Preface

It could be argued that if you don't know idioms, you don't really know English. That's because the exquisitely robust corpus of the English language is full of idioms, slang, phrasal verbs, and all kinds of expressions whose meanings cannot be understood from their individual words alone, or even gleaned from the sum of their parts. In other words, native speakers typically know what an idiom means simply from having heard it used their whole lives. But challenge those native speakers to explain why an idiom means what it means, and you'll likely hear a long pause—or an attempt to define the idiom with (oops!) another idiom.

Try this experiment: go a whole day without using any idioms, slang, or phrasal verbs (which include ubiquitous phrases like "pick up" and "put down"), and see how long you can last. After about five minutes, you'll realize why this book contains more than 17,000 unique entries. And if you find it easy to avoid using idioms, you probably need this book most of all: idioms may sometimes be confusing, but they color the English language with unparalleled richness, providing us with nearly unlimited opportunities to say things in highly specific and nuanced ways. Without them, we'd be much less able to express ourselves clearly and succinctly.

Of course, idioms should be used with care, precision, and discretion, or else our speech and writing will become littered with clichés and devoid of meaning. Use this dictionary to enrich and hone your vocabulary, to better understand the origins and meanings of the phrases you hear and say every day, and to enjoy the full possibility of English expression.

Get to know idioms, and get to know English even better.

Editor's Note

This book is written according to the standard styles and spellings used in American English. While major differences between American and British English are usually addressed, some information in the book might not coincide with the styles, tendencies, or preferences of other English-speaking communities.

I

I beg your pardon

I can tell you

(I) can't rightly say

(I) can't say as I do(, can't say as I don't)

(I) can't say for sure

(I) can't say that I do

(I) can't say that I have

(I) can't thank you enough

(I) can't wait

I do

I don't fancy yours (much)

I know that feel

I know you are but what am I

I never did

I see what you did there

"I see," said the blind man

I should cocoa!

I shudder to think

I suppose (so)

I take it

I told you so!

I wish

I wouldn't touch (something or someone) with a barge pole

A into G An abbreviation of "arse into gear" (or "ass into gear"), meaning to get going or moving. Primarily heard in New Zealand. *You're starting off a little bit slow this morning, you need to get your A into G.*

à la In the manner or style of something or someone else. The phrase is a shortened form of the French *à la mode de*, meaning "in the manner of." *The lead actor delivered hilarious slapstick à la The Three Stooges, but also had a grace and charm that was irresistible.*

à la carte Available to be purchased individually instead of bundled with other items. Most often describes items on a menu that are not part of a main dish. *I wasn't very hungry, so I opted to buy a few side items à la carte instead of a full meal.*

à la mode **1.** Served with ice cream. *My favorite dessert is apple pie à la mode.* **2.** Very fashionable. *Big shoulder pads were à la mode in the 1980s, but most people now would not dare to wear them.*

A-OK Operating or existing in perfect working order or in the best condition to be hoped for. Primarily heard in US. *We've got the new engine fitted to the car now, and so far it's running A-OK! I've felt A-OK since I left the hospital last week.*

A1 Of the very highest caliber, standard, or quality. *That was a positively A1 performance last night.*

Aaron's beard Another name for several bushy flowering plants, including the rose of Sharon. The name alludes to the Biblical Aaron and his very long beard. A: *"I see these plants everywhere but I can never remember what they're called."* B: *"Oh, that bush? That's Aaron's beard."*

abandon hope, all ye who enter here A message warning one about a hopeless situation from which there is no return. The Italian version of this phrase appears in Dante's *Divine Comedy* as the inscription on the entrance to Hell. The phrase is most often used humorously. *I'll never forget my first day as an intern and the sign above my cubicle that said, "Abandon*

all hope, all ye who enter here."

abandon (oneself) to To allow oneself to enjoy something fully. *On the chilly fall day, Maria abandoned herself to the comforts of hot tea and a warm blanket.*

abandon ship **1.** Literally, to escape from a sinking ship. *We had to abandon ship after the collision with the rocks tore a hole in the hull.* **2.** By extension, to leave a failing organization or bad situation. *Amid rumors that the company was filing for bankruptcy, the employees started to abandon ship.*

abbreviate (something) to **1.** To shorten a word or phrase into an abbreviation or acronym. *Many government agencies have long names that are often abbreviated to acronyms. The pop star abbreviated her name to the first letter of her first name and the first two letters of her last name.* **2.** To condense or shorten something. *During our busy season, our lunch hour is often abbreviated to 30 minutes so we can keep up with the demand. The judge abbreviated the sentence to just 10 months.*

abduct (someone) from To kidnap. *Someone abducted that little girl from her parents' home in the middle of the night. I hope the dog wasn't abducted from our yard.*

abet (someone) in To help someone in an activity, usually an illegal one. *If you drove the robber's getaway car, then you abetted him in a crime! Everyone thinks you abetted Connie in starting this rumor.*

abide by To obey something, usually an established rule. *Because Donna refuses to abide by her parents' rules, I worry that she'll be told to move out of their house.*

abide by a decision To accept, follow, and comply with a decision, especially that which is handed down by a judge. *Though it stings my dignity, I have to abide by the court's decision to not allow me to drive a car for the next 12 months.*

abide with To stay or remain with someone. *If you would like to rest for a while, you can abide with me.*

able to breathe again **1.** Literally, capable of inhaling and exhaling without difficulty. *Once the climbers returned from the top of the mountain, they felt like they were finally able to breathe again.* **2.** Figuratively,

recuperating from a busy or stressful period of time. *After a long, hectic summer, many parents feel like they are able to breathe again once their kids are back in school.*

able to cut it Capable of performing at a high level; capable of success. *I know she hasn't had that much experience in this field, but I think she will be able to cut it.*

able to do it Capable of completing a particular task or doing something. *I offered to help her change her flat tire, but she said she was able to do it herself.*

able to (do something) blindfolded Very adept at doing something, with very little or no difficulty; able to complete or accomplish something in a relaxed, carefree, or effortless manner. *It took me a little while to get used to this job, but now I'm able do it blindfolded! You should ask Johnny for help, he can do calculus blindfolded.*

able to do (something) standing on (one's) head Very adept at doing something, with very little or no difficulty; able to complete or accomplish something in a relaxed, carefree, or effortless manner. *It took me a little while to get used to this job, but now I'm able do it standing on my head! You should ask Johnny for help—he's able to do this level of math standing on his head.*

able to (do something) with (one's) eyes closed Very adept at doing something, with very little or no difficulty; able to complete or accomplish something in a relaxed, carefree, or effortless manner. *It took me a little while to get used to this job, but now I'm able do it with my eyes closed! You should ask Johnny for help, he can do calculus with his eyes closed.*

able to fog a mirror Alive, perhaps barely. (If one holds up a mirror to one's nose or mouth, the breath will cause fog to appear.) *I spent the whole day moving furniture, so I'm barely able to fog a mirror now. He'll date any woman who's able to fog a mirror.*

able to get a word in edgewise Able to speak despite other people dominating the conversation (hence the image of squeezing words in "edgewise"—sideways). Usually used in the negative. *When Mary came up for air in her monologue, I was finally able to get a word in edgewise about my own weekend! The third-tier candidate wasn't able to get a word in*

edgewise at the debate.

able to make (something) Able to attend an event or other social gathering. *I have a prior commitment, so I won't be able to make the event Friday night. My work schedule changed, so I'm able to make your party after all!*

able to take a joke To have the capacity to remain calm or be amused in response to good-natured teasing. *I'm certainly able to take a joke, but what you said to me was downright mean. A: "Do you think he'll be offended if I say something about his terrible driving?" B: "Nah, he's able to take a joke."*

able to take just so much Incapable of enduring much physical or mental distress. *Quit teasing your little brother, he's able to take just so much.*

able to take only so much Incapable of enduring much physical or mental distress. *Quit teasing your little brother, he's able to take only so much.*

albatross **1.** A sign or omen of good fortune, specifically in relation to sailing. In this instance, it is a literal albatross that is a symbol of good luck. *We saw an albatross flying overhead as soon as we set out, so I think it's safe to say we're going to have a smooth trip out to sea.* **2.** Something that is considered cursed, an ill omen, or the bringer of bad luck. This metaphorical use of the term is an allusion to the Samuel Taylor Coleridge poem *The Rime of the Ancient Mariner*, in which the titular narrator kills an albatross (usually an omen of good fortune), bringing a curse upon himself and his ship. *Ever since he gave that disastrous campaign speech, the congressman has been seen as something of an albatross for the fortunes of his party.*

albatross around (one's) neck A heavy burden that prevents one from achieving success. The phrase refers to Samuel Taylor Coleridge's poem *The Rime of the Ancient Mariner*, in which the narrator kills an albatross—a large white bird deemed an omen of good fortune. This act is thought to curse his ship, so he must then wear the albatross around his neck. *The old property became an albatross around his neck as the costs of repair and renovation began to skyrocket.*

alert the public To bring something to the attention of the public at large, especially as a warning of some kind. *The purpose of her video was to alert the public to the risks of eating too much sugar. We want to alert the public that the business will be moving to a new location at the end of the month.*

Alibi Ike Someone who constantly makes excuses, so as to shirk duty or responsibility. The name was featured in the 1920s short story "Alibi Ike." A: "Sorry, Mom, I can't do the dishes tonight—I have a baseball game and then homework and also a project that's due tomorrow." B: "Listen, Alibi Ike, I think you can squeeze in washing a few dishes."

alienate (one) from **1.** To isolate or estrange one from something. *Her status as the teacher's pet alienated Lisa from her peers.* **2.** To cause a person or group to reject something. *The candidate alienated many potential voters from his party when he insulted blue-collar workers.*

alight from To get down from, or off of, something (usually a vehicle). *The children alighted from the school bus on the first day of school. We've landed, but we still need to alight from the plane.*

alight (up)on **1.** To land or rest upon something. *The large black crow alighted on the telephone wire high above the street. As he walked into the room, his eyes alighted upon a gorgeous woman wearing a red dress.* **2.** To arrive at a thought or idea. *The engineer alighted on a mathematical solution to the problem he'd been trying to solve all week.*

align (oneself) with To support, agree with, or form an alliance with a particular person or idea. *As soon as I explained how the plan would benefit the company financially, the CFO aligned himself with the idea. Heather aligned herself with an animal rights group and began promoting veganism.*

I got all mops and brooms at the party last night, and I'm paying for it today, all right. I may never drink again!*

all mouth and no trousers Full of boastful, arrogant, or shallow talk, usually by a male, who then cannot deliver on his claims. A variant of "all mouth and trousers," meaning the same thing. Primarily heard in UK. *He talks a big game, but when it actually comes to asking out a woman, he's all mouth and no trousers.*

all mouth and trousers Full of boastful, arrogant, or shallow talk, usually by a male, who then cannot deliver on his claims. The variant form, "all mouth and no trousers" (meaning the same), is also often used. Primarily heard in UK. *I find that most of the men in the city are all mouth and trousers. They all act like they are God's gift to women, but I've yet to meet one who's at all interesting. The opposition party is all mouth and trousers, for they have no real plan to address the things they are criticizing.*

all my eye (and Betty Martin) Nonsense talk. The origin of this phrase is disputed, but it may have originated with a sailor whose retelling of a beggar's (misheard) words was regarded as nonsense. *Oh please, she's not rich. Any talk of wealth is all my eye and Betty Martin. If he says he's good at tennis, it's all my eye—he's terribly uncoordinated on the court.*

all nations obsolete In a dram shop (a place that sold alcoholic

beverages), the mixture of the remaining portions of distilled alcohol emptied and collected into a single container or vessel. *It's a shame to see the all nations thrown away at the end of day, made up as it is of so many different drinks.*

all (one's) eggs in one basket All of one's hopes/efforts/resources are committed to one area, which is considered a risky strategy. *Stella put all her eggs in one basket by just applying to Harvard, but it's the only school she wants to go to. If I were you, I'd have a backup plan, rather than putting all my eggs in one basket.*

all (one's) geese are swans One is overexaggerating and not in touch with reality. Geese and swans are quite different, so to think they are the same is a stretch of the truth. *I can't listen to another one of Tiffany's stories that cast her as the adored heroine. All her geese are swans if she thinks everyone at work likes her!*

all (one's) life is worth A very risky, dangerous, sober, difficult, or monumental thing to undertake. *It would be all one's life is worth to go out into the streets alone at night. It's all your life is worth to try and find a seat on the train at rush hour.*

all (one's) life's worth A very risky, dangerous, sober, difficult, or monumental thing to undertake. *It would be all one's life's worth to go out into the streets alone at night. It's all your life's worth to try and find a seat on the train at rush hour.*

all or nothing 1. Everything one desires or nothing at all. In this mindset, the only acceptable outcome is everything that a person desires (the perfect option); anything else is rejected. *You need to ditch this all or nothing mentality. Every man you date is going to be flawed in some way! The college application process cannot be all or nothing—you really need to apply to a variety of schools.* 2. be not all it's cracked up to be To be not as good, enjoyable, special, or worthwhile as people insist or believe. *Honestly, the movie isn't all it's cracked up to be. Maybe I'm just not the right audience for it. If you ask me, long-term relationships just aren't all they're cracked up to be.*

be (not) all moonlight and roses To be very enjoyable and pleasant, especially of a romantic situation. This phrase is often used in the negative to emphasize difficulties in a romantic relationship. *I thought that dating an actress would be all moonlight and roses, but she travels so much that I hardly ever see her. Living with a boyfriend or girlfriend is not all moonlight and roses, you know.*

be not anything to write home about See [not anything to write](#)

[home about.](#)

be (not) as black as (someone/something) is painted To be as bad or unpleasant as someone or something is rumored to be. This phrase is often used in the negative to convey the opposite. *That class is as black as it is painted—I've never had so much homework in my life! Mr. Stewart may yell a lot, but he's not as black as he is painted—he's actually helped me carry my groceries many times.*

be (not) backward in coming forward To be reluctant or hesitant to voice one's opinion. Primarily heard in UK, Australia. *I should have known that Josh would criticize my entire paper—he's not backward in coming forward. Patty tends to be backward in coming forward, so I don't think she'll say anything tonight.*

be (not) big on (something) To be very interested in something and prioritize it. *My friends love going to clubs, but I'm not big on dancing. My family is big on education, so I know I'm going to college next year.*

be (not) comme il faut To be appropriate or correct behavior, as in a social situation. *Comme il faut* is French for "as is proper." *It is not comme il faut to overshadow the bride at a wedding.*

be not for the faint-hearted To be unsuitable for those who are easily stressed or frightened. *That horror movie is definitely not for the faint-hearted. I don't scare easily, and I screamed the whole time! Working in an operating room is not for the faint-hearted.*

be not half bad To be fine or acceptable, perhaps surprisingly so. *Wow, this dinner isn't half bad—I can't believe Lindsay made it all by herself! The kids' play really isn't half bad, if you want to come see it over the weekend.*

be not having any (of it) 1. To not want any part (in something); to be completely disinterested (in something). *My mother wasn't having any of it when I suggested she come bungee jumping with us. Hiking in this weather? No thank you, I'm not having any!* 2. To completely disagree (with something); to not believe something at all. *I tried to pass it off like it was the dog that broke the lamp, but my wife wasn't having any of it. We laid out our reasons for voting "Yes" in the referendum, but our neighbor wasn't having any.*

be not in Kansas anymore To no longer be in a place that one

knows or where one is comfortable; to be in a completely unfamiliar and/or discomfiting environment. A reference to *The Wizard of Oz*, in which Dorothy, upon arriving to Oz, says, "Toto, I've a feeling we're not in Kansas anymore." *It can actually be quite shocking to finish college and enter the workforce, because suddenly you realize that you aren't in Kansas anymore and life operates in a totally different way now. As we walked into the bustling streets of Delhi, we knew we weren't in Kansas anymore.*

be not just a pretty face To have distinguishing achievements, intelligence, skills, or abilities beyond what was or may have been assumed. *Sure I know how to fix your computer. I'm not just a pretty face, you know! A: "I didn't know Jerry had a PhD in engineering." B: "I guess he's not just a pretty face."*

be not just another pretty face To have distinguishing achievements, intelligence, skills, or abilities beyond what was or may have been assumed. *Sure I know how to fix your computer; I'm not just another pretty face, you know! Bob: "I didn't know Jerry had a PhD in engineering." Dave: "I guess he's not just another pretty face."*

be not much between the ears To be rather stupid, dull, or dimwitted; to not have much common sense or basic intelligence. *She seems nice enough, but I get the sense that there might not be much between the ears. Jake's boyfriend is incredibly attractive, but there isn't much between the ears from what I can tell.*

be not much cop To be not very good; to be not noteworthy or exceptional at all. Primarily heard in UK. *I was really looking forward to the film, but it was not much cop, I'm afraid. I just wasn't much cop as an accountant, so I packed up my career and spent a year travelling abroad.*

be not much to look at A euphemism to describe someone deemed physically unattractive. *Jack's a nice guy, he's just not much to look at, you know?*

be (not) on speaking terms To have an amicable, although perhaps guarded or superficial, relationship with someone. This phrase is often used in the negative to show that two people are estranged. *It took a long time, but*

my ex-husband and I are finally on speaking terms these days. After that argument last night, I'm not on speaking terms with Stephanie. I don't know Kyle that well, but we're on speaking terms, and he seems nice enough.

be (not) (one's) bag slang To be something that one is interested in or enjoys. *Dancing just isn't my bag—I always look really foolish. You can tell just by looking at her that fashion design is her bag.*

be not (one's) bag To not be something one prefers, desires, enjoys, or cares about. *Thank you for the invitation, but long-distance cycling just isn't really my bag. When I found out that reading wasn't his bag, I knew that there wasn't much of a relationship in store between us.*

be (not) (one's) brother's keeper To be responsible for another person's actions. This phrase is often used in the negative and can refer to anyone (not just one's literal brother). *Of course I'm disappointed that Travis got arrested again, but I'm not my brother's keeper. When I'm babysitting him, I'm my brother's keeper.*

be not (one's) cup of tea To not be something one prefers, desires, enjoys, or cares about. *Thank you for the invitation, but long-distance cycling just isn't really my cup of tea. When I found out that reading wasn't his cup of tea, I knew that there wasn't much of a relationship in store between us.*

be (not) (one's) department To be one's area of expertise or responsibility. *I can't approve expense reports—that's not my department. Car repair is my dad's department, so he should be able to help you out.*

be not (oneself) To not feel physically or mentally well, or as one normally should. *I'm sorry for getting upset at you earlier, I'm just not myself today. I know Mary hasn't been herself ever since she lost her job.*

be (not) out of the woods To have endured a difficult, unpleasant, or uncertain situation. This phrase is used in the negative when a situation has improved but is not entirely resolved. *For a while, it looked like our school was going to have to close, but thanks to an anonymous donor, we're out of the woods now. These blood test results are a good sign, but you're not out of the woods just yet.*

be not right in the head To be mentally unwell or unstable. The term can be used both literally and hyperbolically. *Tim has been behaving very erratically lately, so I'm afraid that he's not right in the head. Oh, Liz is not*

right in the head if she thinks that plan will work!

be not rocket science To not be a pursuit, activity, or endeavor that requires extraordinary skill or intelligence. *Look, all you need to do is reformat the hard drive on your computer. It isn't rocket science! Sure, it took a little bit of time to figure out, but reinstalling the modem wasn't rocket science or anything.*

be not short of a bob or two To be wealthy. (A "bob" is another name for a shilling.) Primarily heard in UK, Australia. *I hear her father is not short of a bob or two, so I wouldn't be too worried about her future.*

be not short of a penny (or two) To be exceptionally wealthy; to have no concerns regarding money. *A: "I just heard Sarah just lost her job!" B: "Well, her husband's family isn't short of a penny, so I think they'll be just fine." I once dated a guy who, though he was never short of a penny or two, was the most miserly person I'd ever met. He wouldn't even tip when we went out to eat!*

be not something to write home about See [not something to write home about](#).

be not the done thing Of a given behavior, to be unacceptable, inappropriate, or incorrect in a particular social situation. Primarily heard in UK. *You should know better than to wear a skirt like that to a formal dinner; it is simply not the done thing! I'm so glad smoking indoors is not the done thing anymore!*

be (not) the end of the world To be a very big deal or problem. Often used in the negative to describe a situation that one believes is being exaggerated. *I know you're upset that you failed a test, but, really, it's not the end of the world! You might think that not getting your driver's license today is the end of the world, but it's not. In five years, you won't even remember this day!*

be not the full quid slang To be a bit crazy or wacky. Primarily heard in Australia. *He's not the full quid if he thinks that plan is going to work. Of course he's not the full quid—he's wearing pajamas at the beach!*

be (not) the marrying kind To be a person who is interested in getting married. This phrase is often used in the negative to convey a disinterest in or opposition to marriage. *Considering how many the women*

he's dated in the past year alone, Jack is not the marrying kind! Oh, you're the marrying kind—you just haven't met the right person yet.

be not up to the mark To be not as good as what was expected, required, or demanded; to be unsatisfactory. *Jim, I know you've had a lot going on at home, but these reports just aren't up to the mark. I used to eat there all the time, but to be honest, their food hasn't been up to the mark recently.*

be (not) well up on (something) To be knowledgeable about a particular subject or issue. *My sister did her thesis on robotic surgery, so she is very well up on healthcare technology. I'm not too well up on the policy changes happening this year—is there a reference guide I can consult?*

be not what it's cracked up to be To be not as good, enjoyable, special, or worthwhile as people insist or believe. *Honestly, the movie isn't what it's cracked up to be. Maybe I'm just not the right audience for it. If you ask me, long-term relationships just aren't what they're cracked up to be.*

be not worth a brass farthing To be completely worthless or useless; to have little or no value. Refers to farthings (obsolete British units of currency, worth one-quarter of a penny), formerly made from a copper alloy (brass). Primarily heard in UK. *I was so excited when my grandfather said he'd give me his car, but this old clunker isn't worth a brass farthing. Over the years working here, I've come to realize that the boss's word isn't worth a brass farthing.*

be not worth a plug nickel obsolete To be completely worthless or useless; to have little or no value. (A variant of "not worth a plugged nickel.") Refers to coins (not only nickels) that were "plugged"—that is, those that had a hole drilled in their center and were filled with cheaper metals—which made the coins illegitimate and worthless if spotted. Primarily heard in US. *I was so excited when my grandpa said he'd give me his car, but this old clunker isn't worth a plug nickel. Over the years working here I've come to realize that the boss's promises aren't worth a plug nickel.*

Before this meeting begins, we'd like to have assurances that the possibility of restoring holiday bonuses is*

going to be on the table.

be on the threshold of (something) To be about to do something; to be about to happen. *I can't believe that my little girl is actually on the threshold of marriage. I'm confident that our team is on the threshold of a major scientific breakthrough.*

be on the tip of (one's) tongue To be close to being remembered, as if one is nearly about to say the thing trying to be recalled. *Her name is on the tip of my tongue. Just give me a minute, I'll remember it.*

be on the wagon To maintain one's sobriety; to abstain from alcohol. *Jim's on the wagon again, so he doesn't want to go to the bar with us tonight.*

be on the warpath slang To be overtly angry and/or looking for retribution. The phrase is potentially offensive, as it references a Native American war practice. *I'd avoid the boss if I were you—he's on the warpath and screaming at everyone he sees.*

be on the wing To be flying. This phrase is typically reserved for living things (such as birds or insects), rather than airplanes and other machines that can fly. *When eagles are on the wing, you can clearly see their field marks.*

be on the wrong end of (something) To have an unfavorable or problematic relationship with something and thus endure negative consequences or effects. *Unless you want to be a police suspect, you can't be seen with me, now that I'm on the wrong end of the law.*

be (on) the wrong side of (an age) To be older than a certain age. *Why is she dressing like a teenager when she is clearly the wrong side of 40? I'm sore after every workout these days, so I'm definitely on the wrong side of 30!*

be on the wrong track To be progressing in a way that will likely fail or be unsuccessful. *All of these protestors think that we're really on the wrong track with this new environmental initiative. Considering all of our failed experiments, our team must be on the wrong track.*

be on thin ice See [be \(walking\) on thin ice](#).

be on tight leash See [be on a tight leash](#).

be on to a good thing slang To be in a favorable or enjoyable situation. *I think I'm on to a good thing with my new job because I can work*

from home as much as I want. Your new boyfriend seems really sweet—I think you two are onto a good thing.

be on to (someone) 1. To have knowledge, be suspicious, or be aware of someone's actions, behavior, or intention. *You'd better tread carefully, I'm on to you now. The police are on to us! Everybody run!* 2. To be in contact with someone at a given point in time. *I'll be on to you tomorrow about the details of our meeting. I was on to John yesterday about where he wants to go for his birthday.*

be on to (something) To discover, realize, or be in the process of doing something of great importance, value, or insight. *Great work on this essay, Lindsay. I really think you're on to something here. Scientists now believe they may be on to a cure for cancer.*

be on tod See [be on \(one's\) tod](#).

be on top of the world See [be \(sitting\) on top of the world](#).

be on track To progress or develop as planned, scheduled, or expected. *Everyone in our entire department is on track to meet their sales quotas for the year. The project was on track before the boss up and quit, but who knows when we'll get it finished now!*

be on uppers See [be \(down\) on \(one's\) uppers](#).

be on welfare To be receiving assistance, financial or otherwise, from publicly or privately funded agencies (usually run by the government) due to a certain level of hardship, poverty, or need. *It was really disheartening having to be on welfare these past six months, but it was the only thing that kept our family afloat after I lost my job. Some people are very critical of those who have been on welfare for extended periods of time.*

be one age with (someone) dated To be of the same or roughly equivalent age as someone else. Primarily heard in Ireland. *I had absolutely no idea that Mrs Shelby was one age with her husband; she looks so much younger!*

be one brick short of a (full) load To be not very intelligent or of questionable mental capacity. This expression can appear in many different forms and variations (e.g., "a few sandwiches short of a picnic," "one card shy of a full deck," etc.). *He says he's going to start a business selling bees as pets—I think he may be one brick short of a load. The new manager is nice*

enough, but he's one brick short of a full load, if you ask me.

be one card short of a full deck To be not very intelligent or of questionable mental capacity. This expression can appear in many different forms and variations (e.g., "a few sandwiches short of a picnic," "one brick short of a load.," etc.). *He says he's going to start a business selling bees as pets—I think he may be one card short of a full deck. The new manager is nice enough, but he's one card short of a full deck, if you ask me.*

be one card shy of a (full) deck To be not very intelligent or of questionable mental capacity. This expression can appear in many different forms and variations (e.g., "a few sandwiches short of a picnic," "one brick short of a load.," etc.). *He says he's going to start a business selling bees as pets—I think he may be one card shy of a full deck. The new manager is nice enough, but he's one card shy of a deck, if you ask me.*

be one flesh To join together with another person in marriage. Taken from the biblical verse regarding marriage, "And the two shall become one flesh." It can also refer to sexual intercourse in general, which is meant in Judeo-Christian beliefs to be withheld until after marriage. *I am blessed to have been one flesh with my wife for nearly 30 years. Many people choose to wait until they are married to be one flesh with someone.*

be one in a million To be regarded as very rare and excellent or spectacular. *Your new boyfriend is one in a million. I can't believe he spent the weekend with your entire family and actually enjoyed himself. This opportunity is one in a million—you have to take it!*

be one in the eye for To be a disappointment or misfortune for someone. Typically used to describe how one is negatively impacted by someone else's actions. Primarily heard in UK, Australia. *Jenny's success at her new company is one in the eye for her old boss. I'm your mother—of course your bad grades are one in the eye for me!*

be one of a kind To have no equal; to be very unique. *This opportunity is one of a kind—you have to take it! This design is one of a kind, as the artist only ever made one. Not many people have so much talent at such a young age. This kid is truly one of a kind.*

be one over (the) eight To be thoroughly inebriated. Primarily heard in UK. *I think someone should drive Jerry home, he's one over the eight. I guess I was making something of a show of myself, but I was having too much*

fun to realise that I was one over eight.

be one sandwich short of a picnic To be not very intelligent or of questionable mental capacity. It can appear in many different forms and variations (for example: a few bricks shy of a load, a few cards shy of a full deck, etc.) *He says he's going to start a business selling bees as pets. I think he may be one sandwich short of a picnic.*

be one step ahead To outmaneuver or evade someone or something. *That crook hasn't been arrested yet because he's always one step ahead of the cops. I've been working extra hard so that I'm one step ahead of the new girl threatening to take my job.*

be (one's) for the taking To be available for one to easily obtain or achieve. *With your famous parents, any job is yours for the taking. Some of us, though, actually have to apply for jobs. Our probable valedictorian has been pretty distracted lately, so I think the title is yours for the taking.*

be (one's) last resort To be the only remaining thing or person that may help one or be of any use after all other options have been exhausted. *I didn't really want to ask Mr. Stadler to write my college recommendation, but he's my last resort at this point.*

be (one's) own man/woman/person To act, think, or work independently; to not accept or be swayed by outside influences. *You can't just accept everything you read in the media—you have to be your own man. When I was younger, I would do anything my friends were doing, but I'm my own person now. You won't be able to manipulate her—she's really her own woman.*

be (one's) own master To not be subject to or controlled by others, especially at work or at home. *I have to be my own master, so I couldn't work in a big company like you and have to answer to a boss.*

be (one's) own worst enemy To do things that complicate one's life and/or keep one from success; to be self-destructive or self-sabotaging. *Of course Tommy started skipping school again—he's his own worst enemy. She always sabotages a relationship when it's going really well because she's her own worst enemy.*

be (one's) pigeon To be one's area of expertise or responsibility. Primarily heard in UK, Australia. *I can't approve expense reports, but Betty can—that's her pigeon.*

be (one's) strong point To be something, such as a subject, activity, or field, at which someone is particularly skilled or adept. *Working with computers was never my strong point, so this receptionist position is going to be a real challenge for me. Movie trivia is one of Sam's strong points, so I think we should ask her to be on our pub quiz team.*

be one's strong suit See [be \(someone's\) strong suit](#).

be only a matter of time To be an inevitability or eventuality; to be or seem sure to happen at some point in the future. *With your reckless spending behavior, it's only a matter of time before you go broke.*

be onto a winner To be progressing in a way that is likely to succeed. *I think we're onto a winner with this new environmental initiative—the whole company has really embraced it. After all of those failed experiments, our team is finally onto a winner now.*

be open to (something) To be receptive to or welcoming of something that comes from outside of oneself. *You should really try to be more open to suggestions if you want to create the best product possible. I'm open to any ideas as to the best way forward.*

be our funeral See [be \(someone's\) funeral](#).

be out for blood To seek vengeance in an especially hostile or belligerent manner. This phrase is often used hyperbolically, although it can refer to physical violence. *I'd avoid the boss if I were you—he's out for blood and screaming at everyone he sees. Some neighborhood kids beat me up last night, and now my brother is out for blood.*

be out for the count To be unconscious or in a deep sleep. Likened to a boxer who has been knocked out. *I didn't even hear you come in last night—I was so tired that I was out for the count as soon as my head hit the pillow. On his 21st birthday, Mike's friends gave him so much to drink that he was out for the count by 10 PM. The rowdy customer was out for the count when the bouncer punched him in the head.*

be out for/after (someone's) scalp To seek vengeance in an especially hostile or belligerent manner. This phrase is often used hyperbolically, although it can refer to physical violence. Primarily heard in US. *I'd avoid the boss if I were you—he's thinks that blunder was your fault, so he's out for your scalp. I got robbed by some punk last night, and now my brother is after the kid's scalp.*

be out in force To be present in large numbers (and thus be or seem like a powerful or daunting presence). *Protestors are out in force at city hall today.*

be out in left field To be or seem uncommon, unpopular, or otherwise strange. *Well, that suggestion is certainly out in left field! How did you come up with that one? Sure, my aunt is really wacky and out in left field, but I love her!*

be out like a light 1. To be sleeping very soundly. *Don't worry, the vacuum won't wake him—he's out like a light. I didn't even hear you come in last night—I was so tired that I was out like a light as soon as my head hit the pillow.* 2. To fall asleep quickly. *I didn't even hear you come in last night—I was so tired that I was out like a light as soon as my head hit the pillow.* 3. slang To be very drunk. *Do you remember last night at the bar at all? You were out like a light!*

be out of action 1. To be ill or injured and thus unable to do one's normal activities. *I was out of action there for a while, but I'm feeling much better after my hospital stay. Our new defenseman does have a broken leg, so he'll be out of action for months.* 2. Of a machine, to be not working at all, or

malfunctioning in some way. *Our washer is out of action, so I'm on my way to the laundromat. Mom called the repairman because our TV is out of action again.*

be out of bounds **1.** Literally, to be beyond a designated boundary. *No, that catch doesn't count because the player was out of bounds. I'm sorry, sir, I didn't realize we were out of bounds here. We'll get back on the trail now.* **2.** To act in an inappropriate or unacceptable way. *That reporter's questions about my personal life were completely out of bounds!* **3.** To be forbidden or not allowed. *I love going to the gym, but exercise is out of bounds until my ankle heals more.*

be out of fix **1.** To be out of order; to not be functioning properly or at all. *My dad's favorite hobby was heading out to the shed with his tools to work on some old piece of machinery that's out of fix.* **2.** To be in disarray or disorder; to be in a state of disarrangement. *The poor woman's house has been out of fix ever since her husband passed away.*

be out of house and home To be evicted; to no longer have someplace to live. *If my wife loses her job like so many of her co-workers, we'll be out of house and home for sure. Several hundred students may suddenly be out of house and home after the university-owned apartment building failed to pass its annual health and safety inspection on Friday.*

be out of humour To be in an irritable, grouchy, or unhappy mood; to feel unwell, displeased, or in poor spirits. Primarily heard in UK. *I think something is bugging John because he's been rather out of humour lately. I think you should get to bed earlier because you're always so out of humour in the morning.*

be out of it **1.** To be sedate, confused, or disoriented; to be, feel, or seem disconnected from reality. *I was really out of it after working that 16-hour shift on Saturday. I think something is bugging John because he's been really out of it lately. It's like he's walking around in a haze.* **2.** To be heavily intoxicated by drugs or alcohol, especially to the point of becoming unconscious, nonsensical, or out of control. *I think someone might have spiked Jack's drink with some kind of drug because he's really out of it all of a sudden. Jane is a lightweight. Only one or two beers and she's totally out of it.* **3.** To not be aware of or knowledgeable about something; to not be included or participating in something. Said especially of a particular trend,

group, or activity. *My dad is so out of it. Doesn't he know that wearing socks with sandals looks ridiculous? Everyone's been playing this new Japanese card game at school, but I'm out of it because I can't afford all the accessories for it.*

be out of kilter **1.** To be out of equilibrium; to not be straight, level, or aligned properly; to be in a state of chaos or confusion. *I've been out of kilter ever since I got that blow to the head during football practice. The economy is still out of kilter in many countries across Europe, even as the global economy has started to recover.* **2.** To not work correctly or properly; to be out of order; to be out of w(h)ack. *It sounds like your car's engine is a bit out of kilter. I'd recommend taking it to a mechanic before you go for any long drives.*

be out of line **1.** Literally, to not be correctly positioned in a line with other people or things. *Adjust that frame on the left—it's out of line with the other pictures on the wall. I was only out of line for a minute! Can't you let me back in?* **2.** To act in an inappropriate or unacceptable way. *That reporter was out of line when he asked questions about my personal life. I'm sorry about last night, I was out of line when I made those demands.* **3.** To be inconsistent (with something else). *That car service's exorbitant rates are out of line with others in the industry.* **4.** To be outside of one's skills or interests. In this usage, a noun or pronoun is used between "in" and "line." *My brother is really studious, so sports are out of his line, as they interfere with his studying.*

be out of (one's) brain To be heavily intoxicated by drugs or alcohol, especially to the point of becoming unconscious, nonsensical, or out of control. Primarily heard in UK. *I think someone might have spiked Jack's drink with some kind of drug, because he's out of his brain all of a sudden. Jane always gets really violent when she's out of her brain like that. I had to take my brother away from the party because he was out of his brain on LSD.*

be out of (one's) depth To be in a field or situation that exceeds one's knowledge or ability. *Of course she's out of her depth with 25 employees reporting to her—she had hardly any supervisory experience before you gave her the job! I asked Alex to consult on this project because it's a bit out of my depth.*

be out of (one's) element To be uncomfortable in a certain situation,

typically because one lacks experience or familiarity with it. *She usually just orders takeout, so she's really out of her element in the kitchen. I know you're out of your element in this new school, but you'll make friends soon, and things will get better. I asked Alex to consult on this project because I'm out of my element here.*

be out of (one's) face To be heavily intoxicated by drugs or alcohol, especially to the point of becoming unconscious, nonsensical, or out of control. *I think someone might have spiked Jack's drink with some kind of drug because he's out of his face all of a sudden. Jane always gets really violent when she's out of her face like that. I had to take my brother away from the party because he was out of his face on LSD.*

be out of (one's) hair To no longer be pestering or annoying to one; to not be one's responsibility or burden any longer. *The kids are out of my hair for a few hours so I can go and get a relaxing massage by myself. Once these auditors from the IRS are out of our hair, we can get back to business as usual.*

be out of (one's) hands To be no longer within one's control. *I submitted my application, so it's really out of my hands now. Now that the jury is deliberating, the case is out of our hands.*

be out of (one's) head 1. slang To be crazy. *He's out of his head if he thinks this plan is going to work! After yet another sleepless night, I'm starting to feel like I'm out of my head.* 2. slang To be very intoxicated from drugs or alcohol. *You were really out of your head last night! How do you feel this morning? A: "Do you remember anything you said to me at the party?" B: "Not at all—I was out of my head last night."*

be out of (one's) league To be a poor match for someone, often because someone or something is considered superior. Although it can be used in other situations, this phrase is very often applied to romantic partners that are not similarly attractive or wealthy. *I can't believe that average-looking guy is dating a supermodel—she is totally out of his league! I've only been working in IT for a few months, so that advanced position is really out of my league.*

be out of (one's) mind slang To be crazy. This phrase can be followed by "with" and the cause of the craziness. *He's out of his mind if he thinks this plan is going to work! After yet another sleepless night, I'm starting to feel*

like I'm out of my mind with exhaustion.

be out of (one's) shell To be less shy or reticent and more sociable, outgoing, or enthusiastic. *Samantha was quite a quiet girl growing up, but she's really been out of her shell since leaving for college. Jack is actually a very funny, engaging guy once he's out of his shell.*

be out of (one's) skull To be heavily intoxicated by drugs or alcohol, especially to the point of becoming unconscious, nonsensical, or out of control. *Jane always gets really violent when she's out of her skull like that. I had to take my brother away from the party because he was out of his skull on LSD.*

be out of (one's) tree slang To be crazy. *After yet another sleepless night, I'm starting to feel like I'm out of my tree. He's out of his tree if he thinks this plan is going to work!*

be out of order **1.** To be unavailable for use, typically because the item or machine in question is broken. *According to the sign on the door, this restroom is out of order. Our washer is out of order, so I'm on my way to the laundromat.* **2.** To not be in the correct sequence. *OK, the pages of this report are definitely out of order—page four is followed by page seven. That's not how the song goes, so those verses must be out of order.* **3.** To act in an inappropriate or unacceptable way. *That reporter was out of order when he asked questions about my personal life.*

be out of place To not be suited to or blend with a certain group or setting. *That modern addition to the school is very out of place with all of the older buildings on campus. I know you're out of place in this new school, but you'll make friends soon, and things will get better.*

be out of pocket **1.** To not have much money. *I get paid next week, so can we go out to dinner then? I'm just out of pocket right now.* **2.** To be unavailable, typically because one is away from one's phone or desk. *Janet is out of pocket right now, but I can give her a message.*

be out of sorts To be in an irritable, grouchy, or unhappy mood; to feel unwell, displeased, or in poor spirits. *I think something is bugging John because he's been rather out of sorts lately. I think you should get to bed earlier because you're always so out of sorts in the morning.*

be out of square **1.** Literally, to not be at or form right angles (as or of a

square). *Are you blind? The foundation to this house is completely out of square!* **2.** By extension, to not be in agreement or alignment; to be faulty or not in proper order. *Environmentalists are claiming that the study on climate change, backed largely by the oil industry, is completely out of square with the truth. Everything about this project has been out of square from the beginning—I think it's time we just started the whole thing over.*

be out of step 1. To lack understanding or information on a current topic or issue. *Making a sexist statement like that just proves how much he is out of step with the views of modern society.* **2.** To disagree with or clash with those whom one is supposed to work with. *The chairman is out of step with the rest of the committee—that's why they want to oust him. He'll never get the nomination because he's too out of step with the rest of his party.*

be out of the ark To be very outdated or old-fashioned. Primarily heard in UK, Australia. *You can't wear a dress like that, at least until you're 80. Come on, it's clearly out of the ark!*

be out of the picture To no longer be a part of a situation. (Note that this absence can be caused by death.) *I'm going to study in the library, so that all of the distractions in my room are out of the picture. I can't ask her out until her disapproving brother is out of the picture, so let me know when he leaves the party. I overheard some of the employees at George's funeral saying that they can take over the company now that he is out of the picture! How tasteless!*

be out of the question To be impossible and/or impermissible. This phrase is often used to halt further consideration or discussion of a request. *In this family, dating is out of the question until you're 18, and that's that. I'm sorry, but getting a huge project like this done in three days is just out of the question.*

be out of the way 1. To be very distant or remote. *His new house is really out of the way—it will take us hours to get there.* **2.** To not be along the planned route. In this usage, a possessive pronoun can be used in place of "the." *We can't stop at the bookstore today because it's out of the way, and we have a lot of errands to run. I can't go to her house tonight, it's totally out of my way.* **3.** To be somewhere where something is not a physical impediment. In this usage, a possessive pronoun can be used in place of "the." *Your books need to be out of the way so I can run the vacuum. I'm so glad that those*

boxes are finally out of my way, and I can actually move around the kitchen. **4.** To be completed, finished, or resolved. Often said of something unpleasant. *I'll be very happy when this required course in British Literature is out of the way and I can get back to the American poets I love. Now that the financial details are out of the way, let's see which cars you can afford.* **5.** To be strange or unusual. *It's out of the way for my little boy to want to sleep all day, so he must not be feeling well.* **6.** slang To be dead. This phrase can also be used as a euphemism for being murdered. *Now that George is out of the way, we'll be able to take over the company. Frankie needs to be out of the way before he goes to the cops and tells them all about us.* **7.** slang To be drunk. *Do you remember last night at the pub at all? You were out of the way!*

be out of the woods See [be \(not\) out of the woods](#).

be out of this world **1.** To be extraordinary. This phrase is most often applied to enjoyable things (especially food), but it can describe unpleasant ones as well. *If you're having dinner at Janine's, then you're in for a real treat—her cooking is out of this world! That car service's exorbitant rates are out of this world. Can't we just take a taxi?* **2.** To be intoxicated. *Do you remember last night at the bar at all? You were really out of this world! be sleeping at the wheel To be failing to attend to one's responsibilities or duties; to be inattentive to that which is important or for

which one is responsible. *Johnson was supposed to make sure the paperwork went through before the deadline, but it looks like he was sleeping at the wheel. Our goalkeeper is such a nincompoop. We would have won that match if he hadn't been sleeping at the wheel!*

be sleeping with the fishes gangster cliché To be murdered and have one's body disposed of in a river, lake, or ocean. *Don't worry, boss, that no-good snitch will be sleeping with the fishes before sunrise.*

be sloshed to the gills To be thoroughly inebriated; to be drunk to the point of incoherence, senselessness, or the loss of self-control. *I hate being in New Orleans during Mardi Gras—an appalling number of people are sloshed to the gills!*

be slow off the mark To be slow to react or take action. *He's too slow off the mark to be an effective emergency responder. You were a little slow off the mark on your last line. Come in a little bit sooner next time.*

be slow on the uptake See [be \(a little\) slow on the uptake](#).

be smashed to smithereens To be broken apart or otherwise destroyed into tiny, fragmentary pieces. "Smithereens," first appearing in English in 1829 as "smiddereens," is likely derived from the Irish word "smidirín" or "smidiríní," meaning "fragment." *I wish I could still go visit our old family home, but it's already been smashed to smithereens by the demolition crew. The village was smashed to smithereens by the typhoon's gale-force winds.*

be snatched from the jaws of death To be rescued at the last moment from near or certain death. *The drowning fishermen were snatched from the jaws of death by a passing cruise ship.*

be snowed under To be very busy or overwhelmed with something. This phrase evokes the image of being buried under an avalanche. *I'd love to go out to dinner tonight, but I'm totally snowed under at the office right now. Kate's not coming tonight because she's snowed under with research for her thesis.*

be snug as a bug in a rug See [be \(as\) snug as a bug in a rug](#).

be so bold as to To do something that is (or could be seen as) surprising, daring, and perhaps inappropriate. *That girl just got here but was so bold as to push her way to the front of the line! I can't be so bold as to ask my boss*

for a raise.

be soaked through To be extremely or thoroughly wet, especially through multiple layers. *Oh, you poor thing, you're soaked through! Come in out of the rain and sit down by the fire this instant! I was soaked through after Daniel pushed me into the pool. I wish I hadn't left my bag outside. Now my books are all soaked through!*

be soft on (someone) 1. To treat someone delicately, gently, or leniently; to not criticize, punish, or berate someone too harshly. *You should be soft on Bill, it's his first day in the office. You're too soft on those kids. They need more discipline or they'll get out of control!* 2. To be romantically interested in or infatuated with someone. *I think John's soft on Samantha, I hope he asks her out on a date!*

be sold a pup slang To have bought something that is ultimately worthless. Primarily heard in UK. *I'm sorry, but that's definitely not an authentic Louis Vuitton bag. You've been sold a pup, my friend.*

be solid as a rock See [be \(as\) solid as a rock](#).

be (someone's) call To be ultimately left up to someone to decide. *I don't really care what movie we see—it's your call. I think we should use the extra money to invest in some new computer upgrades, but it's the boss's call in the end.*

be (someone's) funeral A (usually humorous) threat indicating that if someone does or doesn't do something, it will bring about negative consequences. *OK, fine, don't do what mom said. It's your funeral! If Billy goes in my room when I'm not here, it'll be his funeral.*

be (someone's) huckleberry dated To be well or perfectly suited to

someone's job, need, or purpose. Primarily heard in US. *You need someone to go break your brother out of jail? Buddy, I'm your huckleberry.*

be (someone's) strong suit To be something, such as a subject, activity, or field, at which someone is particularly skilled or adept. *Working with computers was never my strong suit, so this receptionist position is going to be a real challenge for me. Movie trivia is one of Sam's strong suits, so I think we should ask her to be on our pub quiz team.*

be something See [be \(really\) something](#).

be sorry Regret (something). Often used in the phrase, "you'll be sorry." *OK, fine, don't do what mom said—you'll be sorry! If you go in my room when I'm not here, you'll be sorry!*

be spitting in(to) the wind To be doing something totally pointless, fruitless, or futile; to be wasting one's time doing something that will not or cannot come to pass. *To be perfectly honest, when I vote, I feel like I'm spitting in the wind, so I usually don't bother. If you're trying to lose weight without changing your diet, you're spitting into the wind.*

be spoiled for choice To have an abundance of suitable or ideal options from which to choose, such that it may be difficult to make a decision. Primarily heard in US. *Between video games, television, and the Internet, kids these days are spoiled for choice when it comes to their entertainment. Our hotel was right in the midst of the city's finest restaurants, so whenever we wanted something to eat, we were spoiled for choice.*

be spoiling for Enthusiastic/eager for something. Often use in the phrase "be spoiling for a fight." *Come on, don't engage with that drunken fool, he's spoiling for a fight!*

be spoiling for a fight To be argumentative and/or combative. *My mother is spoiling for a fight when she makes critical comments like that—don't even listen to her. Oh, he's just spoiling for a fight because he hasn't slept much in the past week.*

be spoilt for choice To have an abundance of suitable or ideal options from which to choose, such that it may be difficult to make a decision. Primarily heard in UK. *Between video games, television, and the Internet, kids these days are spoilt for choice when it comes to their entertainment.*

Our hotel was right in the midst of the city's finest restaurants, so whenever we wanted something to eat we were spoiled for choice.

be spoon-fed **1.** Literally, to have food inserted into one's mouth by another person. *My mother had to be spoon-fed for a while after her stroke. No, my daughter is off the bottle now—she's spoon-fed.* **2.** By extension, to be helped excessively by someone else (usually to the recipient's detriment). *Those students are lazy because they are always spoon-fed the answers by their teacher. The actress got so flustered in front of the camera that she had to be spoon-fed her lines. How unprofessional!*

be spot on To be exactly right; to be perfectly accurate. *Mr. Lynch's analysis of the company is spot on, if you ask me. I suggest we follow whatever advice he offers. Yes, those directions you gave me were spot on, thank you!*

be squashed (in) like sardines To be very tightly or snugly squashed together, especially in a small space. *We didn't want to take more than one car, so we had to be squashed like sardines in Jeff's little sedan for the four-hour drive to Moab. Having a concert in our friend's café was such a good idea! Sure, we were squashed in like sardines, but everyone had a great time.*

be staring (one) in the face **1.** To be an unavoidable situation or issue. *I know you don't want to pay for this expensive course of treatment, but if you keep ignoring your health, a hospital stay will be staring you in the face.* **2.** To be very obvious, especially suddenly. *Thanks to all of those failed experiments, the solution is finally staring me in the face! Unfortunately, the solution—to break up—had been staring us in the face all along.*

be stark raving mad To be totally crazy. *Don't listen to a word he says, he's stark raving mad! You're stark raving mad if you think that plan will work.*

be stiff as a board See [be \(as\) stiff as a board](#).

be still in the game To remain a contender for success despite setbacks or difficulties. *Our competitors may have carved away a lot of our market, but we're still in the game!*

be still my beating heart An exclamation that something is too exciting or overwhelming for one to bear; literally, that it is causing one's

heart to beat too fast. In modern usage, it is almost always used sarcastically to imply that something is actually mundane, uninteresting, or unappealing. Usually shortened to "be still my heart." *You want me to go shopping with you? Oh, be still, my beating heart! No, thank you. He said the majority of the work I'd be doing for him would entail—be still, my beating heart—copying text from one source to another.*

be still my heart An exclamation that something is too exciting or overwhelming for one to bear; literally, that it is causing one's heart to beat too fast. In modern usage, it is almost always used sarcastically to imply that something is actually mundane, uninteresting, or unappealing. *You want me to go shopping with you? Oh, be still my heart! be stuck in a groove See [be in a groove](#).

be (stuck) in a rut To become seemingly trapped or stuck in a mundane, non-changing pattern of life, work, and/or personal behavior. *I had so many ambitions when I first graduated from college, but now I feel like I'm in a rut. We're stuck in a rut—let's move abroad for the summer and shake*

things up!

be stuck in a time warp To remain unchanged from a time in the past, especially in an antiquated or obsolete way. ("Time warp" is sometimes hyphenated.) *This town is so entrenched in its backwards ideals and moral values, like it's stuck in a time warp or something! There's nothing digital in the house—no computers, no smartphones, just a typewriter and a single rotary telephone. Talk about being stuck in a time-warp!*

be stuffed like a turkey To be or feel extremely full from eating a lot of food. *My grandmother is the best cook around. I'm always stuffed like a turkey whenever I leave her house! We were all stuffed like a turkey after Diana's amazing meal.*

be stuffed to the gills To be completely full or teeming; to have no room to spare. *I've got so many meetings and deadlines these days that my schedule is stuffed to the gills! Her mind was stuffed to the gills with ideas for her new book.*

be swept off (one's) feet To become very quickly or suddenly enamored with or greatly admiring of someone; to be so thoroughly impressed or charmed by someone as to fall greatly in love with them. *I think the reason Jane gets so suddenly invested in new relationships is because she loves being swept off her feet. I was completely swept off my feet when I met my late wife, so now, I can't imagine life without her.*

be swimming with the fishes gangster cliché To be murdered and have one's body disposed of in a river, lake, or ocean. (A less common variant of "be sleeping with the fishes.") *Don't worry, boss, that no-good snitch will be swimming with the fishes before sunrise.*

be tailor-made 1. Of clothing, to have been made specifically for someone by a tailor (and thus fit very well). *Wow, they did a great job with the alterations—that gown looks like it was tailor-made for you!* 2. By extension, to be ideally suited for someone or something. *I've never seen a happier couple than Tom and Anna—it's like they were tailor-made for each other! Don't worry, that math course is tailor-made for students majoring in the arts, so you're not expected to know advanced formulas or anything.*

be taken aback See [taken aback](#).

be taken as read To be plainly accepted as true, fact, or general

knowledge without being verified or investigated first. *It's a shame that it's always taken as read by parents and politicians that video games are no more than idle entertainment. In certain parts of the country, it is taken as read that a divine intelligence created the universe.*

be taken at face value To be accepted only based on the way someone or something appears or seems, without being verified or investigated first. *It's important that the current period of economic growth is not taken at face value by the government, as there is still a tremendous amount of work that needs to be done. The best salespeople are the ones who are taken at face value by their customers.*

be taken by surprise To be happened upon when one is not ready, prepared, or on guard; to be shocked or startled by someone or something. *I was taken completely by surprise when you showed up at my office this afternoon for lunch. I wish you would have called ahead! The enemy encampment was taken by surprise when our troops descended upon them just before daybreak.*

be taken down a notch (or two) To have one's ego or pride reduced or damaged; to be humbled or humiliated. *I hope that pompous oaf has been taken down a notch or two after losing his court case. If Sarah keeps acting like a spoiled brat to everyone, she's going to be taken down a notch some day.*

be taken down a peg (or two) To have one's ego or pride reduced or damaged; to be humbled or humiliated. *I hope that pompous oaf has been taken down a peg or two after losing his court case. If Sarah keeps acting like a spoiled brat to everyone, she's going to be taken down a peg some day.*

be taken for granted 1. To be considered innately true, real, or correct; to be anticipated as always being available or at hand. *The plenitude of our natural resources has been taken for granted by people for most of human history. I guess we had taken for granted that our kids would stick around this town and take care of us when we get older.* 2. To be underestimated or undervalued; to not be properly appreciated or recognized. *I've decided to go out and start my own business, because I'm sick of being taken for granted in this huge corporation.*

be taken ill To become ill or unwell, especially quickly or unexpectedly. *Mrs. Smith was taken ill last night and an ambulance had to be called to*

bring her to the hospital. I was taken ill after someone spiked my drink with alcohol.

be taken in by (someone) 1. To be fooled, swindled, cheated, or beguiled (by someone or something). *It galls me how many people are taken in by companies' claims that "the customer matters most." You spent \$1,000 on some cure-all pill you bought off the Internet? How could you be taken in by that scam?* 2. To be adopted, looked after, or given foster care (by someone or something), often in an unofficial or informal manner. *Nearly 200 abused animals are taken in at this shelter alone each year. My younger brother and I were taken in by our aunt and uncle after our parents were arrested.*

be taken to task (by someone) To be scolded, rebuked, reprimanded, or held accountable (by someone). *I was taken to task by the headmaster for disrupting class again. It's not entirely fair that the bankers are the only ones being taken to task for the economic collapse, when a great many politicians are to blame as well.*

be taken to the cleaners (by someone) 1. To have a lot or all of one's money taken, swindled, or cheated (by someone). *I was taken to the cleaners by the IRS after they found out I hadn't been declaring my freelance work on my tax returns. I made such a big deal about going to the poker tournament that I couldn't bear to tell my husband that I'd been taken to the cleaners.* 2. To be soundly defeated or bested; to lose by a wide margin. *The young team's inexperience showed on the field today, as they were taken to the cleaners by the veteran squad.*

be taken under the wing of (someone) To come under the protection, tutelage, nurture, or care of someone. *I was really nervous starting my master's degree, but I was lucky enough to be taken under the wing of one of the top professors in the university. Our parents died when we were quite young, so my sister and I were taken under the wing of our grandmother for most of our lives.*

be tall in (one's)/the saddle To be or remain proud, stoical, or august in one's manner or composure. *Even after two years of a losing war, the general was still tall in his saddle before his troops. I'll have nothing to do with your schemes or plot. One day, you're going to be locked up and lose everything, and I'll be tall in the saddle when you do.*

be tarred and feathered 1. Literally, to be coated with tar and bird feathers as a form of public punishment and shaming (one that is no longer carried out). *The thief was tarred and feathered in the public square before being paraded through the town strapped to a wooden cart.* 2. By extension, to be severely criticized, reprimanded, or excoriated, especially in a public and humiliating manner. *After this economic collapse, everyone is demanding that the heads of the bank be tarred and feathered, but I'd be willing to bet that they'll just get a slap on the wrist.*

be ten a penny To be very common, ordinary, or widespread. *At first they were quite novel and interesting, but now these little organic cafés are getting to be ten a penny. Trashy crime novels like his are ten a penny, but at least he's doing what he loves.*

be thankful for small mercies To appreciate small or minor benefits, advantages, or opportunities one is afforded, particularly in the midst of an otherwise difficult, frustrating, or unfortunate situation or circumstance. *My car's air conditioning stopped working two hours into my cross-country road trip across America. The radio still works, though, so I guess I should be thankful for small mercies. Our son's accident left him without the use of his right eye; we're just thankful for small mercies that he still has the use of his left one.*

be that as it may A set phrase that acknowledges a previous statement as true but ultimately unable to override some fact or sway one's thoughts on the matter. *Yes, my daughter made a mistake. But be that as it may, this punishment is much too severe. I'm sure that he really does need help with this project. Be that as it may, I just can't stay any later at work tonight.*

be the bee's knees To be exceptionally great, excellent, or high-quality. *Have you ever tried the pistachio gelato at this place? It's absolutely the bee's knees! I'm so crazy about the girl I've started seeing. I think she's the bee's knees, and I don't care who knows it!*

be the best of a bad bunch To be slightly better or more desirable than anything or anyone else in a group, even though none of the available options are desirable. *To be honest, none of the apartments we can afford looked very nice, but this place seems to be the best of a bad bunch. I don't care for Mary's new college friends. She's still the best of a bad bunch, but she's become a real troublemaker since meeting them.*

be the best of a bad lot To be slightly better or more desirable than anything or anyone else in a group, even though none of the available options are desirable. *To be honest, none of the apartments we can afford looked very nice, but this place seems to be the best of a bad lot. I don't care for Mary's new college friends. She's still the best of a bad lot, but she's become a real troublemaker since meeting them.*

be (the) bomb To be excellent, extremely entertaining, or of very high quality. *This steak I ordered is bomb! I'm not usually a fan of action films, but that one was the bomb!*

be the business To be exceptionally great, excellent, high-quality, or skillful. Primarily heard in UK, Ireland. *Have you ever tried the pistachio gelato at this place? It's the absolute business! I'm so crazy about the girl I've started seeing. I think she's the business, and I don't care who knows it! Wow, this singer is really the business, isn't she?*

be the butt of the joke To be the object of an insulting or mocking joke. *I like hanging out with my brother and his friends, even though I'm always the butt of his jokes. Due to their disastrous advertising campaign last month, the company has been the butt of many jokes on the Internet lately.*

be the cat's whiskers To be highly enjoyable, desirable, or impressive, especially in a fancy or elaborate way. *Tom's new Cadillac is really the cat's whiskers! Boy, that singer last night was the cat's whiskers, wasn't she?*

be the chief cook and bottle washer To be involved in many aspects of a particular situation. *Because so many people have left our department recently, I'm the chief cook and bottle washer, doing every little task that comes up.*

be the day hell freezes over To be an impossible or incredibly unlikely point or event in the future. *The day that a Democrat like him gets elected in a blue-collar Republican town like this will be the day hell freezes over.*

be the dead spit of (someone) To look exactly like someone else. Primarily heard in UK. *Wow, you are just the dead spit of your mother! I was about to call you by her name.*

be (the) devil's advocate To argue against or attack an idea,

argument, or proposition—even if one is in favor of it—for the sake of debate or to further examine its strength, validity, or details. Refers to the "Advocatus Diaboli," a person employed by the Catholic Church to argue against the canonization of a saint (and therefore help determine if that person is truly worthy of sainthood). *I'm all for universal health care, but I'll be devil's advocate in asking how the government intends to fund such a massive undertaking. Tom is always the devil's advocate in any given conversation because he loves picking apart other people's arguments.*

be the end of (one) To cause one's ruin, breakdown, downfall, or demise. Often (but not always) used facetiously or lightheartedly. *I hate this class, I swear it will be the end of me! My kids are such a handful, sometimes I think they'll be the end of me! If you keep smoking cigarettes, it may well be the end of you.*

be the end of the world See [be \(not\) the end of the world](#).

be the exception that proves the rule To contradict a rule and thus confirm that the rule exists. A: "We're always told to get eight hours of sleep, but I usually feel really groggy when I sleep that much." B: "Well, I guess you're the exception that proves the rule."

be the last word in (something) To be the most modern or advanced version of something. *Yes, our building is undergoing renovations at the moment, but we have all the latest technology. I can assure you that this machine here is the last word in brain scans.*

be the life and soul of the party To be the main source of fun, energy, and enthusiasm at a social event. *Bill is definitely the life and soul of the party—he's currently trying to get everyone up to dance!*

be the light of (one's) life To be the most beloved person in one's life. *Eva has been the light of my life every day of our 75-year marriage.*

be the living end To be exceptional. This phrase can be used both positively and negatively. *When I was a teenager, I saw that band at least 20 times. I just thought they were the living end! If she is so mad at me that she won't come to my wedding, then that is the living end!*

be the main squeeze See [be \(one's/the\) main squeeze](#).

be the making of (one) To be a positively transformative event in one's life. *He used to be irresponsible with money, but buying a home was the*

making of him—he's never been late with a single payment! In many ways, surviving that internship was the making of me.

be the marrying kind See [be \(not\) the marrying kind](#).

be the model of See [be \(a/the\) model of](#).

be the pits To be particularly bad, unfortunate, or awful, especially of a situation or outcome. *Well, this is the pits. I absolutely cannot believe such a huge thunderstorm came through just as we were getting our picnic set up. I was so excited about this job when I first started. I wish I would have known it'd be the pits.*

be the spice of life To be that which makes life interesting, exciting, enjoyable, or worthwhile. From the proverb "variety is the spice of life," meaning that having many different experiences is what makes life interesting. *My witty friend likes to say that sarcasm is the spice of life for her. In romantic fiction, however, misunderstandings and mishaps are the spice of life!*

be the tip of the iceberg To be only a small, often unrepresentative portion of something much larger or more complex that cannot yet be seen or understood. *If Congress doesn't vote to extend the debt limit, a government shutdown will be the tip of the iceberg in terms of what the country will have to deal with. With mobile apps, you have to account for replay value, monetization, ad revenue, and how much the players will spread the game to their friends. Making a fun game is really just the tip of the iceberg!*

be the toast of (some place) To be someone who is especially well liked, regarded, or admired in a certain place. *The young entrepreneur has been the toast of Silicon Valley ever since his revolutionary tech innovation went public. I hope you enjoy being the toast of London now, because such fame is always fleeting.*

be the toast of (the town) To be someone who is especially well-liked, regarded, or admired in a certain place. *The young entrepreneur has been the toast of the town ever since his revolutionary tech innovation went public. I hope you enjoy being the toast of London now, because such fame is always fleeting.*

be the way to go To be the best or most suitable decision, option, or method. *It's clear to me now that a public referendum is the way to go. I don't*

be thrown in the deep end To be prompted or forced to begin doing something very complex and/or unfamiliar, especially suddenly and without

guidance, assistance, or preparation. *I had never worked in sales before, I was just thrown in the deep end! We were thrown into the deep end the first day of class when the lecturer asked us to write a 2,000-word essay on one of Shakespeare's plays. Those who go the furthest in life are the ones willing to be thrown in at the deep end when a great opportunity arises.*

be thrown off balance **1.** To be made unsteady, such that one may fall. *I was thrown off balance on my roller skates when that dog rushed by me and knocked into my legs.* **2.** To be confused, upset, or taken aback (by something). *I was rather thrown off balance when Jenny said she wanted to have a baby.*

be tied to (one's) mother's apron strings To be controlled or dominated by one's mother. *I'm worried that my husband will forever be tied to his mother's apron strings—he's a grown man but still does every little thing she asks! Can you make a decision on your own, or are you tied to your mother's apron strings?*

be tied (up) in knots To be confused, anxious, worried, and/or upset (about something). *I've been tied up in knots trying to come up with a good topic for my term paper, but I just can't think of anything! James is tied in knots over how to break up with Daniel, but I think he just needs to bite the bullet and just do it.*

be tight-arsed rude slang To be overly concerned with small, insignificant details. Primarily heard in UK, Australia. *I asked Molly to proofread our proposal because she's so tight-arsed that she'll definitely notice the slightest mistake!*

be tight-assed rude slang To be overly concerned with small, insignificant details. Primarily heard in US. *I asked Molly to proofread our proposal because she's so tight-assed that she'll definitely notice the slightest mistake!*

be tipping (it) down To be raining very heavily. Primarily heard in UK. *We have a football match scheduled for tomorrow, but if it keeps tipping down like it is today, I'm sure that it will be cancelled. Looks like it's tipping it down outside again. I guess I won't be cycling to work this morning.*

be tired and emotional To be drunk. (A semi-polite or humorous euphemism.) Primarily heard in UK. *I might be mistaken, but did it seem to you like Sean's father was a bit tired and emotional at the picnic? You must*

excuse me, I'm a bit tired and emotional just now. I think I'd best be going home to bed.

be tired to death of (something) To be or become exceedingly wearied by, bored of, or exasperated with something. *I'm tired to death of doing my boss's errands. If something doesn't change soon, I'm going to quit! I was all gung-ho about this graduate program when I first began, but I must admit that I've been tired to death of these boring lectures lately.*

be toast To be in serious trouble; to be ruined, finished, or defeated. *If mom and dad find out we took their car out last night, we're toast! Down by 45 points with only two minutes left in the game, it's pretty safe to say that the home team is toast at this point.*

be toes up 1. To be deceased. *My poor old dad has been toes up for five years today, but I still miss him like crazy! beg to differ To politely disagree with someone else. *I'm sorry, headmaster, but I beg to differ. Students at this school should have more access to financial aid and scholarships, not less. He thinks that the evening was a disaster, but I beg to differ—I saw plenty of guests enjoying themselves!*

beg, borrow, or steal To acquire or accomplish something by any means necessary or available. *I don't care if you have to beg, borrow, or steal to get it, I want that car and I want it now! I'm in such a jam, I can't even beg, borrow, or steal the money I need to pay my rent this month.*

beggar (all) description To defy attempts at description; to be difficult or impossible to describe or explain. *My mother loves decorating for Christmas, so during the holidays, her house is fit for Santa himself. It truly begs description. My boss's incompetence is astounding. It truly begs all description.*

beggar's bush Ruin or devastation. *Unless you want to end up at beggar's bush, you better watch how much money you're spending.*

beggars can't be choosers You must accept that which is given to you, especially if you don't have the means to acquire it yourself. *That dress wasn't exactly what I would have picked for myself, but, hey, it was free, and I'm broke right now. Beggars can't be choosers.*

begin by (doing something) To start by taking a particular action

(which is named after "by"). *We will begin by stretching. I began by checking out all the library books I would need for my research.*

begin to see daylight To realize that one is approaching the end of a project or task. *When I scheduled my thesis defense, I began to see daylight after two years of hard work.*

begin to see the light To start to understand something, especially something that one was previously confused about or skeptical of. *Tutoring helped me begin to see the light about these physics equations. I used to wonder why people disliked Lydia, but I began to see the light after I caught her making fun of me.*

begin with (someone or something) To start with someone or something; to have someone or something be the first in a series. *Let's begin with stretching and then we'll move on to cardio. You'll all have time to share about your summer vacations, but Caroline, we'll begin with you.*

beginner's luck That which is said (usually enviously or due to skepticism) to bring an inexperienced person success. *Don't get too excited about hitting a home run in your first game, little brother—it was definitely just beginner's luck. A: "Did you just see her get a strike? She's never even bowled before!" B: "Beginner's luck."*

beginning of the end 1. The start of a decline. *We didn't realize it at the time, but not having any interest in Valentine's Day was the beginning of the end for us—we broke up a month later. We all rushed to grandpa's bedside after his nurse warned us that it was the beginning of the end. 2.* The first in a series of closing events. *Senior prom is really the beginning of the end—graduation isn't that far away anymore.*

beguile (someone) into (doing something) To entice someone to do what one wants through some form of cunning, trickery, or charm. *Oh, I am going to that gala, even if I have to beguile one of my co-workers into taking me. I can't believe that salesman beguiled us into buying such an overpriced appliance.*

beguile (someone) out of (something) To swindle something from someone. *That con man beguiled us out of thousands, I'm ashamed to say.*

beguile (someone) with (something) To captivate someone with

something. *Peter beguiled the audience with the exciting tales of his world travels.*

behind closed doors In secret. *You can't tell anyone what happens behind closed doors here—it's classified information. What I do behind closed doors is none of your business! Sure, they seem happy together, but who knows what happens behind closed doors.*

behind in (something) Not having progressed as much as one would like or is necessary. *I'm a little behind in my work right now, but I should have that report done by the end of the week. I'm going to be in debt for the rest of my life—I keep falling further and further behind in paying off my student loans.*

behind its time **1.** Out of date, antiquated, or obsolete. *Your pocket watch looks charming, but it's a little behind its time.* **2.** Falling behind more recent advances (e.g., in one's field of work or study). *Many consider his essay on genetics to be rather behind its time.* **3.** Late; behind schedule. *The train is really behind its time.*

behind (one's) back In one's absence. The phrase typically suggests wrongdoing or deceit. *I can't believe you were gossiping about me behind my back! Tom will be upset that we already made the decision behind his back.*

behind (one's) time **1.** Old fashioned or antiquated, as in manner, beliefs, style, etc. *I love grandpa, but he is really behind his time when it comes to what constitutes an acceptable relationship. The filmmaker seems to be as behind his time as the films he makes.* **2.** Later than expected, scheduled, or is appropriate. *The driver is always arriving behind his time to collect us.*

behind schedule Not having progressed as much as is necessary to meet a particular deadline. *I'm so far behind schedule that I'll never get this report done by Friday. Thanks to the flu, I'm now behind schedule in my party preparations.*

behind the bit equestrian Of a horse, having the head tucked toward the rider as a means of avoiding the pull of the bit (the bridle equipment placed in

the horse's mouth). *This colt is so stubborn, it has been behind the bit each time I've tried to ride him this morning.*

behind-the-counter In a pharmacy, not requiring a prescription but requiring a pharmacist's discretion to purchase, as of drugs or medical devices. *Please be aware that all behind-the-counter purchases require identification so the pharmacist can verify your age before purchase.*

behind the curve Not up to date or current in some area. Often said of politicians. *Can you believe he made that sexist remark about women in the workplace? Wow, he's really behind the curve!*

behind the eight ball In a challenging situation; at a disadvantage. An "eight ball" is one of the numbered balls used in the game of pool, and the last one supposed to be hit into a pocket. If the eight ball is accidentally hit into a pocket prematurely, the player will lose, and it therefore needs to be avoided. *If we don't leave early tomorrow, we'll be behind the eight ball, and I doubt we'll reach the cabin by dusk. Because I got the flu, I'm behind the eight ball with my Christmas shopping.*

behind the scenes Without being widely known or attracting attention. Referring to the private portion of a venue, operation, or production, as opposed to the public part. *Let's have a round of applause for all the people who worked behind the scenes to give us such a great event! Sure, they seem happy together, but who knows what happens behind the scenes. I can't believe we're going to get a behind-the-scenes tour of the castle!*

behind the times 1. Behaving in an outdated or unpopular way. *Of course grandpa doesn't have a cell phone—he's behind the times, as usual.* 2. Lacking the latest information on a particular subject. *Wait, Joe and Mara broke up? Wow, I'm behind the times!*

behind the wheel 1. Driving a vehicle (and thus literally sitting behind the steering wheel). *Don't worry, Katie's behind the wheel, and she hasn't been drinking tonight. I'm so excited to finally be behind the wheel of my own car!* 2. In charge. *With Jim behind the wheel, I'm not sure this team will have the leadership it needs.*

behind time Later than expected, scheduled, or is appropriate. *Go ahead and begin the meal without us, we're running a little behind time. We're sorry for being a little behind time with our takeoff, ladies and gentlemen. We should be departing shortly.*

behind you! Watch out! A warning shouted in times of danger or to indicate one's presence behind someone. *I yelled, "Behind you!" as soon as I saw the masked man reach for the unsuspecting woman's purse. All chefs know to say "behind you" when they're passing other chefs on the line.*

beholden to (someone) Indebted or under obligation to someone, or feeling that one is under such an obligation. *Never accept loans from anyone you don't know or trust personally; you don't want to be beholden to the wrong person. Please, I am beholden to you for the kindness you have shown my family.*

behoove (one) to (do something) To be a beneficial action for one to take. *It behooves him to give his boss two weeks' notice so that he maintains a good professional relationship with her. It would behoove you to call your mother before she hears about your pregnancy from someone else.*

being that Since or because; for the reason that. Chiefly informal and colloquial. *Being that the local council decided not to grant us a full license, the concerts have all been canceled. I thought you might like an ice cream cone, being that you said you were too hot earlier.*

belabor the point To talk about or emphasize something more than is necessary, usually to the listener's boredom or annoyance. *A: "I don't mean to belabor the point, but I'm just worried that there won't be enough food at the party." B: "Yeah, we know, you've said that 10 times now." I'm only belaboring the point because we still haven't reached a decision.*

belch out To expel, often violently. *You can't see far into the distance with all of the smoke being belched out by the factories along the river.*

belch up To expel in an upward direction. *You can't see far into the distance with all of the smoke being belched up from the factories along the river.*

belemnite battlefield In paleontology, an area containing a high concentration of fossilized belemnites (properly, belemnitida), an extinct order of cephalopods that existed in the Mesozoic era. *I was lucky in my first year as a professional paleontologist to stumble upon a huge, undiscovered belemnite battlefield.*

Belgravian 1. Literally, of, referring, or belonging to Belgravia, a wealthy district in central London. Primarily heard in UK. *Those Belgravian*

apartments will always be far above our means, but they are lovely to dream about anyway. **2.** By extension, highly fashionable, elite, or belonging to an aristocratic lifestyle. Primarily heard in UK. *Oh please, you live such a Belgravian life. You wouldn't know what it means to work for a living.*

Belieber slang A fan of pop singer Justin Bieber. *My ears are ringing from the screams of the Beliebers hoping to get a glimpse of Justin Bieber leaving his hotel.*

believe in (someone or something) **1.** To have confidence in one's or someone else's abilities. *I don't usually believe in myself, so I'm trying to think more positively these days. I'm sure you'll do great in the interview—I believe in you!* **2.** To be convinced of the existence of something. *My little girls believe in unicorns, magic spells, all that fun stuff. She says she doesn't believe in ghosts, so send her into the haunted house.* **3.** To subscribe to the tenets of something or value its perceived merits. *I believe in democracy, which is why I vote in every election. If you don't believe in this process, you shouldn't be participating in it.*

believe it or not A set phrase used before a statement that may seem shocking or untrue. It is often used humorously or sarcastically. *Believe it or not, the longer route is actually quicker because there's less traffic. I'm not a chef, believe it or not, so if you want something else for dinner, make it yourself!* A: "Did you really make the basketball team?" B: "Believe it or not, I did!"

believe me A set phrase used to emphasize one's statement as true. *I love kids, but watching 20 of them at once is no picnic, believe me! Believe me, it gets cold in here at night, so you might want to get an extra blanket.*

believe nothing of what you hear, and only half of what you see Be cautious about accepting something without evidence. A: "Wait, Stacy's getting the promotion? I heard they were giving it to Greg." B: "Yeah, well, believe nothing of what you hear, and only half of what you see."

believe (one's) eyes Believe that whatever one is seeing is real. Often used in the negative, such as "can't believe my eyes." *Oh, I can't believe my eyes! Are you really throwing the ball in the house right now? Did you really buy me a new car? I can hardly believe my eyes!*

believe (something) of (someone) To accept that a statement

about someone is true. *I can't believe these lies of Cheryl—I have always known her to be a very reputable businesswoman.*

believe you me A set phrase used to emphasize one's statement as true. *I love kids, but watching 20 of them at once is no picnic, believe you me! Believe you me, it gets cold in here at night, so you might want to get an extra blanket.*

bell out To curve outward in appearance like the shape of a bell. *Graphs of population densities in major cities usually bell out, with the highest numbers in the center and a steady decrease into surrounding areas. Vintage-style jeans bell out at the end, which is why they call them bell bottoms.*

bell the cat To undertake or agree to perform a risky, dangerous, or impossible job or task. It comes from a fable (often and likely incorrectly attributed to Aesop) called "Belling the Cat," in which a group of mice decide that one will harness a bell to a murderous cat so that its jingle will warn them of its presence, though none want to take on the dangerous role. *Someone has to bell the cat and tell the boss we aren't going to come in to work on Saturdays anymore. Who's going to bell the cat and tell mom we wrecked her car?*

bellow out 1. To yell something. *The security guard was bellowing out instructions to all the cars pulling into the parking lot.* 2. To expel something. *You can't see far into the distance with all of the smoke being bellowed out by the factories along the river.*

bells and whistles Additional features, perhaps trendy or fancy ones, that are not required for an object's proper functioning. *This darn car has so many bells and whistles that I can't figure out how to open the gas tank! Do you have any cell phones with fewer bells and whistles? I really don't need anything fancy.*

belly laugh An often uncontrolled, loud, and hearty laugh. *The old man let out a giant belly laugh when he saw his young granddaughter spill an entire bowl of spaghetti on her head.*

belly out To flare out in the wind, as of fabric. *The sails bellied out in the afternoon breeze.*

belly up 1. Defunct. The phrase likely refers to how dead fish float. *Oh, that idea went belly up when the CEO criticized it. Once news of the*

I belong to the gym on Main Street if you ever want to come work out with me.* **2.** To be one's possession. *No, that coat belongs to Rachel—mine has a hood. Who do these headphones belong to?*

belong under (something) To be properly categorized under a certain status, heading, or title. *When you files these documents, they belong under "July 2008." What heading does that paragraph belong under? That department always belonged under the CFO, they're just making it official now.*

below average Subpar. *You'll never get into a top college with below average grades like these.*

below (one's) breath Quietly. Often used to describe an aside that one has muttered. *What did you just said below your breath? Come on, say it to my face! He's always saying things below his breath, and it gets on my nerves! Why can't he just speak up with some confidence?*

below par Below average; not as good as desired, required, or expected. *This essay you turned in on Friday is really below par. Has something been distracting you from your studies recently? Our food was rather uninteresting, and the service was really below par. I honestly don't understand why this restaurant is so popular!*

below the belt Unfairly targeted at one's weakness or vulnerability. The phrase refers to boxing, in which hitting an opponent below the waist is prohibited. *I know she really wants the promotion, but telling the boss about my personal problems was below the belt.*

below the salt In or at a position of low or common standing, rank, regard, or repute. The term is derived from the social hierarchy of nobility in medieval times, in which salt, a precious commodity then, was set in the middle of the dining table. Those of high noble rank were seated "above the salt," that is, closer to the lord and lady of the house, while those in lower social standing were seated "below" it. *Robert's tech firm bankrupted last month, so I guess he's back to sitting below the salt with us again. I know it makes me a snob, but I just consider these big summer blockbusters to be rather below the salt.*

belt a drink down To drink something, often an alcoholic beverage, quickly. *He belted a drink down and ordered another before we'd gotten three steps away from the bar.*

belt and braces A multipronged, perhaps excessively cautious, approach to try to ensure a particular outcome. best-case scenario The best possible outcome. *The best-case scenario is that Doug will be only an hour late—traffic on his route is at a standstill. They're only selling junk at the yard sale, so I think the best-case scenario is that they'll make \$10. The doctor said that the best-case scenario is an*

operable tumor.

the best defense is a good offense Proactively attacking one's opponents or enemies is the best way to protect oneself, since they will be occupied with defending themselves, rather than attacking. *They have a lot of scoring power, so we need to attack the goal early and wear them out. The best defense is a good offense, girls.*

best (do something) To take a certain action because it is a good idea or in one's best interest. *I'd best get to bed early tonight, since I have to be at the airport at 3:30 AM. You best call your mother before she hears about your pregnancy from someone else.*

best is the enemy of (the) good To allow the demand, desire, or insistence for perfection decreases the chances of obtaining a good or favorable result in the end. *I know you want your research paper to be great, but remember that best is the enemy of good. I mean, you'll fail if you don't even finish it in time! As a manager, you have to realize both the potential and the limits of your employees. Keep in mind that best is the enemy of the good.*

best-kept secret A certain aspect, fact, location, or activity, usually touristic or commercial in nature, that is or purports to be not well known to the public but deserving of praise or attention. *The newspaper called the restaurant the city's best-kept secret. While everyone wants to visit the Ring of Kerry, the Dingle Peninsula is really one of Ireland's best-kept secrets.*

the best-laid plans Said when something ends poorly or differently than expected, despite preparations for success. It is an abbreviated version of the full proverb "the best-laid plans of mice and men oft go astray." *I always thought our marriage was stable and that we'd be together forever. I guess it's true what they say, though, the best-laid plans and all that. A: "I've been working on this project for six months, and now, right before it's due, they tell me they want something completely different." B: "That's rough. The best-laid plans, I suppose."*

the best-laid plans of mice and men Said when something ends poorly or differently than expected, despite preparations for success. It is an abbreviated version of the full proverb "the best-laid plans of mice and men oft go astray." *I always thought our marriage was stable and that we'd be together forever. I guess it's true what they say, though, the best-laid plans of mice and men and all that.* A: "I've been working on this project for six months, and now, right before it's due, they tell me they want something completely different." B: "That's rough. The best-laid plans of mice and men, I suppose."

the best-laid plans of mice and men oft go astray Said when something ends poorly or differently than expected, despite preparations for success. The phrase is likely an adaptation of a line from 18th-century Scottish poet Robert Burns. *I always thought our business would last forever. I guess it's true what they say, though, the best-laid plans of mice and men oft go astray.* A: "I've been working on this project for six months, and now, right before it's due, they tell me they want something completely different." B: "That's rough. The best-laid plans of mice and men oft go astray, I suppose."

the best-laid schemes Said when something ends poorly or differently than expected, despite preparations for success. It is an abbreviated version of the line, "The best-laid schemes o' mice an' men gang aft a-gley" (go astray), from Robert Burns' poem "To a Mouse," which itself is a play on the proverb "the best-laid plans of mice and men oft go astray." *I always thought our marriage was stable and that we'd be together forever. I guess it's true what they say, though, the best-laid schemes and all that.* A: "I've been working on this project for six months, and now, right before it's due, they tell me they want something completely different." B: "That's rough. The best-laid schemes, I suppose."

the best-laid schemes go astray Said when things that are well prepared for or seem certain end poorly or differently from how one intends. It is an abbreviated version of the line, "The best-laid schemes o' mice an' men gang aft a-gley" (go astray), from Robert Burns' poem "To a Mouse," which itself is a play on the proverb "the best-laid plans of mice and men oft

a camel is a horse designed by a committee Committees, due to their reliance on several different opinions and viewpoints, produce results that are fragmented, inefficient, or of poor quality, especially compared to the work of a single individual or a small team. A: *"Did you see this latest memo? Can you believe the asinine decisions the task force made?"* B: *"Well, a camel is a horse designed by a committee."*

camel through the eye of a needle Used as part of a comparison to indicate that something is impossible or extremely difficult to accomplish. Taken from the passage in the Bible (Luke 18:25), "For it is easier for a camel to go through the eye of a needle than for a rich man to enter into the kingdom of God." *You'd have an easier time getting a camel through the eye of a needle than getting them to agree on the issue.*

a camel's nose (under the tent) A small, seemingly innocuous act or decision that will lead to much larger, more serious, and less desirable consequences down the line. The term refers to an alleged Arab proverb that if a camel is allowed to get its nose inside of a tent, it will be impossible to prevent the rest of it from entering. *Some regard legalizing same-sex marriage as a camel's nose under the tent, eventually leading to the destruction of marriage altogether. Not hiring an exterminator at the first sign of termites has proved to be a camel's nose, as much of our woodwork is now destroyed.*

camp follower **1.** A civilian who follows a military unit from one location to the next, either because the person is closely related to a service member or to unofficially provide goods or services to members of the unit. *Daniel spent his childhood as a camp follower. His father was in the army, so he and his mother had to move a lot.* **2.** A person who supports a group or cause without officially belonging to its organization. *I always vote Republican, but I'm a camp follower—I'm registered as an Independent.*

camp it up **1.** To act in a campy (exaggerated, racy, or tacky) manner, often in a theatrical setting. *I know your character is supposed to add comic relief, but you don't have to camp it up that much.* **2.** To act in an overly effeminate manner, as of a gay man. *I highly doubt that every man who camps it up is gay.*

camp out **1.** To sleep outside recreationally; to camp, typically with a sleeping bag and/or tent. *My little brother really wants to camp out for his birthday, so we're going to set up a tent in our backyard for him. I love hiking and camping out, but my boyfriend is not very outdoorsy.* **2.** To live in a place other than one home's temporarily, often in conditions that are not ideal. *I'm camping out in my aunt's basement until I can move into my new apartment, so my roommates right now are a washer and dryer—and a few bugs.*

catch the sun To get sunburned. *I caught the sun at the beach last weekend, and now my back hurts so much that I have to sleep on my side! I made sure to pack you some extra sunscreen so that you don't catch the sun on your trip.*

catch the wave To enjoy the advantage or benefit of a particularly

successful, popular, fortunate, interesting, etc., moment or period of time. *Jonathan was totally uncool at school until he caught the wave of his sister's celebrity after she was cast in that movie. The popular Internet artist caught the wave of support from her fan base to launch an incredibly successful crowd funding campaign for her new project.*

a catch to (something) A problem, drawback, or hidden detriment to an idea or situation. *I know this sounds like a great offer, but there's a pretty big catch to it—I'd have to move across the country.*

catch up in (something) To enthrall or mire in something. A noun or pronoun can be used between "catch" and "up." *I never thought I'd get caught up in a soap opera, but this one is just so good! My siblings are constantly fighting and always manage to catch me up in their drama.*

catch up on (something) 1. To learn about something that one missed when it originally happened. In this usage, a noun or pronoun can be used between "catch" and "up." *If you haven't been watching the news for the last few days, you have a lot to catch up on. I need to catch up on all the gossip! I'm sure I missed a lot over spring break.* 2. To do a task that one has neglected. *If you haven't done any biology homework in weeks, you better spend this weekend catching up on it—it's due on Tuesday! I'm trying to catch up on work after being out sick, but my inbox alone might take all day!*

catch up to (something or someone) To make up the difference between oneself and someone or something, so as to be at an equal level, status, or point of progress. *If we speed up, we might be able to catch up to the car ahead of us! You're going to have to study really hard to catch up to the rest of the class.*

catch up with (someone) 1. Of friends or relatives, to update one another on life events that occurred since the last time seeing each other. *It was so lovely catching up with you; it's been years since we were last together! You and I must really catch up with each other sometime soon.* 2. To find (and, of police, to arrest) someone after a period of time trying to track that person down. *The bank robber disappeared for almost a week, but the police caught up with him at the border of Mexico.* 3. To make up the difference between oneself and someone or something, so as to be at an equal level, status, or point of progress. *If we speed up, we might be able to catch up with the car ahead of us!* 4. To meet again at a later point in time. *We'll*

catch up with you after the movie. **5.** To cause unpleasant consequences or have dire implications, especially after a certain period of time. *You might like to party all night long now, but all that drinking is going to catch up with you someday.
