking; travel by foot. Also "shanks' nag." A reference to the shank—the lower leg between the knee and the ankle—and the use of ponies or horses for travel. *My bicycle fell apart three miles away from home, so I had to use shank's nag to go the rest of the way. Unfortunately, with the sedentary lifestyle many lead today, shank's nag has largely become an obsolete mode of travel.*

shank's pony One's legs and feet, used for walking; travel by foot. Also "shanks' pony." A reference to the shank—the lower leg between the knee and the ankle—and the use of ponies or horses for travel. *My bicycle fell apart three miles away from home, so I had to use shank's pony to go the rest of the way. Unfortunately, with the sedentary lifestyle many lead today,*

shank's pony has largely become an obsolete mode of travel.

shark bait 1. slang A person swimming or surfing alone in the ocean. *We sat on the beach with our drinks, watching the foolish shark bait going into the water alone for an evening swim.* **2.** (Hawaii slang) A very pale beachgoer, especially a tourist. (Supposedly because pale skin is attractive to sharks.) *We don't hang out in this part of town too often in the summer, as it gets overwhelmed with shark bait this time of year.* **3.** A particularly naïve or gullible person who is an ideal target for a scam, graft, or con. *He'd been in the game of scamming people for so long that he could spot shark bait from a mile away. Don't you dare wear that fanny pack out in town. We'll look like shark bait to the locals!*

shark baiter A person swimming or surfing alone in the ocean. Primarily heard in Australia. *We sat on the beach with our drinks, watching the foolish shark baiter going into the water alone for an evening swim.*

sharp cookie A particularly smart, witty, or clever person. *Dan: "I'm having a heck of a time doing my taxes, I just don't understand it at all." Steve: "You should get in touch with my uncle, he's one sharp cookie!" We're always looking to hire sharp cookies like you.*

sharp practice Underhanded, deceitful, cunning, or particularly sneaky practice, especially in business, that is technically within the scope of the law but which may be considered immoral or unethical. *The investment banking sector has been tightly reined in by the government after the sharp practice that went unchecked for so many years and cost so many people their life savings.*

shed a tear To cry or weep, especially from grief; to grieve or mourn in general. *Everyone in the room was shedding tears by the end of the ceremony. Their relationship had soured so much over the years that John didn't shed a tear when he heard of his brother's death.*

she'd better be going See [\(one had\) better be going](#).

she'd better get moving See [\(one had\) better get moving](#).

she'd better get on her horse See [\(one had\) better get on \(one's\) horse](#).

she'd better keep quiet about it See [\(someone had\) better keep quiet about it](#).

she'd better keep still about it See [\(someone had\) better keep still about it](#).

shed (some) light on (something) To reveal information or details about something; to clarify or help people understand something. *We've hired a private investigator to help shed light on the clandestine dealings of the organization. These documents we've uncovered shed some light on how the late author's final book was meant to end.*

shed (some) light upon (something) To reveal information or details about something; to clarify or help people understand something. (A more formal version of "shed (some) light on something.") *We've hired a private investigator to help shed light upon the clandestine dealings of the baron. These documents we've uncovered shed some light upon how the late author's final book was meant to end.*

shelf life The length of time that something is viable or useful. *Milk has a very short shelf life, as it tends to expire quickly. I'm hoping that this product will have a very long shelf life and be useful for years to come.*

she'll be apples Everything will be fine; things will get better; don't worry about it. Primarily heard in Australia. *Don't worry about the presentation. She'll be apples, considering how hard you've worked! A: "Things have felt really rocky between me and John lately." B: "She'll be apples, mate. I'm sure it's just the stress of his final exams that's making things hard at the moment."*

she'll be right(, mate) Everything will be OK; things will get better; don't worry about it. Primarily heard in Australia. *Dave: "I'm just really worried that something's going to go wrong at the conference." Jim: "I know she'll be right, with how hard you've worked!" Sarah: "Things have felt really rocky between me and John lately." Janet: "She'll be right, mate. I'm sure it's just the stress of his final exams that's making things hard at the moment."*

shell game 1. A game in which an object is placed under one of three cups or shells, which are then moved around. The person playing the game must guess the final location of the object. *Don't play any of those stupid shell games at the carnival, they're impossible to win! 2.* By extension, a method of deception that involves hiding or obscuring the truth. Primarily heard in US. *The appliance salesman played a shell game and switched the refrigerator I agreed to purchase with a used model. A Ponzi scheme is a*

type of shell game that always fails because it relies on money from new investors in order to pay old investors.

she'll rue the day See [rue the day \(that something happened\)](#).

shepherd's delight See [red sky at night, shepherd's delight](#).

shepherd's warning See [red sky in the morning, shepherd's warning](#).

she's all in See [be all in](#).

she's apples Everything is, or is going to be, fine or OK; it's grand, don't worry about it. Primarily heard in Australia. *Dave: "I hope my speech is OK. I just found out I'm the keynote speaker at the conference!" Jim: "I'm sure she's apples, Dave. With how hard you've worked on it, there's no way it isn't!" A: "And how's my old truck working out for you, Daniel?" Daniel: "She's apples, Grandpa, thank you again for letting me have it!"*

she's on See [you're on!](#).

shift (the) deckchairs on the Titanic To partake in or undertake some task, activity, or course of action that will ultimately prove trivial or futile in its possible effect or outcome. Primarily heard in UK, Australia. *For all his blustering about overhauling the education system, the prime minister might as well have been shifting the deckchairs on the Titanic for all the good these proposals will do. You're applying for arts council funding? Why don't you just shift deckchairs on the Titanic while you're at it?*

shifty-looking Having or of an untrustworthy, dubious, or deceptive appearance. *There are always a bunch of shifty-looking characters around this part of town at night, so let's not linger! I didn't feel great about the deal when John's shifty-looking business partner came along to sign the papers.*

ship slang To support a romantic pairing of certain fictional characters, as in a TV show or movie. It is likely a shortened form of the word "relationship." *Be honest—who do you ship on Game of Thrones?*

shipper slang One who hopes for and supports a romantic pairing of certain fictional characters, as in a TV show or movie. It is likely a shortened form of the word "relationship." *Meredith and Alex shippers really bug me. She's meant to be with McDreamy!*

ships in the night People, especially those who live together, who do not see very much of each other or are not in the same place at the same time

very often. (A shortened version of "ships that pass in the night.") *Ever since Georgina started managing the restaurant at night, she and I have been ships in the night. We've had a guy renting our spare room for the last two months. We were worried it would feel crowded, but he works so much that we're like ships in the night with him.*

ships that pass in the night People, especially those who live together, who do not see very much of each other or are not in the same place at the same time very often. *Ever since Georgina started managing the restaurant at night, she and I have been ships that pass in the night. We were worried it would feel crowded with someone renting our spare room, but he works so much that we're like ships that pass in the night with him.*

shirt-lifter An offensive term for a homosexual male. *Mary was furious at Jason for referring to her gay friend as a shirt-lifter.*

shirtless Not wearing a shirt; bare-chested. Typically said of a man. *I can't help but blush when I see a buff, shirtless guy running through the neighborhood.*

shit a brick rude slang To be very scared or nervous. The plural ("shit bricks") is also commonly used. *Of course I shit a brick when I woke up to the sounds of an intruder in my house! My brother is so strong and scary-looking that people shit bricks when he threatens them.*

shit-eating grin rude slang A facial expression denoting arrogance, smugness, or self-satisfaction. Primarily heard in US. *I really wanted to wipe that shit-eating grin off his face after he won the poker game.*

shit (one's) pants 1. rude slang Literally, to defecate while still wearing one's clothing. *I need you to pull over the car right now, or else I'm going to shit my pants!* 2. rude slang By extension, to be very surprised. *When I saw that the magazine had published my letter to the editor, I practically shit my pants!*

shit (one)self 1. rude slang Literally, to defecate while still wearing one's clothing. *I need you to pull over the car right now, or else I'm going to shit myself!* 2. rude slang By extension, to be very surprised. *When I saw that the magazine had published my letter to the editor, I practically shit myself!*

the shit out of vulgar slang To a huge or great degree; very much. *I swear, if that punk looks over at us like that again, I'm going to go over there*

and beat the shit out of him! Don't sneak up on me like that, you scared the shit out of me!

shit stain 1. rude slang A stupid person. *Don't listen to a fool like him, he's just a shit stain.* 2. rude slang Literally, a mark left by excrement. *We need to rip up these carpets—they're covered in shit stains from grandpa's dog.*

shit-stirrer rude slang An instigator who exacerbates a tense or otherwise difficult situation. Primarily heard in UK. *Ryan is a shit-stirrer who always tries to encourage guys to fight. If you want a drama-free party, don't invite Kaitlin—she's such a shit-stirrer.*

shit where you eat See [don't shit where you eat](#).

shits a brick See [shit a brick](#).

shitshow rude slang A chaotic or disastrous situation. *When one of our friends turns 21, the night usually ends up being a shitshow, and we're all hungover the next morning. None of us were prepared for the boss's questions, and the meeting became a real shitshow.*

shitstorm rude slang A violent and/or chaotic situation. *The coup has created a shitstorm for everyone in that country. Once people started throwing punches in the bar, we knew we had to get out of that shitstorm.*

a shiver down (one's) spine A shudder felt down one's back, due to either fear, anticipation, nervousness, or excitement. *I felt a shiver down my spine at the thought of my exam tomorrow.*

shiver me timbers An exclamation of surprise. The phrase originated with sailors (as "shiver one's timbers" meant to destroy one's ship) and is usually used today in cartoonish portrayals of pirates. *Well, shiver me timbers—I didn't think you were getting into town until tomorrow! You got cast as a pirate in the play? I bet you have one line—"Shiver me timbers!"*

a shiver ran down (one's/someone's) spine Said when one has experienced an intense feeling of fear, panic, dread, shock, exhilaration, or excitement. *A shiver ran down John's spine when he overheard the managers discussing the money he'd stolen from the company safe. A cold shiver ran down my spine at the thought of having to work for another minute in that awful restaurant. When they announced that Sarah would have the chance to meet a movie star as a part of her prize, a shiver ran down her spine.*

a shiver ran up (one's/someone's) spine Said when one has

experienced an intense feeling of fear, panic, dread, shock, exhilaration, or excitement. *A shiver ran down John's spine when he overheard the managers discussing the money he'd stolen from the company safe. A cold shiver ran down my spine at the thought of having to work for another minute in that awful restaurant. When they announced that Sarah would have the chance to meet a movie star as a part of her prize, a shiver ran down her spine.*

a shiver went down (one's/someone's) spine Said when one has experienced an intense feeling of fear, panic, dread, shock, exhilaration, or excitement. *A shiver went down John's spine when he overheard the managers discussing the money he'd stolen from the company safe. A cold shiver went down my spine at the thought of having to work for another minute in that awful restaurant. When they announced that Sarah would have the chance to meet a movie star as a part of her prize, a shiver went down her spine.*

a shiver went up (one's/someone's) spine Said when one has experienced an intense feeling of fear, panic, dread, shock, exhilaration, or excitement. *A shiver went up John's spine when he overheard the managers discussing the money he'd stolen from the company safe. A cold shiver went up my spine at the thought of having to work for another minute in that awful restaurant. When they announced that Sarah would have the chance to meet a movie star as a part of her prize, a shiver went up her spine.*

shoe (one's) mule To steal or misappropriate funds. The phrase refers to blacksmiths who did not shoe one's animal even after accepting payment. *I entrusted him with a lot of money, so I'm going to be livid if I find out that he's trying to shoe my mule.*

shoe the goose To attempt a futile or pointless task. *You'd have better luck shoeing a goose than getting those flowers to grow on such rocky soil. A: "I'm busy fixing this cassette player right now." B: "You're busy shoeing the goose, more like! Who needs a cassette player these days?"*

shoestring budget A budget or allotment of resources that is very meager, sparse, or just enough to suit its purpose. *Unfortunately, due to government cutbacks following the recession, our department has had to produce the same levels of work on a shoestring budget. I did all sorts of traveling with just a shoestring budget when I was in college. You learn very quickly how to make the most of what you have!*

shoo-in Someone or something that is predicted to easily win a competition. *Julia is a shoo-in for this year's spelling bee—she's the best speller in the whole town.*

shook slang Frightened, startled, or upset. Similar in usage to "shook-up." *Ooh, the season finale of that show had me shook! I hope my favorite character doesn't die.*

shook hands with the unemployed See [shake hands with the unemployed](#).

shook in her shoes See [shake in \(one's\) shoes](#).

shook like an aspen leaf See [shake like an aspen leaf](#).

shook on it See [shake on it](#).

shook the pagoda tree See [shake the pagoda tree](#).

shoot for the stars To set one's goals or ambitions very high; to try to attain or achieve something particularly difficult. *My parents always taught me to shoot for the stars when I was growing up—that I could be anything I set my mind to! With all that money, you could do whatever you want. Shoot for the stars, kiddo!*

shoot off at the mouth 1. To speak without discretion; to speak too loudly or freely, especially about sensitive topics or information. *We would have gotten away with our plan if your dumb cousin hadn't started shooting off at the mouth all over town. I figured it went without saying that I didn't want to talk about my divorce at Daniel's wedding, but you just had to go and shoot off at the mouth like that!* 2. To be annoyingly or overbearingly talkative, especially in a bragging or boastful manner. *There's some guy at the other end of the bar shooting off at the mouth about how far he can throw a football.*

shoot off (one's) face To speak at an unwelcome time or in an inappropriate manner. *You have no solutions and are only adding negativity to the situation, so quit shooting off your face! I'm sorry, but a dinner party is not the place for him to shoot off his face about politics.*

shoot (one's) cuffs To flaunt something. Displaying one's ornate or elaborate cuffs was a common practice among medieval noblemen. *I know you're happy about your promotion, but try not to shoot your cuffs, OK?*

shoot (someone) a dirty look To look at someone in an angry, contemptuous, or disapproving manner. *I started telling him about Janet's run-in with the law, but when she shot me a dirty look, I shut my trap. I must have done something really offensive last night because Mike keeps shooting me dirty looks.*

shoot the messenger See [don't shoot the messenger](#).

shoot through like a Bondi tram To hastily depart, abscond, or flee; to pass quickly through or by a place. An allusion to the tram lines that ran in and out of Bondi, New South Wales, until 1960. Primarily heard in US. *After Joey found out I was pregnant, he shot through like a Bondi tram back to Perth. All of a sudden, a string of cars started shooting through town like Bondi trams, followed shortly thereafter by a couple of police cars.*

shoot through (to somewhere) To hastily depart, abscond, or flee (to some place), especially so as to avoid doing or dealing with something unpleasant or unwanted. Primarily heard in US, New Zealand. *After Joey found out I was pregnant, he shot through to Sydney as soon as he had enough money for a ticket. Many young people would rather shoot through rather than face the consequences of their actions.*

the short and the long of it The essential or most important point being made; the plain truth of the matter. *There are a lot of reasons I don't want to go, but the short and the long of it is that I don't want to see my ex-boyfriend there. Bob, the short and the long of it is that we aren't satisfied with your performance in work lately.*

short-arse rude slang A short person. Primarily heard in UK, Australia. *You're such a short-arse, you can't even reach that low shelf!*

a short fuse A tendency to become angered, enraged, or upset very quickly or easily; a short temper. *I'm usually a pretty calm person, but whenever I start driving I find I have such a short fuse.*

short hairs A euphemism for pubic hair. Typically used in the phrase "have by the short hairs," which indicates one's control over another. *Did you see that poor intern running around earlier? The boss really has him by the short hairs.*

short haul 1. adjective (typically hyphenated and used before a noun) Of, covering, or requiring only a short distance or period of time. *I've found that*

it's actually cheaper to fly into Seattle and then catch a short-haul flight up to British Columbia from there. **2.** noun A rather short distance. *The bus will take us most of the way to grandma's house, and then it's just a short haul from the station.* **3.** noun A short length or period of time. *Congress approved funding to cover the country's debt for the short haul, but a more permanent solution will have to be reached before the December 31 deadline.*

short leash A phrase that highlights one's lack of independence or autonomy due to being strongly controlled by another. *George has been on a short leash with his husband ever since he gambled away their life savings at a poker match. Everyone feels like they're on a short leash at the office ever since that new manager took over.*

short of a length In cricket, a short delivery from the bowler to the batsman. *Quit pitching the ball short of a length—that's how they're getting so many hits!*

short on looks Homely; rather plain or unattractive; not aesthetically pleasing. *Janet's date was a little short on looks, but she said he was very nice and a true gentleman. So this is our new back garden. It's short on looks at the moment, but once I get the weeds cleared away and some flowers planted, it will be better in no time.*

short run **1.** adjective (typically hyphenated and used before a noun) Of, covering, or limited to only a short or immediate period of time. *This sort of short-run planning is fine while the company is being set up, but you need to start setting some long-term goals and strategies.* **2.** noun A short length of time; an immediate or limited period in which to act or effect change. *Congress approved funding to cover the country's debt for the short run, but a more permanent solution will have to be reached before the December 31 deadline. This minimum wage increase may have a negative effects on businesses in the short run, but they will be dwarfed by the benefits down the line.*

short sharp shock A fast, severe punishment. Primarily heard in UK, Australia. *He needs a short sharp shock to persuade him to change his ways and give up that life of crime.*

short-sheet To make a bed by doubling up the sheets. Typically done as a trick to prevent one from fully stretching out in bed. *Whenever the team goes on a road trip, someone's bed inevitably gets short-sheeted. Come on, we're*

going to short-sheet my brother's bed before he gets home!

the short straw The least favorable, desirable, or fortunate outcome in a given selection. *I got the short straw when it came to cleaning up after our shift last night. Our team was given the short straw and had to come in over the weekend to work on the revised proposal.*

short strokes See [be in the short strokes](#).

short strokes The last or final stages (of something). Said especially of that which has been long, arduous, or tedious. *Now that we finally got the server online and the app stable, we're in the short strokes of making it available to users. We'll be in the short strokes once the moving van arrives with the last of our stuff from the old house.*

short temper A tendency to become angered, enraged, or upset very quickly or easily. *I'm usually a pretty calm person, but whenever I start driving, I find I have such a short temper. That short temper of yours is going to get you into trouble one of these days.*

shot See [be shot](#).

shot across the bow A warning. It refers to a warning shot from a ship, and can take the form of words or actions. *Her sharp retort was a shot across the bow, letting her boyfriend know that she would not tolerate his bad attitude.*

a shot in the dark **1.** A guess or estimate with very little or no assurance as to its accuracy. *Well, this is just a shot in the dark, but I'm going to say that the answer to the question is 52.* **2.** An attempt that is not expected to succeed or has very little chance of working. *It was really just a shot in the dark when I tried to fix our washing machine, but I was actually able to get it working again on my first try!*

a shot in the locker A remaining chance to attempt something. *You can't give up on your grade now—you still have a shot in the locker with your extra credit assignment!*

shotgun approach In business, a marketing strategy in which a wide and nonselective population or demographic is reached or advertised to. *We don't yet have much brand recognition in the market, so we're going with a shotgun approach to reach as many potential customers as we can.*

shotgun cottage (chiefly Southern United States slang) A one-story

house in which each room is in a straight alignment with the others, connected by a continuous hallway running from the front to the back of the residence. *When our whole family goes to stay in my grandmother's shotgun cottage in New Orleans, it always feels like we're all right on top of one another.*

shotgun house (chiefly Southern United States slang) A one-story house in which each room is in a straight alignment with the others, connected by a continuous hallway running from the front to the back of the residence. *When our whole family goes to stay in my grandmother's shotgun house in New Orleans, it always feels like we're all right on top of one another.*

shotgun hut (chiefly Southern United States slang) A one-story house in which each room is in a straight alignment with the others, connected by a continuous hallway running from the front to the back of the residence. *When our whole family goes to stay in my grandmother's shotgun hut in New Orleans, it always feels like we're all right on top of one another.*

shotgun marriage A marriage that happens quickly due to an unplanned pregnancy. *We knew it was a shotgun marriage when Frank's new wife had a baby five months after the wedding.*

shotgun shack (chiefly Southern United States slang) A one-story house in which each room is in a straight alignment with the others, connected by a continuous hallway running from the front to the back of the residence. *When our whole family goes to stay in my grandmother's shotgun shack in New Orleans, it always feels like we're all right on top of one another.*

shotgun wedding A wedding that happens quickly due to an unplanned pregnancy. *After finding out she was pregnant, Gina and Tom had a shotgun wedding.*

shoulder to cry on One who provides comfort to another during a difficult time. *Janine needed a shoulder to cry on after she lost her job, so she came over to my apartment.*

shout (one's) head off To shout or yell very loudly and lengthily. *Suzy shouted her head off when I told her she couldn't have an ice cream cone. The stadium was packed with fans shouting their heads off for the popular band. Don't bother listening to the crazies who stand on street corners and shout their heads off at passersby.*

shout (something) from the rooftop(s) To share some news or information publicly and with as many people as possible. *I was ready to shout that we'd be having a baby from the rooftops, but my wife wanted to wait for a while before we made the news public. I know you want to shout it from the rooftop that you came in first in your class, but you should have a bit of modesty about it.*

shouting match A bitter argument in which two or more people shout at one another, often simultaneously. *At first I thought we were just going through a rough patch in our relationship, but lately it seems like every night Janet and I get into a shouting match with each other. It might be time to end things.*

shove it/something up (one's) ass A rude, vulgar invective expressing disdain, contempt, disgust, or anger to someone (about something). Primarily heard in US. *I've taken enough of the boss's crap—he can shove this job up his ass! Bill: "You're acting like a fool, Dave. You need to sober up and get your life in order." Dave: "Ah, shove it up your ass, Bill! You don't know what's best for me!"*

shove over To move one's position so as to make more space available for another person. *I wish this car ahead of us would just shove over a tiny bit so we could pass him! Tell John to shove over so we can fit everyone at the table.*

shove (something)/it up your arse A rude, vulgar invective expressing disdain, contempt, disgust, or anger to someone. Primarily heard in UK. *I've taken enough of the boss's crap, he can shove this job up his arse! Shove it up your arse, Bill! You don't know what's best for me!*

show a/the white flag To show a sign of surrender or defeat; to yield or give in. *After the prosecutors brought forward their newest evidence, the defendant showed the white flag and agreed to the plea bargain. We've been in negotiations for weeks, but it looks like the other company might finally be ready to show a white flag.*

show (a/the) white flag To offer a sign of surrender or defeat; to yield or give in. *After the prosecutors brought forward their newest evidence, the defendant showed the white flag and agreed to the plea bargain. We've been in negotiations for weeks, but it looks like the other company might finally be ready to show a white flag.*

show in bad light See [in a bad light](#).

show (one's) butt (chiefly Southern United States slang) To act in a rude, obnoxious, or aberrant manner; to misbehave or act foolishly; to make a scene. *My Mammaw says that we can go down to the mall on our own, but she said not to show our butts or we'll be grounded! You need to start controlling how much you drink when we're out. You were showing your butt in front of all your colleagues!*

show (one's) cards To make one's plans, intentions, ideas, or resources known to others, especially those previously hidden or kept secret. (A variant of "show one's hand"; both phrases refer to displaying the cards one has in one's hand during a card game.) *In business negotiations, it's important that you don't show your cards right away, or you might risk losing out on the best deal possible. Pressure from the IRS is forcing the notoriously secretive CEO to show his cards regarding his company's tax profile and offshore accounts.*

show (one's) hand To make one's plans, intentions, ideas, or resources known to others, especially those that were previously hidden or kept secret. (Also expressed as "show (one's) cards"; both phrases refer to displaying one's cards ("hand") during a card game.) *In business negotiations, it's important that you don't show your hand right away, or you might risk losing out on the best deal possible. Pressure from the government is forcing the notoriously secretive CEO to show his hand regarding his company's tax profile and offshore accounts.*

show (one's) horns To reveal one's evil or malicious nature. The devil is typically depicted with horns. *I thought I could trust Eric until he showed his horns by spreading rumors about me. Jill definitely sabotaged my last two relationships. She might seem nice, but she always shows her horns eventually.*

show (one's) (true) colors To reveal what one really believes, thinks, or wants; to act in accordance with one's real personality, temperament, or disposition. Primarily heard in US. *Dave said all along that he only wanted this deal because it was in the company's best interest, but he showed his true colors once he realized that he wouldn't get any special commission for his efforts. It's only in times of crisis that your friends will really show their colors.*

show (one's) (true) colours To reveal what one really believes, thinks, or wants; to act in accordance with one's real personality, character, or disposition. Primarily heard in UK. *Dave said all along that he only wanted this deal because it was in the company's best interest, but he showed his true colours once he realised that he wouldn't get any special commission for his efforts. It's only in times of crisis that your friends will really show their colours.*

show (one's) (true) stripes To reveal what one really believes, thinks, or wants; to act in accordance with one's real personality, character, or disposition. (A less common variant of "show one's (true) colors/colours.") *Dave said all along that he only wanted this deal because it was in the company's best interest, but he showed his true stripes once he realized that he wouldn't get any special commission for his efforts. It's only in times of crisis that your friends will really show their stripes.*

show (someone) the back of (one's) hand **1.** To strike someone with the backside of one's open hand. *Son, I'll show you the back of my hand if you ever speak to your mother that way again.* **2.** To reject, snub, or rebuke (someone); to display contempt, scorn, or rejection (to or for someone). *I'll show the back of my hand to anyone who says I'm not a good parent. He pleaded to be forgiven by his wife, but she merely showed him the back of her hand.*

show (someone) what (one's) made of To demonstrate one's true talent, fortitude, ability, courage, or worth (to someone). *No one thinks you stand a chance in this match, but you go out there and show them what you're made of! This could be the biggest trial of my career. Time to go show what I'm made of!*

show-stopper The most exceptional or memorable performance or item among others; a stand-out. *Yeah, the opening act was a real show-stopper—the headlining band was disappointing in comparison! All the pieces in the designer's collection were excellent, but the wedding dress was a real show-stopper.*

show the cloven hoof To reveal one's evil or malicious nature. The devil is typically depicted with cloven hooves. *I thought I could trust Eric until he showed the cloven hoof by spreading rumors about me. Jill definitely sabotaged my last two relationships. She might seem nice, but she always*

shows the cloven hoof eventually.

show the flag To stand up for, support, or defend someone or something. *A number of people from the actor's hometown are arriving into New York to show the flag at his debut performance on Broadway. My country is often a target for insults or gibes abroad, so whenever I go traveling I make a point of showing the flag for it.*

shown the ropes See [be shown the ropes](#).

shrinking violet A negative term for a very shy person. *After years of being seen as nothing more than a shrinking violet, Christine decided to overcome her fears and start talking to strangers.*

shudder to think See [I shudder to think](#).

shut down **1.** verb To cease business operations for any length of time (often permanently). *I loved that restaurant, so I'm very disappointed that it shut down. That shop always shuts down for two weeks in the summer to accommodate the owner's vacation.* **2.** verb To force a business to cease operations. In this usage, a noun or pronoun is often used between "shut" and "down." *After a thorough investigation, the police were finally able to shut the shop down for money laundering.* **3.** verb To turn off a computer or other machine. In this usage, a noun or pronoun is often used between "shut" and "down." *Everyone, be sure to shut down your computers before you leave the office today. Mom sent me to shut down the dryer because it was too noisy.* **4.** verb To reject, strongly discourage, or prevent one from continuing with one's course of action. In this usage, a noun or pronoun is often used between "shut" and "down." *Man, I tried to talk to that pretty girl, and she totally shut me down! The judge shut down that line of questioning right quick. This tenacious defense has completely shut down the defending champions.* **5.** noun A period during which operations cease (usually temporarily). In this usage, the phrase is often written as one word. *Congress was able to reach a compromise to avoid a government shutdown.*

a shut mouth catches no flies It is better to keep one's mouth shut (not say anything) than to engage in idle chatter (and potentially say something inappropriate). *I would suggest that we all just sit quietly until tea time commences—a shut mouth catches no flies, after all. Keeping in mind that a shut mouth catches no flies, I made sure not to say anything out of turn during the meeting.*

shut (one's) eyes and think of England **1.** Typically of a woman (specifically a wife), to endure unwanted or unpleasant sexual intercourse—as out of a sense of duty or obligation—by distracting oneself with more pleasant thoughts. Refers to alleged advice for wives in the 19th and early 20th centuries that placed unwanted sexual activity as the price of the security of marriage. Primarily heard in UK. *It's horrible to think that women who were not attracted to their husbands, but who depended on the security of their marriage, were once told to simply shut their eyes and think of England to satisfy their husband's desires.* **2.** By extension, to endure any unpleasant or unwanted task or experience by thinking of one's duty, the benefits of the experience, or by distracting oneself with more pleasant thoughts. Primarily heard in UK. *Whenever I have to have a tooth filled at the dentist, I just shut my eyes and think of England.*

shut the door in (someone's) face **1.** Literally, to close a door (i.e., to a house or room) abruptly, rudely, and/or forcefully when someone is about to enter or is standing in the doorway. *I was so mad at Paul for the way he spoke to me earlier that I shut the door right in his face when he tried to get back in the apartment last night.* **2.** By extension, to remove, withdraw or deny very abruptly or rudely an opportunity or one's support from someone. *This economy is so bad right now. Every business in town shut the door in my face when I asked about getting a job. The board of directors has shut the door in Wilkinson's face after rumors of his alleged embezzlement began to circulate.*

shut your gob An imperative to be quiet or cease talking immediately. Can be rude, aggressive, or jocular depending on the context. *Shut your gob, Bobby—no one asked for the opinion of a dork like you! A: "So, where do you think we can sell these stolen goods?" B: "Shut your gob! Don't you have enough sense not to talk about that in public?" Dave: "Wow, that Cadillac has seen better days. How much did you pay for that little gem?" Bill: "Ah, shut your gob, Dave. I think it looks just fine."*

shut your mouth An imperative to be quiet or cease talking immediately. Can be rude, aggressive, or jocular depending on the context. *Shut your mouth, Bobby—no one asked for the opinion of a dork like you! A: "So, where do you think we can sell these stolen goods?" B: "Shut your mouth! Don't you have enough sense not to talk about that in public?" Dave: "Wow, that Cadillac has seen better days. How much did you pay for that*

little gem?" Bill: "Ah, shut your mouth, Dave. I think it looks just fine."

shut your pie hole An imperative to be quiet or cease talking immediately. Can be rude, aggressive, or jocular depending on the context. *Shut your pie hole, Bobby—no one asked for the opinion of a dork like you!* A: "So, where do you think we can sell these stolen goods?" B: "Shut your pie hole! Don't you have enough sense not to talk about that in public?" Dave: "Wow, that Cadillac has seen better days. How much did you pay for that little gem?" Bill: "Ah, shut your pie hole, Dave. I think it looks just fine."

shut your trap An imperative to be quiet or cease talking immediately. Can be rude, aggressive, or jocular depending on the context. *Shut your trap, Bobby—no one asked for the opinion of a dork like you!* A: "So, where do you think we can sell these stolen goods?" B: "Shut your trap! Don't you have enough sense not to talk about that in public?" Dave: "Wow, that Cadillac has seen better days. How much did you pay for that little gem?" Bill: "Ah, shut your trap, Dave. I think it looks just fine."

shut your yap An imperative to be quiet or cease talking immediately. Can be rude, aggressive, or jocular depending on the context. *Shut your yap, Bobby—no one asked for the opinion of a dork like you!* A: "So, where do you think we can sell these stolen goods?" B: "Shut your yap! Don't you have enough sense not to talk about that in public?" Dave: "Wow, that Cadillac has seen better days. How much did you pay for that little gem?" Bill: "Ah, shut your yap, Dave. I think it looks just fine."

shy bladder Said to be possessed by one who has trouble urinating when others are present, as in a public restroom. *I have a shy bladder, so it takes me forever to pee in those crowded stadium bathrooms.*

sick as a dog See [\(as\) sick as a dog](#).

sick as a parrot See [\(as\) sick as a parrot](#).

sick in the head Crazy. *He's sick in the head if he thinks this plan is going to work. After yet another sleepless night, I'm starting to feel like I'm sick in the head!*

sick list A list of people who are ill or indisposed due to poor health. *Jim has been on the sick list for over a month now. If he doesn't get better soon, we're going to have to replace him!*

sick list See [on the sick list](#).

the sick man of (something or somewhere) Something or some place that is particularly unsound, untenable, or doomed to fail, especially among or in comparison to its peers. *Due in large part to several tumultuous years of indecision in its parliament, Greece has been the sick man of Europe since the global recession began. The banking giant, which once propped up the entire country, has now become the sick man of the economy in recent years.*

sick note A note from a doctor confirming one's sickness as a legitimate reason for absence from work or school. *Make sure to take your sick note to Human Resources before you start working today. I'll make sure my son has a sick note when he returns to school.*

a/one sick puppy Someone who thinks, speaks, or acts in an aberrant, perverse, sadistic, or gruesome manner. *You'd have to be a sick puppy to enjoy a movie as graphic and brutal as that. Whoever did this to these poor animals is one sick puppy, all right.*

side boob slang The side of a woman's breast when partially exposed or accentuated by her clothing. *Does this dress give me too much side boob?*

side effect 1. An unpleasant symptom experienced while taking a particular medication. Often plural. *Unfortunately, nausea is a common side effect with this drug. Ugh, I had so many side effects that I had to stop taking that medication.* 2. By extension, an unexpected result or consequence of something. *Having to drive my little sister all over the place is an annoying side effect of living at home again.*

side issue A topic related to, but less important than, the subject currently being discussed or considered. *While you make an intriguing point, I'm afraid we don't have to time to cover side issues like that in today's lecture. Try not to get lost in all the side issues related to this case as you do your research.*

side wall 1. A wall that forms the side of a building or other structure. *OK, class, line up at the side wall! At every school dance, Peggy found herself drawn to boys who leaned against the side walls and looked as if they had no interest in being there.* 2. The side of the tire on a motor vehicle. *A: "How will I know what kind of tires to get?" B: "Well, there's information printed on the side wall of a tire—you can look there to find out more about the ones you currently have."*

sigh of relief A feeling or display of relief that something particularly stressful, unpleasant, or undesirable has been avoided or completed. *Everyone in class heaved a sigh of relief after that horrible midterm exam was over. Investors in Europe had a big sigh of relief now that a Greek exit from the Euro has been avoided.*

a sight to behold An especially impressive, noteworthy, or remarkable person, event, or thing; something or someone who is very much worth seeing. *If you never go anywhere else in your life, make sure you see the Grand Canyon: it's a sight to behold. The new jazz singer is really a sight to behold. She's probably the best we've ever had at the club.*

sign of the times Something regarded, usually negatively, as emblematic of the current time period. *Nobody looks up from their mobile phones anymore. I guess it's just a sign of the times.*

sign (one's) life away To forfeit one's rights or control over some integral aspect of one's life, typically one's financial interests, as through some signed deal or agreement. *Because our financial portfolio was so bad, we basically had to sign our lives away to get approved for a mortgage with the bank. If you agree to this plea bargain, the government will have total control over your property, accounts, and future revenue—so think very carefully before you sign your life away.*

significance level In statistics, the point at which a null hypothesis is rejected. Also known as the "level of significance." *Who can identify the significance level in this problem?*

significant other A person with whom one is in a serious romantic relationship. Primarily heard in US. *Since Kelly didn't have a significant other, she attended her friend's wedding alone.*

silence means consent If you do not voice your objection to something, then it is assumed that you support it. *A: "Why did you think I would agree to punishing a student so harshly?" B: "Well, you didn't say anything when we originally discussed this plan! Silence means consent." Make sure to speak up when you disagree with something, because, for many people, silence means consent.*

silent as the dead See [\(as\) silent as the dead](#).

silent as the grave See [\(as\) silent as the grave](#).

silent partner Someone who is closely associated or involved with a business or corporation, typically through financial investment, so as to share in its risks and rewards without participating in its day-to-day operations and management. Primarily heard in US. *Dave's father agreed to be a silent partner when we started our company, leaving us to run it once it was set up. In an attempt to crack down on corruption, federal investigators have begun looking into various silent partners that might be financing the drug trade throughout the country.*

silk-stocking district A section of a city that is dominated by the upper-class. *Even if you had the money, you wouldn't want to live in a silk-stocking district—you'd be totally subject to the whims of your wealthy neighbors.*

silky smooth 1. Very smooth; having a texture that is likened to silk, which is valued for its smoothness. *What products do you use to make your hair so silky smooth? I just bought some silky smooth sheets, and now I never want to get out of bed! How did you get this chocolate mousse to be so silky smooth?* 2. Charming in speech and behavior. *Chad is so silky smooth that he always has a group of women swooning over him in any bar.*

silly goose See [\(you\) silly goose](#).

silly money An absurdly or extraordinarily large amount of money. *Ever since John got into investment banking, he's been making silly money! Part of the reason so many people are in debt is that going to the college costs silly money.*

silly season A period during which news outlets cover frivolous or less serious news stories, typically during the summer when fewer topics are generated. Primarily heard in UK. *I don't even buy the paper during the silly season because there's nothing worth reading about. You know it's the silly season when your assignment is to cover the circus.*

silver bullet Something that provides an immediate and extremely effective solution to a given problem or difficulty, especially one that is normally very complex or hard to resolve. The phrase is almost always used in a statement that such a solution does not exist. *There's no silver bullet that will solve the homelessness crisis in this country. The way to make progress is through deliberate, logical discussions around the issue.*

silver foil Thin sheets of aluminum that are typically used to cover food and keep it fresh. Primarily heard in UK. *Wrap those leftovers in silver foil so you can have them for lunch tomorrow.*

silver spoon A metaphor for ample wealth that has been passed down through inheritance. (Used primarily in the phrase "born with a silver spoon in (one's) mouth.") *We may both be wealthy now, but I never had a silver spoon growing up. I had nothing when I was young, and all of my fortune is down to my own hard work. Everyone who attends that university was born with a silver spoon in his mouth, so I just don't think it's the right place for me.*

silver surfer An elderly person who is a proficient user of the Internet. *My grandmother has become a real silver surfer since we got her new computer hooked up to the Internet. She even keeps in touch with her friends on social media!*

a silver tongue See [have a silver tongue](#).

silver tongue Oratory skills that are particularly eloquent, artful, seductive, and/or persuasive. *He might not have much experience in politics, but his silver tongue is bound to win over a great deal of voters.*

simple English Clear, straightforward, and uncomplicated English terminology. *Chronic atherosclerosis in the coronary arteries has stopped oxygen-rich blood from reaching the heart, leading to a myocardial infarction. In simple English, you've suffered a heart attack. I wish these software agreements would be written in simple English, rather than this legalese gobbledegook.*

simple English See [in simple English](#).

sine qua non A necessary, essential, or required element. The Latin phrase translates literally to "without which not." *Some consider a good education to be the sine qua non of a successful career.*

sing from the same hymn sheet To have the same understanding of something as someone else; to say the same things about something as other people, especially in public. Primarily heard in UK. *I think we should have a meeting with everyone who's involved in the project. That way, we'll all be singing from the same hymn sheet before we begin. Make sure everyone from the campaign is singing from the same hymn sheet before we*

release any kind of statement to the press.

sing from the same hymnbook To have the same understanding of something as someone else; to say the same things about something as other people, especially in public. Primarily heard in UK. *I think we should have a meeting with everyone who's involved in the project. That way, we'll all be singing from the same hymnbook before we begin. Make sure everyone from the campaign is singing from the same hymnbook before we release any kind of statement to the press.*

sing from the same songbook To have the same understanding of something as someone else; to say the same things about something as other people, especially in public. Primarily heard in UK. *I think we should have a meeting with everyone who's involved in the project. That way, we'll all be singing from the same songbook before we begin. Make sure everyone from the campaign is singing from the same songbook before we release any kind of statement to the press.*

sing from the same songsheet To have the same understanding of something as someone else; to say the same things about something as other people, especially in public. sing off the same songsheet To have the same understanding of something as someone else; to say the same things about something as other people, especially in public. Primarily heard in UK. *I think we should have a meeting with everyone who's involved in the project. That way, we'll all be singing off the same songsheet before we begin. Make sure everyone on the campaign is singing off the same songsheet before we release any kind of statement to the press.*

sing (someone's or something's) praises To speak very highly of something or someone; to enthusiastically endorse someone or something; to extol the virtues, benefits, or good qualities of someone or something. *Our manager has been singing the new developers' praises. I hope they're up to the job! Jeff sang his phone's praises right up until it froze on him all of a sudden last night.*

sing soprano To be able to sing in the soprano vocal range, which is the highest singing voice for women and boys. The soprano range starts at middle C and goes two octaves higher. *Who here can sing soprano? I can't believe they picked me to sing soprano on the harmony for that song—I'm so excited!*

sing the praises of (someone or something) To speak very highly of someone or something; to enthusiastically endorse someone or

something; to extol the virtues, benefits, or good qualities of someone or something. *Our manager has been singing the praises of the new developers she hired. I just hope that they're up to the job! Jeff was singing the praises of his smartphone all last week, until it froze on him all of a sudden last night.*

sing the same tune To have the same understanding of something as someone else; to say the same things about something as other people, especially in public. *I think we should have a meeting with everyone who's involved in the project. That way we can all be singing the same tune before we begin. Make sure everyone the campaign is singing the same tune before we release any kind of statement to the press.*

sinking fast Quickly worsening, deteriorating, or degenerating in state or condition, especially regarding a person's health. *We've got him on life support, but I'm afraid your father is sinking fast. You'll want to come in right away if you want to see him.*

sinking feeling A feeling of dread indicating that something bad has happened or is about to happen. *As soon as I met him, I got a sinking feeling that he had bad intentions. When I heard about the plane crash, I had a sinking feeling that my friends were on that flight.*

sinking ship A failing or floundering organization or entity. *After all of the recent layoffs, most consider the company a sinking ship.*

siphon the python vulgar slang Of a male, to urinate. (Here, "python" is a euphemism for the penis.) Primarily heard in Australia. *Excuse me a minute. After all those beers, I need to go siphon the python.*

siren song Something that is seductive, enticing, or appealing, but that is or may prove to be dangerous, destructive, or disastrous. Alludes to the Sirens of Greek mythology, beautiful sea creatures who lured sailors to their deaths with enchanting music and voices. *Even though most people see the risks of gambling, it's possible rewards remain a siren song to many. After his hit single brought the singer overnight fame and fortune, he was quickly lured by the siren song of drugs, alcohol, and promiscuous sexual activity.*

sisters before misters slang Said among female friends, as a reminder that their friendship is more important than relationships/interactions with men. *Come on, don't ditch us for that guy you just met! Sisters before misters!*

sit a spell To sit down, relax, and socialize for a while at one's leisure.

This saloon is a great place to sit a spell and catch up with old friends. Well hey there, honey! Now you come in here and sit a spell, we haven't seen you in a dog's age!

sit at (someone's) feet To be in a position of devotion or worship to someone; to pay homage or reverential attention to someone. *I've been sitting at the feet of the renowned professor ever since I heard his astounding lecture on quantum mechanics. My brother chose to sit at the saints' feet for the rest of his life, but I do not intend to pursue such a life of the cloth.*

sit at the feet of (someone) To be in a position of devotion or worship to someone; to pay homage to or be reverential to someone. *I've been sitting at the feet of my renowned professor ever since I heard his astounding lecture on quantum mechanics. My brother chose to sit at the feet of the saints for the rest of his life, but I do not intend to pursue such a life of the cloth.*

sit like piffy on a rock bun To be conspicuous but ignored or left out, especially from a group or activity. (A "rock bun" or "rock cake" is a type of hard cake with currants; what "piffy" refers to is unknown.) Primarily heard in UK. *I was excited to go with my wife to her awards ceremony, but I didn't know anyone there and ended up sitting like piffy on a rock bun. After Tommy hit one of the other boys in his class, he was left sitting like piffy on a rock bun during playtime.*

sit like piffy on a rock cake To be conspicuous but ignored or left out, especially from a group or activity. (A "rock bun" or "rock cake" is a type of hard cake with currants; what "piffy" refers to is unknown.) Primarily heard in UK. *I was excited to go with my wife to her awards ceremony, but I didn't know anyone there and ended up sitting like piffy on a rock cake. After Tommy hit one of the other boys in his class, he was left sitting like piffy on a rock cake during playtime.*

sit on it An exclamation of frustration directed at another person. Popularized by the TV show *Happy Days*. *If he thinks he can call at this hour of the night, he can sit on it! Sit on it, Joe—I'm not helping you with this!*

sit tall in the/(one's) saddle To be or remain proud, stoical, or august in one's manner or composure. *Even after two years of a losing war, the general still sat tall in his saddle before his troops. I'll have nothing to do with your schemes or plot. One day, you're going to be locked up and lose*

everything, and I'll be sitting tall in the saddle when you do.

sit upon hot cockles To be impatient. *Quit sitting on hot cockles—you'll get your birthday present soon enough.*

sitting duck Something that is unprotected and vulnerable to an easy attack. *When my car broke down in a bad neighborhood, I felt like a sitting duck, just waiting to get robbed. We can't go into that area unarmed, we'd be sitting ducks!*

six and two threes A situation in which the difference between two options is negligible, irrelevant, or unimportant; a decision where each option each is as viable or acceptable as the other. *Well, we could take the highway to your mother's house, or we could cut through the city. It takes about the same amount of time, so it's six and two threes, really. John: "Would you rather have pepperoni or sausage on your pizza?" Bob: "Eh, six and two threes to me."*

six in one, (and) half a dozen in the other The difference between these two options is negligible, irrelevant, or unimportant; either option is fine or will work as well as the other. *Well, we could take the freeway to your mother's house, or we could cut through the city. It takes about the same amount of time, so it's six in one, and half a dozen in the other. John: "Would you rather have pepperoni or sausage on your pizza?" Bob: "Eh, six in one, half a dozen in the other."*

six of one, (and) half a dozen of the other The difference between these two options is negligible, irrelevant, or unimportant; either option is fine or will work as well as the other. *Well, we could take the freeway to your mother's house, or we could cut through the city. It takes about the same amount of time, so it's six of one, and half a dozen of the other. John: "Would you rather have pepperoni or sausage on your pizza?" Bob: "Eh, six of one, half a dozen of the other."*

six ways from Sunday Thoroughly or completely; in every possible way; from every conceivable angle. *Everyone had their money on the reigning champion, but he was beaten six ways from Sunday by the newcomer. We researched the case six ways from Sunday, but there didn't seem to be any way that we could win with the evidence at hand.*

six ways to Sunday Thoroughly or completely; in every possible way; from every conceivable angle. *Everyone had their money on the reigning*

champion, but he was beaten six ways to Sunday by the newcomer. We researched the case six ways to Sunday, but there didn't seem to be any way that we could win with the evidence at hand.

size queen slang One whose ideal sexual partner has a large penis. *Are you big enough for her? I hear she's a size queen.*

SJW An abbreviation for "social justice warrior," a derisive term for one who supports or upholds progressive views on social issues. The implication typically is that such a person is overzealous or disingenuous. *These SJW's want to control every aspect of our lives!*

skeleton at the feast One whose pessimistic outlook or behavior dampens the mood at a happy event. *Don't invite Chris to your engagement party—he's always so gloomy and will just be a skeleton at the feast.*

skeleton crew The bare minimum amount of employees necessary to keep an office, business, service, etc., running at a basic level. *We can't have a restaurant that is completely closed during the slow season, so we keep a skeleton crew on board to serve the few customers who decide to come in. The rigs will have a skeleton crew keeping them running until the company finishes handing over its business to the new owners.*

skeleton in (the/one's) closet An embarrassing or shameful secret. Primarily heard in US. *If you've got a skeleton in the closet, it will probably be exposed during this campaign. He didn't believe me when I said that I didn't have any skeletons in my closet.*

skeleton in (the/one's) cupboard An embarrassing or shameful secret. Primarily heard in UK, Australia. *If you've got a skeleton in the cupboard, it will probably be exposed during this campaign. He didn't believe me when I said that I didn't have any skeletons in my cupboard.*

skiddoo st. See [23 Skidoo Street](#).

the skids 1. The framework that is attached to the side of a ship when loading or unloading cargo. *The last of the boxes are on the skids now.* 2. slang A period of trouble or decline. *The team started the season so well, but they've really hit the skids now. I think Marissa and I are going to break-up soon, we're on the skids.*

skim the surface (of something) To do, engage with, or understand something to only a minimal or superficial degree. *I know you feel*

like you know everything about philosophy now, but this introductory course only skims the surface. Jack never felt satisfied devoting his time and attention to one thing, so instead he's skimmed the surface of a number of hobbies and interests.

skimp and save To reduce or limit one's spending in order to save money. *I'd love to go out to dinner with you, but I'm really skimping and saving right now. I'm sorry, honey, but your father and I can't afford to buy you a new bike right now—you'll have to work more hours and skimp and save.*

skin an eel by the tail To do something in an ill-advised way. *Why are you skinning an eel by the tail? You know you can't back out of the driveway until you clear all that snow out of the way!*

skin in the game A personal investment, usually monetary, in the pursuit of some goal or achievement, especially in business and finance. *If you want to find a company that is truly motivated to succeed, find one where all the executives have skin in the game.*

skin in the game See [have skin in the game](#).

skin the bear at once To address an issue directly. Primarily heard in US. A: *"Jen means well, but she can be a little blunt."* B: *"Yeah, she tends to skin the bear at once." This is a big problem to tackle, so let's skin the bear at once, gentlemen—there's no time to waste.*

skip a beat 1. To slow down, pause, or lose one's place, especially when faced with a potential distraction or disruption. Typically used in the negative. *The boss didn't skip a beat during the meeting when his son-in-law staggered in, reeking of booze. You can't fluster my mother. No matter how you try to shock or annoy her, she never skips a beat.* 2. Of the human heart, to flutter, often from nervousness or excitement. *I swear, my heart skipped a beat the first time I saw my wife. My heart skips a beat every time I'm called into my boss's office.*

skip a beat See [not skip a beat](#).

skip town To leave town secretly and/or hastily. *You can't just skip town every time you end a relationship. I think Adam skipped town—no one has seen or heard from him in weeks.*

skirt chaser Someone, typically a man, who very actively, persistently,

and/or aggressively pursues sexual relations with women. *After my brother's girlfriend broke up with him, he started drinking heavily and turned into quite a skirt chaser.*

skittles party drug slang A party in which the guests bring prescription drugs, which are then mixed and taken in combination. *I'm worried that my brother went to a skittles party last night because one of my medications is suddenly missing.*

skive off To absent oneself or leave early from school or work when one would normally be required to be there; to play truant. Primarily heard in UK. *I was so restless and bored at work that I decided to just skive off after lunch without telling anyone. Hey, Jim and I are planning on skiving off from school on Friday, do you want to come with us? That's the last time you skive off class, mister! From now on, I'm dropping you off to school every morning!*

skive (something) To absent oneself or leave early from something (usually school or work) when one would normally be required to be there; to play truant. Primarily heard in UK. *I was so restless and bored at work that I decided to just skive it after lunch without telling anyone. Hey, Jim and I are planning on skiving from school on Friday, do you want to come with us? That's the last time you skive class, mister! From now on, I'm dropping you to school every morning!*

skunk at a garden party Someone or something that is unwelcome or unpleasant. *Running into my ex at that important networking event was like encountering a skunk at a garden party.*

slack-jawed **1.** With one's mouth hanging open, as due to surprise or dim-wittedness. *I had to clear away the people who were standing slack-jawed on the side of the road, staring at the car wreck.* **2.** Moronic; very slow or dim-witted. *I tried asking for directions at the gas station, but there was just some slack-jawed yokel working behind the counter.*

slag (someone) (off) **1.** To criticise or upbraid someone in a harsh, insulting, and abusive manner. Primarily heard in UK, Ireland. *I wish the boss would offer some constructive criticism instead of just slagging us when something goes wrong. Each night, I can hear the woman next door slagging off her husband.* **2.** To tease, mock, or ridicule someone. Primarily heard in UK, Ireland. *Ah, don't take everything so personally, I'm only slagging you! It*

took me a while to get used to the way Sarah's family slags each other off all the time.

slang off See [sling off at \(someone\)](#).

slanging match A bitter argument or dispute in which each side hurls numerous insults, accusations, or verbal abuse at one another. Primarily heard in UK. *At first, I thought we were just going through a rough patch in our relationship, but lately, it seems like every night Janet and I get into a slanging match with each other. It might be time to end things.*

slap in the face A set phrase used to describe words or actions that have offended or otherwise upset someone. *It was a real slap in the face when she got promoted over me, especially after the amount of work I did on that last project.*

slap on the back An expression of approval or praise. *Brett's boss gave him a slap on the back after he completed the project early and under budget.*

slap on the wrist A mild punishment or warning. *Bill hasn't been late to school that many times, so just give him a slap on the wrist for his tardiness. Most people are outraged that the corporation only received a slap on the wrist after breaking so many regulations.*

slash A type of fan fiction that explores a sexual and/or romantic relationship between two characters (usually male) that are not romantically involved in the source material. The name comes from the slash (/) that typically separates the two characters' names in the story's title or description. *Dean and Castiel are my favorite characters on Supernatural, so yeah, I've read Destiel slash.*

slash fic A type of fan fiction that explores a sexual and/or romantic relationship between two characters (usually male) that are not romantically involved in the source material. The name comes from the slash (/) that typically separates the two characters' names in the story's title or description. *Dean and Castiel are my favorite characters on Supernatural, so yeah, I've read Destiel slash fic.*

a slave to See [be a slave to \(something\)](#).

slay slang To succeed at something in a particularly impressive or dominant way. *She's definitely getting the promotion after she slayed that presentation for the CEO. Did you see that band's halftime performance? They slayed it!*

sledge-hammer argument A strong argument that eliminates all opposition. *I really want to win the debate next week, so I'm preparing a real sledge-hammer argument.*

sleep a wink See [not sleep a wink](#).

sleep at the switch See [be sleeping at the switch](#).

sleep at the wheel See [be sleeping at the wheel](#).

sleep like a baby To experience a very deep and restful sleep; to sleep soundly. *I can't believe you finished a triathlon! You're going to sleep like a baby tonight. I have to set numerous alarms for the morning because I sleep like a baby every night!*

sleep like a log To experience a very deep and restful sleep; to sleep soundly. *I can't believe you finished a triathlon! You're going to sleep like a log tonight. I have to set numerous alarms for the morning because I sleep like a log every night!*

sleep like a top To experience a very deep and restful sleep; to sleep soundly. *I can't believe you finished a triathlon! You're going to sleep like a top tonight. I have to set numerous alarms for the morning because I sleep like a top every night!*

sleep rough To sleep outside at night, usually because one has no home or shelter. Primarily heard in UK, Australia. *The government's aim is to have the number of people sleeping rough halved in five years' time. I slept rough for a couple of years after my house was repossessed. It's not something I would wish on anyone.*

sleep with the fishes gangster cliché To be murdered and have one's body disposed of in a river, lake, or ocean. *Don't worry, boss, that no-good snitch will be sleeping with the fishes before sunrise.*

sleep with the fishes See [be sleeping with the fishes](#).

sleeping at the switch Failing to attend to one's responsibilities or duties; inattentive to that which is important or for which one is responsible. *Johnson was supposed to make sure the paperwork went through before the deadline, but it looks like he was sleeping at the switch. Our goalkeeper is such a nincompoop. We would have won that match if he hadn't been sleeping at the switch!*

sleeping partner Someone who is closely associated or involved with a business or corporation, typically through financial investment, and therefore shares in its risks and rewards, but does not participate in its day-to-day operations and management. Primarily heard in UK. *Dave's father agreed to be a sleeping partner when we started our company, leaving us to run it once it was set up. In an attempt to crack down on corruption, federal investigators have begun looking into various sleeping partners that might be financing the drug trade throughout the country.*

sleeping policeman slang A bump, ramp, or hump in the road that is intended to cause cars to reduce their speed, especially in residential areas. Primarily heard in UK. *There was a real problem of cars speeding around the tight corners near our housing estate, so the local council agreed to install a number of sleeping policemen in and around the area.*

sleepy head A playful name for one who is tired. *Get up, sleepy head, or else we'll be late! You're clearly dozing off, so why don't you go to bed, sleepy head?*

sleeveless errand A futile task. *Studying for this class is a sleeveless errand. I'll never get an A—why should I even try? We like to haze the new chefs by sending them on some sleeveless errand. Usually we have them go to the market for oyster bones.*

slice of life A realistic portrayal of life in a film, play, or other artistic medium. *I heard that play is a slice of life about a youth struggling with depression.*

slice of the action A part of the profits or success from an activity. *Once Sarah heard that Mel was starting a new software company, she decided she wanted a slice of the action and asked to be his business partner.*

slice of the cake A portion of the money or profits that are being shared by everyone involved in generating them. *The employees applauded when the boss announced that everyone was getting a slice of the cake in the form of a holiday bonus.*

slice of the pie A portion of the money or profits that are being shared by everyone involved in generating them. Primarily heard in US. *The employees applauded when the boss announced everyone was getting a slice of the pie in the form of a holiday bonus.*

slide into (one's)/the DMs slang To successfully flirt with someone via direct message (DM) on social media. *If you're trying to slide into your crush's DMs, don't use a cheesy pick-up line. A: "I just slid into the DMs and asked her out on a date." B: "Wow, I can't believe that actually worked!"*

slide off To slip along the surface of something and fall off. *All of the toppings slid off my ice cream sundae before I could take a single bite! Be careful, or that stack of books will slide right off the table.*

slime ball One whose behavior offends or repulses others. *I can't believe how poorly he treated that waitress. What a slime ball!*

sling off at (someone) 1. To tease, mock, or ridicule someone. Primarily heard in Australia, New Zealand. *Ah, don't take everything so personally, I'm only slinging off at you! It took me a while to get used to the way Sarah's family slings off at each other off all the time.* 2. To criticise or upbraid someone in a harsh, insulting, and abusive manner. Primarily heard in Australia, New Zealand. *I wish the boss would offer some constructive criticism instead of just slinging off at us when something goes wrong. I'm so glad the neighbours moved. Every night, the wife slung off at her husband, and it was incredibly irritating to listen to.*

slip beneath the/(someone's) radar To go unnoticed or undetected (by someone). *With so many different amendments to the bill being made, the Democrats were able to slip some healthcare funding beneath the radar. As the manager of this office, it's inexcusable that you allowed embezzlement by an employee to slip beneath your radar.*

slip into something more comfortable A set phrase usually said seductively to a prospective sexual partner. *Why don't you pour the wine while I slip into something more comfortable?*

slip of the pen An unintentional mistake in one's writing, such as incorrect spelling, word choice, or meaning. *Whoops, I meant to tell my mother that she was welcome to call over next Monday, but I actually wrote "next month" instead. Oh well, she'll understand that it was just a slip of the pen. Now take your time while writing these test essays—you don't want a few slips of the pen to be the reason you get a lower grade!*

slip of the tongue A small mistake made when speaking. *I accidentally called John by his brother's name. It was just a slip of the tongue.*

slip one over on (someone) To con, deceive or take advantage of someone; to make a fool of or hoodwink someone. *My little brother always thinks he can slip one over on me, but I'll be the one to get the last laugh next time! Beware of these street vendors selling tacky souvenirs. They're usually just trying to slip one over on you.*

slip through the cracks To go unnoticed or undealt with; to be unintentionally neglected or ignored, especially in a corporate, political, or social system. *With other issues like drug addiction and unemployment taking priority for the government, the welfare of children in the foster system very often slips through the cracks. We were all so busy drawing up the contracts for this new deal that the appreciation dinner we'd promised to our interns simply slipped through the cracks.*

slip under the/(someone's) radar To go unnoticed or undetected (by someone). *With so many different amendments to the bill being made, the Democrats were able to slip some healthcare funding under the radar. As the manager of this office, it's inexcusable that you allowed embezzlement by an employee to slip under your radar.*

slippery slope A situation in which some behavior or action will eventually lead to a worse form of the same behavior or action, or a disastrous outcome. *Eating that piece of cake is a slippery slope that could lead to you completely abandoning your diet. Verbal abuse is often a slippery slope that leads to physical abuse.*

slop bowl dated A bowl or other receptacle into which the dregs and leftovers of tea or coffee are collected from drinkers' cups (i.e., so that they may be refilled with a fresh drink). *Tabitha, will you please come take the slop bowl away and empty it? It's becoming conspicuously full.*

sloshed to the gills Thoroughly inebriated; drunk to the point of incoherence, senselessness, or the loss of self-control. *I hate being in New Orleans during Mardi Gras—an appalling number of people are sloshed to the gills!*

slot (someone or something) in To make time for someone or (to do) something between other previously arranged engagements or appointments. *I know that the masseuse is particularly busy on Saturday, but I may be able to slot you in sometime after lunch. I'm trying to slot in a yoga class on Monday between my two major business meetings. I find that it*

really helps keep me calm and focused.

slough of despond A state of severe depression. The phrase originated in John Bunyan's 17th-century novel *A Pilgrim's Progress*. *I started going to therapy once I felt myself slipping into the slough of despond.*

slow as molasses See [\(as\) slow as molasses](#).

slow as molasses in January See [\(as\) slow as molasses in January](#).

slow but sure Slow or incremental but yielding steady, dependable progress. *It's going to be slow but sure writing my thesis, as I have to balance my part-time job with my research. A: "Hey, how's the new novel coming along?" B: "It's been slow but sure."*

slow march 1. A slow but steady progression toward a particular end. *We know now that Gladys has been on a slow march toward death—her condition is terminal. I'm afraid that, without any changes, the company is on a slow march toward bankruptcy.* **2.** A slower-paced, rhythmic piece of music originally used to accompany marching soldiers. *We're rehearsing a slow march for the concert on Sunday.*

slower than molasses Exceptionally slow or sluggish; not fast at all. *This old laptop my dad gave me is a piece of junk. It's slower than molasses! Come on, Becky, you're slower than molasses back there! Pick up the pace and keep up with the group.*

slower than molasses in January Exceptionally slow or sluggish; not fast at all. *This old laptop my dad gave me is a piece of junk. It's slower than molasses in January! Come on, Becky, you're slower than molasses in January back there! Pick up the pace and keep up with the group.*

slowly but surely At a slow or incremental pace but making steady, dependable progress. *I've been writing my thesis slowly but surely—it will probably take me all year to finish it, but it's getting there! A: "Hey, how's the new novel coming along?" B: "Ah, slowly but surely!"*

slowpoke Someone who moves or does things in a particularly slow or sluggish manner; someone who is or has been dawdling. *We're never going to finish our project by the deadline with this slowpoke weighing us down! Hurry up, slowpoke! We're not going to wait all day for you to catch up with us.*

slug away (at something) To continue trying or working diligently

(at something); to plug away (at something). *I'm really not very good at math, but I've got to keep slugging away if I want to get into an engineering program. John's been slugging away at the new project, but I don't think he's enjoying it very much.*

a sly dog Someone who, through cunning, devious, or dishonest means, achieves a fortuitous outcome. *What a sly dog, he managed to get a copy of the test so he could memorize the answers ahead of time!*

small arms Firearms that are small enough in size to be easily carried and fired by one person. *The resistance has no access to large weapons, so they are relying on small arms.*

a small cog in a large machine Someone or something that is functionally necessary but of small significance or importance within a larger operation or organization. *I'm tired of working in this thankless IT support job. I don't want to be just a small cog in a large machine anymore!*

a small cog in a large wheel Someone or something that is functionally necessary but of small significance or importance within a larger operation or organization. *I'm tired of working in this thankless IT support job. I don't want to be just a small cog in a large wheel anymore!*

small fortune A large amount of money. *I had to spend a small fortune to get my car repaired after the transmission started slipping.*

a small frog in a big pond Someone or something within a larger operation or organization who is of less importance or less qualified than those around him, her, or it. *This thankless IT support job is really getting old. Ever since I started here, I've just been a small frog in a big pond.*

the small matter of (something) Said in reference to a rather large or important issue that has not yet been completed or addressed. A: *"Thank you for your services, Jennings. My valet will show you out."* B: *"Thank you, sir. However, there is still the small matter of my pay for the last three months."*

small wonder Not a surprising or unexpected thing at all. *You drank an entire bottle of bourbon by yourself? Small wonder that you feel as bad as you do this morning. Considering the massive legal team they can afford to hire, it's a small wonder that few people are able to successfully sue the corporation for its questionable practices.*

small wonder See [\(it's\) small wonder](#).

smart aleck One who makes jokes and uses sarcasm in an attempt to seem witty, but instead is deemed annoying. Also seen as "smart alec." *I'd had enough of that smart aleck's wisecracks, so I left the party early.*

smart-arse rude slang One who makes jokes and uses sarcasm in an attempt to seem witty, but instead is deemed annoying. Primarily heard in UK. *OK, smart-arse, are you going to help me, or just stand there mocking me all night?*

smart-ass rude slang One who makes jokes and uses sarcasm in an attempt to seem witty, but instead is deemed annoying. Primarily heard in US. *OK, smart-ass, are you going to help me, or just stand there mocking me all night?*

smart bomb A bomb with a guidance system that navigates it to its target. *The military adopted the use of smart bombs to reduce collateral damage.*

smart cookie A clever and intelligent person. *Don't underestimate Cindy's intelligence—she's one smart cookie!*

smart mouth **1.** One who is sarcastic and/or speaks to others with disrespect. Primarily heard in US. *How dare you talk to me like that? I didn't raise you to be a smart mouth!* **2.** The tendency to speak in such a way. *Since when did you get such a smart mouth? Don't talk back.*

smart-mouth (someone) To talk to someone in an irritatingly sarcastic, flippant, and/or witty manner. *Don't smart-mouth me, son, or I'll whoop your backside! Mary got in trouble for smart-mouthing the teacher.*

smarty pants **1.** One who obnoxiously and frequently attempts to assert perceived superiority in intelligence; a know-it-all. *Don't be such a smarty pants. You don't know everything.* **2.** One who makes jokes and uses sarcasm in an attempt to seem witty, but instead is deemed annoying; a smart aleck. *OK, smarty pants, are you going to help me, or just stand there mocking me all night?*

smash (something) to smithereens To break or destroy something into tiny, fragmentary pieces. "Smithereens," first appearing in English in 1829 as "smiddereens," is likely derived from the Irish word "smidirín" or "smidiríní," meaning "fragment." *The demolition crew brought*

in the wrecking ball, which smashed the house to smithereens in a matter of hours. The typhoon's gale-force winds have been smashing the village to smithereens over the last few days.

smash the teapot To resume drinking alcohol after a time of sobriety. The "teapot" here is likely a reference to the term "teetotaler"—one who does not drink alcohol. A: *"But Paul's been sober for years. Has he really smashed the teapot?"* B: *"Yes! I saw him drunkenly stumbling out of the pub last night."*

smashed to smithereens See [be smashed to smithereens](#).

the smell of an oily rag A very meager, slim, or frugal amount of resources, especially money or fuel. As in the phrases "live off/on the smell of an oily rag" or "run off/on the smell of an oily rag," respectively. Primarily heard in Australia, New Zealand. *I spent a year travelling abroad, and I lived on the smell of an oily rag to get by. This trusty little car may not look like much, but she runs on the smell of an oily rag.*

smell of the lamp To show the signs of arduous, overwrought effort, and to lack freshness or vitality as a result. (Said especially of academic or literary work.) *His thesis is meticulously crafted, but the paragraphs are so dry and calculated, and the paper lacks any flourish or style. As a whole, it rather smells of the lamp to me.*

the smell of the lamp Signs of arduous, overwrought effort, with an absence of freshness or vitality as a result. (Said especially of academic or literary work.) *His thesis is meticulously crafted, but the paragraphs are so dry and calculated, and the paper lacks any flourish or style. As a whole, it has the smell of the lamp about it.*

smell test A hypothetical pass/fail "test" that gauges the moral acceptability or trustworthiness of someone or something. *The new pro-drilling bill that's being put through Congress doesn't pass the smell test, and many are suspicious that Big Oil has been responsible for its inception.*

smoke pole A handgun. *After he pulled a smoke pole on me, I gave him all my money.*

smoke the peace pipe (with someone) To reach an agreement or understanding (with someone); to resolve a dispute or stop fighting (with someone). Alludes to the calumet used by certain Native American tribes for

ceremonial purposes, such as a covenant or peace treaty. *In a surprise turn of events, it seems that the environmentalist group is looking to smoke the peace pipe with the largest lobbying body of the oil industry. I don't understand why there has been so much tension between you. You need to both sit down like rational adults, smoke the peace pipe together, and get on with your lives.*

smoking gun Indisputably incriminating evidence. Likened to a gun that is still smoking after having been fired. *A smoking gun was revealed in the form of emails documenting the man's involvement in the money laundering scheme. So far the prosecutor has presented only circumstantial evidence, but she's expected to reveal a smoking gun against the defendant soon.*

smooth as a baby's bottom See [\(as\) smooth as a baby's bottom](#).

smooth as silk See [\(as\) smooth as silk](#).

a snake in (one's) bosom Someone whom one has befriended, taken care of, or treated well but proves to be traitorous, untrustworthy, deceitful, or ungrateful. (Used especially in the phrase "nourish/nurse/nurture a snake in one's bosom.") *Well, it turns out that Margaret was quite a snake in my bosom. I put my neck on the line to get her a job in our company, and then she turns around and tries to get me fired! I thought our love was not only mutual but indestructible; and yet, I have nursed a snake in my bosom all these years: my darling husband has cast me out and run off with a younger woman.*

snake in the grass One who feigns friendship with the intent to deceive. *Did you hear that Daria's best friend stole money from her bank account? What a snake in the grass.*

snake oil salesman Someone who sells, promotes, or is a general proponent of some valueless or fraudulent cure, remedy, or solution. (Can also be formed as "snake oil saleswoman" if referring to a woman, or "salesperson" to be gender neutral.) *I find it hard to believe anyone would fall for those snake oil salesmen on TV selling holistic medicines and therapies. A lot of people have been swayed by the presidential candidate's plan for economic growth, but if you ask me, she sounds like a snake oil saleswoman.*

snakes and ladders A children's board game in which players try to reach the finish while encountering ladders that move them quickly forward, and snakes that force them back near the start. *My little sister loves to play snakes and ladders, but I find it so frustrating because I always seem to land*

on snakes!

snatch defeat from the jaws of victory To fail, lose, or be defeated despite the appearance that one would be victorious, especially due to a mistake, error, or poor judgment. (An ironic reversal of the more common "snatch victory from the jaws of defeat.") *We were ahead by nearly 20 points with less than half the quarter remaining—how on earth did we manage to snatch defeat from the jaws of victory like that? The candidate has led in the polls right up to election day, but with that unfortunate remark last night, he may well have snatched defeat from the jaws of victory.*

snatch (someone) from the jaws of death To rescue someone at the last moment from near or certain death. *Thankfully, the EMTs arrived to the crash in time to snatch the woman and her child from the jaws of death.*

snatch victory from the jaws of defeat To win, succeed, or be victorious at the last moment, despite the apparent likelihood of failure or defeat. *They were down by nearly 20 points with less than half of the last quarter remaining, but through sheer skill and perseverance they managed to snatch victory from the jaws of defeat. The candidate has been behind in the polls right up to election day, but with that unfortunate remark by his opponent last night, he may end up snatching victory from the jaws of defeat.*

snatched from the jaws of death See [be snatched from the jaws of death](#).

sneaky Pete slang Cheap, low-quality wine. Primarily heard in US. *I can't drink sneaky Pete anymore, that stuff is disgusting! Is he drunk on sneaky Pete already?*

sneck posset archaic A rejection, refusal, or cold reception; a closed door (as on a visitor). Primarily heard in UK. *After receiving a veritable sneck posset from his wealthy distant relations, Milton set to drinking in the town's tavern for want of any other recourse.*

sniff test **1.** The act of questioning the viability of an idea or course of action. *Josh thinks he has a solid plan, but it doesn't pass the sniff test for me—I don't see how it will be profitable.* **2.** In medicine, a test of the phrenic nerve in which the patient must sniff forcefully. *Next, we're going to do a sniff test so that I can see exactly how your phrenic nerve is functioning.* **3.** In medicine, a way to recognize bacterial vaginosis (which presents with a

fishlike odor). *I've only done a sniff test so far, but I think that patient has bacterial vaginosis.* **4.** The act of smelling something to determine whether or not it has a fresh odor. *These leftovers pass the sniff test, so I'll heat them up for lunch. You can't wear that shirt again without washing it—it definitely doesn't pass the sniff test!*

snipe hunt **1.** A practical joke in which the victim is sent on a hunt for a fictitious animal called a snipe. *When I was in the Cub Scouts, the youngest members were always sent out on a snipe hunt by the counselors on the night of our first big campout.* **2.** By extension, any hunt, search, or quest for something that is fictitious, non-existent, elusive, or illusory. *The president has pledged to make universal healthcare a reality, but I think he's really just on a snipe hunt.*

snot-nosed **1.** slang Arrogant and snobbish. *I was already bored, but now that we have a snot-nosed tour guide, I'm leaving. Did you hear how judgmental he was about our choice of wine? What a snot-nosed jerk.* **2.** slang Young and inexperienced. *I've been in this job 20 years, and now some snot-nosed kid right out of college is going to tell me what to do? No way!*

snow job A form of manipulation that involves lying or flattery to persuade someone. *He laid the compliments on her so thick, it was surprising that she couldn't see that it was nothing more than a snow job.*

snow on the mountain Silver, grey, or white hair on one's head, as due to aging. *Sure, there's a bit of snow on the mountain, but I still lead as adventurous a life as I ever have!*

snow on the roof Silver, grey, or white hair on one's head, as due to aging. *Sure, there's a bit of snow on the roof, but I still lead as adventurous a life as I ever have!*

snowball effect A situation in which the results or consequences of an action grow at an increasingly faster rate over time. *Once the video game hit the market, word of mouth caused a snowball effect that made it the most popular and top grossing game of all time. She ignored her debt for so long that now, she's experiencing a snowball effect that threatens to crush her financially.*

a snowflake See [\(special\) snowflake](#).

snowman A figure made out of snow. It typically consists of three

mounds of snow stacked on top of each other and is often adorned with clothing and other decorations. *The kids are outside building a snowman with buttons for eyes and a carrot for a nose.*

snuff movie A film that shows the actual murder or death of a person. *Although snuff films are illegal, they are still widely circulated on the black market.*

snuggle bunny A term of affection for a romantic partner or child. *I'm so glad you're home, my snuggle bunny! I miss you so much when you're away on business.*

so-called **1.** A phrase used to emphasize that a name or term for someone or something is commonly used. *Next, we'll be reading the so-called master of English literature, William Shakespeare.* **2.** A phrase used to indicate the speaker's doubt about the appropriateness of the term being used to describe a person or thing. *Oh, now my so-called best friend calls me. Where was she three weeks ago when I was in the hospital? My so-called smartphone has suddenly lost all ability to send a text.*

so far as See [\(in\) so far as](#).

so forth See [and so forth](#).

so long as **1.** Considering the fact that; seeing as; because. *Hey, so long as you're going to the shop, would you mind picking me up a pack of gum? I suppose I might as well do a bit of work on my thesis so long as I've got the apartment to myself.* **2.** If it is the case that; provided that. *Hey, so long as you get your homework finished and handed in on time, I don't care what kind of music you listen to. Okay, you can have one cookie before dinner so long as you don't spoil your appetite!*

so no pressure See [no pressure](#).

so on See [and so on](#).

so on and so forth See [and so on and so forth](#).

so quiet you could hear a pin drop Extremely quiet and still. *After the boss's outburst, the meeting room was so quiet you could hear a pin drop. Waiting to see what happened next in the play, everyone in the audience stayed so quiet you could hear a pin drop.*

so still you could hear a pin drop Extremely quiet and still. *After*

the boss's outburst, the meeting room was so still you could hear a pin drop. Waiting to see what happened next in the play, everyone in the audience stayed so still you could hear a pin drop.

so there childish An exclamation added to a statement for emphasis or as an expression of defiance. *The teacher said she liked my project the best, so there! Oh yeah? Well, I'm going to eat all of my Halloween candy before dinner, so there!*

so what A rhetorical question meant to express that one is indifferent to or finds no importance in what's being discussed. *So what if you don't finish high school? Plenty of people drop out and go on to have great lives. John: "You've got a lot of great qualities; any woman would be mad not to think you're a catch!" Dave: "So what? Sarah was the only girl for me, and now she's gone forever."*

soak (one) to the skin To make someone extremely or completely wet, especially through their clothing. *Jane soaked the other kids to the skin with the garden hose. I hope they get home soon, or that rain is going to soak them to the skin!*

soak (someone or something) through To make someone or something extremely or thoroughly wet, especially through multiple layers. *Jane soaked my books through when she sprayed me with the garden hose on my way home from school. I hope the kids get home soon, or that rain is going to soak them through!*

soak (someone) to the bone To make someone extremely or completely wet, especially through their clothing. *Jane soaked the other kids to the bone with the garden hose. I hope the kids get home soon, or that rain is going to soak them to the bone!*

soaked through Extremely or completely wet, especially through one's clothing. *I can't believe you pushed me into the pool! Now I have to walk home soaked through! The kids let themselves get soaked through out in the rain, and now one of them is coming down with a cold!*

soaked to the bone Extremely or completely wet, especially through one's clothing. *I can't believe you pushed me into the pool! Now I have to walk home soaked to the bone! The kids let themselves get soaked to the bone out in the rain, and now one of them is coming down with a cold!*

soaking wet Completely drenched. *Mom's soaking wet because she got caught in that storm while she was out taking a walk. I accidentally left my car windows open, and now my seats are soaking wet.*

soap plant Any plant that produces a lather that can be used for cleansing. Examples include the California soap plant, the soapberry, and the soapwort. *My mom makes all-natural soap out of soap plants.*

soapbox orator One who makes an impassioned, impromptu speech. (Soapboxes were once commonly used as makeshift platforms for such speeches.) *It seems like there's a soapbox orator on every corner in this city. Sorry, I couldn't hear you over that soapbox orator who's ranting about the government.*

soapy Sam One who is slick and persuasive, especially in speech. The phrase originally referred to Samuel Wilberforce, a 19th-century Bishop of Oxford, who was known for such qualities. *This guy is a real soapy Sam—the townspeople believe his every word, even though he has never delivered on a single promise.*

sob story A sad story told in an attempt to generate sympathy for the storyteller. *Don't come in tomorrow without your final project. I don't want to hear any sob stories about how you forgot it at home.*

a sobering thought A thought or idea which is dispiriting, depressing, or traumatic. *It's a sobering thought when you consider how many people go without clean water every day.*

social climber A person who tries to elevate their social status, often through the calculated use of friendships and relationships. *Based on his circle of friends, it's obvious that he is nothing more than a social climber.*

social justice warrior One who actively supports and promotes equality and fair treatment among different social classes. *Once Betsy got to college, she became a real social justice warrior and decided to pursue a career in law as a way to bring about societal change.*

social justice warrior A derisive term for one who supports or upholds progressive views on social issues. This phrase typically implies that such a person is overzealous or disingenuous. Often abbreviated SJW. *These social justice warriors want to control every aspect of our lives!*

the social ladder The hierarchical structure or makeup of a culture,

society, or social environment. *Miss Dumfey hopes to improve her standing on the social ladder with a marriage to the baron. It's always hard for high school freshmen to find their place on the social ladder. Mary's had a chip on her shoulder from being raised in a trailer park, so climbing the social ladder has been her only aim since leaving home.*

socialized medicine A system of national healthcare that is funded by taxes and provided to people by the government. *Ever since I got sick, my medical expenses have been so outrageous that I'm thinking of moving to a country that has socialized medicine.*

sod all Nothing whatsoever; very little or nothing of consequence. Primarily heard in UK. *I'm trying to get going on this research project, but I've done sod all so far! A: "What did you talk about with your old classmates at the reunion?" B: "Sod all, really. They're quite a boring bunch, after all these years."*

soft fire makes sweet malt One's impatience can ultimately ruin a project. When malt is prepared, it is burned, but if it is burned too much, it will not have its desired sweetness. *You keep messing up your drawing because you are rushing—soft fire makes sweet malt, after all.*

soft life A life that is typified by or filled with ease and comfort, without requiring any hard work, sacrifice, or unpleasantness. *After such a soft life under the wings of his parents, James was totally unprepared to have to work for a living.*

soft mick A non-specific military term used for emphasis. *It's colder than soft mick out here today! That idea is as stupid as soft mick.*

soft power The ability of a nation or other political entity to reach a desired outcome by non-violent methods (such as diplomacy, negotiation, foreign aid, etc.) and without the use or threat of force (i.e. military action). (The opposite of hard power.) *Many of the top military brass have stated their belief that the nation's interests are best served through maintaining traditional hard power in combination with so-called soft power methods, such as diplomacy.*

soft sawder obsolete Ostentatious flattery or sycophancy, especially for the purpose of cajoling or coaxing someone (to do something). *The wheedling clerk poured on the soft sawder thick into Ms. Meriwether's ear, deftly convincing her to invest on his behalf.*

soft shoe **1.** noun A style of tap dance that uses soft-soled shoes, as opposed to ones with hard metal soles. This phrase can refer to an actual choreographed dance or to a shuffling movement that vaguely resembles it. *Thank goodness my sister finally does the soft shoe now—I was so sick of listening to her bang around in her hard tap shoes! Once I realized the boss was on a call, I did a soft shoe back out of her office.* **2.** verb To perform such a dance or movement. *Thank goodness my sister finally soft shoes now—I was so sick of listening to her bang around in her hard tap shoes! Once I realized the boss was on a call, I soft shoed back out of her office.* **3.** verb By extension, to do something carefully and skillfully. *Once the boss made it clear that we were not going to accept the settlement, I soft shoed onto our alternatives.*

softly-softly adjective Cautious, tentative, gradual and careful, especially to an overbearing degree. (Also written "softly, softly.") *I just wish his parents weren't so softly-softly with him all the time. The kid needs to learn how to be a bit more brazen and independent! I think we should take things a bit softly, softly at this stage in development.*

softly, softly approach A calm and thoughtful method for dealing with a problem. Primarily heard in UK, Australia. *When dealing with unmotivated teens, the softly, softly approach doesn't always work—sometimes you have to do something to get their attention. Many parents use the softly, softly approach when trying to calm their toddlers' tantrums.*

softly, softly, catchee monkey A slow and careful way of resolving an issue, typically when dealing with a deceptive or otherwise challenging person or thing. *Don't you worry, we'll lull that crook into a false sense of security and then trap him—softly, softly, catchee monkey.*

soil (one's) hands To partake in especially underhanded, illicit, or illegal work or activities. *The public can't be allowed to think that I, a senate hopeful, would ever soil my hands with a tax-evasion scheme such as that.*

soldier of fortune **1.** A soldier who serves the person or organization paying them, rather than their country; a mercenary. *Although the nation only had a small population, it boosted the size of its army by hiring soldiers of fortune.* **2.** A person who seeks adventure or military engagement for money, pleasure, or fame. *The novel depicts a soldier of fortune who risks his life for notoriety.*

solitary wasp A type of wasp that does not live in a social colony. *My sister is an entomologist currently studying the behavior of solitary wasps.*

some kind of **1.** An expression used when the speaker is uncertain of what they are describing. *There was some kind of noise outside, can you please go and investigate?* **2.** An expression used to emphasize that something is superlative. *That's some kind of car you've got there, Gus!*

some measure **1.** A certain degree or extent; somewhat. *While hard work and perseverance will take you far, success also depends in some measure on good fortune.* **2.** A little; a small amount of something. *Our team had some measure of success this year, and I know we'll do even better next year.*

some people have all the luck An expression of mild envy at another's fortune and/or frustration for one's own misfortune. *I can't believe Susie won both raffles—some people have all the luck. I've been unemployed for a year, and you got a new job in a matter of weeks. Geez, some people have all the luck.*

some people! An expression of disgust over the way certain people act, behave, or function in society. *A: "So then this guy, drunk out of his mind, starts peeing in the bushes as he's talking to the cops." B: "God, some people! I wish jerks like that were banned from buying booze."*

some pumpkins dated Someone or something that is particularly great, special, wonderful, etc. *Did you see Tracey's new car? Boy, it's some pumpkins, huh? I've started seeing this amazing guy from Belgium. He's some pumpkins!*

some punkins dated Someone or something that is particularly great, special, wonderful, etc. (A variant of "some pumpkins.") *Did you see Tracey's new car? Boy, it's some punkins, huh? I've started dating this amazing guy from Belgium. He's some punkins!*

(some score) from the East German judge An imaginary and exaggeratedly low score for some event, action, statement, or attempt deemed to be a failure or inadequate in some way. It is a reference to judges from the former country of East Germany, who were often seen as giving unfairly low scores to competitors from other countries during international sporting events. *I'd say that pitiful retort would only get you 2 out of 10 from the East*

German judges, my friend.

somebody up there is looking out for me 1. I am or was extremely fortunate or lucky. (Refers to the idea of good fortune being bestowed upon one by a higher power.) *Somebody up there is looking out for me, because I just won \$500 on the first lottery ticket I ever bought! I can't believe he walked away from that car accident with just a few scrapes. Somebody up there is looking out for him, all right!* 2. Someone in a position of power, authority, or influence is treating me with partiality. *Wow, I'm up for a promotion already? I guess somebody up there is looking out for me!*

somebody up there loves me 1. I am extremely fortunate or lucky, judging from some recent development. *Somebody up there loves me, because I just won \$500 on the first lottery ticket I ever bought! I can't believe I walked away from that car accident with just a few scrapes. Somebody up there loves me, all right!* 2. Someone in a position of power, authority, or influence is giving me preferential treatment. *Wow, I'm up for a promotion already? I guess somebody up there loves me!*

something awful Terribly. The phrase is used as an adverb to emphasize just how bad or intense something is. *Thank you for taking out the trash—it sure smelled something awful! My ankle has hurt something awful ever since I slipped on the ice.*

(something) be damned Said of something that is ignored or disregarded by someone else, to the dismay of the speaker. "Be damned" is a set phrase. *Apparently, they are firing all of their best photographers, quality be damned! These new politicians say whatever they want, and decency be damned.*

something to do with See [to do with](#).

(something) will get (someone) nowhere Something, typically a certain behavior, will not help someone progress or succeed in any way. *Look, we can sit here arguing over who screwed up all day long, but pointing fingers at each other will get us nowhere. Being the teacher's pet will get you nowhere when the midterm exam rolls around.*

(something) won't get (someone) anywhere Something, typically a certain behavior, will not help someone progress or succeed in any way. *Look, we can sit here arguing over who screwed up all day long, but pointing fingers at each other won't get us anywhere. Being the teacher's pet won't get you anywhere when the midterm exam rolls around.*

son of a gun **1.** A mean or unpleasant man. *Julie's ex-husband was such a mean son of a gun, it's no wonder she divorced him.* **2.** An emphatic expression of affection for a man one considers daring, mischievous, or tough. *That son of a gun really pulled through for us when we needed him!* **3.** An inanimate object that is problematic. *My car broke down, and I can't figure out how to fix the son of a gun!*

son of Belial An evil person. "Belial" is a demon or another name for Satan. The phrase originated in the Bible. *Eric spread horrible rumors about me, so he's the son of Belial as far as I'm concerned!*

son of thunder A speaker who attracts listeners by using an impassioned, often aggressive, delivery. The phrase originated in the Bible. *I can't listen to that son of thunder bluster about his idiotic worldview anymore. A son of thunder has everyone mesmerized in the town square right now.*

song and dance **1.** A long and elaborate explanation or presentation. Primarily heard in US. *The whole song and dance to introduce the keynote speaker lasted longer than her speech!* **2.** A long and elaborate explanation told with the intent to deceive someone or justify something. *When I questioned her about her tardiness, she gave me some song and dance about her car breaking down.*

soon forgotten See [long absent, soon forgotten](#).

a sop to Cerberus A bribe. Taken from the ancient Greek and Roman custom of leaving gifts with corpses so that Cerberus (guardian of the gates

of hell) would pass them by. *What is this money, a sop to Cerberus so that I won't tell the authorities what you've done?*

a sore loser Someone who complains, becomes upset, or otherwise reacts very negatively when they fail or lose at something competitive. *Don't be such a sore loser, Jim. I know you pride yourself on your racquetball skills, but I beat you fair and square.*

sore point A topic that makes one angry or uncomfortable. *Whatever you do, don't mention his ex-wife—his divorce is really a sore point with him.*

sore spot A topic that makes one angry or uncomfortable. *Whatever you do, don't mention his ex-wife—his divorce is really a sore spot with him.*

a sorry state See [in a sorry state](#).

a sorry state (of affairs) A particularly unfortunate, unpleasant, and/or upsetting situation or set of circumstances. *Their company has been in a sorry state ever since Jonathan took over. It's a sorry state of affairs when you can no longer be sure how you'll feed your children each night.*

sought a knot in a bulrush See [seek a knot in a bulrush](#).

the soul of discretion Someone who can be trusted to keep information private. *Don't worry, my sister is the soul of discretion—she won't tell anyone about our engagement before we do.*

sound as a barrel In good health. *Yes, I was sick a few weeks ago, but I'm as sound as a barrel now.*

sound the alarm 1. Literally, to activate an alarm. *I think I see smoke coming from the warehouse. Someone run upstairs and sound the alarm!* 2. To alert other people about something dangerous, risky, or troublesome. *A number of top economic advisors tried to sound the alarm before the economic crash, but no policy makers seemed to heed their warnings.*

sounding board A person or group with whom one discusses an idea, plan, or suggestion in order to evaluate its strengths, acceptability, feasibility, practicality, etc. *My friend John and I really know each other's skills and interests, so whenever one of us has an idea for a new project, we use the other as a sounding board.*

sour cherry A tart variety of cherry. *I can't stand sour cherries, so these better be sweet ones!*

sour note A particularly unfortunate, unpleasant, or disagreeable topic of news, information, or conversation. *News of my father's passing hit quite a sour note before my graduation ceremony. The CEO's speech at the Annual General Meeting ended on quite a sour note when he announced that there would be company-wide pay cuts and layoffs.*

sour stomach An unpleasant sensation that typically includes gastrointestinal symptoms like nausea, indigestion, and bloating. The phrase can be used with or without an article preceding it. *Bill has a sour stomach now after eating all that spicy food at dinner. I have sour stomach a lot, so I always keep antacids with me.*

sow a/the seed of doubt (in someone's mind) To cause someone to have doubts, worries, or concerns (about something); to introduce someone to a doubtful or worrisome idea. *The candidate was doing very well in the polls six months ago, but it seems that this smear campaign has been effective in sowing a seed of doubt in the minds of voters. Recent economic turbulence in the Eurozone has sown the seed of doubt about the strength of the economy's recovery. Jim's suspicious behavior sowed a seed of doubt in Jenny's mind about his fidelity.*

sow dragon's teeth To do something that inadvertently leads to trouble. The phrase refers to Cadmus, a figure in Greek mythology who killed a dragon and, on instructions from Athena, sowed (planted) its teeth. The soldiers that grew from the teeth fought each other until only a few remained. A: *"Why did you invite Joe, my sworn enemy, to this party?"* B: *"Listen, if I had known that I would be sowing dragon's teeth by inviting Joe, I never would have done it!"* I guess I sowed dragon's teeth when I complained about my neighbors being too loud because now they won't talk to me.

space cadet A person considered out of touch with reality. *I tried having a serious conversation with her, but she's such a space cadet that I gave up after a few minutes of hearing her ramble on about my aura.*

spaghetti western A usually low-budget cowboy film set in the American West but filmed in a European country, especially Italy. A: *"What kind of movie do you want to watch tonight?"* B: *"How about a spaghetti western?"*

Spanish flag A nickname for the California rockfish, due to its red and

white markings. *I caught a Spanish flag while I was out on the boat today.*

spank the monkey slang Of men, to masturbate. A: *"Why is he all embarrassed today?"* B: *"Oh, his crush walked in on him spanking the monkey. How horrifying is that?"*

spare at the spigot and spill at the bung To be frugal with trivial matters and reckless with more significant ones. The phrase describes the incongruity of turning off water at the spigot but leaving the bung, or stopper, off the reservoir. A: *"Dad never lets us turn the heat up in the winter because it's too expensive, yet he ignores any problem around the house until it becomes a major repair."* B: *"I know, he always spares at the spigot and spills at the bung." I know you like to spare at the spigot and spill at the bung, but you would save so much money in the long run if you got a new car, instead of repairing all these nagging issues.*

spare (someone's) blushes To keep from making someone feel embarrassed or awkward. *However, due to your family's great service to the crown, we will spare your blushes and not create a public scandal around this debacle. I tried sparing her blushes when she asked me to prom by saying I had no intention of going with anyone.*

spare tire 1. A layer of excess fat around one's midsection. *I think I need to lay off the junk food, because this spare tire of mine is getting a bit out of hand.* **2.** An unhelpful, unnecessary, unproductive, or unwanted person in a group. *There are a few spare tires on this project who are really holding back our progress. Ever since John's girlfriend started hanging out with us, it's left me feeling like a spare tire.*

spare tyre 1. A layer of excess fat around one's midsection. Primarily heard in UK. *I think I need to lay off the lager, because this spare tyre of mine is getting a bit out of hand.* **2.** An unhelpful, unnecessary, unproductive, or unwanted person in a group. Primarily heard in UK. *There are a few spare tyres on this project who are really holding back our progress. Ever since John's girlfriend started hanging out with us, it's left me feeling like a spare tyre.*

spark plug One who energizes others with one's ideas and positive personality. Primarily heard in US. *Kelly was the spark plug the company needed to get their new project off the ground.*

spark spread The income made by selling electricity, after the cost of

the fuel used to produce the electricity has been subtracted. *We need to analyze the spark spread, to determine if the electrical plant can stay open.*

spat in the wind See [spit in\(to\) the wind](#).

spat out the dummy See [spit \(out\) the dummy](#).

speak a mile a minute To speak in a very quick or hurried manner; to talk very fast. *When the boss gets excited, she starts speaking a mile a minute, and I can never follow everything she's trying to say!*

speak by the card To speak with accuracy and exactness. The "card" in this now-obsolete phrase might have referred to a sea chart, which was considered very precise. *I always trust a man who speaks by the card—it inspires great confidence.*

speak daggers To speak harshly or maliciously, so as to hurt the listener. *I can't stand to be around my mother these days—she's always speaking daggers because she's so miserable. I will speak daggers to my enemy when I see him at the debate.*

speak for (one)self 1. An imperative to express one's opinion as one's own, and not represent it as being indicative of anyone else's. The phrase is said when there is disagreement. A: *"We just love traveling."* B: *"Speak for yourself—I think it's exhausting."* 2. To express oneself, as opposed to letting others speak for oneself or remaining silent. *She needs to speak for herself—I'm not a mind-reader!*

speak in circles To talk about something in an indirect or confusing way that is hard for the listener to follow. *As journalists, we need to ask the important questions and keep these politicians from speaking in circles.* A: *"What's new with Mary?"* B: *"I have no idea because she spoke in circles the whole time."*

speak of the devil An acknowledgment of a person who has arrived just as or after they were being discussed. (A shortening of the longer proverb, "speak of the devil, and he is sure to/shall/will appear.") A: *"Hey everyone, sorry I'm late!"* B: *"Well, speak of the devil! We were just speaking talking something funny you were saying the other day."*

speak of the devil, and he appears An acknowledgment of a person who has arrived just as or after they were being discussed. John: *"Hey everyone, sorry I'm late!"* Dave: *"Well, speak of the devil, and he appears!"*

We were just talking about something funny you said the other day."

speak of the devil, and he is sure to appear An acknowledgment of a person who has arrived just as or after they were being discussed. *John: "Hey everyone, sorry I'm late!" Dave: "Well, speak of the devil, and he is sure to appear! We were just talking about something funny you said the other day."*

speak of the devil, and he shall appear An acknowledgment of a person who has arrived just as or after they were being discussed. *John: "Hey everyone, sorry I'm late!" Dave: "Well, speak of the devil, and he shall appear! We were just talking about something funny you said the other day."*

speak of the devil, and he will appear An acknowledgment of a person who has arrived just as or after they were being discussed. *John: "Hey everyone, sorry I'm late!" Dave: "Well, speak of the devil, and he will appear! We were just talking about something funny you said the other day."*

speak out of both sides of (one's) mouth To try to maintain contradictory positions or beliefs in an attempt to please the most people. *We all know that you've been speaking out of both sides of your mouth about the merger, so please, just tell us the truth. Will there be layoffs or not? I don't trust that candidate—he still hasn't committed to a clear course of action and is always speaking out of both sides of his mouth.*

speak out of turn To say something erroneous, foolish, or impudent at an inappropriate time, or to speak when one does not have the authority to do so. *I hope I'm not speaking out of turn, but I think we'd see a higher profit margin if we took better care of our employees' benefits. If you speak out of turn in my class, you can expect detention!*

speak softly and carry a big stick A phrase popularized by US President Theodore Roosevelt that encourages one to attempt peaceful negotiations while also being armed and ready for battle. *Because that group is violent and unpredictable, I think you need to speak softly and carry a big stick when you deal with them.*

speak well for 1. To show support or vouch for someone. *I can speak well for Ted, I've known him for years.* **2.** To act as proof of something. *I think she would make a great model—her grace and poise speak well for her.*

spear carrier 1. An actor with a minor part in a production. *I know*

you're disappointed to just be a spear carrier in the play, but if you do well in this role, maybe you'll get a bigger one next year. **2.** By extension, a subordinate, especially one who has an unimportant role in some group or thing. *Adam's just a spear carrier, we can make this decision without him. Have one of those spear carriers get me a cup of coffee!*

special delivery 1. A postal service by which letters or packages are delivered outside of the scheduled mail delivery times for an extra fee. *I sent that parcel by special delivery so that you would get it in time for your birthday.* **2.** A phrase said humorously when giving something to someone, especially if the item is unappealing. *A: "Special delivery: here's the report you need to work on!" B: "Gee, thanks."*

special measures 1. A designation given to a public establishment, such as a school or hospital, that is in need of improvement. Often used in the phrase "in special measures." Primarily heard in UK. *My son's school is currently in special measures, so he's transferring to a different one next year.* **2.** Steps that must be taken, however unusual or extreme, to bring about some outcome. *Oh, I will take special measures to ensure that the neighbors' dog stops barking, even if I have to buy him a muzzle myself! Don't worry, we took special measures to make sure that nobody finds us in here—we have furniture blocking all the doors.*

special needs Pertaining to one who has a mental or physical disability. *I teach special needs kids, and I love it.*

(special) snowflake A derisive term for a person (often a young person) who acts or is judged to act entitled to special treatment or opportunities. *Generations of students before you have read this book with no gripes about its content, and you will too—you're not special snowflakes.*

spectator sport 1. A sport that is watched by an audience, such as football or baseball. *My favorite spectator sport is ice hockey, what's yours?* **2.** By extension, something other than sports that people watch without participating in. *The Democratic and Republican National Conventions turn the presidential election into a spectator sport. Gym class is not a spectator sport! Stand up and start participating.*

speech is silver, but silence is golden An expression that values silence over speech. *I would be careful around all those reporters if I were you. Remember: speech is silver, but silence is golden.*

speech is silver, silence is gold An expression that values silence over speech. *I would be careful around all those reporters if I were you. Remember: speech is silver, silence is gold.*

speech is silver, silence is golden An expression that values silence over speech. *I would be careful around all those reporters if I were you. Remember: speech is silver, silence is golden.*

speed freak A drug user who abuses or is addicted to an amphetamine, especially methamphetamine (also known as "speed"). *This state is a thoroughfare for methamphetamine to the rest of the country, so it's little wonder that there are so many speed freaks here.*

speedhead Someone who abuses or is addicted to an amphetamine, especially methamphetamine. (Also written as "speed head.") *This state is a thoroughfare for methamphetamine to the rest of the country, so it's little wonder that there are so many speedheads here.*

Speedy Gonzales slang A nickname for one who does things quickly. It comes from the Looney Tunes character of the same name. *Slow down, Speedy Gonzales, I can't keep up with you!*

spend like a sailor (on (shore) leave) To spend excessively, extravagantly, or wastefully. *Now don't go spending like a sailor on shore leave just because you got a bit of a tax refund from the government. The local council has been spending like sailors on this new tram project, while other existing public transport goes into disrepair. Every time my husband's paycheck comes through, he goes out to the pubs and spends like a sailor on leave!*

spend money like a drunken sailor To spend money freely and frivolously. *Because I've been spending money like a drunken sailor, I don't have enough to pay my rent this month.*

spick and span Totally clean and/or organized. *I plan to spend the day cleaning so that this place is spick and span when my mother-in-law arrives.*

spill (one's) seed slang To ejaculate. *Think about something other than spilling your seed for once!*

spin doctor One who manipulates information, often by attempting to present negative news as being somehow positive. *The campaign's spin doctors somehow made the candidate's poor performance in the debate look*

like a sign that he was the more relatable candidate.

spine-tingling Thrilling or scary. *My brother loves spine-tingling movies, but I don't enjoy watching anything scary.*

the spirit of the law The intended meaning of a law by those who wrote it, as opposed to a literal interpretation thereof. *It's quite apparent that the CEOs of these companies, while technically acting legally, have violated the spirit of the law in order to further their own profits at the expense of their clients and employees.*

spit feathers slang To be thirsty. *Come on, man, I'm spitting feathers here—can't we stop for a drink?*

spit in(to) the wind To do something totally pointless, fruitless, or futile; to waste one's time doing something that will not or cannot come to pass. *To be perfectly honest, I feel like voting is just spitting in the wind, so I don't even bother. My mom and dad spent years spitting in the wind trying to get my brother to take his studies seriously; in the end, he dropped out anyway to pursue a career in music.*

spit (out) the dummy To have a childish overreaction or angry outburst to a negative situation or outcome; to act in a bad-tempered manner, likened to a temper tantrum of a child. "Dummy" here refers to a plastic teat used to soothe teething infants (also called a "pacifier" in the U.S. or a "soother" elsewhere), which they may spit when in the middle of a tantrum. Primarily heard in Australia. *John spat the dummy when I told him I'd sold his old comic book collection. Don't go spitting out the dummy just because Cheryl got the promotion instead of you.*

spitstick A small chisel, often used for engraving. *You'll need to use a spitstick to put the finishing touches on it.*

spitting distance Close proximity or a short distance, as to or away from some desired thing, person, goal, or objective. Used especially in the phrase "in/within spitting distance." *A victory was within spitting distance for the home team, but a late penalty kick robbed them of their prize. My grandmother's house is rather old and a bit spooky, but it's in spitting distance of the ocean, so it was always a favorite summer destination when we were kids.*

the spitting image of (someone) One who looks exactly like

someone else. *Wow, you are just the spitting image of your mother! I was about to call you by her name.*

spitting in the wind See [be spitting in\(to\) the wind](#).

splice the mainbrace nautical To issue and partake in an extra ration of alcoholic spirits, especially rum or grog, amongst members of crew aboard a sea vessel. (The mainbrace, also spelled "main brace," is a brace attached to the main yard on sailing ships. "Splicing the mainbrace" was originally the very difficult job of repairing this brace, one which earned the repairman an extra ration of spirits; eventually, this euphemistic secondary meaning became the primary one.) *As part of the celebrations for her Diamond Jubilee, the Queen gave the order to all in the Royal Navy to splice the mainbrace as a gesture of good cheer.*

Spock ears slang Very noticeable, pointy ears that resemble those of the character Spock from *Star Trek*. *I need to get some Spock ears to add to my costume. He has huge Spock ears, so you'll spot him from a mile away.*

spoiled for choice Having an abundance of suitable or ideal options from which to choose, such that it may be difficult to make a decision. Primarily heard in US. *Between video games, television, and the Internet, kids these days are being brought up spoiled for choice when it comes to their entertainment. Our hotel was right in the midst of the city's finest restaurants, so whenever we wanted something to eat, we were spoiled for choice.*

spoil for choice Having an abundance of suitable or ideal options from which to choose, such that it may be difficult to make a decision. Primarily heard in UK. *Between video games, television, and the Internet, kids these days are being brought up spoilt for choice when it comes to their entertainment. Our hotel was right in the midst of the city's finest restaurants, so whenever we wanted something to eat, we were spoilt for choice.*

spoken out of turn See [speak out of turn](#).

spoken word A type of poetry that is read aloud in a performance. *I'll be reading some of my spoken word poetry tonight at the coffee house, if you want to stop by.*

spoon-feed (someone) 1. Literally, to insert food into another person's mouth. *The nurses had to spoon-feed my mother after her stroke. No, my*

daughter is off the bottle now—we're spoon-feeding her. **2.** By extension, to help someone excessively (usually to the recipient's detriment). *Her students are lazy because she always spoon-feeds them the answers. The actress got so flustered in front of the camera that we had to spoon-feed her the lines. How unprofessional!*

a spoonful of sugar helps the medicine go down Something good makes something bad more tolerable. *I'm going to put on some fun background music while I work on this boring project because a spoonful of sugar helps the medicine go down.*

sporting blood **1.** A natural love of or enthusiasm for sports or athletics. *The sporting blood running through this town means the people here show an unmatched enthusiasm and loyalty for all of their local teams.* **2.** An adventurous, risk-taking, and/or thrill-seeking personality or disposition; exceptional competitiveness; readiness to accept a challenge. *This business isn't meant for the timid. Only those with sporting blood have a real chance at success. I'm not one to stand up to bullies, but my brother has sporting blood and backs down from no one.*

sporting chance A very good possibility (of achieving success). *I've seen him practice, and there's a sporting chance he'll win the competition.*

spot check **1.** noun An inspection that is random and/or occurs only for a limited time. *Because I've gotten reports that some of you are abandoning your posts early, there will be spot checks for the foreseeable future.* **2.** verb To make such an inspection. *Because I've gotten reports that some of you are abandoning your posts early, I will be spot checking you all for the foreseeable future.*

spot on (hyphenated is used before a noun) Exactly right; perfectly accurate. *Mr. Lynch's analysis of the company is spot on, if you ask me. I suggest we follow whatever advice he offers. Yes, those directions you gave me were spot on, thank you! Mark does a spot-on impression of our teacher—you have to hear it!*

spot on the mark Exactly right; perfectly accurate. *Mr. Lynch's analysis of the company is spot on the mark, if you ask me. I suggest we follow whatever advice he offers. Yes, those directions you gave me were spot on the mark, thank you!*

spread far and wide To disseminate or be disseminated on a large

scale, especially to a large number of people. *Well, that rumor about me has sure spread far and wide—even the teachers know about it! The government wants to keep this scandal a secret, which means we need to make sure it spreads far and wide. Western commercial culture has spread far and wide, and you can now find fast food restaurants in every corner of the globe.*

spread it on thick To exaggerate, aggrandize, or overstate some emotional experience, response, or appeal, such as blame, praise, flattery, excuses, etc. *Jim carries on as though flattering the boss will get him a promotion, so he's always spreading it on thick for her. OK, Bob, I think Mary understands the trouble she's in, no need to spread it on so thick.*

spring fever A feeling of often restless excitement or exuberance coinciding with the onset of warmer spring weather. *It's hard enough keeping control of a class full of young children throughout the year, but it's particularly difficult once spring fever starts to spread. It's wonderful seeing the city touched by spring fever, coming alive again after the deadening winter.*

a spring in (one's) step A happy, energetic, and excited mood or manner, as indicated by the carefree way one walks. *Joe's been walking with a spring in his step ever since he found out he was getting a promotion. I bet you'll have a spring in your step after I tell you this bit of good news!*

spring to mind To suddenly or immediately appear, materialize, or come to the forefront in one's mind. *A: "What would you like to have for dinner?" B: "I'm not sure, nothing's really springing to mind." When it comes to crime thrillers, he's not a writer who springs to most people's minds, but his books are edgy, brilliant page turners.*

spring up like mushrooms To increase in number suddenly and rapidly (as mushrooms often do). *Even though I'm constantly tending to my garden, the weeds just spring up like mushrooms nonetheless. I thought I only had a transmission problem, but other issues with the car are now springing up like mushrooms.*

springes to catch woodcocks Traps to ensnare fools. (The woodcock was once regarded as synonymous with foolishness or stupidity.) The phrase was perhaps most famously used in Shakespeare's *Hamlet*. *I know you're desperate to have a boyfriend, but you're just laying springes to catch woodcocks right now by spending so much time at dive bars. You won't find*

the right man that way!

spur-of-the-moment Occurring very suddenly, impulsively, and/or without preparation beforehand; impromptu or capricious. *You've got to stop making these spur-of-the-moment decisions about your business, or you'll end up running it into the ground! It's totally out of my character to take a spur-of-the-moment trip like this, but I just needed to get out of the city for a while.*

squad One's group of close friends. *I'm going to the party tonight with my squad.*

squad goals The aspirations, desires, or values of one's group of close friends, often illustrated in an image posted on social media that is captioned with the phrase as a hashtag. *Check out this selfie of Jenny and her friends at the library. She hashtagged it with "squad goals." See you all bright and early tomorrow at the protest! #squadgoals*

square meal A wholesome, nutritious meal. *The hot lunch program at school provides square meals for underprivileged children.*

square one The very first stage of something; the initial starting point. (Especially in the phrase "back to square one.") *We'll have to start again at square one if the government pulls our funding on this project. Yet another relationship down the tubes. I guess I'm back to square one yet again!*

square peg One who acts or thinks differently than most people. Typically used in the phrase "a square peg in a round hole." *The young girl who had a love of math and science often felt like a square peg in a round hole when surrounded by her peers. When the man in the fancy suit walked into the biker bar, it was obvious that he was a square peg.*

a square peg in a round hole A person who does not fit in or is not comfortable with others or in a particular situation; someone who is unsuited to a certain task, position, situation, or group of people. *It only took three months to realize I was a square peg in a round hole at the firm. I guess I just don't buy into the whole corporate hierarchy of modern business. John was a bit of a square peg in a round hole throughout high school, but when he went to college he found all sorts of people he could relate to.*

square rod A measure of land equal to roughly 25 square miles. *I need a measurement of the available land in square rods, please.*

squash (someone or something) (in) like sardines To fit

many people or things very tightly or snugly into a small space. *We didn't want to take more than one car, so Jeff squashed us like sardines in his little sedan for the four-hour drive to Moab. Having a concert in our friends café was such a good idea! Sure, we had to squash people in like sardines, but everyone had a great time. I wish you would just let us buy you a bigger backpack! It makes my own back hurt watching you squash those books like sardines into your little shoulder bag.*

squashed (in) like sardines Very tightly or snugly packed together, especially in a small space. *We didn't want to take more than one car, so we had to drive for about four hours squashed like sardines in Jeff's little sedan. Having a concert in our friends café was such a good idea! Sure, we were squashed in like sardines, but everyone had a great time.*

the squeaking wheel gets the grease The people who complain or protest the loudest are the ones who receive the most attention from others. *My sister makes a point of writing letters of complaint to businesses whenever she has an issue with their service, and nine times out of ten, she's rewarded with some kind of discount or gift. I guess it's true, the squeaking wheel gets the grease.*

the squeaky wheel gets the oil The people who complain or protest the loudest are the ones who receive the most attention from others. *My sister makes a point of writing letters of complaint to businesses whenever she has an issue with their service, and nine times out of ten, she's rewarded with some kind of discount or gift. I guess it's true, the squeaky wheel gets the oil.*

squint like a bag of nails To squint one's eyes severely. *She definitely needs glasses—she's been squinting like a bag of nails all day.*

a stab in the back A betrayal; an act of treachery. *It felt like a stab in the back to hear that Paul was going out with my ex-girlfriend. The campaign coordinator's mid-race shift of allegiance will be quite a stab in the back for the incumbent president.*

a stab in the dark 1. A guess or estimate with very little or no assurance as to its accuracy; a wild guess. *Well, this is just a stab in the dark, but I'm going to say that the answer to the question is Countess Constance Markievicz.* 2. An attempt (at something) which is not expected to succeed or has very little chance of working. *It was really just a stab in the dark when I tried to fix our washing machine, but I was actually able to get it working*

again on my first try!

stack the cards (against someone or something) To make surreptitious arrangements that result in an unfair advantage over someone or something else. (Likened to fixing a deck of playing cards in one's favor during a card game.) *Of course, simply by virtue of his being the boss's son, Jeremy has stacked the cards against the rest of us for an early promotion. The mega corporation has been accused of trying to stack the cards with billions of dollars spent putting political pressure on members of congress.*

stack the deck (against) (someone or something) To make arrangements that result in an unfair advantage over someone or something. (Likened to fixing a deck of playing cards in one's favor during a game.) *By dating the boss's daughter, Jeremy has stacked the deck against the rest of us for an early promotion. The mega corporation has been accused of trying to stack the deck by spending millions to influence members of congress.*

stack Z's To get some sleep. *We've got a pretty long layover before our next flight, so I'm going to try to stack some Z's at the gate.* A: "Where's Jeff?" B: "Upstairs stacking Z's. It's been a hard week for him."

stag night A groom's outing with his male friends before his wedding; a bachelor party. *Mark knew that his stag night had gotten out of control when the police arrived.*

stag party A groom's outing with his male friends before his wedding; a bachelor party. *Mark knew that his stag party had gotten out of control when the police arrived.*

stage-door Johnny A man who spends a lot of time at a theater so as to seek the romantic attention, favor, or company of an actress. *Ms. Gabler is such a stunning beauty that she always has some stage-door Johnny or another waiting for her after the curtain falls each night.*

staircase wit A perfect witty remark, retort, or rejoinder that occurs to one after the fact or too late to be used. *I was on the bus home long after being tongue-lashed by my boss when I thought of the perfect things to say that would take him down a few pegs. Ah, this staircase wit, it always comes to me when I can do nothing about it!*

the stake Execution by being burned alive while tied to a large wooden stake. *The township found her guilty of witchcraft and sentenced her to the*

stake.

stalking horse **1.** A political candidate who attempts to supplant the current party leader, solely to gauge how much support the incumbent has. *He doesn't actually want to be elected—he's just a stalking horse who's trying to see how fractured our party really is.* **2.** Something that conceals a person's true intentions. *I'm afraid that this deal is just a stalking horse for a more nefarious long-term plan.*

stand behind (someone or something) **1.** Literally, to stand or position oneself to the rear of someone or something. *Okay, Jake, you stand behind Samantha here in line. I think that's my blind date standing awkwardly behind the statue across the square.* **2.** To guarantee, ensure, or show one's steadfast support of someone or something, or for someone's or something's worth, ability, performance, etc. *I'm very grateful to my husband, who always stood behind me during the inquest. If your own employees won't stand behind your new software, how can you expect uptake by the public?*

stand by (one's) guns To remain determined, resolute, or steadfast in one's opinion, belief, or perspective; to refuse to be persuaded by someone else into believing or doing something one does not agree with. (A less common variant of "stick to one's guns." Both phrases allude to a soldier remaining and firing their gun(s) at an enemy, even when the situation might be dangerous or hopeless.) *The prosecution is going to try and trip you up with your statement and your alibi, but so long as you stand by your guns, there's nothing to worry about. I really admire Jess for standing by her guns during college and not submitting to the peer pressure of those around her to drink or do drugs.*

stand fast To remain determined, stalwart, and unyielding, as in one's position or opinion. *Though it may be hard, we must stand fast in our pledge to environmental reform.*

stand firm To remain determined, stalwart, and unyielding, as in one's position or opinion. *Though it may be hard, we must stand firm in our pledge to environmental reform.*

stand from under dated, naval To be wary of and, if necessary, flee from something that is falling or threatening to fall from above. *That captain shouted at all the hands on deck to stand from under, as the wind stripped the guy-wires from off the masts.*

stand (in) back of (someone or something) 1. Literally, to stand or position oneself to the rear of someone or something. *OK, Jake, you stand back of Samantha here in line. I think that's my blind date standing awkwardly in back of the statue across the square.* 2. To guarantee, ensure, or show one's steadfast support of someone or something; to show such support or guarantee for someone's or something's worth, ability, performance, etc. *I'm very grateful to my husband, who always stood back of me during the inquest. If your own employees won't stand in back of your new software, how can you expect the public to adopt it?*

stand in (one's) own light To harm, hinder, or tarnish one's own reputation, opportunities, or advantages, as through foolish or reproachable actions; to be a hindrance or encumbrance to one's own success or ambitions. *My little brother has had all the opportunities in the world growing up, but he's always been the one standing in his own light, what with all the legal trouble he gets himself into.*

stand in (someone's) shoes To see or understand things from someone else's position or perspective; to empathize with someone. *I used to resent my dad for the placid way he was with our domineering mother, but once I grew up a bit and stood in his shoes for a while, I came to have a greater appreciation for what he must have been going through. If you encounter a bully, try standing in their shoes—they're probably deeply unhappy and redirect that feeling onto others.*

stand in the gap To assume a position of active, resolute defense (for or against something). From Ezekiel 22:30: "And I sought for a man among them that should make up the hedge and stand in the gap before Me for the land, that I should not destroy it; but I found none." *We are all called to stand in the gap to defend what we know in our hearts to be morally correct and essential.*

stand on (one's/its) own To be able to function independently of other people or things; to have value independent of other related entities. *Now that you're 18, you're expected to stand on your own and make good choices without your parents telling you what to do. I think the honors program is now capable of standing on its own, as it drew more applications than several other programs on campus. I think the sequel really stands on its own as a film—you don't need to see the first movie to appreciate it.*

stand on the shoulders of giants To make discoveries, insights, or progress due to the discoveries or previous work of great minds that have come before. *Though this is indeed an exciting discovery toward curing cancer, we have stood on the shoulders of giants to reach this point today.*

stand still for (something) To accept, tolerate, endure, or put up with something. (Often used in the negative to indicate the opposite.) *Do you really think the boss will stand still for this outrageous plan of yours? The people of this country will not stand still for the persecution administered by the despots and corrupt politicians in government.*

stand stock still To not move at all. *You kids need to stand stock still out here until the firemen are done investigating the building, OK? I didn't want my grandmother to catch me rooting through her jewelry box, so when I heard her in the hallway, I leaped into the closet and stood stock still.*

stand the sight of (someone or something) To tolerate, accept, or endure someone or something. (Most often used in a negative formation.) *I don't know how you stand the sight of that horrible receptionist every day. He's just so mean and unpleasant! I can't stand the sight of my mother-in-law, but there are a few occasions each year where I can't avoid having to spend time with her. I absolutely cannot stand the sight of shellfish. Just being near it is enough to make me gag!*

stand the test of time 1. To work, function, or endure for a very long time. *As computer technology improves, it's ironically getting harder and harder to find a piece of equipment that can stand the test of time. 2.* To be particularly popular or well regarded for a long period of time. *Of all the cast members, hers was the only career that stood the test of time.*

standard-bearer 1. A military member who carries the flag of their unit. *The soldier marched proudly, flag in hand, as the standard-bearer of his unit. 2.* The widely-accepted leader of a cause, movement, or ideology. *She rose above her contemporaries to become the standard-bearer of the women's rights movement.*

standard fare A common occurrence. *Smashed instruments are standard fare at a rock concert. Arguments are standard fare for the Smith family at Thanksgiving, believe me.*

standing on (one's) head With very little or no difficulty; in a

relaxed, carefree, or effortless manner. *It took me a little while to get used to this job, but now I could do it standing on my head! You should ask Johnny for help—he does this level of math standing on his head.*

Standing Rock A shorthand reference to the Standing Rock Sioux tribe in North Dakota. The phrase gained popularity amidst opposition to the Dakota Access Pipeline and its planned use of Native American grounds in North Dakota. *There are more protests planned today in support of Standing Rock.*

Starbs slang A shortening of the name of the coffee shop "Starbucks." *Sorry I'm late, I stopped at Starbs on my way here. But on the plus side, I got you a caramel macchiato!*

stare (something/someone) in the face 1. Literally, to make direct and uninterrupted eye contact with someone. *She just walked up to the boss, stared him in the face, and asked for a raise! I could never do that!* 2. To confront a situation or issue directly. *The suffragettes stared injustice in the face and won the right to vote.*

start from where you are Don't worry about making changes in order to start doing something—simply begin doing it. *Don't worry about being inexperienced at yoga, just start from where you are.*

start (off) with a clean slate To start (something) again with a fresh beginning, especially unencumbered by mistakes or regrets from the past. *After that fiasco in Texas, I'm looking forward to starting off with a clean slate in Oregon. I know things have not been great between us, but I'm willing to forget what happened and start with a clean slate.*

start over with a clean slate To start (something) again with a fresh beginning, especially unencumbered by mistakes or regrets from the past. *After that fiasco in Texas, I'm looking forward to starting over with a clean slate in Oregon. Things got so screwed up with the project that we had to scrap it about halfway through and start over again with a clean slate.*

start the ball rolling To set something, often a process, in motion; to begin. *I think it will be easier to become comfortable driving now that I've started the ball rolling with driving lessons. I'll start the ball rolling with the icing while you mix the batter.*

start tongues (a-)wagging To be a source of gossip, slander, or idle

speculation. *Just when the dust of his previous scandal had begun to settle, the governor did something new to start tongues a-wagging across the country. Being such a media celebrity means that anything one does, no matter how banal, is enough to start tongues wagging.*

starting price 1. The price of an item as stated at the start of an auction. *The starting price for this piece is \$100. Is there a bid for \$100?* **2.** In horse racing, the last odds offered by a bookmaker before the start of a race. *You better find out the starting price because the race is going to start shortly.*

starvin' Marvin slang A humorous phrase applied to one who is hungry. *I'm starvin' Marvin here, can we please stop for lunch soon?*

state of affairs A current situation or set of conditions. *It's been a sad state of affairs around here since our grandma got sick. I'd like to start this meeting by going over the company's financial state of affairs.*

stay at home 1. adjective A phrase used to describe a parent who cares for their children instead of having a traditional job outside of the home. In this usage, the term is often hyphenated and is typically used in the phrases "stay-at-home mom" and "stay-at-home dad." *I never thought I would miss working in an office, but being a stay-at-home mom is utterly exhausting. Once my niece was born, my brother became a stay-at-home dad.* **2.** adjective A phrase used to describe one who prefers to spend time at home, as opposed to going out and/or engaging in social activities. *I've never been one to party or travel—I'm just a stay at home girl.* **3.** noun One who tends to stay home, as opposed to going out. *Why do I have to be the stay at home all the time? I like to travel, too, you know!*

stay-at-home mom A mother who forgoes employment outside of the home in order to care for her children and the household. *Being a stay-at-home mom is just as much hard work as going to an office every day.*

stay hungry To remain determined, competitive, motivated, and active in one's hopes, ambitions, or goals; to keep oneself from becoming complacent or self-satisfied with less than one might potentially achieve. *You've got a lot of skill, kid, and you're one of the best fighters in the city—but you've got to stay hungry and never lose sight of the biggest prizes out there! It was hard staying hungry after finding such success with my first novel. I just found I wasn't as driven to write when I'd already garnered so much praise and recognition.*

stay in touch **1.** To maintain contact with another person, especially at intervals so as to remain up to date with each other's lives. *My old high school friends and I tried staying in touch after we graduated, but we all started drifting apart once college got underway. Now, make sure you stay in touch, OK? I want to hear all about your time in Paris!* **2.** An informal parting phrase, used especially with a person one isn't likely to see again anytime soon. *OK, Deborah, thank you for your audition. Stay in touch! It was so good to see you again, cousin Jeb—stay in touch!*

stay the course **1.** To persevere with as much determination, energy, or fortitude as one can until the end of a race, competition, or contest. *Despite an early setback in the first half, the home team stayed the course and managed to earn a draw.* **2.** To continue attempting or pursuing something difficult to its end or conclusion. *If you can't stay the course when things get a bit messy, then you just aren't cut out for this line of work.*

stay the distance **1.** To persevere with as much determination, energy, or fortitude as one can muster through to the end of a race, competition, or contest. *Despite an early setback in the first half, the American team stayed the distance and managed to earn a draw at the end of the match.* **2.** To continue attempting or pursuing something difficult to its end or conclusion. *If you can't stay the distance when things get a bit messy, then you just aren't cut out for this line of work.*

stay woke slang To be aware of the need for and committed to social justice. This usage of the term "woke" (particularly in reference to activism against black oppression) is thought to have originated in the mid-20th century US. Primarily heard in US. *We can't just protest today and then ignore these issues tomorrow—we have to stay woke.*

steady as she goes Describing someone or something that is progressing in a stable manner. This nautical phrase was originally used in reference to a ship that was sailing steadily. (Ships were traditionally assigned the female gender.) *A: "How's your new business coming along?" B: "Steady as she goes! We expect to break even the first year and then start making a profit." In the midst of all this social upheaval, I hope our government can stay steady-as-she-goes.*

steady hand on the tiller Full control over a situation. *I felt comfortable knowing that even during this difficult time, he had a steady*

hand on the tiller.

steady the ship **1.** To steer a ship so that it sails smoothly. *I'm really glad they've steadied the ship—those waves were making me so nauseous!* **2.** By extension, to restore calm and order to a situation. *I just recently got divorced, so I hope my mother moving in and helping with the kids will steady the ship. We just hired a new supervisor to steady the ship after this merger.*

steal a march on (someone or something) To gain an unexpected or surreptitious advantage over someone or something, as by accomplishing something before, or better than, someone else. *The retail business managed to steal a march on its competitors by signing an exclusive export agreement with Europe. John and I were both trying to win Courtney's heart, but he stole a march on me when he managed to get tickets to Courtney's favorite band.*

steal a march over (someone or something) To gain an unexpected or surreptitious advantage over someone or something, as by accomplishing something before, or better than, someone else. *The retail business managed to steal a march over its competitors by signing an exclusive export agreement with Europe. John and I were both trying to win Courtney's heart, but he stole a march over me when he managed to get tickets to see Courtney's favorite band.*

steal a march upon (someone or something) To gain an unexpected or surreptitious advantage over someone or something, as by accomplishing something before, or better than, someone else. *The retail business managed to steal a march upon its competitors by signing an exclusive export agreement with Europe. John and I were both trying to win Courtney's heart, but he stole a march upon me when he managed to get tickets to see Courtney's favorite band.*

steal the march on (someone or something) To gain an unexpected or surreptitious advantage over someone or something, as by accomplishing something before, or better than, someone else. *The retail business managed to steal the march on its competitors by signing an exclusive export agreement with Europe. John and I were both trying to win Courtney's heart, but he stole the march on me when he managed to get tickets to see Courtney's favorite band.*

steal the march over (someone or something) To gain an unexpected or surreptitious advantage over someone or something, as by accomplishing something before, or better than, someone else. *The retail business managed to steal the march over its competitors by signing an exclusive export agreement with Europe. John and I were both trying to win Courtney's heart, but he stole the march over me when he managed to get tickets to see Courtney's favorite band.*

steal the march upon (someone or something) To gain an unexpected or surreptitious advantage over someone or something, as by accomplishing something before, or better than, someone else. *The retail business managed to steal the march upon its competitors by signing an exclusive export agreement with Europe. John and I were both trying to win Courtney's heart, but he stole the march upon me when he managed to get tickets to see Courtney's favorite band.*

stealthing A slang term for the act in which a male removes a condom during sexual intercourse without his partner's knowledge or consent. *So-called "stealthing" is sexual assault, period.*

steely-eyed With or having a fierce intensity in one's expression. *The teacher fixed a steely-eyed gaze upon me when I started joking around during class. I could feel my ex-girlfriend staring at me, steely-eyed, from across the bar.*

steely-nerved Calm and unflappable under pressure. *I asked my brother to come to court with me because he is always steely-nerved in stressful situations. Gina needs to be steely-nerved to deal with all that rejection that comes with being an actress.*

step by step 1. Incrementally; in the proper sequential order. *Make sure you follow the instructions step by step—don't skip around or it won't turn out right.* 2. Slowly, carefully, and deliberately; without being careless or in a rush. *It is entirely possible for this project to succeed, we just need to proceed step by step. Major life changes like this can fluster anyone, so just take everything step by step.*

a step in the right direction An action or decision that is considered indicative of positive progress. *Enrolling in that degree program was a step in the right direction toward changing careers.*

step into dead men's shoes To take over the position or role of someone who has died. Derived from the proverb, "It's ill waiting for dead men's shoes." *With the economy as stagnant as it is, the only way to get a promotion these days is to step into dead men's shoes.*

step into (someone's) shoes To fill someone's position, especially one of power or authority. *I don't know who they're getting to step into Davidson's shoes, but I doubt they'll be anywhere near as good a manager as he was. I tell you, I wouldn't want to step into her shoes. Sure, the pay would be better, but I don't want all that stress!*

step on (someone's) toes To insult, offend, or upset someone, especially by getting involved in something that is their responsibility. *I want to help John out on his project, but I know it's his baby, so I don't want to step on his toes in any way. Look, you're going to have to step on a few peoples' toes if you want to get ahead in this business.*

step up (one's) game To improve in some way, usually so that one can perform as well as others. *Man, I really need to step up my game if I'm going to play basketball with all these young guys. Phil lost another case? He really needs to step up his game if he wants to stay at this firm.*

a stepping stone Some situation, circumstance, or experience that serves to assist one in reaching or progressing toward a goal or desired outcome. *While I wasn't paid during my internship with the law firm, it acted as a superb stepping stone to getting hired as a full-time legal assistant at another firm.*

stick a fork in (me/it/something) A phrase used to indicate that one or something is finished, complete, or no longer able to continue. Alludes to the practice of testing how thoroughly a piece of meat is cooked by piercing it with a fork. *Barbara: "Johnny, would you like any more of this cake?" Johnny: "No thank you, Barb. You can stick a fork in me, I'm done!" I'd say we just need one more week on the project, and then you'll be able to stick a fork in it!*

stick by (one's) guns To remain determined, resolute, or steadfast in one's opinion, belief, or perspective; to refuse to be persuaded by someone else into believing or doing something one does not agree with. (A less common variant of "stick to one's guns." Both phrases allude to a soldier remaining and firing their gun(s) at an enemy, even when the situation might

be dangerous or hopeless.) *The prosecution is going to try to trip you up with your statement and your alibi, but so long as you stick by your guns, there's nothing to worry about. I really admire Jess for sticking by her guns during college and not submitting to the peer pressure of those around her to drink or do drugs.*

stick in (one's) two penn'orth To share one's opinion, idea, or point of view, regardless of whether or not others want to hear it. ("Penn'orth" is a contraction of "pennies' worth.") Primarily heard in UK. *I find Jeff's husband a bit trying at times. He always has to stick in his two penn'orth, even when it's clear he knows nothing about what's being discussed. If I can just stick in my two penn'orth, I think the staff would really appreciate a bump in their pay, and productivity would increase as a result.*

stick in the mud Someone who is considered boring, often due to unpopular or outdated beliefs. *Sally was tired of being called a stick in the mud by her friends just because she refused to drink alcohol. Just because I don't like roller coasters doesn't mean I'm a stick in a mud—I like lots of other fun things!*

stick it to the man To show resistance to or fight back against the established doctrines of a person or body of authority, especially the government. *The IRS has been sending me tax refunds by mistake for years, but I've never said anything to them about it. It's my own private little way of sticking it to the man. The news reporter, under pressure from his bosses to only report the censored version of events, decided to stick it to the man and share the story in its entirety live on the air.*

stick it/(something) up your arse! A rude, vulgar invective expressing disdain, contempt, disgust, or anger to someone (about something). Primarily heard in UK. *I've taken enough of the boss's crap—he can stick this job up his arse! Bill: "You're acting like a fool, Dave. You need to sober up and get your life in order." Dave: "Ah, stick it up your arse, Bill! You don't know what's best for me!"*

stick it/(something) up your ass! A rude, vulgar invective expressing disdain, contempt, disgust, or anger to someone (about something). Primarily heard in US. *I've taken enough of the boss's crap—he can stick this job up his ass! Bill: "You're acting like a fool, Dave. You need to sober up and get your life in order." Dave: "Ah, stick it up your ass, Bill!"*

You don't know what's best for me!"

stick (one's) nose in(to) (something) To involve oneself in an intrusive or nosy manner into something that is not one's business or responsibility. *I wish my neighbors would quit sticking their noses in and just leave us alone! Liam, don't stick your nose into your brother's affairs—he can manage well enough on his own.*

stick (one's) oar in(to) (something) **1.** To offer or express one's opinion (on some matter), even though it was not asked for or desired. Primarily heard in UK. *I don't know why you feel you have to stick your oar into every dispute Terry and I are having. The members of the board are perfectly capable of arriving at a decision of their own accord, so I'll thank you for not sticking your oar in, Tom.* **2.** To involve oneself in an intrusive or nosy manner into something that is not one's business or responsibility. Primarily heard in UK. *I wish my neighbors would quit sticking their oars in and just leave us alone! Liam, don't stick your oar into your brother's affairs—he can manage well enough on his own.*

stick (one's) spoon in the wall **1.** To move into a new place of residence. The phrase refers to an outdated practice of hanging a pouch for small tools on the wall of one's home. *A: "Has she stuck her spoon in the wall?" B: "Yes, and she seems to be settling into her new place nicely."* **2.** To die. *Did you hear that Walter stuck his spoon in the wall? What a shame. I think the funeral is next Tuesday.*

stick to beat (someone or something) with Something, often a mishap or misdeed, that is used as an excuse for criticism. Primarily heard in UK. *Even the slightest mistake by Stan was enough to give the boss a stick to beat him with.*

stick up (one's) ass rude slang A rigid and uptight demeanor. *I can't believe Ms. Jones gave me a demerit for being a minute late! Ugh, she has such a stick up her ass! Tim's no fun, he always has a stick up his ass—why did you invite him to your party?*

sticking-place The issue or point that halts forward progress. *I have a feeling that this section of the contract will be a sticking-place, as neither of them wants to concede any funds to the other.*

sticking point A topic of discussion or debate that results in disagreement. *The subject of curfew is often a real sticking point between*

teenagers and their parents.

sticks and stones A shorthand way of referring to the phrase "sticks and stones may break my bones, but words will never hurt me," a childish rebuttal to teasing or other harsh speech. A: *"There are some pretty unflattering rumors circulating about you now."* B: *"Oh, who cares? Sticks and stones."*

a sticky situation A particularly awkward, embarrassing, precarious, or difficult situation or circumstance. Primarily heard in UK, Australia. *I found myself in a bit of a sticky situation when the boss saw me kissing his daughter at the movies. I'll be in quite a sticky situation if I arrive at the train station and don't have enough money for the tickets!*

a sticky wicket A particularly awkward or difficult situation or circumstance. (Generally used with *on*. Refers to the pitch, i.e., wicket, used in the game of cricket and the difficulty of playing on one after it has been wetted with rain.) Primarily heard in UK, Australia. *I found myself on a bit of a sticky wicket when the boss saw me kissing his daughter at the cinema. I'll be batting on a sticky wicket if I arrive at the train station and don't have enough money for the tickets!*

a stiff upper lip The ability to remain stoic during difficult situations. *Despite all of the hardships he faced, John always kept a stiff upper lip and didn't let anything bother him. The players were devastated after losing the championship, but their coach encouraged them to keep a stiff upper lip and focus on doing better next year.*

still in the game See [be still in the game](#).

sting in the tail A disappointing ending to something, such as a story, that is otherwise upbeat and positive. Primarily heard in UK, Australia. *The movie began as a sweet, romantic love story, so the tragic ending was an unexpected sting in the tail.*

the stink eye A facial expression of unreserved disgust, contempt, disapproval, distrust, or general ill will. *Jonathan, I will not tolerate getting the stink eye from students during class. If you make that face at me again, you're going to the principal's office! Some guy across the bar has been giving me the stink eye since we came in. It must be something to do with my outfit.*

stir (one's) stumps 1. To start moving. "Stumps" are a slang term for

"legs." *You kids have been sitting around playing video games all day—it's time to get outside and stir your stumps!* **2.** To increase one's pace while doing some activity. *Stir your stumps! We've got to move faster if we want to finish our run before sundown.*

stir shit rude slang To cause trouble and conflict. *Quit stirring shit! I know you're the one spreading rumors about me! Somebody is bound to stir shit at Thanksgiving dinner—it happens every year.*

a stitch in time (saves nine) An action taken now will prevent problems later. *You should consider getting your car repaired now before you're left stranded on the side of the road—a stitch in time saves nine. I know it's a month away, but I already started preparing for the big dinner party. A stitch in time, you know.*

stock phrase A well-known, overused phrase; a cliché. *As this is a creative writing class, I don't want to see any stock phrases in your stories. Please rewrite this paragraph in your own words, instead of using stock phrases like "think outside the box."*

stole a march on See [steal a march on \(someone or something\)](#).

stole a march over See [steal a march over \(someone or something\)](#).

stole a march upon See [steal a march upon \(someone or something\)](#).

stole the march on See [steal the march on \(someone or something\)](#).

stole the march over See [steal the march over \(someone or something\)](#).

stole the march upon See [steal the march upon \(someone or something\)](#).

stomping ground See [\(old\) stomping ground](#).

stone's throw A short distance away from something. *Brett wanted a shorter commute, so he moved to a house that is just a stone's throw away from his job.*

stooge **1.** A comedian who allows him or herself to be the object of another's jokes, ridicule, or slapstick. *I don't mind playing the stooge, so long as the audience laughs. But I am a little sick of all these pies in my face!* **2.** Someone who is manipulated or paid to do the bidding of a higher power or authority. Primarily heard in US, South Africa. *The inspector was suspected*

of being nothing but a stooge of the company after he submitted positive reports that ignored serious safety issues. **3.** A criminal who is paid as a police informant. The term is a portmanteau of "stool pigeon," which originates from a hunting decoy involving a fake pigeon fastened to a stool in order to lure other birds for hunters. Primarily heard in US, South Africa. *I'd say he was probably killed by the gang. It had become well known that he was a stooge for the police for the last few years.*

stool pigeon An informant, especially a criminal working as a spy for law enforcement officers. *Although the criminal agreed to help the police in order to avoid prison time, he was afraid the other gang members would kill him if they discovered he was a stool pigeon.*

stoop labor Hard, physical labor requiring one to bend over, especially that which would be done on a farm. Primarily heard in US. *My grandfather has a permanent hunch in his spine from the stoop labor he had to do throughout his life. Every summer we send the children to my brother's farm. It's good for them to get out of the city for a while and do a little bit of stoop labor.*

stoop labour Hard, physical labour requiring one to bend over, especially that which would be done on a farm. Primarily heard in UK. *My grandfather has a permanent hunch in his spine from the stoop labour he had to do throughout his life. Every summer, we send the children to my brother's farm. It's good for them to get out of the city for a while and do a little bit of stoop labour.*

stoop to conquer To adopt a role, position, attitude, behavior, undertaking, etc., that is seen as being beneath one's abilities or social position in order to achieve one's end. *The wealthy congressman has to start taking advantage of more popular, mainstream entertainment platforms because the only way he can come back at this point is if he stoops to conquer.*

stop and smell the roses To become calm and reflect upon the finer or more enjoyable aspects of life, especially when one has become overworked or overly stressed. *You can't keep working these 80 hour workweeks, John! You have to stop and smell the roses, or else what is all that work even for?*

stop dead To immediately or suddenly come to a complete halt. *I don't*

know what happened. The engine was running fine a second ago, but then it just stopped dead! Both of us stopped dead when we heard the gunshot in the distance.

stop press News that is added to a publication shortly before or as it is printed. Primarily heard in UK. *We had to rush to get that stop press into today's paper.*

stop (someone) dead To make someone or something come to a complete halt immediately or very suddenly. *Hearing the gunshot in the distance stopped us both dead. Boy, Samantha could stop you dead with her smile!*

stop the lights An expression of disbelief or incredulity. (Sometimes used ironically or disingenuously.) The phrase comes from the catchphrase from the Irish game show *Quicksilver*. Primarily heard in Ireland. A: "My aunt Edna won the lotto!" B: "Stop the lights, that's incredible news!" A: "My uncle Pat once met President Reagan, you know." B: "Ah here, stop the lights. Your uncle Pat's never even been to America!" *Stop the lights, Jimmy's buying a round for everyone! I never thought I'd see the day!*

stop-watch critic A critic whose strict, traditional views prevent them from fully seeing or understanding that which is being analyzed. *You can't expect a stop-watch critic to understand your futuristic vision for your artwork.*

a stopped clock is right twice a day Even people who are usually wrong can be right sometimes, even if just by accident. From the idea that the stationary hands of a broken clock will still display the correct time at two points during the 24-hour cycle. *I know you're sick of Gran's lectures and think she's out of touch, but you can learn a lot from her. Just keep in mind that even a stopped clock is right twice a day!* A: "You know how I feel about the president, but even I think he's right this time." B: "Even a stopped clock is right twice a day."

storm clouds 1. Dark, ominous-looking clouds indicative of an impending storm. *Hurry back, there are storm clouds on the horizon.* 2. Figuratively, anything that suggests impending trouble. *I'm worried that all these visits by upper management mean that storm clouds are hovering over our department. The storm clouds of social upheaval are gathering over that country.*

a storm in a teacup A disproportionate reaction of anger, concern, or displeasure over some minor or trivial matter. *If you ask me, these protests are nothing but a storm in a teacup that's been stoked by a media campaign of misinformation. I really think you're making a storm in a teacup over this. It's just a tiny scratch on the car!*

a storm in a teakettle A disproportionate reaction of anger, concern, or displeasure over some minor or trivial matter. (A less common variant of "a tempest in a teacup/teapot.") *If you ask me, these protests are nothing but a storm in a teakettle that's been stoked by a media campaign of misinformation. I really think you're making a storm in a teakettle over this. It's just a tiny scratch on the car!*

a storm in a teapot A disproportionate reaction of anger, concern, or displeasure over some minor or trivial matter. (A less common variant of "a tempest in a teacup/teapot.") *If you ask me, these protests are nothing but a storm in a teapot that's been stoked by a media campaign of misinformation. I really think you're making a storm in a teapot over this. It's just a tiny scratch on the car!*

storm off To leave angrily. *When mom realized we weren't listening to her story, she stormed off. Don't just storm off—talk to me about how you're feeling.*

storm out of the blocks To begin something with great speed, energy, and/or intensity. *The home team stormed out of the blocks against their competition and were able to gain an early advantage. Reporters came storming out of the blocks with their questions as the disgraced senator exited the courtroom after the verdict.*

storm out of the traps To begin something with great speed, energy, and/or intensity. *The home team stormed out of the traps against their competition and were able to gain an early advantage. Reporters came storming out of the traps with their questions as the disgraced senator exited the courtroom after the verdict.*

storming mad Exceptionally or uncontrollably angry. *Chris's comments made me storming mad, so I had to go for a walk alone to settle down.*

stormy petrel One who enjoys conflict and is often associated with it; a troublemaker. The phrase refers to a seabird of the same name that was

thought to indicate bad weather. *Todd is just a stormy petrel, causing trouble everywhere he goes!*

stovepipe hat A tall hat, traditionally made of silk. *You will recognize Lord Edmund by his ever-present stovepipe hat.*

straight arrow An honest, ethical person who makes good decisions. Primarily heard in US. *Kristen was often mocked by her peers for being a straight arrow who always followed the rules and stayed out of trouble.*

straight away At once; immediately; without delay or hesitation. *When I walked in the room, I knew straight away that something bad had happened between my brothers. We'll be heading out straight away, just as soon as I find my keys.*

(straight) from central casting (sometimes capitalized as Central Casting) Having, fitting, or conforming to well-established stereotypical traits or characteristics of a given type of person, character, group, situation, or style. The phrase is a reference to Central Casting, a California-based casting company that specializes in hiring for roles as extras, body doubles, and for bit parts. *My grandfather looks like a cowboy from central casting, with his boots, Stetson hat, and mouth full of chewing tobacco. It was a campy, schlocky B-movie, complete with pointless romance, cheesy special effects, and an alien monster straight from Central Casting.*

straight off At once; immediately; without delay or hesitation. *When I walked in the room, I knew straight off that something bad had happened between my brothers. When we land, we'll be catching the next flight straight off—there is no layover.*

(straight) out of central casting (sometimes capitalized as Central Casting) Having, fitting, or conforming to well-established stereotypical traits or characteristics of a given type of person, character, group, situation, or style. The phrase is a reference to Central Casting, a California-based casting company that specializes in hiring for roles as extras, body doubles, and for bit parts. *My grandfather looks like a cowboy out of central casting, with his boots, Stetson hat, and mouth full of chewing tobacco. It was a campy, schlocky B-movie, complete with pointless romance, cheesy special effects, and an alien monster straight out of Central Casting.*

straight out of the chute Immediately. *Yes, our company is relatively new, but we've had great success straight out of the chute. Tom pitched well*

straight out of the chute, but he struggled as the game went on.

straight shooter An honest and trustworthy person who is straightforward in dealings with others. Primarily heard in US, Australia. *Joe's a straight shooter—if he says that Alice is taking money out of the cash register, then I believe him. Sal's a real straight shooter. If you ask for his opinion, he'll tell you without trying to sugarcoat it.*

strain a point To expand something beyond its normal limits or interpretation; to treat something flexibly. *The principal will strain a point for any student she actually likes, but me? I get detention whenever I do the slightest thing wrong!*

strain at the leash To try to take action, especially when faced with obstacles. The phrase alludes to a dog pulling at its leash because it wants to walk at a different pace or in a different direction than its owner. *Ever since she got her driver's license, my daughter has been straining at the leash for more freedom.*

strange bird A rather unusual, strange, eccentric, or peculiar person. *His new girlfriend is nice enough, but she's a bit of a strange bird, don't you think?*

strange duck A rather unusual, strange, eccentric, or peculiar person. *His new girlfriend is nice enough, but she's a bit of a strange duck, don't you think?*

strap on a pair vulgar slang A derogatory exhortation to start acting in a more masculine manner; that is, to be more direct, aggressive, courageous, self-confident, and other such characteristics that are stereotypically considered to be masculine attributes. ("Pair" here refers to testicles, but the phrase can be said of or by both men and women.) *You're never going to get the boss's respect if you keep kowtowing to him like that. You need to strap on a pair and show him that you deserve to be taken seriously! Janet, I know you're nervous about asking Tom out on a date, but just strap on a pair and give it a shot!*

strap on the (old) feed bag slang To begin eating; to have a meal. *I can't wait to get to grandma's and strap on the old feed bag. She always cooks the tastiest food! What do you say we strap on the feed bag before we head out?*

strapped for cash Without any or very much money at the moment; broke, especially temporarily. *Would you mind covering the cost of dinner? I'm a little strapped for cash at the moment. My brother always complains that he's strapped for cash, but it's no surprise when he won't go find a job!*

straw in the wind A minor event or action that predicts or foreshadows a future event. *His negative remark about marriage was a straw in the wind that suggested he was headed for a divorce. Bill didn't get the promotion and, looking back, I think his very public argument with the boss was a straw in the wind.*

straw poll An unofficial vote, poll, or survey to gauge the voting public's opinion of an issue or a political candidate. *The latest straw poll puts the incumbent president well ahead of his opponent, but it's eight weeks to the election, and a lot can happen in that time.*

the straw that breaks the donkey's back A seemingly small or inconsequential issue, problem, or burden that proves to be the final catalyst in causing an overworked or overburdened person, system, organization, etc., to fail, give up, or collapse. (A less common variant of "the straw that breaks the camel's back.") *I'm already fed up with your lazy, selfish behavior, Jim, but if you can't be bothered to come with me to my own mother's funeral, that will be the straw that breaks the donkey's back! With governmental resources already strained to the breaking point, any sort of environmental disaster would be the straw that breaks the donkey's back.*

the straw that broke the donkey's back A seemingly small or inconsequential issue, problem, or burden that proves to be the final catalyst in causing an overworked or overburdened person, system, organization, etc., to fail, give up, or collapse. (A less common variant of "the straw that broke the camel's back.") *I was already fed up with my husband's lazy, selfish ways, but it was his refusal to get off the couch and come with me to my mother's funeral that was the straw that broke the donkey's back! With governmental resources already strained to the breaking point, any sort of environmental disaster would likely be the straw that broke the donkey's back.*

straw that stirs the drink The most valuable or important person or thing in a system. The phrase is usually attributed to baseball player Reggie Jackson. *In this law firm, Ed may think that he's the straw that stirs the drink, but there are plenty of other lawyers that we could replace him with. Ever*

since Jeannie found out she got the lead in the play, she's been acting like the straw that stirs the drink.

straw vote An unofficial vote, poll, or survey to gauge the voting public's opinion of an issue or a candidate. *The latest straw vote puts the candidate well ahead of his opponent, but it's eight weeks to the election and a lot can happen in that time.*

streaming service A company that provides entertainment, such as music, movies, or television shows, to users via an Internet connection, over which the content can be "streamed" (played without the need for downloading). Netflix and Spotify are prominent examples. *With all the streaming services these days, there is a never-ending supply of entertainment available to us.*

street appeal The external attractiveness of a building or property, such as can be viewed from the street. *We were suckered into buying the house because of its incredible street appeal, but once we moved in, we realized just how run-down it was inside.*

stretch (one's) legs according to the coverlet To not spend more money than one makes; to adapt to one's current financial situation. The image is of one positioning oneself as best as possible in a bed that is too small. *This new job doesn't pay as well as my old one, so I really need to stretch my legs according to the coverlet and budget responsibly.*

stretch the rules To allow something to be done which is technically against the rules or not normally accepted. *It's galling to know that the management team, who are so strict with the lower-level employees, all stretch the rules to give themselves more vacation time and bigger bonuses. You're normally not allowed to take an exam if you arrive late, but because of the student's excuse, his teacher stretched the rules for him.*

strike a sour note To indicate, introduce, or allude to something particularly unfortunate, unpleasant, or disagreeable. *You definitely struck a sour note when you brought up Dan's ex-girlfriends during your best man speech.*

strike oil 1. To access stores of oil while drilling into the ground. *Stop drilling, we've struck oil!* **2.** To achieve success in some area, often financially. A: *"We sure struck oil when we recorded that song."* B: *"I know, it's become a huge hit and will pay us a ton in royalties."*

strike (one's) flag To lower the flag on a ship in a show of surrender. *Captain, they've struck their flag! We've won!*

strike pay dirt To discover or happen upon something very, particularly, or abundantly valuable or useful, especially after a long or arduous search. *I was combing through books in the library for hours, trying to find material for my thesis, when finally I struck pay dirt with an old collection of literary criticisms from the 1970s. I loved to search through my grandfather's attic when I was a kid, convinced that someday I would strike pay dirt.*

strike sail 1. To lower the sail on a ship in a show of surrender, salute, or during high winds. *Captain, they've struck sail! We've won! Those are gale force winds. Strike sail or we're done for!* **2.** By extension, to admit that one has been bested. *You need to strike sail. You've clearly been beaten and need to move on.*

strike (someone) dumb To render someone speechless, as due to a great surprise or shock. *My father's sudden resignation from the company struck each of us dumb.*

strike through In editing, to cross out text to indicate that it should be removed from the document. *Let me take one last look at that article—I'll strike through anything I want deleted. It looks good, just strike through that last paragraph.*

strike while the iron is hot To make most of an opportunity or favorable conditions while one has the chance to do so. *This sounds like a pretty amazing deal they're offering. If I were you, I'd strike while the iron is hot. I deliberated too long before accepting the job offer, and now they've given it to someone else. I should have struck while the iron was hot.*

strike whilst the iron is hot To make most of an opportunity or favourable conditions while one has the chance to do so. (A less common variant of "strike while the iron is hot.") Primarily heard in UK. *This sounds like a pretty amazing deal they're offering. If I were you, I'd strike whilst the iron is hot. I deliberated too long before accepting the job offer, and now they've given it to someone else. I should have struck whilst the iron was hot.*

striking distance Close proximity or a short distance, as to or away from some desired thing, person, goal, or objective. Used especially in the

phrase "in/within striking distance." *A World Cup victory was within striking distance for Germany, but a last penalty kick robbed them of their prize. My grandmother's house is rather old and a bit spooky, but as it is in striking distance of the sea, it was always a favorite summer destination when we were kids.*

string to (one's) bow An option or alternative available in the event that the current course of action, circumstance, opportunity, etc., is not viable. *With all this varied job experience under my belt, I have more than one string to my bow if this particular career path isn't to my liking. I've got a job interview next week, but I'm still handing out my résumé so that I'll have more than one string to my bow.*

strings attached One or more conditions, restrictions, obligations, or arrangements that must be met for one to attain something that they desire. *The Senate is willing to allow the bill to pass, but you can be sure that the final draft will have several strings attached. I want to help him, but I'm worried that there will be strings attached.*

strings attached See [with strings attached](#).

stripes See [\(one's\) \(true\) stripes](#).

stroke of business A lucrative deal or transaction. *That agreement was a great stroke of business for our company.*

stroke of fortune An unexpected fortunate occurrence. *Meeting my favorite celebrity at the airport was certainly a stroke of fortune that wouldn't have happened if I'd arrived five minutes later. I worked very hard on the script, but getting to pitch it to the producer in the elevator was just a stroke of fortune.*

stroke of luck An unexpected fortunate occurrence. *Meeting my favorite celebrity at the airport was certainly a stroke of luck that wouldn't have happened if I'd arrived five minutes later. I worked very hard on the script, but getting to pitch it to the producer in the elevator was just a stroke of luck.*

stroke of work A small or insignificant amount of work. Almost always used in the negative to indicate that one has not done any work. *Ryan is supposed to help me clean out the garage, but he hasn't done a stroke of work since he got here! I'm going to have a long night ahead with this term paper, as I haven't done a stroke of work up till now.*

stroke of work See [not do a stroke \(of work\)](#).

stroll down memory lane To reminisce over memories of past events, especially happy ones. *My grandmother spends more time strolling down memory lane these days than talking about the present. Sarah: "How did your coffee date with John go?" Amy: "It was pretty amicable, actually. We strolled down memory lane for a while, and then we went our separate ways."*

strong point A subject, activity, or field at which one is particularly skilled or adept, or one's foremost virtue. *Working with computers has never been my strong point, so this position is going to be a real challenge for me. Patience is Sam's strong point. I've never seen him lose his temper.*

strong stomach 1. The ability to eat foods that others may find unusual, unpalatable, or too spicy without experiencing any ill effects like nausea or upset stomach. *My husband has such a strong stomach that he can eat a ghost pepper and feel perfectly fine afterward. You must have a strong stomach if you're eating pickles with peanut butter! 2. The ability to experience or witness something unpleasant without becoming upset, nauseous, or squeamish. *That horror movie you're going to see is pretty gory. I hope you have a strong stomach! I don't have a strong stomach, so I could never be a surgeon.**

strong suit A subject, activity, or field, at which someone is particularly skilled or adept. *Working with computers was never my strong suit, so this receptionist position is going to be a real challenge for me. Movie trivia is one of Sam's strong suits, so I think we should ask her to be on our pub quiz team.*

struck dumb See [be struck dumb](#).

stuck his nose in See [stick \(one's\) nose in\(to\) \(something\)](#).

stuck his oar in See [stick \(one's\) oar in\(to\) \(something\)](#).

stuck his spoon in the wall See [stick \(one's\) spoon in the wall](#).

stuck in a time warp See [be stuck in a time warp](#).

stuck in his two penn'orth See [stick in \(one's\) two penn'orth](#).

stuck it to the man See [stick it to the man](#).

stud muffin A physically attractive young man. Primarily heard in US.

Did you see Jane's new boyfriend? He's such a stud muffin that I was practically swooning over him myself!

stuffed like a turkey Feeling extremely full from eating a lot of food. *My grandmother is the best cook around. I always leave her house stuffed like a turkey! We were all stuffed like a turkey after Diana's amazing meal.*

stuffed shirt Someone who is very formal, pompous, or old-fashioned. *I had heard he was a bit of a stuffed shirt, but he was very pleasant when I met him, and not pretentious at all.*

stuffed to the gills Completely full; teeming; having no room to spare. *I've got so many meetings and deadlines these days that my schedule is stuffed to the gills! Her mind was stuffed to the gills with ideas for her new book. I felt stuffed to the gills after my grandmother's Thanksgiving meal.*

stumble at a straw To be thwarted or unsettled by a minor issue or problem. *Overall, your grades are great, so don't stumble at a straw and abandon your studies because of this one B. You can't rely on Kelsey, she always stumbles at a straw and gets rattled by the slightest problem.*

stumbling block A challenge or hindrance that prevents something from being accomplished. *Stay away from your old friends—their drug use will be a stumbling block in your recovery from alcoholism. We're trying to sell the house, but its undesirable location has proved to be a real stumbling block.*

stupid is as stupid does One's actions indicate one's level of stupidity (or intelligence). The phrase was popularized by the film *Forrest Gump*. *Of course that fool backed his car into own house! Stupid is as stupid does! Stupid is as stupid does, so judge her on her actions, not your first impression.*

sub rosa Privately. This Latin phrase (meaning "under the rose") refers to the ancient use of the rose as a symbol of secrecy. *No, I had no idea they were planning to reject the proposal. They must have reached that decision sub rosa.*

sub (sandwich) A sandwich served on a long roll of bread, typically six inches to several feet in length, filled with a variety of ingredients including meat, cheese, and vegetables. Primarily heard in US. *This restaurant across the road from our office makes the best sub sandwich in the city. I've gotten*

to where I go there two or three times a week for lunch. I'm ordering a few four-foot subs for the party this weekend, so if you have any food allergies, let me know before tomorrow.

submarine (sandwich) A sandwich served on a long roll of bread, typically six inches to several feet in length, filled with a variety of ingredients, usually some combination of meat, cheese, and vegetables. Often shortened to "sub" or "sub sandwich," and known by different names in different regions, such as "hoagie" and "hero." *This restaurant across the road from our office makes the best submarine sandwich in the city.*

success depends on your backbone, not your wishbone Success is achieved through dedication and effort, not hopes and dreams or wishful thinking. *You need to work on your writing every single day if you really want to be a famous author because success depends on your backbone, not your wishbone.*

success has many fathers, failure is an orphan People are quick to associate themselves with successful ventures and distance themselves from failures. A: *"All the people who were so excited about this project in the beginning now act like they've never even heard of it."* B: *"Well, success has many fathers, failure is an orphan."*

suck a big one vulgar slang To be remarkably bad, unpleasant, disappointing, or upsetting. *Well, that movie sucked a big one. I wish I could get my money back! Yeah, I heard that class sucks a big one, so I'm taking an intro to chemistry course instead.*

suck a egg See [\(go\) suck a egg](#).

suck a lemon See [\(go\) suck a lemon](#).

suck ass vulgar slang To be remarkably bad, unpleasant, disappointing, or upsetting. *Well, that movie sucked ass. I wish I could get my money back! Yeah, I heard that class sucks ass, so I'm taking an Intro to Chemistry course instead.*

suck balls vulgar slang To be remarkably bad, unpleasant, disappointing, or upsetting. *Well, that movie sucked balls. I wish I could get my money back! Yeah, I heard that class sucks balls, so I'm taking an Intro to Chemistry course instead.*

suck cock 1. vulgar slang To perform oral sex on a male. 2. vulgar slang

To be remarkably bad, unpleasant, disappointing, or upsetting. *Well, that movie sucked cock. I wish I could get my money back! Yeah, I heard that class sucks cock, so I'm taking an Intro to Chemistry course instead.*

suck donkey balls vulgar slang To be remarkably bad, unpleasant, disappointing, or upsetting. *Well, that movie sucked donkey balls. I wish I could get my money back! Yeah, I heard that class sucks donkey balls, so I'm taking an Intro to Chemistry course instead.*

suck it 1. vulgar slang An expression of anger, scorn, or disdain. *Charles: "You never do any chores around the house, you just leave them for the rest of us!" Sam: "Oh, suck it, Charles! I don't have to listen to your crap." If you don't like the way I do things around here, you can just go suck it!* **2.** vulgar slang An expression of condescension, especially following a triumph over someone else. *I just demolished your high score! Suck it, Johnny!*

suck it up To endure something painful, unpleasant, or otherwise dissatisfactory; to deal with or recover from some hardship or stress. *I hated having to work two jobs, but with three small kids at home, I knew I just had to suck it up. Dan: "I can't believe the other kids would make fun of me like that." Tammy: "Oh, suck it up, Dan; they'll only tease you more if you have a tantrum."*

suck the big one vulgar slang To be remarkably bad, unpleasant, disappointing, or upsetting. *Well, that movie sucked the big one. I wish I could get my money back! Yeah, I heard that class sucks the big one, so I'm taking an intro to chemistry course instead.*

suck the kumara To fail in some way. Primarily heard in New Zealand. *If I don't turn this paper in on time, I'll really suck the kumara.*

a (sudden) rush of blood (to the head) A sudden feeling of excitement or anger that causes one to act in unexpected ways. *It must have been a sudden rush of blood to the head that made Gary lash out at Ron, because he's usually so calm.*

suffer the consequences To experience negative repercussions for one's actions or words, especially those that one would expect to incur punishment. *I told you not to try to sneak in, and now that you've been caught, you're just going to have to suffer the consequences. If we do nothing to curb this pollution, I guarantee we will suffer the consequences in the future.*

sugar-coat the pill To make something bad, unpleasant, or dissatisfactory easier to cope with, endure, or accept. *The bosses are giving everyone an extra 10% bonus this Christmas, but I suspect it's a way of sugar-coating the pill that there will be massive pay cuts in January. I have to tell my mom about wrecking her car, but I need to find a way to sugar-coat the pill first.*

sugar pill A pill that does not contain medicine (and may not even contain sugar, as the term "sugar pill" is used broadly); a placebo. *Some patients in the clinical trial will receive the medication, while others will receive sugar pills.*

sugar the pill To make something bad, unpleasant, or dissatisfactory easier to cope with, endure, or accept. *The bosses are giving everyone an extra bonus this year, but I suspect it's a way of sugaring the pill with the massive layoffs that are scheduled. I have to tell my mom about wrecking her car, but I need to find a way to sugar the pill first.*

sum of its parts See [more/bigger/greater than the sum of its parts](#).

summer and winter To monitor one's behavior or abilities for a sufficiently long period of time. *Oh yes, I will summer and winter him during this probationary period, to determine if we should hire him full-time.*

sun worshipper One who enjoys spending time in the sun and/or tanning. *My sister could lie on the beach all day, she's a real sun worshipper. I'm not a sun worshipper anymore—I've had too many skin cancer scares.*

sup with Sir Thomas Gresham To go without food. Sir Thomas Gresham founded the Royal Exchange in London, which the poor often visited. A: *"Why are you so hungry? Didn't you eat dinner?"* B: *"No, I got stuck in a meeting, so I supped with Sir Thomas Gresham."*

superfood A food that is hailed as exceptionally nutritious. *I know kale is a superfood, but I just can't force myself to eat it.*

superior orders A plea or legal defense strategy in which the defendant claims that their actions were solely the result of carrying out the orders of superiors and that, as such, they should not be found guilty of such actions. Often known as the "Nuremberg defense," which is a reference to the use of such a defense by political and military leaders of defeated Nazi Germany in the Nuremberg Trials of 1945–46. *Against the charge of unlawful murder*

during wartime, the staff sergeant's defense attorney put forward a superior orders defense, claiming that the killings were carried out under direct orders by superior officers.

sure as a gun See [\(as\) sure as a gun](#).

sure as death and taxes See [\(as\) sure as death and taxes](#).

sure as shooting See [\(as\) sure as shooting](#).

sure as the wind blows Certainly; without a doubt; assumed as true based on previous experience or evidence. *Congress has stalled on any issue that can be perceived as contentious, so sure as the wind blows, they'll fail to agree on this measure. Mike is never on time. Sure as the wind blows, he'll be late again.*

sure bet **1.** Something that is certain to occur. *Based on his grades, it's a pretty sure bet that Harry won't be able to graduate on time.* **2.** A person or thing that is certain to be good or successful. *Considering her high scoring average, she's a sure bet for the bowling team.*

surprise, surprise Said ironically of or in a situation in which something very predictable has happened. A: *"I somehow managed to break yet another phone!"* B: *"Surprise, surprise! How many does that make it this year?"* *I was telling Sarah about going to the movies with my friend Jess, and surprise, surprise, she launched into another fit of jealousy.*

survive the test of time **1.** To work, function, or endure for a very long time. (A less common variant of "stand/withstand the test of time.") *As computer technology improves, it's ironically getting harder and harder to find a piece of equipment that can survive the test of time.* **2.** To be particularly popular or well regarded for a long period of time. *Of all the other cast members, hers was the only career that survived the test of time.*

swaddling clothes **1.** The pieces of cloth that infants were once wrapped in, so as to limit their movement. The phrase is perhaps most commonly associated with the story of Jesus' birth: "And she brought forth her firstborn Son, and wrapped Him in swaddling clothes." *Mama wrapped your babe in swaddling clothes and took him to the wet nurse so you could rest.* **2.** Strict limitations imposed upon the young and immature. *Teenagers need swaddling clothes too, in the form of curfews and chores.* **3.** A period at the start of something. It can refer to a person's youth or to the early stages of

an idea or project. *In my mind, my son is still in his swaddling clothes—I can't believe he's about to start middle school. This idea is still in its swaddling clothes, so it might sound a little rough right now.*

swag **1.** noun Extreme self-confidence. A shortened form of the word "swagger." *All the girls want to date him because he's got swag.* **2.** noun Small promotional items given away at events such as conferences. *Look at all the swag I got at that HR conference! Pens, a clipboard, even a beach ball!* **3.** adjective or interjection Cool; awesome. *Yeah that dude's pretty swag. Pizza party with my squad! Swag!*

swagger **1.** verb To exhibit extreme self-confidence. A: *"Look at them swaggering into the cafeteria."* B: *"That's why they're the cool kids."* **2.** verb To boast. *He's always swaggering about what a big rock star he is, and yet he's never recognized when we're out in public. Hmm.* **3.** noun Extreme self-confidence. *All the girls want to date him cause he's got swagger.*

swallow the anchor To retire from life at sea. *After so many years sailing the seas, I knew it was time for me to swallow the anchor and adopt a more normal lifestyle on land.*

swam with the fishes See [be swimming with the fishes](#).

swap horses in midstream **1.** To choose a new leader during a period of upheaval or uncertainty. *The prime minister has been at the helm throughout the crisis. I just don't think we should swap horses in midstream.* **2.** To make major changes to a situation or course of action that is already underway. *We're about to close on the house, and my husband suddenly wants to swap horses in midstream and look at another property!*

swear a blue streak To use profane language with great rapidity and intensity. *My dad swore a blue streak after he found out I'd put a dent in his car.*

swear like a sailor To use profanities or vulgar language very freely and fluently. (An allusion to the rough language presumed to be used by military personnel.) *My little sister has been swearing like a sailor ever since she started learning bad words. My granny is the sweetest old lady you'll ever meet, but she swears like a sailor when she gets on the topic of something or someone she doesn't like.*

swear like a trooper To use profanities or vulgar language very freely

and fluently. (An allusion to the rough language presumed to be used by military personnel.) *My granny is the sweetest old lady you'll ever meet, but she swears like a trooper when she gets on the topic of something or someone she doesn't like.*

swear on a stack of Bibles To make a very serious, solemn pledge, especially that one is telling the truth. A hyperbolic reference to the traditional act of placing one's hand on a Bible while taking an oath, such as before a court proceeding. *Janet has sworn on a stack of Bibles that she wasn't the one to betray me, and I believe her. I swear on a stack of Bibles that if I have a chance to help your campaign, I will.*

swear on (one's) mother's grave To make a very serious, solemn pledge, especially that one is telling the truth. *Janet has sworn on her mother's grave that she wasn't the one to betray me, and I believe her. I swear on my mother's grave that if I have a chance to help your campaign, I will.*

sweat equity Work that one puts into a property or other venture, so as to increase its value. It is perhaps most commonly used to describe improvements or repairs that one makes to one's home. *We're putting some sweat equity into our house by redoing our kitchen. Did you see that glowing write-up in the newspaper? All the sweat equity he put into his company is finally paying off.*

the sweat of (one's) brow One's own personal efforts or hard work. *It's due to the sweat of my father's brow that a barren, fallow little plot of land was transformed into the flourishing farm you see today. This pair of entrepreneurs has created a billion-dollar company by the sweat of their brows.*

sweep (something) under the mat To ignore, deny, or conceal from public view or knowledge something that is embarrassing, unappealing, or damaging to one's reputation. *The senator has been accused of trying to sweep his former drug use under the mat. You need to stop sweeping your problems under the mat. Nothing will get resolved like that!*

sweet cherry A sweet variety of cherry (as opposed to the sour cherry). *I hope these are sweet cherries—those other ones were too tart!*

sweet deal 1. A beneficial business arrangement. Primarily heard in US, Australia. *The benefits package that the company offered proved to be a*

really sweet deal. It kept employees happy and helped retain top talent. 2. A purchase that one believes was a bargain. I got a sweet deal on these shoes—they were 75% off! 3. An exclamation indicating that is one pleased with something. Wow, they're giving away free pizza? Sweet deal!

sweet fuck all rude slang Nothing at all. *Mom must still be angry with me—she brought all these presents for Victoria, and I got sweet fuck all.*

the sweet hereafter The eternal life awaiting us after death; heaven. *I miss my wife terribly, but I know she'll be waiting for me in the sweet hereafter.*

sweet Jesus! An exclamation of alarm, amazement, or exasperation. (Could be considered blasphemous to some.) *Sweet Jesus, I thought that car was going to hit me! Oh, sweet Jesus, could you work any slower?*

sweet Mary, mother of God An exclamation of alarm, amazement, or exasperation. (Could be considered blasphemous to some.) *Sweet Mary, mother of God, I thought that car was going to hit me! Oh, sweet Mary, mother of God, could you work any slower?*

sweet tooth A propensity and preference for eating sugary foods. *If you're looking for a snack, go talk to Jenny—she has a real sweet tooth, so she probably keeps candy bars in her desk. Because I don't have much of a sweet tooth, I get more excited about entrees than desserts.*

sweet young thing A cute, innocent young girl or woman. *You are 60 years old! How, in good conscience, can you date that sweet young thing? I love spending time with my niece, she's such a sweet young thing.*

sweeten the pill To make something bad, unpleasant, or dissatisfactory easier to cope with, endure, or accept. *The bosses are giving everyone an extra 10% bonus this Christmas, but I suspect it's a way of sweetening the pill that there will be massive pay cuts in January. I have to tell my mom about wrecking her car, but I need to find a way to sweeten the pill first.*

swept off her feet See [be swept off \(one's\) feet](#).

swim against the stream To act or behave in opposition or contrary to what is generally understood, assumed, practiced, or accepted. *I had to swim against the stream to get the company to adopt more eco-friendly habits, but I think it will be worth it in the long run.*

swim upstream To go against or disagree with a prevailing or popularly

held opinion or perspective; to act or behave contrary to the majority of others. *When I was in college, I really swam upstream with some radical opinions, but as I've grown older, I've found myself falling more in line with others. I don't understand why you always have to swim upstream instead of making things a little easier on yourself!*

swim with sharks **1.** Literally, to be in the water with sharks. *My brother is a real adventurer—he's bungee jumped before and has even swam with sharks!* **2.** To be involved with cunning, possibly dangerous, people. *I know you think you're a hustler, but you're swimming with sharks now—you could lose all your money against these guys. Before you start swimming with sharks, consider this—the last guy who went into business with them wound up dead!*

swim with the current To go along or agree with the prevailing or popularly held opinion or perspective; to act or behave the same way as the majority of others. *When I was in college, I used to have a lot of radical opinions and beliefs, but as I've grown older, I find myself swimming with the current more often. I'm sorry, but I simply refuse to swim along with the current just because it's the easier option!*

swim with the stream To go along or agree with the prevailing or popularly held opinion or perspective; to act or behave the same way as the majority of others. *When I was in college, I used to have a lot of radical opinions and beliefs, but as I've grown older, I find myself swimming with the stream more often. I'm sorry, but I simply refuse to swim along with the stream just because it's the easier option!*

swim with the tide To go along or agree with the prevailing or popularly held opinion or perspective; to act or behave the same way as the majority of others. *When I was in college, I used to have a lot of radical opinions and beliefs, but as I've grown older I find myself swimming with the tide more often. I'm sorry, but I simply refuse to swim with the tide just because it's the easier option!*

swing for the fences **1.** baseball Literally, to put all one's power into one's swing while batting so as to try to hit a home run. *All they need is two more runs to win the game, so you can bet their star batter will come out swinging for the fences.* **2.** By extension, to put forward one's maximum amount of effort or energy (into or toward something); to act or perform with

great intensity or effort. *I wasn't sure about their state-appointed lawyer at first, but I was well impressed when he came out swinging for the fences on day one of the trial.*

swing state In U.S. general elections, a state that votes in roughly equal proportion for candidates of both the Democratic and Republican Parties and whose influence on the election has the power to determine the outcome.. *With the country so deeply divided between these two candidates, it will come down to just a handful of swing states to determine who will be the next president.*

swings and roundabouts A situation in which certain gains, advantages, or other positive aspects or outcomes are offset or balanced by equally disadvantageous losses, setbacks, or negative outcomes (or vice versa). Primarily heard in UK. *This promotion has meant I can provide for my family much more easily, but it's so demanding that I don't see them all that much—it's swings and roundabouts, really. The government needs to be wary of the swings and roundabouts of a slight surplus in the budget, because many problems can follow on the heels of unfettered increases in spending.*

swipe left 1. slang To decline or reject someone or something in an app. The phrase was popularized by the dating app Tinder, in which users "swipe left" on the screen to reject a potential mate. *That girl is pretty—I'm only swiping left because I'm not into blondes. Ugh, this guy's has no sense of humor—swipe left! I keep swiping left because these dresses are all hideous.* 2. slang By extension, to reject or decline something. *Studying instead of a night out? Definitely swiping left on that.*

swipe right 1. slang To show interest in or approval of someone or something in an app. The phrase was popularized by the dating app Tinder, in which users "swipe right" on the screen to indicate interest in a potential mate. *That girl is gorgeous, I'm definitely swiping right. Ooh, this guy's funny—swipe right! I keep swiping right because these dresses are all gorgeous.* 2. slang By extension, to accept, agree with, or show enthusiasm for something. *A night out instead of studying? I'm swiping right on that.*

Swiss bank account A bank account held in Switzerland. Such accounts are highly confidential and are only identified by a number, rather than the owner's name. *I suspect they're putting the embezzled funds into a Swiss bank account because we haven't been able to trace it. How are we*

going to get information on this transaction if it's going into a Swiss bank account?

sword-and-sandal Of film, to features the exploits and adventures of ancient and biblical figures, as was prominent in Italy in the late 1950s and early 1960s. *Sword-and-sandal films dominated cinemas for a period after the second World War, but they were quashed halfway through the sixties by the Spaghetti Western.*

sword and sorcery A literary genre that depicts adventures with elements of fantasy, such as magic and dragons. *My little brother gets totally absorbed in the imaginary lands of sword and sorcery novels. I'm a realistic fiction kind of gal—sword and sorcery books just don't hold my interest.*

a sword of Damocles hangs over (one's) head One is faced with imminent danger or trouble. In Greek mythology, the courtier Damocles was forced to sit beneath a sword suspended by a single hair to emphasize the instability of a king's fortunes. *I know his history of violent behavior, so I feel like a sword of Damocles hangs over my head whenever I'm alone with him. With the threat of nuclear war, many feel that a sword of Damocles hangs over the world's head.*

swore a blue streak See [swear a blue streak](#).

swore like a sailor See [swear like a sailor](#).

swore like a trooper See [swear like a trooper](#).

swore on a stack of bibles See [swear on a stack of Bibles](#).

swore on her mother's grave See [swear on \(one's\) mother's grave](#).

sworn enemy A person, group, or organization for whom one holds a particularly intense, deep-seated hatred. *Our environmentalist lobby group is heading out to protest against Big Oil, our sworn enemy.*

siphon the python See [siphon the python](#).

T

table scrap A piece of food left over from a meal. *Don't give the dog another table scrap, I don't want him to get sick. We spend all day cooking their food, and all we get to eat are their table scraps.*

table talk The conversation that takes place during a meal. *Once politics and religion enter table talk, it's time to finish the meal as quickly as possible. Why is my love life always the topic of table talk?*

the tables are turned A major change has happened, especially one that results in the opposite of an earlier situation. *I spent years as John's supervisor, but with his recent promotion, the tables are turned and now I report to him!*

tag and rag The lowest social class; the common people. *You must be joking—a person of my social status can't eat with the tag and rag at a fast food place!*

tag team **1.** noun A team of two wrestlers who take turns competing against an opposing pair of wrestlers. The two teammates touch hands when one player leaves the ring, so that the other can "tag in." *A tag team is only as strong as its weakest member.* **2.** noun Two people working in cooperation. *Now that we're a tag team, I think we'll get through this project a lot faster.* **3.** verb To work in cooperation with another person. *Let's tag team to get this project done.*

take 10 See [take ten](#).

take 5 See [take five](#).

take a bawling out To receive a very severe rebuke, chastisement, or scolding (from someone). *I sure took a bawling out from my parents after I smashed up their car.*

take a bead on (someone or something) **1.** To aim at someone or something with the sights on a firearm. *I managed to take a bead on the enemy sniper but had to wait until I received the order to fire.* **2.** By extension, to focus one's attention on someone or something so as to deal with or attack him, her, or it. *The candidate took a bead on his opponent's*

poor political record during the debate. The president has pledged to take a bead on the growing problem of adolescent obesity. **3.** To thoroughly understand, appreciate, or comprehend someone or something. *The team just has to take a bead on the severity of the cyber attack before we can implement any meaningful fixes. I couldn't understand him at first, but I'm finally starting to take a bead on my sister's boyfriend.*

take a beating **1.** To be thoroughly beaten or thrashed. *My younger brother was always a shy, skinny kid who often took a beating from schoolyard bullies.* **2.** To be soundly defeated or bested; to lose. *Their team's inexperience showed on the pitch today, as they took a beating from the powerful squad from New Zealand.* **3.** To suffer severe losses or setbacks. *The stock market took a beating after the period of political instability. My efforts to get my PhD have taken a beating over the last couple of years, but I'm still determined to see it through.*

take a bite of the reality sandwich To recognize and address certain delusions, flaws, or misconceptions regarding a particular situation or task at hand. Most often used as office jargon in a business or place of work. *I know you think this new product will solve all of our problems, but you really need to take a bite of the reality sandwich.*

take a breath To inhale and then exhale. *I can tell that you're just a bit too upset to talk about this. Why don't you take a breath, calm down a bit, and then we'll discuss it. I've loved my son more than life itself ever since he took his first breath.*

take a breather To take a short pause or hiatus (from something). *You can go ahead on the hike if you want, I'm going to stop here and take a breather. The senator is taking a breather from his campaign to spend some time with his family.*

take a bullet See [take a/the bullet \(for someone\)](#).

take a chance To try to do something that has a high probability of having a negative or unfortunate outcome. *I'm taking a real chance hiring this guy, so you had better be right about him. You're never going to find real success unless you're willing to take a chance now and then.*

take a crap vulgar slang To defecate. *I wouldn't mind the neighbor's dog getting into my yard if it didn't always take a crap on my lawn!*

take a dive **1.** In boxing, to pretend to be knocked out by one's opponent. (Generally done as a means of rigging the outcome of the match, so as to exploit betting odds and trends.) *Heavily favored to dominate the match against the challenger, the defending champion has been suspected of taking a dive in the championship match last Saturday.* **2.** In soccer (football), to fall to the ground and make a very ostentatious display that one is in pain and anguish after making contact with an opposing player. (Done so as to draw a penalty kick for one's team.) *It is so obvious that player from England took a dive!* **3.** In the stock market, to very suddenly become lower in value, as of the shares in a company or in the market as a whole. *News of the automaker's deceptive practice of cheating on emissions tests has caused the company's shares to take a massive dive this afternoon. The market took a dive over the weekend after rumors of England's exit from the Eurozone.*

take a drag (on something) To inhale smoke from something, especially a cigarette. *The detective took a drag on his last cigarette and then crushed the butt beneath his heel. I'm trying to quit smoking, but do you mind if I just take a drag?*

take a drubbing **1.** To be thoroughly beaten or thrashed. *My younger brother was always a shy, skinny kid who often took a drubbing from schoolyard bullies.* **2.** To be soundly defeated or bested; to lose by a wide margin. *Their team's inexperience showed on the pitch today, as they took a drubbing from the powerful squad from New Zealand.* **3.** To suffer severe losses or setbacks. *The stock market took a drubbing over the weekend after fears of Greece's exit from the Eurozone. My efforts to get my PhD have taken a drubbing over the last couple of years, but I'm still determined to see it through.* **4.** To be very strongly rebuked, criticized, or condemned. *The giant supermarket chain has taken a drubbing lately over allegations that they've been threatening local shops and markets. Mark sure took a drubbing because of that prank he pulled in class yesterday.*

take a dump vulgar slang To defecate. *I wouldn't mind the neighbor's dog getting into my yard if it didn't always take a dump on my lawn!*

take a fall In boxing, to pretend to be knocked out by one's opponent, generally as a means of rigging the outcome of the match to create a profit for oneself or others from a bet placed on the match. *Heavily favored to dominate the match against the challenger, the defending champion has been*

suspected of taking a fall in the championship bout last Saturday.

take a fancy to (someone or something) To have or develop a fondness for or inclination toward something or someone; to be attracted to or desire someone or something. *I think Jennifer has taken a fancy to my friend Tommy, so I'm going to try to set them up on a date! I never used to like raisins as a kid, but I've taken a fancy to them as I've grown older.*

take a fit To become very or unreasonably angry or upset; to have an outburst of rage, frustration, or ill temper. *My mom's going to take a fit when she sees what happened to the car! I was so embarrassed when Danny started taking a fit in the grocery store.*

take a gamble To do something risky or attempt something that might fail in order for a chance at success, fortune, etc. *I know I'm taking a gamble by starting a business in a recession, but I don't want to put off my dream any longer. The coach took a gamble by calling that play, but his team was able to score a touchdown, so it paid off.*

take a hammering 1. To be thoroughly beaten or thrashed. *My younger brother was always a shy, skinny kid who often took a hammering from schoolyard bullies.* **2.** To be soundly defeated or bested; to lose by a wide margin. *Their team's inexperience showed on the pitch today, as they took a hammering from the powerful squad from New Zealand.* **3.** To suffer severe losses or setbacks. *The stock market took a hammering over the weekend after fears of Greece's exit from the Eurozone. My efforts to get my PhD have taken a hammering over the last couple of years, but I'm still determined to see it through.* **4.** To be very strongly rebuked, criticized, or condemned. *The giant supermarket chain has taken a hammering lately over allegations that they've been threatening local shops and markets. Mark sure took a hammering because of that prank he pulled in class yesterday.*

take a hint To understand, accept, or act upon a message or direction that has been insinuated or communicated indirectly. *Don't worry, I can take a hint. I won't try to hang out with you anymore. I think you need to take a hint and accept the fact that he has no interest in dating you.*

take a leaf from (someone's) book To do something in the way someone else would do it; to behave or act like someone else. *I think I'm going to take a leaf from your book and start going for a run first thing in the morning. Our youngest son was always very placid as a baby, but now that*

he's getting older, he's begun taking a leaf from our older boy's book.

take a leaf out of (one's) book To do something in the way someone else would do it; to behave or act like someone else. *I think I'm going to take a leaf out of your book and start going for a run first thing in the morning.*

take a licking and keep on ticking To continue to function, endure, or persevere despite suffering injuries, damage, setbacks, losses, failures, etc. Taken from an advertisement for Timex wrist-watches: "It takes a licking and keeps on ticking." *When you're younger, your body can take a licking and keep on ticking, so it's easy to fall into a false sense of invulnerability. This old truck of mine has taken quite a licking over the years, and it just keeps on ticking.*

take a licking but keep on ticking To continue to function, endure, or persevere despite suffering injuries, damage, setbacks, losses, failures, etc. Taken from an advertisement for Timex wrist-watches: "It takes a Licking and keeps on ticking." *When you're younger, your body can take a licking but keep on ticking, so it's easy to fall into a false sense of invulnerability. This old truck of mine has taken quite a licking over the years, but it just keeps on ticking.*

take a liking to (someone or something) To have or develop a fondness for or inclination toward something or someone; to be attracted to or desire someone or something. *I never used to like onions as a kid, but I've taken a liking to them as I've grown older. I think Jennifer has taken a liking to my friend Tommy; I must try to set them up on a date!*

take a load off (one's feet) To sit down and rest one's feet; to relax. (Usually said as a suggestion.) *Why don't you go take a load off for a while, and I'll fix dinner for tonight? Ah, you've finally arrived! Come on in and take a load off your feet.*

take a load off (one's) mind To relieve one of a source of stress or worry; to comfort or calm one. *I bet it will take a load off your mind to get this test over and done with, huh? Thanks for explaining what you meant by your comments yesterday. That takes a load off my mind.*

take a long walk off a short pier Go away and leave me alone. What you are doing or saying is really irritating. *I'm really tired of your constant criticisms. Why don't you take a long walk off a short pier?*

take a long walk on a short pier Go away and leave me alone! What you are doing or saying is really irritating! (A less common variant on the phrase "take a walk off a short pier.") Jenny: *"The experiment might work better if you actually knew what you were supposed to be mixing together."* Steve: *"You know what, Jenny? Why don't you take a long walk on a short pier?"*

take (a lot of) stick (from someone) To receive strong criticism, disapproval, or judgment (for something). *I took a lot of stick from my parents over my decision to pursue a degree in art, rather than law or medicine. I'm going to take stick from my boss for that accounting error I made last week. John still takes a lot of stick for that time his pants fell down in the middle of class.*

take a lot off (someone's) mind To relieve someone of a source of stress or worry; to comfort or calm someone. *I bet it will take a lot off your mind to get this test over and done with, huh? Thanks for explaining what you meant by your comments yesterday, that takes a lot off my mind.*

take a meeting To attend a business meeting. *I can't take a meeting today, I have a report that I really need to finish.*

take a message to Garcia To show initiative in undertaking important or requisite tasks in the face of difficulties and/or without requiring specific instructions on how to do so. It refers to the essay "Message to Garcia," published in 1899 by Elbert Hubbard, in which a lieutenant named Andrew Rowan undertakes establishing communication with Cuban rebel leader Calixto García to create an alliance in case of war with Spain. *One should always aspire to be the type of employee who will take a message to Garcia, for it says more about you than merely doing what you're told.*

take a number imperative Wait your turn; get in line; there are a lot of other people looking or waiting for the same thing as you. (Refers to offices or shops that distribute printed numbers to let customers know the order in which they'll be helped. Often said somewhat ironically or sarcastically.) A: *"Excuse me, I'm looking to speak to the dean of the university."* B: *"Take a number, kid. Everyone in here is waiting to speak to her."* A: *"Boy, I'd love to go out with Danny sometime."* B: *"Well, you'll have to take a number."*

take a page from (someone's) book To do something in the way someone else would do it; to behave or act like someone else. *I think I'm*

going to take a page from your book and start going for a run first thing in the morning. Our youngest son was always very placid as a baby, but now that he's getting older, he's begun taking a page from our older boy's book.

take a page out of (someone's) book To do something in the way someone else would do it; to behave or act like someone else. *I think I'm going to take a page out of your book and start going for a run first thing in the morning. Our youngest son was always very placid as a baby, but now that he's getting older, he's begun taking a page out of our older boy's book.*

take a punishing 1. To be thoroughly beaten or thrashed; to suffer rough treatment or abuse. *My younger brother was always a shy, skinny kid who often took a punishing from schoolyard bullies. My feet have taken a punishing from hiking in these old sneakers.* **2.** To be soundly defeated or bested; to lose by a wide margin. *Their team's inexperience showed on the pitch today, as they took a punishing from the powerful squad from New Zealand.* **3.** To suffer severe losses or setbacks. *The stock market took a punishing over the weekend after fears of Greece's exit from the Eurozone. My efforts to get my PhD have taken a punishing over the last couple of years, but I'm still determined to see it through.*

take a rain check To refuse an offer or invitation but with the hope or promise that it can be postponed to a later date or time. *I'm sorry, but I'll have to take a rain check for dinner this Saturday. Would next weekend work for you?*

take a ride to Tyburn obsolete To go to one's execution, especially by hanging. (From the Anglo-Saxon town of Tyburn, renowned for its practice of capital punishment.) *The knave, found guilty of the theft of a loaf of bread, will be taking a ride to Tyburn in a fortnight's time.*

take a risk To try to do something for which there is a high probability of a negative or unfortunate outcome. *I'm taking a real risk hiring this guy, so you had better be right about him. You're never going to find real success unless you're willing to take a risk now and then.*

take a run at (someone) To assault someone; to approach or run toward someone with the aim of harming them. *I was passing by these two dodgy-looking guys in the street when, all of a sudden, one of them took a run at me! The next thing I knew I'd been knocked down in the street and all my belongings were gone.*

take a run at (something) To put forward an earnest or sincere effort toward doing, accomplishing, or attaining something. *The senator announced yesterday that she will be taking a run at the presidency next year. Our town is going to take a run at the Guinness World Record for the most people standing in formation to spell out a word.*

take a seat To be seated; to select a place to sit. (Often an invitation or request.) *Hi, Sean, thank you for coming to see me, please take a seat. I was running a bit late to class, so I just took a seat at the back.*

take a shellacking **1.** To be thoroughly beaten or thrashed; to suffer rough treatment or abuse. *My younger brother was always a shy, skinny kid who often took a shellacking from schoolyard bullies. My feet have taken a shellacking from hiking in these old sneakers.* **2.** To be soundly defeated or bested; to lose by a wide margin. *Their team's inexperience showed on the pitch today, as they took a shellacking from the powerful squad from New Zealand.*

take a shine to (one) To have or develop a fondness or preference for someone; to be attracted to or desire someone. *It seems the boss has taken a shine to you, kid. You should start seeing some more work headed your way! I think Jennifer has taken a shine to my friend Tommy, so I'm going to try to set them up on a date!*

take a shit vulgar slang To defecate. *I wouldn't mind the neighbor's dog getting into my yard if it didn't always take a shit on my lawn!*

take a shot in the dark To make a guess or estimate with very little or no assurance as to its accuracy. *I had absolutely no idea what the answer was for the last question on the exam, so I just took a shot in the dark and hoped for the best.*

take a spin (to some place) To go for a brief, leisurely drive (to some place). *Hey Noah, fancy taking a spin to the grocery store with me? Jenny just got a new car for her birthday, so I think we're going to go take a spin after school.*

take a stab at (doing) something To attempt (to do) something; to take a turn trying (to do) something. *Well, I haven't fixed a motor in nearly 10 years, but I'll certainly take a stab at it. You had your chance, now let your sister take a stab at trying to break the piñata.*

take a stab in the dark To make a guess or estimate with very little or no assurance as to its accuracy. *I had absolutely no idea what the answer was for the last question on the exam, so I just took a stab in the dark and hoped for the best.*

take a straw poll To conduct an unofficial vote, poll, or survey to gauge the voting public's opinion of an issue or a political candidate. *After taking the latest straw poll, the incumbent president is placed well ahead of his opponent. However, it's eight weeks until the election, and a lot can happen in that time.*

take a stroll down memory lane To reminisce, especially about happy memories. *Every so often I like to dig out my photo albums from college and take a stroll down memory lane.*

take a telling-off To be scolded, rebuked, or reprimanded, as for a wrongdoing. *I took a telling-off from my teacher in front of the whole class for sticking my tongue out at him. My brother just can't take a telling-off. If our parents even raise their voices to him, he starts getting teary-eyed!*

take a trip down memory lane To reminisce over memories of past events, especially happy ones. *My grandmother spends more time taking trips down memory lane these days than talking about the present. Sarah: "How did your coffee date with John go?" Amy: "It was pretty amicable, actually. We took a trip down memory lane for a while, and then we went our separate ways."*

take a tumble 1. Literally, to fall suddenly to the ground. *I took a bit of a tumble walking home from the pub last night, hence the bruises on my face.* 2. To suffer a sudden fall or decline, as of profits, health, quality, etc. *The price of shares in the tech giant took a tumble on Tuesday after it emerged that they had been manipulating sales figures over the last five years. My father has been doing remarkably well in his battle with cancer, but he has taken a tumble in the last few days.*

take a walk down memory lane To reminisce over memories of past events, especially happy ones. *My grandmother spends more time taking walks down memory lane these days than talking about the present. Sarah: "How did your coffee date with John go?" Amy: "It was pretty amicable, actually. We took a walk down memory lane for a while, and then we went our separate ways."*

take a walk on the wild side To engage in risky, raucous, adventurous, or licentious behavior. *I've been cooped up in the house with the kids all year, so I'm really looking forward to taking a walk on the wild side in Cancun next week! I've had such a quiet, sheltered life that I want to take a walk on the wild side at least once before it's too late!*

take a wife To marry a woman. *I can't believe my son is taking a wife on Saturday. Kids grow up so fast! Is there any hope of Sir Reginald taking a wife in the near future?*

take a/the bullet (for someone) 1. Literally, to jump in front of and absorb the impact of a bullet from a gun being fired at someone else. *It's one of the basic duties of bodyguards to take the bullet for their clients if someone tries to kill them.* 2. By extension, to accept or put oneself in the way of some misfortune, difficulty, blame, or danger as a means of protecting someone else. *I don't know why you always feel like you have to take the bullet for your bosses when they screw up. They never reward your loyalty in any way. I used to take a lot of bullets when I worked as a PR representative for the senator.*

take aback See [take \(one\) aback](#).

take an axe to To destroy or attempt to destroy something, usually something intangible. *I'm worried that Sarah will want to take an axe to her whole project after hearing your criticism. Congress is going to take an axe to some of the existing laws once the new term starts. I'm afraid I'm going to have to take an axe to the treehouse since it's so rotted.*

take an eye for an eye To exact revenge, especially in the same way that one was originally hurt. An adaptation of the Biblical phrase, "An eye for an eye, and a tooth for a tooth." *If that jerk punched you on the playground, you should definitely punch him back—take an eye for an eye!*

take at face value See [take \(someone or something\) at face value](#).

take ball and go home See [take \(one's\) ball and go home](#).

take by surprise See [take \(one\) by surprise](#).

take care of the pence, and the pounds will take care of themselves You will always have money if you are attentive to your finances, especially the smallest amounts or transactions. *Those little bits of*

money you spend here and there all add up and will drain your bank account in no time. Take care of the pence, and the pounds will take care of themselves.

take care of the pennies, and the pounds will look after themselves You will always have money if you are attentive to your finances, especially the smallest amounts or transactions. *Those little bits of money you spend here and there all add up and will drain your bank account in no time. Take care of the pennies, and the pounds will look after themselves.*

take care of the pennies, and the pounds will take care of themselves You will always have money if you are attentive to your finances, especially the smallest amounts or transactions. *Those little bits of money you spend here and there all add up and will drain your bank account in no time. Take care of the pennies, and the pounds will take care of themselves.*

take chances See [take a chance](#).

take cherry See [take \(someone's\) cherry](#).

take cold To become ill with the common cold. *I hate going to the doctor's office—I always seem to take cold after being around all those germs!*

take comfort in (something) To be soothed or calmed by something. *I know this trial has been tremendously hard on you, but take comfort in the fact that the man responsible is now behind bars forever. When things get tough, I take comfort in the company of my closest friends.*

take cum grano salis See [cum grano salis](#).

take eggs for money To let oneself be mistreated or cheated in some way. Eggs were once considered so plentiful as to be not worth much money. *No matter how tantalizing their offers sound, don't take eggs for money.*

take eye off the ball See [take \(one's\) eye off the ball](#).

take fire To start burning. *It shouldn't take long for this wood and brush to take fire, and that will warm you up.*

take five To take a short break, about five minutes. *I've been painting all morning, can I please take five? All right, fellas, take five.*

take for a fool See [take \(someone\) for a fool](#).

take for a spin See [take \(something\) for a spin](#).

take for an idiot See [take \(someone\) for an idiot](#).

take for gospel See [take \(something\) for gospel](#).

take guard (cricket) Of a batsman, to stand in a ready position to receive the bowled ball, especially after having asked the umpire to indicate their position in relation to the stumps. *The umpire has ruled the bowl a dead ball, as the batsman had not yet taken guard.*

take her place See [take \(someone's or something's\) place](#).

take ill To be or become sick or unwell. *I heard your sister has taken ill recently. I hope that it isn't anything too serious?*

take in the wrong way See [take \(something\) in the wrong way](#).

take in tow See [take \(something\) in tow](#).

take in water To be flooded with water, as of a ship. *Captain, the ship is taking in water!*

take it as read To plainly accept something as true, fact, or general knowledge without first verifying or investigating it. *It's a shame that a lot of people take it as read that video games are no more than idle entertainment.*

take it in the neck To receive a very severe rebuke, scolding, or punishment for one's actions. Primarily heard in UK. *Boy, I really took it in the neck for screwing up the Lawson account. I'm lucky I didn't lose my job! I'm really going to take it in the neck if my parents notice this dent in the car!*

take it lightly See [take \(something\) lightly](#).

take it off the table See [take \(something\) off the table](#).

take it out of context See [take \(something\) out of context](#).

take it outside To exit an indoor location. Usually said as an imperative to people who are being disruptive. *Quit playing football in the house! Take it outside! Take it outside, fellas—no fighting in the bar.*

take it sitting down See [take \(something\) sitting down](#).

take it the wrong way See [take \(something\) the wrong way](#).

take it up the ass 1. vulgar slang To receive some form of punishment or mistreatment. A: "Why aren't you coming out drinking with us?" B: "Duh, I'm underage, so I'll be the one who takes it up the ass when we get caught—again." 2. vulgar slang To engage in anal sex.

take no notice of (something or someone) To not pay any attention to someone or something; to ignore or disregard someone or something. *Take no notice of those troublemakers, they're only trying to provoke you. I was so distracted with thoughts of tomorrow's exam that I took no notice of where I was walking and stepped right out into the road!*

take no stock in (something) To not pay any attention to something; to have or invest no faith or confidence in something; to not accept something. *You'll take no stock in John's promises if you know what's good for you, because more often than not he'll end up letting you down. I don't know how a company expects its managers to perform well when it takes no stock in their abilities.*

take offence (at something) To be or feel insulted, offended, or humiliated by something. Primarily heard in UK. *I know your jokes were made completely in jest, but I couldn't help taking offence at them. I noticed your parents leaving in a bit of a huff earlier; I do hope they haven't taken offence.*

take offense (at) (something) To be or feel insulted, offended, or humiliated by something. *I know your comments were made completely in jest, but I couldn't help taking offense at them. I noticed your parents leaving early. I do hope they haven't taken offense.*

(someone's) take on (something) Someone's perspective, opinion, or idea(s) about something. *Mr. Huxley, what's your take on the recent announcement from the White House? My take on the problem is that we need to devote more of our resources to expanding our marketing campaign.*

take (one) aback To startle, astonish, shock, or disconcert one. *It took us all aback a bit to learn that John was moving to England next month. I'm sure the news of the merger takes everyone aback, but please believe me that this is in the best interest of the company.*

take (one) by surprise To encounter or otherwise engage something or someone who is not prepared or on guard; to shock or startle someone or

something by one's sudden appearance or action. *You took me by surprise when you showed up at my office with flowers this afternoon! Our soldiers descended upon the enemy encampment just before daybreak and took their troops entirely by surprise.*

take (one) in tow To help or guide another person by acting as a mentor. *My high school English teacher was a great mentor—she took me in tow and taught me invaluable skills, like how to read and write critically.*

take (one) to the cleaners **1.** To cheat or swindle one for a lot or all of their money. Despite its meaning, the phrase as used often does not refer to actual cheating. *It was my first time playing poker at the casino, and the more experienced players definitely took me to the cleaners. The con man made a living taking people to the cleaners with his scams.* **2.** To soundly defeat or best one; to succeed over one by a wide margin. *This young team is taking the veteran squad to the cleaners tonight.*

take (one's) ball and go home To be so petulant in dealing with adversity, loss, or rejection that one quits or leaves abruptly, often disrupting other participants in the process. The image is of a child who leaves with the ball, thus preventing others from continuing to play the game. *I didn't lose, you guys are playing wrong! That's it, I'm taking my ball and going home! I've heard that this new artist is a little temperamental, so, everyone, please be on your best behavior so he doesn't take his ball and go home.*

take (one's) eye off the ball To fail to remain focused on or motivated about some goal, objective, or matter at hand. *You can't take your eye off the ball just before this merger deal is supposed to go through, not when there is so much at stake! I was on my way to earning my PhD, but I really took my eye off the ball toward the end of the program.*

take out the trash To carry garbage from one's house to a trash can or other receptacle outside. *Can you please take out the trash? It's beginning to stink up the house.*

take risks See [take a risk](#).

take seats See [take a seat](#).

take sick To be or become sick or unwell. *I heard your sister has taken sick recently. I hope that it isn't anything too serious.*

take silk To be appointed a Queen's Counsel (QC) or King's Counsel

(KC), the highest ranking position of a senior barrister in the British law system. Primarily heard in UK. *Since taking silk, the honourable Thomas Jeffries, QC, has served the public and the crown most admirably.*

take somebody to the cleaners See [take \(one\) to the cleaners](#).

take (someone) for a fool To presume or believe that someone is very stupid or foolish. *I'd advise you not to take her for a fool. She may play dumb, but she's very crafty.*

take (someone) for an idiot To presume or believe that someone is very stupid or foolish. *I'd advise you not to take her for an idiot. She may play dumb, but she's very crafty. Do you take me for an idiot? There's no way I'm falling for that again.*

take (someone or something) at face value To accept that something or someone is as it seems based only on an initial or outward appearance, without further verifying or investigating. *Why some people take what that pundit says at face value is beyond me. He clearly has an ulterior motive. You're right to be wary, but, in this case, I think we can take John at face value. He's just trying to help.*

take (someone's) cherry vulgar slang To have sexual intercourse with a virgin, especially a female. *Before you go taking a girl's cherry, you had better make damn sure that you and she are both totally ready to sleep with each other.*

take (someone's or something's) place To substitute for someone or something; to stand in someone's or something's stead. *It was decided that I would take my sister's place as the head of the company. Due to a scheduling conflict for the professor, the course on modernism has been canceled. I guess that course on 19th-century British Literature will have to take its place.*

take something as read See [take it as read](#).

take (something) for a spin To take a brief, leisurely ride in a vehicle, especially an automobile. *Do you want to go take my dad's Corvette for a spin later? Jenny just got a new car for her birthday, so I think we're going to take it for a spin after school.*

take (something) for gospel To believe that something is absolutely true without any hesitation or reservations. *When we're growing up, we take*

what our parents tell us for gospel. That's part of why teenagers are so rebellious, because they're just starting to realize their parents' fallibility. The beloved professor's opinions on the author are taken for gospel by his students.

take (something) in the wrong way To misunderstand or misinterpret something, especially in such a way as to take offense at what is said or done. (A less common variant of "take something the wrong way.") *Now, I hope you don't take this in the wrong way, but I think it would be easier for everyone if you didn't visit us right after the baby is born. I simply don't comment on things on the Internet anymore because, too often, what I say is taken in the wrong way.*

take (something) in tow To pull or drag something. Originally a nautical phrase used to describe the action of a ship towing something. *They'll take the plane in tow and bring it back to the hangar.*

take (something) lightly To regard something without much seriousness; to be very casual or carefree about something. *I hope you aren't taking these allegations lightly—they could mean a life in prison! I've learned to take my work more lightly in recent years. There are just more important things to worry about.*

take (something) off the table To withdraw something or make it no longer available, as for consideration, acceptance, discussion, etc. *I wouldn't wait too long to accept the job offer—they might take it off the table before you know it. For the sake of making progress in our meeting this morning, let's just take the issue of possible pay reductions off the table for the moment.*

take (something) out of context To misrepresent the meaning of an utterance, an action, or a report thereof by omitting or altering the original context in which it was spoken or done. *You have to be very careful what you say when you're a politician, because the media are all too happy to take anything you say out of context. The way you're describing what she did sounds terrible, but you're taking things completely out of context.*

take (something) sitting down To accept something unpleasant, unfortunate, or unjust without resistance, argument, or action. (Usually used in the negative to express the opposite.) *I just found out my wife has been cheating on me for the last year, and I'm not about to take it sitting down!*

I've been at this job for nearly 30 years and not once have I been given a raise. If you think I'm going to take it sitting down any longer, then you have another think coming!

take (something) the wrong way To misunderstand or misinterpret something, especially in such a way as to take offense at what is said or done. *Now, I hope you don't take this the wrong way, but I think it would be easier for everyone if you waited to visit until the baby is a few weeks old. I simply don't post online comments anymore, because too often what I say is taken the wrong way.*

take soundings To ask questions in order to learn people's opinions about a certain topic. *I'm taking soundings to find out what people want to read about in the student newspaper.*

take stick See [take \(a lot of\) stick \(from someone\)](#).

take strolls down memory lane See [take a stroll down memory lane](#).

take ten To take a short break, about ten minutes. *I've been painting all morning, can I please take ten? All right, fellas, take ten.*

take the ball before the bound To anticipate something and, in many cases, act hastily or recklessly as a result. The phrase originated in reference to cricket. A: *"I did try to tackle him! I just figured he would go left, but he went right."* B: *"Well, now we're losing because you took the ball before the bound!" I didn't study much since I thought I knew the material, but I must have taken the ball before the bound because that test was impossible.*

take the bark off To whip or otherwise punish someone. The phrase initially referred to striking someone so hard as to cut the skin. Primarily heard in US. *That boy didn't do any of his chores around this farm today and still went off with his friends. I'm going to take the bark off him once he gets home! If we had to get in trouble with a teacher, at least it's with Mr. Wright—he's nice and won't take the bark off us.*

take the bear by the tooth To subject oneself to danger or trouble. *I really took the bear by the tooth by sneaking out of the house late at night. I think you're taking the bear by the tooth to drive in such torrential rain.*

take the biscuit To be the most disappointing, annoying, shocking,

outrageous, or egregious thing to have happened or been done. (Usually said hyperbolically.) *But when I found out that he had been reading through my text messages, well, that took the biscuit! The government is using the taxes from the working class to bail out the banks that ruined the economy? That really takes the biscuit!*

take the Browns to the Super Bowl slang To defecate. It is a pun in which "Super Bowl" refers to a toilet, and "the Browns" refers to the Cleveland Browns football team (chosen because feces are brown). *Hang on, I've got to take the Browns to the Super Bowl before we leave the house.*

take the bull by its horns To approach, confront, or deal with a problem or difficult situation directly and with clear, confident action. *I took the bull by its horns and confronted my manager about the blatant sexism in the office. I've been complaining about being out of work for too long—it's time to take the bull by its horns and go find a job!*

take the bull by the horns To approach, confront, or deal with a problem or difficult situation directly and with clear, confident action. *I took the bull by the horns and confronted my manager about the blatant sexism in the office. You've been complaining about being out of work for too long—it's time to take the bull by the horns and go find a job.*

take the bullet See [take a/the bullet \(for someone\)](#).

take the cake 1. To be the worst in a series of negative actions. Primarily heard in US. *When I found out he had been reading through my text messages, well, that took the cake! You charged me for the drink you spilled on me? That really takes the cake!* 2. To be the best or the most outstanding. Primarily heard in US. *You've done some nice murals, but this one takes the cake!*

take the cash and let the credit go To only accept instant gratification. The phrase comes from Edward FitzGerald's *Rubaiyat of Omar Khayyam*, a 19th-century translation of Persian poetry. *I know you teenagers like to take the cash and let the credit go, but you have to work hard over your entire high school career if you want to get into a good college.*

take the fifth (amendment) 1. To refuse to testify against oneself in court, in accordance with the right guaranteed by the Fifth Amendment to the United States Constitution, part of the Bill of Rights. *The defendant took the fifth after every question the prosecution put to him. There is speculation that*

he will take the fifth amendment if he is asked about his actions under oath. **2.** By extension, to refuse to answer a question or provide information, especially if doing so may incriminate or embarrass oneself. *Just take the fifth if your mom asks where you've been all night! A: "So, I hear things got pretty messy at the party last night." B: "Yeah, I'm going to have to take the fifth amendment on that one!"*

take the game to To aggressively attack the opposing team. *They're a fast team, so we need to take the game to them—if we start chasing them, it's over.*

take the gilt off the gingerbread To make something less attractive or appealing. Gingerbread was traditionally decorated before being sold. *Have you seen her without any make-up on? Talk about taking the gilt off the gingerbread! I thought being a nurse would be all excitement, but three patients vomited on me on my first day, and that's really taken take the gilt off the gingerbread.*

take the high ground **1.** To act morally, especially in times of disagreement or tension. *A: "I thought you were mad at Kelly." B: "No, not anymore. Our friendship is more important than a grudge, so I've taken the high ground."* **2.** To be the most successful or renowned in a particular area. *With these test scores, our school will finally take the high ground and become the most prestigious academy in the state.*

take the high road To choose the most noble, ethical, or diplomatic course or method, especially after or in the face of negativity or ill treatment. *Strive to always take the high road when dealing with others, even if they've treated you unfairly in the past. Life has a habit of rewarding those who learn to turn the other cheek.*

take the hint To understand, accept, or act upon a message or direction that has been insinuated or communicated indirectly. *After an hour or so of being ignored, Jeremy finally took the hint and left the party. I think you need to take the hint and accept the fact that he has no interest in dating you.*

take the lead **1.** To be the primary person working on something; to assert oneself as the leader. *I have meetings all day, so please take the lead on this project, Joan.* **2.** To become the leader in a competition by overtaking another player, team, or participant. *And with that goal, the home team takes the lead! Now that exam scores have been factored in, Amelia has taken the*

lead in the race for valedictorian.

take the liberty of (doing something) To do something without first seeking out or asking someone's permission. *I thought I'd take the liberty of printing out some financial reports ahead of today's meeting so we would all be on the same page. I hope you don't mind, but I took the liberty of telling your husband you'd be late for dinner.*

take the liberty to do (something) To do something without first seeking out or asking for someone's permission. *I took the liberty to print out some financial reports ahead of today's meeting. I hope you don't mind, but I took the liberty to tell your husband you'd be late for dinner.*

take the low road To utilize a method, practice, or course of action that is unethical, unscrupulous, underhanded, or otherwise base or vile. *It's unfair that those who work the hardest will be undermined by those who choose to take the low road to success. I didn't raise my son to be the type of person who would take the low road in life!*

take the Michael (out of someone or something) To tease, mock, or ridicule (someone or something); to joke or kid around (about someone or something). A less common variant of "take the mickey (out of someone)," itself a variant of "take the piss (out of someone)." Primarily heard in UK, Ireland. *If you are so serious-minded that you can't take the Michael out of yourself every once in a while, you're going to have a hard time enjoying most of life. It really hurt Steph's feelings to know that the group had been taking the Michael out of her that whole time. Brian was a bit of a troublesome student and tended to take the Michael whenever class began.*

take the mike (out of someone or something) To tease, mock, or ridicule (someone or something); to joke or kid around (about someone or something). A less common variant of "take the mickey (out of someone)," itself a variant of "take the piss (out of someone)." Primarily heard in UK, Ireland. *If you are so serious-minded that you can't take the mike out of yourself every once in a while, you're going to have a hard time enjoying most of life. It really hurt Steph's feelings to know that the group had been taking the mike out of her that whole time. Brian was a bit of a troublesome student and tended to take the mike whenever class began.*

take the moral high ground To claim, purport, or make it appear

that one's arguments, beliefs, ideas, etc., are morally superior to those espoused by others. *The senator always tries to take the moral high ground during a debate so as to shift public opinion in his favor.*

take the offensive To begin attacking someone or adopting an aggressive attitude or position as a means of gaining a pre-emptive advantage. *If you don't take the offensive as soon as the debate starts, your opponent is going to walk all over you! Every time Mike and I start to fight, he immediately takes the offensive and won't listen to my side of things.*

take the piss (out of) (someone or something) To tease, mock, or ridicule (someone or something); to joke or kid around (about someone or something). Primarily heard in UK, Ireland. *If you are so serious that you can't take the piss out of yourself every once in a while, you're going to have a hard time enjoying most of life. It really hurt Steph's feelings to know that the group had been taking the piss out of her that whole time. Brian was a bit of a troublesome student and tended to take the piss whenever class began.*

take the place of (someone or something) To substitute for someone or something; to stand in someone's or something's stead. *It was decided that I would take the place of my sister as the head of the company. Tofu can easily take the place of chicken in this dish.*

take the rein(s) To take or assume control (of something). *After the CEO announced that she had been diagnosed with dementia, her daughter gradually began taking the reins of the company. I don't know why people are so utterly terrified of letting the federal government take the rein when it comes to things like healthcare.*

take the shadow for the substance dated To accept something false, deceitful, shallow, or insubstantial in place of something true, meaningful, or valuable. (Said especially in religious lectures or sermons about shunning or being led away from faith or the dictates of the church.) *In today's modern, materialistic world, it is all too easy to take the shadow for the substance.*

take the teeth out of To make a dangerous or hostile thing harmless or benign. *The first draft of your email was really harsh, but don't worry—I've taken the teeth out of it so you don't get fired. My dog used to act wild and mean all the time, but obedience training has really taken the teeth out of*

him.

take the veil To become a nun (and thus wear a nun's headdress). *Yes, I am taking the veil and devoting my life to God.*

take the weight off (one's) feet To lie or (especially) sit down, generally after being upright for a long period of time. *We've been walking all over town today, so I think we're just going to head back to the hotel and take the weight off our feet for a while.*

take the weight off (one's) legs To lie or (especially) sit down, generally after being upright for a long period of time. *We've been walking all over town today, so I think we're just going to head back to the hotel and take the weight off our legs for a while.*

take the wheel To take or assume control (of something). *After the CEO announced that she had been diagnosed with dementia, her daughter gradually began taking the wheel of the company. I don't know why people are so utterly terrified of letting the federal government take the wheel when it comes to things like healthcare.*

take the wrong way See [take \(something\) the wrong way](#).

take things out of context See [take \(something\) out of context](#).

take this in the wrong way See [take \(something\) in the wrong way](#).

take this lightly See [take \(something\) lightly](#).

take time by the forelock To act decisively; to accept an opportunity without hesitation. If time is pictured with just a forelock of hair, then it can only be grabbed as it comes toward you, not as it leaves. *What are you waiting for? Take time by the forelock and accept that fantastic internship! My anxiety usually keeps me from taking time by the forelock.*

take to the cleaners See [take \(one\) to the cleaners](#).

take to the hills 1. To move to higher ground, as in preparation for or in response to a natural disaster. *There are bound to be tidal waves after an earthquake like that. We'd better take to the hills!* 2. To flee hastily; to clear out or depart quickly. *Uh oh, Uncle Jerome's been drinking again. Take to the hills, everyone! The staff all took to the hills when it was announced that there would be a stock-take at the end of the shift.*

take to the hustings To campaign, with an emphasis on delivering

political speeches. A "hustings" was the platform on which candidates were nominated to British Parliament through the mid-19th century. *If you want to be voted onto city council, you need to take to the hustings and talk to the people.*

take to the stump To campaign, with an emphasis on delivering political speeches. The stump of a tree used to serve as the platform for these speeches. Primarily heard in US. *If you want to be voted onto city council, you need to take to the stump and talk to the people.*

take to the tall timber To leave quickly and covertly. Primarily heard in US. *I think Adam took to the tall timber—no one has seen or heard from him in weeks*

take to wife To marry a woman. *Is it true that Sir Reginald is taking Lady Jane to wife?*

take trips down memory lane See [take a trip down memory lane](#).

take up the gauntlet To accept or attempt a challenge or invitation, as to fight, argue, or compete. *When it comes to civil rights issues, Mary is always eager to take up the gauntlet. When the heavyweight champion boasted that nobody could beat him, no one expected this newcomer to take up the gauntlet.*

take up the hatchet To fight, especially in a violent manner. *The feud has lasted for so long that neither family remembers why they took up the hatchet against the other.*

take us aback See [take \(one\) aback](#).

take us for a fool See [take \(someone\) for a fool](#).

take us for an idiot See [take \(someone\) for an idiot](#).

take us in tow See [take \(one\) in tow](#).

take vows To commit oneself to a religious order. *Yes, I am taking vows and devoting my life to God. My brother has taken vows and joined the priesthood.*

take walks down memory lane See [take a walk down memory lane](#).

take your ball and go home See [take \(one's\) ball and go home](#).

take your cherry See [take \(someone's\) cherry](#).

take your eye off the ball See [take \(one's\) eye off the ball](#).

take your place See [take \(someone's or something's\) place](#).

taken aback Startled, astonished, shocked, or disconcerted. *All of us were a bit taken aback to learn that John was moving to England next month. I must admit that I was taken aback when I heard we weren't receiving our bonuses this year.*

talent management The area of a business that focuses on retaining current employees and hiring new, exemplary candidates. *Talent management is a crucial part of any successful business.*

talk a mile a minute To speak in a very quick or hurried manner; to talk very fast. *When the boss gets excited, she starts talking a mile a minute, and I can never follow everything she's trying to say!*

talk like an apothecary obsolete To chatter on in a foolishly pedantic manner. *The playwright wants to assume his work speaks to the most educated of society, but in truth, each character talks like an apothecary, and their dialogue so fumbling and convoluted as to be laughable.*

talk of the devil An acknowledgment of a person who has arrived just as or after they were being discussed. (A shortened variation of the longer, more common proverb, "speak of the devil, and he shall/will/is sure to appear.") *John: "Hey everyone, sorry I'm late!" Dave: "Well, talk of the devil! I was just telling them about something funny you said the other day."*

talk of the devil, and he is bound to appear An acknowledgment of a person who has arrived just as or after they were being discussed. *John: "Hey everyone, sorry I'm late!" Dave: "Well, talk of the devil, and he is bound to appear! We were just chatting about something funny you said the other day."*

talk of the devil, and he is sure to appear An acknowledgment of a person who has arrived just as or after they were being discussed. *John: "Hey everyone, sorry I'm late!" Dave: "Well, talk of the devil, and he is sure to appear! We were just chatting about something funny you said the other day."*

talk of the devil, and he shall appear An acknowledgment of a

person who has arrived just as or after they were being discussed. *John: "Hey everyone, sorry I'm late!" Dave: "Well, talk of the devil, and he shall appear! We were just chatting about something funny you said the other day."*

talk of the devil, and he will appear An acknowledgment of a person who has arrived just as or after they were being discussed. *John: "Hey everyone, sorry I'm late!" Dave: "Well, talk of the devil, and he will appear! We were just chatting about something funny you said the other day."*

the talk of the town A person or topic that many people are currently talking about in a certain area, typically due to recent eventfulness. *My brother was the talk of the town after leading the high school team to a state championship. How did you not hear about the fire at city hall last night? It's the talk of the town!*

talk out of both sides of (one's) mouth To try to maintain contradictory positions or beliefs in an attempt to please the most people. *We all know that you've been talking out of both sides of your mouth about the merger, so please, just tell us the truth. Will there be layoffs or not? I don't trust that candidate—he still hasn't committed to a clear course of action and is always talking out of both sides of his mouth.*

talk out of (one's) arse 1. vulgar slang To say foolish things; to talk nonsense. Primarily heard in UK. *Don't pay him any mind. He's just talking out of his arse again.* 2. vulgar slang To exaggerate one's achievements or knowledge of some subject; to bluff or boast. Primarily heard in UK. *Dorothy keeps saying she can outrun anyone in our school, but she's talking out of her arse if you ask me. It seemed like the candidate was talking out of his arse for a while when the debate turned to the topic of tax policy and law.*

talk out (of) (one's) ass 1. vulgar slang To say foolish things; to talk of nonsense. *Don't pay Jonathan any mind, Mary, he's just talking out his ass again.* 2. vulgar slang To exaggerate one's achievements or knowledge of some subject; to bluff or boast. *Dorothy keeps saying she can outrun anyone in our school, but she's talking out of her ass if you ask me. It seemed like the candidate was talking out of his ass for a while when the debate turned to the topic of tax policy and law.*

talk out of (one's) hat 1. To say foolish things; to talk of nonsense. *Don't pay Jonathan any mind, Mary, he's just talking out of his hat again.* 2. To exaggerate one's achievements or knowledge of some subject; to bluff or

boast. *Dorothy keeps saying she can outrun anyone in our school, but she's talking out of her hat if you ask me. It seemed like the candidate was talking out of his hat for a while when the debate turned to the topic of tax policy and law.*

talk out of turn To say something erroneous, foolish, or impudent at an inappropriate time or when one does not have the authority to do so. *I hope I'm not talking out of turn, but I think we'd see a higher profit margin if we took better care of our employees' benefits. If you talk out of turn in my class, you can expect to receive a rap across the knuckles!*

talk rot 1. To say foolish things; to talk of nonsense. *Don't pay Jonathan any mind, Mary, he's just talking rot again.* **2.** To exaggerate one's achievements or knowledge of some subject; to bluff or boast. *Dorothy keeps saying she can outrun anyone in our school, but she's talking rot if you ask me. It seemed like the candidate was talking rot for a while when the debate turned to the topic of tax policy and law.*

talk some sense into (one) To assist or persuade one to start thinking sensibly (about something). *Jason is convinced that he wants to join the circus, but I'm hoping we'll be able to talk some sense into him. If you think you're going to find a high-paying job right away without any experience, then you need someone to talk some sense into you.*

talk some sense into (someone's) head To assist or persuade someone to start thinking sensibly (about something). (An extended variant of the more common "talk some sense into someone.") *Jason is convinced that he wants to get a tattoo once he turns 18, but I'm hoping we'll be able to talk some sense into his head by then. If you think you're going to find success with your high school rock band, then someone needs to talk some serious sense into your head.*

talk through (one's) arse 1. vulgar slang To say foolish things; to talk of nonsense. Primarily heard in UK. *Don't pay Jonathan any mind, Mary, he's just talking through his arse again.* **2.** vulgar slang To exaggerate one's achievements or knowledge of some subject; to bluff or boast. Primarily heard in UK. *Dorothy keeps saying she can outrun anyone in our school, but she's talking through her arse if you ask me. It seemed like the candidate was talking through his arse for a while when the debate turned to the topic of tax policy and law.*

talk through (one's) ass 1. vulgar slang To say foolish things; to talk of nonsense. *Don't pay Jonathan any mind, Mary, he's just talking through his ass again.* 2. vulgar slang To exaggerate one's achievements or knowledge of some subject; to bluff or boast. *Dorothy keeps saying she can outrun anyone in our school, but she's talking through her ass if you ask me. It seemed like the candidate was talking through his ass for a while when the debate turned to the topic of tax policy and law.*

talk through (one's) hat 1. To say foolish things; to talk of nonsense. *Don't pay Jonathan any mind, Mary, he's just talking through his hat again.* 2. To exaggerate one's achievements or knowledge; to bluff or boast. *Dorothy keeps saying she can outrun anyone in our school, but she's talking through her hat if you ask me. It seemed like the candidate was talking through his hat for a while when the debate turned to the topic of tax policy.*

talk through the back of (one's) neck To exaggerate, often to the point of making false or illogical statements. The imagery of the phrase emphasizes that one is not speaking in a straightforward, truthful manner. *Oh, you can't trust a word Joe says, he always talks through the back of his neck. Management may be happy with our numbers, but there's no way they give our whole department the day off on Friday—quit talking through the back of your neck.*

talk to the hand A rude interjection meant to interrupt and dismiss what another person is saying. (Sometimes written or spoken in longer forms, such as, "talk to the hand, because the face isn't listening," or the like.) *Dad: "Sarah, would you mind cleaning up the—" Sarah: "Talk to the hand, dad! I've got too much going on to be dealing with chores around the house!" All of us were aghast when Jonathan turned to the police officer and said, "Talk to the hand, 'cause the face ain't interested!"*

talk twenty to the dozen To talk (to someone) very rapidly, hurriedly, and/or energetically. *My aunt can get talking twenty to the dozen if you get her on a topic she's passionate about.*

tall cotton See [be in tall cotton](#).

tall drink A mixed beverage in a tall or large glass containing little or no alcohol. *I have an early start tomorrow, so I'm just on the tall drinks tonight.*

a tall drink of water 1. A tall, typically slender person. *Who's that tall*

drink of water who just walked in? 2. A rather boring, plain, or uninteresting person. Sheesh, Sarah's new boyfriend sure is a tall drink of water, huh?

tall in the saddle Proud, stoic, or august in one's manner or composure. *Even after two years of a losing war, the general still rode tall in his saddle before his troops.*

tall story A story that is greatly exaggerated or particularly imaginative, such that it is difficult to believe; a tall tale. *My uncle has always been fond of telling tall stories about his time overseas. I used to believe him when I was a kid, but now I've learned to just laugh along.*

tall tale A greatly exaggerated or particularly imaginative story or account of something, such that it is difficult to believe. *My uncle has always been fond of telling tall tales about his time overseas. I used to believe him when I was a kid, but now I've learned to just laugh along.*

tangled web A convoluted situation usually caused by some form of deception. *The investigation revealed a tangled web of fraud among the members of the political party.*

tanked up slang Drunk. The type of alcohol that one has been drinking can be included by adding "on" to the phrase and then naming it. *It wasn't too smart to get tanked up the night before your exam, now was it? Do you remember last night at all? You were really tanked up on whiskey by the time I got there!*

TANSTAAFL Written abbreviation of "There ain't no such thing as a free lunch," meaning nothing is ever really given away for free, so be wary of hidden charges, motives, or agendas. *Of course, once you're signed up to the free program, you have to pay for all sorts of extra services to make it even worth using. It's a TANSTAAFL situation if I've ever seen one.*

tap the admiral To drink directly (and secretly) from a cask, as if by a straw and gimlet. The phrase refers to British admiral Horatio Nelson, whose corpse was transported to England in a liquor-filled cask that is said to have arrived empty of liquor. *Someone must have tapped the admiral because we are out of liquor already!*

tar and feather 1. Literally, to coat someone with tar and bird feathers as a form of public punishment and shaming (a practice that fell out of use in the early 20th century). *The mob tarred and feathered the thief in the public*

square before parading him through the town strapped to a wooden cart. **2.** By extension, to severely criticize, reprimand, or excoriate someone, especially in a public and humiliating manner. *Everyone is demanding that the government tar and feather the bank executives behind the scandal, but I'd be willing to bet that all they'll receive is a slap on the wrist.*

Target run A shopping trip to the department store Target. A: *"How does every Target run end up costing me at least \$50?"* B: *"Because you say you're only getting milk and paper towels, and then you come home with 12 other things."*

a taste of (one's) own medicine The same unpleasant experience or treatment that one has given to others. *Doug is a bully—of course he won't like it when his victims fight back and give him a taste of his own medicine. This team likes to play rough, so let's go out there and give them a taste of their own medicine!*

TBT An abbreviation for "throwback Thursday," a social media phenomenon in which older pictures (such as childhood photos) are posted on Thursday with the phrase as an accompanying hashtag or caption. *My love of animals started young. #tbt*

teach a man to fish Teaching someone how to do something is more helpful to him or her in the long run than just doing it for him or her. The full proverb is "give a man a fish and you feed him for a day; teach a man to fish and you feed him for a lifetime." A: *"I don't want to teach Billy how to drive!"* B: *"Well, I know you're sick of driving him around, and this is a solution. Give a man a fish and you feed him for a day; teach a man to fish and you feed him for a lifetime!"* I'm trying to show my grandfather how to use his new computer, so that he won't call me with questions every time he tries to use it—teach a man to fish and all that.

teach (one's) grandmother to suck eggs To try to teach an older person who is wiser and more experienced and worldly than a young person may think. *Why are you explaining basic typing to Ethel? Yes, she's 70, but she's been using a computer since before you were born—quit teaching your grandmother to suck eggs.*

tear a strip off (someone) To scold, upbraid, or rebuke someone very severely, as for an error or wrongdoing. *The teacher really tore a strip off me for causing a disruption in class again.*

tear someone off a strip To scold, upbraid, or rebuke someone very severely, as for an error or wrongdoing. *The teacher really tore me off a strip for causing a disruption in class again.*

tear up the pea patch obsolete To go on or indulge in a wild outburst, spree, or rampage. (Used largely in relation to sports, especially baseball, where the phrase originated in reference to players running amok and ruining the game.) Primarily heard in US. *Another fight has broken out between the two teams. These boys are positively tearing up the pea patch! A few rowdy types entered the bar and tore up the pea patch. They didn't even pay for anything!*

teensy-weensie childish Particularly small or tiny. *I'm not hungry myself, but I'd love to try just a teensy-weensie bite of your meal, if you don't mind. Be sure to appreciate the time when your children are teensy-weensie, because they grow up very fast!*

teeny-weenie childish Particularly small or tiny. *I'm not hungry myself, but I'd love to try just a teeny-weenie bite of your meal, if you don't mind. Be sure to appreciate the time when your children are teeny-weenie, because they grow up very fast!*

teeny-weeny childish Extremely small; tiny. *I'm not hungry, but I'd love to try just a teeny-weeny bite of your meal, if you don't mind. Be sure to appreciate the time when your children are teeny-weeny, because they grow up very fast!*

teeter on the brink of (something) To be very close to doing something or of having some imminent event happen, especially that which is bad or disastrous. *The company is still doing business, but ever since the recession hit, they've been teetering on the brink of closing down. The crew are so maddened by the cuts to their pay that everyone is teetering on the brink of mutiny.*

teeter on the edge of (something) To be very close to doing something or of having some imminent event happen, especially that which is bad or disastrous. *The company is still doing business, but ever since the recession hit, they've been teetering on the edge of closing down. The crew are so maddened by the cuts to their pay that everyone is teetering on the edge of mutiny.*

telephone tag A series of telephone calls made between two people in which each time one party calls, the other is not available to answer. *Hi Mary, just leaving you another message. We've had a bit of telephone tag today, huh? Just give me a call back whenever you get this, thanks!*

tell a (little) white lie To tell a seemingly small, insignificant, or harmless lie, often presumably in order not to offend or upset someone. *I knew Jenny would be upset if she knew I didn't want to go to the movies with her tomorrow, so I just told her a white lie about having to take care of my elderly grandmother. Don't get into the habit of telling little white lies, or, pretty soon, you'll start telling big, fat, ugly ones.*

tell fortunes To (profess to) anticipate, and inform about, future outcomes or see what future events will take place. *There's this old lady in the apartment next to mine who tells fortunes for ten bucks. I never go in for stuff like that, but I'll admit that I'm a bit curious.*

tell it to Sweeney See [\(Go\) tell it/that to Sweeney!](#)

tell it to the marines See [\(go\) tell it/that to the marines!](#)

tell (one) where to shove it An expression of frustration or anger. The phrase encourages the person in question to shove something up their buttocks. *If she assigns me one more project, I'm going to tell her where to shove it! A: "How did you end up in jail?" B: "Well, the officer tried to give me a parking ticket, and I told him where to shove it."*

tell (someone) a thing or two (about someone or something) **1.** To inform someone of the facts or several pieces of information (about someone or something). *I know you're from the countryside and not used to city folk, so let me tell you a thing or two about New Yorkers. If you want to learn about the history of cinema, then you should ask Jeff—he'd be more than happy to tell you a thing or two.* **2.** To correct or confront someone about his, her, or their mistaken belief or incorrect point of view (about someone or something). *The professor is teaching us some really antiquated material about quantum physics. I think I'll go tell him a thing or two about it after class. That jerk has been making snide remarks about the women in our group all night. I'm going to go over there and tell him a thing or two!*

tell (someone) what's what To inform someone of the true facts or

most fundamental information (about someone or something). *After putting it off for a week, Sarah finally told Jane what's what and ended their relationship. You're so naïve about the way you think this business operates, so allow me to finally tell you what's what.*

tell (someone's) fortune To (profess to) anticipate and inform someone about certain outcomes or events in their near or distant future. *This old lady in the apartment next to mine offered to tell my fortune for ten bucks. I never go in for stuff like that, but I'll admit that I'm a bit curious.*

tell the truth An exhortation to speak honestly. *Come one, tell the truth—you liked Jack when you first met him, didn't you? Tell the truth, Betty—where did all this money come from?*

tell you the truth See [to tell \(you\) the truth](#).

temper tantrum An extreme and childish display of unreasonable anger, frustration, or distemper. *I can't believe you threw a temper tantrum like that just because I didn't want to go see some movie with you! Becca's been having really bad temper tantrums lately. I guess she's just going into the "terrible twos."*

a tempest in a teacup A disproportionate reaction of anger, concern, or displeasure over some minor or trivial matter. *If you ask me, these protests are nothing but a tempest in a teacup that's been stoked by a media campaign of misinformation. I really think you're making a tempest in a teacup over this. It's just a tiny scratch on the car!*

a tempest in a teakettle A disproportionate reaction of anger, concern, or displeasure over some minor or trivial matter. (A less common variant of "a tempest in a teacup/teapot.") *If you ask me, these protests are nothing but a tempest in a teakettle that's been stoked by a media campaign of misinformation. I really think you're making a tempest in a teakettle over this. It's just a tiny scratch on the car!*

a tempest in a teapot A disproportionate reaction of anger, concern, or displeasure over some minor or trivial matter. *If you ask me, these protests are nothing but a tempest in a teapot that's been stoked by a media campaign of misinformation. I really think you're making a tempest in a teapot over this. It's just a tiny scratch on the car!*

tempus fugit Time passes quickly. The phrase is Latin for "time flies." *I*

can't believe it's been so long since my last visit—tempus fugit!

ten a penny Very common, ordinary, or widespread. *At first, they were quite novel and interesting, but now these little organic cafés have become ten a penny. Trashy crime novels like his are ten a penny, but at least he's doing what he loves.*

ten to the dozen Very rapidly, hurriedly, and/or energetically. *My aunt can get talking ten to the dozen if you get her on a topic she's passionate about. Samson came running ten to the dozen when he heard his son crying out to him from the back garden.*

tentpole cinema Films that are created with a very large budget and production value, and which are meant to provide substantial revenue to the production company. *Big blockbusters used to be quite the rare cinematic event, but we've gotten to the point now where there's a tentpole cinema coming out nearly every weekend of the year.*

tentpole film A film with a very large budget and production value that is meant to provide substantial revenue to the production company. *Big blockbusters used to be quite the rare cinematic event, but we've gotten to the point now where there's a tentpole film coming out nearly every weekend of the year.*

tentpole movie A film with a very large budget and production value that is meant to provide substantial revenue to the production company. *Big blockbusters used to be quite the rare cinematic event, but we've gotten to the point now where there's a tentpole movie coming out nearly every weekend of the year.*

TEOTWAWKI Written acronym of "the end of the world as we know it," referring hyperbolically to some sudden or unexpected deviation from what is familiar or customary. *Well, whoever is elected president, it won't be TEOTWAWKI; each candidate is as good or bad as the other in my book.*

the terrible twos A developmental stage of children, generally at or around the age of two, marked by increased rebelliousness and frequent tantrums. *Becca's been having really bad temper tantrums lately and just keeps saying "no" to everything we say to her. I guess she's going into the terrible twos.*

territorial pissing rude slang The marking of something as one's own

(which an animal would do by urinating on it). Despite the imagery, the phrase can be used to describe any sort of territorial action. *Now that the corner office is empty, there's been lots of territorial pissing by anyone who hopes to get it—Mark even moved his chair in there yesterday. Ugh, when does a puppy finally stop his territorial pissing?*

the terrorists will have won A phrase said in response to changes that are perceived to have been made out of fear following a terrorist attack. *We cannot change the way we govern this country in light of the latest attack—otherwise, the terrorists will have won.*

test bed **1.** An environment used exclusively for testing. The phrase can refer to a software program or to a physical location outfitted with instruments. *Please use the app in this test bed, and let us know if it crashes. I've been in the test bed all day, but everything seems to be working properly now.* **2.** A frame or base that has an engine or other piece of equipment attached to it for testing purposes. *How is the test bed working today? Any progress?*

test of time A figurative test that a person or thing "passes" if it works, functions, or endures for a very long time. *As computer technology improves, it's ironically getting harder and harder to find a piece of equipment that can survive the test of time. Of all the other cast members, hers was the only career that withstood the test of time.*

tête à tête A personal or private discussion between two people. *It is hoped that the president's tête à tête with the prime minister will be more constructive than a full meeting with both cabinets.*

TGIT An abbreviation for "Thank God It's Thursday," ABC's programming block of shows on Thursday nights, which has included *Grey's Anatomy*, *Scandal*, and *How to Get Away with Murder*, all of which were produced by Shonda Rhimes. *What time does TGIT start?*

than the average bear A comparative phrase meaning more/less, better/worse, etc., than the average person or thing. Originates from the animated character Yogi Bear, whose catchphrase is that he is "smarter than the average bear." *He's certainly tougher than the average bear. I don't excel at all my subjects, but I still think I'm smarter than the average bear.*

than the sum of its parts See [more/bigger/greater than the sum of its parts](#).

thank you captain obvious See [Captain Obvious](#).

thankful for small mercies See [be thankful for small mercies](#).

thanks for nothing! An expression of annoyance, exasperation, or disappointment when someone does something unhelpful or disagreeable. *Thanks for nothing, Dan! Now I have to go get all these posters reprinted because of your stupid typo. I can't believe you squealed on me to the principal! Thanks for nothing!*

thanks for small blessings See [give thanks for small blessings](#).

thanks for small mercies See [give thanks for small mercies](#).

that a boy See [attaboy](#).

that a gal See [attagal](#).

that a girl See [attagirl](#).

that charge See [charge](#).

that figures That makes sense; that is as I expected or might have guessed. A: "Sally already broke up with that new boyfriend of hers." B: "Yeah, that figures. The dude looked like a total drug addict!" Fired from another job, huh? Well, that figures: you were showing up hungover most days of the week!

that is just me See [but that's just me](#).

that is something See [be \(really\) something](#).

that is the honest truth See [the honest truth](#).

that is the way the cookie crumbles See [that's the way the cookie crumbles](#).

that is the way the mop flops See [that's the way the mop flops](#).

that is what she said See [that's what she said](#).

that lucky devil See [lucky devil](#).

that old fart See [old fart](#).

that old saw See [old saw](#).

that which doesn't kill you makes you stronger You can grow and learn from even the most negative experiences. *I just know that*

you'll survive this illness and be better than ever afterward. That which doesn't kill you makes you stronger, right?

that will do That is quite enough; I don't need or want any more. *Janet: "Would you like any more turkey, Steve?" Steve: "No, Janet, that'll do, thank you." That will do, dear, now dry your eyes and stop crying, please.*

that will never do! That is completely wrong! That is totally unacceptable! *Let me see how you're doing with the stitchwork there, John. Oh my, that will never do! I'm afraid you'll have to start over. You threw a tantrum in the market? Well, I'm afraid that will never do!*

that works for me! That is perfectly suitable; that is OK with me. *Anna: "Bob, how would you feel about holding our next meeting on the 25th?" Bob: "Sure, that works for me!"*

that/(one's) time of the month The time, usually once a month, at which a woman begins to menstruate. *I've had horrible cramps and have been really tired lately. It must be coming up on that time of the month again. A: "I made a joke about it being Sally's time of the month, and she punched me in the face!" B: "Good for her. You had it coming."*

Thatcher's children A nickname for the generation of people who grew up with Margaret Thatcher as a major political figure in the UK. Primarily heard in UK. *Because we are Thatcher's children, we are very familiar with her political leanings and accomplishments.*

(that's a) likely story A phrase used to express disbelief of an excuse or explanation. *He said he had to stay late at the office again. That's a likely story—he's probably out with his friends! The cat ate your science project? Likely story.*

that's a turn-up for the book(s) That is a remarkable, unusual, and unexpected event, occurrence, or piece of news. Primarily heard in UK, Australia. *Mr Literature Snob reading a trashy romance novel? Now that's a turn-up for the books! A: "After the concert, I ran into the singer at a pub down the road from the venue. It turns out his mother went to the same school as mine!" B: "Wow, that's a turn-up for the book!"*

that's all That's the end of that; I don't have anything more to say. *That's all, everyone, thank you for listening. There are refreshments in the other room.*

that's another matter See [be another matter](#).

that's another story See [\(but\) that's another story](#).

that's another thing See [be another thing](#).

that's how the cookie crumbles There is nothing we can do about the way things have unfolded, especially bad ones, so there is no reason to be upset about it. (A variant of the more common "That's the way the cookie crumbles.") *I'm pretty gutted about not getting into the grad school program I wanted, but hey, that's just how the cookie crumbles.*

that's how the mop flops There is nothing we can do about the way things have unfolded, especially bad ones, so there is no reason to be upset about it. (A variant of the more common "That's how the ball bounces.") *I'm pretty gutted about not getting into the grad school program I wanted, but hey, that's just how the mop flops.*

that's it That's the end of that; I've had enough of that. *That's it, everyone, thank you for listening. There are refreshments in the other room. That's it! I can't listen to you two fighting anymore, I'm getting out of here!*

that's my boy An expression of encouragement, support, or approval toward a boy, man, or male animal. *That's my boy, another report card with straight A's!*

that's my girl! An expression used to express praise and pride in what has just been done or accomplished by one's daughter, or, less often, one's girlfriend or another female with which one has a relationship of some kind. *That's my girl, another report card with straight A's! It gave me a lot of encouragement to hear my parents shouting "That's my girl!" during the football game. You came to bail me out, sweetie? That's my girl!*

That's putting it mildly That is an understatement. That's saying it without any exaggeration. A: *"Gosh, it is downright balmy out!"* B: *"That's putting it mildly! I feel like I'm melting!"* *The new manager is a bit of a hothead—and that's putting it mildly!*

that's quite something See [be quite something](#).

that's (someone or something) for you That trait, characteristic, behavior, etc., is so typical of the way someone or something usually acts, behaves, or operates. *Insider trading and horribly unscrupulous backdoor*

deals? Yep, that's Wall Street for you. A: "I can't believe he cheated on her with several different women while they were together." B: "What a pig. That's men for you."

that's the boy See [attaboy](#).

that's the breaks There is nothing we can do about the way things have unfolded, especially bad ones, so there is no reason to be upset about it; that's just the way things are. *I'm pretty gutted about not getting into the grad school program I wanted, but hey, that's the breaks.*

that's the gal See [attagal](#).

that's the girl See [attagirl](#).

that's the honest truth See [the honest truth](#).

(that's) the nature of the beast (That's) the basic, inherent quality or character of something. *You get rich quick in the stock market or you can lose your shirt. That's the nature of the beast. Uncertainty in life is just the nature of the beast. You never know what's going to happen next.*

that's the pits See [the pits](#).

that's the way life is A phrase that encourages acceptance of disappointments and mishaps as just a normal part of life. A: "I set three alarms, mom. I really didn't mean to oversleep." B: "I know, honey. That's the way life is." *Yeah, I'm sad that I didn't get the lead in the play, but hey, that's the way life is.*

that's the way the cookie crumbles There is nothing we can do about the way things have unfolded, especially bad ones, so there is no reason to be upset about it. *I'm pretty gutted about not getting into the grad school program I wanted, but that's just the way the cookie crumbles.*

that's the way the mop flops There is nothing we can do about the way things have unfolded, especially bad ones, so there is no reason to be upset about it. (A variant of the more common "That's the way the cookie crumbles.") *I'm pretty gutted about not getting into the grad school program I wanted, but hey, that's just the way the mop flops.*

that's what she said An aside that is used to create a humorous but lewd sexual innuendo out of something mundane or innocent that someone else has said. (The use of "she" is because the innuendo always refers to a

woman in a sexual situation.) A: "Wow, that sandwich is huge!" B: "Yeah, I can barely put my hands around it." C: "Haha, that's what she said!"

that's what's up slang That's excellent; that's great news. A jubilant response to good news or a positive outcome. *I got an A on the exam? That's what's up!* A: "I asked Caroline to go to the dance with me, and she said yes!" B: "That's what's up! Glad to hear it, buddy."

(the good) Lord willing and the creek don't rise rural If all goes as it should; if everything goes well. *We've had a lot of delays, but Lord willing and the creek don't rise, we should have the house finished before winter.* A: "Do you reckon we'll have enough from this harvest to make ends meet?" B: "The good Lord willing and the creek don't rise."

the/ last breath See [the/\(one's\) last breath](#).

them's the breaks There is nothing we can do about the way things have unfolded, especially bad ones, so there is no reason to be upset about it; that's just the way things are. *I'm pretty gutted about not getting into the grad school program I wanted, but hey, them's the breaks.*

there and back Taking the distances to the end point and back to the beginning together as a single sum. *Look, the hike is nearly 12 miles there and back, so we'd better get going if we want to be home before dark.*

there are many ways to skin a cat There are many methods one may employ in achieving one's ends. (A variant of the more common "there's more than one way to skin a cat.") *Don't worry, we'll get this start-up off the ground. Our talks with the investment group may have fallen through, but there are many ways to skin a cat!*

there are other (good) fish in the sea There are many other excellent or more suitable people, things, opportunities, or possibilities in the world that one may find. Said especially if someone has recently been through something or some romantic relationship that has failed or turned out badly. *I know you are broken up about Janet leaving you, but there are other fish in the sea. I'm pretty disappointed that I didn't get the job, but I'm trying to remind myself that there are other good fish in the sea.*

there are other pebbles on the beach There are many other excellent or more suitable people, things, opportunities, or possibilities in the world that one may find. Said especially if someone has recently been

through something or some romantic relationship that has failed or turned out badly. *I know you are broken up about Janet leaving you, but there are other pebbles on the beach. I'm pretty disappointed that I didn't get the job, but I'm trying to remind myself that there are other pebbles on the beach.*

there are plenty more pebbles on the beach There are many other excellent or more suitable people, things, opportunities, or possibilities in the world that one may find. Said especially if someone has recently been through something or some romantic relationship that has failed or turned out badly. *I know you are broken up about Janet leaving you, but there are plenty more pebbles on the beach. I'm pretty disappointed that I didn't get the job, but I'm trying to remind myself that there are plenty more pebbles on the beach.*

there are plenty of (other) pebbles on the beach There are many other excellent or more suitable people, things, opportunities, or possibilities in the world that one may find. Said especially if someone has recently been through something or some romantic relationship that has failed or turned out badly. *I know you are broken up about Janet leaving you, but there are plenty of pebbles on the beach. I'm pretty disappointed that I didn't get the job, but I'm trying to remind myself that there are plenty of other pebbles on the beach.*

there for everyone to see A set phrase said about something that has been publicized, exposed, or revealed, often to one's embarrassment or frustration. *I can't believe you got a tattoo, and on your arm, no less! It's there for everyone to see—like they need another reason to think I'm a bad parent! Can you believe he put that award on his desk? It's there for everyone to see, so that they think he's some tech visionary.*

there is (a) method in (one's) madness There is a specific, rational purpose in what one is doing or planning, even though it may seem crazy or absurd to another person. *I know you don't understand my motivation for this decision, but after the dust settles you'll see that there is a method in my madness. You may have method in your madness, but these radical changes to the business could still prove catastrophic.*

there is (a) method to (one's) madness There is a specific, rational purpose in what one is doing or planning, even though it may seem crazy or absurd to another person. *I know you don't understand my motivation*

for this decision, but after the dust settles, you'll see that there is a method to my madness. There may be method to your madness, but these radical changes to the business could still prove catastrophic.

there is always room at the top No matter how daunting a task or venture may seem, everyone has the opportunity to succeed. US politician Daniel Webster is thought to have said this phrase in response to warnings against becoming a lawyer, which was seen as an oversaturated field in the 19th century. *I'm not worried about starting out at that renowned company as an intern—there's always room at the top.*

there is an exception to every rule Rules are not as clear, permanent, and unchanging as they may seem. A: *"I'm so relieved that the principal has not punished my daughter for missing more days of school than school policy allows."* B: *"Well, she was very sick. There is an exception to every rule." As much as I try to remind her that there is an exception to every rule, my grandmother remains totally inflexible.*

there is no harm in (someone's) doing (something) Doing something may be good, pragmatic, or beneficial, and will not cause any problems or harm. *The contractor might not be willing to go any lower on the price, but there's no harm in asking. Sure, you might not be accepted for the PhD program, but there's no harm in your trying, is there?*

there is no use crying over spilt milk See [\(it's/there's\) no use crying over spilt milk](#).

there is reason in the roasting of eggs Even the strangest actions are done for a reason. *I don't understand why my brother quit his job all of a sudden, but there is reason in the roasting of eggs, I suppose. Don't ask your father why he's on the roof—just accept that there is reason in the roasting of eggs.*

there is truth in wine One who is intoxicated is more apt to speak honestly. It is a translation of the Latin phrase "in vino veritas." *Make sure that Mark's cup is never empty tonight—I need to find out why he's getting divorced, and there is truth in wine.*

there we go That is what was needed, desired, asked for, or sought after. *There we go, team! Keep moving the ball down the field like that, and we'll have a shot of winning this game! Ah, there we go: the problem was a corrupted file in your computer's registry.*

there will be the devil to pay There will be a huge amount of trouble (if a particular thing does/does not happen or is/is not done). *There'll be the devil to pay if they catch us sneaking out this late at night! If you don't have that report finished by lunch, there will be the devil to pay!*

there you are Here is what you needed or asked for; I present this to you. *There you are, the complete works of William Shakespeare.*

there you go **1.** Here is what you needed or asked for; I present this to you. *There you go, the complete works of William Shakespeare.* **2.** There you have it; that's the way it is. *I know our political system isn't perfect, but there you go.* **3.** You're doing that well or correctly; nice job. *There you go! I knew you'd get the hang of it eventually!*

there you have it See [and there you have it](#).

there's a sucker born every minute There is always someone willing or able to be swindled or deceived. The phrase is usually attributed to American showman P.T. Barnum. *Any time I see a ridiculous product for sale, I remind myself that there's a sucker born every minute. The only reason he has a following is because there's a sucker born every minute. No rational person would think he knows what he's talking about!*

there's a turn-up for the book(s) That is a remarkable, unusual, and unexpected event, occurrence, or piece of news. Primarily heard in UK, Australia. *Mr Literature Snob reading a trashy romance novel? Now there's a turn-up for the books! A: "After the concert, I ran into the singer at a pub down the road from the venue. It turns out his mother went to the same school as mine!" B: "Wow, there's a turn-up for the book!"*

(there's) no comparison This person or thing is clearly and inarguably better than any other. *This place serves the best pizza in town—no comparison! She might not be the most sociable person around, but when it comes to knowledge of classic literature, there's no comparison.*

there's no I in team Said to encourage teamwork and cooperation, as opposed to self-centered thinking or action. The "I" in the phrase refers to the first person pronoun. *I know you want to play first base, but we really need you in the outfield today. Come on, there's no I in team. There's no I in team, people. Focus on what will be good for the group as a whole.*

(there's) no point crying over spilt milk It does no good to get

upset over a bad decision or unfortunate event that has already come to pass and cannot be changed. *We were pretty disappointed to have lost the championship game, but there's no point crying over spilt milk. We just have to train harder for next season! I was such a fool to take out that second mortgage. Oh well, no point crying over spilt milk!*

there's none so deaf as those that will not hear People who choose not to listen will never hear what is being said. *You can try to reason with him all you want, but his mind is made up. There's none so deaf as those that will not hear.*

there's nowt so queer as folk There's nothing as strange as people. This phrase is typically used to emphasize someone's particularly odd behavior. ("Nowt" is a Northern English variation on "naught.") Primarily heard in UK. *Whenever someone does something really bizarre, I remind myself that there's nowt so queer as folk.*

there's one for (record) the book(s) That is a remarkable, unusual, and unexpected event, occurrence, or piece of news. Primarily heard in US. *Mr. Literature Snob reading a trashy romance novel? Now there's one for the books! A: "After the concert, I ran into the singer at a pub down the road from the venue. It turns out his mother went to the same school as mine!" B: "Wow, there's one for the record book!"*

they that live longest see most Older people have had a lot of life experiences. *You can always learn something from your elders—they that live longest see most.*

they'd better be going See [\(one had\) better be going](#).

they'd better get moving See [\(one had\) better get moving](#).

they'd better get on their horse See [\(one had\) better get on \(one's\) horse](#).

they'd better keep quiet about it See [\(someone had\) better keep quiet about it](#).

they'd better keep still about it See [\(someone had\) better keep still about it](#).

they'll rue the day See [rue the day \(that something happened\)](#).

they're only after one thing A phrase typically said to females as a

warning that males (usually teenagers) are only interested in sexual intercourse. *Stay away from high school boys, they're only after one thing!*

thick as a brick See [\(as\) thick as a brick](#).

thick as a shit See [\(as\) thick as a shit](#).

thick as a short plank See [\(as\) thick as a short plank](#).

thick as short planks See [\(as\) thick as two short planks](#).

thick of things See [in the thick of things](#).

thick skin The ability to ignore verbal attacks or criticism from others. *If you're going to pursue a career in politics, you're going to have to develop a thick skin and not let the criticism of your detractors bother you.*

thick-skulled Stupid, dimwitted, or obtuse. *I was pretty thick-skulled going through high school, but when I started college—I decided to start taking my studies more seriously. Jen's new girlfriend is very nice, but she's pretty thick-skulled.*

thief in the night A person or thing that moves in a swift and secretive, stealthy, or surreptitious manner. *The cancer spread through my lungs and into my bones like a thief in the night, giving me no chance of beating it.*

thief in the night See [like a thief in the night](#).

thigh-slapper A hilarious joke, especially one that evokes loud and prolonged laughter. *My uncle told me a real thigh-slapper the other day! Do you want to hear it?*

thin air A figurative phrase used to suggest nothingness or nonexistence. *I had no idea she'd researched the budget so thoroughly—she pulled that report out of thin air. I didn't see Mike leave the party, he just disappeared into thin air.*

thin as a rail See [\(as\) thin as a rail](#).

thin as a rake See [\(as\) thin as a rake](#).

thin as a stick See [\(as\) thin as a stick](#).

a thin line A very narrow division between two alternatives, one of which is much worse than the other. *As a new parent, you learn that there's a thin line between looking out for your child's welfare and being overprotective.*

thin on the ground Not plentiful or abundant; scarce. Primarily heard

in UK, Australia. *That type of bird is thin on the ground these days—I hope it's not going extinct.*

thin on top Balding. This phrase refers to thinning hair on the top of one's head. *I should have known I would be thin on top by 30—none of the older men in my family have much hair.*

thin section A slice of an object or substance that can be viewed under a microscope. *Where is the thin section of that mineral specimen? I want to take a look at it under the microscope.*

a thing of beauty is a joy forever Something beautiful will give pleasure long after it ceases to exist. This phrase is taken from John Keats' poem *Endymion*. *Thoughts of blooming flowers sustain me through the cold winter months. Truly, a thing of beauty is a joy forever.*

the thing of it is The main or fundamental issue or element (of what's being discussed). A longer variant of "the thing is." *I agree with your point, but the thing of it is, if we agree to increase spending for education, then all sorts of other public utilities will go underfunded as a result!*

thing of the past 1. Something that no longer exists. *Those stores are a thing of the past—their parent company filed bankruptcy a few years ago. 2.* By extension, something that is no longer popular or commonplace. *I think everyone is glad that leisure suits are a thing of the past. In today's society, it certainly seems like manners are becoming a thing of the past.*

things could be better See [could be better](#).

things could be worse See [could be worse](#).

things couldn't be better See [couldn't be better](#).

things that go bump in the night Frightful, deadly, and usually supernatural things or events that one imagines in the dark of night. *When I was a kid, I hated staying in my grandparents' spooky old house because I was always kept awake by thoughts of ghosts, axe murderers, and other things that go bump in the night.*

think aloud To verbalize one's thoughts. A: "And I guess I should also pick up some plywood while we're out..." B: "Pardon me?" A: "Sorry, I'm just thinking aloud!"

think of England See [close \(one's\) eyes and think of England](#).

think of England See [close \(one's\) eyes and think of England](#).

think of the children Consider how a particular course of action will affect young people. The phrase is often used in a panicked way, to draw attention or support to a cause. *Think of the children—if they don't have a park to play in, they will turn to unsavory activities instead. We need to band together to discourage drunk driving. Think of the children!*

think (one) hung the moon To consider someone to be extraordinary, the best, or exceptionally wonderful. *Your little sister absolutely adores you. She thinks you hung the moon!*

think (one's) shit doesn't stink vulgar slang To assume an air of arrogance, condescension, or superiority over others; to think that one is better or more refined than other people. *Look at her, hobnobbing with the rich upper crust and refusing to come talk to us. Just when did she start thinking her shit doesn't stink?*

think (one's) shit don't stink vulgar slang To assume an air of arrogance, condescension, or superiority over others; to think that one is better or more refined than other people. *Look at her, hobnobbing with the rich upper crust and refusing to come talk to us. Just when did she start thinking her shit don't stink?*

think out loud To verbalize one's thoughts, especially when trying to produce a solution or conclusion about something. *Those weren't really suggestions for a solution, I was just thinking out loud. OK, so we've got 20 over there, 10 from the last one, five pending—sorry, I was thinking out loud.*

think (someone) hung the moon and the stars To consider someone to be extraordinary, the best, or exceptionally wonderful. *Your little sister absolutely adores you; she thinks you hung the moon and the stars!*

think tank An organization or group of people working to perform research and propose solutions and courses of action to another organization or group, often political parties, government bodies, or the military. *President Ronald Reagan based many of his policies on the results of a study done by the Heritage Foundation, an influential conservative think tank.*

think the sun shines out (someone's) backside To believe a person is better or more important than others or above reproach. (Note: If thought about oneself, it means that they are arrogant, conceited, or self-

absorbed. If someone thinks this of another person, it means that they love or admire that person to such a degree as to be blind to any of their potential faults.) *Tom has acted like he's such a hotshot after getting the promotion. He thinks the sun shines out his backside! He's absolutely head-over-heels in love with Mary. Even though I find her a bit irritating, he thinks the sun shines out her backside.*

third person 1. In grammar, a class of pronoun (and its accompanying verb) that is used to refer to a person or thing other than the speaker or the listener. *"He" is a third person pronoun.* **2.** In writing, a style in which facts or details are presented objectively. This style is used in both creative pieces (often so that the author is not limited to just one character's perspective) and in academic papers (where facts need to be presented without bias or emotion). *This essay must be written in the third person because you are stating facts about historical events, not sharing your feelings about them.*

third string The substitute players who are second in line to replace the starters (or "first string") as a game goes on. A player on the third string is considered the third best player in that position. *My brother seems pretty happy with being the team's third string quarterback, even though he knows he won't get to play unless the two guys ahead of him get injured.*

third time lucky The belief or hope that the third attempt at something will be successful. Primarily heard in UK. *I hope to make it third time lucky after failing this test twice already!*

third time pays for all Success is more enjoyable, and more likely to happen, after initial failures. *I know you're worried about failing this test again, but keep in mind that the third time pays for all.*

third time's a charm The belief or hope that the third attempt at something will be successful. Primarily heard in US. *I hope the third time's a charm—I've already failed this test twice already!*

third wheel Someone who has no real place or purpose in a situation, likened to a superfluous extra wheel on a two-wheeled vehicle. *When Kelly invited me to go to the movies, I didn't know that her boyfriend would be joining us. I felt like a third wheel the entire night.*

thirdhand 1. adverb Indirectly, as opposed to from the original source. *But I heard thirdhand, so who knows if that information is actually true.* **2.** adjective Describing information that has been learned indirectly, as opposed

to from the original source. *I can't trust this thirdhand gossip! Who was in the meeting and can tell us what really happened?* **3.** adjective Describing an item that one has obtained after two previous owners. *Try to pretend that this isn't a thirdhand dress and gush about how good it looks on me!*

this and that Miscellany; a lot of different, varying things. A: "What did you and Steve talk about when you met for dinner?" B: "Oh, this and that. We don't really get into deep or meaningful conversations."

this charge See [charge](#).

this instance This particular situation. *I know I discouraged you from using too many commas in your essays, but, in this instance, I would add a comma. In this instance, Carrie needs her friends' love and support, regardless of how independent she is the rest of the time.*

this side of the black stump Within the local community or a general area familiar to the speaker and/or audience, where "black stump" is used colloquially as an imaginary marker of the edge of civilization. Primarily heard in Australia. *You won't find a better deal this side of the black stump. I've got the tastiest recipe for beef stew this side of the black stump.*

this snipe hunt See [snipe hunt](#).

this too shall pass (away) Nothing is permanent. This phrase is often used as encouragement to remind someone that a bad or unpleasant situation will eventually end. *While I was going through my divorce, I was constantly reminding myself that this too shall pass. I know you're grieving now, but believe me, this too shall pass.*

this (very) minute **1.** Right away; at once; immediately. *Billy, get in here this minute and explain how my favorite vase got broken! Oh jeepers, look at the time! I've got to go this very minute, or I'm going to be late!* **2.** At this moment or just a moment ago. *I'm sorry I can't chat longer, but I'm heading off this minute for a doctor's appointment. You only just missed Daniel, he left this very minute.*

this, that, and the other Miscellany; a lot of different, varying things. Jen: "What did you and Steve talk about when you met for a pint?" Dave: "Oh, this, that, and the other. We don't really get into deep or meaningful conversations." *I really need to sort through this drawer. It has*

this, that, and the other in it, but I can never find what I'm actually looking for!

thorn in (one's) side A person or thing that is frequently problematic and/or annoying. *My new neighbors blast music at all hours of the day and night—they're a real thorn in my side My car has become such a thorn in my side—today is the third day this week that it wouldn't start!*

thorn in (someone's) side A constant or persistent cause of annoyance, frustration, or trouble. *My professor was an environmental activist when he was younger, and, apparently, he was quite a thorn in the oil companies' sides at the time. My little brother is such a thorn in my side—he always wants to do stuff with me, especially when I'm trying to hang out with my friends.*

thorn in the flesh A constant or persistent cause of annoyance, frustration, or trouble. *My little brother is such a thorn in the flesh—he always wants to do stuff with me, especially when I'm trying to hang out with my friends.*

those are the breaks There is nothing we can do about the way things have unfolded, especially bad ones, so there is no reason to be upset about it; that's just the way things are. *I'm pretty gutted about not getting into the grad school program I wanted, but hey, those are the breaks.*

those that have, get more People who already have many advantages in life are in a position to receive more good things (such as opportunities, money, etc.). *Of course the millionaire's daughter got the job instead of me—those that have, get more.*

Those who can, do. Those who can't, teach. Those who are especially skilled in a certain field or area will be able to pursue a career, while those who are less skilled will end up teaching about it instead. A: *"I know he always aspired to be a great novelist, but the last I heard he's still teaching middle school English."* B: *"Well, those who can, do; those who can't, teach."*

those who can't do, teach Those who are unable to successfully find a career in their field of interest end up teaching about it instead. (A shortening of "Those who can, do; those who can't, teach.") A: *"I know he always aspired to be a great novelist, but the last I heard, he's still teaching middle school English."* B: *"Well, those who can't do, teach."*

those who have, get more People who already have many advantages in life are in a position to receive more good things (such as opportunities, money, etc.). *Of course the millionaire's daughter got the job instead of me—those who have, get more.*

those who live by the sword, die by the sword **1.** Those who choose a path of violence against others should expect to have violence and harm visited upon themselves. (Often shortened to "live by the sword, die by the sword.") *The young men of this city getting caught up in gang violence have the shortest lifespans of anyone in the state. True enough, those who live by the sword, die by the sword.* **2.** If you rely upon a certain means of doing something, especially that which is illegal, illicit, or harmful to others, you are likely to have a negative outcome as a result thereof. (Often shortened to "live by the sword, die by the sword.") *For years, the senator took bribes and skimmed profits from kickbacks all over his state, until finally the FBI launched a sting against him that ended up putting him away for life. Those who live by the sword, die by the sword.*

thread and thrum A combination of good and bad. "Thrum" are the bits of thread left on the loom after a finished item has been removed. *I know you're disappointed with your minor role in the play, but at least you get to act—you have to accept the thread and thrum.*

thread the needle **1.** To insert thread through the eye of a needle. *You'll need to thread the needle before you can start sewing.* **2.** To pass something through a narrow space between two things. *The quarterback really threaded the needle with that pass between two defenders.* **3.** A children's game in which the participants stand in a line and hold hands. The person at the end of the line then ducks under the others' linked arms, pulling the rest of the line along with him or her. *Come on, we're playing thread the needle!*

three-dimensionality **1.** The quality of having three dimensions: height, width, and depth. *I created a scale model because I think my vision for the building is best expressed by something with three-dimensionality.* **2.** The quality of being fully realized or developed. *The best film is one that has a clear artistic vision, compelling plot, and characters with three-dimensionality.*

three-martini lunch A long, relaxed lunch break at which cocktails are served. It is typically taken during the work day. Primarily heard in US.

They're not getting anything done, they're just out on a three-martini lunch while the rest of us are stuck here in the office! Every time I travel to our corporate headquarters, the executives take me out for a three-martini lunch.

three on a match Any action that is thought to cause bad luck. Lighting three cigarettes with one match was regarded as a dangerous practice by soldiers in wartime, as the burning match could reveal their position to the enemy. *Unless you enjoy suffering, steer clear of things like broken mirrors and three on a match! We can't have three on a match, or else something bad is sure to happen!*

three-on-the-tree See [3-on-the-tree](#).

three-ring circus A chaotic situation, often one in which a lot of activity is occurring simultaneously. *I felt like I was in a three-ring circus when I babysat my neighbor's three noisy, mischievous children. Without the boss around, the business quickly devolved into a three-ring circus.*

three score and ten Seventy. (A "score" is a group of 20.) *Our forefathers were lucky to reach three score and ten—many of them died much younger than that.*

three sheets to the wind Severely intoxicated from alcohol, to the point of finding control of one's actions or coordination difficult. Taken most likely from nautical terminology, where a "sheet" is the rope that controls the sails of a tall ship; if several sheets are loose or mishandled, the boat's movement becomes unsteady and difficult to control, like that of a drunk person. *On his 21st birthday, Jeff's friends took him to every bar in town until he was three sheets to the wind.*

three skips of a louse obsolete Some infinitesimal or trivial amount. *Sir, I care not even three skips of a louse for the censures of a reprobate such as yourself.*

threenager slang A three-year-old child who displays the moody rebelliousness stereotypical of teenagers. *Now that my daughter is a threenager, I have to deal with temper tantrums and meltdowns on an almost hourly basis.*

thrill killer One who derives excitement or pleasure from murdering people. *I think our suspect is a thrill killer and really enjoys carrying out these violent crimes.*

thrilled to bits Ecstatic; very pleased and excited. A: *"I really hope Mary enjoyed her surprise birthday party."* B: *"I'm sure she did; she seemed thrilled to bits!"* I was thrilled to bits to hear that I'd been selected for a literary award in New York City.

thrilled to death Ecstatic; very pleased and excited. A: *"I really hope Mary enjoyed her surprise birthday party."* B: *"I'm sure she did; she seemed thrilled to death!"* I was thrilled to death to hear that I'd been selected for a literary award in New York City.

thrilled to pieces Ecstatic; very pleased and excited. A: *"I really hope Mary enjoyed her surprise birthday party."* B: *"I'm sure she did; she seemed thrilled to pieces!"* I was thrilled to pieces to hear that I'd been selected for a literary award in New York City.

through the back door In a deceptive, corrupt, or indirect manner, especially in a way intended to reduce the visibility of an action. *The school board is trying to rush this major change through the back door, and we need to fight them on it!*

through the grapevine Through or via an informal means of communication or information, especially gossip. *There is always some absurd rumor or piece of misinformation through the grapevine at work, but I try to just tune most of that out. I heard through the grapevine that John is planning to propose to Samantha next week!*

a throw Each. A piece. *You mean to tell me that these T-shirts are 50 bucks a throw? Sheesh!* A: *"How much did you guys contribute to Lucy's charity?"* B: *"Oh, \$20 a throw, so hopefully she raised quite a bit of money."*

throw a bone See [throw \(one\) a bone](#).

throw a bone to (someone) To attempt to appease or placate someone by giving them something trivial or of minor importance, or by doing some small favor for them. (A reference to giving an animal a bone or scrap from a bigger portion of food.) *The city council has decided to throw a bone to local building companies and will be releasing small amounts of public space to commercial development.*

throw a googly See [throw \(someone\) a googly](#).

throw a scare into (someone) To unsettle, startle, or shock someone; to instill someone with fear or disquietude. *Though heavily favored*

to lose the election, the Republican candidate's late surge in the polls is sure to have thrown a scare into the incumbent president's camp.

throw a sickie To tell one's employer, truthfully or otherwise, that one is ill and unable to attend work. Primarily heard in UK. *I'm going to have work the morning after my birthday party. Something tells me I'll be throwing a sickie that day!*

throw a spanner in(to) the works To disrupt, foil, or cause problems to a plan, activity, or project. Primarily heard in UK. *We had everything in line for the party, but having the caterer cancel on us at the last minute really threw a spanner in the works! It'll really throw a spanner into the works if the board decides not to increase our funding for this project.*

throw a (temper) tantrum To have an outburst of childish or unreasonable anger, frustration, or ill temper. *I was so embarrassed when Danny started throwing a tantrum in the grocery store. You're adults, not children, and throwing a temper tantrum every time something doesn't go your way is not the way to address things.*

throw a tub to the whale To create a diversion, in order to avoid a dangerous or unpleasant situation. *No one can know that I'm here, so throw a tub to the whale while I sneak out the back door!*

throw a wobbler To suddenly become very upset or intensely angry and make a big display of it. Primarily heard in UK, Australia. *John threw a wobbler at work after the boss criticized his report. Needless to say, he won't be coming back in on Monday.*

throw a wobbly To suddenly become very upset or intensely angry and make a big display of it. Primarily heard in UK, Australia. *John threw a wobbly at work after the boss criticized his report. Needless to say, he won't be welcome back in the office on Monday.*

throw an eye on (something) To inspect something casually and quickly but with attention to detail. *Tom, would you mind just throwing an eye on these reports before you leave? I just want to be sure I didn't make any mistakes.*

throw an eye over (something) To inspect something casually and quickly but with attention to detail. *Tom, would you mind just throwing an eye over these reports before you leave? I just want to be sure I didn't make*

any mistakes.

throw away the key See [lock \(someone\) up and throw away the key](#).

throw caution to the wind(s) To abandon one's cautiousness in order to take a risk. *You can't live life completely reserved, you know. You've got to throw caution to the wind every now and then. After my father won a bit of money at the race tracks, he began throwing caution to the winds and gambling everything we had there.*

throw chunks To vomit, especially violently or in great quantity. *Everyone bought John so many drinks on his 21st birthday that he was throwing chunks before midnight. I felt like I was going to throw chunks from seasickness out on that boat.*

throw discretion to the wind(s) To act or behave recklessly and/or fearlessly, with no sense of restraint or propriety. (An older variant of the now more common "throw caution to the wind(s).") *After my father won a bit of money at the race tracks, he began throwing discretion to the winds and ended up gambling away everything we had. You can't live life completely reserved, you know—you've got to throw discretion to the wind every now and then.*

throw enough mud at the wall, some of it will stick If you make enough attempts or guesses, some of them will be correct or useful. *This is the latest version of my invention, and I think it's really going to work this time. Throw enough mud at the wall, some of it will stick, right? It took a while, but we finally came up with some great ideas in the meeting today—throw enough mud at the wall, some of it will stick.*

throw money away To waste money. *Quit throwing money away on rent and just move back in with your parents. I really threw money away when I bought that old car—it breaks down almost daily.*

throw (one) a bone To attempt to appease or placate someone by giving them something trivial or of minor importance or by doing some small favor for them. (A reference to giving a dog a bone or scrap from a bigger portion of food.) *My younger brother is always pleading for me to help out his career, so I threw him a bone and got him a small gig.*

throw (one) off the scent To misdirect one away from their pursuit; to steer one's investigation or suspicions in the wrong direction. *The mafia*

accountant managed to throw the authorities off the scent of the mob's money laundering for years, but they finally caught up with him after an anonymous source tipped them off. That outlier data threw me off the scent for a while, but I think my research is back on track now.

throw (one) off the track To misdirect one away from their pursuit; to steer one's investigation or suspicions in the wrong direction. *The mafia accountant managed to throw the authorities off the track of the mob's money laundering for years, but they finally caught up with him after an anonymous source tipped them off. That outlier data threw me off the track for a while, but I think my research is back on solid ground now.*

throw (one's) bonnet over the windmill To act in a deranged, reckless, or unconventional manner. Refers to the eponymous character of the novel *Don Quixote*, who tosses his hat over a windmill (which he imagines is a giant) as a challenge to it. *Sarah is always trying to buck social conventions, throwing her bonnet over the windmill whenever possible. I know you like to take risks in business, but don't throw your bonnet over the windmill.*

throw (one's) cap over the windmill To act in a deranged, reckless, or unconventional manner. Refers to the eponymous character of the novel *Don Quixote*, who tosses his hat over a windmill (which he imagines is a giant) as a challenge to it. *Sarah is always trying to buck social conventions, throwing her cap over the windmill whenever possible. I know you like to take risks in business, but don't throw your cap over the windmill.*

throw (one's) hat over the windmill To act in a deranged, reckless, or unconventional manner. Refers to the eponymous character of the novel *Don Quixote*, who tosses his hat over a windmill (which he imagines is a giant) as a challenge to it. *Sarah is always trying to buck social conventions, throwing her hat over the windmill whenever possible. I know you like to take risks in business, but don't throw your hat over the windmill.*

throw (one's) toys out of the pram To behave in a petulantly upset or angry manner; to act like an angry child. Primarily heard in UK. *Manchester United's star striker threw his toys out of the pram after he was ejected from the match for biting another player.*

throw (one's) weight about To assert oneself in a controlling, domineering, or authoritarian manner; to exercise one's position of authority,

power, or influence, especially to an overbearing or excessive degree. (A variant of the more common "throw one's weight around.") *An effective leader should inspire enough confidence in their team that they don't have to throw their weight about to get things done. I'm sick of Donald coming into these meetings and throwing his weight about. Can't he just leave us to our own devices?*

throw (one's) weight around To assert oneself in a controlling, domineering, or authoritarian manner; to exercise one's position of authority, power, or influence, especially to an overbearing or excessive degree. *I'm sick of Don coming into these meetings and throwing his weight around. Can't he just leave us to our own devices? You can expect the big industries to throw their weight around in order to influence the regulations.*

throw (one's/someone's) name in the hat To submit one's own or someone else's name for consideration in a selection, such as a competition, application pool, election, etc. *I'm thinking about throwing my name in the hat for class president! Just so you know, I threw your name in the hat for a chance to win an all-expenses-paid trip to Florida! As has been widely predicted, the governor announced today that he was throwing his name in the hat for the presidential election next year.*

throw shade slang To subtly issue insults or expressions of disapproval. *I was just checking my phone for a second when Joe totally threw shade at me, saying, "Some of us don't need to be glued to our phones every minute of the day." My mom is the queen of throwing shade. She loves to say, "Is that really what you're going to wear?"*

throw smoke slang In baseball, to pitch fastballs. *Wow, I can't believe he's still throwing smoke after eight innings. Watch out for this pitcher, she really throws smoke out there.*

throw (some) light on (something) To reveal information or details about something; to clarify or help people understand something. *We've hired a private investigator to help throw light on the clandestine dealings of the baron. These documents we've uncovered throw some light on how the late author's final book was meant to end.*

throw (some) light upon (something) To reveal information or details about something; to clarify or help people understand something. (A more formal version of "throw (some) light on something.") *We've hired a*

private investigator to help throw light upon the clandestine dealings of the baron. These documents we've uncovered throw some light upon how the late author's final book was meant to end.

throw (some) shapes slang To dance, especially to popular music. Primarily heard in UK. *If I've had a couple of drinks and the music is good, I can't help but throw some shapes on the dance floor. The flash mob started throwing shapes in the train station to classic 1970s disco tunes.*

throw (someone) a googly To present (someone with) a question, situation, or piece of information that is surprising or unexpected. Taken from cricket, in which a "googly" is a ball thrown counter to that which the batsman expects. Primarily heard in UK. *Dave really threw me a googly when he asked if I'd like to go on a date with him. The manager decided to throw a googly by letting his staff have Friday off.*

throw (someone) off the trail To misdirect someone away from their point of pursuit; to steer someone's investigation or suspicions in the wrong direction. *The mafia accountant had been throwing the authorities off the trail of the mob's money laundering for years. My husband has some suspicions about our affair, but the trip I'm taking for work will throw him off the trail.*

throw (someone) under the bus 1. To exploit someone's trust for one's own purpose, gain, or agenda; to harm someone through deceit or treachery. *Senator Davis was supposed to be working with me to bridge the gap between Democrats and Republicans on the issue of gun control, but, instead, she threw me under the bus to get a boost in the polls with her constituency. The investment company threw its clients under the bus when it chose to redirect their hard earned money into various Ponzi schemes that benefited only a few board members at the top.* 2. To avoid blame, trouble, or criticism by allowing someone else to take responsibility. *Tommy was caught with the marijuana in his backpack, but he threw me under the bus and said it belonged to me. Our manager never hesitates to throw an underling under the bus when something goes wrong in the office.*

throw (something) into question To cause something to be doubted, scrutinized, or a matter for serious discussion. *These series of protests have thrown into question the ability of this government to remain in power. This reluctance to act is bound to throw your leadership skills into*

question.

throw straws against the wind To attempt something futile. *Hey, that couch will never fit up the steps—stop throwing straws against the wind!*

throwback Thursday A social media phenomenon in which older pictures (such as childhood photos) are posted on Thursday with the phrase (often abbreviated "TBT") as an accompanying hashtag or caption. *I'm going to post my second grade class picture for throwback Thursday! Me at my senior prom! #throwbackThursday*

thrown a scare into See [throw a scare into \(someone\)](#).

thrown a sickie See [throw a sickie](#).

thrown a wobbler See [throw a wobbler](#).

thrown a wobbly See [throw a wobbly](#).

thrown caution to the wind See [throw caution to the wind\(s\)](#).

thrown chunks See [throw chunks](#).

thrown discretion to the wind See [throw discretion to the wind\(s\)](#).

thrown off balance See [be thrown off balance](#).

thrown off the scent See [throw \(one\) off the scent](#).

thrown off the track See [throw \(one\) off the track](#).

thrown off the trail See [throw \(someone\) off the trail](#).

thrown our toys out of the pram See [throw \(one's\) toys out of the pram](#).

thrown our weight about See [throw \(one's\) weight about](#).

thumb on the scale A method of deception or manipulation that creates an unfair advantage for the swindler, likened to a merchant holding a thumb on the scale when weighing goods for sale, therefore increasing the weight and price. *You have to suspect that the casinos have their thumb on the scale when it comes to the slot machines. There's no way you're getting fair odds.*

thumbnail sketch 1. A small picture that presents a smaller version of a larger image or proposed image. *Before fully redesigning the layout of the office, the interior designer provided me with a thumbnail sketch of his initial*

plans. **2.** A short description or preview. *Class, each of you will need to submit a thumbnail sketch of your essay topic for my approval.*

thus and so **1.** adjective Of or relating to a particular way, manner, or arrangement. *In practical terms, it may be taken for granted that the world is thus and so, but for the sake of philosophical argument, we should not and cannot assume any such thing. I'm less interested with the thus-and-so prescriptions of religious doctrines, and more concerned with the general message of Christianity as a whole.* **2.** adverb phrase In such a particular way or manner; as directed or instructed. *The boss is so specific about the way a report is laid out. If you don't write it thus and so each and every time, you'll be sure to hear about it from him later.*

thus and such **1.** adjective Of or relating to a particular way, manner, or arrangement. *In practical terms, it may be taken for granted that the world is thus and such, but for the sake of philosophical argument, we should not and cannot assume any such thing. I'm less interested with the thus-and-such prescriptions of religious doctrines, and more concerned with the general message of Christianity as a whole.* **2.** adverb phrase In such a particular way or manner; as directed or instructed. *The boss is so specific about the way a report is laid out. If you don't write it thus and such each and every time, you'll be sure to hear about it from him later.*

thus and thus **1.** adjective Of or relating to a particular way, manner, or arrangement. *In practical terms, it may be taken for granted that the world is thus and thus, but for the sake of philosophical argument, we should not and cannot assume any such thing. I'm less interested with the thus-and-thus prescriptions of religious doctrines, and more concerned with the general message of Christianity as a whole.* **2.** adverb phrase In such a particular way or manner; as directed or instructed. *The boss is so specific about the way a report is laid out. If you don't write it thus and thus each and every time, you'll be sure to hear about it from him later.*

tick all the (right) boxes To satisfy or fulfill everything that is necessary or desired. Primarily heard in UK. *Of course, a prospective employee may tick all the right boxes on paper but might not be suited to the job once they're actually working for you. His newest thriller ticks all the boxes the author's fans will be hoping for.*

tick over **1.** Of an engine, to run at an idle pace in neutral while the

vehicle is not moving. Primarily heard in UK. *I won't stay any longer, as I've left the car ticking over outside.* **2.** To continue operating steadily but uneventfully. Primarily heard in UK. A: "How are things lately, Jeff?" B: "Just ticking over, can't complain really." They decided to leave one person in charge to make sure business ticked over during the long break. **3.** To record or be recorded, as on a clock or other mechanical counting device. *The Irish squad will be glad to see the first half tick over, as they'll need to regroup if they want to beat this Italian team. The taxi's meter had just ticked over £35 when we pulled into Heathrow Airport.*

a (ticking) time bomb A person, thing, or situation that can at any moment cause much havoc or result in a disastrous outcome. *I'm telling you, this dirty money we're using to finance the campaign is a ticking time bomb! If anyone were to investigate how we got it, we'd all go to jail! Jenny's attracted to men who exude an air of danger, and her new boyfriend seems like a time bomb.*

tickle (someone's) funny bone To make someone laugh; to be humorous or amusing to someone. *There's this silly statue on campus that never fails to tickle my funny bone when I walk past it. David has such wit that he can tickle the funny bone of anyone he meets.*

tickle the dragon's tail To do something risky or dangerous. *You know dad has a temper, so why are you antagonizing him? Stop tickling the dragon's tail unless you want to be grounded for weeks! Rob is definitely tickling the dragon's tail with his new interest in skydiving.*

tickled pink Very pleased with someone or something, perhaps to the point of giddiness. *My family loves my fiance as much as I do, so they were just tickled pink to hear that we're getting married. Your mother is really tickled pink that you've decided to go to her alma mater.*

tickled to death Very pleased with someone or something, perhaps to the point of giddiness. *My family loves my fiance as much as I do, so they were just tickled to death to hear that we're getting married. Your mother is really tickled to death that you've decided to go to her alma mater.*

tie on the (old) feed bag slang To begin eating; to have a meal. *I can't wait to get to grandma's and tie on the old feed bag. She always cooks the tastiest food! What do you say we tie on the feed bag before we head out?*

tie (one) (up) in knots To make one confused, anxious, worried,

and/or upset. *I've been planning to propose to James on Sunday, but the nervousness is tying me in knots! It's something about the austere, imposing way the boss speaks that always ties everyone up in knots.*

tie (oneself) in(to) knots **1.** To make oneself confused, anxious, worried, and/or upset, as when trying to make a decision, come up with an idea, or resolve an issue. *Now don't go tying yourself into knots over the details of your papers—at this point, all you need is a cohesive outline. We've tied ourselves in knots this past week trying to choose who to hire, but I think we've reached a decision.* **2.** To befuddle oneself while attempting to explain something (to someone). Primarily heard in UK. *Jim's a smart guy, but for some reason, he always ties himself into knots whenever I ask him to explain something on the computer for me.*

tie (oneself) (up) in knots **1.** To make oneself confused, anxious, worried, and/or upset, as when trying to make a decision, come up with an idea, or resolve an issue. *Now don't go tying yourself in knots over the details of your papers — at this point, all you need is a cohesive outline. We've tied ourselves in up knots this past week trying to decide on who to hire, but I think we've reached a decision.* **2.** To become flustered while attempting to explain something (to someone). Primarily heard in UK. *Jim's a smart guy, but for some reason he always ties himself up in knots whenever I ask him to explain something on the computer for me.*

tie (someone) in(to) knots To make someone confused, anxious, worried, and/or upset. *I've been planning on proposing to James on Sunday, but the nervousness is tying me into knots! It's something about the austere way the boss talks that always ties you into knots.*

tie up (some/a few) loose ends To take care of, finish, or resolve some issues or pieces of business that are not critical but have remained outstanding. *I'm just about ready to move to Europe, but I need to tie up some loose ends with my ex-girlfriend before I go. The legal team is still tying up a few loose ends in the merger contract, but, other than that, we are ready to move ahead with the deal.*

tied to (someone's) apron strings To be controlled or dominated by someone. *I'm worried that my husband will forever be tied to his mother's apron strings—he's a grown man but still does every little thing she asks! Can you make a decision on your own, or are you tied to her apron strings?*

tiger team business jargon A team of highly skilled professionals who are assembled to investigate, test, or try to exploit the potential weaknesses of a company's or organization's security system. *The tech giant has begun recruiting coders and hackers fresh out of college into tiger teams to stress test vulnerabilities in their new operating system.*

tight arse rude slang A disparaging term for an extremely frugal person; a miser. Primarily heard in UK, Australia. *Don't even bother asking Jerry to donate to your charity. He's a real tight arse and never gives money to anybody.*

tight as the bark on a tree Extremely frugal. *If you're going to lunch with Derek, be prepared to pay for your own meal—he's tight as the bark on a tree. My grandfather is as tight as the bark on a tree, so he's probably saved every dollar he ever made.*

tight ass rude slang A disparaging term for an extremely frugal person; a miser. Primarily heard in US. *Don't even bother asking Jerry to donate to your charity. He's a real tight ass and never gives a dime to anybody.*

a tight corner A particularly difficult or awkward situation, especially one that is not easy to get out of. *Your brother helped me out of a tight corner when I was out of work a few years back, so I'm more than happy to lend him a hand now. Jeremy's been in more tight corners since he left college than I care to recount. I just don't know what's going to become of that boy.*

tight-lipped Secretive; not revealing information. *Does anyone know when we're moving to the new office? Management is being so tight-lipped about everything. We need to be tight-lipped about our divorce until I figure out the right time to tell my parents.*

tight-lipped 1. Literally, having one's lips pressed together, as in anger. *I knew my girlfriend was angry as soon as I saw her glaring at me, tight-lipped.* 2. Unwilling to talk openly or share details about someone or something. *I still don't know anything about Maria's new boyfriend because she's so tight-lipped about him. Don't worry, we can trust my sister to be tight-lipped—she won't tell anyone about our engagement until we do.*

a tight spot A particularly difficult or awkward situation, especially one that is not easy to get out of; a jam. *Your brother helped me out of a tight spot when I was out of work a few years back, so I'm more than happy to lend*

him a hand now. *Jeremy's been in more tight spots since he left college than I care to recount. I just don't know what's going to become of that boy.*

tighten the purse strings To become less liberal with or more controlling of one's expenditures; to decrease the availability of money for spending purposes. *After losing my job, I've had to tighten the purse strings quite a bit. We've been behind schedule ever since the boss decided to tighten the purse strings on our project.*

tighten the reins To begin doing something more carefully or cautiously; to regain or tighten control of someone or something. *This thesis you're planning is becoming unfocused. I think you should tighten the reins a bit. I wish those parents would tighten the rein on their kids, the little devils are tearing the place apart!*

till all hours (of the day and night) Until a very late hour of the night or very early hour of the morning. *Johnny keeps taking the car and staying out till all hours, and I just don't know what to do anymore! My boyfriend lives in another state, so to make up for the long distance, we stay up talking till all hours of the day and night.*

till death do us part A common phrase used in wedding ceremonies indicating that the marriage bond is be intended to last until death. Taken from the marriage liturgy in the Anglican Communion's Book of Common Prayer, the phrase refers to the fact that marriage is seen in the Christian faith as insoluble except by the death of one of the partners. (Also worded as "till death us do part," which is how it is written in the Book of Common Prayer.) *It was only as I said "Till death do us part" that I realized the solemnity and magnitude of our marriage to one another.*

till death us do part A common phrase used in wedding ceremonies indicating that the marriage bond shall be intended to last until death. Taken from the marriage liturgy in the Anglican Communion's Book of Common Prayer, the phrase refers to the fact that marriage is seen in the Christian faith as insoluble except by the death of one of the partners. (Also worded as "till death do us part," especially in the United States.) *It was only as I said "Till death us do part" that I realized the solemnity and magnitude of our marriage to one another.*

till doomsday For a very long, indefinite amount of time; forever. *Although we don't have to pay for medical care in this country, you'll*

sometimes be waiting till doomsday to receive elective treatment. My wife was talking on the phone with her sister till doomsday last night!

till (one) (is) blue in the face Of something vocalized, for a great or indefinite length of time. *You can complain about it till you're blue in the face, but we're going to your grandmother's for Thanksgiving whether you like it or not. They are such strange friends. They'll argue till they're blue in the face, then they'll go out for drinks and be the best of pals.*

till/until the bitter end **1.** Until the point of completion or conclusion, even though it may be difficult, unpleasant, or take a long time to reach. Possibly of nautical origin, referring to the "bitts" on a dock to which a ship's ropes are moored. *I'm not really enjoying this book, but I always make a point of sticking with a novel till the bitter end.* **2.** To the final or most critical extremity, such as death or total defeat. *We might not have a chance of winning today, but we have to give it our all until the bitter end! My father stayed beside my dying mother's bed till the bitter end.*

tilt the balance To change the balance of a situation, such that one side or element is favored or gains advantage. *The two candidates are so close in the polls that both are vying for something that will tilt the balance in their favor. The immense interconnectivity of social media has tilted the balance of power somewhat back into the hands of the ordinary population.*

tilt the scale(s) To change the balance of a situation, such that one side or element is favored or gains advantage. *The two candidates are so close in the polls that both are vying for something that will tilt the scale in their favor. The immense interconnectivity of social media has tilted the scales of power somewhat back into the hands of the ordinary population.*

time and material The cost of labor and materials necessary to complete a construction job. *Can you believe what these guys are charging me for time and material on this small job? What a rip-off.*

time and tide tarry for no man One cannot stop or slow the passage of time. A less common variant of the phrase "time and tide wait for no man." *If you're unhappy with your life, make changes as soon as you can because time and tide tarry for no man.*

time bomb See [a \(ticking\) time bomb](#).

time burglar A person or thing that distracts or takes time from more

useful or productive activities. *I'm trying to catch up on work after being out sick, but my inbox is such a time burglar. I'll call my mom back later—she can be a real time burglar, and I need to finish up this essay.*

time heals all wounds Emotional pain lessens over time. *I know it's hard to consider now, as you're grieving, but time heals all wounds. I'm sure you will reconcile with Kathleen eventually. After all, time heals all wounds.*

time immemorial Long before one would be able to remember; the distant past. *Our family line has presided over this land since time immemorial. Giant sea turtles have been coming to this spot to mate since time immemorial.*

time is of the essence Time is a key consideration in this situation (often because time is limited or a specific deadline must be met). *Has anyone called an ambulance? Time is of the essence with this man's injuries! We have to get these pages to the printer by 8, so work faster, people—time is of the essence!*

the time of the month See [that/\(one's\) time of the month](#).

time out of mind Long before one would be able to remember; a very long time ago. *Our family line has presided over this land since time out of mind, but with the fall of the aristocracy, that seems to be coming to an end. Giant sea turtles have been coming to this spot to mate for time out of mind.*

timing is everything The success of something is often related to when it happens. *You shouldn't start a new business during an economic recession—timing is everything. Timing is everything in relationships. I love Renee, but I want to get married, and she just isn't ready to settle down yet.*

tin ear **1.** A lack of musical ability, especially in relation to proper pitch. *Unfortunately, most karaoke singers have a tin ear.* **2.** The inability to recognize subtleties in language. *Don't try to joke around with him—he has a tin ear and can't distinguish sarcasm.*

a tin god See [\(little\) tin god](#).

Tinker to Evers to Chance A legendary baseball double-play. The phrase is used as the refrain in the poem "Baseball's Sad Lexicon" by Franklin Pierce Adams. It refers to three Chicago Cubs players from the early 20th century: Joe Tinker, Johnny Evers, and Frank Chance. *I wish I had been born in an earlier era, so that I could have seen Tinker to Evers to Chance—*

not to mention Babe Ruth and Lou Gehrig and all the famous players of yore.

TINSTAAFL Written abbreviation of "There is no such thing as a free lunch," meaning nothing is ever really given away for free, so be wary of hidden charges, motives, or agendas. *Of course, once you're signed up to the free program, you have to pay for all sorts of extra services to make it even worth using. It's a TINSTAAFL situation if I've ever seen one.*

a tip of the hat A small, respectful gesture of thanks, praise, or congratulations. *Having my name mentioned in the announcements about my win at the state science championship was a nice tip of the hat by the school.*

tip (one's) hat To raise or tilt the brim of one's hat as a salutation, greeting, or mark of respect. *It would be nice to live in a time when folks would tip their hats to you when you entered a room. When her father tipped his hat to me, I knew that he had come to accept me as part of the family.*

tipping down See [be tipping \(it\) down](#).

tipping (it) down Raining very heavily. Primarily heard in UK. *We have a football match scheduled for tomorrow, but if it keeps tipping down like it is today, I'm sure that it will be cancelled. Looks like it's tipping it down outside again. I guess I won't be cycling to work this morning.*

tiptoe around (someone or something) To avoid confronting or engaging with a troublesome or undesirable person, problem, situation, issue, etc. *It would be humorous if it weren't so sad the way Sarah tiptoes around her wife. The boss just keeps tiptoeing around the fact that we need to hire more staff if we want to remain competitive.*

tire kicker 1. One who examines or inspects a second-hand car or cars, often without really intending to buy anything. Primarily heard in Australia. *This guy isn't a serious buyer, he's just a tire kicker. 2.* One who wastes another's time. *We need serious candidates for this position, so make sure to eliminate any tire kickers.*

tired and emotional A euphemism for being drunk. Primarily heard in UK. *Boy, you were really tired and emotional last night—how do you feel this morning?*

tired and emotional A semi-polite or humorous euphemism for drunkenness. Primarily heard in UK. *I might be mistaken, but Sean's father looked a bit tired and emotional at the picnic, didn't he? You must excuse me,*

I'm a bit tired and emotional just now. I think I'd best be going home.

tired to death of (something) Exceedingly wearied by, bored of, or exasperated with something. *I'm tired to death of doing my boss's errands. If something doesn't change soon, I'm going to quit! I was all gung-ho about this graduate program when I first began, but I must admit that I've grown tired to death of these boring lectures.*

tissue of lies A number of false statements made to deliberately hide the truth. *After the human resources manager performed a background check on the new applicant, she realized his resume was a tissue of lies.*

tits up 1. mildly vulgar Broken or malfunctioning; dead, falling apart, or ceasing to work. ("Tits up" is sometimes hyphenated.) *Sorry, Mark, I'd love to give you a lift to the airport, but my car's tits up on me again. It looks like our co-op might be tits-up if we aren't granted a license for our communal work premises.* 2. mildly vulgar By extension, having a poor, undesired, or ruinous outcome; failing completely or not coming together at all. *We were all set to have our picnic on Saturday, but the weather went tits up, and we had to cancel at the last minute. The merger deal between the two companies turned tits-up when it came to light that one of the CEOs had been dodging tax obligations for several years.*

TL;DR An abbreviation for "Too long; didn't read," an expression that indicates that one did not read an online article or post, usually because it was deemed too long and/or boring. *I really want to write "TL;DR" on all these novella-length rants my friend keeps posting on Facebook.*

to a certain degree Somewhat; partly; in a limited way or to a limited extent. *Your essay would be improved to a certain degree by tidying up your paragraphs, but your topic on the whole has some fundamental problems. Our administration is willing to negotiate to a certain degree, but we aren't ready to make any significant changes to the legislation.*

to a certain extent Somewhat; partly; in a limited way or to a limited degree. *Your essay would be improved to a certain extent by tidying up your paragraphs, but your topic on the whole has some fundamental problems. Our administration is willing to negotiate to a certain extent, but we aren't ready to make any significant changes to the legislation.*

to a fare-thee-well 1. To a state or condition of utmost perfection or completion. *Her new house is absolutely gorgeous! They've designed it to a*

fare-thee-well. **2.** To the greatest or furthest degree possible. *After the economy crashed, the government began whittling down social welfare to a fare-thee-well. The home team trounced their opponents, beating them to a fare-thee-well.*

to a nicety With great precision or accuracy. *Every aspect of the robbery was planned out to a nicety, allowing no room for error or confusion. The chef has balanced the flavors in this dish to a nicety!*

to a turn For exactly the right amount of time necessary or desired (used almost exclusively in reference to how well meat is cooked). *My goodness, these steaks are so flavorful and have been cooked to a turn! Jeff is always the one manning the grill, because he makes sure everything on there is done to a turn!*

to all appearances According to the way things appear or how one sees things; as is apparent to observation. *To all appearances, Daren seemed a very happy, outgoing fellow, so his nervous breakdown took many people by surprise. The giant corporation was, to all appearances, doing quite well, but just last week it filed for bankruptcy.*

to an extent Somewhat; partly; in a limited way or to a limited degree. *Your essay would be improved to an extent by tidying up your paragraphs, but your topic on the whole has some fundamental problems. Our administration is willing to negotiate to an extent, but we aren't ready to make any significant changes to the legislation.*

to barely make it 1. To come very close to failing at something but succeed in the end. *That marathon was so exhausting, I barely made it! I barely made it through math class this semester.* **2.** To come very close to being late for something, such as a deadline, appointment, class, etc., but manage to arrive on time in the end. A shortening of "barely make it on time." *If you leave right now, you'll just barely make it to the film before it starts.*

to barely make it on time To come very close to being late for something (such as a deadline, appointment, class, etc.) but manage to arrive on time in the end. *Traffic was so bad this morning that I barely made it on time to the meeting. I was finishing my essay right up until the minute before it was due. I barely made it on time!*

to be honest A set phrase used to emphasize that one is speaking

truthfully (and perhaps reluctantly). *Well, to be honest, I've never liked her husband that much. I know you guys love going to bars on Saturday night, but to be honest, it really doesn't interest me.*

to be named later A set phrase used when certain details are not known at present but will be revealed later. It is perhaps most often used in sports. A: *"Who else did we get in that trade?"* B: *"Just a player to be named later."*

to bomb See [bomb](#).

to cap it all off See [cap it \(all\) off](#).

to coin a phrase A set phrase said after one uses a new expression. It is typically used jocularly to indicate the opposite (i.e. that one has just used a well-known or trite saying). *Well, we can't do anything about it now, so que sera sera, to coin a phrase.*

to do with A set phrase used to show that things are—or are not—related or connected. *Don't bring that up! That has nothing to do with this! Gina's name isn't on the report, but I know she had something to do with it. I know my son isn't the best student, but this is a volunteer position—what do grades have to do with it?*

to heel Into a position of subjugation, discipline, or submission to one's authority. (Used chiefly in the phrases "bring/call someone to heel.") *The CEO was quick to call the junior board member to heel after the latter spoke out of turn at the annual general meeting. Sir, the members of your squad are all out of control. You need to bring them to heel right away!*

to hell in a handbasket A set phrase used to emphasize that something has gone wrong or awry. Typically used with the verb "go." *I just got pulled into a meeting and assigned a huge project, so my day has really gone to hell in a handbasket. What a mess! This party really went to hell in a handbasket quickly!*

to hell with (someone or something) I'm disgusted, fed up with, or want nothing to do with someone or something; I don't care about someone or something at all. *An F? To hell with this class, I don't even like calculus! Well to hell with him then! It's not like I'm going to miss him.*

to little avail Having or with very little or no benefit, efficacy, or effect. *We did our best to keep Sarah from finding out about her dad, but to little avail. All my protesting over the decision to fire Jeff was to little avail.*

to make matters worse See [make matters worse](#).

to no avail Having or with very little benefit, efficacy, or effect. *We did our best to keep Sarah from finding out the party to no avail. All my protesting over the decision to fire Jeff was to no avail.*

to (one's) heart's desire As much as or to the point that one wants; to the point of contentment, satiety, or surfeit. *I've made plenty of food for everyone, so please eat to your heart's desire.*

to (one's) knowledge Said of that which one knows or understands. A: *"Is Janet coming in today?"* B: *"Not to my knowledge."* *To my knowledge, Jack is working a different shift these days. But Jill makes the schedule, so she would know for sure.*

to rights Into correct or proper position, arrangement, condition, or order. (Especially in the phrase "put/set (something) to rights.") *I must make sure I put the house to rights before my parents come home this evening. Since being diagnosed with terminal cancer, I've begun setting my will and financial affairs to rights.*

to some degree Somewhat; partly; in a limited way or to a limited extent. *Your essay would be improved to some degree by tidying up your paragraphs, but your topic on the whole has some fundamental problems. The administration is willing to negotiate to some degree, but it is not ready to make any significant changes to the legislation.*

to some extent Somewhat; partly; in a limited way or to a limited degree. *Your essay would be improved to some extent by tidying up your paragraphs, but your topic on the whole has some fundamental problems. The administration is willing to negotiate to some extent but it is not ready to make any significant changes to the legislation.*

to tell (you) the truth I must admit; to be honest; in actuality. *To tell you the truth, even though I majored in English literature, I've never read anything by Hemingway! I know I said I wanted to go out to the bars tonight, but to tell the truth, I'd rather just stay home and watch a movie.*

to that end For or to satisfy that reason or intention; so as to achieve that goal. *We need to cut costs if we're going to stay in business. To that end, I suggest a suspension of bonuses and a freeze on all raises across the company. Art thrives when collaboration is plentiful, so, to that end, we have*

created a new co-operative studio for all kinds of different artists.

to the effect that Of or having the general meaning that. *I didn't catch the whole meeting, but I heard something to the effect that we would begin receiving yearly bonuses again this year. Analysts' reactions to the president's speech have largely been to the effect that he focuses far too little on the economy and far too much on foreign policy.*

to the end of (one's) days Forever; until the day that one dies. *For his heinous crimes, the murderer is going to be locked away to the end of his days. Baby, you know that I'll love you to the end of my days!*

to the ends of the Earth To anywhere on Earth, including the most remote or inaccessible; as far as one needs to go. *Baby, my love for you is so strong that I would go to the ends of the Earth to be with you! That no-good cheat robbed me of my inheritance, and I'll follow him to the ends of the Earth to get it back.*

to the ends of the world To anywhere in the world, including the most remote or inaccessible places. (A variant of the more common "to the ends of the Earth.") *Baby, my love for you is so strong that I would go to the ends of the world to be with you! That no-good cheat robbed me of my inheritance, and I'll follow him to the ends of the world to get it back.*

to the full To the greatest degree or extent; thoroughly. *Everyone enjoyed the performance to the full. I have studied the works of Chaucer to the full.*

to the nines To the greatest degree or extent; to a point of perfection. (Especially in the phrase "dressed (up) to the nines.") *I know it takes me a long time getting ready, but nothing feels better than being dressed to the nines for a night out on the town. Wow, they weren't kidding when they said this new club had been designed to the nines!*

to the purpose To the point; that which is pertinent. *We don't have much time left, so please, get to the purpose.*

to the quick 1. To the exposed flesh, especially that which is tender. *I've bitten my fingernails to the quick, and still, I can't stop myself!* **2.** To the deepest, most fragile part of oneself. Typically used to describe emotional wounds. *I can't even look at her right now—that hurtful remark cut me right to the quick.*

to the teeth To the greatest degree or extent; extremely, completely, or

utterly. *I know it takes me a long time getting ready, but nothing feels better than being dressed to the teeth for a night out on the town. Everyone in the bar was armed to the teeth, so we felt a little bit nervous sitting down for a drink in there. I have to say, I'm fed up to the teeth with all the people littering on campus!*

to the victor belong the spoils The winner is entitled to all of the rewards, bonuses, or benefits of success. (A variation of "to the victor go the spoils.") *John won the betting pool, so he gets the whole pot of money from those who paid in. To the victor belong the spoils! A lot of other contestants on the singing competition are well worthy of signing a record deal, but to the victor belong the spoils.*

to the victor go the spoils The winner is entitled to all of the rewards, bonuses, or benefits of success. (Also written as "To the victor belong the spoils.") *John won the betting pool, so he gets the whole pot of money from those who paid in. To the victor go the spoils! A lot of other contestants on the singing competition are well worthy of signing a record deal, but to the victor go the spoils!*

to thine own self be true Act authentically, in accordance with your interests, beliefs, and desires. This set phrase comes from Shakespeare's *Hamlet*. *You don't have to be a cheerleader if you don't want to, regardless of what the popular kids say. To thine own self be true!*

to this end For or to satisfy this reason or intention; so as to achieve this goal. *We need to cut costs if we're going to stay in business. To this end, I suggest a suspension of bonuses and a freeze on all raises across the company. Art thrives when collaboration is plentiful, so, to this end, we have created a new co-operative studio for all kinds of different artists.*

to top it all off See [top it \(all\) off](#).

a toad choker See [a \(real\) toad-choker](#).

a toad strangler See [a \(real\) toad-strangler](#).

the toast of (the town) Someone who is especially well-liked, regarded, or admired in a certain place. *The young entrepreneur's new tech innovation has made him the toast of the town in Silicon Valley. I hope you enjoy being the toast of London now, because such fame is always fleeting.*

toe-to-toe A direct conflict between two people or groups, possibly in

close quarters. *Adam and Joe are going toe-to-toe out in the schoolyard! I almost got hit with a punch as I walked by! The literary magazine and the science club are going toe-to-toe for extra funding this year.*

toes up **1.** Deceased. *My poor old dad has been toes up for five years today, but I still miss him like crazy! When I'm toes up, I don't want my funeral to be a somber occasion—I want people to smile and remember the good times we all had together!* **2.** Completely non-functioning, non-operational, incapacitated, or destroyed. *Well, my computer turned toes up last night. I don't know how I'll be able to finish my essay on time now! I'm just writing this email to let you know that your website has been toes up for the last 12 hours or so. It looks like after nearly 80 years of struggling to stay open, the family business is finally going toes up.*

toilet mouth A person who uses obscenities, vulgarities, or profanities in their speech, especially at inappropriate times. Used especially in reference to a child or as a childish rebuke to an adult. *Hey, you little toilet mouth! If I hear you speaking like that around your grandmother again, you're going to be grounded for a week! Well there's no need to be a toilet mouth about it, Rick. You could have refused like a civilized person.*

toke up To get high (become intoxicated) by smoking marijuana, especially in the form of a marijuana cigarette. *Hey man, Jim and I are going to toke up at his house this weekend, do you want to come? Hey, it's no skin off my teeth if you want to spend your free time toking up, but I have no interest in it whatsoever.*

toll the death knell To cause or signal the impending end or ruin of something, especially a business, organization, or activity. Refers to the sound of a bell ringing (the knell) from a church to indicate that someone has died. *The geometric expansion of the Internet and digital media has tolled the death knell for countless print-based businesses around the world.*

Tom, Dick, and Harry Common, undistinguished people; any manner of person, indiscriminately. (Usually in the form "every Tom, Dick, and Harry.") *You don't want Tom, Dick, and Harry coming to your performance, but then you don't want to limit the amount of business you might bring in, either. Kate's being very selective as to who gets invited to the wedding, as she doesn't want Tom, Dick, and Harry to end up coming.*

Tom, Dick, or Harry A common, undistinguished person; any manner

of person, indiscriminately. (Usually in the form "(just) any Tom, Dick, or Harry.") *You don't want just any Tom, Dick, or Harry coming to your performance, but then you don't want to limit the amount of business you might bring in, either. Kate's being very selective as to who gets invited to the wedding, as she doesn't want Tom, Dick, or Harry turning up.*

tomato can An exceptionally poor boxer, one who is often paired with a much better boxer so as to improve the latter's statistics and win percentages. *The up-and-coming star boxer suffered a huge upset last night at the hands of a tomato can who everyone expected to lose.*

tomato juice 1. Literally, juice from a tomato. *My grandfather loves to drink tomato juice, but I can't stomach it. I think this Bloody Mary needs some more tomato juice.* 2. slang Blood, especially from a boxer. (This phrase is likely related to the term "tomato can"—an exceptionally poor boxer.) *Look at that fool, leaking tomato juice all over the ring already!*

tomayto, tomahto A negligible, trivial, or unimportant difference, distinction, or correction. (Refers to the American pronunciation of tomato as "tomayto," compared with the British pronunciation of "tomahto." Specifically, it is an allusion to a verse in the song "Let's Call the Whole Thing Off": "You like potayto, I like potahto; you like tomayto, I like tomahto; potayto, potahto, tomayto, tomahto, let's call the whole thing off!")
A: "Well, technically, the Hindenburg was a rigid airship, not a blimp." B: "Eh, tomayto, tomahto, who cares?"

Tommy Atkins A British soldier. The term originated in manuals once sent to British soldiers, in which the name used as an example was "Tommy Atkins" (as opposed to "John Doe"). *In his younger years, my grandfather was a Tommy Atkins.*

tongue-in-cheek Jocular or humorous, though seeming or appearing to be serious. *The president's tongue-in-cheek speech about the "War on Couch Potatoes" has been extremely popular on the Internet this week.*

tongue in cheek See [\(with\) tongue in cheek](#).

tongue-lashing A harsh vocal reprimand. *The boss gave his sales team a real tongue-lashing after seeing a drop in profits for the fourth straight month.*

tonsil hockey slang Open-mouthed kissing in which both partners'

tongues touch. *There's this area behind the school where lots of couples go to play tonsil hockey.*

tonsil tennis slang Open-mouthed kissing in which both partners' tongues touch. *There's this area behind the school where lots of couples go to play tonsil tennis.*

too clever by half Too contrived or arrogant in one's cleverness or intelligence, to the point of being irritating to others. Primarily heard in UK. *I think every adolescent goes through a stage where they become too clever by half and begin to think of themselves as the only person who has things figured out. The phones people use these days are all too clever by half—I can barely even use them to make phone calls!*

too close for comfort 1. So close as to cause worry because of being dangerous or unwelcome in some way. *The way these planes fly so low over the house is just too close for comfort. My neighbors and I all feel that the new shopping center they're planning near our neighborhood is a little too close for comfort.* 2. Too narrow a margin for error or deviation. *Having only \$20 in your bank account is far too close for comfort, if you ask me.*

too far north slang Extremely shrewd. The phrase refers to people from the north of England, who are thought to be especially astute. Primarily heard in US. *You'll never outsmart Alison, she's too far north for you.*

too good to be true So exciting or pleasing as to be unbelievable. *The asking price for that house was indeed too good to be true—the bank made a mistake when they listed it. I had to ask them to repeat their salary offer because it just seemed too good to be true!*

too hot to handle 1. Literally too hot to pick up or touch. *The steak just came out of the pan, so it's too hot to handle right now. I'll cut it after it rests.* 2. Too taboo or risky for a particular setting or audience. *The scandal was a little too hot to handle for the evening news without heavily censoring the details.*

too hot to hold (someone) Describes a place that a person can no longer stay in, due to their transgressions, misconduct, or criminal activities. *The notorious gangster eventually had to flee New York City, as it had become too hot to hold him after two decades of theft and murder. I'm transferring to a college in Oregon next fall; my last school got to be too hot to hold me.*

too long; didn't read An expression that indicates that one did not read an online article or post, usually because it was deemed too long and/or boring. Usually abbreviated "TL;DR." *I really want to write "too long; didn't read" on all these novella-length rants my friend keeps posting on Facebook.*

too many balls in the air Too many things happening or competing for one's attention at the same time. The phrase alludes to juggling. *Between working, taking classes, and spending time with my family, I just have too many balls in the air right now.*

too many chefs in the kitchen Too many people are trying to control, influence, or work on something, with the quality of the final product suffering as a result. (A variation of the more common phrase, "Too many chefs spoil the broth/stew/soup.") A: *"The more that goes wrong with this project, the more people get involved. Now we've got my boss, his boss, the assistant manager, a freelance consultant, and the head of IT all involved, and it's turning into a complete disaster!"* B: *"It sounds to me like there are too many chefs in the kitchen."*

too many cooks Too many people trying to control, influence, or work on something, with the quality of the final product suffering as a result. A shortened version of the full phrase, "Too many cooks spoil the broth/stew/soup." A: *"We've got my boss, his boss, the assistant manager, a freelance consultant, and the head of IT all involved, and it's turning into a complete disaster!"* B: *"It sounds to me like there are too many cooks."*

too many cooks in the kitchen Too many people are trying to control, influence, or work on something, with the quality of the final product suffering as a result. (A variation of the more common phrase, "Too many cooks spoil the broth/stew/soup.") A: *"The more that goes wrong with this project, the more people get involved. Now we've got my boss, his boss, the assistant manager, a freelance consultant, and the head of IT all involved, and it's turning into a complete disaster!"* B: *"It sounds to me like there are too many cooks in the kitchen."*

too many cooks spoil the soup If too many people try to control, influence, or work on something, the final product will be worse as a result. A: *"We've got my boss, his boss, the assistant manager, a freelance consultant, and the head of IT all involved in this project, and it's turning into a complete disaster!"* B: *"Well, too many cooks spoil the soup, after all!"*

toot (one's) own horn To boast or brag about one's own abilities, skills, success, achievements, etc. *I don't mean to toot my own horn, but this pasta sauce I made is quite delicious! I can't stand being around Marcus ever since his company became such a massive success. The guy just can't stop tooting his own horn!*

toot (one's) own trumpet To boast or brag about one's own abilities, skills, success, achievements, etc. *I don't mean to toot my own trumpet, but this pasta sauce I made is quite delicious! I can't stand being around Marcus since his company became such a massive success. The guy just can't stop tooting his own trumpet!*

tooth and nail Furiously or fiercely; with all of one's strength and effort. *I know my brother has fought tooth and nail to be re-elected, so his victory tonight is certainly well earned. The elite troops have been placed around the perimeter to defend the palace tooth and nail from rioters.*

a tooth for a tooth See [an eye for an eye, a tooth for a tooth](#).

top billing **1.** On a theatrical poster or playbill, the place at the top where a star's name is listed. *I know you're disappointed, but Anita is a bigger star than you, so she gets top billing.* **2.** By extension, a position of prominence or recognition. *You did the most work on this report, so you should get top billing on the cover.*

top edge **1.** noun In cricket, a hit that goes off the top edge of a bat held sideways. *I think I can get a top edge against this bowler.* **2.** verb To hit the ball in such a way. *Albert just top edged the ball.*

top hand A worker, especially of a farm or ranch, who is particularly skilled or useful. *I hear the boss has a new top hand who's coming in to help break horses this spring.*

top hat A tall hat once worn typically by men in formal settings. *There's nothing more attractive than a man in a tuxedo and a top hat. Elliot, you look so dapper in that top hat!*

top it (all) off To finish or complete an experience or situation in an especially positive or negative way. *Our date was fantastic! We went for dinner, saw a great film, and then we topped it off with some salsa dancing! What a bad day: I left my phone in the grocery store, my car broke down on the way home, and, to top it all off, my groceries broke through the bag as I*

was walking to the front door.

top of mind (hyphenated if used before a noun) Occupying one's foremost attention or concern. *I assure you that privacy issues are a top-of-mind priority for our company. The recent setback in the stock market has kept economic policy top of mind for voters.*

top of the morning (to you) A generic greeting used in the morning time. (A dated phrase that is nowadays considered to be stereotypical or stock Irish, rather than one that is used ingenuously.) *Top of the morning, Bill! That was quite a party last night, wasn't it? A: "Well, top o' the morning to you, my friend!" B: "I wish you would stop saying that to me, just because my dad is Irish."*

top (one)self **1.** To commit suicide. Primarily heard in UK. *A: "Did you hear that his father topped himself over the weekend?" B: "Yeah, I can't believe it. Everyone is still in shock." 2. To outdo or outperform one's previous effort(s) or achievement(s). Primarily heard in US. *Wow, you've really topped yourself with these cupcakes, Stephen!**

top-shelf **1.** Of a high, excellent, or superior quality. *Jim was drinking top-shelf liquor all night on his birthday. I can't imagine the bar tab he must have racked up! My brother-in-law is always driving around town in the latest top-shelf car. 2. Of or containing pornography. *Few realize that the newspaper mogul got his start by distributing top-shelf magazines to newsagents in the '70s.**

tore a strip off See [tear a strip off \(someone\)](#).

tore her off a strip See [tear someone off a strip](#).

tore up the pea patch See [tear up the pea patch](#).

torpedo juice A low-quality alcoholic beverage made by soldiers during World War II. Grain alcohol was extracted from torpedoes (among other things), hence the expression. *I can't drink any more of this torpedo juice, it's disgusting!*

torque (someone) off To irritate, frustrate, or exasperate someone. *It really torqued me off to hear that yet another local grocery store was being bought out by the huge supermarket chain.*

torqued off Particularly irritated, frustrated, or exasperated. *It's no use getting torqued off just because you don't like your professor's style of*

teaching. *I was pretty torqued off to hear that yet another local grocery store was being bought out by the huge supermarket chain.*

#tortitude A hashtag highlighting the sassy attitude that tortoiseshell cats (or "torties") are said to have, often accompanying posts about torties on social media. *This girl was a cuddle monster last night and wants nothing to do with me today. #tortitude*

toss a bone to (someone) To attempt to appease or placate someone by giving them something trivial or of minor importance, or by doing some small favor for them. (A reference to giving an animal a bone or scrap from a bigger portion of food, this phrase is a variant of the more common "throw (someone) a bone.") *The city council has decided to toss a bone to local building companies and will be releasing small amounts of public space to commercial development.*

toss (one's) hat in(to) the ring To announce or make known one's intention to compete against others for something, especially in a political race. *After Arnold Schwarzenegger was elected governor of California, it seemed like all sorts of celebrities tried tossing their hats in the ring.*

toss (one's/someone's) name in the hat To submit one's own or someone else's name for consideration in a selection, such as a competition, application pool, election, etc. *I'm thinking about tossing my name in the hat for class president! Just so you know, I tossed your name in the hat for a chance to win an all-expenses-paid trip to Florida! As has been widely predicted, the governor announced today that he was tossing his name in the hat for the presidential election next year.*

toss (someone) a bone To attempt to appease or placate someone by giving them something trivial or of minor importance, or by doing some small favor for them. (A reference to giving an animal a bone or scrap from a bigger portion of food, this phrase is a variant of the more common "throw (someone) a bone.") *My younger brother is always pleading for me to help his career, so I tossed him a bone and got him a gig in some bar at the edge of town.*

a toss-up A situation in which the outcome cannot be predicted or a decision between two things is very close. *I don't know which team will win. Both have done so well this season that it's a real toss-up. Should I take the entry level position, or go back to school? It's really a toss-up in my mind.*

a totally different ballgame A situation that is completely different from what one is used to or expecting. *Living away from home is a totally different ballgame for most young adults. I used to babysit, but having a child of my own is a totally different ballgame.*

totus porcus humorous slang A fake Latinization of the phrase "whole hog," meaning completely, entirely, or without restraint or reserve. *If we're going to do a trip around Europe, let's go totus porcus and do the trip the right way! I accept your explanation and apology totus porcus, Bill; no need to say anything further on the matter.*

touch cloth See [be touching cloth](#).

touch cotton See [be touching cotton](#).

a touch of the tar brush See [have a touch of the tar brush](#).

touch of the tar brush dated ethnic slur Of mixed race, such that one's skin is darker than that of a person with only white ancestry. *My racist aunt refuses to vote for someone who has a touch of the tar brush.*

touch (oneself) euphemistic slang To masturbate. *My ultra-religious aunt scared us silly when we went through puberty with all sorts of myths about what would happen if we touched ourselves.*

touch wood A superstitious expression said, typically in combination with actually touching or knocking on a wooden object or surface, when one desires something positive to continue, lest the mention of it "jinx" or somehow reverse one's good fortune. More commonly expressed as "knock on wood." *I've been driving for 36 years and have never been in an accident. Touch wood! Hopefully, touch wood, we'll continue to avoid sickness this winter.*

tough act to follow Someone or something so exemplary that it overshadows anything that follows. *I don't know how Mel's replacement will be received by the staff. He was so admired and respected that he'll be a tough act to follow. That award-winning play will be a tough act to follow on Broadway.*

tough cookie A strong, determined person who is not easily intimidated, discouraged, or defeated. *Our principal was a little lady, but she was one tough cookie! She had a difficult childhood, but she's a tough cookie. I know she'll be a success.*

tough cookies An interjection indicating that one has no sympathy for the situation another person is in or how that person feels about it. *Sam: "When you said I'd be getting a car for my birthday, I didn't think it would be some beat-up old van like this!" Dad: "Well, tough cookies! You should be thankful to have a car at all!" A: "Ugh, I feel so horrible this morning." B: "Tough cookies. If you want to drink yourself silly, then that's the price you pay."*

tough luck **1.** noun Adverse circumstances resulting in misfortune or hardships; bad luck. *John's had some tough luck lately—he really can't seem to catch a break.* **2.** adjective Involving such circumstances. When used as an adjective, the term is often hyphenated. *The deadline is non-negotiable, so don't come to me with some tough-luck story about how you couldn't finish your assignment.* **3.** interjection I have no sympathy for the situation you are in or how you feel about it. *A: "When you said I'd be getting a car for my birthday, I didn't think it would be some beat-up old van like this!" B: "Tough luck! You should be thankful to have a car at all!"*

a tough nut (to crack) A person, thing, situation, or problem that is particularly difficult to understand, solve, or deal with. *I've been dating Jenny for over a year, and I still think she's a tough nut to crack! Figuring out the best way to modernize our product without alienating existing customers is definitely a tough nut to crack. The spy we captured is a tough nut; he hasn't said a thing since we began the interrogation.*

a tough nut to crack **1.** A difficult task to complete. *Getting an A in this class will be a tough nut to crack. You want me to find more money in the budget? Ha, there's a tough nut to crack!* **2.** A challenging and/or unreasonable person to understand or deal with. *Our super-strict principal is a tough nut to crack, so I hope Kate can convince her to let us host this event. Because our boss usually keeps to himself, I have no idea what his interests are—he's a tough nut to crack.*

a tough pill to swallow Something, especially a fact or piece of news, that is unpleasant or difficult but which is unavoidable or must be accepted. *It was a tough pill to swallow learning that my father's fortune had been squandered. Her recent breakup with Janet was a tough pill to swallow.*

a tough spot A particularly difficult or awkward situation, especially one that is not easy to get out of. *Your brother helped me out of a tough spot*

when I was out of work a few years back, so I'm more than happy to lend him a hand now. Jeremy's been in more tough spots since he left college than I care to recount. I just don't know what's going to become of that boy if he doesn't clean up his act soon.

tough titties vulgar slang An interjection indicating that one has no sympathy for the situation another person is in or how that person feels about it. *Sam: "When you said I'd be getting a car for my birthday, I didn't think it would be some beat-up old van like this!" Dad: "Well, tough titties! You should be thankful to have a car at all!" A: "Ugh, I feel so horrible this morning." B: "Tough titties. If you want to drink yourself silly, then that's the price you pay."*

tough titty vulgar slang An interjection indicating that one has no sympathy for the situation another person is in or how that person feels about it. *Sam: "When you said I'd be getting a car for my birthday, I didn't think it would be some beat-up old van like this!" Dad: "Well, tough titty! You should be thankful to have a car at all!" A: "Ugh, I feel so horrible this morning." B: "Tough titty. If you want to drink yourself silly, then that's the price you pay."*

tour de force An exceptionally masterful performance or achievement, especially in the arts. *The director's latest movie is a tour de force of filmmaking. The Olympic gymnast's final routine was a tour de force that earned her a gold medal.*

toy boy A young man who is in a sexual relationship with an older woman. *Heather is having too much fun with her new toy boy to get involved in a serious relationship.*

toys in the attic See [have toys in the attic](#).

track record A history of someone's or something's performance, often cited as a predictor of how they will perform in the future. *The mayor brought in the new police chief because he has a strong track record of reducing crime in inner-city neighborhoods. The company had an almost perfect track record before the scandal, which made it even more shocking.*

trade blows To fight, either physically or verbally. Typically said of two people who are evenly matched and thus able to continually exchange punches or barbs. *The boxers traded blows all through the first round. Somebody needs to stop this debate, or these politicians will trade blows all night!*

trade off the orchard for an apple To be overly concerned with minor details and ignore the situation as a whole. *I know you're worried about that one aspect of your project, but don't trade off the orchard for an apple.*

traditional marriage **1.** A term for marriage between a man and a woman, typically used by those who consider the marriage of a same-sex couple to not be legitimate. *Of course I value traditional marriage, but I don't understand why same-sex marriage can't be legal as well.* **2.** A marriage featuring the traditional customs of a particular group or society. *In this country, a traditional marriage is celebrated with a lengthy religious ceremony attended by the entire town.*

trail (one's) coat To incite an argument. If one literally trails one's coat, a passerby could easily step on it, thus creating a tense situation. *With a comment like that, she is clearly trailing her coat, and I refuse to take the bait.*

trailer (park) trash derogatory slur A poor, uneducated, and unsophisticated person who lives in or was raised in a trailer park. *Just because I come from a caravan park doesn't make me trailer trash. I'm working on my PhD at Harvard, for goodness' sake! I don't want my daughter going out with trailer park trash like him!*

train of thought One's uninterrupted progression of thinking. *When the phone rang, it derailed my train of thought—I totally forget what I was talking about! Please don't interrupt my train of thought when I'm writing.*

train wreck **1.** A major or total failure, disaster, or catastrophe. *This project has become an absolute train wreck. We've wasted so much time and money already, I don't know how we'll make up the losses. Despite a stellar cast, the film turned out to be a real train wreck.* **2.** A person whose life is a complete mess or is in total disarray. *I don't know about my relationship with Kevin. He's a bit of a train wreck, between you and me.*

transcendental meditation A practice derived from Hindu traditions, in which a practitioner repeats a mantra to achieve a state of relaxation and mental calm. *I've felt much less anxious ever since I started practicing transcendental meditation.*

trapped in a time warp See [be trapped in a time warp](#).

tread lightly 1. To walk carefully, so as not to disturb what is underfoot or nearby. *This is rare alpine vegetation, so tread lightly. Tread lightly so you don't wake up the baby.* 2. To be extra tactful in one's dealing with someone so as not to offend or aggravate. *The boss is really irritable today, so if you have bad news for him, tread lightly. Tread lightly if you ask Mrs. Smith for extra credit—she usually gets annoyed with those requests.*

tread on air To be extremely happy. *I've been treading on air ever since I got engaged!*

tread on (someone's) toes To insult, offend, or upset someone, especially by involving oneself in that which is someone else's responsibility. *I want to help Johnny out on his project, but I know he's very proud, and I don't want to tread on his toes in any way. Look, you're going to have to tread on a few peoples' toes if you want to get ahead in this business.*

treat them mean, keep them keen Neglecting a romantic partner (or a potential romantic partner) keeps him or her interested in you. A: *"Why hasn't Tom called me yet? I thought he liked me."* B: *"Maybe he thinks that 'treat them mean, keep them keen' actually works."*

trench mouth A bacterial infection in which the gums and throat are inflamed and prone to ulcers. Also known as "necrotizing ulcerative gingivitis," the illness is called "trench mouth" because it commonly affected soldiers in the trenches during World War I. *I just saw a patient with a terrible case of trench mouth.*

trick of the trade A skill associated with a particular job that makes one more proficient, often acquired through experience. *You'll get better at taking dictation—you're a receptionist now, and it's a trick of the trade. When you're a pediatrician, being able to stay calm while dealing with panicked parents is a trick of the trade.*

trick (oneself or something) up To adorn with fancy, attractive, or ostentatious clothing or ornaments. *I like getting tricked up before going out for a fancy meal. He spent all that money tricking his car up, but the thing still runs like a piece of junk.*

trick up (one's) sleeve A secret plan, idea, or advantage that can be utilized if and when it is required. A reference to cheating at a card game by hiding a favorable card up one's sleeve. *I've got a few tricks up my sleeve if he*

decides to pursue legal action against me.

a trifle A little. *I'm feeling a trifle hungry, but I don't want a big, heavy meal right now.*

trigger **1.** noun Something that causes one psychological distress, typically because it reminds them of a past trauma. *The graphic descriptions in that article were a trigger for me.* **2.** verb To cause psychological distress in someone, typically by reminding them of a past trauma. *This article might be triggering for child abuse survivors.*

trigger warning A statement at the beginning of an article or video advising that its content might be upsetting, especially for trauma survivors. *At least that graphic article came with a trigger warning.*

trip balls semi-vulgar slang To become intoxicated from a hallucinatory or psychoactive drug. *Oh, Jim? Don't worry, he took some acid and is kind of tripping balls, but he'll be fine in a few hours.*

trip out slang To become intoxicated from a hallucinatory or psychoactive drug. *Oh, Jim? Don't worry, he took some acid and is kind of tripping out, but he'll be fine in a few hours.*

Trojan horse **1.** Something that initially seems innocuous but is ultimately bad or malicious. A reference to the myth in which Ancient Greek soldiers hid inside a giant wooden horse in order to gain access to the city of Troy. *That personable new hire turned out to be a Trojan horse—she stole our intellectual property and sold it to the competitor!* **2.** A computer program that appears to be useful or harmless but secretly installs malicious code or software onto the infected computer. *We have malware on our computer because that game you downloaded turned out to be a Trojan horse.*

trouble and strife Wife. The phrase comes from Cockney rhyming slang. Primarily heard in UK. *How's the trouble and strife? I haven't seen her in a while.*

trouble in paradise cliché Stress, difficulty, unhappiness, or discontentment in what is thought to be a happy or stable situation, often a marriage or romantic relationship. *I think that's David's husband over there flirting with the bartender. Surely there isn't trouble in paradise already? It looks like there might be trouble in paradise for the tech giant, as news is*

leaking of a major internal power struggle within the company.

troubled waters A situation, circumstance, or experience that is fraught with disorder, difficulty, confusion, stress, etc. *No one really thought about the money lenders who were making cash hand over fist during the recession, capitalizing on the troubled waters many homeowners and small businesses found themselves in. Dan's and David's marriage has been in troubled waters for a few years, so their divorce seemed inevitable to a lot of us.*

true believer One who passionately supports a cause or concept. *My sister is a true believer in social equality, so she is out at the protest today.*

(one's) true colours One's true or honest beliefs, thoughts, convictions, biases, desires, etc.; one's real personality, character, or disposition. Primarily heard in UK. *Dave said all along that he only wanted this deal because it was in the company's best interest, but he showed his true colours once he realised that he wouldn't get any special commission for his efforts. You will really see your friends' true colours when you call upon them in a time of crisis.*

(one's) (true) stripes One's true or honest beliefs, thoughts, convictions, biases, desires, etc.; one's real personality, character, or disposition. (A less common variant of "one's (true) colors.") *Dave said all along that he only wanted this deal because it was in the company's best interest, but he showed his true stripes once he realized that he wouldn't get any special commission for his efforts. You will really see your friends' true stripes when you call upon them in a time of crisis.*

true to (one's) colors Unfailingly loyal. *Don't worry, the enemy will not be able to sway Richard—he is true to his colors.*

trump card 1. A designated card in some card games that ranks above all others. *The only way I can win this hand is if I get the trump card.* 2. A resource used to gain an advantage over others, often by being held and then used at an opportune time. *I have a feeling the prosecution still hasn't played their trump card in this trial—I expect a big revelation during tomorrow's testimony.*

the truth be known See [\(if the\) truth be known](#).

the truth be told See [\(if the\) truth be told](#).

try (one's) utmost To put forth the greatest possible amount of effort or

energy toward some task or goal; to try as hard as one can. *I'll try my utmost to be there for your wedding, but I don't know if I'll have enough money to buy the plane ticket. Janet tried her utmost to save the family farm, but the bank foreclosed on it in the end.*

tub of guts A particularly overweight person. *I used to be a tub of guts when I was in high school, but during college I really made an effort to slim down.*

tub of lard A highly derogatory term for an obese person. *These glamour magazines make it seem like anyone who's not a cover model is basically a tub of lard.*

the tune the old cow died of Advice or complaints instead of actual help. The phrase refers to an old song about a farmer who serenaded his cow about the lack of grass, instead of feeding her. *I know you have a lot of suggestions for how to help the homeless, but honestly, they are the tune the old cow died of. The people who have come here tonight need food, so get in there and serve them.*

tuppence 1. A variant spelling of "two pence," it can refer to two pennies, or to a British coin with a value of two pennies. Primarily heard in UK. *You don't have to pay me back—that thing was so cheap, it practically cost just a tuppence.* **2.** An insignificant amount of something. Typically used in negative sentences. *I don't give a tuppence what that ridiculous woman thinks! If he doesn't come to my show tonight, I'll know he doesn't give a tuppence about me.*

(one's) tuppence (worth) One's ideas, opinions, or point of view. Primarily heard in UK, Australia. *If anyone wants to hear Dr Sanders' tuppence worth about the anti-vaccination debate, you can tune in to his podcast this Friday. I'd just like to put in my tuppence worth before we finish up the meeting, if I may.*

turd in the punchbowl vulgar slang Something or someone that spoils, ruins, or needlessly complicates a situation or circumstance; a disagreeable nuisance or source of irritation. *For these greedy corporate executives, restrictions put in place by regulators to protect consumers are just turds in the punchbowl. Not to be the turd in the punchbowl, but I really think we should take this money we found to the police, instead of keeping it for ourselves.*

turf (someone) out To eject, evict, or otherwise forcibly remove someone (from someplace). Primarily heard in UK. *The bouncer turfed the drunkard out of the bar after he started a fight with another customer. I just found out that the landlord is turfing us out at the end of the month because he wants to move back into the house himself.*

turf war **1.** An ongoing fight among factions, often criminal ones, attempting to control a particular territory (i.e. their "turf"). Primarily heard in US. *The neighborhood has been torn apart by the turf war between the two gangs.* **2.** By extension, a dispute or hostile environment among persons or factions competing for a particular position, or influence in a particular area. *The school newspaper has become the scene of a turf war among several ambitious students who all want to add "editor" to their college applications. The electoral map has become nothing more than a diagram of the turf war between the two parties.*

turfed See [be turfed](#).

turfed out See [be turfed out](#).

turkey shoot A fight or competition that is one-sided because one combatant or competitor is far superior to the other. Primarily heard in US. *What some predicted to be a long, arduous war ended up being a turkey shoot because the smaller country lacked adequate troops and firepower.*

turkey slap slang The use of one's penis to slap another's face.

turn a corner To begin to find success or improvement after a particularly difficult or troubling period. *I know that rehab has been hard on you, but I feel like you've been really turning a corner lately. Their new start-up took a couple of years to get going, but they finally turned a corner when their product was featured in a high-profile tech magazine.*

turn a phrase To express something in very adept, elegant, and clever terms. *Mr. Broadmoor is so cultivated and witty. Not only is he remarkably intelligent, but he is always able to turn a phrase most poignantly.*

turn an honest penny To earn money in an honorable and legitimate way, typically through one's hard work. *I used to swindle people, but I turn an honest penny these days, I swear! You're 40 years old—you need to get a job and start turning an honest penny.*

turn around (something) To reverse the direction or course of

something; to reverse the way something is facing or oriented. *I swear, if you kids don't stop fighting back there, I am going to turn around this car and take us straight back home! The company is hiring a new financial consultant to turn around the sales trends of the last two years.*

turn back the clock **1.** Literally, to set the clock to an earlier time. *Can you turn back the clock? It's five minutes fast.* **2.** To revisit, recount, or recreate a time or era from the past. *If I could turn back the clock, I would manage my finances better so I could retire at an earlier age. The purpose of this conference is to turn back the clock by analyzing early human remains to gain insight into their way of life.*

turn belly up **1.** slang To die. Likened to a fish floating upside down when it dies. *Those fireflies are going to turn belly up if you don't poke some holes in the lid of that jar.* **2.** slang To completely cease to work; to fail or become defunct. *Sorry, Mark, I'd love to give you a lift to the airport, but my car turned belly up on me again. It looks like our co-op might be turning belly up if we aren't granted a licence for our communal work premises.*

turn full circle To return to the original or a similar position, situation, or circumstance where one or something started. *After the banking sector brought on the economic collapse through lack of federal oversight, things seem to be turning full circle as politicians are beginning to call for deregulation of the industry once again. I used to work in various kitchens during college to support myself, but now I've turned full circle and am the head chef of my own restaurant.*

turn in (one's) badge To stop working. *I can't believe it's time to turn in my badge already—this internship just flew by! My father recently turned in his badge after 30 years at the same job.*

turn into a pumpkin To have to return home or go to bed due to the late hour of the night. (Usually used as a present participle, the phrase is a reference to the story of Cinderella, whose magic carriage turned into a pumpkin at midnight.) *I've had a wonderful time, but I'm turning into a pumpkin. I think I'll call a cab and head home.*

turn of events A sudden change or alteration in a situation or circumstance. *After an unexpected turn of events, the president has announced that he will be resigning from office. Sometimes it takes a dramatic turn of events for our lives to head in the direction they were meant*

for.

turn of phrase 1. An expression. *I understood what she was saying until she used a turn of phrase that I had never heard.* **2.** An eloquent style of writing or speaking. *That writer's turn of phrase has earned him many accolades and awards.*

turn of the screw Something that worsens an already difficult or negative situation. *Seeing my ex-boyfriend with his new girlfriend is just another turn of the screw. My financial situation is already dire, so that traffic ticket is a real turn of the screw.*

turn (one's) coat dated To change one's allegiance or affiliation (especially in politics) for personal gain or advantage. *A good politician will espouse the most hard-line stance of his party's political ideologies, but a successful politician knows when to turn his coat.*

turn (one's) face to the wall To die. This phrase originated in the Bible. *I just learned that Lady Catherine has turned her face to the wall—what a tragedy.*

turn (one's) hand to (something) To undertake or apply oneself to (doing) something; to attempt or be able to do something. *I'd like to turn my hand to learning the saxophone in my spare time. With Sarah's intelligence, she could probably turn her hand to anything after high school.*

turn (over) in (one's) grave To (hypothetically) show enormous anger, disfavor, or regret for someone's actions or something that happens after one has died. That is, if someone were still alive, they would be greatly upset, angered, or disgusted by what has happened. *I can't believe you're using our employees' pension payments to prop up a Ponzi scheme. The founder of this once-great company would be turning in his grave to see its directors stoop so low. Your poor mother would turn over in her grave if she heard the horrible things you were saying about your sister. I can't believe you wrecked your grandfather's prized truck. That's enough to make him turn over in his grave!*

turn (someone) around (one's) (little) finger To gain complete control, dominance, or mastery over somebody; to make someone do whatever one wishes. *The spoiled little brat has completely turned his parents around his little finger. Everyone accused her of turning the boss around her finger.*

turn (someone or something) loose To release or discharge someone or something, as from confinement. *Due to a lack of evidence, the suspects were turned loose by police. Samantha was suspended for turning mice loose throughout the school.*

turn (someone) round (one's) (little) finger To gain complete control, dominance, or mastery over somebody; to make someone do whatever one wishes. *The spoiled little brat has completely turned his parents round his little finger. Everyone accused her of turning the boss round her finger.*

turn (someone's) crank To excite or arouse the interest of someone. *To be honest, science never turned my crank in school. I was always more interested in literature.*

turn (something) to account To gain or profit from something. *I'm confident that I can turn this new invention of mine to account.*

turn swords into ploughshares To abstain from destructive activities, such as war and violence (symbolized by swords), in favor of peaceful, constructive activities (symbolized by ploughshares, a farming implement). The phrase comes from the Bible. *We must turn swords into ploughshares so that our children can inherit a peaceful world.*

turn the air blue To use profane language, especially with great rapidity and intensity. *My dad turned the air blue after he found out I'd put a dent in his car.*

turn the corner To begin to find success or improvement after a particularly difficult or troubling period. *I know that rehab has been hard on you, but I feel like you've been really turning the corner lately. Their new startup took a couple of years to get going, but they turned the corner when their product was featured in a high-profile tech magazine.*

turn the scale(s) To change the balance of a situation, such that one side or element is favored or gains advantage. *The two candidates are so close in the polls that both are vying for something that will turn the scale in their favor. The immense interconnectivity of social media has turned the scales of power somewhat back into the hands of the ordinary population.*

turn the screw(s) (on someone) To exert excessive and coercive pressure, force, or threats of violence on someone. *The bank has really*

started turning the screws on me ever since I began missing my mortgage payments. I'll send one of my men around to him tomorrow to start turning the screw. Then we'll see if Johnny's still so sure he won't sign the contract.

turn the trick To do, accomplish, or fulfill exactly what is needed or sought after. *The recipe calls for pancetta ham, but I think this regular bacon should turn the trick. The movie's plot, such as it is, won't go on to win any awards, but the gory special effects will turn the trick for any fans of the horror genre.*

turn the/(one's) clock(s) back To adjust the time on one's clock(s) back by one hour to account for the end of daylight saving time. *Don't forget to turn your clock back tonight. I hate having to turn the clocks back every autumn, it's such an antiquated custom.*

turn the/(one's) clock(s) forward To advance the time on one's clock(s) ahead by one hour to account for the beginning of daylight saving time. *Don't forget to turn your clock forward tonight or you'll end up oversleeping tomorrow! I hate having to turn the clocks forward every spring, it's such an antiquated custom.*

turn tits up **1.** mildly vulgar To break or malfunction; to die, fall apart, or cease to work. (A variant of the more common "go tits up," itself a play on the phrase "go belly up." "Tits up" is sometimes hyphenated.) *Sorry Mark, I'd love to give you a lift to the airport, but my car's turned tits up on me again. It looks like our co-op might be turning tits-up if we aren't granted a licence for our communal work premises.* **2.** mildly vulgar By extension, to have a poor, undesired, or ruinous outcome; to fail completely or not come together at all. *We were all set to have our picnic on Saturday, but the weather turned tits up, and we had to cancel at the last minute. The merger deal between the two companies turned tits-up when it came to light that one of the CEOs had been dodging tax obligations for several years.*

turn tricks slang To perform sexual acts for money. Typically said of a prostitute. *A lot of these girls are addicts who started turning tricks to get drug money.*

turn two slang In baseball, to make two outs on the same play. Another way of referring to a "double play." *Did you see them turn two? What a play!*

a turn-up for the book(s) A remarkable, unusual, and unexpected event, occurrence, or piece of news. Primarily heard in UK, Australia. *Mr*

Literature Snob reading a trashy romance novel? Now that's a turn-up for the books! A: "After the concert, I ran into the singer at a pub down the road from the venue. It turns out his mother went to the same school as mine!" B: "Wow, there's a turn-up for the book!"

turning a corner See [turn a corner](#).

turnt slang Characterized by excitement or euphoria, perhaps due to intoxication. *That party was turnt, man! You should have been there! You were turnt last night—how much did you drink?*

turnt up slang To be intoxicated. *You were turnt up last night—how much did you drink?*

tweetstorm **1.** A series of tweets on a particular topic composed by an individual Twitter user and posted in succession. Each tweet may start with number and a slash (such as "2/4") to convey that it is part of a longer message. *Good grief, did you see her latest tweetstorm? I don't need eight tweets from one person clogging up my feed!* **2.** A surge in activity on Twitter as users comment on a particular topic or current event, often one that is controversial. Such users commonly use a unique hashtag relevant to the topic. *The actor's sexist comments sparked a real tweetstorm, as well as a*

public outcry.

twelve-ounce curls See [12-ounce curls](#).

twenty-three skiddoo See [23 skidoo](#).

twenty-three skiddoo st. See [23 Skidoo Street](#).

twenty to the dozen See [talk twenty to the dozen](#).

twenty winks A very brief nap or a short sleep. *When you have a baby for the first time, you are suddenly forced to learn how to operate on only twenty winks at a time. I'm going to go grab a quick twenty winks before everyone starts arriving for the dinner party.*

twerk slang To perform a dance (called "twerking") that includes provocatively shaking and lowering one's buttocks. *It seemed like every girl in the club was twerking along with the music.*

twinkle in (one's) eye **1.** A facial expression that denotes happiness, amusement, or knowledge of a secret. *Just when Rita thought all hope was lost, Jared got a twinkle in his eye that told her he had a plan to get them both out of that sticky situation.* **2.** A hope or plan that is not yet in existence. *You were not even a twinkle in your mother's eye when that photo was taken.*

twinkle in (one's) father's eye A phrase used to describe the time before one's birth. *I never knew my grandparents; they died when I was just a twinkle in my father's eye.*

twinkle of an eye See [in the twinkle of an eye](#).

twinkly-eyed Happy, cheerful, innocent, and good-natured. *Jack's new girlfriend is so twinkly-eyed and friendly that I actually find it a little bit irritating. The company has brought in a new twinkly-eyed spokesperson to help improve their public image.*

twinning slang Matching someone else in appearance. *You guys are twinning with your sparkly purple phone cases. Look at us, twinning in our grey sweater dresses!*

twist (someone) around (one's) (little) finger To gain complete control or dominance over someone; to make someone do whatever one wishes. *The spoiled little brat has completely twisted his parents around his little finger. Everyone jealously accused her of twisting the boss around her finger.*

two a penny Very common, ordinary, or widespread. *At first, they were quite novel and interesting, but now these little organic cafés have become two a penny. Trashy crime novels like his are two a penny, but at least he's doing what he loves.*

two birds with one stone Two tasks completed, achieved, or taken care of at the same time or with a singular series of actions; two problems solved with one action or solution. Typically used with the verbs "kill" or "hit." *I might as well kill two birds with one stone and drop off my tax return while I'm at the mall for the computer part I need. Bike-to-work plans are a great way of hitting two birds with one stone: getting more exercise while cutting down on the cost of your daily commute.*

Two Bob **1.** slang A 10-pence coin. Typically capitalized. Primarily heard in UK. *Grandma gave me a Two Bob for my birthday!* **2.** slang A 20-cent coin. Primarily heard in Australia. *Grandma gave me a two bob for my birthday!*

two can play that game If one person can do something (often something deceptive or hurtful), so can another. This phrase typically prefaces an act of retaliation. *Did she really start a rumor about me? Well, two can play that game—I'll make sure the whole school is talking about her by tomorrow morning! Stu's been getting here early to impress the boss, so here I am too—two can play that game!*

two cents One's opinion or point of view for whatever it may be worth, generally when it is unasked for. *I find Jeff's husband a bit trying at times. He always insists on putting in his two cents whether we want his opinion or not! Here's my two cents: I think the staff would really appreciate a bump in their pay.*

two for two An acknowledgment of one's success with two things. *Wow, he got both questions right? He's two for two! I've attempted two things on my to-do list and have gotten both done. I'm two-for-two this morning!*

two left feet A lack of coordination, especially while dancing. Typically used with the verb "have." *Don't ask Paul to dance, he has two left feet. I decided to take dance lessons before the wedding because I have two left feet.*

two of a kind Very similar, typically in interests, dispositions, or beliefs. *Those kids have the same wacky sense of humor—they're truly two of a kind.*

They're two of a kind, of course they're married!

(one's) two pennies (worth) One's ideas, opinions, or point of view. Primarily heard in UK. *If anyone wants to hear Dr Sanders' two pennies worth about the anti-vaccination debate, you can tune in to his podcast this Friday. I'd just like to put in my two pennies worth before we finish up the meeting, if I may.*

(one's) two penn'orth One's ideas, opinions, or point of view. ("Penn'orth" is a contraction of "pennies' worth.") Primarily heard in UK. *If anyone wants to hear Dr Sanders' two penn'orth about the anti-vaccination debate, you can tune in to his podcast this Friday. I'd just like to put in my two penn'orth before we finish up the meeting, if I may.*

two-second rule A guideline denoting the distance that a driver should ideally maintain from the back of another car in order to avoid hitting it in the event of a fast stop. *While teaching my daughter how to drive, I made sure to emphasize the two-second rule. I've never been in a car accident, and I think it's because I always keep the two-second rule in mind when I drive.*

two sides of the same coin Two things that seem disparate but are actually related. *I've always felt that environmentalism and human rights are actually two sides of the same coin.*

two thumbs up An indication of one's approval or enthusiasm. The phrase can be used literally or figuratively. *I loved that movie so much that I would give it two thumbs up! She just gave me two thumbs up, so the meeting must have gone well.*

two-way street A situation in which both sides must put forth an equal amount of effort to achieve a desired result. Primarily heard in US. *Respect is a two-way street—you have to give it if you expect to receive it.*

two wrongs make a right The belief that a hurtful or deceitful action is acceptable if it is retribution for another. *I know you think that two wrongs make a right, but honestly, I disagree. Just because he insulted you doesn't mean it's OK for you to start a rumor about him.*

(one's) twopence (worth) One's ideas, opinions, or point of view. Primarily heard in UK, Australia. *If anyone wants to hear Dr Sanders' twopence worth about the anti-vaccination debate, you can tune in to his podcast this Friday. I'd just like to put in my twopence worth before we finish*

up the meeting, if I may.

the tyre kicker See [tire kicker](#).

Rafieienglishclinic.com

U

U-turn 1. Literally, a sudden 180-degree turn made by a vehicle, such that it is quickly facing or moving in the opposite direction. *Once I realized I was going the wrong way, I had to do a U-turn at the next light.* **2.** By extension, any sudden and drastic reversal, as of opinion, policy, intention, fortune, trend, etc. *After a huge public outcry about the controversial program, the president quickly made a U-turn and announced that he would not support the plan. The disastrous unveiling of the tech giant's latest gadget marks a major U-turn in their otherwise unyielding success.*

ugly duckling A person or thing once considered unattractive or unlikely to succeed that becomes beautiful or successful in time. The phrase refers to Hans Christian Andersen's fairy tale of an ugly duckling that grows up to be a beautiful swan. The phrase can apply to physical appearance or to the level of success of something. *I thought that fledgling company would dissolve in months. No one foresaw that it was just an ugly duckling and would have great success. Mary went unnoticed in high school but she's gorgeous now—a real ugly duckling!*

un-friend See [unfriend](#).

unavailable energy In science, energy converted into a form that is unavailable for work. *Today, we'll be studying the unavailable energy in this system.*

uncanny valley A hypothesized phenomenon holding that humans experience a sense of revulsion or cognitive discomfort when encountering robots, dolls, animations, or other human-like entities that exhibit human characteristics that are not precisely lifelike. The "valley" refers to the portion of the spectrum of realism in which a feeling of the "uncanny" is experienced—i.e. between depictions that are convincingly lifelike and those that are intentionally unrealistic. The concept was first described by Japanese robotics professor Masahiro Mori in 1970. *None of our testers reacted positively to that doll. They all found it creepy, which might be indicative of the uncanny valley. The computer-generated faces at the end of the movie really dipped into the uncanny valley—I found them really distracting.*

uncharted waters A situation or circumstance that is foreign, unclear, or unfamiliar and which may be dangerous or difficult as a result. *We're starting to get into uncharted waters exploiting these tax loopholes. If we aren't careful, the government may crack down on us hard! John keeps himself so closed off that I've never understood the uncharted waters of his emotions.*

an Uncle Tom A derisive term for a black person who is submissive or servile to white people. The phrase refers to the titular faithful black servant in Harriet Beecher Stowe's novel *Uncle Tom's Cabin*. *He was once a passionate activist, but he's become an Uncle Tom.*

Uncle! An exclamation of defeat and/or a plea for mercy, especially in an informal physical contest of some kind. *Uncle! Uncle! Let me out of this headlock already!*

under a cloud (of suspicion) Viewed with distrust and/or thought to be dishonorable. *Ever since that leak of private emails, everything the CEO has done has been under a cloud. As far as I'm concerned, the victim's husband is under a cloud of suspicion until we interrogate him.*

under a microscope Under close inspection or intense scrutiny. *Since I got that official reprimand in work, it feels like I'm being put under a microscope by my boss. The country's surveillance methods have been under a microscope lately, after it emerged that it had been eavesdropping on its own citizen's communications.*

under erasure A literary practice in which a word is erased from a text but left visible, usually to emphasize that the term is relevant but imperfect. This concept, also known as *sous rature*, originated in the philosophical works of Martin Heidegger. *Class, why do you think the author chose to include this word under erasure?*

under false colors Using or under the guise of false pretenses, so as to deceive someone or to hide one's true nature or intentions. (An allusion to the identifying flags of a ship, and so usually used in the phrase "sail under false colors.") Primarily heard in US. *Tim thought he could just put on fancy clothes and rub elbows with the upper crust that Janet's family socialized with, but everyone at the party knew he was sailing under false colors. I don't want to be accused of flying under false colors, so let me say straight away that I'm being paid to give a review of this product today.*

under foot **1.** Literally underneath one's feet. *Be careful, there are some fire ants under foot.* **2.** In one's way; acting as an obstacle. *Can you take the kids outside? I can't get a thing done with all of them under foot. I tried to get some cleaning done today, but with the dog under foot, I wasn't very productive.*

under glass **1.** In a greenhouse. Typically used to describe plants grown in a greenhouse. *If you want these plants to thrive, you'll need to grow them under glass.* **2.** In a protective case. *Come and look at these cool specimens that are under glass. Our pricier jewelry is kept under glass.*

under (one's) breath Of speaking, very softly or indistinctly, especially so that one's words can only be heard or understood by oneself. *"You'll get what's coming to you one of these days," Janet muttered under her breath. Quit speaking under your breath like that, Steven. Speak up so that I can hear what you're saying!*

under (one's) feet So physically close to someone as to be a nuisance or obstruction, sometimes literally as a tripping hazard. Usually said of a person or animal. *I haven't been able to get any work done today with the kids under my feet asking me to take them to the park. Our puppy always gets under our feet when we're trying to move around the kitchen—it's getting a little dangerous!*

under (one's) thumb Under another's authoritarian control; continually forced to submit to another's will. *They seem happy when they're out and about, but I hear that Johnny is under his husband's thumb at home. Although the job paid well, I couldn't stand the way I was under the boss's thumb.*

under (one's) very eyes Right in plain sight or while one is watching. *Someone smashed into my parked car under my very eyes. Each day, under our very eyes, we see signs of poverty and need on our city's streets.*

under pain of With the threat of undergoing something extremely bad or unpleasant as a punishment. (Often used in the phrase "under pain of death.") *Under pain of having our pay docked, we were told we had to come in every Saturday until further notice to take care of the backlog in work. The prisoners were forced to march under pain of death from the POW camp across the burning desert.*

under pain of death With the threat of dying or being executed as a punishment. (Sometimes used hyperbolically.) *The prisoners were forced to march under pain of death from the POW camp across the burning desert. I am under strict instructions by my wife not to leave the house in disarray by the time she comes back from her trip, under pain of death!*

under par Below average; not as good as desired, required, or expected. *This essay you turned in on Friday is really under par, Stevens. Has something been distracting you from your studies recently? Our food was rather uninteresting, and the service was really under par. I honestly don't understand why this restaurant is so popular! I'm feeling a bit under par this morning, boss. I don't think I can make it in to work today!*

under separate cover old fashioned In a separate correspondence. *This letter serves only as a receipt of your application—we shall send you our decision under separate cover after it has been reviewed.*

under (someone's) spell Influenced or controlled by someone because one finds that person fascinating, enchanting, or seductive. *Our son never acted out like this before he fell under that new student's spell. Ever since I fell under Susan's spell, our relationship has progressed much more quickly than I would normally be comfortable with.*

under the aegis of Under the protection, sponsorship, or patronage of; under the supervision, control, or management of. *This course will be offered under the aegis of the English Department. Although the program receives federal funding, it is run under the aegis of the state.*

under the auspices of Under the protection, sponsorship, or patronage of; under the oversight, supervision, control, or management of. *The whole exhibition, under the auspices of the National Organization for Women, aims to draw attention to the injustices women all over the world face every day. After the overthrow of the previous government, the country is now led by a dictator under the auspices of the US government.*

under the carpet Kept secret or hidden from view, usually due to one's misfortune or embarrassment. The phrase is typically used with the verbs "sweep" and "brush," likened to how dirt would be swept under a carpet to hastily hide it. *We need to sweep this scandal under the carpet as soon as possible. I was so mortified by my mistake that I immediately tried to brush it under the carpet.*

under the cosh Contending with a difficult or stressful situation; experiencing pressure or difficulty. Primarily heard in UK. *Local businesses have been increasingly put under the cosh by the austerity measures imposed by the government after the economic crash. Manchester United has really been under the cosh in this second half. I don't think they've left their own side of the pitch more than a handful of times.*

under the covers **1.** Literally, in one's bed. *I'm not going out tonight—I'm already in my pajamas and under the covers!* **2.** In consort with another, usually secretly (and perhaps scandalously). *They may represent different parties, but I think those two politicians are under the covers together. The way he keeps looking at her makes me wonder if they're under the covers together.*

under the gun In a stressful situation that requires quick action, often to meet a deadline; under pressure. *We have to get these pages to the printer by 8, so work faster, people—we're under the gun tonight! Has anyone called an ambulance? Judging by the severity of this man's injuries, we're really under the gun here.*

under the microscope Under close inspection or intense scrutiny. *After I got that official reprimand at work, it feels like I'm being put under the microscope by my boss. The country's surveillance methods have been under the microscope lately, after news sources learned that it had been eavesdropping on its own citizens' communications.*

under the pump Under pressure to perform, succeed, or achieve results. Primarily heard in Australia. *The fast-food giant has been under the pump in the last few years, as sales and market share continue to slide. An ageing batsman, I found myself under the pump to show that I still had what it takes to be a great cricket player.*

under the rug Kept secret or hidden from view, usually due to one's misfortune or embarrassment. The phrase is typically used with the verbs "sweep" and "brush," likened to how dirt would be swept under a rug to hastily hide it. *We need to sweep this scandal under the rug as soon as possible. I was so mortified by my mistake that I immediately tried to brush it under the rug.*

under the spell of (someone) Influenced or controlled by someone because one finds him or her fascinating, enchanting, or seductive. *Our son*

has never acted out like this before. I think he must be under the spell of that new friend of his. Such was the magnitude of her beauty that countless men have been under the spell of the duchess.

under the weather **1.** Mildly ill. *Yeah, I was under the weather last week, but I'm feeling much better now.* **2.** Drunk. *Do you remember last night at the bar at all? You were really under the weather!* **3.** Suffering from a hangover. *We were out celebrating Valerie's birthday last night—that's why we're all under the weather today.*

under the yoke Under or at the mercy of an immense and oppressive force, burden, or pressure. *Thousands of people are estimated to have lost their lives under the yoke of the brutal dictatorship. Under the yoke of misogyny, racism, and homophobia, a gay woman of color will inevitably face an immense amount of discrimination in our society.*

under the yolk Under or at the mercy of an immense and oppressive force, burden, or pressure. (A common misspelling of the correct phrase, "under the yoke.") *Thousands of people are estimated to have lost their lives under the yolk of the brutal dictatorship. Under the yolk of misogyny, racism, and homophobia, a gay woman of color will inevitably face an immense amount of discrimination in our society.*

under (the/someone's) radar Without being noticed, detected, or addressed. *A: "Have you heard this band's latest album?" B: "I didn't even know it was out, it must have flown under my radar." Every year, the government promises to do something about the homelessness problem, yet every year it seems to slip under the radar again.*

underpromise and overdeliver Workers should aim to exceed a customer's expectations, in order to achieve customer satisfaction. *I want all of our customer service representatives to underpromise and overdeliver, so that all experiences with our company are positive ones. The boss urges us to underpromise and overdeliver, but I think our clients are perfectly happy when we do just what we promised.*

undertow **1.** A strong undercurrent, as in the ocean. *There's a really powerful undertow today, so I think the kids should stay out of the water.* **2.** A contrasting tone or aspect in art or literature. *That movie is advertised as a comedy, but the humor has a strong undertow of sadness and despair.*

unfriend To delete a friend from one's network on a social media site. *I*

can't believe he unfriended me just because I disagreed with an article he posted.

the university of life The informal education one receives by learning from one's experiences, both good and bad, rather than a formal educational institution. *My uncle might not have made it past grade school, but he's learned more from the university of life than most of our professors. A proper education is indeed important, but do not neglect the lessons you receive from the university of life.*

an unknown quantity A person or thing that is unpredictable and thus difficult to anticipate. *We're still revising our new product, so its potential success is an unknown quantity. This is her first year teaching, so her ability to connect with her students is still an unknown quantity.*

uno ab alto A slogan of the US Air Force. This Latin phrase translates to "one from on high." *Since its inception, the Air Force has used a variety of slogans, including "uno ab alto."*

unring a bell To rescind information that has been shared publicly, especially that which is damaging to a person or organization's reputation. Just as a bell cannot be "unrung," this is usually a futile effort. *How confident are you in this information? Because once we announce it, we can't unring a bell. You may think your lawyers can unring a bell, but I doubt this scandal is going away anytime soon.*

untested waters A situation or circumstance that is foreign, unclear, or unfamiliar and which may be dangerous or difficult as a result. *We're starting to get into untested waters exploiting these tax loopholes. If we aren't careful, the government may crack down on us hard! Though every precaution is being taken, this experimental procedure is still very much in untested waters.*

until all hours (of the day and night) Until a very late hour of the night or early hour of the morning. *Johnny keeps taking the car and staying out until all hours, and I just don't know what to do anymore! My boyfriend lives in another state, so to make up for the long distance, we stay up talking until all hours of the day and night.*

until doomsday For a very long, indefinite amount of time; forever. *Although we don't have to pay for medical care in this country, you'll sometimes be waiting until doomsday to receive elective treatment. My wife*

was talking on the phone with her sister until doomsday last night!

until kingdom come For a very long, indefinite amount of time; forever. *Although we don't have to pay for medical care in this country, you'll sometimes be waiting until kingdom come to receive elective treatment. My wife and her sister will talk on the phone until kingdom come if nothing interrupts them!*

until (one) is blue in the face For a great or unending length of time; until one has done it to exhaustion. *You can complain about it until you're blue in the face, but you're going to school today whether you like it or not. They are such strange friends. They'll argue until they're blue in the face, then they'll go out for dinner and be the best of pals.*

until the bitter end See [till/until the bitter end](#).

until the last dog is hung Until the very end. *You can leave early, but I'm staying here until the last dog is hung.*

the unwashed masses The broader general public, especially those of the lower and lower-middle classes. *The film didn't cause too great a stir with the unwashed masses, but it has been considered a milestone in cinematic achievement among film critics. The world of the super-rich is one that we among the unwashed masses can't even begin to understand.*

up a gum tree In a challenging or troublesome situation. (Possums were known to flee predators by hiding in gum trees.) Primarily heard in UK, Australia. *I have no savings, so if I get fired from my job, I'll be up a gum tree. Shouldn't we stop for gas? We'll be up a gum tree if the car dies on that desolate road ahead.*

up a stump In a challenging situation. *I'm a single mother who just lost her job—I'm really up a stump right now.*

up (a/the) creek (without a paddle) slang In a challenging or troublesome situation, especially one that cannot be easily resolved. *I have no savings, so if I get fired from my job, I'll be up the creek without a paddle. Shouldn't we stop for gas? We'll be up a creek if the car dies on that desolate road ahead.*

up against a brick wall Stymied by difficulties or obstacles that seem unlikely to change. *There are so few properties available in our town right now that prospective buyers are basically up against a brick wall. I'm trying*

to get funding for my project, but so far I'm up against a brick wall and have made only \$20.

up against it Having or likely to face serious problems, stresses, or difficulties. *Each year, more and more families find themselves up against it going into the holiday season. Sorry I haven't been in touch recently, I've just really been up against it at work the last few weeks.*

up against (something) Having or being likely to face serious problems, stresses, or difficulties. *Each year, more and more families are up against debt going into the holiday season. Sorry I haven't been in touch recently, I've just really been up against it in work the last few weeks. This team is undefeated, so we're up against our biggest challenge this season.*

up alley See [\(right\) up \(one's\) alley](#).

up and about Moving around, especially after a period of injury, illness, or inactivity. *After months in a cast, I'm finally up and about again, thank goodness! The surgery went very well, and the doctor is optimistic that she'll be up and about soon. We're all thrilled to be up and about after seven hours on a bus!*

up-and-comer Someone who displays signs of or potential for ambitious development, advancement, and achievement. *That new intern we hired certainly is an up-and-comer, don't you think? I wouldn't be surprised if she ended up running this place someday. He might not have won the championship round, but this amateur is definitely an up-and-comer!*

up and down 1. Alternately happy and sad, as due to depression or a traumatic event. *My dad's been quite up and down ever since he lost his job at the factory. I was really confused as to why I felt so up and down after having my baby, until my doctor told me about postpartum depression.* 2. Going between success and failure. *Things were a bit up and down in the first few years of the business, but now we're seeing stable profit growth each month.*

up and running 1. Functioning properly, either after a malfunction or for the first time. *Until the dryer is up and running again, I guess I'll be going to the laundromat. It only took me a few minutes to get the printer up and running after taking it out of the box.* 2. Newly-launched, as of a business or product. *We are so happy to announce that, after years of preparation, our design company is officially up and running!*

up for (something) 1. Ready and willing to do something *Sure, I'm up for going to the mall. I'm a little busy right now, but your brother is probably up for a game of basketball. You look tired. Are you sure you're up for this?* 2. Slated for a potential change in one's official status. *The boss said I might be up for a promotion after the next quarter. Nicky's been on his best behavior since he's up for parole next year. Dr. Stephen will be up for tenure at the end of this term.*

up her street See [\(just/right\) up \(one's\) street](#).

up in arms Very upset or angry about something, likened to an armed rebellion, from which the phrase originated. *The whole town is up in arms about the addition of a new shopping center. Mom was really up in arms after I dented her brand-new car.*

up in the air Uncertain; subject to change. *Becky and I were supposed get brunch this weekend, but things are up in the air now because she's not feeling well. Because the whole town protested plans to build a new shopping center, that proposal is now up in the air.*

up on (one's) ear 1. Angry or frustrated. Primarily heard in US. *Please don't get up on your ear, I really didn't mean to upset you.* 2. Showing effort. Primarily heard in US. *Wow, you really got up on your ear and did a lot of work today!*

up (one's) alley Suited to one's interests. *I really like Romantic poetry, so this class on John Keats is right up my alley. I'm sure Dave can fix your car—mechanical things like that are really up his alley.*

up (one's) sleeve Of a plan or advantage, kept in secret so it can be utilized if and when it is required. A reference to cheating at a card game by hiding a favorable card up one's sleeve *My stamina is the ace up my sleeve for this race—the other runners don't stand a chance! I've got a few tricks up my sleeve if he decides to pursue legal action against me.*

up (one's) street Suited to one's interests. *I really like Romantic poetry, so this class on John Keats is right up my street. I'm sure Dave can fix your car—mechanical things like that are really up his street.*

up shit creek (without a paddle) rude slang In a challenging or troublesome situation, especially one that cannot be easily resolved. *I have no savings, so if I get fired from my job, I'll be up shit creek without a paddle.*

Shouldn't we stop for gas? We'll be up shit creek if the car dies on that desolate road ahead.

up shit's creek (without a paddle) rude slang In a challenging or daunting situation. *I'm a single mother who just lost her job—I'm really up shit's creek right now. A: "I just found out that the school told my parents that I'm failing French." B: "Oh man, you're up shit's creek without a paddle."*

up-skirt See [upskirt](#).

up the duff Pregnant. Primarily heard in UK, Ireland. *You two have only been married for a couple of months, I can't believe you're up the duff already! I was pretty wild during my university years, which is how I found myself up the duff at 22.*

up the stick Pregnant. Primarily heard in UK, Ireland. *You two have only been married for a couple of months, I can't believe you're up the stick already! I was pretty wild during my university years, which is how I found myself up the stick at 22.*

up the walls Extremely busy or overworked; having many things to contend with at once. Primarily heard in UK, Ireland. *Sorry I haven't been in touch, but between work and our new baby, I've just been up the walls lately! Thank goodness you're here, Mary, we're up the walls in here! Could you take this order out to table 10 straight away, please?*

up the wazoo To an excessive or extreme degree; in great or excessive abundance. *The company's had financial difficulties up the wazoo lately, but the CEO is adamant that it will start making a profit soon. I only buy video game consoles after they've been out a while and stores aren't charging up the wazoo for them.*

up the yin-yang To an excessive or extreme degree; in great or excessive abundance. *The company's had financial difficulties up the yin-yang lately, but the CEO is adamant that it will start making a profit soon. I only buy video game consoles after they've been out a while and stores aren't charging up the yin-yang for them.*

up there Positioned above someone or something *Can you reach that book up there? Oh, that's right, I put the plates up there.*

up there with See [\(right\) up there with \(someone or something\)](#).

up to elbows See [\(in\) up to \(one's\) elbows](#).

up to eleven At the highest or most extreme level. The phrase comes from the movie *This Is Spinal Tap* and refers to the maximum volume on the band's amplifiers, which is marked as 11 instead of 10. *I love that song! Turn it up to eleven! If we're going to win this game, we need our intensity to be up to eleven.*

up to eleven To an intense, excessive, or extreme degree; at or beyond the maximum amount or normal threshold. (Coined in the 1984 comedy film *This is Spinal Tap*, referring to the guitar player's amplifier going to eleven, as opposed to the traditional limit of ten.) *Some of the best nights we had when we were teenagers were spent just driving aimlessly, cranking the car stereo up to eleven. Whenever our parents' fighting got up to eleven, my sister and I made ourselves scarce.*

up to eyes See [\(in\) up to \(one's\) eye\(ball\)s](#).

up to grade Meeting a necessary standard. *I don't think this product is up to grade—it shouldn't break down this quickly.*

up to ninety Extremely busy or overworked; having many things to contend with at once. Primarily heard in Ireland. *Sorry I haven't been in touch, but between work and our new baby, I've just been up to ninety lately! We're up to ninety in here, Mary! Could you take this order out to table 10 straight away, please?*

up to no good Engaging in malicious or nefarious behavior. *I'm worried that my daughter's boyfriend is up to no good—he always seems to be involved in some bizarre scheme. What are you boys whispering about? You're up to no good, aren't you?*

up to (one's) ears in (something) Having too much of something; overwhelmed by something. *We're still unpacking our new house, so we're just up to our ears in boxes. If any of my guys get hurt at the construction site, I'll be up to my ears in paperwork.*

up to (one's) eyeballs (in something) Extremely busy (with something); deeply or overly involved (in something); possessing, filled up with, or overwhelmed by an excessive amount (of something). *There's no way I can take a vacation right now, I'm up to my eyeballs in work at the moment! I only meant to be peripherally involved in David's business venture, but, before I knew it, I was in up to my eyeballs! Dana was worried*

she wouldn't find any work as an accountant working for herself, but she's up to her eyeballs in clients!

up to (one's) eyes (in something) Extremely busy (with something); deeply or overly involved (in something); possessing, filled up with, or overwhelmed by an excessive amount (of something). *There's no way I can take a vacation right now, I'm up to my eyes in work at the moment! I only meant to be peripherally involved in David's business venture, but, before I knew it, I was in up to my eyes! Dana was worried she wouldn't find any work as an accountant working for herself, but she's up to her eyes in clients!*

Up to (one's) neck in alligators business adage The full expression is some variation of: "When you are up to your neck in alligators, it's easy to forget that the goal was to drain the swamp." It is easy to be so overcome or preoccupied by various tangential worries, problems, or tasks that one loses sight of the ultimate goal or objective. *I've spent so much time dealing with various infrastructure problems for my new business that I've had no time to actually develop our product properly. I guess it's easy to forget, when up to your neck in alligators, that the mission is to drain the swamp.*

up to (one's) neck in (something) Having too much of something; overwhelmed by something. *I'm still unpacking my new house, so I'm just up to my neck in boxes. If any of my guys get hurt at the construction site, I'll be up to my neck in paperwork.*

up to scratch See [\(not\) up to scratch](#).

up to something Actively engaging in mischief or preparing to do something nefarious, usually in clandestine way. *That guy over there keeps snooping around the front of the store—I think he's up to something. Why won't you tell me who you were on the phone with? Are you up to something?*

up to the gills Drunk. *Boy, you were really up to the gills last night—how hungover do you feel this morning? You're up to the gills, stumbling in here reeking of alcohol!*

up with the chickens Awake at a particularly early hour, especially at or before sunrise (i.e., the hour when chickens wake). *I'm sorry, but I have to get going. I have to be up with the chickens tomorrow. Ma is up with the chickens every day to prepare breakfast for the farmhands.*

up with the crows Awake, out of bed, and active at a particularly early hour of the morning. Primarily heard in Australia. *I don't know how he does it, but my husband has gotten up with the crows every morning of his life. I won't have another pint, thanks. I have to be up with the crows tomorrow, so I'd better head home soon.*

up with the lark Awake at a particularly early hour, especially at or before sunrise (i.e., the hour when larks sing). Primarily heard in UK. *I'm sorry, but I have to get going. I have to be up with the lark tomorrow. Mum is up with the lark every day to prepare breakfast for the farmhands.*

up with the lark(s) Awake, out of bed, and active at a particularly early hour of the morning. *I don't know how he does it, but my husband has gotten up with the lark every morning of his life. I won't have another pint, thanks. I have to be up with the larks tomorrow, so I'd better head home soon.*

up your alley See [up \(one's\) alley](#).

up your alley See [\(right\) up \(one's\) alley](#).

up your sleeve See [up \(one's\) sleeve](#).

up your street See [up \(one's\) street](#).

up your street See [\(just/right\) up \(one's\) street](#).

uphill battle A task that is very daunting from the outset and continues to be challenging. *The incumbent is so popular that defeating her will be an uphill battle. I'm terrible at math, so I have a real uphill battle ahead of me if I want to improve my grade in Algebra.*

(upon) my word An interjection expressing surprise, amazement, or incredulity. *Upon my word, I cannot believe that my own wife would stoop to such depths of treachery! My word, Jenkins, this report is simply terrible. You're going to have to do better than that if you want to stay in this company.*

upon the heels of Soon after. *It's no surprise that a recession has come upon the heels of the stock market crash. I've been sick all month—one illness just follows upon the heels of another!*

upon the whole Considering all parts or aspects of something together; ultimately. *Karen isn't doing well in French this semester, but upon the*

whole, her grades are good. Upon the whole, we had a great trip, but it was annoying that our flight got delayed.

upskirt A video or photo that has been taken with the camera aimed up a woman's skirt, often secretly and without her consent. *I'll make sure that the man responsible for this disgusting upskirt video is sued.*

upwardly mobile Ascending or having the ability to ascend in social rank, esteem, or class. *I was worried that Janet's wealthy parents would think I wasn't upwardly mobile enough to go out with their daughter. It wasn't until I received my uncle's large inheritance that I became in any way upwardly mobile.*

use it or lose it If you do not utilize something, usually within a certain timeframe, it will disappear or no longer be viable. Said as an imperative. *If you want to stay fit, you need to keep exercising regularly—use it or lose it.*

use (one's) head To use one's own intelligence and intellectual ability; to think logically and rationally. In this phrase, "head" refers to one's brain. Often said as an imperative. *Come on, Dean, I know you can figure this out on your own. Use your head for a change!*

use (one's) noggin To use one's own intelligence and intellectual ability; to think logically and rationally. ("Noggin" here is slang for head or brain. Often said as an imperative.) *Come on, Dean, I know you can figure this out on your own. Use your noggin for a change! I can't believe you were arrested for selling marijuana. What were you thinking? Why don't you use your noggin once in a while?*

use (one's) noodle To use one's own intelligence and intellectual ability; to think logically and rationally. ("Noodle" here is slang for head or brain. Often said as an imperative.) *Come on, Dean, I know you can figure this out on your own. Use your noodle for a change! I can't believe you were arrested for selling marijuana. What were you thinking? Why don't you use your noodle once in a while?*

user base business jargon The number units of a particular product or service that are currently in use, especially software or an Internet or computing platform. (Also referred to as "install(ed) user base" or simply "install(ed) base.") *There have been fears that the computer giant's existing user base may decline after their newest operating system is implemented. The video game developer's insistence on backwards compatibility in their*

newest console shows an earnest effort to keep their user base happy.
utter a word See [not utter a word](#).

Rafieienglishclinic.com

V

v 1. The roman numeral for 5. *V stands for 5, so VII is 7.* **2.** An abbreviation for "versus," used to indicate a competition between two entities. In this usage, it is usually followed by a period. *It's Jackson v. Jones, the fight of the century!* **3.** An abbreviation for "very" that is typically used in text messages and social media posts. In this usage, it is seen with and without a period. *My cat knows that napping is v important. This legislation is v. important. Please call your senators.*

vajayjay slang Vagina. The term was popularized after being used on a 2006 episode of the TV show *Grey's Anatomy*, whose writers chose it due to censors' objection to multiple instances of the word "vagina." *I'd really rather not have to talk about my vajayjay in front of your parents, so let's not bring up the birthing class.*

vajazzle slang Of a woman, to adorn one's pubic area with decorative elements, like rhinestones and glitter. It is likely a portmanteau of "vagina" and "bedazzle." *I don't know why vajazzling is so popular right now—women have survived thousands of years without decorating their private parts!*

valley of death A grim place where death is or seems imminent. It appears in the Alfred, Lord Tennyson poem "The Charge of the Light Brigade" and is likely a shortened version of the Biblical phrase "valley of the shadow of death." *Walking through that old, bombed-out neighborhood, Sam felt like he was in the valley of death. I would never be able to march into the valley of death like soldiers do.*

valley of the shadow of death A grim place where death is or seems imminent. This Biblical phrase comes from Psalm 23. *Walking through that old, bombed-out neighborhood, Sam felt like he was in the valley of the shadow of death. I would never be able to march into the valley of the shadow of death like soldiers do.*

vape To smoke an electronic cigarette. The term is a shortening of "vapor" (that which is inhaled from an e-cigarette). *A lot of teenagers are vaping these days, which usually leads to smoking traditional cigarettes.*

variety is the spice of life Having many different experiences is what makes life interesting, exciting, enjoyable, or worthwhile. *I think everyone should travel the world. Variety is the spice of life, after all! You should really start trying new foods instead of eating the same thing all the time. Variety is the spice of life.*

vaulting school obsolete A house of prostitution; a brothel. ("Vaulting" being an allusion to sexual intercourse.) *To such a depth of degradation he has fallen, that his abode has been a vaulting school for a fortnight past.*

velvet handcuffs A situation that is undesirable, unenjoyable, or unfulfilling but that provides enough financial security as to make one unwilling or unable to leave. *After nearly three years at my mind-numbing job, held back by the velvet handcuffs of my salary and benefits, I decided to break away from it all and go live in Japan.*

(one's) Venus turns out a whelp An outdated expression used to describe the failure of something that was once expected to be successful. The phrase comes from dice, in which the best roll was once known as a "Venus" and the worst a "canis" (a dog). A "whelp" is a young dog. *I thought I was definitely going to get a promotion, but I didn't even get a raise—my Venus turned out a whelp, all right.*

verbal assault Very hostile speech directed at someone. *Don't talk to Stan today—I just tried to ask him a simple question, and I got a verbal assault. A: "Why are you crying?" B: "The professor gave me a verbal assault in the middle of my presentation."*

verbal diarrhea Babbling, longwinded talk; inane and lengthy chatter. Primarily heard in US. *I get so nervous when I go out on dates that I always start getting verbal diarrhea and sounding like a fool.*

Vermont charity An expression of sympathy, especially when more tangible assistance is needed. A: *"I'm so sorry that you still have so much work left to do."* B: *"Don't give me Vermont charity—grab a paint brush, and help me out here!"*

vertically challenged Short; not tall in stature. (Pseudo-politically correct slang used for humorous effect.) *Whenever anyone teases me about my height, I just tell them that I'm vertically challenged! Yeah, my boyfriend is a little vertically challenged, but he's the most loving man I've ever known.*

Vicar of Bray Someone who changes their alleged fundamental belief(s) or allegiance(s) in keeping with the popular views of the time, so as to gain or maintain a favorable position or advantage. (An allusion to Simon Aley, a 16th-century vicar in the town of Bray, Berkshire, who changed his religious doctrine between Roman Catholicism and Protestantism to that of the ruling monarch.) *Though the statesman always remained popular in the polls, many politicians felt him to be a Vicar of Bray, changing the tune of his rhetoric to meet whatever fancy the public demanded at the time.*

vicious circle A negative situation that is constantly maintained or worsened, rather than resolved. *Underdeveloped countries are often stuck in a vicious circle of poverty that their citizens can never overcome. I use my credit card because I don't make enough money to pay my bills, and as soon as I get paid, any extra money goes toward my credit card bill. That vicious circle is why I'm constantly broke!*

view in a bad light See [in a bad light](#).

a viper in (one's) bosom A friend, lover, or relation who proves to be traitorous, untrustworthy, deceitful, or ungrateful. (Used especially in the phrase "nourish/nurse/nurture a viper in one's bosom.") *Well, it turns out that Margaret was quite a viper in my bosom. I put my neck on the line to get her a job in our company, and then she turns around and tries to steal my position!*

viral Quickly and widely circulated on the Internet, as of content such as a video, picture, or post. *Have you seen that viral video of the puppy lounging on a pool float? It's hilarious! This meme is definitely going to go viral.*

virgin ears Said of a person who is or seems particularly young or innocent (and thus has not been exposed to much profanity or other inappropriate talk). *I can't curse in front of him—he's 10 years old and still has virgin ears! Please go upstairs—the story I'm about to tell is not meant for virgin ears.*

virgin territory Completely unexplored or untested field(s) or area(s) of activity. *The entrepreneur made his millions when he set up one of the world's most popular search engines back when the Internet was still considered virgin territory.*

viviparous lizard A European species of lizard, so named because the

females give birth to live young (as opposed to laying eggs). *Today, we're going to study the viviparous lizard.*

voice crying in the wilderness One who expresses an unpopular opinion or idea. *He was a voice crying in the wilderness as he tried to expose the vast corruption within the organization. She felt like a voice crying in the wilderness as she tried to warn others about the impending economic collapse.*

a voice in the wilderness See [\(lone\) voice in the wilderness](#).

volte-face A complete change of opinion or belief. The phrase comes from the Italian term *voltafaccia*. *Everyone was surprised when the candidate made a complete volte-face on her stance on taxes.*

w00t See [woot](#).

w00t w00t See [woot woot](#).

wading bird A type of bird with long legs and a long neck that is typically found in shallow water. Examples include the crane and the stork. *Look at all that wading bird near the shore. I think it might be a heron.*

wag (it) To absent oneself or leave early (from school or work) when one would normally be required to be there; to play truant. Primarily heard in UK, Australia. *I was so restless and bored at work that I decided to just wag it after lunch without telling anyone. Hey, Jim and I are planning on wagging from school on Friday, do you want to come with us? That's the last time you wag class, mister! From now on, I'm dropping you to school every morning!*

wag off To absent oneself or leave early from school or work when one would normally be required to be there; to play truant. Primarily heard in UK, Australia. *I was so restless and bored at work that I decided to just wag off after lunch without telling anyone. Hey, Jim and I are planning on wagging off from school on Friday, do you want to come with us? That's the last time you wag off class, mister! From now on, I'm dropping you off to school every morning!*

wag (one's) tongue To talk or chat. *My dad is a pretty quiet guy, but when he's interested in something, he can really wag his tongue. My wife and her sister haven't seen each other in a while, so they've been wagging their tongues all day.*

WAGs An acronym for "wives and girlfriends." It is usually applied to wives and girlfriends of famous people, especially professional athletes. *Are WAGs invited to the event too?*

wait for dead men's shoes To await one's inheritance (and thus anticipate another's death). *Not that I'm waiting for dead men's shoes, but I'm going to get a lot of money when my grandfather dies.*

wait for it 1. Do not continue or begin (speaking, moving, doing something, etc.) until precisely the right moment. *Don't start the attack until*

you see the signal from our scouting party. Wait for it... OK, go now! **2.** An interjection used parenthetically to indicate that the speaker is about to say or introduce something one thinks is particularly funny, interesting, exciting, or surprising. *So while we were out on our date, we got talking about our families, and it turns out that he—wait for it—is a distant cousin! I couldn't believe it! So a horse goes into a bar, and the bartender says to him—wait for it—"Why the long face?" Get it?*

wait on (someone) hand and foot To dote on someone and do everything that they want. *I don't know if Tom's relationship with Jeremy is healthy. It seems like he's always waiting on him hand and foot. I hate the way Terrence waits on the boss hand and foot—what a toady!*

wait upon (someone) hand and foot To dote upon someone and do everything that they need or want. *I don't know if Tom's relationship with Jeremy is healthy. It seems like he's always waiting upon him hand and foot. I hate the way Terrence waits upon the boss hand and foot—what a brown-noser!*

waiting game A situation where one postpones or delays a decision or course of action so as to first see what might happen or what one's opponent(s) might do. (Often used in the phrase "play a/the waiting game.") *The prosecution has submitted a plea bargain to the defendant, so it's a bit of a waiting game at the moment to see if she will take it. The market is rather tumultuous at the moment, so I think we're better off playing the waiting game rather than making any hasty decisions.*

wake up and smell the roses See [stop and smell the roses](#).

wake-up call 1. A phone call that one schedules to be placed to one's hotel room in order to be woken up at a certain time. *I set an alarm and scheduled a wake-up call so there's no way I oversleep for the first conference session tomorrow.* **2.** An event that triggers a sense of urgency or the motivation to make a change. Primarily heard in US, Australia. *Harold's sudden chest pain was the wake-up call he needed to finally see his doctor. That terrible car accident was just the wake-up call I needed to quit my boring office job and start acting again.*

wake up on the wrong side of (the) bed To be in a particularly and persistently irritable, unhappy, or grouchy mood or state, especially when it is not in line with one's normal disposition. *I'm sorry I snapped at you*

earlier, I think I just woke up on the wrong side of the bed today. Jeez, the boss has been in a really bad mood all day. I guess he must have woken up on the wrong side of bed!

wake up with the chickens To wake up at a particularly early hour, especially at or before sunrise (i.e., the time when chickens wake). *No, thank you, I won't have another drink. I have to wake up with the chickens tomorrow. Ma wakes up with the chickens every day to prepare breakfast for the farmhands.*

walk a mile in (someone's) shoes To spend time trying to consider or understand another person's perspectives, experiences, or motivations before making a judgment about them. *I know that certain people can come across as selfish or mean-spirited, but you should try walking a mile in their shoes before you dismiss them too quickly.*

walk away scot-free To escape from some predicament, accusation, or wrongdoing without incurring any penalty or punishment; to be acquitted of all charges for some crime or crimes. *It sickens me that all these bankers who ruined our economy get to walk away scot-free, while millions of people have suffered as a result. Due to an error in the filing of evidence by police, the suspect ended up walking away scot-free.*

walk down memory lane To reminisce over memories of past events, especially happy ones. *My grandmother spends more time walking down memory lane these days than talking about the present. Sarah: "How did your coffee date with John go?" Amy: "It was pretty amicable, actually. We walked down memory lane for a while, and then we went our separate ways."*

walk down the aisle To get married. *I still can't believe that Nora and Scott walked down the aisle—I never thought I'd see those two get married!*

walk of life 1. One's socioeconomic status or background. *It was nice to see people from every walk of life come together to raise money for the sick little girl.* 2. One's profession. *I've always been interested in medicine, but I'm far too squeamish for that walk of life.*

walk on eggshells To act with great care and consideration so as not to upset someone. *The littlest thing tends to anger my mother, so I feel like I have to walk on eggshells whenever I'm at her house.*

walk on the wild side 1. noun A risky, raucous, adventurous, or licentious act, instance, or period of time. *I liked to take a walk on the wild side while I was in college, but now that I'm a bit older, I tend to be a bit more conservative in the things I do for fun. Jim, we've had such a quiet, sheltered life together. I want at least one walk on the wild side before we get too old!* 2. verb To engage in risky, raucous, adventurous, or licentious behavior. *If you're looking for a wild time on your vacation, you should travel with Samantha—she's always ready to walk on the wild side!*

walk on water To do something impossible or extraordinary. The phrase refers to the Gospel story in which Jesus walks on water. *Because Jeremy was able to finish that huge project in just a few days, the boss now thinks he walks on water. I'm not asking you to walk on water here—just pick up your sister from basketball practice, it's not that hard!*

walk softly and carry a big stick A variation on "speak softly and carry a big stick," a phrase popularized by US President Theodore Roosevelt that encourages one to attempt peaceful negotiations while also being armed and ready for battle. *Because that group is violent and unpredictable, I think you need to walk softly and carry a big stick when you deal with them.*

walk Spanish To force one to leave a place. The phrase might have originally referred to the actions of pirates. A: "Why are you home so early?" B: "Well, they made me walk Spanish."

walk the chalk To show one's competence in a particular area. This outdated phrase refers to a sobriety test in which one had to walk between chalk lines. *I was so worried that I wouldn't be able to walk the chalk, but I got a perfect score on my exam!*

walk the dog To exercise a pet dog by having it walk outdoors. The owner typically guides the dog by holding onto a leash attached to the dog's collar. *I don't have time to walk the dog tonight, so can you please do it? I bumped into your sister while I was out walking the dog.*

walk the talk To back up one's boastful talk with meaningful actions. (A compressed version of the largely American, "If you're going to talk the talk, you have to walk the walk," or, "You talk the talk, but can you walk the walk?" and other such iterations.) Primarily heard in UK. *This consultant has sold us on some pretty radical ideas, but it remains to be seen whether he can walk the talk.*

a walking disaster Someone who seems to constantly be in or cause great amounts of trouble, difficulty, or mayhem; someone who epitomizes disaster or calamity in their actions or behavior. *I heard that John got fired from another job because he kept on messing up his boss's instructions. What a walking disaster! First, I lock myself out of the house, then my grocery bag breaks in the parking lot, and now I stepped on my glasses—I'm just a walking disaster today!*

walking papers A notice of dismissal from one's employment. *After messing up that account, I'm terrified that I'm going to get my walking papers any day now. The boss gave Daniel his walking papers for arriving to work late yet again.*

wall of silence 1. An unspoken policy of concealment by police regarding the wrongdoing or illicit activity of other officers. A variation on the phrase "blue wall of silence." *I respect police, but it's hard to trust them completely when so many stories of the wall of silence come to light.* 2. Constant silence, often due to unhappiness or secrecy. *Ever since my husband found out that I lied to him, there's been a wall of silence between us. Mom can never know that I broke her vase, OK? There's a wall of silence, starting now.*

Wall Street A metonym for the US financial sector and stock exchange. (The New York Stock Exchange is located on Wall Street in Manhattan.) *What's the news out of Wall Street this morning? Judging by Wall Street, I think this economic recession is finally over.*

wallflower Someone who remains on the outer edges of a social event, especially a dance or party, and does not participate due to being shy or unpopular. *I used to be a real wallflower when I was in high school. It wasn't until I got to college that I finally started having a bit more confidence and began enjoying myself at parties.*

wallow in the mire To remain stuck in an undesirable or negative situation due to one's unwillingness to do something to change. *Jane left you six months ago—it's time to stop wallowing in the mire and get back to living your life.*

wangle (one's) way into (someplace or some situation) To succeed in entering some location or situation by tricky, clever, or persuasive means. *I didn't think we'd be able to do it, but after Rajesh talked to the*

bouncer, we were able to wangle our way into the night club. I've been trying to wangle my way into the honors course at Harvard all year, but so far, nothing has helped.

wangle someone into (someplace or some situation) To succeed in getting someone into some location or situation by tricky, clever, or persuasive means. *It turned out that Rajesh knew the bouncer at the club, so he was able to wangle us into the place even though we weren't on the guest list. I don't know how I let Jeff wangle me into looking after his dogs this weekend—I don't even like dogs!*

wanton kittens make sober cats One who behaves wildly in youth often shows more restraint in adulthood. *I wouldn't worry too much about your son's interest in partying—wanton kittens make sober cats most of the time.*

war bride A woman who marries a serviceman—often one from another country—in wartime. *I was a war bride. I met your father when he was stationed in Germany, where my family was living at the time, and we married soon after.*

a war of nerves Psychological warfare used to wear down an adversary's resolve through fear tactics. *The dictator's threats against the sovereign nation he was trying to conquer became a war of nerves as the citizens worried about the future of their country.*

war of words A lengthy argument characterized by verbal exchanges. *The union boss got into a war of words with management over the unfair treatment of the workers.*

warm and fuzzy 1. noun A highly sentimental, reassuring, and comforting emotional response. (Sometimes hyphenated.) *If all you want out of a relationship is a constant source of the warm and fuzzies, then you are going to have a hard time finding meaningful, long-term connections with people. I got such warm-and-fuzzies from visiting the lake house again after so many years.* 2. noun A thing or situation designed to provoke or evoke such an emotional response. (Sometimes hyphenated.) *Toys that people grow up with tend to become a sort of warm-and-fuzzy for them later in life.* 3. adjective Particularly sentimental, reassuring, and comforting, as of an emotional response. (Sometimes hyphenated.) *My dad was never a warm-and-fuzzy type of guy, but, in his own way, he always let us know that he*

loved us. *I love this movie, it always gives me a warm and fuzzy feeling whenever I watch it.*

warm fuzzy **1.** A highly sentimental, reassuring, and comforting emotional response. *If all you want out of a relationship is a constant source of warm fuzzies, then you are going to have a hard time finding meaningful, long-term connections with people.* **2.** A thing or situation that provokes or evokes such an emotional response. *Toys that people grow up with tend to become sort of warm fuzzies for them later in life.*

warm regards A friendly but slightly formal valediction (used to say farewell at the end of a letter or other written message; also known as a complimentary close). *I hope I'll have the chance of meeting with you again soon. Warm regards, Brian*

warning shot **1.** Literally, the firing of a weapon to signal an impending attack and/or to urge the opponent into surrender. *We're almost at the shore—send up a warning shot before we land.* **2.** By extension, something used to signal future events and/or to urge people into a particular course of action. *This petition is just a warning shot, saying that we'll be arrested if we keep playing our music so loud. I say, turn it up!*

warrior ant A species of ant that is known to travel in armies and capture other ants. *In today's class, we will study the behavior of the warrior ant.*

wash a brick To do or attempt something futile. *That couch will never fit up the steps—tell them to stop trying to wash a brick!*

wash-and-wear (clothing) Of or made from cloth that is resistant to forming wrinkles after washing, and therefore requires little or no ironing after being dried. *I'm so happy I invested in these wash-and-wear shirts for work. Now I get all sorts of things done in the time that I would have been ironing all of them.*

wash (one's) dirty linen in public To discuss very private, personal matters, especially that which may be embarrassing, in public or with other people. *It always makes me uncomfortable when John starts going into all his personal problems whenever our friends get together. I just wish he wouldn't wash his dirty linen in public like that. People have an unnatural fixation on the personal lives of celebrities, but I don't see why they should be expected to wash their dirty linen in public.*

wash (one's) hands To clean one's hands, typically with soap and water. *Kids, be sure to wash your hands before coming to the dinner table! Everyone in my class is sick, so I've been washing my hands constantly.*

wash (someone's) mouth out (with soap) To punish someone for using rude, vulgar, or obscene language by cleaning their mouth with soap (usually used merely as a threat). *If you kids don't stop cussing in this house, I'm going to wash your mouths out with soap!*

waste no time (in) (doing something) To act or do something immediately or as expediently as possible. *Wow, Sarah wasted no time finding a new boyfriend after she and Rob split up. We have to have the application in by tomorrow morning, so we must waste no time in getting everyone's signature that we need.*

a waste of breath Talk or discussion that is without worth, done in vain, or likely to be ignored. *Don't bother trying to change my mind about this, it's a waste of breath! It looks like my whole pitch to the board of directors ended up being a waste of breath.*

a waste of energy A useless, vain, or redundant effort or action. *It turns out the boss had already chosen a direction for the project, so my presentation was a complete waste of energy.*

waste (one's) breath To talk of, discuss, or say things that are likely to be ignored or are in vain. *Don't bother trying to change my mind about this, you're wasting your breath! It looks like I wasted my breath trying to pitch my idea to the board of directors.*

watch (one's) mouth To be very mindful or cautious about what one says; to control what one says in order to avoid offensive language. *Watch your mouth! I don't care how you speak at home, that's not how we talk here. After being threatened with detention for my snide remarks in class, I knew I had to watch my mouth for the rest of the semester.*

watch (one's) tongue To be very mindful or cautious about what one says; to keep a check on one's language or control what one says. *You'd better watch your tongue around these parts, mister, or you'll find yourself on the wrong end of someone's fist! After being threatened with failure for my snide remarks in class, I knew had to watch my tongue for the rest of the semester.*

watch (oneself) 1. To be very careful in one's actions or speech, so as

not to do or say something harmful or offensive. *Knowing that Keith's family might not approve of her liberal beliefs, Janet reckoned she ought to watch herself at their barbecue that coming weekend. I'm so used to swearing with my friends that I really have to watch myself when I'm around my brother's kids.*

2. imperative Be cautious of danger or possible injury. *Watch yourself on the roads tonight, there are always a lot of crazy drivers out on New Year's Eve.*

watch (someone's) back To be willing and prepared to help or defend someone; to look out for someone in case they need assistance. *Don't worry about those thugs, buddy. I'll watch your back if they ever come bother you again. You can always rely on your parents to watch your back.*

a watched kettle never boils When you want something to happen, paying attention to it will make the wait feel much longer. *The doctor is never going to call with your test results if you sit by the phone. A watched kettle never boils, after all.*

a watched kettle never boils If you are waiting for something to happen, obsessively checking it does not make it happen faster. A variation on the more common phrase, "a watched pot never boils." *Would you stop refreshing the page? The results will be posted soon enough, and a watched kettle never boils!*

a watched pot never boils When you want something to happen, paying attention to it will make the wait feel much longer. *The doctor is never going to call with your test results if you sit by the phone. A watched pot never boils, after all.*

water feature A decorative landscaping element that incorporates moving water. Examples include fountains and artificial waterfalls. *I love the water feature in the backyard—it sounds so soothing!*

water power A form of energy that is created by flowing water sources (such as rivers). *The town now uses water power to generate electricity.*

water under the bridge A prior issue that is now resolved or considered resolved. *That argument we had is just water under the bridge now—don't even worry about it.*

watered-down 1. Literally, of a drink or solution that has been diluted with water. *To reduce my daughter's sugar intake, I give her watered-down*

juice. That cleaner has such a strong smell that I can only use a watered-down version of it. **2.** Inferior. That movie was terrible—it's basically just a watered-down version of *The Godfather*.

wave (a/the) white flag To offer a sign of surrender or defeat; to yield or give in. *After the prosecutors brought forward their newest evidence, the defendant waved the white flag and agreed to the plea bargain. We've been in negotiations for weeks, but it looks like the other company might finally be ready to wave a white flag.*

wave goodbye to (something) To lose or end something, especially suddenly; to be forced to accept such a loss or end. *You were caught drinking on school property? Well, you can wave goodbye to your brand new car, mister! After the final horse lost its race, I waved goodbye to all the money I'd won that day at the track. You do realize that you'll be waving goodbye to all the health insurance benefits the company has to offer if you decide to work as a freelancer?*

wave the bloody shirt To encourage violence and animosity. The phrase was especially popular during the US Civil War. Primarily heard in US. *A lot of people in our country are waving the bloody shirt right now, but I just can't support acts of violence, however justified they may be.*

way back A relatively long time ago, especially when recalling something that is not the case now. Primarily heard in UK. *I used to really like this band way back, but now that I'm older, they just sound silly to me. Way back, there were only a few channels on TV. Now there seem to be thousands!*

way back when A relatively long time ago, especially when recalling something that is not the case now. Primarily heard in US. *I used to really like this band way back when, but now that I'm older, they just sound silly to me. Way back when, there were only a few channels on TV. Now there seem to be thousands!*

way of life **1.** The customs and activities that compose the lifestyle of a person or group. *Fishing and seafaring are a large part of the way of life of these coastal communities. Terrorism is a threat to our freedom and our very way of life.* **2.** Something that is accepted as the status quo. *It's a shame that violence and drug use become a way of life for some troubled teens.*

(one's) way out of a paper bag A phrase use emphasize that one is particularly dim-witted, unintelligent, incompetent, or unable to do something

basic, simple, or straightforward. *Jeff's new boyfriend sure says some dumb things. The dude probably couldn't find his way out of a paper bag. Don't assign that project to her, she couldn't punch her way out of a paper bag!*

the way the cookie crumbles See [that's the way the cookie crumbles](#).

the way the mop flops See [that's the way the mop flops](#).

the way the wind blows What appears probable or likely; how a certain course or situation is likely to develop. *The politician is waiting to see the way the wind blows regarding public opinion on the issue before deciding how to take action. Our next strategy with this project depends on the way the wind blows in the focus test.*

the way the wind is blowing What appears probable or likely; how a certain course or situation is likely to develop. *The politician is waiting to see the way the wind blows regarding public opinion on the issue before deciding how to take action. Our next strategy with this project depends on the way the wind is blowing in the focus test.*

WCW An abbreviation for "woman crush Wednesday," a hashtag that accompanies a social media post of a woman that the poster finds attractive (often a significant other or a celebrity). Such posts occur on Wednesdays due to the name, created simply for alliteration. *Check out my gorgeous wife! #WCW Jennifer Lawrence is my #wcw.*

weak at the knees 1. Literally, in danger of collapsing because one's knees may buckle, due to faintness brought on by a strong emotion, exhaustion, etc. *Hearing the news of my father's sudden death, I went weak at the knees and could barely remain standing.* 2. By extension, affected by a strong emotional reaction to someone or something. In this usage, the reaction is usually positive and associated with romance. *Just thinking about Samantha makes me feel weak at the knees.*

weak in the knees Unsteady or flustered due to a strong emotional reaction to someone or something. *Hearing the news of my father's sudden death, I went weak in the knees and could barely remain standing. Just thinking about Samantha makes me feel weak in the knees.*

weak-kneed Lacking resolve; easily swayed or frightened. *You can definitely get someone weak-kneed like Tim to do this stupid project for you.*

You'll never convince them to give you a raise if you go into the meeting weak-kneed.

weak link Someone or something considered inferior to the other parts of a group, series, or mechanism. *The weak link in computer security is almost always the end user. Derek hardly ever comes to class, so I'm not surprised he was the weak link in our group project.*

weak tea slang Something that is particularly underwhelming or unimpressive. *Many have felt like the president's run in office has been rather weak tea compared to the bold promises he made during his campaign.*

weaker vessel A woman. The phrase comes from the New Testament. *I don't care if you think I'm just a weaker vessel—I've trained to fight on the front lines.*

wear (one's particular profession's) hat To act as one would in one's particular profession while in a different setting. *Bobby, I know you're off duty, but can you please wear your doctor's hat for five minutes and tell me what's wrong with my arm? I don't want to have to go to the hospital. My wife was still wearing her judge's hat when she tried to intervene with our neighbor's arguing kids.*

wear out (one's) welcome **1.** To remain a guest in a place, especially someone's home, for too long, to the point where the host no longer wishes one to stay. *After the cool reception I received at breakfast, it was apparent that I had worn out my welcome at the cottage of my father's friend.* **2.** By extension, to do something that makes one no longer welcome in or at a place. *Things were going fine at the dinner meeting until my coworker made an off-color joke, at which point it seemed that we had worn out our welcome.*

wear rose-colored glasses To assume an unduly optimistic and cheerful attitude (toward something); to focus solely or primarily on the positive aspects (of something). Primarily heard in US. *Many of us wear rose-colored glasses when we think back to our childhoods. It's part of the reason nostalgia is such a powerful emotional draw. I find it a little irksome how you always wear rose-colored glasses, even in the worst of times!*

wear sackcloth and ashes To act in a way that shows one's penitence or remorse for one's misdeeds or poor behavior. *Darren has been wearing sackcloth and ashes ever since his girlfriend broke up with him for*

cheating on her. There's no way to turn back time on the way I treated my brother growing up. All I can do now is wear sackcloth and ashes.

wear several hats To hold or function in more than one position or role. *I work from home, so I'm able to wear several hats: stay-at-home dad, soccer coach, and website developer. Both our editorial assistant and our copywriter left the company at the same time, so I've been wearing several hats ever since.*

wear the bull's feather To have an adulterous wife; to be cuckolded. The cuckold is traditionally associated with horns, and a "bull's feather" was once a term for a horn. *I never thought I would wear the bull's feather, but it's true—my wife cheated on me.*

wear the cap and bells To provide humor and merriment (sometimes by acting as a target for mockery). The phrase refers to the hat adorned with bells that court jesters once wore. *Sean will wear the cap and bells—you can always count on him to liven up a party. I guess I'm wearing the cap and bells today because they are having a great time ridiculing me.*

wear the horns To have an adulterous wife; to be cuckolded. The cuckold is traditionally associated with horns. *I never thought I would wear the horns, but it's true—my wife cheated on me.*

wear the willow To grieve. The willow tree is traditionally associated with sadness. *My grandmother has been wearing the willow ever since my grandfather died. I wore the willow after my true love married another man.*

wear too many hats business slang To hold too many responsibilities or assume too many roles at the same time. *One of the pitfalls many entrepreneurs fall into when setting up a new company is to wear too many hats, which not only spreads themselves very thin, but ends up being counterproductive to the operation as a whole.*

wear two hats To hold or function in more than one position or role. *I'm able to work from home, so I'm able to wear two hats: stay-at-home dad and website developer. Ever since our editorial assistant left the company, I've been having to wear two hats.*

weather breeder A sudden period of sunny and/or clear skies. Poor weather usually resumes afterward. *Don't get too excited about the sun today, I think it's just a weather breeder. I wouldn't be surprised if it rained again*

tomorrow.

we'd better be going See [\(one had\) better be going](#).

we'd better get moving See [\(one had\) better get moving](#).

we'd better get on our horse See [\(one had\) better get on \(one's\) horse](#).

we'd better keep quiet about it See [\(someone had\) better keep quiet about it](#).

we'd better keep still about it See [\(someone had\) better keep still about it](#).

wedding cake The cake served at a wedding reception. It is traditionally tiered and elaborately-decorated, and usually is ceremonially cut by the newlyweds, who then feed the first slice to each other. *Did you see the eight-tiered wedding cake? It's beautiful! Jim and Julie are going to cut their wedding cake now!*

the wee small hours (of the night/morning) The very early hours after midnight. *I was studying for the exam until the wee small hours of the morning, and now I can barely keep my eyes open! We all danced until the wee small hours of the night. I love the wee small hours, when few are awake and one can be alone with one's thoughts.*

weeaboo slang A non-Japanese person with a very strong, perhaps obsessive, interest in Japanese culture. The term gained popularity on the forum 4chan. *Not every manga fan is a weeaboo, OK?*

weeb slang A non-Japanese person who has a very strong, perhaps obsessive, interest in Japanese culture. "Weeb" is a shortened form of "weeaboo," a word that gained popularity on the forum 4chan. *Not every manga fan is a weeb, OK?*

a week from next Tuesday An unspecified date or time far in the future, sometimes used to denote a time that will never come to pass. *At this rate, it will be a week from next Tuesday before I'm ready to start writing this report. You can keep crying until a week from next Tuesday and I still won't buy you that new video game.*

a week is a long time in politics Due to the fast-changing pace of the political landscape, the fortunes of a politician or political group can

change drastically just in the course of a single week. The phrase is attributed to British Prime Minister Harold Wilson, c. 1964. *The challenger is enjoying a surge in popularity after the debate, but there's still time before the election, and a week is a long time in politics.*

weep millstones Said hyperbolically of one who is deemed so cold and indifferent as to be unable to cry tears. *I've never seen Claire show any emotion—in fact, she probably weeps millstones. Why didn't you comfort that poor little girl? Do you weep millstones?*

weep (one's) heart out To weep copiously; to cry intensely and for a long time. *Lauren wept her heart out at the news of her father's sudden death. What did you say to upset your brother? He's been weeping his heart out upstairs for the last half hour!*

weigh anchor To hoist the anchor so that a ship can sail. *Weigh anchor, boys—we're going home!*

the weight of the world An immense or particularly worrisome burden or responsibility. (Often in the phrase "carry/have the weight of the world on one's shoulders.") *Have you seen Mike lately? It looks like he has the weight of the world on his shoulders. You need to learn to ask for help when things become overwhelming instead of trying to carry the weight of the world on your shoulders all the time.*

weight off (one's) mind The relief felt after sharing what one is thinking or feeling with others, or upon no longer having a particular problem. *Having a night out to talk over my problem with my close friend helped me get a weight off my mind. I finally completed my tax return for this year. That's a weight off my mind!*

welcome (someone or something) with open arms 1. To greet someone very happily and eagerly; to give someone a very warm, enthusiastic welcome. *When my brother left for the military, he and I didn't really get along too well. Now that he's coming home soon, I can't wait to welcome him with open arms. It was a little intimidating starting a new job at such a large firm, but everyone there welcomed me with open arms.* 2. To be very pleased and enthusiastic about something, especially that which is new or unexpected. *The president has announced a reversal on his controversial policy, and many people are welcoming the news with open arms.*

welfare Cadillac Used to describe a person or group who receives

government financial aid (perhaps fraudulently) and buys expensive, ostentatious things. *As a someone who is struggling financially without the help of the government, I find those welfare Cadillacs infuriating.*

well dog my cats See [dog my cats](#).

well met archaic A complimentary greeting or salutation. *Well met, lieutenant! It is a fine morning that sees us off to war!*

well padded (hyphenated if before a noun) Of a portly figure; fleshy or fat. *I used to be rather skinny in my youth, but when I hit middle age, I grew rather well padded. I fell off my bike this morning, but luckily my well-padded bottom broke my fall!*

we'll rue the day See [rue the day \(that something happened\)](#).

well-stacked slang Buxom. Primarily heard in UK. *That curvaceous new receptionist sure is well-stacked!*

well versed See [be well versed in \(something\)](#).

(well,) I'll be hanged! An expression of surprise or astonishment, especially regarding some recent revelation. *Bob: "You know, if you run your washing machine at night you can save a lot of money on your electric bill." John: "I'll be hanged, I never knew that before!" Well, I'll be hanged! Who knew so many people would show up to see our concert?*

(well,) I'll be! An expression of surprise or astonishment, especially regarding some recent revelation. *Bob: "You know, if you run your washing machine at night, you can save a lot of money on your electric bill." John: "I'll be, I never knew that before!" Well, I'll be! Who knew so many people would show up to see our concert?*

(well,) imagine that! An expression of surprise, astonishment, or disbelief, especially regarding some recent revelation. *Bob: "You know, if you run your washing machine at night you can save a lot of money on your electric bill." John: "Well, imagine that! I've never heard of such a thing!" Four hundred people came to see our concert tonight? Imagine that!*

well, well, (well) Used to express surprise or incredulity, either sincerely or sarcastically. *Well, well, I must say that I didn't expect to see results like that from the experiment! Well, well, well, what have we here? Up to your old tricks again, Daniel?*

welp A common alternative to "well" that is used to express disappointment, often in text messaging. *Welp, I guess he's not coming—he was supposed to be here an hour ago.*

we're beat See [be beat](#).

we're even See [be even \(with someone\)](#).

we're not in Kansas anymore See [be not in Kansas anymore](#).

we're shot See [be shot](#).

Were you born in a tent? Have you no basic manners? (Usually said after someone has left open a door to the outside.) *Shut the door, it's freezing outside! Were you born in a tent?*

werk slang A statement of praise or affirmation typically used on social media. *Wow, you look gorgeous! Werk.*

wet behind the ears Inexperienced, often because one is young. *You'll never win the case with him as your lawyer—he's just out of law school and still wet behind the ears! This group of interns seems especially wet behind the ears—I barely trust them to get my coffee!*

wet blanket Someone who ruins other people's fun. *Don't invite Nicole to the party. She's such a wet blanket that she'll probably just complain the whole time. David was tired of being called a wet blanket by his friends just because he doesn't drink alcohol.*

wet dream 1. A sexually stimulating dream during which a male ejaculates. *Most boys experience wet dreams when they begin to reach puberty.* 2. rude slang Something that is considered to be very exciting. *The Woodward Dream Cruise is a classic car buff's wet dream.*

wet (one's) beak To partake in part of the profits of another person's business, usually as a result of extortion. (Used especially in reference to organized crime, particularly "protection money" paid to the Italian Mafia.) *Trust me, you're better off just giving him what he wants whenever he comes round to wet his beak. If you don't pay up, you'll have bigger problems.*

wet (one's) pants 1. Literally, to urinate while wearing one's clothing. *I had to go to the bathroom so bad that I'd nearly wet my pants by the time I made it home. Sarah has just finished potty training, but she still wets her pants from time to time.* 2. To laugh hysterically or uncontrollably. (Usually

used in the continuous tense.) *Raj's new boyfriend is hilarious, he had us wetting our pants through the whole lunch!* **3.** To be extremely excited or giddy. (Usually used in the continuous tense.) *Abigail and I were wetting our pants with excitement waiting for the concert to start!*

wet (oneself) **1.** Literally, to urinate while wearing one's clothing. *I had to go to the bathroom so bad that I'd nearly wet myself by the time I made it home. Sarah has just finished potty training, but she still wets herself from time to time.* **2.** To laugh hysterically or uncontrollably. (Usually used in the continuous tense.) *Raj's new boyfriend is hilarious, he had us wetting ourselves through the whole lunch!* **3.** To be extremely excited or giddy. (Usually used in the continuous tense.) *Abigail and I were nearly wetting ourselves with excitement for the concert to start!*

wet the bed To urinate in one's bed, as commonly happens with children as they transition out of diapers. *How old was your son when he finally stopped wetting the bed? Julia wet the bed last night, so I have some extra things to clean up here.*

whack-a-mole **1.** Literally, an arcade game in which the player uses a small rubber mallet to hit robotic toy moles that pop up randomly in holes laid out across the surface of the machine. *I love coming to this old arcade. I have a lot of fond memories playing whack-a-mole and skee ball here as a kid.* **2.** By extension, a situation in which problems continue to arise faster than one is able to solve or cope with them, resulting in piecemeal, incomplete, or temporary results. *These dang pop-up ads are so annoying! It's a game of whack-a-mole every time I go online these days! Every time we think we have the software debugged, more problems show up. We've just been playing whack-a-mole from day one!*

a whale of a **1.** An exceptionally great or excellent. *I had a whale of a time at Pete's wedding—I danced all night long!* **2.** An exceptionally large. *Remodeling the kitchen will make a whale of a difference in the selling price of the home.*

a whale of a (good) time An exceptionally fun, exciting, or amusing experience. (Usually used in the phrase, "have a whale of a (good) time.") *Gee, Samantha, I sure had a whale of a time at the dance with you last night. We should go out again sometime! Come out to our party this weekend, it's sure to be a whale of a good time!*

whale tail slang The waistband of a thong or G-string when it becomes visible above the waistline of the wearer's pants or skirt. *I really don't like wearing thongs, because I'm always paranoid that I'll end up having a whale tail on display.*

What am I, chopped liver? A semi-serious expression of frustration, anger, or indignation at having been overlooked and/or regarded as inferior. The phrase likely originated as a part of Jewish humor, referring to the serving of chopped liver as a common side dish (thus overlooked in favor of the main course), the taste of which many do not find appealing. A: *"Mary is so smart, talented, and creative, I wish she were my best friend!"* B: *"And what am I then, chopped liver?"* They said they wanted to hire someone else for the job. *What am I, chopped liver?*

what are the odds 1. How likely do you think it is that (something will happen or something is the case)? *That new intern is a nightmare. What are the odds she screws up another order? I hear we're supposed to get over two feet of snow. What are the odds of them canceling school tomorrow, do you reckon?* **2.** That is or was incredible; that is or was extremely unlikely. *Wow, I just won money on a scratch card for the third time in a row! What are the odds? And then it turned out that our dads sat next to each other in a class in college. What are the odds?*

what are you angling at See [angle at \(something\)](#).

what are you like slang Said in response to one's funny or strange actions. Primarily heard in UK. *Why did you just march outside in your robe? What are you like?*

what did your last slave die of An expression of irritation, exasperation, or discontent to someone who is being imperious or makes excessive or unreasonable demands on one. *Bill: "Darren, I need you to pick up my dry cleaning before lunch, then arrange for a taxi to pick me up at five o'clock." Darren: "Sheesh, what did your last slave die of?" Bill: "Excuse me? One more outburst like that and you're fired!" Dad: "Sally, take out the garbage like your mother asks." Sally: "All right already! Gosh, what did your last slave die of?"*

what do I know Used to emphasize that what was just said is merely a guess or assumption. (Sometimes used sarcastically.) *If I had to take a guess, I'd say that the fan belt is loose. But I'm not a mechanic, so what do I know?*

If the country keeps trading at such unprofitable rates, there's no way we'll be out of this recession in the next five years. But what do I know, I'm only the top economist in the Midwest.

what do you want to bet (that) I think it is very likely that something will happen or is the case. *That new intern is a nightmare. What do you want to bet she screws up another order? There must be four feet of snow out there. What do you want to bet that they cancel school tomorrow?*

what do you want, a cookie A sarcastic response to one who is excited about or seeks praise for a minor or insignificant accomplishment. *OK, so you hung some Christmas decorations—what do you want, a cookie?*

What does that have to do with the price of cheese See [What's that got to do with the price of cheese?](#)

What does that have to do with the price of eggs See [What's that got to do with the price of eggs?](#)

What does that have to do with the price of fish See [What's that got to do with the price of fish?](#)

What does that have to do with the price of meat See [What's that got to do with the price of meat?](#)

What does that have to do with the price of tea in China See [What's that got to do with the price of tea in China?](#)

what does that have to do with the price of tea in China A rhetorical question calling attention to a non-sequitur or irrelevant statement or suggestion made by another person. *Yes, I agree that health care is an important issue, but what does that have to do with the price of tea in China? We're discussing tax incentives for local businesses—not exactly a related topic!*

what doesn't kill you makes you stronger You can grow and learn from even the most negative experiences. *I just know that you'll survive this illness and be better than ever afterward. What doesn't kill you makes you stronger, right?*

what happens in Vegas stays in Vegas Any scandalous activities that happen when one travels in a group are not to be discussed with other people afterward. The phrase alludes to Las Vegas, Nevada, a popular vacation destination with a reputation as a city of hedonism (due to its

casinos and clubs). The phrase can also be used simply to emphasize that something needs to be kept secret. Primarily heard in US. A: "*Guys, please don't tell my wife what happened while we were on vacation.*" B: "*Sure, man—what happens in Vegas stays in Vegas!*" I really want this party to be a surprise, so please don't share the details we discussed here with anyone else—*what happens in Vegas stays in Vegas, OK?*

what happens on the road stays on the road Any scandalous activities that happen when one travels in a group are not to be discussed with other people afterward. The phrase alludes to the stereotypical partying of musicians on tour. Primarily heard in US. A: "*Guys, please don't tell my wife about all the girls I've been with on the road.*" B: "*Sure, man—what happens on the road stays on the road!*"

what happens on tour stays on tour Any scandalous activities that happen when one travels in a group are not to be discussed with other people afterward. The phrase alludes to the stereotypical partying of musicians on tour. A: "*Guys, please don't tell my wife about all the girls I've been with on the road.*" B: "*Sure, man—what happens on tour stays on tour!*"

what has been seen cannot be unseen Disturbing or upsetting images are not easily forgotten. *Even though I'm back from the battlefield now, what has been seen cannot be unseen.*

what hath God wrought "What has God done"; usually used to express one's awe. The phrase originated in the Bible and, in 1844, Samuel Morse sent it as the first telegram. *Every time I look at my infant daughter, all I can do is marvel—what hath God wrought.*

what I am made of See [show \(someone\) what \(one's\) made of](#).

what in blazes See [in \(the\) blazes?](#)

what in blue blazes See [in blue blazes?](#)

what in creation See [in creation?](#)

what in hell An exclamation used to emphasize surprise, shock, anger, disgust, etc. *Just what in hell is going on here? Aw, what in hell! I just had this fixed, and now there's a dent in it! What in hell! Don't sneak up on me like that!*

what in Sam Hell See [in \(the\) Sam Hill?](#)

what in tarnation See [in tarnation?](#).

what in tarnation An exclamation used to emphasize surprise, shock, anger, disgust, etc. *Just what in tarnation is going on here? Aw, what in tarnation! I just had this fixed, and now there's a dent in it! What in tarnation! Don't sneak up on me like that!*

what (in) the devil An exclamation used to emphasize surprise, shock, or bafflement. *Just what the devil is going on here? What in the devil? I just put my sandwich down, and now it's gone!*

what in the hell An exclamation used to emphasize surprise, shock, anger, disgust, etc. In this phrase, "in the hell" is used as an intensifier. *What in the hell do you think you're doing? You can't come in here! What in the hell? I just had this fixed, and now there's a dent in it! Just what in the hell is going on here?*

what in the world An exclamation used to emphasize surprise, shock, anger, disgust, etc. *Just what in the world is going on here? Aw, what in the world! I just had this fixed, and now there's a dent in it! What in the world! Don't sneak up on me like that!*

what in thunderation See [in thunderation?](#).

what is the good See [what's the good of \(doing something\)](#).

what is the use See [what's the use \(of doing something\)](#).

what it (all) comes down to What it really amounts to is; what the most fundamental or basic aspect of it is. *I know this has been a complex trial, but what it all comes down to in the end is whether or not a shadow of a doubt exists as to my client's guilt. I guess what it comes down to is a lack of communication between team members.*

what must be, must be Whatever is meant or predestined to happen will happen; there is no use in regretting or resisting what one cannot control. *I'm really hoping that I get this job, but what must be, must be.*

what on earth An exclamation used to emphasize surprise, shock, anger, disgust, etc. *Just what on earth is going on here? Aw, what on earth! I just had this fixed, and now there's a dent in it! What on earth! Don't sneak up on me like that!*

what (one) has coming Consequences or punishments that one will

eventually encounter. *Of course she'll go to jail! After stealing that money, that's what she has coming!*

what the An exclamation of surprise, as if one is too startled or confused to finish one's sentence. *When my little brother came home covered in mud, all our mom could say was, "What the?"* A: "Oh, your phone bill came today. I think there's some overage charges on it." B: "What the?"

what the actual fuck rude slang An expression of dismay or indignation. The phrase can begin a question or stand alone. *What the actual fuck is my ex-boyfriend doing here? I can't believe she just said that to me! What the actual fuck!*

what the fuck rude slang An expression of dismay or indignation. The phrase can begin a question or stand alone. *What the fuck is my ex-boyfriend doing here? I can't believe she just said that to me! What the fuck?*

what the fuck 1. rude slang An exclamation of surprise and/or annoyance. *When the car in front of me suddenly slammed on its brakes, I couldn't help but scream, "What the fuck?"* A: "Oh, your phone bill came today. I think there's some overage charges on it." B: "What the fuck?" 2. rude slang Why not? An aside used to emphasize one's nonchalance toward something. *Sure, I'm not doing anything today, let's go to the beach—what the fuck?*

what the hell 1. An exclamation used to emphasize surprise, shock, anger, disgust, etc. In this phrase, "the hell" is used as an intensifier. *What the hell are you doing? You can't come in here! What the hell? I just had this fixed, and now there's a dent in it! Just what the hell is going on here?* 2. Why not; one might as well; it makes no difference anyway. A: "Do you think we can add some extra effects to this scene?" B: "Sure, what the hell." *Let's see, I'll take a gallon of milk, a carton of eggs, a loaf of bread, and... what the hell, one of those bouquets of flowers, too.*

what the hey slang Why not? An aside used to emphasize one's nonchalance toward something. Often used as a euphemism for "what the hell." *Sure, I'm not doing anything today, let's go to the beach—what the hey? What the hey, I'll go to the movies with you tonight.*

what was (one) smoking slang What were you thinking? Used to express confusion, annoyance, or surprise at someone's past actions. The phrase alludes to drug use. *What were you smoking when you picked out this*

hideous wallpaper? What were we smoking when we thought a flight at 6 AM was a good idea?

what was that I did not hear or understand what you just said, could you repeat that? *What was that, Bill? You'll need to speak up.*

what would Jesus do A reminder to act as Jesus Christ would. It is sometimes abbreviated as "WWJD." *Whenever you're faced with temptation, just think: what would Jesus do? Don't exclude the new kids. Come on, what would Jesus do?*

what you have coming See [what \(one\) has coming](#).

what you lose on the swings, you gain on the roundabouts The losses, setbacks, or negative aspects of a certain situation are offset or balanced by equally advantageous or positive elements, or vice versa. (The formation of the phrase can also be reversed.) Primarily heard in UK. *This promotion has meant I can provide for my family much more easily, but it's so demanding that I don't see them all that much—what you gain on the swings, you lose on the roundabouts. People here complain about the high level of taxes, but what you lose on the swings, you gain on the roundabouts—if I were to go into the hospital tomorrow for a major operation, I wouldn't pay a thing.*

what you're made of See [show \(someone\) what \(one's\) made of](#).

what you've never had you never miss If you've never had a particular item or experience, then you will not long for it. *Why would I be sad to be an only child? What you've never had you never miss. I don't care that I don't have a fancy car. What you've never had you never miss.*

what, me worry Said to emphasize one's calm, perhaps cavalier, attitude. The phrase is most often associated with *Mad* magazine and its cartoon cover boy Alfred E. Neuman. A: *"I can't believe you're so unconcerned with all the problems in the world today."* B: *"What, me worry?"*

whatever it takes Anything necessary to complete a task or goal, usually with a sense of reckless abandon. *I will do whatever it takes to get this promotion—even making sure that co-workers' blunders get back to the boss. Their team is more skilled than ours, so we'll have to do whatever it takes to win this game.*

what(ever) will be, will be Let whatever was meant or fated to happen come to pass; there is no use in regretting or resisting what one cannot control. *I'm really hoping that I get this job, but whatever will be, will be. I'm afraid there's no more the doctors can do for your wife. At this point, what will be, will be.*

what's good for the goose is good for the gander If something is good, acceptable, or beneficial for one person, it is or should be equally so for another person or persons as well. *Well I guess if you are entitled to stay out until all hours, then I'll do the same. After all, what's good for the goose is good for the gander, right?*

what's her take on that See [\(someone's\) take on \(something\)](#).

what's sauce for the goose is sauce for the gander If something is good, acceptable, or beneficial for one person, it is or should be equally so for another person or persons as well. *Well I guess if you are entitled to stay out until all hours, then I'll do the same. What's sauce for the goose is sauce for the gander, right?*

what's (someone's) beef (with someone or something) What's wrong with someone? Why is someone upset? What is someone's problem? *Wow, what's Cheryl's beef today? She's been really snippy with me all day. I'll tell you what my beef with you is: I'm really annoyed that you would leave all these dishes for me to clean up, instead of just doing them yourself! What's your beef with this project? You've had some issue with it from day one.*

What's that got to do with the price of cheese? A rhetorical question calling attention to a non-sequitur or irrelevant statement or suggestion made by another person. Primarily heard in UK. *Yes, I agree that health care is an important issue, but what's that got to do with the price of cheese? We're discussing tax incentives for local businesses—not exactly a related topic!*

What's that got to do with the price of eggs? A rhetorical question calling attention to a non-sequitur or irrelevant statement or suggestion made by another person. Primarily heard in US. *Yes, I agree that health care is an important issue, but what's that got to do with the price of eggs? We're discussing tax incentives for businesses—not exactly a related topic!*

What's that got to do with the price of fish? A rhetorical question calling attention to a non-sequitur or irrelevant statement or suggestion made by another person. Primarily heard in UK. *Yes, I agree that health care is an important issue, but what's that got to do with the price of fish? We're discussing tax incentives for local businesses—not exactly a related topic!*

What's that got to do with the price of meat? A rhetorical question calling attention to a non-sequitur or irrelevant statement or suggestion made by another person. *Yes, I agree that health care is an important issue, but what's that got to do with the price of meat? We're discussing tax incentives for local businesses—not exactly a related topic!*

What's that got to do with the price of tea in China? A rhetorical question calling attention to a non-sequitur or irrelevant statement or suggestion made by another person. *Yes, I agree that health care is an important issue, but what's that got to do with the price of tea in China? We're discussing tax incentives for local businesses—not exactly a related topic!*

what's the difference 1. How do these things differ? Said in this way, the phrase is a legitimate question that the speaker wants answered. *What's the difference between these two recipes? They use the exact same ingredients and everything. What's the difference between all these cell phones?* **2.** What does it matter? Said in this way, the phrase is usually an aside highlighting the speaker's frustration. *We can take the long way home, or we can sit in traffic here. Both ways will take forever, so what's the difference? What's the difference if I come home on Friday night or Saturday morning? You guys will be asleep either way!*

what's the good of (doing something) What reason is there (to do something); why should one bother (doing something)? *What's the good of trying? I just don't have the brains for this class. What's the good of making your bed each morning when you're just going to mess up the sheets again at night?*

what's the use (of doing something) What reason is there (to do something); why should I bother (doing something)? A: "OK, so you didn't do so well on the test. Just study a bit harder next time!" B: "What's the use? I'm just not any good at math." *What's the use of making your bed each*

morning when you're just going to mess up the sheets again at night?

what's up with (someone) 1. What is new in someone's life? *Oh, hey Jim, what's up with you? Did you end up getting that job in Denver?* 2. Is there something wrong with someone? Is someone OK? Why is someone upset? *Wow, what's up with Cheryl today? She seems like she's in a really bad mood. I'll tell you what's up with me: I'm really annoyed at you for leaving all these dishes for me to clean up, instead of just doing them yourself!*

what's what slang The true facts or most fundamental information (about someone or something). *After putting it off for a week, Sarah finally told Jane what's what and ended their relationship. I think it's about time that you knew what's what about how this business is run.*

whatsamatta slang A playful variant of "what's the matter?" meaning "what's wrong?" *Oh, you poor baby, whatsamatta?*

the wheel has come full circle The situation or circumstance has returned to its original or a similar state. *After the banking sector brought on the economic collapse through lack of federal oversight, the wheel seems to have come full circle as politicians are beginning to call for deregulation of the industry once again.*

the wheel of fortune The incidental, unforeseen, or random occurrences of life. (Alludes to the wheel that the goddess Fortune was believed to spin, which determined the fate in a person's life.) *There's no knowing how this whole thing will pan out—we just have to leave it up to the wheel of fortune.*

wheel within a wheel Something that is very complex and perhaps overly complicated. The phrase originated in the Bible. *I can't figure out how to turn off this alarm system—it's really a wheel within a wheel.*

the wheels are in motion Things have begun developing, unfolding, or progressing. *If you're going to act, you have to do it now, but once the wheels are in motion, there is no going back! Boss: "Jeff, what's the status of our new deployment strategy?" Jeff: "The wheels are in motion, we're just waiting for some final tests from the development team."*

the wheels are turning Things have begun developing, unfolding, or progressing. *If you're going to act, you have to do it now, but once the wheels*

are turning, there is no going back. A: "What's the status of our new deployment strategy?" B: "The wheels are turning, we're just waiting for some feedback on how well it's being received."

the wheels fell off slang An unexpected problem arose, with (real or hyperbolically) disastrous effects. *The job interview was going well, but the wheels fell off once I started rambling about my personal life. My plan was to have dinner ready by the time you got home, but the wheels fell off when the washer flooded.*

when hell freezes over Never; at no time. *Bob, our family will relinquish control of this company to you when hell freezes over. It'll be when hell freezes over before that clown is allowed to run this great state of ours!*

when in blazes See [in \(the\) blazes?](#)

when in blue blazes See [in blue blazes?](#)

when in creation See [in creation?](#)

when in Sam Hell See [in \(the\) Sam Hill?](#)

when in tarnation See [in tarnation?](#)

when in thunderation See [in thunderation?](#)

when it rains, it pours When something good or bad happens, similarly good or bad things tend to follow. *After months of looking for a job, I suddenly have three job interviews this week. When it rains, it pours. Everyone in my house is sick right now because when it rains, it pours.*

when life gives you lemons, make lemonade Focus on the good in a bad situation and take action accordingly. *While I was devastated to lose my job, being unemployed gave me the time to finally go back to school. When life gives you lemons, make lemonade, right?*

when monkeys fly out of my butt See [monkeys might fly out of my butt.](#)

when one door closes, another opens The end of one situation or opportunity is often followed by the start of a new one. *Don't worry about not getting this job, honey—when one door closes, another opens.*

when one door shuts, another one opens The end of one situation or opportunity is often followed by the start of a new one. *Don't worry about not getting this job, honey—when one door shuts, another one*

opens.

when (one's) ship comes home When one becomes wealthy and/or successful. *When my ship comes home, I'm moving out of this disgusting little apartment first thing!*

when opportunity knocks See [opportunity knocks](#).

when pigs can fly At a time that will never come to pass. (Used to show skepticism or cynicism over someone's hypothetical remark.) *Bob: "If we could just get Democrats and Republicans to agree on a tax reform bill, we could bring the deficit down in no time." Dave: "Sure, when pigs can fly!"*

when pigs have wings At a time that will never come to pass. (Used to show skepticism or cynicism over someone's hypothetical remark.) *Bob: "If we could just get Democrats and Republicans to agree on a tax reform bill, we could bring the deficit down in no time." Dave: "Sure, when pigs have wings!"*

when (the) word gets out As soon as people start finding out (about this); as soon as information (about this) begins to spread. *When the word gets out that we're paying top dollar for skilled programmers, we'll be up to our ears in job applications. This scandal is going to ruin me when word gets out!*

when two Fridays come together Never. Usually said sarcastically. *A: "When are you going to help me clean out the garage?" B: "How about when two Fridays come together?"*

when two Sundays come together Never. Usually said sarcastically. *A: "When are you going to help me clean out the garage?" B: "How about when two Sundays come together?"*

when two Sundays meet Never. Usually said sarcastically. *A: "When are you going to help me clean out the garage?" B: "How about when two Sundays meet?"*

where (one) lives Personally or intimately, referring to an effect that something has on one. *People by nature only care about an issue if it hits them where they live. The boss's comments at my evaluation really got me where I live.*

where the shoe pinches Where trouble or stress originates. *I hate to say it, but I think this new project is where the shoe pinches—it's just taking*

too much of our time with too little payoff.

wherever you go, there you are No matter where you go, you can't escape yourself. *Sure, you'll get some distance from your family when you move to Alaska, but your problems will be there too. Wherever you go, there you are.*

(whether) by accident or design Intentionally or not. *Whether by accident or design, those high school kids have really created a solid, sustainable business.*

which way the wind blows What appears probable or likely; how a certain course or situation is likely to develop. *The politician is waiting to see which way the wind blows regarding public opinion on the issue before deciding how to take action. It looks like I might be considered for the job, but I'm waiting to see which way the wind blows.*

which way the wind lies What appears probable or likely; how a certain course or situation is likely to develop. *The politician is waiting to see which way the wind lies regarding public opinion on the issue before deciding how to take action. It looks like I might be considered for the job, but I'm waiting to see which way the wind lies.*

whichever way you slice it From any point of view; whichever way it is analyzed. *Her resume is so impressive that, whichever way you slice it, she is the best candidate for the job. Whichever way you slice it, Dan owns the cheapest auto body shop around.*

whichever way you slice it No matter how you consider it. Often emphasizes the speaker's opinion. *Whichever way you slice it, Mr. Smith is guilty. I forgot my textbook in my locker last night so, whichever way you slice, I'm going to fail this test!*

while we're young slang Hurry up! The phrase suggests that one might wait so long for something as to reach old age. *Come on, make a decision while we're young! While we're young, Jim! We need to get going!*

whip a U-ie To make a U-turn. Primarily heard in US, Australia. *Dang it, I forgot my keys! Whip a U-ie up ahead so I can go back and get them.*

whip-round A monetary collection used to buy a gift for someone. Primarily heard in UK, Australia. *The office had a whip-round for Ellen's retirement party.*

whipping boy A person or thing that is blamed for problems, often those caused by someone or something else. *Bobby got tired of being the whipping boy for the mischief caused by his older brothers. Video games have become the whipping boy for the violent behavior displayed by today's youth.*

whips and jingles Withdrawal from alcohol or drugs. *The whips and jingles can be agonizing. Hope you never have to experience them.*

whisper sweet nothings To murmur words of affection to someone in a flirtatious manner. These words may be genuine or less serious. *My ex-boyfriend used to whisper sweet nothings to me and then sneak out with his mistress later! At the prom, I watched all the couples around me whispering sweet nothings to each other as they danced.*

whisper sweet nothings in (one's) ear To murmur words of affection to someone in a flirtatious manner. These words may be genuine or less serious. *My ex-boyfriend used to whisper sweet nothings in my ear and then sneak out with his mistress later!*

whispering campaign The spread of rumors, with the intent of damaging a person's reputation *The whispering campaign that the opposition has launched against me is just awful! I haven't done any of the things they've claimed! I'm always skeptical of the terrible allegations that come out in these whispering campaigns.*

whistle a different tune To change one's opinion or behavior. *He never used to support that political candidate, but he's whistling a different tune all of a sudden. I used to be very pessimistic, but ever since surviving that car wreck, I've been whistling a different tune!*

whistle (one) down the wind 1. To leave or abandon. *Once I found out that she had lied, I had to whistle her down the wind.* 2. To slander someone. *After the way he treated me, I made sure to whistle him down the wind. Now the whole town hates him!*

whistle-stop 1. A brief stop on a longer trip, especially by a politician. *Are you going to see the presidential candidate on his whistle-stop here tomorrow?* 2. A small town along a railroad line. *Our town is just a whistle-stop, best known for its proximity to the train line that runs to the big city.*

whistle-stop tour A brief trip to several locations. *My travel agent offered me such a great deal on a whistle-stop tour of Italy that I couldn't*

resist.

white around the gills Pale, typically due to nausea or fear. *I get terrible motion sickness, so I'm sure I was a little white around the gills when I stumbled off the plane. I was white around the gills for a while after my brother jumped out of the closet and scared me.*

white coat hypertension A phenomenon in which a patient experiences elevated blood pressure around medical professionals. A: *"I swear, I didn't feel dizzy until the doctor came in."* B: *"Hmm, sounds like a case of white coat hypertension to me."*

white elephant **1.** An expensive item that is troublesome or useless. The term comes from a story about the king of Siam, who was said to have given an albino elephant, considered sacred, to a member of the court whom he disliked, knowing that taking care of the animal would exhaust the person's fortune. *At first, Eve was excited to inherit the farm, but it soon proved to be a white elephant she couldn't afford.* **2.** A fundraiser in which unwanted items have been donated for sale. *The church is having a white elephant sale to raise funds for the new vestibule. I'm excited to see what kind of treasures people bring from their garages!* **3.** A gift exchange in which participants bring unwanted items that can then be chosen and swapped, depending on the particular rules of the gathering. A: *"What's with the ugly vase?"* B: *"We had a white elephant at work, and this is what I ended up with. I'll probably bring it next year."*

white flag A signal of surrender or defeat; a sign that one going to yield or give up. (From the literal white flag originating in military use, which signaled a protective truce or ceasefire so that negotiations could be arranged.) *The president's speech today was seen by many as a white flag regarding his controversial stance on the immigration debate. We've been in negotiations for weeks, but it looks like the other company might finally be ready to wave a white flag.*

white hole A hypothetical celestial object that releases matter (unlike a black hole, which absorbs matter). *I have devoted my career to proving the existence of white holes.*

the White House **1.** The residence of the president of the United States, located on 1600 Pennsylvania Avenue in Washington, D.C. *The president has returned to the White House after his trip abroad.* **2.** By extension, the US

President or the executive branch of the government. *The White House will make an announcement about that bill later today.*

white knight **1.** One who saves another person from harm or a difficult situation. *I don't remember much from the accident, but I am forever grateful to the white knight who freed me from my car. When Sally came to help with the kids when I was in the hospital, she really was our white knight.* **2.** A person or company that purchases, or gives money to, another company that is in financial distress or about to be acquired by a third party. *We all thought we were going to lose our jobs, but then a white knight purchased the company and saved it from bankruptcy.*

a white lie See [\(little\) white lie](#).

white magic Magic that aims to foster good, either by bringing about positive outcomes or by keeping bad things from happening. *Her illness has gotten worse, so I did white magic focused on restoring her health. Can you do some white magic to stop this hurricane?*

white man **1.** A Caucasian male. *Can you see me? I'm standing next to a really tall white man.* **2.** Caucasians as a whole. *The destruction that the white man brought to the Native Americans is incalculable.*

white marriage A marriage that has not been consummated. This phrase is perhaps better known as its French counterpart, "mariage blanc." *Due to my husband's serious illness, we have had to have a white marriage.*

white on rice As close as can be. Often used in the phrase "like white on rice." *If that forward tries to get in our zone, I'll be on him like white on rice! You better pass this test, or else I'll be on you like white on rice, monitoring your every move when you claim to be doing homework.*

white paper **1.** An official report issued by the government. The phrase is often capitalized. Primarily heard in UK, Australia, Canada. *That issue will be addressed in a white paper later today.* **2.** By extension, an official report issued by any group or organization. *Yes, we will issue a white paper to our stockholders informing them of these changes.*

white sheep One who is dutiful and obedient, the opposite of a rebellious "black sheep." *Everyone likes me because I'm the white sheep of the family. The same cannot be said for my wild cousin Nathan!*

white wedding A traditional wedding held in a church in which the

bride wears a white gown. *After watching my sister stress over all the details of her white wedding, I decided to elope—in just a plain blue dress, no less! After all the white weddings in our family, Ted wants to get married in the back yard—can you believe it?*

white wine Wine that is made from light-colored grapes and thus is pale yellow in color. Some examples include Chardonnay and Pinot Grigio. *What kind of white wine are you serving tonight? I'll have a glass of white wine.*

Whitman's sampler 1. A box of assorted chocolates made by Whitman's, a US confectionary. Primarily heard in US. *I'm bringing a Whitman's sampler to the dinner tonight. I love chocolate, so I was thrilled that my boyfriend gave me a Whitman's sampler for Valentine's Day!* **2.** By extension, an assortment of something. Primarily heard in US. *Boy, this recital is a real Whitman's sampler—a piano virtuoso was just followed by a bunch of kids murdering "Hot Cross Buns" on the flute. The client wants a lot of options, so be sure to give him a Whitman's sampler of designs.*

whiz kid A person, usually a child or young adult, who is exceptionally skilled or intelligent. *He was developing software by the time he was 10 years old—he's a total computer whiz kid. Those whiz kids at the spelling bee are always so impressive to watch. Sarah's the new whiz kid in accounting. She'll help you tackle the budget in no time.*

who am I kidding An expression of self-doubt. *Oh, who am I kidding, running for mayor—I'll never win. Taking art classes at my age—who am I kidding?*

who are you, and what have you done with (someone) slang A humorous phrase emphasizing one's surprise at another's change in attitude or behavior, often for the better. *You took out the trash before I even asked? Wow, who are you, and what have you done with my son? Look at these excellent grades! Who are you, and what have you done with Stephanie?*

who ate all the pies A football chant that targets anyone overweight, especially players and officials. Primarily heard in UK. *What a terrible call, fatso! Who ate all the pies? Who ate all the pies?*

Who breaks a butterfly upon a wheel? A rhetorical question referring to an excessive amount of force that has been applied to achieve something minor, unimportant, or insignificant. The line is a quotation from

Alexander Pope's poem "Epistle to Dr Arbuthnot." To "break upon a wheel" refers to a mode of torture, in which a victim has their bones broken while strapped to a large wheel. *The government's use of drone strikes and artillery bombing on the town to wipe out a tiny faction of rebels is totally unjustifiable—who breaks a butterfly upon a wheel?*

who calls the shots here? Who is in charge of this situation? Who makes the decisions here? *Why are you kids eating candy for dinner? Who calls the shots here? When I entered the classroom of screaming children, I could only think, "who calls the shots here?"*

who died and left you in charge slang A set phrase used to express frustration with another's bossiness. A: *"You have to clean your room and take out the trash before you go out tonight."* B: *"Geez, who died and left you in charge?"* Who died and left you in charge? Quit telling me what to do!

who died and made you boss slang A set phrase used to express frustration with another's bossiness. A: *"You have to clean your room and take out the trash before you go out tonight."* B: *"Geez, who died and made you boss?"* Who died and made you boss? Quit telling me what to do!

who in blazes See [in \(the\) blazes?](#)

who in blue blazes See [in blue blazes?](#)

who in creation See [in creation?](#)

who in Sam Hell See [in \(the\) Sam Hill?](#)

who in tarnation See [in tarnation?](#)

who in thunderation See [in thunderation?](#)

who knows what One or more things described with no detail. *Our junk drawer has old remotes, instruction manuals, and who knows what else in it. You're supposed to be doing your homework, but instead you're slacking off and doing who knows what!*

who wears the trousers? Who is in charge of this situation? Typically used to describe who has more power in a relationship or household, with "trousers" denoting masculine authority, as women traditionally wore skirts throughout history. *She won't let you go out with me tonight? Who wears the trousers in your relationship, man?*

who writes this stuff slang A rhetorical question that emphasizes one's

disdain for how something is written. *Ugh, these greeting cards are all so sappy. Who writes this stuff? Who writes this stuff? That TV show wasn't funny at all—I didn't laugh once!*

who'd have thunk it slang Who would have anticipated that? Typically used to express one's surprise. *Wow, that show hasn't been canceled yet? Who'd have thunk it? Those two are dating? Who'd have thunk it?*

whole cloth Make-believe; invention. Usually appears in the phrase "out of whole cloth." *I broke curfew staying out too late with my boyfriend, but luckily I was able to make an excuse out of whole cloth about being at the library. When my sister refused to go to sleep without a bedtime story, I pulled a tale about princesses together out of whole cloth.*

a (whole) new ballgame A situation that is completely different from what one is used to or expecting. *Living away from home is a whole new ballgame for most young adults. I used to babysit, but having a child of my own is a new ballgame.*

a whole other kettle of fish See [be a whole other kettle of fish](#).

whomp on 1. To beat up. *While I was away at camp, I didn't miss my older brother whomping on me and giving me noogies whenever mom's back is turned.* 2. To defeat, especially decisively. *We had high hopes going into the game, but the other team totally whomped on us, giving us our first loss.*

whomp up To make quickly. *I wasn't expecting company, but don't worry, I can whomp up a dinner for us in no time!*

whoop-ass slang Physical violence (against someone). Usually used in a jocular or pseudo-serious threat. *If that punk doesn't shut up soon, I'm gonna have to go over there and give him some whoop-ass! Don't make me open a can of whoop ass on y'all.*

who's a pretty boy then An affectionate phrase said to pets, especially parrots. *"Aw, who's a pretty boy then?" she cooed while petting the puppy. Who's a pretty boy then? Here, Polly the Parrot, have a cracker.*

who's she, the cat's mother? A reprimand given to someone for using a pronoun ("she") instead of a proper name. A: *"Oh, and she was there too."* B: *"Who's she, the cat's mother?"*

who's (someone) when (he's/she's/they're) at home

humorous Who is that person? Primarily heard in UK. *Robert De Niro? Who's he when he's at home? I've never heard of that actress before, who's she when she's at home?*

why in God's name A phrase used for emphasis in the beginning of a question, usually because the speaker is incredulous. *Why in God's name would you let the kids have candy for dinner? That is so unhealthy! I understand that you had to let the dog out in the rain, but why in God's name didn't you dry him off when he came back in?*

why on earth A phrase used for emphasis in the beginning of a question, usually because the speaker is incredulous. *Why on earth would you let the kids have candy for dinner? That is so unhealthy! I understand that you had to let the dog out in the rain, but why on earth didn't you dry him off when he came back in?*

wicked tongue The tendency to speak maliciously. *Watch out for Ben—he has a wicked tongue and will probably say something upsetting before the night is over, Can't you say anything nice? You have such a wicked tongue!*

wide berth A good distance (between things, people, etc.). Originally referred to ships. *Once I learned that there was a lice outbreak, I kept a wide berth from all of my students for the rest of the day. We've been keeping a wide berth from John ever since he dumped our good friend.*

wide boy Someone who attempts to earn money in a dishonest way. Primarily heard in UK. *He's a wide boy who always tries to scam people out of money.*

wide of the mark 1. Literally, far from hitting a target. *Wow, that shot was really wide of the mark. Is the ball even still on the green? Watch out, that arrow is going wide of the mark!* 2. By extensions, inaccurate or wrong. *I never once said that! Your reporter is completely wide of the mark in her accusations. I thought I knew what real estate costs around here, but wow, I was wide of the mark.*

widen (one's) horizons To have or seek out new experiences, especially if one's experiences have been relatively limited. *I'm really nervous to live at school, but I know I need to widen my horizons and get some experience living without my family. I can't believe that Molly has never left the state before! She seriously needs to widen her horizons!*

widow's mite A small monetary contribution made by one who is poor. *Edna hardly has any money, and she still gives the church a widow's mite.*

widow's peak A point in the hairline in the middle of one's forehead. Now known to be a genetic trait, it was once believed to indicate early widowhood. *My sister has a widow's peak. Does this haircut make my widow's peak too noticeable?*

wiggle room The space, time, or freedom to make changes as needed. *Good news—I've done the math, and we have enough wiggle room in the budget to make some of those purchases we've been putting off. When I'm meeting up with someone, I always leave early, so that I have wiggle room in case I get lost.*

wigs on the green A physical fight. This now-outdated phrase was relevant when men wore powdered wigs (which could be pulled off or knocked loose in an altercation). *Conversation is very tense whenever Sir George and Lord Philip are together. I anticipate wigs on the green the next time they meet.*

wild abandon See [with wild abandon](#).

wild card **1.** In a card game, a card that the player can choose to represent any card. *He's going to play his wild card as an ace to win.* **2.** Someone or something that is unpredictable. *He is too much of a wild card to be a successful candidate. Nobody wants to vote for someone wildly unpredictable. The wild card in this game will be the weather.* **3.** A person or team who is permitted to participate in an event or competition, such as a round of playoffs, without having to adhere to the usual entry protocol. *The wild card rarely wins the championship, but anything is possible.* **4.** In computing, a character that is substituted for an unknown character in a search. *An asterisk is often used as a wild card in database searches.*

wild cherry An uncultivated cherry tree and/or its fruit. *These wild cherries are delicious!*

wild goose chase A prolonged or chaotic search for something that is difficult to find (often because it does not exist). *I've been on a wild goose chase trying to find a bag of Dan's favorite potato chips. Those jerks sent me on a wild goose chase to find a copy of a book that hasn't been released yet!*

a wild goose never laid a tame egg Something will not be

spontaneously different from that which came before. The phrase is used to describe things that are determined by nature and the environment, or else inherited from the generation before. *We must never presume that humanity will be without violence; after all, a wild goose never laid a tame egg.*

wild oats The youthful rebelliousness or promiscuity that one partakes in before settling down. Most commonly used in the phrase "sow (one's) wild oats." *Bill and I had to break up because I was looking to get married, and he just wanted to sow his wild oats! You can't sow your wild oats forever! Soon, you'll want a wife and a house, and you'll regret the things you're doing now.*

wild turkey 1. A turkey that has not been domesticated. *Why are all these wild turkeys suddenly showing up on our farm?* **2.** A brand of bourbon. Usually capitalized. *Hey, barkeep, can I get a shot of Wild Turkey?*

(will there be) anything else? Do you want anything else? The full phrase is typically used in the food service industry, while the shortened form is often said with a note of annoyance after one has been given a series of tasks or demands. *OK, two hamburgers and two orders of fries. Will there be anything else? Yeah, you want to me to clean the windows, hang the curtains, and vacuum every room. Anything else, mom?*

will to win An intense desire to succeed. *I used to slack off on my drills, but after making it to the championship last year, I developed the will to win and became much more dedicated. You don't understand how much I have the will to win. Watch out—I can take you in the ring.*

willful ignorance An intentional obliviousness to something that one knows to be true. *I can't believe you're still smoking, despite knowing all the risks! Your willful ignorance just blows me away.*

willing and able A phrase used to describe someone who is ready or capable of doing something *I think Nicky is finally willing and able to go back to school. It's fine, my mom is totally willing and able to lend me a few bucks.*

willing horse One who is ready and eager to work. *Mark is a willing horse, so we can definitely get him to do this stupid project.*

win one for the Gipper To do something in honor of someone else. This set phrase refers to celebrated Notre Dame football player George Gipp ("the Gipper"). Several years after Gipp's death at age 25, Notre Dame coach

Knut Rockne urged his team to "win one for the Gipper." *Let's work hard to meet the last sales goal before Jim retires—let's win one for the Gipper!*

win (something) in a walk To win (something) easily, handily, or without much or any effort. *Enjoying the benefit of a week off between games, the home team won this match in a walk.*

wind at (one's) back A favorable position that encourages forward momentum (as with a ship that has the wind at its back). *She really struggled in her studies last year, but she's had the wind at her back ever since changing her major.*

wind back the clock To go back in time. *If I could wind back the clock, I'd manage my finances better so that I wouldn't be declaring bankruptcy now. I wish I could wind back the clock and study harder before that exam I failed.*

wind (someone) around (one's) (little) finger To gain complete control, dominance, or mastery over somebody; to make someone do whatever one wishes. *The spoiled little brat has completely wound his parents around his little finger. Everyone accused her of winding the boss around her finger.*

wind (someone) round (one's) (little) finger To gain complete control, dominance, or mastery over somebody; to make someone do whatever one wishes. *The spoiled little brat has completely wound his parents round his little finger. Everyone accused her of winding the boss round her finger.*

wind up in To arrive someplace or in some situation, with the sense that getting there was not planned. *My brother is a very spontaneous traveler and just spends his time in whatever country he winds up in! We had some time to kill before the concert, so we walked around and wound up in a coffee shop.*

window dressing 1. literal A decorative display in a window, typically the window of a store. *When my mom and I go shopping at Christmastime, we always check out all the pretty holiday window dressings!* 2. figurative Something that makes a person or thing look or seem better than it really is. *To me, this new policy seems like window dressing to woo new employees. You say that you've changed, but how do I know it's not just window dressing to make you seem like less of a jerk?*

window-shopping The act of visiting stores, or looking in their windows, to see what is available without buying anything. *My bank account is so sad these days that I'll only be window-shopping for a while!* A: "You guys really went in that expensive boutique?" B: "Yeah, but we were only window-shopping, don't worry! We know we can't afford anything in there!"

wink of an eye See [in the wink of an eye](#).

wink wink (nudge nudge) spoken A phrase spoken after a statement which emphasizes or points out a euphemistic underlying meaning or innuendo. *To be honest, we didn't see many sights on our vacation. We spent most of the time in bed, though there wasn't much sleeping, wink wink, nudge nudge!*

winner takes all A competition in which the victor is granted all possible prizes. *I know we've been playing darts all night, but this will be the last round, winner takes all! My sister and I used to bet our Halloween candy on our report card grades, winner takes all.*

winning ways One's charming, endearing, or likeable personality or demeanor. *It wasn't hard for me to spot Kelly's winning ways immediately—she has been bubbly and upbeat since the moment we met.*

winning! A jubilant exclamation that can be spoken, written, or used as a hashtag. It is often used to humorously highlight minor successes but can be used ironically to point out failures. *The baby slept for five hours straight last night—winning! Winning: when the boss doesn't see you slip into your office 10 minutes late. Spilled coffee all over myself this morning! #winning*

winter rat A beat-up car that one does not mind driving in harsh winter weather. Primarily heard in US. A: "You don't take your Corvette out in the snow, do you?" B: "Of course not, that's what my winter rat is for!"

wipe (one's) slate clean To erase the record of one's wrong-doings, likened to wiping the contents off of a piece of slate, formerly used as a reusable writing surface. *I had been late a bunch of times, but after he heard that I'd been struggling so much at home, my boss said he would wipe my slate clean. Mom said she would wipe your slate clean if you pay for the vase you broke.*

wipe (someone's) eye To best someone. Primarily heard in UK. *After how much she bragged about her prowess at darts, I doubt she expected me*

to wipe her eye.

wipe the floor with (someone) To easily defeat an opponent. *Although he wasn't favored to win the race, Jack really wiped the floor with his competition.*

wireless network A system by which a computer, cell phone, or other device can access the Internet without being plugged into a router. *I can't connect to the Internet on my laptop—why isn't the wireless network working? What's the password for the wireless network?*

wise apple A smug, sarcastic person who constantly tries to upstage others (usually to their annoyance). *Does that kid ever shut up? He's a real wise apple. Quit making rude comments like that, or people will think you're a wise apple.*

wise-ass One who is sarcastic or makes jokes in an attempt to seem witty, usually to others' annoyance; a smart aleck. Primarily heard in US. *Joe is such a wise-ass that it's hard to know when he's being serious. Every class seems to have one disruptive wise-ass.*

wise guy 1. One who is sarcastic or makes jokes in an attempt to seem witty, usually to others' annoyance; a smart aleck. *Joe is such a wise guy that it's hard to know when he's being serious. Every class seems to have one disruptive wise guy. 2.* A mobster. *I wouldn't bother those shady characters sitting in the corner booth—they're all wise guys.*

wisecracker One who makes glib, facetious, and/or sardonic remarks. *Tony is such a wisecracker; he always has some remark lined up.*

wish list A list of items that a person or group desires. *Johnny's wish list for his birthday included a new bicycle and a puppy. I know that team's free agent wish list includes a new starting pitcher.*

witch hunt An attempt to blame and punish people who hold unpopular views and opinions, often under the guise of some other investigation. *The ruling party's witch hunt against its detractors sparked a civil war.*

with a heavy hand In an excessive, authoritarian, or oppressive way or manner. *The police dispersed the protesters with a heavy hand. My father always punished us with a heavy hand.*

with a heavy heart With much sadness; in a state of grief. *It is with a heavy heart that we announce the passing of our beloved father. After these*

tragedies, our nation will forge on, but with a heavy heart.

with a high hand In an overbearing or domineering manner. *You can't raise your kids with a high hand—you need to give them room to grow and express themselves.*

with a light heart With a carefree, uplifted attitude; in a happy or gladdened state. *Though it was, of course, bittersweet to leave my friends and family behind, I did so with a light heart because of the amazing opportunities that awaited me in Europe.*

with a loose screw Having or characterized by silliness, eccentricity, craziness, or mental instability. *There's some guy with a loose screw standing on the corner yelling obscenities at passersby. I have this strange fear that I'm going to turn into a lonely old bachelor with a loose screw when I get old.*

with a screw loose Having or characterized by silliness, eccentricity, craziness, or mental instability. *There's some guy with a screw loose standing on the corner yelling obscenities at passersby. I have this strange fear that I'm going to turn into a lonely old bachelor with a screw loose when I get old.*

with all (one's) might Utilizing all of one's power and strength to do something. *I pulled at the rope with all my might, but we still lost the tug-of-war. I swear, your dog pulls at these toys with all his might. He'll drag us through the yard one day!*

with an eye on Focused on a particular thing or area. *With an eye on advances in neurology, the hospital announced that it had acquired several new brain-scanning machines.*

with an eye towards Focused on a particular thing that could happen in the future. *With an eye towards fund-raising, I made sure to talk to all the trustees I could at the event. We moved back in with my parents, with an eye towards saving up for a house.*

with any luck An expression of hope that a particular thing will happen. *With any luck, our project will get funded, and we can start filming.*

with bloody hand Clearly guilty (as if one has been found with evidence of a crime or misdeed). *The squire was found with bloody hand, sir — how do you want to punish him?*

with both hands With total enthusiasm and focus. *Wow, Rob has definitely impressed me. He really grabbed the opportunity to be chief editor*

with both hands.

with child Pregnant. Although still used today, this term is somewhat formal and old-fashioned. *Yes, it's true—I'm with child and about three months along! Did you hear that Marissa is with child? Such happy news!*

with egg on (one's) face Extremely embarrassed or humiliated due to some failure or faux pas. *I was left with egg on my face after I fell off the stage in front of all those people.*

with half a heart With only a little or moderate amount of enthusiasm or interest; in an uninspired manner; halfheartedly. *You can't go out and play with half a heart and expect to win. You have to play with everything you've got!*

with honours even With both sides being equally matched or level, as in a competition or contest; with neither side having been victorious. Primarily heard in UK. *The two athletes are preparing to meet once again for a chance at the title, with honours even. An amazing match between two of the world's greatest football clubs has ended with honours even.*

(with) kind regards A common, semi-formal valediction (used to say farewell at the end of a letter or other written message; also known as a complimentary close) expressing well wishes to the recipient. *Please send a financial report for your company for the previous year at your earliest convenience. With kind regards, Alex Goodman. I hope I'll have the chance of meeting with you again soon. Kind regards, Brian*

(with) might and main With as much effort or strength as one can muster. *She attacked that punching bag with might and main. If you're not happy in your current job, then you should be working might and main to find a new one.*

with no frills With no extraneous details or embellishments. Not fancy, decorous, or elaborate. Simple. *My history teacher is not someone who gets impressed by a beautiful cover page, so I made sure that my project was straightforward and presented the information with no frills.*

with no further ado With no more delay. *And now, with no further ado, let's introduce the opening act!*

with no strings attached Having no special conditions, restrictions, obligations, or arrangements that must be met. *Take advantage of our huge*

summer sale, where you can earn up to \$5,000 cash back with no strings attached! Beware of any deal that claims to come with no strings attached.

with no trace With no evidence left behind. *Our house was totally ransacked after the break-in, with no trace of how the robbers got into the house. I'm allowed to use my mom's expensive blender, just as long as I do so with no trace of ever having touched it.*

with one accord Unanimously; in total agreement. *Yes, we made that decision with one accord.*

with (one's) eye on Focused on a particular thing or area. *With my eye on getting an A, I studied for my calculus exam for hours. She practiced free throws all night, with her eye on the upcoming championship game.*

with (one's) eyes closed With very little or no difficulty; in a relaxed, carefree, or effortless manner. *It took me a little while to get used to this job, but now I could do it with my eyes closed! You should ask Johnny for help—he does this level of math with his eyes closed.*

with (one's) eyes wide open With full awareness. *I know they're offering you a lot of money, but make sure you go into this situation with your eyes wide open—it could be a scam. Considering John's history of infidelity, Claudia knew she could only take him back with her eyes wide open.*

with (one's) head held high Displaying pride and confidence, often (but not always) after something has gone wrong. *Even though I knew I blew the presentation, I walked out of the conference room with my head held high... and then cried in my car. After hearing that he had been named to the all-star team, Paul walked through the halls with his head held high.*

with (one's) pants down Describing someone whose secret has been revealed or who has been caught doing something they wanted to keep hidden. *Boy, that politician totally got caught with his pants down when that surveillance footage showed him stealing money.*

with (one's) tongue in (one's) cheek Humorously or as a joke, though seeming or appearing to be serious. *The president gave a speech on April Fools' Day about the "War on Couch Potatoes," which he delivered with his tongue in his cheek. The zombie movie, very much with its tongue in its cheek, gives a clever criticism of American consumerism.*

with reckless abandon With rash, unrestrained impulsiveness,

enthusiasm, or zeal. *Ever since my brother got that car for his birthday, he's been motoring around at night with reckless abandon. The insurgents set upon the town and began firing their weapons with reckless abandon.*

with relation to Regarding or related to. The phrase highlights the relationship between multiple things. *I think that we should write up another report, with relation to this one, so that we have a full picture of the budget for next year. With relation to your vacation request, I'm sorry, but we can't grant it while we have three people out on leave.*

with reservations With doubts or feelings of unease. *Although Jim signed the contract, he did so with reservations about whether he was actually making the best decision.*

with strings attached Having one or more special conditions, restrictions, obligations, or arrangements that must be met. *The Republicans in the Senate are willing to allow the bill to pass, but with strings attached.*

with the best of intentions Aiming for a good or positive outcome. Often said after something has gone wrong. *Although I planned the family reunion with the best intentions, it turned into hours of fighting between relatives.*

with the exception of With the exclusion of a particular thing. *I really enjoy my new job, with the exception of the long hours.*

with the sweat of (one's) brow Through or because of one's own efforts or hard work. *With the sweat of his brow, my father turned a barren, fallow little plot of land into the flourishing farm you see today. This pair of entrepreneurs has created a billion-dollar company with the sweat of their brows.*

with time to spare Without exceeding the time allotted or anticipated; earlier than required. *Wow, with all that traffic, I can't believe I got home with time to spare! I finished my test with time to spare.*

(with) tongue in cheek Humorous or intended as a joke, though seeming or appearing to be serious. *I thought it was obvious that my comments were tongue in cheek, but I guess I delivered them with too much of a straight face, because it seems like I offended several people at the party. The zombie movie, very much with tongue in cheek, gives a clever criticism of American consumerism.*

with wild abandon With rash, unrestrained impulsiveness, enthusiasm, or zeal. *Ever since my brother got that car for his birthday, he's been motoring around at night with wild abandon. The insurgents set upon the town and began firing their weapons with wild abandon.*

within arms' length Approaching; within very close proximity (to something). Primarily heard in UK. *Madam, we are within arms' length of the town.*

within arm's reach Close enough to touch, either literally or hypothetically. Easily attainable. *Can you pass me that book over there? It's within arm's reach of you. Once I found out I had an A in Chemistry, I knew that 4.0 GPA was within arm's reach.*

within the bounds of possibility Possible. *You worked so hard this semester that I think an A is within the bounds of possibility.*

without a care in the world Having no concerns or worries. *I constantly feel stressed, and then there's my sister, who skips through life without a care in the world.*

without any strings attached Having no special conditions, restrictions, obligations, or arrangements that must be met. *I hear Janet is signing over the deed to her house to John without any strings attached! Take advantage of our huge summer sale, where you can earn up to \$5,000 cash back without any strings attached!*

without batting an eyelash See [bat an eyelash](#).

without batting an eyelid See [bat an eyelid](#).

without flinching Without showing any signs of fear or hesitation. *I'm terrified of needles, but my sister can get blood drawn without flinching.*

without letup Without slowing down or stopping. *I just want to go to the grocery store, but it's been raining all day without letup.*

without missing a beat Without slowing down, pausing, or being distracted, especially in spite of a potential disruption. *Even when the hecklers started singing obnoxiously, the speaker continued without missing a beat. The teacher asked us how photosynthesis begins, and, without missing a beat, John said, "With a 'P.'"*

without provocation Without cause. For no apparent reason. *Pam*

shrieked in surprise when the cat leapt onto her without provocation. I knew I wasn't speeding, so as far as I could tell—the officer pulled me over without provocation.

without reserve Readily or candidly. *Once the music starts at the reception, get your camera ready because Aunt Millie will be dancing without reserve! Thank you for speaking without reserve—that kind of honest feedback is exactly what we're looking for.*

without skipping a beat Without slowing down, pausing, or losing one's place, especially in spite of a potential distraction or disruption. *When his son-in-law staggered into the meeting reeking of booze, the boss continued his talk without skipping a beat.*

without turning a hair Without becoming upset, afraid, or emotional; with a perfectly calm demeanor. *My father was a tough man. When our family dog came down with rabies, he took him out back and shot him without turning a hair. Claire, without turning a hair, knocked out the two assailants with her bare hands!*

withstand the test of time 1. To work, function, or endure for a very long time. *As computer technology improves, it's ironically getting harder and harder to find a piece of equipment that can withstand the test of time.* **2.** To be particularly popular or well regarded for a long period of time. *Of all the other cast members, hers was the only career that withstood the test of time.*

wit's end A state of distress that is reached when someone has no more patience. Often used in the phrase "at wit's end" or "at (one's) wit's end." *The baby's been crying for hours, and I've reached my wit's end! I'm already at wit's end, so if this train gets delayed too, I'm going to scream.*

woke slang Aware of the need for and committed to social justice. This usage of the term (particularly in reference to activism against black oppression) is thought to have originated in the mid-20th century US. Often used in the phrase "stay woke." Primarily heard in US. *We can't just protest today and then ignore these issues tomorrow—we have to stay woke. You're not woke if you think the status quo is OK.*

woke up on the wrong side of bed See [wake up on the wrong side of \(the\) bed](#).

a wolf in sheep's clothing A person or thing that appears harmless but is actually dangerous or bad. *Don't trust Dana—she's a wolf in sheep's clothing who will try to steal your position if given the chance. The politician portrayed himself as moderate, but turned out to be a wolf in sheep's clothing with a radical agenda.*

wolf whistle A high-pitched, typically two-note whistle directed at a person (usually a woman) to indicate that the whistler (usually a man) finds them attractive. *Sharon did not appreciate the wolf whistles coming from the crew at the construction site.*

wolfpack A family group of wolves that live and hunt together. *Be careful out there at night—a wolfpack has been seen roaming that part of the woods.*

woman-about-town A fashionable woman known for socializing. *She's a woman-about-town who is always seen at all of the popular clubs.*

a woman after my own See [a person after \(one's\) own](#).

woman after (one's) own heart A woman admired by another because of perceived similarities. *I knew she was a woman after my own heart when I heard she rescued that puppy.*

woman crush Wednesday A phrase that accompanies social media posts of a woman that the poster finds attractive (often a significant other or a celebrity). Often abbreviated as "WCW." Such posts occur on Wednesdays due to the name, created simply for alliteration. *Check out my gorgeous wife on woman crush Wednesday! Jennifer Lawrence is my woman crush Wednesday.*

woman for all seasons A woman who is successful and talented in many areas. *Judy paints, does photography, and writes novels. She's a woman for all seasons.*

woman of few words A woman who does not speak often or at length. *Despite being a woman of few words, Sarah was well-respected in her field because of her actions.*

woman of God A woman who is devout in her belief in God. *She is a woman of God who has devoted her life to serving others.*

a woman of her word A woman who can be expected to keep or follow through with her promises or intentions; a truthful, trustworthy, or

reliable person. (Masculine: "man of his word.") *Bob, I'm a woman of my word. If I tell you I'll be at your house tomorrow morning at 10, then that's when I'll be there. I've found Mary to be a woman of her word so far, so I'm confident she'll get us the best deal possible.*

woman of letters A woman who is well-versed in literature and related scholarly pursuits. *As a woman of letters, the professor could easily speak for hours on the works of Shakespeare.*

woman of many parts A woman who is capable of doing many things. *Ruth is a woman of many parts—she's a loving mother, a successful industry leader, and a great cook.*

woman of means A wealthy woman. *Her extravagant spending habits led everyone to believe that she was a woman of means.*

the woman of the hour See [\(the\) man/woman of the hour](#).

(the) woman of the moment A woman who is currently being celebrated, honored, or admired by others, especially for a recent victory, accomplishment, or other cause for celebration. (Masculine: "man of the moment.") *Janet was woman of the moment at the office after securing the biggest customer their business had ever had. Ruth: "Hey, what's going on here?" Dave: "It's a surprise birthday party for you, Ruth! You're the woman of the moment!"*

woman of the people See [a man/woman of the people](#).

woman of the world A woman who is very experienced and sophisticated. *I value Janine's advice because she's a woman of the world and can provide good insight into the customs of high society.*

a woman on a mission See [a man/woman on a mission](#).

a woman with a mission See [a man/woman with a mission](#).

a woman's place is in the home A sexist maxim asserting that woman should focus on housekeeping and raising children, as opposed to working outside of the home. *I don't believe that a woman's place is in the home—I love my family, but I also love being a lawyer. Some cultures still believe that a woman's place is in the home.*

a woman's work is never done A woman is nearly always working in some way. The phrase especially refers to tasks traditionally associated

with women, such as housework and child-rearing. *Of course I come home from work to a messy house and starving kids because a woman's work is never done.*

womp womp A humorous phrase used to indicate or highlight minor disappointment. It mimics the sad trombone noise often used as a trope in movies and TV shows. *I tried to stop at that boutique on my way home from work, but it was already closed. Womp womp.*

won in a walk See [win \(something\) in a walk](#).

won one for the Gipper See [win one for the Gipper](#).

won't budge an inch Will not move, change, or shift in any way at all. *Once my brother gets his mind made up, he won't budge an inch, so don't bother trying to reason with him. I can't believe how tight this bolt is on here—it won't budge an inch!*

won't take no for an answer Will not stop with what one has planned or desires, regardless of others' lack of agreement. *Once my brother gets his mind made up, he won't take no for an answer, so don't bother trying to reason with him. It's nice of you to refuse, sweetheart, but this car is a gift from your grandmother and me—we won't take no for an answer!*

wooden mare An ancient torture device involving a wooden horse, typically used for military punishments. *I was so terrified of what my parents would do when they found out I'd failed my exam that I had visions of them making me ride the wooden mare.*

wooden spoonist slang The person or team that finishes last in a competition. So-named because the imaginary prize for a last-place finish is a wooden spoon. Primarily heard in UK. *Of course Roy was the wooden-spoonist in today's race—I didn't know a person could run so slow!*

wooden top A beet-shaped wooden toy that spins on a metal point at the bottom. *What are you kids complaining about? When I was your age, I only had a wooden top to play with!*

woot slang A happy or celebratory interjection. Sometimes doubled as "woot woot." *Woot! I never expected to hear back from that company, but they want to bring me in for an interview! That cute barista finally asked me out, woot!*

woot woot slang A happy or celebratory interjection. *Woot woot! I never*

expected to hear back from that company, but they want to bring me in for an interview! That cute barista finally asked me out, woot woot!

word gets around News about something or someone inevitably reaches other people. The "news" is often a rumor of some sort. *I know that Julia wanted to keep her break-up a secret, but considering how word gets around at this school, people were going to find out about it in no time. A: "How did you find out I won the contest?" B: "Word gets around!"*

word of mouth The verbal sharing of information. A: *"How did you hear about our bakery?"* B: *"Oh, word of mouth. My dad told me about it." We don't have the budget for a big marketing campaign, so we'll just have to hope that buzz about our shop gets spread by word of mouth.*

word on the street The information, or the version of that information, that is currently spreading from person to person, often in a particular setting, like school or work. A: *"The word on the street is that you're pregnant."* B: *"What? That is simply not true!" There are so many people stopping by Shelly's office because word on the street is that she's leaving the company.*

word on the wire The information, or the version of that information, that is currently spreading from person to person, often in a particular setting, like school or work. A: *"The word on the wire is that you're pregnant."* B: *"What? That is simply not true!" There are so many people stopping by Shelly's office because word on the wire is that she's leaving the company.*

a word to the wise A phrase that emphasizes a statement as advice. It is a shortening of the phrase "a word to the wise is sufficient," meaning that a wise or intelligent person can take a hint and does not need a long explanation. *A word to the wise—don't use Amy's baby shower as an opportunity to announce your engagement. Stay away from the boss today, he's in a bad mood. Just a word to the wise.*

a word to the wise is enough Someone who is wise heeds a warning or a piece of advice, even if it is very brief. The shorter phrase, "a word to the wise," is more common. *I heard about a terrible traffic jam on the news, so I'm avoiding the highway. A word to the wise is enough!*

wordplay The use of words in a clever or amusing way, as seen in puns or double entendres. A: *"Why was six afraid of seven? Because seven ate nine! Get it?"* B: *"Ah yes, wordplay with 'eight' and 'ate'—a classic."*

words of one syllable Very simple words; terms that are easy to understand. *You're an astrophysicist and I'm not, so please, explain this concept in words of one syllable so I might have a chance of understanding it!*

words stick in (one's) throat One is unable to say something, due to their emotional state. *I'm still mad at John, so even though he wanted me to apologize, I knew the words would stick in my throat. Susie was crying so hard at the funeral that when she tried to speak, the words just stuck in her throat.*

words to that effect An intentionally vague phrase used to omit the exact wording of some statement while indicating its general meaning, or the meaning one wants it to convey. *A: "Did she flat-out say she was coming to dinner?" B: "Well, words to that effect."*

work for peanuts To work for very little money. *Geez, I need a raise—I'm sick of still working for peanuts after three years!*

work for pittance To work for very little money. *Geez, I need a raise—I'm sick of still working for pittance after three years!*

work nights To work in the evenings, as opposed to during the day. *I used to work nights, but it took such a toll on my sleeping that I switched back to the day shift.*

work (one's) butt off To work really hard (on or at something). *I know you thought it was just a silly New Year's resolution, but I've been working my butt off at the gym! Sally and Jim work their butts off when we hold our user conference—I don't know what I'd do without them!*

work (one's) magic To use one's unique talents or charm to obtain a desired thing or outcome. *I never thought the boss would approve our business trip, but Sam worked her magic, and now, we're off to Denver! Whenever I can't get my car running, I have my dad come over and work his magic on the engine.*

work (one's) way through To stay engaged in a task continuously. Often used when the task is long-term or plodding. *Kate is working her way through college, but it's taken a while, as she's only been able to attend classes part-time. I have to work my way through any book I start, even if I don't like it very much.*

work smarter, not harder A business axiom that prioritizes efficiency above all else. *Before we begin coding, let's think if we can reuse any of the old code. Work smarter, not harder, right?*

work spouse Someone's closest friend, companion, or confidante at a job. *Meg is definitely my work spouse—we are totally inseparable, and she's the first person I call when I have an issue with my computer or need advice before a meeting.*

work the crowd To excite or entertain an audience. *Man, that singer sure knows how to work a crowd! They're going wild for him! The keynote speaker was late, so I had to work the crowd for a while to stall.*

work the oracle To manipulate something for one's personal gain (often financially). Primarily heard in UK. *In order to win that much money gambling, he must have worked the oracle.*

work the room To interact with many people at an event or function. Often, but not always, applied to business situations. *At networking events, Ben totally works the room, with the goal of meeting as many people as he possibly can. At parties, my dad always works the room and chats with everyone, but I'm too shy for that.*

work till you drop To make an effort to complete some task until one has no more energy to devote to it; to work as hard as possible for as long as possible. *You better work 'til you drop if you want an A on this assignment!*

work to rule A situation in which employees work only as much as has been agreed upon and no more, typically as a bargaining strategy (by unions). Instead of going on strike and stopping their work altogether, workers keep a more limited schedule than usual (i.e., no overtime), in order to slow down productivity. *A: "The boss wants me to work some overtime tonight, but I can't, right?" B: "No. Because we're in a work to rule, you can only work your normal eight hours."*

work until you drop To make an effort to complete some task until one has no more energy to devote to it; to work as hard as possible for as long as possible. *You better work until you drop if you want an A on this assignment!*

work up to the collar To work hard; to exert oneself. This now-outdated phrase refers to the collar on a beast of burden. *I ended up doing*

most of the project myself because I didn't trust my partner to work up to the collar—he's lazy.

working girl A prostitute. *The vice squad always patrols this area, looking to arrest any working girls on the street.*

a working over A harsh reprimand, often one that lasts a lengthy amount of time. *She gave her teenage daughter a good working over for breaking curfew. I got a good working over from the professor after I submitted my project late.*

world at (one's) feet A phrase used to indicate someone's success in a particular area. *Betsy is such a talented singer that I'm sure she'll have the world at her feet one day and be courted by record execs.*

a world of difference **1.** A stark contrast. *There's a world of difference between high school classes and college classes.* **2.** A vast improvement. *A fresh coat of paint has made a world of difference in that old house.*

the world over See [\(all\) the world over](#).

world shattering Totally and completely surprising, with the sense that whatever is described as such is shocking enough to change one's view of the world. However, the phrase is often used hyperbolically. *Finding out that my dad isn't my biological father has been completely world shattering. I don't know who to trust anymore. A: "Oh my God, did you hear the world shattering news?" B: "Yeah, I can't believe that Sue is leaving the company. It won't be the same without her!"*

worldly desires Desires for tangible things (such as wealth, property, or other material goods) or for pleasures of the body (such as sexual activity, gluttony, or other hedonistic pursuits). *Buddhism teaches us to try to let go of our worldly desires, freeing our minds and bodies for a state of enlightenment. Because our worldly desires are a reflection of our sins, we should shun them if we wish to receive God's light.*

worldly wisdom Knowledge gained from experience and everyday life. *My dad never finished college, but he has much more worldly wisdom than I do, as a perpetual student.*

worlds apart Very different. *My sister and I are very close now, but we were worlds apart growing up and fought all the time. The level of quality of these two products is worlds apart.*

worlds away Very different from something else. *This new school is worlds away from the old one I taught at. For one, the kids actually listen!*

worm information To get someone (sometimes with a touch of trickery) to reveal details that likely would not have been volunteered. Usually followed by "out of," as in "worm information out of." *Bill was keeping quiet about his break-up, but I knew I could worm information out of him if I tried hard enough. Kira worms information about upcoming tests out of her teachers by complimenting them and straightening up their classrooms.*

worm (one's) way in To get oneself into a place or a situation, with a touch of trickery, artistry, or cunning. *I plan on worming my way into the big meeting by schmoozing with my boss for a while.*

worm's eye view A limited understanding of something. Primarily heard in UK, Australia. *Because he was stuck in the same menial position for so long, he only had a worm's eye view of how the business operated.*

worn rose-colored glasses See [wear rose-colored glasses](#).

worn too many hats See [wear too many hats](#).

worried sick Very concerned or anxious about a person or situation. *The next time you're going to be this late getting home, please call me, because I was worried sick! Your father is worried sick about what this merger will mean for his job.*

worship the porcelain god To vomit into a toilet. Doing so often requires one to kneel in front of or bend over the toilet (the "porcelain god"), a position that is likened to kneeling before or bowing to a sacred idol. Also written as "worship the porcelain goddess." *I bet that if Tommy doesn't stop drinking, he'll worship the porcelain god all night. I've never thrown up so much in my life. I can't wait till I stop worshipping the porcelain god.*

worst comes to worst The least ideal or preferred outcome happens. Often used with "if," as in "if worst comes to worst." *Even if worst comes to worst and it rains on our wedding day, we'll make the best of it. I know you don't want to think about it, but, worst comes to worst—what would you do in a zombie apocalypse?*

worth a Jew's eye Very valuable. This phrase likely refers to the violent methods that were once used to extort money from Jews. *Have you*

seen that painting? It's an original, so it must be worth a Jew's eye.

worth every penny Deserving of the money that an item, experience, etc. cost. *I was skeptical that we needed such a fancy vacuum, but it does such a great job that I now think it's worth every penny. I have a lot of debt, but if I get this job, my college degree will have been worth every penny!*

worth (its/one's) weight in gold Very valuable, important, or useful. *When you're in a foreign country, you'll find that a translator is worth his weight in gold. A computer system that didn't crash all the time would be worth its weight in gold around here!*

worth (one's) while Beneficial and not a waste of one's time. *I was reluctant to do research at a different library, but it turned out to be totally worth my while, as they had a ton of books on my topic! Staying up late tonight won't be worth my while because then I'll be exhausted the whole rest of the week. Will you drive me to the party tonight? I'll make it worth your while—how about I do your chores for a week?*

worth pondering Deserving of consideration. A: *"I did so well on my report card that I think I should be allowed to borrow the car tomorrow night."* B: *"Hmm, it's worth pondering."*

worth the whistle So important or admirable as to merit the effort of being whistled at. *Oh yes, that author is really worth the whistle—her debut novel was simply masterful.*

worthwhile cause Something that deserves time, attention, or funding. A: *"Do you want to donate to my marathon team? I'm trying to raise money for cancer research."* B: *"Sure, that's a worthwhile cause."*

worthy cause A cause that merits attention, aid, or action due to an inherent goodness of values or intention. *The lawyer decided to waive her fees because she felt that the young man's case was a worthy cause.*

(one) would do well to (do something) One would benefit or fare better from, or be prudent or responsible by, doing some specific task or action. *You would do well to show up to work on time tomorrow if you care to keep your job. You would do well to hire a lawyer now in case he decides to sue.*

would sooner Would rather. Often used to show one's disgust or displeasure with a potential event, outcome, or course of action. *I would*

sooner join the nunnery than go on another date with John! His arrogance was positively repulsive! Susie just has no interest in softball this year. I think she would sooner spend her afternoons at the library than on the field.

(would you) care to dance Would you like to dance with me? *This is a beautiful song—care to dance? You look lovely tonight. Would you care to dance?*

(would you) care to join me/us An invitation for one to engage in a particular action or activity with someone else (or a group). *I'm going out for a jog—care to join me? Would you care to join us for dinner tonight?*

wouldn't shout if a shark bit him Cheap, miserly. In Australia, "to shout" is to buy someone something, usually a drink. Primarily heard in Australia. *You expect Steve to buy you a drink? Ha! That guy wouldn't shout if a shark bit him!*

wouldn't touch it with a bargepole Would not do or be involved with something at all; would not get close to something. Primarily heard in UK. *Do you really think I'm the person to call when you see a spider? I wouldn't touch it with a bargepole! I know that Sue is a terrible cook, so I wouldn't touch that meal with a bargepole!*

wouldn't you know Can you believe it? *I was skeptical that the store would accept my return without a receipt, but, wouldn't you know, they took it back!*

wouldn't you know it Can you believe it? *I was skeptical that the store would accept my return without a receipt, but, wouldn't you know it, they took it back!*

wound up in See [wind up in](#).

wrack and ruin Utter destruction or ruination; severe or total decay or degradation, as from disuse or lack of upkeep. ("Wrack," a now-archaic word meaning wreckage or destruction, is also often spelled "rack.") Used especially in the phrase "go to wrack and ruin." *The wrack and ruin of my grandfather's estate pains me greatly. If only we'd been able to afford for someone to look after it for all these years. The neighbor's property has really gone to wrack and ruin lately. I'm thinking about filing a complaint with the neighborhood association!*

wrangle for an ass's shadow To argue over trivial matters. The

phrase derives from a Greek legend in which a traveler rents an ass and then squabbles with its owner when they both want to sit in the ass's shadow to avoid the sun. Primarily heard in UK. *There's no correct way to hang Christmas lights, so quit wrangling for an ass's shadow and decorate the house already!*

wrangle (something) out To work really hard to get something (often information) out of someone or something else. *I know my brother is dating someone new, but I have not been able to wrangle the information out of him yet. Bill's computer is running so slow that he has to wrangle any document out of it.*

wrangle (something) out of (someone) To work really hard to get something (often information) out of someone else. *I know my brother is dating someone new, but I have not been able to wrangle the information out of him yet.*

wrap it before you tap it slang Make sure you put on a condom before you have sex. *Bring condoms tonight, man—you gotta wrap it before you tap it!*

wrap (one's) head around To comprehend something that one considers challenging, confusing, or a foreign concept. *Kate is willing to pay full price for an expensive handbag, but I just can't wrap my head around that. Sam tries to wrap her head around snow and freezing temperatures, but she's always lived in Florida, so real winter is not something she has experienced.*

wrap (someone) around (one's) little finger To completely charm another person. Usually used with a negative connotation, as if the other person is under your spell. *When I heard that my brother was going to do volunteer work with his new girlfriend, I knew that she had wrapped him around her little finger. When I overheard Ms. Smith giving Ben extra credit, I couldn't help but roll my eyes and think that he had totally wrapped her around his little finger.*

wrap (someone) around (one's) (little) finger To gain complete control, dominance, or mastery over somebody; to make someone do whatever one wishes. *The spoiled little brat has completely wrapped his parents around his little finger. Everyone accused her of wrapping the boss around her finger.*

wrap (someone) round (one's) (little) finger To gain complete control, dominance, or mastery over somebody; to make someone do whatever one wishes. *The spoiled little brat has completely wrapped his parents round his little finger. Everyone accused her of wrapping the boss round her finger.*

wrap up 1. To wrap something, such as a gift. *Don't forget to wrap up Dan's present before you go to the party.* **2.** To complete something, such as a task; to put the finishing touches on something. *You go on ahead, I just need to wrap up some work before I head home. OK, everyone, let's wrap it up for tonight.*

wrapped around (one's) little finger Completely charmed by another person. Usually used with a negative connotation, as if one is under the other person's spell. *When I heard that my brother was going to do volunteer work with his new girlfriend, I knew that she had him wrapped around her little finger. When I overheard Ms. Smith giving Ben extra credit, I couldn't help but roll my eyes and think that he had her totally wrapped around his little finger.*

wrestle with a pig To attempt a futile task with someone who enjoys the struggle (just as a pig would enjoy wrestling in the mud). *I swear, trying to get the truth out of a teenager is like wrestling with a pig! My daughter has an excuse for everything, and I think she enjoys frustrating me!*

wriggle off the hook To avoid having to do something, likened to a fish escaping from the hook of a fishing rod. *My mom wanted me to help her clean out the garage this weekend, but I was able to wriggle off the hook, thanks to my away basketball game.*

writ large Apparent in a more noticeable or obvious way or to a greater extent. *The new blockbuster is really just a simple old story writ large. Come election season, we see all our national concerns writ large.*

write a bum check To submit a money order as payment when the account being drawn upon does not or will not have adequate funds for the order to clear. Primarily heard in US. *My ex-husband was so addicted to shopping that, by the end of our marriage, he had started writing bum checks just to keep making purchases. Being in debt has always scared the hell out of me, so I've made sure to never write a bum check in my life.*

write home about To express excitement about, as if something is so good, it is worth the effort of writing a letter about it. Typically used in the phrase "nothing to write home about," showing disinterest or disappointment *This lotion is so great that I would write home about it! Bill said that show was nothing to write home about, but I actually think it's pretty entertaining.*

write off (one's) losses **1.** To record one's financial losses during the accounting process. *We've had such a rough third quarter that being able to write off our losses for a tax break is the only upside.* **2.** By extension, to move on from a situation that has gone badly. *I started out as an engineering major, but after failing all of my classes, I decided to write off my losses and switch to communications.*

write on water To have a fleeting impact, as opposed to a lasting legacy. *People will forget these superficial pop stars in no time—their careers are written on water.*

writing is like chicken scratch See [\(one's\) \(hand\)writing is like chicken scratch](#).

written all over (one's) face Evident by one's facial expression. Said of one's emotions or inner thoughts. *Jenny said she wasn't scared before we went into the haunted house, but terror was written all over her face. John said nothing, but his response was written all over his face.*

the wrong crowd A group of people, typically peers, who partake in and elicit immoral, criminal, and/or dangerous behavior and attitudes. *Mary had been a model student all her life, but when she got to senior year of high school, she started hanging out with the wrong crowd, and her grades suffered as a result. Because there is no sort of network in place to keep young people active and engaged in this part of the city, it's all too easy for them to fall in with the wrong crowd.*

the wrong foot A bad start. Often used in the phrases "get/got off on the wrong foot" or "start (off) on the wrong foot," applied to situations in which something goes or has gone awry at the very beginning. *I know we got off on the wrong foot when I was a half hour late to the interview, but I promise that I will always be on time once I start working here.*

the wrong side of (someone) A status in which one is disliked by someone, usually for a particular reason. *I know I'm on the wrong side of the*

teacher because I handed in my report late.

the wrong side of the bed A bad mood. Typically used in the phrase "woke up on the wrong side of the bed," meaning one is in a bad mood, usually for no reason. *Mark just snapped at us for no reason! Geez, he must have woken up on the wrong side of the bed today.*

WTF rude slang An abbreviation for "what the fuck," an expression of dismay or indignation, especially in text messages or other written communication. The phrase can begin a question or stand alone. *WTF is my ex-boyfriend doing here? I can't believe she just said that to me! WTF!*

Rafieienglishclinic.com

X

x factor A unique and noteworthy quality that makes someone or something exceptional. *There are a lot of really talented singers in this contest, but I think Molly's x factor is her stage presence. A lot of similar products are on the market right now—ours has to have an X factor!*

x's and o's **1.** sports The symbols used to denote the players on one's team (and usually those of the opposing team) in a diagram of a play (i.e., the formation the players will take when trying to score or move the ball). The term often refers to the plays themselves. *That coach is great with the x's and o's, but the team's execution has been very disappointing.* **2.** By extension, knowledge of how something works. *Before you start on that report, call Shelly—she knows all the x's and o's of the budget.*

Rafieienglishclinic.com

Y

yak shaving tech Small, seemingly-insignificant tasks that need to be completed before a larger one can be done. *I know you're waiting on me for the software update, I'm doing this yak shaving as fast as I can!*

yankee dime A kiss. *My grandmother would always say, "Come give me a yankee dime, my dear," when she wanted a kiss.*

Yankee go home An outcry against the intrusion of the US and/or Americanisms into other cultures. *As the spread of American culture has increased throughout the world, so have the calls of "Yankee go home!"*

yap, yap, yapping all day Talking nonstop, especially about insignificant things. *Connie's nice enough, but once she starts yap, yap, yapping all day, I feel a headache coming on.*

yap, yap, yapping all day long Talking nonstop, especially about insignificant things. *Connie's nice enough, but once she starts yap, yap, yapping all day long, I feel a headache coming on.*

yardarm to yardarm outdated Really close together. *When I planted the bushes, I put them yardarm to yardarm—I hope they don't overcrowd each other once they start blooming.*

yasss slang An more enthusiastic alternative to "yes." The number of a's and s's can vary. *School is closed today? Yasss. Yasss, pumpkin spice lattes are finally back at Starbucks!*

yasss queen slang An expression of excitement and approval. The number of a's and s's can vary. *Yaasss queen! You look gorgeous!*

year dot An unspecified date in time that occurred long ago, usually used in the phrases "since year dot" and "from year dot." *My grandmother always says that she's loved cooking since year dot, but my grandfather is quick to point out that she hated cooking when they first met.*

yearning desire A deep longing. *I want to see as much as I can on my trip to England because I've always had a yearning desire to go there.*

yell (one's) head off To scream or shout very loudly and lengthily.

Suzy yelled her head off when I told her she couldn't have an ice cream cone. The stadium was packed with fans yelling their heads off. Don't bother listening to the cranks who stand on street corners and yell their heads off at passersby.

yell silently To think angry thoughts without verbalizing them. *Bill knew he couldn't talk back to Mrs. Miller, so instead he yelled silently in his head as she reprimanded him.*

yellow brick road A path believed to lead to success or adventure. A reference to the path of the same name in the fictional land of Oz, popularized by the film *The Wizard of Oz*, based on the works of L. Frank Baum. *Jenna took the internship thinking that it would be the yellow brick road to her dream job.*

yellow cake 1. A spongy cake that is yellow in color, due to the use of egg yolks. It is often frosted and served at birthday parties. *Do we have any yellow cake mix? I think I want a yellow cake for my birthday—I'm not in the mood for chocolate right now.* **2.** Uranium oxide powder that is produced by the milling of uranium ore. Often spelled as one word. *Yellowcake can be used in the making of nuclear weapons, so its trade is heavily scrutinized.*

yellow dog A despicable person or thing. *I can't believe you get so invested in these debates—all politicians are yellow dogs that can't be trusted.*

yellow grease Used cooking oil, often in the fast food industry. A: *"What are those huge containers for?"* B: *"Oh, I think they hold the restaurant's yellow grease."*

yellow light An indication to slow down, likened to a yellow traffic light, which means slow down, proceed with caution, or prepare to stop. *I would not ask her out yet, dude—she was totally giving you the yellow light. Sally took the comments from her teacher as a yellow light not to push for extra credit just yet.*

yellow press Journalism with the primary aim of sparking reader interest—reporting the facts are secondary. *I can't believe you read those tabloids—they're just yellow press stuffed with ads.*

yellow state A US state strongly influenced by the Libertarian Party. *This will never be a yellow state—the Libertarians are just not as entrenched here*

as the Democrats and Republicans.

yen A desire. Often used in the phrase "have a yen for (someone/something)." *Meredith has a real yen to be a surgeon, which, combined with her work ethic, should bring her much success.*

yeoman's service Service that is good enough, but in no way extravagant. *This rickety wooden ladder has done me yeoman's service over the years, but now it's time to upgrade.*

yes-man Someone who agrees to everything, seemingly without giving it a thought. Usually a derisive term suggesting that the person is a mindless follower of what/whomever they are agreeing to/with. *You can't trust what Chad says, he's just the boss's yes-man. I doubt he has an original thought in his head!*

yes man One who always agrees with authority figures, in order to gain favor with them. *Stephanie only hired Tim because he's a yes man and won't challenge her authority.*

yes (one) to death To repeatedly answer questions with "yes," often because one is bored or annoyed. *All right, stop yessing me to death and give me real some feedback here! My teenage daughter won't talk to me anymore; she just yesses me to death.*

yesterday's man/woman Someone who has passed the pinnacle of their career. *Bob is never going to give up his cushy job—he's yesterday's man, and his next career move is retirement!*

yield the ghost To die. Based on the idea that one's spirit leaves the body when one dies. More commonly expressed in the phrase "give up the ghost." *Susie called me in tears when grandma yielded the ghost after her long illness. Well, if the mechanic can't work his magic this time, it looks like Marshall's car will finally yield the ghost.*

yield to pressure To give into outside forces urging someone to do something. *Sally wasn't even going to apply for that boring job, but she yielded to pressure from her mother and submitted her resume nonetheless.*

YOLO slang An abbreviation for "you only live once," a phrase that prioritizes action, and often impulsivity, over contemplation in the pursuit of life experiences. Popularized by Drake's 2011 song "The Motto." A: "Come to the music festival with us, Colleen!" B: "Yeah Colleen, YOLO!" That

carnival ride looks totally terrifying, but YOLO—let's do it!

you ain't particular See [\(one\) ain't particular](#).

you all A group of people that someone is addressing collectively. *You all are my most talented designers, so I knew you were the best fit for this project.*

you and whose army A childish response to a threat, implying that an adversary is not powerful enough to carry out the threat alone (hence the need for an "army"). A: *"If you don't leave, I'll make you get off this playground!"* B: *"Oh yeah? You and whose army?"*

you are what you eat One's overall health is linked to one's eating habits. The phrase is often used to promote proper nutrition. A: *"Sam has a terrible diet, and I think that's why she gets sick so often."* B: *"Well, you are what you eat."*

you attract more flies with honey than vinegar You are more apt to get the results you want when you use kindness, rather than anger or aggression. *I think the kids would visit you more if you were nicer to them. You attract more flies with honey than vinegar, you know.* A: *"The board rejected my proposal!"* B: *"Well, maybe if you didn't scream at them every time something went wrong, they would be more eager to work with you. After all, you attract more flies with honey than vinegar."*

you be the judge of that You decide the worth, value, accuracy, etc. of something. Mother: *"Did the kids finish their chores?"* Father: *"You be the judge of that."* *I think this cake tastes good, but you be the judge of that.*

you bet your bottom You can be sure that something will happen. A less vulgar alternative to "you can bet your ass." *I just know Sally will get the lead in the school play—you can bet your bottom!*

you can barely hear yourself think See [can barely hear \(oneself\) think](#).

you can bet on it See [bet on it](#).

you can dish it out, but you can't take it You can voice harsh thoughts, criticisms, or insults toward others, but you do not like when someone else does the same to you. *You were all over your sister about her eating habits, but you start pouting when I point out that you had a cupcake for dinner last night! What, you can dish it out, but you can't take it?*

you can dispense with (something) You can stop doing or get rid of something. *You're still not allowed to borrow my car Saturday night, and you can dispense with the attitude. The library dispenses with its normal operating hours during finals week and instead stays open 24 hours.*

you can hardly believe your eyes See [\(one\) can hardly believe \(one's\) eyes](#).

you can hardly hear yourself think See [can hardly hear \(oneself\) think](#).

you can have too much of a good thing A warning against excess. *Ugh, I definitely ate too much candy last night. Believe me, you can have too much of a good thing! How many times have you been to the spa this month? You can have too much of a good thing, you know!*

you can run, but you can't hide No matter what you do, you can't escape the consequences that you are trying to avoid. *I know you took money from me. You can run, but you can't hide—I'll find you eventually.*

you can scarcely believe your eyes See [\(one\) can scarcely believe \(one's\) eyes](#).

you can sell sawdust to a lumber mill See [\(someone\) could sell sawdust to a lumber mill](#).

you can take a horse to water, but you can't make him drink You can't force someone to do something that they don't want to do, even if it's good for them. *A: "I worked really hard to get Sean this interview, and he doesn't seem interested in it at all!" B: "Well, you can take a horse to water, but you can't make him drink."*

you can't beat that See [\(one\) can't beat that](#).

you can't believe your ears See [\(one\) can't believe \(one's\) ears](#).

you can't bluff a bluffer It is very difficult to fool someone who is experienced in the ways of fooling other people. *I know Bill thinks he can keep up with these star poker players, but you can't bluff a bluffer—they'll see through him for sure!*

(you) can't fight city hall You cannot defeat or prevail over a bureaucratic system or its rules. *You might as well pay those parking tickets now because you'll never win in court. You can't fight city hall, after all.*

you can't go home again You can't truly go back to a place you once lived because so much will have changed since you left that it is not the same place anymore. *Jim is so excited to visit his childhood town—I hope he knows that you can't go home again. I had such a great time in college that I'm nervous to go back for my reunion, since you can never go home again.*

you can't live with them, you can't live without them A phrase used to express frustration with someone or something that the speaker ultimately cannot give up. *My husband is a total slob, but but I still love him. Men: you can't live with them, you can't live without them. Sports: you can't live with them, you can't live without them. This soccer game is going to make me crazy!*

you can't live with them, you can't live without them A phrase used to express frustration with someone or something that the speaker ultimately cannot give up. The object of frustration always precedes the statement, and most commonly is "women." *My husband is a total slob, but I still love him. Men: you can't live with them, you can't live without them. Sports: you can't live with 'em, you can't live without 'em. This soccer game is going to make me crazy!*

you can't polish a turd You can't make something unpleasant seem more appealing than it really is—attempting to do so is often a futile effort. "Turd" is a slang term for a piece of feces. *Look, man, your term paper was bad before, and all of your edits are just making it worse—you can't polish a turd, you know.*

you can't put a wise head on young shoulders A young person cannot be expected to have or display the wisdom and sound judgment of an older person. *I know that you can't put an wise head on young shoulders, and yet, I still get so frustrated with my son and the ridiculous things that he does!*

you can't put an old head on young shoulders A young person cannot be expected to have or display the wisdom and sound judgment of an older person. *I know that you can't put an old head on young shoulders, and yet, I still get so frustrated with my son and the ridiculous things that he does!*

you can't run with the hare and hunt with the hounds When two parties are in conflict, you can't support both of them—you must

choose one. *Come on, you can't run with the hare and hunt with the hounds—pick a side! You're either in favor of renovating the library, or you're not.*

(you) can't take it with you (when you go) A warning against materialism that alludes to the fact that you can't keep your money or possessions when you die. *It doesn't matter how much money you make in your lifetime—you can't take it with you when you go. Quit buying so much expensive stuff! You can't take it with you!*

you can't tell a book by its cover You can't base your opinion of something (or someone) on the way it (or one) looks. A variant of "don't judge a book by its cover." *This report may look dull, but you can't tell a book by its cover—I will have you riveted by the facts and figures in no time! I know she's a little frumpy, but you can't tell a book by its cover, man!*

you can't unring a bell You can't rescind information that has been shared publicly, especially when it is damaging to a person or organization's reputation. Attempting to do so is usually as futile as "unringing" a bell. *How confident are you in this information? Because once we announce it, there's no changing it—you can't unring a bell. You can't unring a bell, even with the best lawyers. So I doubt this scandal is going away anytime soon.*

you can't win for losing See [\(one\) can't win for losing](#).

(you) can't win them all A phrase said, often as an attempt at consolation, when one has lost or failed to achieve a desired result, especially after previous success. "Them" is sometimes abbreviated as "'em." *I know you're disappointed to have the lost the game, but you can't win them all, honey. A: "I'm sorry, I know you worked really hard and were expecting an A+." B: "Eh, can't win 'em all."*

(you) could have fooled me Really? I thought the opposite was true. *A: "This neighborhood has really improved in recent years—it's quite popular now." B: "Wow. With all the boarded-up buildings, you could have fooled me." Maria is shy? Could have fooled me. She was talking all night.*

you could have knocked me down with a feather An expression of great or utter surprise, bewilderment, or astonishment. *I was so taken aback when I found out I'd won the lottery that you could have knocked me down with a feather!*

you could have knocked me down with a feather See [knock](#)

[\(someone\) down with a feather.](#)

you could have knocked me over with a feather See [knock \(someone\) over with a feather.](#)

you could have knocked me over with a feather An expression of great or utter surprise, bewilderment, or astonishment. *I was so taken aback when I found out I'd won the lottery that you could have knocked me over with a feather!*

you could hear a pin drop See [could hear a pin drop.](#)

you could hear the grass grow(ing) It is so still or quiet that one would be able to hear even the tiniest, imperceptible sounds. *I reckon you could hear the grass growing in the awkward silence that followed that dreadful performance.*

you could sell an icebox to an Eskimo See [\(someone\) could sell an icebox to an Eskimo.](#)

you could sell ice to Eskimos See [\(someone\) could sell ice to Eskimos.](#)

you crumb An interjection said to a repulsive or irritating person. *Oh, you crumb! How could you leave the house this filthy? I can't believe you tried to run the bill up on us, you crumb!*

you deal with it A directive to handle some task or address some situation, usually that which is annoying or troublesome, or which the speaker believes is not their responsibility. *You're the one who double-booked me, so you deal with it.*

you do not wash your dirty linen in public See [\(one\) does not wash \(one's\) dirty linen in public.](#)

You don't change horses in the middle of the race. It is dangerous or inadvisable to choose or back a different political figure for an election after the decision has already been made or the position filled. *Many people are dissatisfied with the senator's performance but will likely carry his party's support through to the next election—you don't change horses in the middle of the race, as the saying goes.*

You don't change horses mid-race. It is dangerous or inadvisable to choose or back a different political figure for an election after

the decision has already been made or the position filled. *Many people are dissatisfied with the senator's performance but will likely carry his party's support through to the next election—you don't change horses mid-race, as the saying goes.*

you don't know when to quit See [\(someone\) \(just\) doesn't know when to quit](#).

you dope You fool. *Don't push that, you dope! That's the eject button!*

you feel like a million dollars See [feel like a million dollars](#).

you figure See [\(one\) figures \(that\)](#).

you gals A friendly way of addressing a group of women collectively. *I can't wait to see you gals on Saturday!*

you got to crack a few eggs to make an omelet See [you've got to crack a few eggs to make an omelette](#).

you guys A friendly way of addressing a group collectively. Can be used for both men and women, or a group of both. A: *"Hey, are you guys going to the concert on Saturday?"* B: *"Rick and I definitely are, but Jen is undecided."*

you had better be going See [\(one had\) better be going](#).

you had better get moving See [\(one had\) better get moving](#).

you had better get on your horse See [\(one had\) better get on \(one's\) horse](#).

you had better keep quiet about it See [\(someone had\) better keep quiet about it](#).

you had better keep still about it See [\(someone had\) better keep still about it](#).

you heel You jerk. *I can't believe you left me at the movie theater, you heel!*

you just don't get it You don't understand. The statement often refers to something that affects the speaker emotionally. A: *"It stinks that you're injured right now, but there's always next year."* B: *"You just don't get it—so many scouts are coming out for the championship that it's a huge missed opportunity!"*

you kiss your mother with that mouth? Said to someone using expletives or other inappropriate language. *Stop cursing around all these little kids! Geez, you kiss your mother with that mouth?*

you know it An affirmation confirming what has just been said. A: "Are you coming to the concert on Saturday?" B: "Oh, you know it!"

you know what 1. A phrase used to convey a realization, often mid-sentence. *I wasn't going to go out with you guys tonight, but hey, you know what, I'm in!* **2.** A rhetorical question posed before a statement one considers to be the blunt truth, often during an argument or heated exchange. *You know what, John? I think you never really loved me.* **3.** A statement asserting that the person to whom one is speaking does in fact know something that they claim not to. A: "What is the matter with you?" B: "You know what!"

you little imp An expression of dismay after someone (the "imp") has done something surprising or has misbehaved in some way. *I can't believe you got into my make-up drawer, you little imp!*

you little scallywag An expression of dismay after someone (the "scallywag") has done something surprising or has misbehaved in some way. *I can't believe you got into my make-up drawer, you little scallywag!*

you look a little peaked You look ill, especially as if you might vomit. *You look a little peaked since you got off that roller coaster. Do you want some ginger ale to settle your stomach?*

you look like a million You look great! A shortening of the more common phrase "you look like a million bucks." *Look at you in that fancy cocktail dress! You look like a million!*

you look like a million bucks See [look like a million bucks](#).

you lot A way to address a group of people. Primarily heard in UK. *What do you lot want? I could hear Bill saying, "Let's go, you lot!" to the kids dawdling in our yard.*

you lucky devil See [lucky devil](#).

you make me sick You disgust me. *I can't believe you're dating Tom's ex-boyfriend. You make me sick!*

you never know what you've got till it's gone You don't fully appreciate people or things until you lose them. *My grandfather passed away*

last month, and I miss him so much. Truly, you never know what you've got till it's gone. Having an old junker of a car was better than having no car at all—now I have to walk everywhere! I guess it's true that you never know what you've got till it's gone.

you old fart See [old fart](#).

you only live once A phrase that prioritizes action, and often impulsivity, over contemplation in the pursuit of life experiences. A: *"Come to the music festival with us, Colleen!"* B: *"Yeah Colleen, you only live once! That carnival ride looks totally terrifying, but you only live once, so let's do it!"*

you put your pants on one leg at a time See [\(one\) puts \(one's\) pants on one leg at a time](#).

you put your trousers on one leg at a time See [puts \(one's\) trousers on one leg at a time \(just like everybody else\)](#).

you read me See [\(do\) you read me?](#)

you saved the day You fixed a problem or addressed an issue that would have negatively impacted something else. *Thank you so much for picking up the cake on your way to the party—you saved the day!*

you should know a man seven years before you stir his fire In interactions with people you don't know well, you should behave with caution and avoid meddling in their affairs. *Mother, you don't know Sir Harold well enough to inquire about his personal life. Remember: you should know a man seven years before you stir his fire.*

you shouldn't have A message of thanks for a (usually unexpected) gift. Can be used sincerely or sarcastically. *You got me a present? Aww, you shouldn't have! More files to copy? Thanks, you shouldn't have.*

(you) silly goose childish You silly, goofy person! *You can't have cookies before we eat dinner, you silly goose! You'll spoil your appetite!*

you snooze, you lose If you wait too long to do something, that opportunity might become unavailable. The phrase can be used as a warning for events to come, or to describe past things that one has already missed. *Come on, we have to get to the bakery early, before all the donuts are sold out! You snooze, you lose!* A: *"Aw man, I can't believe I missed the chance to*

meet my favorite author." B: "Well, you snooze, you lose."

you so-and-so An exclamation of surprise or dismay that avoids using harsh language. *I can't believe you got into my make-up drawer, you so-and-so!*

you take it See [I take it](#).

you think 1. A question one uses at the end of a sentence to express uncertainty. *We're not going to get into trouble—you think?* 2. A sarcastic rhetorical question used as a retort when someone states the obvious. A: "Wow, I bet that fire is really hot." B: "You think?"

you want to start something You want to get into a fight? A: "How did you even get into this school anyway?" B: "Oh, you want to start something?"

you weasel You sneaky person. *You weasel! I can't believe you stole the song I was going to do for the audition!*

you what You did what? Usually said in dismay after the speaker has learned what the other person has done. A: "So I spilled a little wine on that dress I borrowed from you..." B: "You what?"

you will rue the day See [rue the day \(that something happened\)](#).

you wish A sarcastic retort about something that most likely will not happen. A: "Oh, I'm definitely getting into Harvard." B: "You wish!"

you would do well to See [\(one\) would do well to \(do something\)](#).

you'd better be going See [\(one had\) better be going](#).

you'd better get moving See [\(one had\) better get moving](#).

you'd better get on your horse See [\(one had\) better get on \(one's\) horse](#).

you'd better keep quiet about it See [\(someone had\) better keep quiet about it](#).

you'd better keep still about it See [\(someone had\) better keep still about it](#).

you'll be the death of me If your behavior continues like this, it will cause me the maximum amount of aggravation. *You'll be the death of me! Please call if you're going to be home late, so I don't worry.*

you'll catch your death You'll get sick if you do what you're about to do (often, go outside without being properly dressed). A shortened version of "you'll catch your death of cold." *You can't go out without a coat at this time of year, you'll catch your death!*

you'll catch your death of cold You'll get sick if you do what you're about to do (often, go outside without being properly dressed). *You can't go out without a coat at this time of year, you'll catch your death of cold!*

you'll catch your death (of cold) A warning issued (often hyperbolically) to one deemed vulnerable to becoming ill with the common cold. *You'll catch your death of cold if you leave the house with wet hair—it's freezing outside! You'll catch your death in this weather if you don't put on a coat!*

you'll never guess You won't believe (something). *You'll never guess who I ran into today at the supermarket!* A: "What did you get for your birthday?" B: "You'll never guess!"

young fogey A young person who acts older than they are, due to conservative and/or outdated beliefs and behaviors. A play on the more common phrase "old fogey"—and older person with outdated ideals. Primarily heard in UK. *You don't want to come to the club? Ah, you're such a young fogey. I can't believe you're going to bed early on a Saturday night so that you can go to church in the morning—you're such a young fogey!*

young lady **1.** A girl, typically one who is between adolescence and adulthood. *You are becoming quite the responsible young lady.* **2.** An admonishment for a girl, typically given by her parents. *You are in so much trouble, young lady! I can't believe you borrowed my car without my permission!*

young man **1.** A boy, typically one who is between adolescence and adulthood. *You are becoming quite the responsible young man.* **2.** An admonishment for a boy, typically given by his parents. *You are in so much trouble, young man! I can't believe you borrowed my car without my permission!*

young once A phrase emphasizing that someone will not be young forever. Typically used in the phrase "you're only young once." *You need to*

go skydiving with us. Come on, you're only young once—it's time for an adventure!

younger brother One's younger male sibling. *Yeah, I have a younger brother—his name is Jim. Johnny is Bella's younger brother.*

younger sister One's younger female sibling. *Yeah, I have a younger sister—her name is Jill. Bella is Johnny's younger sister.*

your ass A humorous (and perhaps inappropriate, depending on the audience) slang term for "you" or "yourself." *Mom is looking for you, and she is not happy. Your ass must be in trouble! Get your ass down here now!*

your blood's worth bottling You are invaluable. Primarily heard in Australia. *You're such a huge asset to the committee—your blood is worth bottling.*

your man **1.** One's male significant other. *Where's your man? Is he coming to the party tonight? I'm so glad I got to meet your man on Saturday! He seems like such a nice guy.* **2.** A man who can complete or help with a task or job because he is skilled in that particular area. *I used to play basketball in college, so if you need any tips, I'm your man! Todd's a great mechanic—if your car breaks down, he's your man.*

your mom slang A juvenile retort meant to insult one's mother. The term is often used with provocative wordplay to suggest that one has engaged in sexual acts with the listener's mother. *A: "What did you guys do last night?" "B: "Your mom!" A: "You really need to get to band practice on time." B: "Your mom really needs to get to band practice on time!"*

you're a godsend You are wonderful and/or helpful. *You brought me coffee? Ah, you're a godsend. Thank you much for picking up the cupcakes on your way to the party—you're a godsend.*

you're a lifesaver You are wonderful and/or helpful. *You brought me coffee? Ah, you're a lifesaver. Thank you much for picking up the cupcakes on your way to the party—you're a lifesaver.*

you're a numbskull You are really stupid. *If you think no one will catch you cheating on your exam, you're a numbskull and deserve to get caught.*

you're a peach You are wonderful and/or helpful. *You brought me coffee? Ah, you're a peach. Thank you much for picking up the cupcakes on*

your way to the party—you're a peach.

you're an angel You are sweet and or/perfect. You can do no wrong. *You brought me coffee? Ah, you're an angel. Right, like you stole the mascot. You're an angel, and you were at the library when it happened!*

you're chicken You're a coward. *You would never steal the mascot, you're chicken! You're shaking just thinking about it right now!*

you're imagining things You're making things up or seeing things that are not real. *You're imagining things—there's nothing going on between Bill and me.*

you're nuts You're crazy! *If you think I'm going to tell the scary upstairs neighbor that his music is too loud, you're nuts!*

you're on! An exclamation of agreement to something that was said or that is happening, often (but not always) a challenge or a wager. *A: "Want to see who can run to the end of the road the fastest?" B: "You're on!" A: "I bet you \$50 that my team beats yours in the championship." B: "You're on!"*

you're only as old as you feel Your health is a bigger factor in what you are able to do than your actual age. *A: "We're too old to go hiking on that trail." B: "Oh come on! You're only as old as you feel."*

you're pulling my leg You're lying to me. Often refers to some kind of playful deceit, not a malicious lie. *A: "I swear that guy is a famous body-builder." B: "You're pulling my leg—I'm bigger than that guy!"*

you're seeing things You're making things up or seeing things that are not real. *There's no dog in the backyard, you're seeing things. You're seeing things—there's nothing going on between Bill and me.*

yours sincerely A common closing of a letter. *I hope that we can work together again soon. Yours sincerely, Victoria*

you've got a lot of nerve You're audacious, brazen, or sassy. Can be positive or negative. *Did you seriously steal my prom date ? Oh, you've got a lot of nerve! You've got a lot of nerve walking in here after how you left the last time. You've got a lot of nerve, kid. You're hired.*

you've got a point there Your point of view or opinion makes sense. *A: "It's snowing—should we really go out for ice cream?" B: "Hmm, you've got a point there." A: "I don't think we need to add that chart to the report,*

considering all of the others we have." B: "Yeah, you've got a point there."

you've got me I don't know the answer to your question. A: *"Is Bill coming in today?"* B: *"Hmm, you've got me."*

you've got to be in it to win it You must participate if you want to win something. The phrase is often applied to winning the lottery. *Did you see that great prize? I hope you bought your raffle ticket because you've got to be in it to win it!*

you've got to crack a few eggs to make an omelette Sometimes, you have to do unpleasant things in order to complete a task or meet a goal. *Your students clearly don't respect you. I know you don't want to yell at them, but you've got to crack a few eggs to make an omelette. If I don't cut people's salaries, the company is going to go bankrupt. It's unfortunate, but you've got to crack a few eggs to make an omelette.*

Z

zealous devotee A passionate follower (of someone or something). *My boyfriend is a zealous devotee of this new diet, but if I have to eat another plate of vegetables, I'll lose my mind.*

zenith of (one's) career The highest point of one's career. *Now that I got a big promotion, I'm at the zenith of my career—it can't get any better than this!*

zero day See [0-day](#).

zero hour The time at which something starts. *I have so much studying left to do before the exam, and zero hour is 8 AM! Zero hour for our vacation is 4:30—the minute we're all done work!*

zero-sum game A situation, process, competition, or outcome in which the winner's gain is exactly equal to the loser's loss. *Poker is a zero-sum game because the amount of money won by one player is equivalent to the amount lost by the other players.*

zero to hero See [go from zero to hero](#).

zit face derogatory slang Someone with very bad acne or severe scarring therefrom. (Sometimes hyphenated.) *I was a bit of a zit face in high school, but thankfully my face cleared up in college. Wow, a zit-face like you will never get a date to the dance!*

ZZZ A written symbol of sleep. It can include more than three z's. *All sleeping comics characters have "zzz" written above them.*

FARLEX **IDIOMS & SLANG DICTIONARY**
